NUMBER 37

Many From Quitaque Are Attending College

Quitaque is very well represented in the colleges over the state and in other states. We'd like to have a complete roster of our local college students and we're sure we have omitted some names from those listed below. If you know of any college students from Quitaque whose names are missing from the following, we'd appreciate you telling us.

There is a little "colony" of Quitaqueans at Denton, including Robert and Hope Hamilton, Venol and Evelyn Cain, Jane Hamilton, Mr. and Mrs. Wayne Hunter (from Turkey and Flomot) Glyn Grundy, Olin Patrick, Barney Bogan and Mary Jo McCracken. Mr. and Mrs. R. D. Jones were there for a time but found it too crowded and have returned home for the present.

At Tech, local young people enrolled are Billy Frank Roderick, Wallace Slayton, Glen Edward Lewis, O. R. Stark, Wanda Thompson, Graves Mayfield, Richard Tibbets, Walter Patrick and John Howard Payne.

To Canyon this week for enrollment at WTSC went Jimmie Cile Wise, Billy Joe Sachse and Leon McCracken, Jr.

There are a number of others attending various colleges including Kelton Shaw at Texas A & M, S. T. Bogan, Jr., at Oklahoma A & M, Mr. and Mrs. Rayburn Burgess, both attending college at Weatherford, Okla., Misses Reba Gowin and Wordie Hamner who are studying for missionary work at the Fort Worth Baptist Seminary and Mr. and Mrs. Joe Taylor who are both students there.

NO ADMISSION CHARGED VETS FIRST DAY AT LUBBOCK FAIR

Lubbock—A spectacular free fireworks display has been added to the many attractions billed for "Welcome Home" day for veterans of World War II at the 29th Annual South Plains Fair. The big pyrotechnics show will be held Monday night, October 7, immediately following addresses by governor-elect Beauford Jester and Col. Thomas G. Lampier, deputy administrator of Veterans Administration Branch Office 10 in Dallas.

Veterans wearing discharge buttons or in uniform will be admitted to the fair grounds upon payment of 10c federal tax throughout opening day. The Veterans will not be charged the regular 50c admission fee.

Everyone will also be admitted to the grandstand free of charge for the talks by Jester and Lampier.

Roy Cooper Succumbs To Heart Attack

Turkey was grievously shocked Wednesday when Roy Cooper, 59 years old and one of the community's most substantial and best-loved citizens succumbed to a heart attack.

Mr. Cooper was working at his farm in the Wolf Flat community southeast of Turkey when stricken about 11:30 o'clock.

He was taken in, to the house and was feeling better, believing he would be all right, but he suffered another attack about 20 minutes later. Dr. Garner was summoned and the attacks recurred at about 20 minute intervals. His condition would not permit of immediate removal, but about 2 o'clock he was placed in Stewart's ambulance, accompanied by his son Winfred and Dr. Garner to be taken to a Lubbock hospital.

The ambulance had reached Jay Russell's place about two miles southeast of town when the sixth and fatal attack occurred and the victim had expired when the ambulance reached Turkey, about 2:30.

Funeral services will be held Friday afternoon at 2:30 at the First Methodist church with Rev. A. V. Hendricks in charge, assisted by Rev. C. W. Parmenter. Interment will be in Dreamland cemetery.

Turkey Masonic lodge will have charge of the graveside service and will confer the last Masonic rites.

All Masons are requested to convene at the hall at 1:00 p. m. Friday.

A complete obituary was not available at press time and will be published next week.

BAPTIST WMS SENDS BOXES OF CLOTHES TO ORPHANS HOME

Mrs. Ed Dunavant was hostess to the Fifth Monday Social meeting of the Baptist WMS at her home Monday afternoon. The time was spent sewing and packing two large boxes of garments for shipment to Buckner orphans home.

The hostess served refreshments of cookies and hot chocolate.

Those present were Meses. Shaw, Brittain, Dunavant, Buddy Morris, W. Q. Jacks, Scott Bolton, F. T. Lee, O. W. Stroup, Jim Stroup, J. N. Hamilton and Hood Wise.

Next Monday the society will meet at the church for a business session with the new president, Mrs. R. B. Persons, presiding.

Mrs. Jim Wise and Jimmie Cile left Friday for Canyon, where Jimmie is enrolled at WTSC and Mrs. Wise will be employed.

EVERYDAY RELIGION

LIGHT FROM THE BIRCH TREES

By E. B. Thompson

Camped one night on the Pecos river with a troop of Scouts, as we prepared for bed-down ceremonies, we noticed that even though it was time for darkness, there was a strange unexpected light radiating along the river valley all about us. This fact attracted our attention as there was no moon in the heavens that evening. Half frightened, we asked an old be-whiskered man camped a short distance down stream about it.

"It is the light from the birch trees," he said. "Their leaves absorb sunlight all day, and long after nightfall they reflect that stored-up light." It was true, for long after we had made our bunks for the night, that light lingered to cheer our spirits. It is a parable! Jesus said, "He that hath seen me hath seen the Father." In other words, "I am the reflection of Him." Then He said of His followers, "Ye are the light of the world." As those Birch Trees reflected the light of the sun, so should we radiate the light of God's love and presence about us.

How our old world needs this luminosity of life! How we should strive to be the agents of light! May our souls be birch-tree souls, catching and reflecting the sunlight of God and godness so badly needed to push back the shadows and make light the dark rivers where camps for a night the caravan of humanity.

BOB McLAUGHLIN IN CAR CRASH SATURDAY NIGHT

Two persons were killed when two cars crashed about 9:50 o'clock Saturday night in a heavy fog on the highway between Canyon and Amarillo. The accident occurred at a point about two miles north of Canyon.

In one car Mr. and Mrs. Bob McLaughlin and children of Flomot were returning home from a business trip and visit in Amarillo. Mr. McLaughlin was driving, and Mrs. McLaughlin was the only one to receive injuries in that car. She was taken to a Canyon hospital for treatment where she was released after a few hours.

J. O. Lytle, Jr., of Hereford, driver of the other car, was killed instantly, and Miss Joy Seale Jennings, 27 years old, also of Hereford, died an hour after the crash in a Canyon hospital. Other occupants of the car which Lytle was driving were Mabel Gilbertson, Tom J. Barrett and Jesse R. Barret all of Hereford. They did not receive serious injuries.

CARL LANCE LEE BROUGHT HOME FROM POLIO CENTER

Mrs. Alpha Lee brought her small son Carl Lance home Saturday from the Plainview polio center where he had been receiving treatment. Mrs. Lee reported that the little fellow is doing very nicely and apparently will suffer no lasting ill effects from the disease. She also reported that her sister Miss Bobbie Mullin, is also getting along nicely.

ICELON CARROLL IS BRIDE OF OSCAR KIMBELL

Oscar Kimbell and Miss Icelon Carroll were married Thursday, Sept. 25, at 4 o'clock at the court house in Silverton, the justice of the peace reading the rites. They were accompanied by her father.

They returned to Quitaque and a wedding supper was served at the home of his brother, Mr. and Mrs. James Kimbell. Present for the occasion were Mr. and Mrs. Ike Smith, Mr. and Mrs. James Kimbell, the newlyweds and his parents, Mr. and Mrs. B. L. Kimbell.

They left Thursday night for Robert Lee, Texas, where Oscar is employed in road construction work.

The bridegroom is a son of Mr. and Mrs. B. L. Kimbell of Quitaque. He received his discharge from the army April 30, having served 18 months, 10 months overseas. He returned to the States from Germany in October, 1945. The bride moved to Quitaque from Oklahoma about a year ago.

IN MARINE HOSPITAL

A note from R. D. Williamson, S2-c Rdm., tells us that he is in the U. S. Marine hospital at Seattle, Wash. R. D. says "I'm still in Seattle, but not aboard ship. Instead I have some casts on my feet. Nothing serious, just stretching a ligament in each leg."

Paul Miller was accompanied by his son Jimmy while in Quitaque Saturday. Jimmy who is in the Navy was enroute to Maryland to receive further training.

Jeanne Hamilton Is Bride Of Tyler Man

Miss Jeanne Hamilton, daughter of Mr. and Mrs. Norval Hamilton of Quitaque, became the bride of Mr. William Milton Rodgers, son of Mr. and Mrs. Claude Rodgers of Tyler, on Saturday, September 28. The couple exchanged vows in the Methodist church at Tyler, in a setting of white gladioli, palms and white tapers in candelabra, Dr. W. R. Swain, pastor of the church, officiating.

Nuptial music was played by Miss Grady White at the organ. Preceding the ceremony, Robert Rice lighted the candles, and he also served as best man. The bride was attended by Miss Marjorie Martin of Valley View as maid of honor.

For her wedding, the bride chose a grey wool gaberdine dressmaker suit and brown accessories. She carried a white Bible topped with a bouquet centered with a white orchid. Her attendant wore a pink suit and corsage of blue flowers.

The ceremony was read at high noon, and the couple left immediately for a honeymoon trip to New Orleans. Upon their return, they will be at home at 409 S. Fleishel, Tyler.

The bride is an honor graduate of Quitaque schools and has a degree from North Texas State Teachers College, where she made an outstanding scholastic record. For the past year she has been employed in the offices of a geologist firm at Tyler.

Mr. Rodgers is a graduate of Tyler schools and attended the state university. He is manager of the men's department at Mayer & Schmidt company, at Tyler.

FARM BUREAU MEETING SCHEDULED NEXT WEEK

A series of 13 district Farm Bureau meetings will be conducted throughout the state of Texas during the month of October, it was announced by J. Walter Hammond, state Farm Bureau president.

One of the meetings will be held in the Lubbock Hotel at Lubbock on Wednesday, Oct. 9. W. R. Tilson of Meadow, state director, will preside. The meeting, which will begin at 10:00 a. m., will be attended by Hammond and State Organization Director Marvin Carter.

Another meeting is scheduled for Tuesday, Oct. 8, at Amarillo.

Principal topic for discussion at the forthcoming farm meeting will be the proposals of officials of government and other groups with reference to the future of agriculture. "A careful study of agriculture's program as proposed by these people," Hammond said, "will reveal that they are the same plans offered and adopted following the first World War which led the nation into depression that not only wrecked agriculture but brought ruin to business, finance and industry. The present-day trend is toward cheaper prices for farm products."

"If the right plans are not adopted now," Hammond continued, "we cannot hope for anything but a recurrence of the disaster following World War I. An agricultural program must be maintained that will stabilize the prices of farm products, which will in turn stabilize business and industry. It is the responsibility of the farmers of Texas to attend these district meetings and discuss feasible plans for agriculture."

WEDDING ANNOUNCED

Announcements were received here this week of the marriage of Miss Letha Marie Bain to Mr. Basil Wayne Smith. The bridegroom is the son of Mr. and Mrs. Victor Smith of Clarendon, formerly residents of Quitaque.

The bride is the daughter of Mr. and Mrs. Claude Bain of Hedley. The wedding took place at Plainview on September 15.

J. F. Wise, accompanied by his son Earl and brother Frank Wise, went to Plainview for a checkup Wednesday. He is getting along fine, he reported, and making a remarkable recovery from a very serious illness. It must have been the rains that did it 'cause Cap just can't stand dry weather. (He doesn't like too much rain, either.)

Tommy Dorsey Show Headlines Dallas Fair

The most gala entertainment extravaganza ever to appear in the Southwest will cause the amusements spotlight of this section of the country to be focused on the State Fair of Texas, when the Tommy Dorsey Show begins its 22 performance engagement at Dallas Fair Park Auditorium from Oct 5 to 20.

In announcing the signing of the star-studded show, Julius Schepps, State Fair entertainment chairman, said he considers it one of the most sparkling features lined up for this year's great State Fair program. He revealed that besides famous trombonist and band leader Dorsey and his 34-piece orchestra, the show features Gypsy Rose Lee, Lusty headliner of the striptease circuit, and "Sugar Chile" Robinson, sensational 7-year-old boogie woogie prodigy.

Other noted performers making this show the greatest collection of talent that it is are rollicking stage and radio comedian Jackie Gleason, recently comedy star of the Broadway hit "Follow the Girls"; mellow voiced Johnny Downs, movie and musical show singer, and the lithe and talented Stewart Morgan dancers, Schepps disclosed.

Gypsy Rose Lee, billed as the "prima donna nuda" of the American stage will introduce to Fair Park audiences a hand-picked company of alluring chorus girls, who will assist the provocative star in a highly specialized routine. Miss Lee, famous as an actress and an authoress of detective novels with a burlesque background, will be making her first State Fair appearance.

In signing Tommy Dorsey and his band, the Fair has been praised for securing the entertainment of one of the most consistently popular musical organizations in the land. Dorsey and his organization besides their frequent engagements in the best known dance spots of the country, have appeared in several movies, numerous supper club acts, and special recitals, having given particularly noteworthy hot jazz concert in the world famous Carnegie Hall.

Dorsey himself is considered the greatest jazz trombonist of the day. His band, which can pour forth the most luring sweet as well as hot music, is composed of many individually famous performers who have been tagged among the most capable jazz musicians now on the bandstands. Ziggy Elman and Charlie Shavers, both authorities of the trumpet, have been included in the selections of many All American jazz orchestras, and Stuart Foster, vocalist, is called a worthy successor to Frank Sinatra, who himself got his start with Dorsey's outfit.

Schepps said that several special matinee performances of the show have been arranged so that every visitor to the State Fair who so desires will have an opportunity to see what he termed the greatest variety show ever to come to the State Fair.

NEW PARACHUTIST

Bruce Wise, son of Mrs. Gladys Wise is now a full-fledged parachutist. He has been awarded a "sheepskin" from the Airborne School of the U. S. Army at Fort Benning, Ga., stating that he has successfully completed the prescribed course in parachute packing, ground training and jumping from a plane in flight and is therefore rated from this date (Sept. 28, 1946) as a qualified parachutist.

Bruce has served about six months of a two year enlistment. When he was home in August he said he still preferred horses to parachutes, but since he had to take military training, his preference was parachuting. Bruce is now eligible for overseas service most likely will soon be moved from his present post.

Mrs. N. V. Hamilton returned home Sunday evening from Tyler where she attended the wedding of her daughter Miss Jeanne Hamilton and W. M. Rodgers of Tyler.

Mr. and Mrs. Homer Sanders, Jr., of Sudan, visited friends here over the week end.

A meeting of farmers in the Gasoline area was called by Pierce White, member of the Board of Supervisors of the Cap Rock Soil Conservation District, at the community building last Wednesday night, for the purpose of organizing a conservation group in that area. The conservation work program of the Cap Rock Soil Conservation District, which the members of the board of supervisors are trying to accomplish was discussed by Mr. White and technicians of the Soil Conservation Service.

W. E. Helms was elected conservation group leader. It was decided to call this newly organized group the County Line Conservation Group.

After an interesting discussion of soil conservation by Mr. Helms, applications for soil conservation work were made by all farmers present at the meeting. This group promises to be one of the most outstanding conservation groups in the Cap Rock Soil Conservation District.

Farmers attending the meeting were W. E. Helms, John King, W. E. Morrison, H. B. Finney, S. H.

Kimbell, W. H. Williams, Boone McCracken, Noel Moore, Lawrence Bedwell, Hubert Setliff and Glynn Morrison.

Other meetings will be held in the Quitaque area in the near future, according to Mr. White, to determine whether or not farmers in that area are interested in organizing soil conservation groups.

Austrian Winter Peas, a hardy on a large scale by cooperators in winter legume, are being planted the Quitaque area. Over 10,000 pounds of seed have been purchased to date. Chester Hawkins, who operates the Bert Hawkins land, is seeding 270 acres of these peas. The planting is being done on the odd rows of sorghum, planted two rows in and one row out, with a twenty-eight hole maize plate with the holes increased in diameter. According to Mr. Hawkins, seeding is being done on wheat land by row planter on twenty inch spacings or double-rowed. These seed are being inoculated by using one pound of nitrogen inoculant per one hundred pounds of peas.

New Churches, New Members To Join in World Communion

Huge increases in worshippers on World Communion Sunday are anticipated this year, due not alone to returned veterans but to the hundreds of newly founded churches and the thousands of newly enrolled members. The Methodist Church, as one example, through its Crusade for Christ, has opened 624 new churches and expects to make October 6 a day of victory by closing its year of evangelism with a million new members.

Mr. and Mrs. H. V. Morgan
And Rayburn.

From where I sit... by Joe Marsh

Bert Childers and the Melon Patch

Bert Childers put an ad in the Clarion the other day. Here's what it said:

"Planted more melons than I can eat this year. Stop by and pick as many as you want. All free."

As you can guess, plenty of folks sent their kids over and plenty of the parents came too. Stripped Bert's melon patch in no time. And as they went away, Bert treated the kids to lemonade, and offered the grownups a glass of ice-cold sparkling beer.

Naturally it puzzled some folks... but Bert explains: "It gives me a kick to share things when I can afford to—whether it's the melons, or the lemonade, or beer. I guess I just like to indulge my whims."

From where I sit, if we had more "self-indulgent" people like Bert—who believe in share and share alike, live and let live, this tired world would be a whole lot better off!

Joe Marsh

PANTHER SCREAM JUNIOR CLAPTRAP

The juniors were all smiles this week when the man representing the class ring company appeared on the scene. After very heated discussion we decided on what we think is a very beautiful ring. It is the heaviest weight ring he had on display and is round shaped. So the eleven juniors each forked out a \$2.00 deposit and are waiting anxiously for next September and the arrival of our class

Pioneer Pharmacy

Our activity committee has been busy this week planning our course for the next month or so. Since our sponsor, Mrs. Baird will not be in school after this week we elected Mrs. Moose to be our sponsor for the year. Other excitement on the campus this week was when the photographer came to take pictures of seniors and different groups such as football, basketball and last but by all means not least, a group picture of the one and only junior class of '47.

PEP SQUAD NEWS

The Panther Pep Squad this year is composed of about 25 girls and boys. The suits are black sweaters and black skirts—or trousers with a 4-inch gold and black Q on the front of the sweater. The cheer leaders will wear black sweaters with a large Q on the front and gold skirts cut circular.

The cheer leaders, elected by

popular vote of the pep squad are: Billie Rae Hutcheson, Sue Barrett and Marjorie Crabtree, with Jerry King and Chester Wayne Hamilton as assistants.

Mrs. Moose was chosen as our sponsor and Jean Thompson, reporter.

MATADOR DEFEATS QUITAQUE

Last Friday evening the Matador Matadors defeated the Quitaque Panthers at the Matador field. The Panthers put up a terrific fight, but the Matadors just out-scored them—55 to 0.

The Panthers play the Kress Kangaroos Friday afternoon at 2:30 at the home field. This is the first conference game of the season, which we're hoping will see them off to a good start. Incidentally Matador isn't in our conference.

Our schedule for the 1946 football season is as follows:

Oct. 4—Kress, played here.
Oct. 18—Silverton, played here.
Oct. 25—Flomot, at Flomot.
Nov. 1—Turkey, at Turkey.
Nov. 8—Estelline, played here.
Spectators play an important part at the games, so everyone is expected to be there, boosting the Panthers. Admission 50c, 25c and 15c.

A NOTE FROM MRS. JAGO

A note from Mrs. J. F. Jago who is staying with her daughter and family in Miami, Florida, enclosed her renewal for The Post which she declares "is the most wonderful paper published. I read every word and every ad in it."

Mrs. Jago says she would love to share the delightful climate and beautiful scenery with her Quitaque friends, but still she'd like to be in Quitaque to visit with her friends. Her note continues:

"I am so glad you are having some good rains. We have had an unusually wet summer. It has rained every day or night since the middle of April, and not a speck of mud anywhere. The water does not stand anywhere only on the pavement.

"The coconuts are falling now and they are the best things I ever ate, fresh from the tree and they won't make you sick, and the avocados are at their best now. Otherwise everything we eat in fruit or vegetable is shipped in.

"Love to everyone."
Carrie Jago.

GIRL SCOUTS HOLD INVESTITURE SERVICE

The Girl Scouts held their Investiture ceremony Saturday afternoon at the Baptist Church. Present were nineteen girls, all except two accompanied by their mothers. Four girls were present who are interested in becoming Scouts, and a special guest was Mrs. Tony Bur-

son, Girl Scout leader from Silverton. Other guests were Mrs. Chas. Gowin and Mrs. Scott Bolton.

The girls invested were Naomi McBride, Jo Dean Bedwell, Shirley Foster, Jimmie Faye Witcher, Glorianna Ntatherlin, Jo Ann Hulsey, Eula Mae McAdams, Clara Mae Smith, Jeanette Berry, Nesa Mae Boggs, Alpha Jean Allan, Charlotte Settle, Bobbie Jo Foster, Chloris Neatherlin, Clara Ruth Woods, Melba Jo Woods, Patsy Stark and Norma Jean Persons. Mrs. J. T. Persons and Mrs. J. C. Rhoderick, Jr., the leaders, were present and assisted with the ceremony.

Refreshments of angel food cake and hot chocolate were served to the mothers and guests, and Scouts.

The Girl Scouts are now ready to begin work on other badges.

We will meet next Saturday at the school house at 4 o'clock. Every mother has a special invitation to attend each meeting. Every girl who would like to be a Scout is invited to be present.

Reporter, Melba Jo Woods

JUMPING IN GERMANY

A note from Bruce Beck, in Germany, encloses a newspaper clipping showing a picture of men parachuting from a large plane, and one of the men he has marked as himself.

The clipping states that the picture shows men dropping from the new Fairchild C-82 plane, at Weisbaden, Germany, to demonstrate uses of the plane for carrying and discharging 2½ ton trucks, howitzers and personnel. The picture shows the men descending, some before their chutes opened, one just leaving the plane. Beck is the leader of a parachute group on duty in Germany.

ASSEMBLY OF GOD CHURCH TO HOLD REVIVAL MEETING

Rev. W. B. Chase of Sterling, Okla., preached for us Saturday night and Sunday morning. He will return to start a revival Sunday, Oct. 6. We ask the interest in prayers of the praying people of our town and community that God will send an old time revival to our church and town. God can and will bless during this meeting if we will only do our part.

The public is cordially invited to come and worship with us.

Reporter

H. A. Dudley called his daughter Mrs. Lawrence Melton, from Amarillo Wednesday, to tell her that he had returned from Savannah, Mo., where he had been receiving medical treatment. Mr. Dudley will visit relatives in Amarillo the rest of the week, and Mr and Mrs. Melton will drive to Amarillo and bring him home Saturday.

REDDY KILOWATT

SCHOOL DAYS ARE HERE ONCE MORE... Gradually the days will grow shorter and nights longer. More and more of the family's work and play will be done under artificial light.

Start now, at childhood, to insure your children's good vision in future years.

It is a known fact that 3 out of every 4 people have defective vision by the time they reach 50. In most cases, it is traceable to poor lighting or the improper use of eyes in childhood. Therefore, use adequate and glareless light in your home—it will not only safeguard young eyes, but help older eyes as well.

Our lighting engineers will gladly assist you in obtaining the proper seeing conditions. This free service is yours for the asking.

SPORTS

Friday is the day when the Flomot Longhorns go to Silverton to play the Silverton Owls. The boys are in pretty good shape, we think, and are planning on coming back as the winners. So how about going to Silverton Friday folks! and root for the Flomot Longhorns!

SENIOR NEWS

"What you know, Joe" is the familiar sentence being used by the senior class when we start to Mr. Porter's English class. Didn't know we were so d-u-m-b!

Are you keeds very smart? You know it's just about two weeks till six weeks tests. Let's all take Mr. Tate's remark he made Monday to heart, won't you?

So that little crippled gal in our class (Dena Martin) is a privileged character. What do you say to that you boys?

What do you seniors think about football game Friday? Aren't we looking forward to that game? You bet!

JUNIOR NEWS

Hello everybody! Here we are again, the fourth week of school and boy, do we have to study!

The Juniors have decided they are pretty dumb when it comes to

English, eh Walter? But don't feel badly, Walter, you know Ava Nell can't get this plain English in her head either.

We have looked at some class rings and they were pretty. We are going to order our rings soon.

We have a curly head in our class now. Could it be a permanent? Ask Kenneth!

SOPHOMORE NEWS

Hi Folks! The sophomores, noisy and mischievous as they are, have decided to settle down, especially in English. Huh???

The boys in our class don't seem to like their lessons. Could it be they wish they were back in the freshman class? Maybe Olive could do better in Plainview school.

Jane was kinda in a daze Monday morning. Could Jack have had something to do with it?

FRESHMAN NEWS

This being the fourth week of school everything has settled down all right. The freshmen are doing fine except Virginia who broke her ankle while practicing out for basketball last week.

Any day in the week you can hear the freshman girls giggling and gossiping.

We wonder why the freshman boys are always going into a huddle and conversing in low tones. They couldn't be plotting against us! Or could they?

Charlotte, how do you do it? Making A on you themes in English. Please give us you trade secret.

7TH & 8TH CLASS REPORT

The class of 7th and 8th grade elected officers who are: president, Junior Speery; secretary, F. Francis Jones; rec. chair, Beutonne Cromer; reporter, Joan Turner.

On Wednesday, Sept. 25, we had a wiener roast at Jane Pigg's and later went to the house and played games. Those who were there were Joan Turner, Beryle Monk, L. G. Starkey, Jean Pigg, Ardell Jones, Frances Jones, Roy Taylor, Charles Tanner, Junior Speery, Jimmy Purcell, Burl Clark, Addie Bee Carroll, Beutonne Cromer, Eula Mae Cavitt and our teacher, Miss Inez Gilbert. The party lasted until about 9:30.

MY CAREER IN JOURNALISM

By Sylvia Purdy
Journalism is a small part of a large business. There is a circulation of 44,000,000 daily papers in the world and have an income of \$1,000,000,000. In this work more than a quarter of a million people are employed.

The importance of this vocation to society is that an outstanding reporter is the eye of the public. They are present where the most exciting things happen. Journalists are welcome in any gathering. They meet prominent people. There is a glamour in journalism not found in other professions.

The daily tasks are long and irregular hours, and one must always be on the job.

The opportunities in this field are travel, learning better writing, and behind these you postulate intellectual honesty, character, the courage to tell the truth regardless of consequences, and decent personal habits.

The necessary qualities in journalism are, you must have the scholar's culture, the scientist's accuracy, and the poet's beauty, provided you achieve a writing technique to make what you write clear and simple and intelligible to the man on the street.

The preparation is a sound academic education is much to be desired, the more advanced you are in subjects that touch daily life, such as economics, political science, history, sociology and psychology. Intensive training at a school of journalism is very desirable. Casual courses in journalism such as offered as parts of other college training are of little but some value.

LOCAL BRIEFS

Mr. and Mrs. Glenn Gibson have moved into the apartment in Mrs. Jimmie Cile have moved to Can-Jim Wise's home. Mrs. Wise and son.

Mr. and Mrs. Alton Mott and children of Amarillo visited relatives here over the week end and attended the singing at Gasoline Sunday.

FOR SALE—Five room modern frame house with bath, in Quitaque. Good condition, immediate possession.—Earl Conner, Spring Lake, Texas. 35-4c

A. C. Barrett, accompanied by Mr. and Mrs. Cecil Price went to Plainview Sunday and returned home his daughter and new grandson, Mrs. Bob Lee and David Joe.

READING GLASSES - NEW STYLE
—We have just received a lot of reading glasses that are very comfortable. Come in and fit yourself. Won't hurt your eyes.—Pioneer Pharmacy.

Miss Virginia May (Tillie to her many Quitaque friends) came down from Silverton Thursday to spend the day with her brother and sister-in-law Mr. and Mrs. Lloyd May.

Mr. and Mrs. John Wilkerson and small son were here this week. They are moving from Fort Worth to Tulsa where John will be associated with the Dodge-Plymouth agency.

SEE THOSE RCA Convertible Battery Sets in our window. They work equally as well on Battery or 110v. current Let us show you.—Pioneer Pharmacy.

Jelly Cogdill came down Saturday from Lubbock to get his wife who spent last week visiting her. He was accompanied by his mother-in-law Mrs. M. D. Benson also of Lubbock.

Mr. and Mrs. John T. Reagan and family moved this week to the Blankenship house vacated by the H. E. Curtis who moved to the Leonard Curtis home. The Leonard Curtis have moved to California.

Mr. and Mrs. Don Hall of Plainview visited last Friday in his sister, Mrs. O. E. Hutcheson's home. They brought another sister, Mrs. Gladys Garrison, of Reno, Nevada, who remained for a week's visit.

PLAN YOUR HEATING Wisely!

If you're building, or remodeling, give a thought to your heating system. If you're wise you'll choose an automatic method of gas heating . . . for economy, for trouble-free operation, and for healthfulness. You'll check, too, on correct venting methods to assure maximum efficiency and complete safety . . . for no heating system is safer than automatic gas heating properly vented. And automatic means this . . . just a touch of your finger on the thermostat . . . your automatic gas heating system does the rest, at just the proper temperature. Plan your heating wisely . . . choose an automatic gas heating system . . . properly vented for complete safety!
