PANTHERETTES TO CLOSE SEASON WEDNESDAY EVE.

Basketball Queen To Be Crowned During Program

The Quitaque Pantherettes will close a triumphant cage season here next Wednesday evening, climaxing a variety program and an exhibition game with the Quitaque Exes with the crowning of the 1936 Basketball Queen, Miss Wanda King, Pantherette mentor, announced today.

Following up their smashing victory over the Childress Bobbies on the local floor Saturday evening, the Pantherettes will journey to Childress Friday for the return match, then close the season here Wednesday evening.

An excellent variety program, including tap dancing, popular songs and other entertaining features, has been arranged by the Pantherettes to be presented at the Panther gym together with the exhibition match with the Pantherette Exes, climaxed by the coronation of the newly elected Basketball Queen.

The identity of the 1936 Queen of Basketball will not be revealed until the night of the game Miss King stated. A hot contest is now in progress among the four classes in high school, each with a candidate in the race, which will continue until the voting closes Wednesday afternoon.

Admission charges of five and fifteen cents will be made for the program and game Wednesday evening. All proceeds from both the game and action will be used to purchase sweaters for the members of the 1936 Pantherette squad. The evening's program will begin at 7:30 p.m.

The Pantherettes played their final home game with a high school opponent here Saturday night, taking a 35-27 win from their old rivals, the Childress Bobbies, in a thrilling game. The local sextette, while often hard-pressed, maintained a winning margin throughout the tilt.

The game with the Bobbies at Childress Friday will officially close the season, as far as interscholastic play is concerned, while the match arrange here Wednesday evening will give local fans their last opportunity to see the 1936 Pantherettes in action.

Pantherettes and Exes are well-matched, the high school team having won one game and tied another in two starts this season, and will offer a fast exhibition in the final contest Wednesday night.

Bernice Grundy, who is attending Texas Tech at Lubbock, spent the week end here visiting in the home of her parents, Mr. and Mrs. Ed Grundy. She was accompanied by Dorothy Mann of Vernon, also a student at the Lubbock school.

Luke Barker Says:

Kitty Henshot brought her daughter up never to speak to strangers, then she up an' ran away with a drummer.

Jennie Crabtree sez that th' new pastor at Sprunka Center is not altogether a success, he preaches so loud th' deacons can't git any sleep.

Auto Tags And Drivers License to Be Available Here

For the convenience of Quitaque people who wish to register their automobiles, Sheriff N. R. Honea announces that he will open offices here during the fore part of March. The office will remain open for about four days, exact time and place to be announced later.

Sheriff Honea states that this year all persons who drive a car must come in person to secure their driver's license. After April 1st all automobile driver are required, by law, to have driver's license. They must be signed, in ink, before being issued. This law prevents a person sending to the county seat for their auto tags. There is no charge for the driver's license.

1936 automobile tags may be purchased any time between now and April 1st, and may be placed on the car after the first of March.

Wainscott Family Leaves To Make Home At Bowie

Rev. Clarence E. Wainscott and family left Wednesday for Bowie, Texas, where Mr. Wainscott will be employed in a barber shop during the spring and summer.

Wainscott will leave Bowie on September 1, when he plans to enter the Decatur Baptist College to prepare for the ministry. He was ordained as a minister by the Quitaque Baptist Church on December 2nd, 1934.

Mr. Wainscott has been in the barber business in Quitaque for more than eleven years, having been associated for the past several years with Dick Hooks in the City Barber shop here.

Since his ordination in 1934, he has served as pastor at the Fairmount Baptist church south of Quitaque, and has conducted services at a number of churches in this locality.

During their long association, both Mr. and Mrs. Wainscott have been faithful members of the local church and have been well-known for their work in that field.

Mr. Wainscott plans to complete his preparation for the ministry when he enters the Baptist College at Decatur this fall.

Mrs. C. E. Wainscott Honored at Shower Given By W. M. S.

Mrs. Clarence E. Wainscott was honored Monday afternoon by the ladies of the East and West circles of the Baptist Woman's Missionary Society in a farewell shower at the church.

Members of each circle met together at the church after their regular meetings to honor Mrs. Wainscott as a departing member of the society. Rev. and Mrs. Wainscott will leave this week for Bowie.

A large selection of lovely and useful gifts were presented to the honoree following a brief program arranged by the ladies of the society.

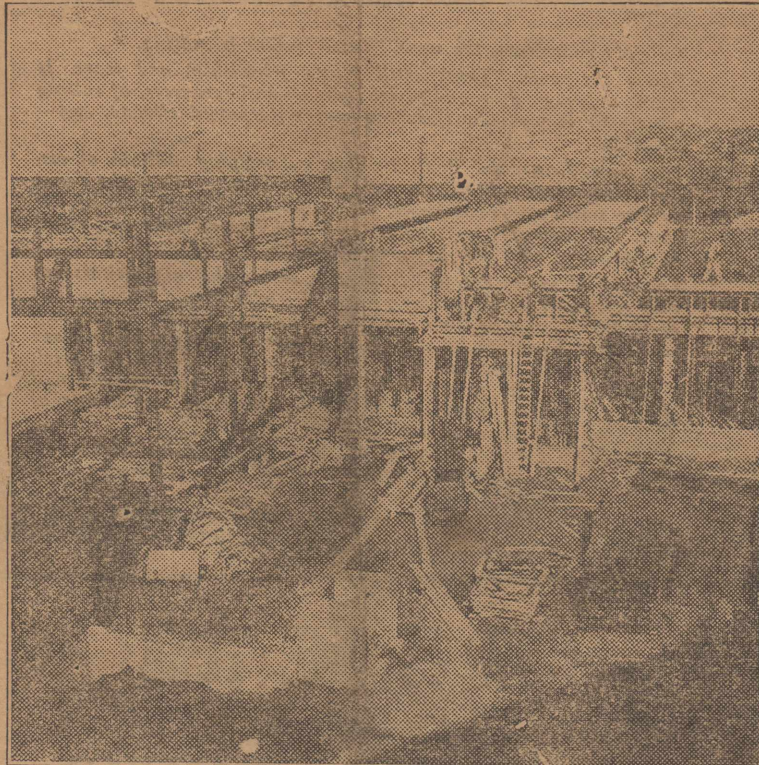

Mrs. Gene Bedwell entertained with a reading, followed by brief farewell talks by Mrs. Ray Persons and Mrs. R. Neal Greer and the reply by Mrs. Wainscott.

Refreshments, hot chocolate and cakes were served by Mrs. A. C. Bickford, Mrs. J. W. Lyon, Jr., Mrs. Greer, Mrs. Hal Overstreet and Mrs. Roy Burgess, to the following members and guests:

Mesdames O. T. Murphy, Huck Berry, F. T. Lee, Grady Starkey, S. T. Bogan, Jack Wise, Clarence Wise, Ray Persons, W. F. Brittain, Wes Harvey, Roy Burgess, Jim Wise, E. E. Burgess, Greer, Bedwell, A. F. VanMeter, J. W. Lyon, J. W. Lyon, Jr., A. C. Bickford, Hal Overstreet, Jim Stell, Lewis Graham, C. B. McDonald, Glenn Wise, Geo. Owens, J. A. Johnson, Frank Wise, C. H. Gregg, Tracy, Jim Stroup, Ed Dunavant, J. N. Hamilton, O. W. Stroup, Charles Gowin, J. G. Gowin, and the honoree, Mrs. Wainscott.

A memory book signed by all ladies present was presented to Mrs. Wainscott following the shower.

Exposition Livestock Building Grows

This photograph gives a realistic idea of how rapidly work is progressing on the Texas Centennial Exposition's huge lot in Dallas. All of the frameworks shown above are part of Livestock Building No. 2, one of two structures which will house the greatest stock show the United States has seen. The two buildings, their construction cost close to \$100,000, will contain an ultra-modern veterinarian hospital.

Mother of Geo. Owens Buried At Rising Star Friday

Mrs. Nora Owens, Gorman, mother of George W. Owens of this city, was buried Friday afternoon at Rising Star. Death followed an illness of several weeks.

Mr. and Mrs. Owens and family left Thursday for Rising Star, where they attended the services Friday.

Last rites for Mrs. Owens were conducted at the First Baptist church at Rising Star at four o'clock Friday afternoon. Rev. King, pastor of the church at that city, was in charge.

Interment was made in the Rising Star cemetery immediately following the services at the church.

Mrs. Owens is survived by ten children, all of whom were present for the funeral services. Her husband preceded her in death by several years.

Mr. and Mrs. George Owens and children returned to their home here Saturday afternoon.

CINCO UNION TO MEET HERE SUNDAY

Members of the Cinco Union of the Methodist Epworth League will meet at the First Methodist Church here Sunday afternoon. Leaguers from Matador, Turkey, Flomot and Whiteflat will be guests of the local league at the time. Members of the Matador League will be in charge of the program. Registration will be given at 2:30 Sunday afternoon.

AGRICULTURAL BRIEFS

We've looked and looked for the fence corners and putting on sharp plow points and new eveners. None of these operations take place in this county till plowing time arrives so we're convinced that its plowing time now. The ground is moist enough to turn out a first class job of listing this time.

Terracing and Contouring

Altho we have been swamped with requests for terrace and contour lines which we have been unable to fill, there are lots of farmers who are running their own lines. 1936 will see many acres of Briscoe County farm land terraced and contoured. We are beginning to wake up to the fact that in this country where rain is so precious we had better save all we can get. Terracing and contouring is a proven method of conserving moisture. O. W. Stroup Named On The Democratic Campaign Committee

O. W. (Oscar) Stroup, well-known local rancher and farmer, was named as a member of the 18th District congressional campaign committee at a meeting of Democratic leaders in Washington last week.

The appointment was announced by Myron Blalock, Marshall, chairman of the State committee, who was in Washington conferring with Vice President John N. Gardner, National Committeeman from Texas.

Members of the 18th District Campaign Committee are: E. A. Simpson, Amarillo, chairman; O. W. Stroup, Quitaque; W. L. Boyles, Panhandle; R. E. Underwood, Amarillo; Gilmore Nurn, Pampa; Mrs. Floyd Cooper, Amarillo; Jep Todd, Canadian; Jake Wade, Dalhart; and Mrs. Seth B. Holloman, Hereford.

The State Advisory Committee includes Gene Howe, L. M. Fischer and R. E. Underwood, all of Amarillo, while Roy Miller of Corpus Christi will be director or organization and finance. Senator Tom Connally will be chairman of the Texas delegation to the National Convention in Philadelphia; while Gov. Alfred will be given the honor of placing Garner's name in nomination for re-election.

Efforts will be made to have a 100 per cent delegation for the present Democratic Administration. Texas will attempt to raise \$200,000 for the National campaign.

Panthers Lose To Quanah Indians At District Meet

Dropping a hotly contested decision to the powerful Quanah Indians in the quarter-final round of the District 3 Interscholastic League cage tourney at Childress Saturday, the Quitaque Panthers closed a successful campaign for the 1936 season.

The Panthers met the powerful Indians in the quarter-finals Saturday afternoon after running up an overwhelming win over the highly-touted Dumont five in the opening game Friday.

Quannah and Quitaque cagers battled on even terms during the final period, after a thrilling race during the first three quarters of the game. The Panthers came from behind in the final frame to tie the score and jump ahead. The Indians, finishing fast, tied the game at 26-26, then forged ahead to take a four point lead as the timer's gun cut short the Panther's final scoring efforts.

The final count was Quannah 30, Quitaque 26.

The Indians were nosed out for the District crown in the tournament finals Saturday night by Carey.

The game Saturday officially closed a successful season for the local cagers. The Panthers took the county cage title in three straight

Livestock Entries At Fat Stock Show To Break All Records

FORT WORTH, Feb. 25—Entries in the various livestock departments of the Southwestern Exposition and Fat Stock Show at Fort Worth, March 13-22, will exceed those of any previous year, John B. Davis, secretary-manager, announced today.

The outstanding Hereford, Shorthorn and Aberdeen-Angus show strings of the nation will be seen in the beef cattle divisions. More dairy cattle, as well as sheep, goats, swine, poultry, pigons and rabbits are also being entered, Davis added.

Interest on the part of prospective buyers has become national in scope and bidders will be on hand at all the auctions from Northern and Eastern States in larger numbers than ever before.

A feature of the Stock Show will be the Feeder Cattle Sale at 10 a. m., March 19, when farmers who have decided to market their grain on the hoof will seek their feeder cattle.

Silverton Ladies to Conduct Meeting at Three

A Home Demonstration Quitaque and territory will be held here at three o'clock afternoon in a community room at the School Auditorium, it was announced this week. Mrs. F. Silverton, wife of the County Agent, and a delegation from the organized Silverton Ladies in charge of the meeting.

The move is a part of a wide drive instituted by the Silverton Floral Club to organize Home Demonstration Clubs in Briscoe County. It will be necessary, state, to have the clubs organized in the community county before it will be possible to secure a County Demonstration work.

Under the leadership of the Silverton Floral Club, the first Home Demonstration organization in the county was organized here last Friday. Every man in the county interested in the work was invited to attend.

A similar meeting will be held here Friday. All ladies living in this section of the county who are interested in the work of the Home Demonstration organizations are urged to be present.

According to a statement last week by Mrs. Clyde Wright, publicity chairman of the Silverton Floral Club, several courses will be offered by the local organization without the aid of a Home Demonstration Agent. The members, according to Mrs. Wright, will be, from time to time,

Texas To Observe March 2 Anniversary Over Entire State

AUSTIN, Feb. 26—Texas on next Monday, March 2, will observe the 100th anniversary of the signing of its Declaration of Independence. The Centennial of the stirring historical event will be widely observed throughout the state.

Added significance is given to March 2 inasmuch as it is the birth anniversary of Sam Houston, great Texas hero and patriot who is being honored throughout the State during Centennial year.

Six official Centennial celebrations are scheduled for March 2. They will be at San Antonio, Houston, Huntsville, Brenham and Washington on-the-Brazos, Gonzales and Crook etc. In addition there will be a large number of school and club programs.

Of special interest because of their historical significance will be the events planned at Huntsville and Brenham. Huntsville, old home of Sam Houston, has made elaborate plans for the day which will see the governors of three states meeting with thousands of Texas citizens to honor the Lone Star State. Ceremonies, to be held at the home of Gen. Houston, will be participated in by Governor Alfred of Texas, Governor Phil LaFollette of Wisconsin, and Governor Hill McAlister of Tennessee. A pilgrimage to the grave of Houston Monday morning will be followed by the ceremonies in the afternoon which the Steamboat house, once the home of Houston, will be presented to the State.

History will be re-acted at Washington-on-the-Brazos in a pageant which will feature the Centennial celebrations planned by the Brenham Chamber of Commerce and the American Legion. The pageant will depict the actual signing of the Declaration of Independence on the same spot 100 years ago. It will follow an elaborate parade in which will march ten high school bands and 5,000 school children. Many state

FAITH

Mrs. S. T. Bogan

He has no doubts, the bird in the tree And a lesson in faith he has given to me, As he sits with his mate on branches so bare Enduring with patience, the cold winters air.

He has faith God will bring Leaves on the trees with the warmth of spring; He is planning to build a little nest For four little eggs, under his mates breast.

He dreams too of a summer morn, And with new courage to carry on, He questions not where help will be, He is not a doubter we plainly see.

These words He gently speaks to me "No sparrow falls, I do not see" These are only birds of the air Its not for their soul he does not care.

Thanks to you, O little bird For the message I have heard, Thru you He speaks so tenderly, "Have Faith! My Child, have faith in Me."

THE THREE R'S

By Clayton Rand

Whether reading, writing or arithmetic, every intelligent teacher knows that a child learns only as it gives attention.

Attention leads to concentration, and through concentration men and women, as well as children, improve themselves and achieve their purpose.

And as little as we may think, attention is the secret of successful advertising.

The ABC's of marketing a product is to so advertise it that it commands and keeps the attention of the buying public.

Many business firms have never gotten as far as the first primer in selling merchandise.

Governor Allred's Proclamation!

To early Americans, the word "Tejas" meant friendship. Today the word "Texas" still means friendship, and more. It means opportunity, a land of fabulous natural resources, of rolling ranges, of loamy black farmlands, of unsurpassed climate, and—BEAUTY.

This year, Centennial Year, Texas is entertaining millions of visitors from every part of America. They're coming to see the Texas they've heard and read about. They will travel every part of our state. The favorable impression Texas and Texans make will result in a priceless asset for the Lone Star State.

Let each of us do everything possible to see that our visitors not only remember Texas as an empire of friendly people but as a land of BEAUTY, as well. This can best be accomplished by each citizen seeing that his or her premises is free from unsightly rubbish, made attractive with flowers or green lawns. In brief, let us all cooperate to the end that visitors will be impressed with the cleanliness and beauty of Texas as well as with our far-famed reputation for friendship.

THE SENIOR PLAY

The Seniors have started to work earnest on their play which will be presented in the school auditorium on March 13. Miss Thomas (director of the play) has been having considerable difficulty in getting time for the students to practice due to the fact that there have been so many ball games, and also, several of the players live too far to come during cold weather.

The cast is composed of students who have already proved their acting ability at previous times, and also students with outstanding talent who have never before made an appearance on the Quitaque stage.

The play is not a hilarious comedy that will keep the audience in a continuous roar, but it moves with a continuous flow of amusement, and the characters are continually getting into one jam after another until finally things work out without leaving anyone too much in the hole.

POPULARITY CONTEST

A campaign is now being waged among the students of QHS to determine just who would make an ideal

Basketball Queen.

Every class has elected by popular vote, a candidate for the contest.

The Seniors have chosen for their candidate Margaret Graham. As her campaign managers, Margaret has chosen Frankie Sanders, Henry Gardiner, Iva Hamilton and Howard Hall.

The Juniors have chosen Viola Robins as the candidate. Viola has not yet chosen a campaign manager.

The Sophomores have chosen Edna Young as their candidate. Edna has selected Dorothy Dee Sachse as her campaign manager.

The Freshmen have chosen Lela Mae Persons as their candidate and Bob Grundy is the campaign manager.

Select your pony for the race and give her votes instead of oats and she will come a lot closer to winning the race.

The proceeds of this campaign will be spent for much needed equipment for the girls basketball squad. If you are proud of their efforts and success in producing a winning team, then show your appreciation by a liberal donation to the cause. The votes will cost a penny each. The girl receiving the most votes will be crowned Basketball Queen.

SOPHOMORE NEWS

VOTE FOR EDNA!

The sophomores have elected Edna Young for their candidate for Basketball Queen. Naturally, our class thinks that Edna is well suited to this honor, and we are sure that you will find "several" persons that agree with us. Some young gentlemen of the junior and senior classes have agreed with us that Edna is the prettiest girl, or one of the prettiest, in high school.

Have you seen Edna? You haven't? Then you must meet her. Boys, she is the one for you to vote for.

Edna is also a declaimer. She won first place at the District meet. So vote for her! We will appreciate your votes very much. Save your pennies and hand them to Dorothy Dee. We trust that every one who reads this will help the sophomores gain the honor of Basketball Queen.

TYPING NEWS

Several speed tests have been given recently, and much general improvement has been shown. The best official record made so far was made made by Henry Gardiner, typing at the speed of 72 words per minute on a two minute test.

Ten students have received certificates of award, and three others are eligible to receive them. These certificates are given to students who have completed part one of Typing and at the same time, have made a speed of 30 words a minute in one of the official speed tests.

The students who received these certificates are Lewis Bedwell, Hazel Dorsey, Ethel Carter, Evelyn Moore, Kathryn Keever, Henry Gardiner, Joe Bailey Payne, Viola Robins, Ray Morrison and Jack Hall.

QHS

Have you noticed our improvements at school? The walks and lovely shrubs around the building make it quite attractive.

We as students hope to keep it lovely. We want our city, homes, 'workshops' and property to make the best possible appearance. Why appear less lovely than other towns? We see no reason. So we say "Put forth best efforts to make Quitaque and surrounding territory attractive for Texas' birthday celebration, as well as a feast for our own eyes."

QHS

APPROACHING THE AVOIDED

Queer thing — this subjunctive. The peculiar thing about it is that it's use seems to be when no other mood can be used. Its greatest and most disastrous effect is that it causes the Spanish II students to lose much sleep, and to turn gray-haired in the mere passing of two weeks.

The subjunctive, as all who are acquainted with it know, has uses far too numerous for distinction which keep the "I want to be enlightened" students on the alert.

The subjunctive should also be considered from the viewpoint of the ever-patient instructor, is Ms King. While others would long ago have given up the next to impossible task of teaching it to the uncomprehending students our faithful teacher never gives up hope. The time-worn phrases "The subjunctive is used ——" "Do not use the subjunctive when ——" seems to hold a lot of possibility for her.

For the benefit of, and the enlightenment of our lower classmen and others interested, the following are among the numerous uses of the subjunctive:

- In independent clauses:
 1. To express a direct command.
 2. To express a desire.
- In dependent clauses:
 1. After verbs of volition when the subject changes.

There are other uses too numerous to mention here. Some of the students are too often in the wrong mood. Let's go Spanish, and get in the subjunctive mood, like true Seniors and Senoritas.

 "GOOD FOR WHAT AILS YOU"

Do You Ever Wonder
 Whether the "Pain" Remedy You Use is SAFE?
 Ask Your Doctor and Find Out

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations

THE person to ask whether the preparation you or your family are taking for the relief of headaches is SAFE to use regularly is your family doctor. Ask him particularly about Genuine BAYER ASPIRIN. He will tell you that before the discovery of Bayer Aspirin most "pain" remedies were advised against by physicians as bad for the stomach and, often, for the heart. Which is food for thought if you seek quick, safe relief. Scientists rate Bayer Aspirin among the fastest methods yet discovered for the relief of headaches and the pains of rheumatism, neuritis and neuralgia. And the experience of millions of users has proved it safe for the average person to use regularly. In your own interest remember this.

You can get Genuine Bayer Aspirin at any drug store — simply by asking for it by its full name, BAYER ASPIRIN. Make it a point to do this — and see that you get what you want.

THE DOCTORS ARE RIGHT

Women should take only liquid laxatives

Many believe any laxative they might take only makes constipation worse. And that isn't true.

Do what doctors do to relieve this condition. They use a liquid

laxative, and keep reducing the dose until the bowels need no help at all.

Reduced dosage is the secret of aiding Nature in restoring regularity. You must use a little less laxative each time, and that's why your laxative should be in liquid form. A liquid dose can be regulated to the drop.

The liquid laxative generally used is Dr. Caldwell's Syrup Pepsin. It contains senna and cascara—both natural laxatives that form no habit even with children. Syrup Pepsin is the nicest tasting, nicest acting laxative you ever tried.

dignitaries are expected to be present.

Commemorative ceremonies in honor of the memory of Sam Houston will be held at Crockett. Appropriate ceremonies also are planned at Houston and San Antonio.

The first day sale of the Texas Centennial stamp at Gonzales will attract nation-wide attention to that South Texas city on March 2. United States Solicitor General Karl Crowley and Clinton A. Eilenberger, third assistant postmaster general, both of Washington, will be present as will be Lieutenant Governor Walter Woodul and a number of other state officials. The sale of stamps is expected to break all former first day stamp sales.

Crowley will sell the first stamp to Lieutenant Governor Woodul who will place it on a specially prepared letter to be mailed to President Roosevelt.

on the job. We have our spare machine now and if you want some lines run you might be able to borrow the machine.

Hard Luck

Due to the fact that someone in Washington forgot to dot an i or cross a t, or something like that, our cotton tag checks are being delayed again. It is rumored that the order calling for 296 million dollars to be paid out of the old 1935 set up was not worded exactly right and this would cause about ten days delay. Well, fortunately, for us the ten days is about over now.

Poultry Practics

Did you know that some hens were just like some people? They are. Some of them are boarders and not worth keeping. Now is a good time to cull the flock and send those boarders to town. Hens are a good price now and if they weren't it would be profitable to you to get your boarders out of the flock so you could cut down on the feed bill. Remember too that the lice on chickens are not paying their board. Get rid of them by painting the roosts with Black leaf 40. It works.

Gardening

Water is a big item in making a garden in this western country. Water consumption can be cut in half by the use of tile in the garden. Now is the time to get that garden spot in shape. When the time comes to plant it will be too late to do much about sub-irrigation. Come in and lets talk over the possibilities of sub-irrigating the garden.

AT THE CHURCHES

AT THE BAPTIST CHURCH

It was very gratifying last Sunday to see the attendance in all departments of our church work returning to normalcy. It is our aim to build the Sunday school up to the A-1 Standard by the first of April. To do this we must have a record attendance.

Our profoundest sympathy goes out to George Owens and family in the loss of his mother who was buried at Rising Star last Friday.

In a touching service the congregation bid a farewell to the Wainscott family after an earnest sermon by Bro. Clarence at the evening worship hour last Sunday. The following resolution was read by S. T. Bogan and passed by the church:

"Whereas: the Wainscott family have been valuable workers in our church for more than ten years; Mr. and Mrs. Wainscott both having been teachers in our Sunday school and Bro. Wainscott has served in the office of deacon and

Whereas: Bro. Wainscott was ordained to the full work of the gospel ministry by our church, having previously surrendered his life to this high calling.

Therefore: Be it resolved that we commend him and his family to the brotherhood as noble, consecrated Christian workers, and

Be it further Resolved: that we extend the Wainscott family our sincere regrets of their departure from us, and that we extend our continuous heartfelt interest and prayers as they go to their new fields of labor."

A Baptist Training Union School and Enlargement campaign has been planned for March the 8th and the week following. The Rev. Allen new pastor and helpers from Turkey, will assist us in the school. There will be classes for every age beginning each evening at 7, lasting only one and one-half hours. Everyone is invited to attend these classes and the entire membership are urged to take courses and receive credit, thereby raising the Standard of our church.

Our summer revival meeting will begin March 15th. The Rev. Frank A. Tippen of Whitesboro will do the preaching for us this year. Watch these columns for further announcement about this revival.

All service will be held th's week accordingly to the regular weekly schedule.

EAST CIRCLE

Members of the East Circle of the Baptist WMS met in regular mission study with Mrs. Jack Wise Monday afternoon. Mrs. P. P. Rumph taught the lesson. The devotional was taken from the 8th chapter of the Book of Roman, 1-14 verses. A short business session was conducted by the vice-president. The meeting was closed with a prayer by Mrs. S. T. Bogan. Ten members were present.

WEST CIRCLE

The West Circle of the Baptist WMS met Monday afternoon with Mrs. C. E. Bedwell in a Mission Study lesson. The meeting was opened with song and prayer. The program was led by Mrs. R. Neal Greer, taking as her subject "The Wandering Jew in Brazil." Mrs. Bedwell, Mrs. Clarence Wainscott, Mrs. Lew's Graham, Mrs. Greer, Mrs. A. C. Bickford, Jr. and Mrs. C. H. Gregg were the speakers. Twenty members were present.

METHODIST W. M. S.

The Methodist Womens Missionary Society met in regular session Monday afternoon with Mrs. Victor Hall. Mrs. C. M. Walden was leader for the afternoon.

Mrs. Dee Lowry and Mrs. A V Nyrd taught the lesson from two chapters of the book on home missions, Toward Christian America."

Refreshments were served by the hostess to ten members present.

Texas Exposition Gathers Speed In Exhibitors' Rush

Building Program Takes Form As 5,000 Workmen Labor 24 Hours a Day

DALLAS, Texas.—Three shifts of workmen—close to 5,000 men working 24 hours a day—are rushing the Texas Centennial Exposition's buildings toward completion by the opening date, June 6.

The Exposition's own \$15,000,000 construction program is well under way. The City of Dallas has broken ground on its \$3,500,000 program, constituting seven permanent buildings which will form a vast civic cultural center when the Exposition is over. The State of Texas is racing work on the \$1,200,000 Hall of State, one of the show pieces of the fair. The Federal Government has its two buildings—the Federal Building and the Hall of Negro Life and Culture—ready to leave the drafting room stage and become realities.

The Midway, probably the greatest the United States has ever seen, is taking a tentative form as entertainment concessionaries fight for choice sites.

Not far from the industrial exhibits—where the latest exhibits of industry and science will be shown—the Exposition two Livestock Buildings are rising.

Here the greatest livestock show the nation ever has seen will be housed. The buildings alone will cost \$400,000, complete with a veterinarians' hospital and every modern device for the care of livestock.

The value of the stock which will be exhibited here between June 6 and Nov. 29 cannot be estimated. Paul M. Massmann, in charge of the Exposition's exhibit department, already has laid before General Manager William A. Webb contracts for more than 80 per cent of the available Exposition display space.

Included among the exhibitors with whom negotiations have been completed are: Advance Aluminum Casting Corp., Alfa-Ansco Corp., Aldridge Seed Farms, Inc., American Thread Co., American Telephone and Telegraph, Ball Brothers Co., Beech-Nut Packing Co., Book House for Children, Catholic Exhibit, Continental Oil Co.

Dr. Pepper Co., Donna Lee Products, E. I. DuPont de Nemours Co., Famous Mineral Water Co., Ford Motor Co., General Electric Co., Genesee Trading Co., Grennan Bakeries, Inc., The Grolier Society, Gulf Refining Co., Harley-Davidson Motor Co., A. Harris and Co., John A. Hertel Co., Hubinger Co., Interstate Cotton Oil Refining Co.

Kellogg Co., Kraft-Phenix Cheese Corp., Missouri-Kansas-Texas Ry., Morton Milling Co., Nassau Pen and Pencil Co., National Life and Accident Ins. Co., H. O'Hayon, National Super Products Co., National Pressure Cooker Co., Peter Pirsch & Sons Co., Portland Cement Association, The Practorians.

W. F. Quarrie & C., Ratliff's Pure Food Products Co., Reynolds Manufacturing Co., Geo. L. Shuman & Co., Southern Rice Industry, Standard Brands, Inc., Standard Tilton Milling Co., Texas and Pacific Ry., The Texas Co., Westinghouse Electric Co., Walker's Austex Chili Co., L. E. Waterman Co.

Baptists to Honor Houston March 1

DALLAS, Texas.—Baptists all over the United States will join in a religious celebration of the birthday of General Sam Houston, Sunday, March 1.

Houston's birthday falls on Texas Independence Day, March 2, but services will be held in all Baptist churches the preceding Sunday. In his letter to 2,000 Baptist congregations, Rev. Howard Williams, secretary of the Texas Baptist Convention, urges union services in every community where there are two or more Baptist churches.

Special services will be held in First Baptist Church, Washington, D. C., which Houston attended when he was United States senator, at Baylor University in Waco, Texas, whose founder Dr. Rufus G. Burleson baptized General Houston and at Independence, Texas, where he joined the church.

The Texas Centennial Exposition which is cooperating with the Texas Baptist Convention in plans for this religious observance will have a \$50,000 Hall of Religion, a spacious and beautiful building for free exhibits by all denominations. In the Baptist section of the structure special stress will be laid on Houston's services to his state and to the Republic of Texas of which he was the first elected president.

Prunes should be stewed in the water in which they have been soaked.

Old potatoes will have a better flavor if a little sugar is added to the water in which they are boiled.

Women on farms in this country work an average of 64 hours each week, and many of them work as high as 77 hours.

To Help Texas Centennial

DALLAS, Texas.—Outstanding church figures are being invited to conduct twilight vesper services at the Texas Centennial Exposition commencing at Dallas June 6 when the Lone Star State will inaugurate a six-months celebration of her 100 years' of independence from Mexico. Invitations to date have been forwarded to Dr. George W. Truett, president of the Baptist World Alliance; Archbishop Temple of York, England, second in rank of the Church of England; Rabbi Stephen F. Wise of New York, and Dr. Stanley Jones, evangelist.

Hospital for Exposition

DALLAS, Texas.—With almost 5,000 workmen engaged daily in preparing the Texas Centennial Exposition for its June 6 opening, a complete emergency hospital has been set up on the lot here, equipped to handle anything from a splinter in a finger to serious injuries.
