First Primary Election Saturday

Looking Things Over

By "MACK"

Personally, my guess is that when Saturday's Primary is over this weather will cool off quite a bit. We can't expect cool weather with all this hot air floating around.

—M—
And again this year, I am going to vote just like you do—as I darn please.

—M—
And, as usual, every qualified voter is urged to go to the polls Saturday and cast their ballot for the candidate of their choice. And I'll bet ten to nine and one-half—the fellow who fails to vote will be the first to put up a howl if the man in office does not do exactly to suit him.

—M—
Last Thursday afternoon I received an invitation, along with six or seven hundred other newspaper men over the state, to attend the final dress rehearsal of "Casa Manana" and "The Last Frontier" at the Fort Worth Frontier Centennial. This also included a six o'clock dinner at the Casa Manana. The whole thing sounded interesting, and I wanted to go. So, gathering up all my nerve, I rushed across the street and into the office of the President of the First National Bank to see what the chances were of borrowing a few dollars to go to Cowtown on. The banker asked the usual questions, i. e., what I was going to do with the money and all that kind of stuff. Nothing could be done except to show him the letter from Mr. Amon G. Carter, inviting me to the Fort Worth show. The banker read (and re-read) the letter, seemingly with great interest—then suddenly said, "Mack, I'll let you have the money, but I had better go with you to see that you take care of it." (I forgot to mention that in the invitation, an extra person was invited to go with the newspaper man).

Anyway, the local banker and newspaper man headed to Ft. Worth Friday noon, arriving there just a few minutes before the show started.

Fort Worth showed the newspaper men (and bankers) the greatest spectacle ever presented in Texas. Casa Manana, an elaborate stage show given at the largest cafe-theatre in the world, was, beyond a doubt, more elaborate, more beautiful, more entertaining, than any country editor (or banker) could imagine or describe—with such stars as Everett Marshall, Ann Pennington, Paul Whiteman, Sally Rand, and hundreds of pretty girls, you can readily guess what a thrill we got out of it. Quitaque's self appointed committee of two will advise anyone, who wants real entertainment, to see the show put on at the Casa Manana.

The second show we saw at Fort Worth was "The Last Frontier," a musical rodeo. Here you see, amid elaborate settings, a real musical wild west show, with singing (and good old country singing, too) dancing, wild west scenes enacted, bronc riding, bulldogging, roping, and all the trimming. It was well worth the trip. We enjoyed every moment of it.

The cost? Well, can't tell you, because we paid no money whatsoever in Fort Worth. Our cost was gas to the city and a hamburger at Vernon. But we don't think it will cost you too much, and anyway you are only young once—so enjoy yourself.

Fort Worth's Centennial celebration is strictly entertaining—you will receive no educational value, so they say. But we'll tell you this much—you will never forget or regret it—and perhaps another chance to see such high class entertainment may never pass this way again.

By the way, we made the trip to Fort Worth, saw the two shows, and were back in Quitaque in less than 20 hours, with no fast driving.

Plan To Enlarge Road Side Park West of Quitaque

Plans for enlarging the recently completed road-side park, a part of the Texas Highway Department's highway beautification campaign, located at the foot of the caprock four miles west of Quitaque, were advanced last week by B. G. Sherrod, Tulsa, section foreman on Highway 86, and have been accepted and sponsored by the Quitaque Community Club.

The plans suggested and outlined by Sherrod call for the addition of two and two-one-hundredths acres to the present one-acre tract. Mr. Sherrod promised improvement of the enlarged park-site by the NYA, providing a fine camping and picnicking spot for travelers and local residents.

The required land, not in use at the present time, is the property of the Howard Brothers Estate, and is controlled by their agent, W. M. Massie of Floydada. The additional land, which will extend the parksite to include a nearby arroyo, is to be purchased and deeded to the State of Texas, according to plans.

Plans for the enlargement project were discussed and explained before the Community Club at its regular meeting Tuesday by E. G. Rice. Mr. Rice was appointed as Chairman of a Committee, with Dr. E. C. Price and J. T. Persons, to work on the project.

The Roadside Park was recently completed by the National Youth Administration in cooperation with the Highway Department. Similar parks are being constructed on all highways in the state.

Mr. Sherrod was in Quitaque Monday, inspecting the completed park-site, and was well-pleased, stating the local project is one of the best in this section. Upon his recommendation, plans were laid for securing deeds to the two acres adjoining the present site to provide for the enlarged and improved park.

Blue prints were prepared by Mr. Sherrod according to Highway Department specifications, and will be used by the Club Committee in negotiations for the purchase of the land from the Howard Estate.

Mrs. V. T. Hall Represents H. D. Club at Denton

Members of the Quitaque Home Demonstration Club met Wednesday afternoon of last week at the Methodist Church in their first session under the supervision of Miss Geneva Meadows, recently employed County Demonstration Agent.

Mrs. V. T. Hall, prominent member of the local organization, was selected as delegate from the Quitaque Club to attend the Home Demonstration Short Course in progress at Denton this week. Mrs. Hall left for Denton Monday, and will make her report on the short course at the next meeting.

Miss Meadows announced Monday that all ladies in this section of the county who are interested in Home Demonstration work be present for the next meeting which will be held Wednesday afternoon, July 29, at three o'clock at the Methodist church.

Food Preparation and Canning will be the subject of study for the coming months. The new course will be started at the meeting next week, she stated, and a report on the Short Course at Denton by Mrs. Hall, local delegate, will be heard at that time.

SON BORN TO MR. AND MRS. RENOIS CASE

Mr. and Mrs. Renois Case are the parents of a healthy baby boy born Friday morning, July 17. The young man, weighing eight pounds at birth, has been named Wendell Lee.

Rev. A. L. Jordan To Hold Revival At Flomot

Rev. Arthur L. Jordan, pastor of the first Baptist Church of Gainesville, and former Matador pastor, will conduct a revival at the Baptist Church in Flomot, beginning the first Sunday in August, it has been announced.

Rev. Jordan served as pastor of the Matador Baptist Church for four

REV. A. L. JORDAN

years, leaving there three months ago to accept the pastorate of the First Church at Gainesville. He has held services on several occasions in Quitaque, and is well-known in this section.

Rev. Jordan will be assisted in the meeting by Rev. J. E. Eldridge, pastor of the Flomot church.

The meeting will be opened Sunday morning, August 2nd, Rev. Eldridge conducting the opening services. Rev. Jordan will arrive from Gainesville Monday, August 3rd, holding the evening services on that date. The pastors will be assisted in the meeting by a student from Wayland College at Plainview, who will be in charge of the music and singing, it was announced.

REV. KEEVER AND FAMILY LEAVE FOR VACATION

Rev. and Mrs. G. L. Keever and daughters, Kathryn and Koren, left Quitaque Monday morning for a three weeks' vacation in North Carolina. Rev. Keever will visit his mother in Lincoln, N. C., and other relatives and friends in different points in North Carolina. They plan to visit New Orleans and other interesting places along the route.

E. W. SCHEID UNDERGOES TONSILLECTOMY MONDAY

Supt. E. W. Scheid entered the Plainview Sanitarium at Plainview Monday morning, undergoing a tonsillectomy early Monday. He was accompanied to Plainview by Dr. E. C. Price. Mrs. Scheid and Amelia Tunnell made a trip to Plainview Monday evening, returning with Mr. Scheid early Tuesday.

Nearly every man becomes an earnest booster for his home town after he has left it for good.

Former Quitaque Resident Buried at Dimmitt Monday

Mrs. W. B. Kimbell, of Dimmitt, formerly a pioneer resident in this county, was buried Monday afternoon at the Dimmitt Cemetery. She was sixty-eight years of age.

Funeral services were conducted Monday afternoon at the First Methodist Church in Dimmitt, Rev. Joe Strother, pastor, conducting the rites. Mrs. Kimbell died late Saturday at her home in that city.

A former Quitaque resident, Mrs. Kimbell left this county approximately twenty years ago, and has made her home at Dimmitt for the past fourteen years. She was well-known in this section, and will be remembered by many of the older residents.

Minnie Mae and Marion Roberson, niece and nephew of the deceased, and Mrs. J. H. Boyles, Mrs. T. E. Boyles, and Mrs. J. H. Hughes attended the funeral services at Dimmitt Monday. S. H. and Babe Kimbell and Mrs. Floyd Tiffin, also of Quitaque, relatives of Mrs. Kimbell, were unable to be present for the funeral.

State Committee Approves New Soil Conservation Rule

COLLEGE STATION—That the eradication of noxious weeds and grasses including Johnson grass, Bermuda grass, nut grass, blueweed and bindweed will be considered as a soil-conserving practice in Texas and will qualify farmers for a soil-conserving payment acre for acre in lieu of a soil-conserving crop, has been approved by the State Agricultural Conservation Committee.

Two methods of eradication were approved. One consisted of flat-breaking the infested land, followed by intensive cultivation during the months of July, August, and September with a knife cultivator or disc harrow.

The other method that may be used is that the infested land be bedded with a sweep or "middle-buster" at intervals of not more than 30 days, following each time with a harrow in order to expose the roots to the weather.

Eradication can be carried out for payment only on badly infested crop land, location of which is filed with the County Committee before eradication starts.

R. F. Williams Dead

Just as the Post was going to press this morning, word was received in Quitaque of the death of R. F. (Bob) Williams. Death occurred early this morning (Thursday). Mr. Williams has been in an Amarillo hospital for the past several days. No details as to funeral arrangements had been received at press time.

Willis Walker, editor of the Turkey Enterprise, Turkey, was a local business visitor Monday afternoon.

AGRICULTURAL BRIEFS

BY THE BRISCOE COUNTY AGENT

Wheat harvest is nearing the end. Only a few more days until 1936 harvest will be history. The average production per acre was rather low, but a good deal higher than most farmers thought for about April 15 to May 1 and past. The county over will possibly average six or seven bushels per acre. According to Ned Baird, 56 cars of wheat have been shipped out, and there will possibly be around 25 or 30 more cars to be shipped out. Also the report comes that Whitley Switch has shipped out around fifty

cars of wheat and will have a few more cars yet to be shipped.

Another day or two like last Sunday and crops will begin to wither away, but unless the weather gets too hot, Briscoe County as a whole can go for a week or ten days longer without rain without a great deal of damage to cotton and feed crops. Maybe the weather man can have some good news in sight for us by that time. Here's hoping, anyway.

The Subsidy checks are about all in. Every day or two we get four or five checks. There are probably thirty or forty checks out yet.

Record Ballot Expected to Climax Heated Campaign

Heavy balloting, with possibly a record vote, is indicated when Briscoe County voters go to the polls in the first Democratic Primary election Saturday, as absentee balloting has already passed a record mark, and interest is running unusually high in heated campaign for precinct, county, district and state offices.

Polls will open at eight o'clock Saturday morning at the Quitaque High school building. Henry J. is the election judge. In Gasoline, polls will open school house, with Boone McCracken, election judge.

Homecoming At Methodist Church Draws Good Crowd

Large crowds were in attendance Sunday morning as members of the Methodist Church celebrated their first Annual Homecoming Day.

Rev. O. M. Addison, pastor of the Tenth Street Methodist Church in Amarillo and formerly pastor of the local church for three years, delivered the sermon at the morning service.

Special music was enjoyed, with a quartette by Mrs. E. C. Price, Mrs. Paul Hamilton, Mrs. A. L. Patterson and Mrs. Joe Graham; a solo by Mrs. L. S. Edmondson; and music by the orchestra.

Mrs. J. W. Ewing, only remaining charter member of the Quitaque Methodist Church, gave a brief history of the church, tracing its progress since its organization in 1902 until the present day.

Services Sunday evening were in charge of Rev. G. L. Keever, local pastor.

Many visitors and former members of the church were present for the services Sunday.

REV. GREER LEAVES MONDAY TO CONDUCT TWO REVIVALS

Rev. R. Neal Greer left Monday morning for Whitesboro, where he will open a two week's revival meeting at the First Baptist Church. Closing the meeting at Whitesboro Sunday, August 2, Rev. Greer announced his plans to leave for Ebony, where he has accepted an invitation to hold a week's revival at the Ebony Baptist Church.

Regular services will be held here next Sunday morning, Rev. Greer announced on leaving for Whitesboro Monday. No evening services, however, have been announced. Rev. Greer will return to Quitaque the second week in August, according to present plans.

Rev. Greer was accompanied to Whitesboro Monday by Mrs. Greer and their daughter, Nealita.

Many a motorist has found to his sorrow that a telephone pole is a poor substitute for brakes.

Election Parties

Saturday is ELECTION DAY!—and all Quitaque, Gasoline, Antelope, Kent, and other points north, east, south, and west are invited to a party!

Two local firms, the Pioneer Drug Store and Burgess Pharmacy, will feature election parties Saturday evening, beginning at seven o'clock, when the polls officially close. Large black-boards will be erected in front of both firms, and county returns will be posted as they are received. Arrangements have been made with the County Clerk to poll the votes as they are counted, and you, you, you, and YOU are invited to attend both of these parties in the City of Quitaque.

Poll taxes paid in this county totalled 1,615, records at the Tax Collector's office revealed, while it is estimated that approximately 1650 residents of Briscoe County are eligible to vote in Saturday's primary.

Five hundred and twenty voters are registered at the Quitaque box, the largest in the county; while 771 are on the rolls at three Silverton boxes. In four smaller boxes in the county, Gasoline polls 71, Rock Creek 115, Antelope 69, and Vigo Park 71.

"Absentee balloting to date is running higher than at any previous time in the history of the county," R. E. Douglas, County Clerk, stated Tuesday.

Tuesday, July 21, was the final day for polling absentee votes, but the total number cast was not available at press time.

Poll taxes paid in this county this year were higher than at any previous time, while 'unders' and 'overs' not recorded on the lists are expected to place the total much higher.

Mr. Bailey, in a statement Wednesday morning, urged all voters living in town to cast their votes as early as will be convenient Saturday morning, in order to speed the voting and leave polls open for voters from outlying districts Saturday afternoon.

First returns will be made public as soon as possible after the polls close, Bailey stated, pointing out that early balloting will speed the counting and make it possible to get complete returns here early Saturday evening. Two election boards will give complete returns from the County boxes as they are received, for the benefit of the voters in this section of the county.

MCGRAW RULES ON UNDER-AGE VOTERS

Attorney General William McCraw ruled Monday that persons who have become twenty-one years of age since February 21 may vote in the primary Saturday regardless of whether they were able to obtain exemption certificates before that date, dispatches from Austin stated.

In cities of less than 10,000 population, McCraw ruled, the voter who has become of age since February 1 may vote without an exemption certificate, and is required only to make an affidavit of his age if his right to vote is challenged. The ruling will apply to all elections this year, the attorney general pointed out.

H. E. BERRY TO MEMPHIS FOR THE NEXT TWO WEEKS

H. E. (Huck) Berry, manager of the Woodriddle Lumber company here, left Sunday for Memphis, where he will be in charge of the Company yard during the next two weeks. Wes Harvey will be in charge of the local yard during Mr. Berry's absence. Mrs. Berry and children, Charles Truett, Joyce, and Nanette, accompanied Mr. Berry to Memphis.

The man with the poorest imagination is the one who can read through a long patent medicine ad without imagining he has some of the symptoms described.

**TO THE VOTERS OF
BRISCOE COUNTY**

I wish to take this opportunity to
thank you for the many kindnesses
shown me during my Campaign for
County Judge. If elected I will en-
deavor to so conduct the affairs of
the office that none will have rea-
sons to regret their choice.

Most of you are familiar with my
record while serving you as your
County Judge. While it was my
pleasure to do so for only sixteen
months, yet I believe it was during
the most trying times that the Co-
unty has ever seen. I did not ask
for your support in the last election
merely because I had served you for
one term or a part of a term and
am not doing so now. I ask for your
support on the basis of my record as
your County Judge and promise that
if elected I will devote all my time
and ability to those things that are
for the best interest of the County.

I wish to call your attention to
some of the things that were accom-
plished during my term of Office:
The interest on the Court House and
Jail indebtedness was reduced from
7% to 5 1/4% and on Road District
No. 8 from 5 1/2% to 5%. Thus mak-
ing a substantial saving to the Co-
unty every year until these Bonds
are paid off. There was no increase
in County Taxes. Almost every fund
was overdrawn when I took the
oath of Office and every fund had a
nice balance at the end of my term.
There are other things that might
be mentioned but with which I be-
lieve you voters are familiar.

Again I wish to thank you for
your kind consideration and assuring
you that your support will be truly
appreciated.

W. COFFEE JR.

**To the
Voters of Briscoe County**

I wish to sincerely thank the people of Briscoe County for the courtesies they have shown me during the present campaign.

I have tried to see every voter in the County, but due to the duties of my office, this has been impossible. I did not miss anyone intentionally, and will take this means of soliciting your support in Saturday's primary.

I have tried to render the people of this county a real service during the time I have been in office, and hope you see fit to let me continue in this work.

Respectfully yours,

N. R. "Jake" Honea
Candidate for Re-election
Sheriff, Assessor & Collector

Sunday Dinner

will be served every Sunday at the Los Lingos Hotel. Citizens of Quitaque are invited to make Sunday a "Day of Rest" and at the same time enjoy a big Sunday dinner. Meals served family style from 12 to 1:30. You are requested to make your reservation early.

Los Lingos Hotel

**Give a Young Man
A Chance**

I wish to take this means of making my last appeal to you, the voters of Briscoe County, for your vote in Saturday's Primary, and in doing so, I'm asking you younger people for the same chance which you would want if you were in my position. I'm asking you fathers and mothers for the same chance which you would want for your boy or your girl if he or she were in my position.

To those of you whom I have failed to see, I want you to know that it was purely accidental, and I take this means of soliciting your vote also.

If you see fit to elect me to the County Judge's office, I assure you of my best efforts.

Thanking You,

J. W. LYON, JR.

Members of the Rough-Riding Squad of Troop F of the Fifth Cavalry use one of their fellows for a hurdle in their monkey drill, one of the many free attractions at the Texas Centennial Exposition at Dallas. The two Rangerettes were added merely to give the picture a little romantic touch.

Mr. and Mrs. Oliver of Walters, Oklahoma, and Mr. and Mrs. Ben Chandler of Kent visited Mr. and Mrs. L. J. Bedwell last Thursday.

AT THE METHODIST CHURCH Sunday, July 26, 1936

The services at the Methodist Church will be in charge of the Laymen. C. R. Badgett is church Lay-Leader and will preside. Judge J. R. Porter of Clarendon, District Lay Leader, will be the principle speaker but will be assisted by other laymen of the church.

There will be no night service. Make the Sunday School hour and the morning service a real success. The young people will hold their League services at the usual hour of worship for that service.

Your pastor will worship in the old home church where he first gave his life to Jesus as Saviour and Lord. G. L. Keever, Pastor.

Constipated 30 Years Aided By Old Remedy

"For thirty years I had constipation. Sourcing food from stomach choked me. Since taking Adlerika I am a new person. Constipation is a thing of the past."—Alice Burns. Pioneer Drug Store.

Volume Increasing for Memphis Production Credit Association

More members and a steadily increasing volume of business was reported for the Memphis Production Credit Association, according to O. W. Stroup, director of the association, who returned Tuesday of last week from a meeting of directors of Panhandle associations held at Amarillo July 13th and 14th.

Stroup declared that directors from all over this territory report that their associations are making very satisfactory progress. Farmers and stockmen are getting a better understanding of this new system of credit and are coming to like the idea of budgeting their loans.

Mr. Stroup pointed out that the borrowers find that this method enables them to get along on less money and that getting the money as it is actually needed reduces the cost of the loan. He said that the borrowers are beginning to realize just how low the cost of a production credit association loan really is.

It was reported at the meeting that the Memphis Production Credit Association had increased its volume of business from \$90,606.59 at the end of June, 1935, to \$143,200.73 at the end of June, 1936.

Emphasis was placed on the fact that the association is attempting to build up adequate reserves to take care of any losses which it may incur in hard times. Stroup declared that the facts brought out at the meeting convinced him that stock purchased by members of the association is being protected adequately and that in the long run it will prove to be an excellent investment.

Mr. Stroup, president of the local association, was among the speakers at the meeting, which was conducted by Dr. Virgil P. Lee and M. L. Jones of the Production Credit Cor-

poration of Houston, who told of the progress of the associations over Texas and the United States. A great deal of emphasis was placed upon the importance of making loans upon a sound basis.

In addition to the local organization, other associations represented at the group meeting last week were: Amarillo, Plainview, and Canadian Valley.

A reader of this paper said that he is willing to concede that the weak will inherit the earth but he doesn't believe that they will ever be able to pay taxes after they get it.

CLINT C. SMALL

HIS OPPONENT

1. Sponsored gasoline tax rebate law, \$552,000.00 returned to Panhandle farmers in last 12 months.
2. Sponsored gasoline tax allocation law, relieved counties of \$8,000,000.00 road bond indebtedness and created a \$3,500,000.00 school fund surplus.
3. Sponsored wind erosion law enabling commissioners' courts to deal direct with federal authorities to obtain funds for wind erosion.
4. Sponsored riverbed bill securing to people in his district the title to hundreds of acres of lands along creeks and rivers.
5. Sponsored gas and oil conservation laws ending gas waste and ending strife between producers and pipelines.
6. Sponsored revised pension law and tax measure passed by Senate which would have provided funds for old age assistance. Omnibus tax bill provided for 25 to 33 1-3 per cent increase in levy on natural resources and corporations.
7. Voted for child labor amendment; and state relief bond bill.
8. Recognized as one of the outstanding leaders and lawmakers of the Texas Senate.

No mud-slinging or misrepresentation can change the record. Senator Small's record deserves and will receive the endorsement of the people of this district.

VOTE FOR SMALL!

CUTBIRTH'S ENTERTAIN FORT WORTH VISITOR

Miss Billie Marie Jones, Fort Worth, a visitor here in the home of her aunt, Mrs. O. S. Cutbirth, was honored Friday afternoon on the occasion of her eleventh birthday at a party at the Cutbirth home.

A number of lawn and parlor games were enjoyed during the afternoon. Betty Jo Bogan entertained with piano selections.

Delightful refreshments of ice cream, cakes, and fruit suckers with colored balloons for favors, were enjoyed by the following guests:

Billie Beth Starkey, Nealita Greer Tad and Barbara Jo Persons, Graddy Tunnell, Annabelle Hawkins, Mary Charlotte and Eloise Tunnell, Billie Joyce Messimer, Betty Jo Bogan, Willadeen and Betty June Owens, La Nelle Woods, H. L. Jones of Fort Worth, and the honoree, Billie Marie Jones.

Beets are fattening and therefore excellent food for those desiring to put on flesh.

SENIOR B. Y. P. U. IS REORGANIZED

The Senior B. Y. P. U. of the First Baptist Church have reorganized and we cordially invite all young people to attend. We need the support and cooperation of everyone who is not attending an organization elsewhere. An interesting program will be conducted at 7:30 every Sunday evening.

The topic for the program for Sunday, July 26, will be "Rebuilding Our Missionary Program in Mexico." Your presence will be appreciated. —Reporter.

BILIOUS

Condition Needs Double Action Treatment

Stimulation of liver bile flow is not enough for complete relief, but combined with intestinal stimulation that relieves temporary constipation, quick, soothing results are certain. Herbine, a combination of herbs, combines BOTH actions and so those dizzy, headachy, indigestions, gas, rundown feelings get relieved when both liver and bowels return to normal action. Get your bottle of Herbine from druggists.

BURGESS PHARMACY

The Hitler influence must be much greater than we had thought. Japan has now taken to exporting sauer kraut. A good coat of tan is something the poor get for nothing and the rich are willing to pay big prices to acquire.

Ladies . . . !

Are the curtains in your home dirty? If so, may we clean them for you? We have modern equipment with which to do the work, and our rates are reasonable. We will be glad to look at your curtains before you take them down and give you an estimate on the work. Curtain cleaning is hard work—so let us do it for you.

FARMER'S LIFE "AS HE LIVES IT"

By ED HOLMES (Station C. E. H. Farm)

FLOYDADA—Divine Guidance, or Nature or Good Luck or whatever you wish to call it has sure been good to this farmer here of late.

My cotton was pretty grassy and the rabbits were ruining the good stand of cotton by simply eating it up. I thought I was ruined. Lice began eating on the cotton and I just knew I was ruined.

Well, about the time the rabbits thinned out the cotton to the right kind of a stand, there was so much lice on it that the rabbits refused to eat it and began on the grass. The rabbits are good and fat and we will eat them this winter. You see I am killing them and feeding them to the hogs and we will eat the hogs this winter.

Along came a rain at the right time and washed the lice off the cotton. Wasn't that to perfection? We sure do lots of worrying for nothing.

Sure the rabbits didn't eat all the grass or I will not kill all the rabbits. I'll need some for seed to take care of me next year. Only a fool would try to exterminate his friends.

Last week I saw a man plowing 5 rows of feed at a time by pulling two two-row go-devils and one one-row go-devil behind a tractor.

Here is part of a conversation that passed between Grandpa Hay and Elmer Daisy. Grandpa says, "This hot weather is about to cure out this Hay."

"It's about to crop this Daisy, too," Elmer replied.

The weather will cool off after this election. You couldn't blame it for getting rather warm if you are keeping up with some of the political races.

May the man that really wants to give the average man a fair chance

to produce something and exchange it at fair value for a decent living for he and his family, win the races. Some of the Politicians that are coming out in the last days with a lot of high powered oratory and misleading statements won't get the job done either according to their past actual records. Again I say get the records.

One of my farmer neighbors that is known to get more work done than any two average fellows has this common report out on him: "He don't have to sleep any, he simply wollows twice a day."

March and April, September and October are the practical months to have your brood sows to farrow. If you have them farrowing out of season and during this hot weather as I have this time, you better watch your step or you will lose some pigs that will mean a lot of money gone.

If you want to be sure to save the pigs, during the last week, feed the sow only one-half gallon of bran per day along with all the water she will drink, and be there when she farrows. About two hours afterwards rope her top jaw behind the tusks as you would around a cow's neck, pull her head up high to a post and give her one-half pound of salts in a quart bottle of warm water. Place a stick in her mouth so she can't bite the bottle.

Why feed a sow six months then through one days neglect lose all the profit?

If you wish to boil a cracked egg place a little vinegar in the water in which it is boiled. This will keep the egg from seeping through the crack in the shell.

MOTHER! Here are Facts!

BUY

To guide your purchase of a Refrigerator!

DON'T CHOOSE BLINDLY

FOR HEALTH—Your refrigerator *must* maintain safety food temperatures below 50° all the time. Before you buy, be sure it will do this in the hot hours of the summer time, too.

FOR CONVENIENCE—Your refrigerator *must* be able to freeze ice quickly—*must* have a high degree of usefulness. Before you buy, be sure it will produce fresh ice during the hot hours of the day.

FOR ECONOMY—Your refrigerator *must* maintain the above performance at low over-all cost. Before you buy, be sure.

AN ELECTRIC REFRIGERATOR

• If you buy a refrigerator that cannot provide satisfactory, economical performance, *all the time*, you are wasting your money. It is inconvenient to own a refrigerator that cannot freeze desserts or plenty of fresh ice quickly during the hot hours of the day. It is wasteful to own one that has a high initial cost, though little to operate, if it cannot provide satisfactory performance, *all the time . . . under all conditions.*

Remember this when you buy. All refrigerators cannot provide all three of these basic requirements. Tests prove this to be true by actual use in the home. So don't buy on claims alone. Ask for and be sure you get convincing evidence of value. Only then can you be certain you are getting your money's worth. Choose carefully and you will choose a modern electric refrigerator.

MODERNIZE . . . CHOOSE AN ELECTRIC REFRIGERATOR ★

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

Hot Weather Calls For Careful Living

AUSTIN, July 21—Keeping cool and standing heat during the hot summer months is a large measure dependent on the individual, health authorities agree. Over indulgence in food or exercise may cause suffering.

"The clothes we wear and the food we eat play an important role in keeping us comfortable during the hot season," said Dr. John W. Brown, State Health Officer.

"Summer clothing should be light in weight and color and of a porous texture. White clothes reflect the rays of the sun and therefore are cooler. Frequent change of clothing particularly of that next to the skin, is especially conducive to comfort.

"The summer diet should consist of light, nutritious and easily digested foods. Fresh fruits and vegetables are particularly desirable as hot weather foods because of their ease of digestion and the wide range of variety in the manner they may be served. Meat and heavy pastries should be eaten sparingly. A balanced diet may be maintained without these foods. Do not eat when you are tired.

"Exercise should be taken in hot weather, but good judgement must be used in the amount that is taken. Swimming is fine exercise and is more refreshing than other forms of exercise. If sun baths are to be indulged in, care should be taken to accustom the skin by exposing the body for short periods in the beginning.

"Plenty of rest is necessary during hot weather. Sleep a sufficient number of hours and eat at regular meal times. Acquire regular habits of living and develop a cheerful outlook on life, and you will find that it will help you to spend a comfortable summer at home or on vacation."

To the Voters of Briscoe County

Since deciding to make the race for County Attorney of this county, I have seen as many of you as I could, but have not been able to see all.

I take this opportunity to ask for your vote and help, and if elected will work on the job and play no favorites. I thank you.

Yours very truly
C. D. Wright

TO THE VOTERS OF BRISCOE COUNTY

DO YOU BELIEVE IN THE DEMOCRATIC PRINCIPLE OF A SECOND TERM? If so, cast your votes for me next Saturday and then two years from now, elect one of my opponents or any one that you choose and keep him here for two terms. A County Judge cannot plan to carry out a constructive program in two years. It takes the first year to learn the duties of the office, then it takes a large part of the second year trying to get it done.

I have been in the office over eighteen months. If me again, I will have more years the next time united by a political campaign and enable me to give better service ever before.

Should you elect one of my opponents, he would not get possession of the office until January and before he would have time to do very much, some body would run against him for his second term. If you establish the precedent of turning your officers out at the end of the first term, you will never get efficient service from them because they will have to spend about eight months out of each two years running for office.

VOTERS, YOU ARE THE JURY. My cause rests in your hands. I have done my duty as I saw it. I have no apology to make. If you think that I am worthy of a second term, I will be might happy to have your votes. If not, my disappointment will be borne in silence without a murmur. Thanking you for what you have already done for me, I am,

Very Truly Yours,

W. W. MARTIN

Old Acquaintances of Douglass and All Ministers of Panhandle Vouch for His Character

WE, The undersigned citizens of Carson County, certify that Curtis Douglass has lived among us during the past eleven years and that he is a citizen of good morals and good repute, capable and well qualified to serve as State Senator. We present him to the people of this district as one of our most active civic workers who has the support and confidence of the citizenship of this section.

Any citizen is requested to communicate with us at our expense if such citizen desires intimate information concerning the character and habits of Mr. Douglass.

"No Man Can Serve Two Masters"

CAN A STATE SENATOR PROPERLY REPRESENT THE MASSES OF OUR CITIZENSHIP AND BE THE ATTORNEY FOR THE FOLLOWING CORPORATIONS?

1. Great Southern Life Insurance Company
2. Shell Petroleum Corporation
3. Columbia Fuel Company
4. Humble Oil and Refining Company
5. Phillips Petroleum Company
6. Continental Oil Corporation
7. The Cargray Corporation (Hagy, Harrington & Marsh)
8. Safety Casualty Company
9. Smith Brothers Refining Company
10. Post Dated Oil Company
11. Associated Natural Gas Corporation
12. The Mert Oil Corporation
13. Buckeye Gasoline Company
14. Aeroline Gasoline Company
15. Piney Oil and Gas Company
16. Magic City Oil and Gas Company
17. Pioneer Oil and Gas Company
18. Shamrock Oil and Gas Company

These 18 corporations listed above may be authenticated from newspaper dispatches, state railroad commission hearings and court records. And yet the Senator says he has not collected \$500 from corporations in 25 years of practice. These names listed are documented, and there is a reason to believe there are many more corporations the Senator represented.

PANHANDLE FARMERS!

What would you have done if you had not received your wheat, cotton and other check under the AAA? Did you know that Senator Small was one of the co-authors of Senate Concurrent Resolution No. 4 which petition the congress of the U. S. not to pass the Agricultural Act for the farmer. (See Senate Journal page 42, Regular Session 43rd Legislature 1933.)

SENATOR SMALL WAS ABSENT WHEN IMPORTANT LEGISLATION WAS VOTED UPON FOR EITHER PASSAGE OR DEFEAT AT THE FOLLOWING SESSIONS OF THE LEGISLATURE, AS FOLLOWS:

5th Called Session, 41st Legislature 1930, ABSENT 95 times. Regular Session, 43rd Legislature, 1933 ABSENT 275 times. Regular Session, 44th Legislature, 1935, ABSENT 265 times. 1st Called Session, 44th Legislature, 1935 ABSENT 54 times. 2nd Called Session, 44th Legislature 1935 ABSENT 81 times.

In connection with the above absences, Senator Small and his supporters say that he was never absent when important legislation affecting this section was voted upon. The voters attention is called to pages 29, 30 and 31, Senate Journal 2nd called session 44th legislature wherein Senator Small was absent five times when the Senate was voting upon amendments to Senate Bill No. One, which was a bill on the question of old age pensions.

Senator Small has accused the friends of Curtis Douglass of attacking Small's record instead of dwelling on the virtues of their candidate; we admit that we are waging a campaign on Small's record, for that is the MAJOR reason we want to replace him.

Small Supporters Predict Victory at Polls Saturday

Senator Clint C. Small will be re-elected to the Texas Senate by a substantial majority when Panhandle voters go to the polls Saturday, was the prediction here today.

A final campaign by Senator Small and friends from all over the district was expected to unite his constituency this week, with the result that voters will go to the polls with a clear conception of Small's service to the Panhandle.

Alleged misrepresentation of facts by Small's opponent had "broken down under its own weight," Small supporters claimed.

It was cited, as an example, that Senator Small wrote the Moratorium Bill, which has since been declared unconstitutional.

Campaign Manager Binford Arney produced records from the Senate Journal, second called session of the 13rd legislature, page 399, to show that Small voted for the bill on the ballot after voting against an amendment which he said would render it "null and void".

Small tried to exclude the amendment, Arney said, "because he knew it would cause farmers to lose the benefit of the entire bill. The

MAYBE HE NEEDS A CHANGE OF DIET?

fact that the bill was declared unconstitutional is proof of his technical knowledge of legal procedure—and proof that the Panhandle needs him in the Senate."

Opposition speakers have claimed that Senator Small voted against the measure.

Arney also said that the Senate Journal shows that Senator Small wrote the resolution which submitted the pension amendment to the people, and that he later wrote a tax bill, passing it through the Sen-

ate, which would have provided funds for immediate payment of old age assistance.

"Senator Small has always been firm in his plea for pensions," friends declared.

Small called attention to the Senate Journal, second called session, 1935, from which he quoted pages 381 to 347. It gives Small's omnibus tax bill in full, passed by a vote of 15-14 in the Senate, calling for a 25 to 35 percent increase in the tax on corporations, insurance companies and natural resources.

"It would have raised not less than \$15,000,000 for use in paying pensions," Senator Small said.

Douglass Working Hard During Last Days of Campaign

PANHANDLE, July 22 — Curtis Douglass, attorney from Panhandle, is bringing to a close this week his campaign for state senator from the 31st Senatorial district. His active speaking campaign began more than two months ago, and he has spoken in nearly every city of the Panhandle.

In addition, many business friends and attorneys have made addresses in what probably has been the most vigorously contested district office in the history of the Panhandle.

Waging a campaign against an opponent, entrenched for his second four-year term interspersed with two campaigns for governor, Douglass has realized that he must make a real battle.

However, on the eve of the election next Saturday, Douglass and his friends are confident that he will receive an overwhelming endorsement at the polls.

Douglass spoke at Allison, McLean, Alameed and Mobeetie Tuesday. Wednesday afternoon he spoke at Lefors and at Pampa at night. Thursday's program called for an address by Douglass at night at Borger.

A feature of the campaign for Thursday and Friday is a motor caravan through the Panhandle. Plans are for 25 to 50 cars to make a flying trip to dozens of Panhandle cities in his behalf. Tentative plans were to spend Thursday night in

He Hit the Nail on the Head!
CLINT C. SMALL
FOR
STATE SENATE

HE not only hit the nail—he hammered it home to the rest of Texas that the Panhandle is a well-populated portion of the state, and deserving of equal consideration when the purse strings are opened or taxes levied.

Orphanage Ended When He Ascended!
"He and I don't agree on everything," says Lt. Gov. Walter Woodul. "but that's no sign he is right and I am wrong or vice versa. He is right so many times, he ought to be returned."

Clint Small **HAS NEVER BEEN WRONG** when it came to defense of the people he served. Not even his opponent has been able to cite a single example when your Senator acted to the detriment of the district.

Actions Speak Louder Than Words!
The State Comptroller says Small's gasoline tax rebate law returned \$552,000 to the Panhandle during the last year alone.
The Attorney General says his gas and oil conservation laws brought \$1,000,000 into the state treasury during the last two years at little additional expense.
The other Senators say: "People in the Panhandle should not be misled by ridiculous propaganda . . . Able, honest, courageous, and active in the performance of his duties to constituents and the state, I have never seen Clint Small fail or falter in doing those things which in his judgment were for the best interest of the people of his district."

Vote For Clint Small Saturday!
(This space arranged for by friends of Senator Small)
(Signed)
BINFORD ARNEY

Tune in on KGNC Friday, 9:15 P. M. for Radio Rally closing Senator Small's campaign
