Aged Resident Passes After Long Illness

Mrs. Delilah Jane Wilson Vanderslice was born August 23, 1855 at Van Alstyne, Texas, near Sherman, and passed away July 18, 1946 at 9:05 a. m. at the age of 90 years and 11 months in the home of her daughter Mrs. Lillie Lacy, of Turkey.

GIRL SCOUT PLANS ARE PROGRESSING WELL

The intermediate Girl Scouts had a very enjoyable outing Saturday afternoon. They met at the school building and rode bicycles out to a lake east of town where they played games and had picnic lunch.

Seventeen bicycles made the trip and Mrs. J. T. Persons, leader of the group took five girls in her car. Mrs. Persons was assisted for the afternoon by Mrs. Orin Stark, Mrs. Chas. Gowin, Mrs. J. C. Rhoderick, Jr., and Mrs. Clifford McBride.

The girls will meet again next Saturday at the school house and at that time the group will be divided in two patrols. Mrs. Rhoderick will be leader of the older group of girls and Mrs. Gowin of the younger ones.

The girls have been having some very nice times in their Scout meetings and all girls of school age are urged to join them. Meet at the school Saturday afternoon at 4 o'clock to learn which patrol you will be in, and where you will meet again. The group is now composed of about 20 girls.

EVERYDAY RELIGION

MENTAL HABITS

By E. B. Thompson

Bishop Paul Neff Garber, in charge of Methodist Churches in war torn Europe, has made revealing reports about human suffering and human longing in that hard-pressed and pathetic land. Recently a preacher came to see him, to present his needs. He had seen his Belgian village looted by the enemy, his church blasted to bits, and his people scattered by cruel invasion. He himself had been imprisoned in a concentration camp for nearly five years. His feet were wrapped in sacks, his clothing was in tatters, and his face bore abundant evidence of prolonged hunger. But he talked of none of these needs; here is what he said to the good Bishop, "The worst privation of all was to be starved of mind. I have not been able to read a book in almost five years, and my soul is hungry—hungry to the point of pain! Can you help me get a book?"

Imprison a man's mind and you defeat him. That is because his deepest needs and noblest longings are mental and spiritual. When a Nation starts out to enslave a people, freedom of speech and press is the first to go! Here in our own land, let us cherish the fact that our minds are free. We have a wealth of good literature to read—and a wealth of bad—and we should be careful to choose for ourselves that which elevates our spirits and makes us grow mentally—in short, that feeds us and makes us strong in our souls.

Paul gave the young church at Philippi a fine menu for this when he said; "Whatever is true—whatever is honorable—whatever is just—whatever is pure—whatever is lovely—whatever is gracious—think on these things." Truth, honor, justice, purity, loveliness, and graciousness is indeed a fine mental and spiritual diet—and they are to be found in abundance all about us—let us feed upon them and our souls need never be hungry!

BURLESON AND MARTIN WON MATCHED ROPING \$500 PURSE

At the \$500 matched roping at Flomot Sunday afternoon W. E. Burleson and Quinn Martin tied their calves in snappy time to win the event. Jack Hutcheson who won first place in the Tulla rodeo last week with 14 seconds flat, fooled around with his bunch of calves for quite a while and Frank Gillespie after roping a couple of his in good time, spent the rest of the afternoon chasing a lone calf.

The main event was followed by jack pot roping with Elmer Latham placing first in tie down, his time being 14 seconds flat.

In ribbon roping W. E. Burleson placed first with 11.6 seconds and Frank Gillespie placed second with 12.5 seconds.

In a second tie down event Snooks Baird placed first and F. Gillespie 2nd.

BURGLARS

Thieves broke in the J. C. Woolridge Co. yard at Quitaque Friday night and took something over nine dollars from the cash drawer. Evidence showed that the burglars had tried to move the large steel safe which is wedged in a corner beneath some shelving. The safe had been prized forward several inches, but they evidently found that it would be pretty hard to move and gave up the effort.

Entry into the office was made through a window on the east where the screen was pulled loose and the lock on the window broken.

L. J. Bedwell suffered a heart attack last Thursday and Friday his son Joe and Gus Gibson took him to a hospital at Wichita Falls. Joe and Gus returned and Monday Mrs. L. J. Bedwell and Mrs. Joe Bedwell went to Wichita Falls to be with him. Mr. Bedwell suffered a very severe attack after he arrived in Wichita Falls, and his condition was reported unimproved Thursday.

FOUR ARE INITIATED IN EASTERN STAR CHAPTER

The local chapter of the OES met Monday night in a special meeting at which four new members were initiated into the order.

The chapter room was beautifully decorated with candle light and two lovely baskets of flowers which were sent by Mrs. Puckett and Mrs. P. C. Hamilton complimenting Mrs. Ruby Hamilton who was one of those to be initiated. Others in the group were Mrs. Amos Persons, Miss Melva Jo Speer and Rev. E. B. Thompson.

After the ceremony which was well given, refreshments of cherry ice cream and cake were served to the members and a number of visitors from the chapters at Matador and Silverton.

Clarence Wise accompanied his daughter and husband Mr. and Mrs. Buster Qualls to their home at Albuquerque, N. M., Monday to visit for a week. Mr. Wise asked that those kind friends who have not gotten the dishes in which they brought food to the family during Mrs. Wise's illness, to please call for the dishes at Burgess Pharmacy. The dishes have been taken to the store for you but the owners will have to identify them.

A message came Monday morning to H. J. Bailey apprising him of the arrival of his daughter on Sunday, July 21 to his daughter Mrs. Francis Green at Bloomington, Ill. The baby's mother was Miss Mary Joyce Bailey. Mrs. H. J. Bailey left Monday on the bus, just a few moments before the wire came, to visit relatives at Fort Worth and Arlington, and her son Seldon at Love Field, Dallas. Another daughter Mrs. Lloyd May left last week to be with her sister and greet the new baby.

Mr. and Mrs. Cleveland Hall of Ada, Okla., brother of Victor Hall and Mrs. J. N. Hamilton, are here visiting in their homes.

Merrell Family Holds Annual Home-coming

The annual Merrell family homecoming was held last Sunday at the old home place on Quitaque creek, with all of the ten children and their families present except two, Will and Dock Merrell.

Alex Merrell came to Floyd county in 1888 and in 1889 he settled on Quitaque creek. He and his wife Mary raised ten children to be grown, and after the passing of the father and mother, the children decided to have a family reunion each year in order to keep in closer touch with each other. For several years they met in each home, and then it was decided to have a home-coming each year in July at the old home place.

About forty were present for the reunion this year. The families brought food and had dinner together and spent a pleasant day.

Those present were Mr. and Mrs. Warren Merrell, Truman and Betty Ruth, Jack Merrell, Mr. and Mrs. Turner and children, Mr. and Mrs. Wayne Pigg, of Fairmont; Mr. and Mrs. Willard Merrell, two daughters and granddaughter of Silverton; Mr. and Mrs. Robert Merrell, Lakeview; Mr. and Mrs. Walter Merrell and two children, Channing; Henry Merrell, New Mexico; Mrs. Lola E. Standefer, Mrs. Pearl Martin, Mr. and Mrs. Boots Gunn, Mr. and Mrs. Ikey Gilbert and two children, Flomot; Mr. and Mrs. J. P. Taylor and children, South Plains; Mrs. Lizzie Eddleman, Mr. and Mrs. Arthur Eddleman, Mr. and Mrs. A. W. Patterson, Estelene; Mrs. Irene Irvin and two children, Floydada; Mr. and Mrs. Jake Merrell, Mr. and Mrs. O. W. Stroup, Mr. and Mrs. J. R. Stroup, Quitaque.

METHODISTS MET TUESDAY EVE FOR FELLOWSHIP SUPPER

The local Methodist congregation heard addresses Tuesday evening by Rev. E. D. Landreth of Clarendon and Dr. O. W. Carter of Abilene, explaining the plan for a memorial dormitory on the campus of McMurry College at Abilene, in honor and memory of the Methodist men and women who gave their lives in the war. Their names are to be inscribed on a bronze plaque on the building which is to cost \$250,000.

Dr. Harold G. Cook, president of McMurry, has announced that of the expansion program launched about three years ago to raise for endowment and new buildings at the college a sum of \$1,750,000 is in hand in cash bond and investments and that the present Memorial Dormitory which is to house returned servicemen, together with other commitments conditioned on its erection, will complete the great original plans. This certainly assures the useful future of McMurry College and all Methodists in West Texas are justly proud of the accomplishment.

Each congregation adopted its own goal on the project and the local church set a goal of \$500, as their part. The pastor appointed a committee to work out details and collection plans for securing it.

The meeting Tuesday evening was held in the north yard of the church, and a fellowship supper was enjoyed in connection with the business.

The Middleton family held a reunion last week in the home of Mr. and Mrs. Bill Middleton. The parents Mr. and Mrs. J. W. Middleton of Mt. Vernon, and sons and families Mr. and Mrs. Lack Middleton and daughter Jane of DeKalb, and Jack Middleton of Atlanta, Texas, left for their home Sunday. Mrs. Middleton's sister and son Mrs. Lowell Anderson of Fletcher, Okla., remained until Wednesday. Her mother Mrs. W. H. Davis of Fletcher remained for a longer visit.

All but one of the children of Mr. and Mrs. J. T. Bradley were home for Sunday dinner. Bill Bradley of California was the only absent one. They enjoyed a bounteous noon meal together and about four o'clock ice cream and cake was served. Those present were Mr. and Mrs. W. A. Beard of San Angelo, Jim T. Witcher and family, Jack Bradley and family, Dick Taylor and family and C. C. Moss and family.

CARD OF THANKS

We wish to take this means to express our sincere gratitude for the many, many kind deeds which helped so greatly during the long illness of our loved one, and for the words of comfort in her passing. It is in times like this that we learn the true meaning of friendship.

We want to add a word of thanks to those who so thoughtfully worked the crop for us. Those tractors, guided by kind friends have helped with a great burden and the kind act is deeply appreciated.

The beautiful flowers, the generous contribution of food and all the other kind deeds bring gratitude to our hearts, and we want to thank all of our kind friends.

STATE HIWAY MAP LURES TOURISTS TO TEXAS

Another bid for out-of-state tourists is in the making as the Texas State Hiway Department announces limited quantities of its first postwar color travel map are now rolling off the presses.

The expected bumper crop of summer tourists in the Lone Star State will be guided over Texas highways with the aid of a map that will give visitors a brief introduction to a few of the State's points of interest. In addition it will afford a complete, accurate, easy-to-read travel map for the use of all.

The deluxe map is expected to be the most popular feature at the Department's Information Bureaus which have been reopened at strategic points to supply post-war tourists with reliable, up-to-date facts on highway and tourist attractions which support one of the state's largest and fastest growing "cash crops."

The postwar edition carries a small scale map of the United States, the usual large scale insets of the State's metropolitan areas, strip maps of the main Texas travel routes and the Pan American Highway into Mexico. It gives mileages between towns and carries a supplementary mileage chart. The highway marking system is explained with illustrations, there is a column of miscellaneous facts about the nation's largest State.

Shown also are the State and National parks, some of the old Missions, and other points of historical interest. Twenty-six color pictures, which will be changed in each subsequent edition, depict typical Texas scenes.

The outside of the map, when folded for mailing, bears a picture of the State Capitol and another of Governor Coke Stevenson. Below the Governor's picture is his official greeting "To Motorists Everywhere." In his message Governor Stevenson extends to the people of other States and Nations a cordial invitation to visit Texas and enjoy the hospitality of its people. "The highways of Texas are yours," he says. "Use them freely for your business and pleasure."

EDWIN H. BOEDEKER

We, citizens of Dickens County, are proud of the record Edwin H. Boedeker has made as our County Judge and we want him elected District Judge. He is worthy and merits a promotion. We know him.

He has an honorable record in college and graduated with a B. A. Degree.

He received an L. L. B. Degree in Law from Baylor University and while a senior student there made the highest grade in Constitutional Law and was given an award for this accomplishment.

He is licensed to practice law in Federal and all State courts.

He cut the general expenditures of Dickens County \$3,000.00 the first year he was in office; during his administration \$110,500.00 bonded indebtedness was paid off; the county kept on a cash basis, reserves built up in various funds all without raising tax valuations.

He had passed for the county court of Dickens County a continuous term law in 1941; a similar law was passed by the Legislature for the District Court of Briscoe County two years later, in 1943.

He tried approximately 300 legal cases as County Judge and has had only one appeal from all these decisions.

AS A CITIZEN:

He is cooperative, agreeable and active in civic, church and fraternal organizations.

He is courteous, has a cool even temper and a pleasant disposition.

He is clean in his habits, deep in his convictions, reliable in his dealings, and trustworthy on all issues.

Allan Shivers Is Fully Qualified

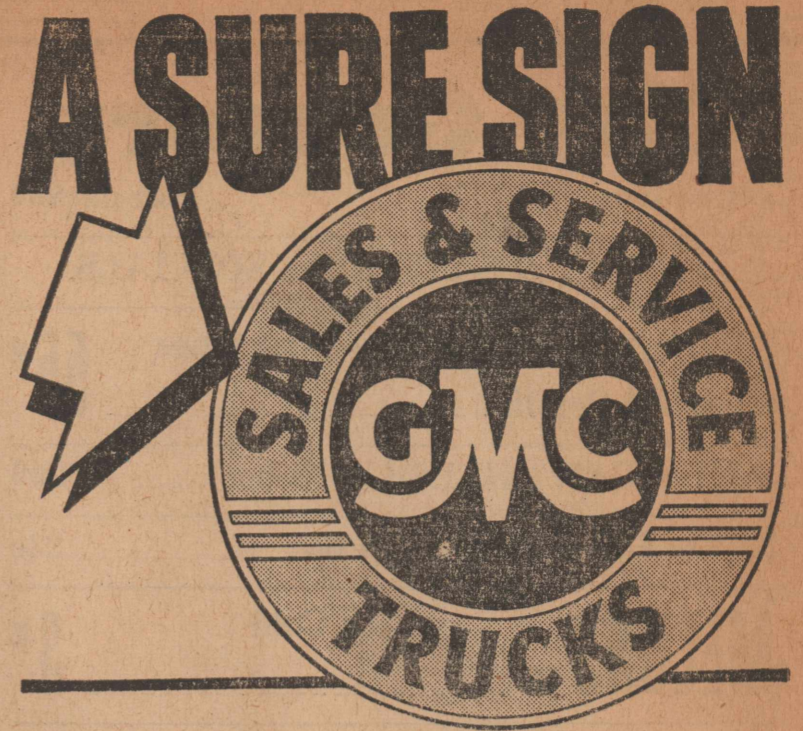

Senator Allan Shivers is the only candidate for lieutenant governor who has the experience and qualifications that are so badly needed to properly preside over the Texas Senate, the lieutenant governor's chief function. Allan Shivers gained this experience through 12 years of service as a senator, interrupted only by two years overseas duty with the Army. He is also thus only war veteran seeking the lieutenant governor's office.

"I Give You Texas"

By Boyce House

How to avoid falling hair: Jump quickly to one side.

To keep a horse from slobbering: Teach him to spit.

In time of danger, what is more to be desired than presence of mind? Absence of body.

Tell a woman who is trying on shoes that one foot is larger than the other, and you have lost a sale; but tell her that one foot is smaller than the other, and you have gained a customer.

Getting around over Texas:

When the First National Bank in Cisco was remodeled, the side door opening on to the alley was eliminated. It was through that door the Santa Claus robbers marched out, using bank customers and bank

members as shields, during the battle that cost three lives, back in 1927.

And the pole near the jail in Eastland, from which the Santa Claus later was hanged, is still standing.

Won't it be great when you can again order a ham sandwich and get ham and not "pressed ham"?

Rambling over Texas: Near the city of Springtown, a road-runner scurrying across the highway, the first one this observer had seen in a long time; and, south of Sweetwater, a hawk so big he looked like an eagle—he sat on a fence post and disdained to stir as the car whirled past.

Near Hondo, a vast field of yellow stubble with hundreds of red-and-white cows grazing—in the distance, a solid line of jagged

mountains veiled in blue.

At Yoakum, chickens peering out of second and third story windows of a building—a poultry establishment, of course.

And in Abilene, a sign: "Frisky minnows."

Your columnist is a candidate for Lieutenant Governor of Texas. It would be deeply appreciated if you would say a kind word to your friends about Boyce House. With your help, we can win.

Why is a Lawyer's brief called "brief"?

There was a little discussion in this space a few weeks ago about whether it was ungrammatical to use a preposition to end a sentence with. E. Roberts of the Andrews County News sends in a story about a boy who was sick and asked his nurse to read to him from "Robinson Crusoe" but she brought in the "Swiss Family Robinson" instead and he demanded, "What did you bring me that book to be read out of to from for?"

At least once to every man comes a moment when he touches the hem of Romance's robe, no matter how drab his daily round of life.

Herman Hackmeyer sold hardware for a San Antonio house over Southwest Texas. He was short and pudgy of figure, red of countenance, with mild eyes and a harmless expression. Yet even the prosaic "Hack" had his fleeting minutes of glory.

Probably you are incapable of imagining such a thing to be true but there was as a time when wrestling was a sport and not a hippodroming affair. This was years before World War I. Frank Gotch, the Iowa Farmer, otherwise the Cornhusker Giant, was champ-

ion of the world and the titleholder of Europe was Hackenschmidt, the Russian Lion. Hackenschmidt was short, thick-set and tremendously powerful.

It was inevitable that the two should meet and Kansas City was chosen for the battle. Gotch arrived early and set up training camp; but two weeks before the match, "Hack" had not yet appeared and so the fans were excitedly expecting him momentarily.

And it was at this juncture that Herman Hackmeyer was dealt his prize hand by smiling Fate.

The hardware drummer stepped from a train in Kansas City and as he entered the Union Station, an acquaintance called out, "Hello, Hack."

Now it was a cold day and the traveling salesman was wrapped in a huge overcoat that gave his fat form the appearance of a stumpy physique of great power.

A "red cap" murmured in an awed tone to the traveler whose suitcases he was carrying, "Gee, dat's Hackenschmidt"—and the word swept across the station. There were cries on all sides of "Hurray for Hack" and Hackmeyer acknowledged the acclaim with bows.

As he walked to the hotel, the tidings had preceded him; newsboys, shine-boys, messenger boys, brewery wagon drivers, fruit vendors, ice men, in short the citizenry in general called out, "Hyah, Hack" or "Good boy, Hack." A few of the bolder stepped forward for a handshake, and so was born many a boast in the John L. Sullivan tradition, "Shake the that shook the hand of of Hackenschmidt."

Hackmeyer, with shoulders thrown back, swung along with stately tread, for during that walk he felt himself indeed to be the Russian Lion.

"That was years ago and it last-

ed only fifteen minutes," he said with a sigh and a smile in the lobby of the hotel at Cotulla, "but it was the climax of my life."

MIDGET AUTO RACES TO SHOW AT LUBBOCK

Lubbock—Panhandle South Plains Fair officials announced this week that midget auto races, a sport new to the Plains that is sweeping the country like wildfire, will be run each afternoon of the Fair, October 7-12, at the Fairgrounds in Lubbock. Corky Benson and J. T. Wolfe, promoters, have a seven-event card lined up for the dust-free races, top billing being given the 25-lap contest which will wind up each day's program.

Other events included in the races are three 10-lap elimination contests, a 10-lap consolation race, time trials, and two-lap trophy

race. Fifteen to thirty drivers from all over the Southwest will compete on the one-fifth mile track.

Wolfe and Benson will also stage weekly races at the Fairgrounds commencing Saturday, July 27, and continuing up to the date of the Fair.

Time trials will be held at 8:30. Admission is \$1.00 plus tax for adults and \$.50 plus tax for children.

Your Vote and Influence Will Be Appreciated

Friends:

I feel you are friends of mine, and I am going to ask each of you as one friend to another to consider this letter in the manner it is intended. And to express my appreciation for the good will and friendship that you and many other friends have so generously shown me.

I am not unmindful of the responsibility there is attached to the filling of the office, yet I want to assure you I have enjoyed my work in serving you.

The first consideration of any officer is service to his fellow man, his community, his county, and his state. And on this basis I ask your consideration.

I will appreciate it if you people will spend a few minutes cussing and discussing me and my qualifications for remaining in office for another term.

I feel that with the experience I have had while in office, I am better qualified to fill it than heretofore, and all the pardonable mistakes that a person would honestly make in the beginning are all behind me now. And I am only asking to be returned to a place I have tried to fill.

Have I rendered you a faithful service? On my own merits of service, as your servant, I am asking for a continuance of your support and influence on July 27.

Yours respectfully,

SCHOOLS TO GET MORE MONEY FROM THE STATE

Austin.—The State Board of Education recently appropriated an additional \$4 per capita from the available school fund to supplement the \$30 received by schools for each child who was of scholastic age in 1945-46.

The board recommended that the extra amount be applied to budgets of the 1946-47 school year. Phil Stevenson, board member from Houston, said he hoped the money would be used to secure the best teachers available for the ensuing school year and to hold those the schools already have during the critical teacher shortage.

The per capita apportionment tops last year's which was the highest up to that time.

WRESTLING MATCH RECEIPTS DONATED TO CHILDRENS FUND

James B. Baird, Potentate's Aide in Briscoe County, said one of the most unselfish, kind, and generous offers has just been received by Khiva Temple. Noble Dory Detton, a member of Khiva Temple is sponsoring a Junior Heavyweight

World Championship Wrestling match on August 15 in Amarillo. The elimination bouts have already started, and the winner of the eight wrestling tournaments will wrestle Noble LeRoy McGuirk, the title holder, member of India Temple.

According to Baird, Noble Dory Detton will make an outright gift of the greater part of the net derived from this championship to Khiva Temple. Such gifts as this will help materially in securing a hospital within the jurisdiction of Khiva Temple.

Everyone interested should support this championship match, said Mr. Baird.

When Audie Murphy of Farmersville, Texas, went into uniform he was told he was expected to fight. He did. Lt. Murphy won all medals given by the Army.

JOHN B. STAPLETON OFFERS HIS RECORD TO THE VOTERS

John B. Stapleton of Floydada, candidate for District Attorney, served Floyd County as County Attorney for three and one-half years before entering the Army in May, 1942. He was re-elected to a third term after he was in the Armed forces but resigned the office so someone else could be appointed since he could not be there to fill the office.

As county attorney, John Stap-

leton made an outstanding record. He lost only one case out of more than 500 prosecuted, and not one complaint, information or indictment which he ever drew was ever quashed. But John says he is a lot prouder of the common sense manner in which he conducted the county attorneys office than he is of any record of cases won or lost.

As county attorney, John Stapleton worked and cooperated with all the officials. He took care of all juvenile delinquency problems, and

it was necessary to send only one boy to the reform school during his administration. That boy was from out of the state and had a long record of automobile thefts and armed robberies. "I hated to see that boy go", Stapleton said, "but there was nothing else that could be done in his case. I am happy to say that we were able to help and straighten out all the other boys who got into trouble. I always try to make a good citizen out of a boy rather than send him to reform school."

While he was county attorney of Floyd County, Stapleton worked with every grand jury. He assisted the district attorney in preparing and prosecuting every felony case. He knows the duties of the district attorneys office and he has prepared himself to handle those duties.

Stapleton is a native West Texan, having been born at Dimmitt, in 1908. He is one of a family of seven children. His father, Dr. G. J. Stapleton, was a country doctor who died at Lockney, in 1918. His mother still lives in Lockney. In 1941, John married Bernice Patton

of Floydada. Estes Woodburn, an early day Briscoe County resident, whose family ran the old Woodburn Hotel in Silverton many years ago, is John's brother-in-law.

John Stapleton is a graduate lawyer. He was educated at the West Texas State College, Canyon, the University of Texas, and the South Texas School of Law at Houston. He won his law degree the hard way by working and paying his own way through law school. He has been a practicing lawyer since 1938.

John Stapleton entered the Army in May, 1942, and served for three years and eight months, first in the infantry and later in the anti-aircraft artillery. He spent more than twenty-eight months with a combat unit under McArthur's command in the Southwest Pacific. He returned to the States last Christmas and is again practicing law in Floydada and seeking promotion to the District Attorney's office.

"It has been my ambition for a long time to serve the folks of this district as their District Attorney", John Stapleton says, "and now I am hoping they will help me climb

this next rung in the ladder. In return I will serve them faithfully and devotedly in the District Attorney's office.

Miss Virginia Woodward of Colorado City, roommate of Miss Hope Hamilton at NTSTC at Denton this year, was her guest over the week end. R. D. Jones and Miss Hamilton drove to Floydada Saturday to meet Miss Woodward and bring her to Quitaque.

MOTOR VEHICLES AVAILABLE TO CERTIFIED VETERANS

Troy Perkins, Quitaque, has received an invitation from War Assets Administration to attend a sale of surplus used motor vehicles to be held July 31 at the Marine Corps Air Station, Eagle Mountain Lake (near Ft. Worth), Tex. Perkins, who was certified last Nov., has been invited for a 1 1/2 ton truck.

The sale at Eagle Mountain is the last of a series of similar sales held throughout Texas by WAA during July to which veterans of World War II who have previously been certified for various types of automotive equipment are invited by letter in accordance with the earliest dates of certification on file. Only veterans receiving invitation letters are eligible to buy under this plan.

Offered in the sale July 31 are 89

vehicles declared surplus by the Marine Corps and included are passenger sedans, station wagons, jeeps, motor scooters, pickup trucks, various types of other trucks and trailers. Inspection of the vehicles at Eagle Mountain Lake may be made July 29, 30 and 31.

A new sales plan for the sale of other surplus used motor vehicles will be put in effect by WAA next month similar to that now used in the sale of construction and farm machinery to veterans. All items offered are on the set aside list and can be sold by WAA only to World War II veterans.
