NUMBER 1

First Meeting Of New Cap Rock District

The Briscoe County Wind Erosion District, formed in 1936, today (Thursday) formally was converted into the Cap Rock Soil Conservation District becoming the first active wind erosion district in the state to make the change.

The change from wind erosion to soil conservation district came at the request of the Briscoe County Commissioners Court and county agricultural leaders.

Three of the five farmer-supervisors of the wind erosion district, who served under appointment of the commissioners court, were elected supervisors of the new Cap Rock district, together with two new supervisors, February 16. Farmer-landowners of the new conservation district participated in the election.

At the initial session of the Cap Rock District Thursday, Earl Cantwell, farmer living 12 miles west of Silverton, was elected chairman. Vice chairman elected was Ora Watson, while Louie Kitchens was named secretary. Both Watson and Kitchens live near Silverton.

Other members of the board of supervisors are Bray H. Cook of the Heckman community in north-eastern Briscoe County, and J. P. White of near Quitaque.

Present at the session Wednesday was Howard Goss, field representative of the Texas State Soil Conservation Board of Temple. Goss explained to the supervisors that they are the governing board of a legal unit of state government.

"You men are responsible only to the landowners who elected you in the operation of this district," he said. "Your district is a unit of state government. It is not a federal organization. Your new Cap Rock district is one of 129 such organizations organized under the Texas State Soil Conservation Districts Law, passed by the legislature in 1939."

He told the supervisor that they may request the help of any agency or organization in doing their job of controlling wind and water erosion and improving soil productivity. These agencies may include all the organizations in the United States Department of Agriculture, such as the Extension Service, Soil Conservation Service or any other.

In addition to Goss and the supervisors, Leo White, Briscoe county agent; W. Scott Amend and Harmon T. Copeland, Soil Conservation Service technicians, attended the meeting Thursday.

Visitors the first of the week in the Gus Gibson home were her sister Mrs. Ike Icenhower, accompanied by her son and wife, Mr. and Mrs. Chester Icenhower, all of Lakeview, Ore., Sunday Mr. and Mrs. Tom Young of Tulla came over for the day. Wednesday Mrs. Icenhower, her son and wife, Mr. and Mrs. Young, Mrs. Gus Gibson and her son and wife, Mr. and Mrs. Glen Gibson left for a visit in Arkansas.

Tunnell-Smithee Vows Exchanged April 1

Miss Mary Charlotte Tunnell, daughter of Mr. and Mrs. Clyde Tunnell of Quitaque, and Willie Aml Smithee, son of Mr. and Mrs. W. C. Smithee of Silverton, were married Monday night, April 1, at Canyon, a justice of the peace performing the ceremony at his home.

Mr. Smithee graduated from the Silverton high school in 1942, and attended WTSC at Canyon one year before he enlisted in the U. S. Navy, in December, 1943. He had served 26 months when he received his discharge Feb. 26, 1946.

The bride graduated from the Quitaque schools as valedictorian of the class of 1944. She was employed for a time at the Pioneer Pharmacy before enrolling in Tech where she is a junior student, majoring in textile engineering.

They plan to make their home in Lubbock where both will continue their college work.

WAYLAND COLLEGE TO BUILD NEW DORMITORY

A special meeting of the Board of Trustees for Wayland Baptist College in Plainview, called on April 2, authorized its Building Committee to award a contract for a dormitory for men. The building will house 88 men and is to be constructed by Neill Singleton of Amarillo from plans drawn by architects Emmett F. and James F. Rittenberry of Amarillo.

The building will embody unique features in that each eight men will have complete living quarters, including rooms for each two with adequate storage closets, and a living room for the group. The building will have eleven such units besides the reception rooms and living quarters for the matron.

This is the first group of buildings planned in the current enlargement campaign for the college, and when the campaign is complete there will be adequate facilities for hundreds more students. The college has been in operation since 1910, being the oldest college now in operation in the great Plains-Panhandle country of Texas. Dr. John W. Cobb, dean of the college, is also chairman of the enlargement campaign.

Date for ground-breaking for this new dormitory will be announced as soon as priority permits and other arrangements can be made, and the contractor hopes to have it ready for use sometime during next school year.

BRIDAL SHOWER

The ladies of the Assembly of God church presented a shower of bridal gifts to Mr. and Mrs. Paul Yates a newly married couple, at a gathering Friday night in the home of Mr. and Mrs. E. G. Johnson.

Mr. and Mrs. Yates, who were married last Wednesday at the home of the bride's parents, Mr. and Mrs. Ben Adams, left Saturday for Crowder, Okla., where they will make their home.

Elliott Lee of Perryton who is ACA secretary for Ochiltree county spent the week end here with relatives.

EVERYDAY RELIGION

BEGINNING AT THE QUITTING PLACE

By Rev. E. B. Thompson

In the first chapter of that strange book Revelation, the author, no less a strange man, introduces himself. He says: "I John your brother, and a sharer with you in the Kingdom, found myself in the Island of Patmos for my loyalty to the word of God."

Scholars down through the ages have wished this introductory of John's had been more informative about himself. They have wanted to know just which John he actually was. Was he the Apostle from Jerusalem—was he the John at Ephesus who wrote the Gospel—was he another John who wrote only Revelation? These critical questions may never be settled, but in spite of that fact, John here tells some very fundamental and interesting facts about himself.

He says "I John your brother," "I John a sharer with you in the Kingdom." He was therefore a brother in Christ to the brotherhood of Christ. Likewise he counted himself a partaker of Divine blessings and Divine responsibilities. But, I think the most arresting thing he says here is that his religion had gotten him into trouble! " . . . found myself in the Island of Patmos, for my loyalty to the word of God."

The Island of Patmos was a Roman concentration camp! So, John was at his row's end when he started his book. He was in a mighty tough spot! He was in a good place to quit—but he didn't quit—he began! For, if he was the same man who wrote the Gospel and the little John tracts he began all over again, by changing his whole style and symbolism of writing. If, on the other hand, he was a different man, he started his book at the darkest moment of his whole life.

Another thing amazes us here, this suffering man wrote to fellow sufferers. Having every human right to be discouraged and heart-broken, he so launched himself out on the spirit of God that he was able under Divine inspiration to bring a message to other discouraged people. When that message is de-coded, for it was certainly written in code, its heart-warming song in the face of bitter persecution warms our hearts, and gives us courage to carry on in spite of overwhelming odds. It is a message from a man who began at the quitting place, and because he did, we are eternally obligated to him.

SCHOOL ELECTION QUIET

The school election Saturday created little interest, with eight voters bestirring themselves to visit the polls. Two names were printed on the ballot, Alton Johnson and C. T. Rucker, Sr., to vote for two trustees.

All eight voters left Johnson's name unscratched, C. T. Rucker, Sr., received 3 votes; Bert Grundy received 4 votes by the write-in method and Joe Bedwell, who is already a member of the board, received one.

Members of the school board are now P. C. Hamilton, George Owens, Kelly Patrick, Bill Middleton, Alton Johnson and Bert Grundy.

MARY LYNN REAVIS

A new daughter was born Sunday April 7 to Mr. and Mrs. Hollis Reavis of Childress. The little girl was named Mary Lynn. Mrs. Dellis Hooks, Mr. and Mrs. Ernest Morris and son and Homer Morris drove over to Childress Monday to visit the Reavises and found the little newcomer had arrived the day before.

Mr. Farmer—

Remember that April 25th is the final date for insuring your 1946 cotton crop. Farmers located near Quitaque may contact Stark and Gardiner if you wish to insure your cotton. If you do not live near Quitaque, it will be necessary to contact the AAA office at Silverton before April 25.

SHALLOW WATER

Luren Brunson had a well put down on his farm about three miles east of Quitaque, which was drilled just inside the fence beside the highway. An abundance of fine water was struck at 30 feet, the Post has been informed. Drilling of the well required only a couple or three days.

LEGIONNAIRE —

You are requested to be at the school house Friday night, April 12, at 8:00 p. m. We are organizing a campaign to raise funds for a building. Please be present—there is a part for you.

James Brunson, Commander

Last Rites Friday For Mrs. Rosie Morris

Last rites were spoken Friday afternoon at the school house for Mrs. Rosie Morris, who passed away early Thursday morning, April 4, at the home of her daughter Mrs. Dellis Hooks at Quitaque. Interment was in the Quitaque cemetery beside her husband who preceded her in death on April 6, 1944. G. M. Covington, minister of the Church of Christ, officiated at the service assisted by Buster Mullin. Raldo Meacham was in charge of the music.

Palbearers were Ralph Carter, Sonny Holland, Homer Gregg, Leroy Hamilton, J. R. Lusk and Donnie Brunson.

Born Rosie Sparks in Kaufman county, Texas, on May 25, 1874, she was married to Thomas Jefferson Morris in 1890. To the union nine children were born, four of whom survive. They came to Briscoe county in January, 1921, and had made their home here since that time.

The surviving children are two sons, Ernest Morris of San Antonio, Homer Morris of Edinburg, and two daughters Mrs. Allie Reavis of Childress and Mrs. Jessie Hooks of Quitaque. There are number of grandchildren, and four brothers, Henry, Jace, Carey and Hawks Sparks, all of East Texas; and four sisters, Mrs. John Cunningham of Hereford, Mrs. Marvin Willingham of Terrell, Mrs. Henry Cunningham of Fort Worth and Mrs. Walter Freudiger of Luling.

All of the children were present for the last rites and one sister Mrs. Cunningham of Hereford, three grandchildren James and Mary Catherine Duncan and their father W. C. Duncan of Marshall, and Billy Duncan of Dallas, and a number of other relatives.

Of a gentle and kindly nature, Mrs. Morris was greatly beloved by all who knew her, and a host of friends extend to the bereaved relatives their deepest sympathy.

Turkey Wife and Son Received Air Medals

An impressive ceremony was conducted Saturday afternoon at Turkey, in the high school auditorium when the Air Medal with Oak Leaf cluster, posthumously awarded to Flight Officer Perry Lee, Jr., Air Corps, were presented to his wife Mrs. Alpha Lee of Turkey, who preferred that the medals be pinned on her two year old son Carl Lance Perry.

Capt. Cole Boswell of Turkey company, Texas State Guard, acted as master of ceremonies and following a brief talk introduced C. E. Edgar, who in turn introduced the speakers, J. O. Fitzjarrald of Memphis, and Major Hartman of the ROTC, Lubbock.

The program was opened with the song "America", led by Raldo Meacham; invocation was by Rev. P. A. Powell and the closing prayer, which followed "The Star Spangled Banner" led by Mr. Meacham, was given by Mr. Edgar.

The small woman, clad in black, sat quietly while Major Hartman from Lubbock ROTC read "By direction of the President . . . while participating in operations against the enemy in Holland . . ."

Flight Officer Lee, a troop carrier glider pilot was reported missing Oct. 4, 1944, when his glider crashed as he started on a mission into Holland.

FOR INFANTILE PARALYSIS ASSISTANCE, SEE MRS. BUNDY

Mrs. O. T. Bundy, Silverton, is Briscoe County's Chapter Chairman for the National Foundation for Infantile Paralysis. Infantile paralysis victims needing financial assistance for hospitalization and treatment please contact Mrs. Bundy or some member of her chapter committee.

Mrs. George H. Pittman, Texas State Representative.

Walter Cobb underwent an operation Tuesday at Amarillo, for removal of the eyeball from his left eye, which has been under treatment for several weeks in hopes that it could be saved. The eye was injured in an accident about two weeks ago.

FFA Project Show Is Big Success

One of the best FFA projects ever staged here was held Saturday afternoon with the boys exhibiting their animals at the C. Woodriddle lumber yard. A good crowd attended and interest was high. The boys had some excellent animals and poultry to show and the affair was a big success in every way.

The beef animals were auctioned at the show grounds with P. C. Hamilton as auctioneer, some bringing exceptionally high prices for a local show. The animals were slaughtered Monday and Tuesday and dressed out to excellent showing. Even with high feed prices the boys showed a good profit, the FFA adviser, Rex Faulkner stated and they were well pleased.

Heavy Beef Division

Grand Champion of the heavy beef division was taken by Truman Merrell's Hereford, weighing in at 950 pounds. The animal sold to the First National Bank for 22c per pound and dressed out about 62 percent.

Arthur Patrick's Brahma, weighing in at 760 pounds, took second place. Bert Hawkins bought the beef for 20c per pound.

Truman Merrell took third place with an 840 pound beef which was bought by Bill Middleton for the city at 18c per pound.

LIGHT BEEF

In the light beef division, 75 pounds and under, Tipps Hamilton took first, his beef selling to Steel & Persons for 20c per pound.

Second place went to Lynn Hamilton, B. K. Hamilton buying it for 15c per pound.

Third place to Kenneth Hamilton, N. V. Hamilton paying 15.5c per pound for the animal.

Fourth place to Lynn Rhoderick who sold his animal to the City Grocery for 17c per pound.

Fifth place to Lob Hamilton, and the beef sold to Owens and Johnson for 16c per pound.

Chester Wayne Hamilton took 6th place.

The heaves shown by the Hamilton brothers, Lynn, Lob and Chester Wayne, were all Aberdeen Angus steers, of the same stock.

Dual Purpose Division

In this division all animals exhibited were of the short horn breed. Grand Champion of the division was taken by a yearling belonging to L. B. Monk, president of the Quitaque FFA chapter.

Reserve Champion went to Roy Monk.

In the two year heifer class, Curtis Monk had first place.

In the aged cow class, first place went to Roy Monk; 2nd place to Curtis Monk.

Dairy Cattle

Wayne White won first place and Grand Champion in this division with his entry in the aged cow class, a registered Jersey.

Second place in this class went to Oddie Miller, whose entry was a daughter of the Grand Champion.

Roy Grundy's entry took third place; Walter Kimmell took 4th place, and Sid McFall took 5th place.

Pierce White of Quitaque was the breeder of the winning animals in the aged cow class.

In the heifers, 1 to 3 years class, R. W. Bull had no competition.

In the heifers under 1 year class, Wesley Bull had no competition. This animal was Reserve Champion in this division.

In the calf class, Wayne White took first with a beautiful Jersey heifer, daughter of the Grand Champion.

Oddie Miller took 2nd in this class, his calf a granddaughter of the Grand Champion; 3rd place went to Teddy Dunavant.

All except four entries in this division were descendants of the Grand Champion.

Swine Division

In the boar class, Arthur Patrick took first and Grand Champion with a Poland China.

Kenneth Hamilton took 2nd with a Duroc, bred by C. T. Rucker.

In the rest of the swine division Arthur Patrick's sow and litter of ten pigs took Grand Champion, and Reserve Champion went to Kenneth Hamilton with his Duroc.

three years of cultivation to return them to full production. New vines begin bearing in three years, attain full production four to five years later. All of which indicates that pepper will be in short supply for some time.

CERTIFIED FIELD SEED and bulk Garden Seed.—City Grocery.

A salesman became tired of his job and gave it up to join the police force. Several months later a friend asked the former salesman how he liked being a policeman. "Well," he replied, "the pay is good and the hours are satisfactory but what I like best of all is that the customer is always wrong!"

GASOLINE NEWS

BUSY BEE CLUB
The Busy Bee Club met with Mrs. Glynn Morrison March 29. Eight members were present. The afternoon was spent in piecing quilt blocks.
All members are urged to be present at the next meeting as new officers for the coming year will be elected. Miss Ina Bradshaw is welcomed as a new member in the club.
Refreshments of ice cream and angel food cake were served to the group.
The next meeting will be with Mrs. S. O. McFall on April 12.

Alonzo Rogers of Keller visited his children and other home folks here last week.
Boone McCracken, Henry Finney and W. J. Carter were in Silvertown Monday.
John Rogers made a business trip Monday to Memphis.
Lester Monk returned home this week from Wills Point where he had been visiting his father who

FORD PRODUCTION REPORT
Detroit, Mich., April 8—Production of cars and trucks by the Ford Motor Company since last July 3 had passed the 200,000 mark on April 1.
With the output of Thursday, March 28, the total number of units made in the Ford plants was 201,829. This total is made up of 102,114 automobiles and 99,715 trucks.
M. L. Bricker, vice president in charge of manufacturing, said Thursdays production alone was 1,850 Fords, 281 Mercurys, 56 Lincolns and 1,044 trucks.
He said numerous obstacles still remained, including procurement of steel, threat of a coal strike and the fact that many Ford vendors still are closed due to labor difficulties.
J. R. Davis, director of sales and advertising, has forecast Ford production of 100,000 units in May if there is no halt in output.

GARY BARNHILL IS INJURED IN KOREA
Word has been received by the J. E. Barnhill family that Gary Barnhill, had suffered a broken leg while he was in Korea. It is not known at present just how the accident happened.
Gary landed on the West Coast Saturday and is now in a hospital at Seattle, Wash. He thinks there is a possibility that he may be transferred to San Antonio.

VISIT IN VINYARD HOME
Mr. and Mrs. Sam Vinyard and his sister-in-law, Mrs. Lula Vinyard, of Roanoke, Va., were here last Thursday visiting his cousin, Abe and Mrs. Vinyard. They were enroute home from a delightful trip from Boulder Dam. This was their first visit to Texas and they were very happily pleased. They said they liked this part of the country better than any they had seen. Abe was very happy to see them and enjoyed their visit very much.
