NUMBER 40

LOCAL BRIEFS

Mrs. Lily Jack Woffard of Dallas is here this week visiting her mother and her small daughter who have been making their home here the past several months.

Mr. and Mrs. M. J. Pyron of Tyler are here visiting their daughter Mrs. M. E. Loving and other relatives here.

Visiting in the home of Mr. and Mrs. C. R. Badgett this week are her sister Mrs. Agnes Henshaw of Stillwater and their aunt Mrs. Lizzie McInnis of Coalgate, Okla.

G. P. Davis, game warden for this district, was here Wednesday on a routine check and patrol. Local nimrods enjoyed visiting with him.

J. O. Davidson left last Friday for Wichita Falls where he will receive medical treatment for several weeks. During his absence Mrs. Davidson's sister Miss Sophia Curtis of Amarillo is staying here with her and the children.

Mr. and Mrs. E. W. Tibbetts visited their son George and family and other relatives this week at Durango, Colo. Otis Purcell went with them and he and Elmer went deer hunting.

Lloyd Curtis and Mr. and Mrs. M. J. Schmidt and baby of West Los Angeles, Cal., arrived Monday for a visit here with their parents Mr. and Mrs. H. E. Curtis and other relatives.

Mr. and Mrs. Alton Johnson and children spent Thursday night and Friday in Amarillo, on business. They were accompanied by Mrs. F. M. Sachse who visited her son Dee Sachse in the Northwest Texas hospital there.

Mr. and Mrs. Bill Clark and son Keith of Quanah, and Mr. and Mrs. E. E. Lokey of Lubbock spent the week end here with their parents Mr. and Mrs. W. V. Chandler, Keith remaining for a week's visit with his grandparents.

The new home which Mr. and Mrs. Homer Gregg have had under construction for some time, in the north east part of town, was completed and they moved into it about two weeks ago. It is a very attractive stucco house, in a beautiful location.

Mr. and Mrs. Tom Person spent the week end in Lubbock, visiting friends and attending the football game. Frank Hawkins accompanied them to Lubbock and Mrs. Hawkins and Joe Frank who had been visiting her parents in Lamesa, met them there and returned home with them Sunday.

A family gathering was enjoyed Sunday at the home of Mrs. J. H. Simmons. Her children present for the day were Miss Mary, Mr. and Mrs. Orin Simmons and children of Silverton, Mrs. Ruth Simmons of Midland, Mrs. Harry Barnhill and children of Turkey, Mr. and Mrs. Ollie Simmons and daughter Miss Besk of Borger and E. T. Lyons of Laurens, Iowa.

Mr. and Mrs. Wess Harvey returned Saturday night from a week's visit with her parents Mr. and Mrs. E. M. Cahoon of Las Cruces, N. M. A family reunion was enjoyed while the Harveys were there, three brothers and a sister being present. They had a pleasant visit and a delightful trip, no car trouble of any kind, not even a flat on the entire trip.

GIRL SCOUTS

The Girl Scouts met Saturday at the home of Mrs. Scott. The subject: Learning to make fudge. We also made fudge. We played a game and decided what we would do at the next meeting.

There were seventeen girls present and three leaders, Mrs. J. T. Persons, Mrs. J. C. Rhoderick, Jr., and Mrs. Gene Berry.

The next meeting will be Saturday, Oct. 26, at 4 o'clock at the American Legion Hall, upstairs over the Quick Stop Cafe. Every girl should bring something to work on.

Scribe, Melba Jo Woods.

Fire Saturday Night Destroys Woods Garage

Fire destroyed the P. O. Woods garage building on West Main street in Quitaque Saturday night about 8 o'clock, the loss being almost total.

Origin of the fire was not definitely established but was presumed to have been started by defective electric wiring. The fire was well under way when discovered by Durwood Boggs, employe, on duty alone at the time. The station was being operated by Henry Hastey, Jr., who had recently leased the property.

Three automobiles stored in the garage were destroyed in the fire, a 1937 pickup belonging to Jake Honea, and two 1934 Chevrolets, one belonging to Hastey and the other to Warren Payne.

Eroll Van Meter had a repair shop, body works and paint shop in the building and only last week had installed about \$500 worth of new equipment, all of which was damaged. Hastey had about \$900 worth of automobile parts, etc., which he stated were a complete loss.

After the fire alarm sounded there was some delay before the fire truck arrived, hose lines laid and the water turned on. The building had been used for many years as a garage and service station and was well soaked with grease and oil, and soon became a roaring furnace.

The fire departments from Turkey and Silverton were called upon for help and upon their arrival soon had the blaze under control. The Willson Lumber yard was in grave danger for a time but with the arrival of Turkey firemen, this threat was soon put down. Silverton firemen found it unnecessary to lay hose. (Thirteen minutes after receiving the call for help, Turkey firemen had two streams of water on the blaze.) The valuable help of these neighboring departments is sincerely appreciated by the entire city of Quitaque.

Though threatening for a time, the fire was confined to the one building, no damage being sustained by either Willson & Sons on the east or West Texas Utilities Co. on the west.

An Immediate Need

The fire Saturday night which destroyed the P. O. Woods garage, demonstrated the very immediate need for some new fire fighting equipment at Quitaque.

Trouble began when the siren squawked a weak alarm, because it needs cleaning out and oiling up.

The fire truck had to be pushed a block or more before it would start.

Two sections of hose burst when the water pressure was turned on. The wrench to turn on the water at the fire hydrant was misplaced and much time was lost before it could be located.

There was little co-ordination between the fire boys, because no one knew what he, or the next fellow, was supposed to do.

The fire was blazing merrily away before any headway had been made at all to get it under control. All that saved a much greater loss, and perhaps irreparable damage, was Providence and the fact that there was no wind.

The fire-proof brick wall of the West Texas Utilities company building was protection on the west, but if the wind had blown the blaze to the Willson and Son lumber yard on the east the solid block of business houses to the east would have been endangered. Quitaque's immediate need is reorganization of the fire department, support of the department by the community, and some good fire-fighting equipment.

INJURED HAND

Dee Sachse who is working in Amarillo for the Graham-Hoeme Plow company, happened to a bad accident Wednesday of last week. His left hand was caught in some machinery and crushed so badly that one finger had to be amputated. He is under treatment at the Northwest Texas hospital where effort is being made to save another finger on the hand. His mother stated the first of this week that he was doing very well.

Brief Illness Fatal To E. G. Rice

Nothing that has happened here for many years has so shocked and grieved this community and this area as the sudden and untimely passing of Mike Rice. Mike fought a desperate but futile battle against peritonitis which developed from a ruptured appendix, and death was the victor. He passed away Saturday afternoon, October 19, at 5:15 o'clock at the Quannah hospital, where he had been ill less than a week.

Funeral services were held at the Quitaque school auditorium, Sunday afternoon at 2 o'clock, Rev. E. B. Thompson conducting the service, assisted by Rev. A. L. Shaw. Pallbearers were Jim Baird, Roy Burgess, Grover Grundy, C. E. Craig of Wellington, Orin Stark, Dody Vardell of Hereford, Ray Persons and S. T. Bogan. Members of the Masonic lodge were honorary pallbearers.

The body was taken to Tyler in the Stewart Funeral Home hearse, and services were held there at Burks-Walker-Tippett Funeral Home, Rev. Thompson repeating the same service given in Quitaque, assisted by Dr. Wyle, pastor of the First Christian Church of Tyler. Interment was in the Tyler cemetery where graveside rites were performed by members of Tyler Masonic lodges.

The family was accompanied to Tyler by Mr. and Mrs. Morris Wilson, Rev. Thompson, Dody Vardell, Jim Baird, Ace Monk and Grover Grundy.

Elbert Grady Rice was born March 28, 1891, at Center, near Tyler, Texas. He was 55 years old at his death. He united with the East Dallas First Christian Church when a young man.

In December 1917 he married Miss Studie Jackson, of Tyler and for several years they made their home in Dallas where he worked as a salesman. They came to Quitaque December 5, 1925, and entered the dry goods business which

he conducted here until his death.

Survivors are the wife, his mother Mrs. W. Y. Rice, five brothers: Lynn of Tyler, J. H. of Longview, Henry of Winona, Dewitt of Dallas, and W. J. (Pete) of Quitaque; and three sisters, Mrs. A. S. Anderson, Mrs. W. L. Crofford, and Miss Alma Rice, all of Tyler.

Everything Mike did, he did with enthusiasm and put his whole heart into it. He was deeply interested in Masonry and had taken all the work up through the 32nd degree and the Shrine.

He took his first degree in Masonry Dec. 8, 1927, immediately after Quitaque lodge was chartered, he and C. E. Bedwell being the first two candidates. He received his Fellowcraft degree Jan. 16, 1928 and his Masters degree Feb. 13, that year. He took the Royal Arch at Matador, the Commandery at Plainview and the Shrine at Amarillo, being a member of Khiva Temple there.

He loved his business and he devoted many hours of planning and work, to build up and maintain a stock during these years of shortages that surprised merchants of larger towns. His jovial, friendly manner delighted his customers and drew patronage from over a wide area.

He loved his home and community, and was a public-spirited citizen, whose every thought and effort was to the up-building and improvement of his surroundings.

His personal characteristics endeared him to many; his jolly, contagious laugh that rang out so merrily and so easily; his kind consideration that made it so easy for his friends to ask favors of him; his unassuming way, his integrity. He was universally loved by old and young, and though his bodily presence is gone, his spirit will linger long with us. People like Mike Rice never die, their vital spirit becomes a part of everyone with whom they had contact.

PLAN NOW FOR COMMUNITY CLUB MEETING MONDAY NITE

Quitaque Community Club will hold its regular meeting Monday night, Oct. 28. Make your plans now to be present. We need a representative attendance and urge everyone interested in the town and community to be present.

This club does not belong to only a few individuals, but to the whole community, which includes you. Don't wait for someone to come and drag you in—you come and drag the other fellow. If you have any ideas, it's a good place to get them started working. Come out even if you never had an idea.

SID

PLEDGES SORORITY

Denton—Hope Hamilton, daughter of Mr. and Mrs. N. V. Hamilton of Quitaque, is one of 15 students at North Texas State College who is pledging the Kappa Theta Pi sorority.

Four weeks of sorority pledge-ship will be climaxed Oct. 26, when the Inter-Sorority Council sponsors the annual presentation dance.

FIRST LOAD OF GRAIN AT QUITAQUE ELEVATOR

Quitaque Elevator bought its first load of grain Wednesday—first grain bought by the new elevator and first load of this season's crop. It was grown by C. C. Moss of Flomot community and was bought as No. 2 Maize, although it lacked some of coming up to this grade, Manager Odell Setliff stated.

The load weighed 9,370 pounds and Moss received \$2.35 per hundred for the grain.

Homer Gregg who is employed at the Willson & Son lumber yard, cut his hand in the power saw at the yard Tuesday and suffered some very severe lacerations. He was taken to Matador for stitches and treatment of the hand, and remained in the hospital several days for treatment.

Mr. and Mrs. Elliott Lee visited here over the week end with relatives, enroute from El Paso where they were married Thursday of last week, to Perryton where Elliott is employed.

Last Rites At Flomot For Curtis Meece, Jr.

Last rites were held Friday afternoon, Oct. 18, at 2:0 o'clock at the Flomot Methodist church for Curtis A. Meece, Jr., Rev. Goode and Rev. J. E. Lee conducting the service. Pallbearers were J. C. Moss, Herbert Martin, Robert I. Thomas, Jr., Leonard Crowell, Jr., Lejuene Turner and Gordon Turner.

Curtis was born in Phoenix, Ariz., and came to Flomot with his parents when about one year old. He was 18 years old on September 12 of this year. He was converted and united with the Methodist church at the age of 10.

He enlisted and served in the Navy during the war, receiving his discharge last April. He studied embalming at Fort Worth, completing the course of study in September and returned to Flomot for a visit with his mother and other relatives. He left Flomot October 7 for Phoenix, Ariz., where he was working as an apprentice in a funeral home.

He had always wanted to learn to fly and with his uncle, Worth Hunt, also of Phoenix, had gone up in a privately owned Piper Cub plane for a ride and flying lesson. They were sight-seeing and touring in the plane and had just crossed the border into Old Mexico when trouble developed in the plane. They came in low to land, and were so low they clipped a radio aerial from a house. As they circled a corn field, near a Mexican village, to come in with the wind, their motors cut out and they crashed in a ravine.

Curtis was instantly killed and his uncle, Worth Hunt, received a broken jaw among other less serious injuries. Hunt was taken to a hospital at Phoenix, where unable to talk, he wrote the information of the crash. The full extent of his injuries was not learned.

The remains of young Meece were shipped from the scene of the crash in Old Mexico, to Douglas, Ariz., and from there were taken to Flomot by the Stewart Ambulance, from Turkey.

Survivors are the youth's father Curtis A. Meece, Sr., of Fort Worth who attended the last rites, his mother Mrs. A. B. Cloyd and two brothers, Dale and James Dickie Meece, of Flomot, and a number of aunts and uncles, many of whom were present for the funeral services.

Mrs. Cloyd, accompanied by her brother French Hunt of Plainview, left the first of the week for Phoenix to visit their brother there, who is reported improving and recovering from his injuries.

A seven pound, eleven ounce daughter was born Sunday evening to Pfc. and Mrs. Eldon Maples at the Tullia hospital. The baby's father is stationed in Korea, but expects to return to the States in December. The baby was named Bobbie Jean.

Mr. and Mrs. W. Q. Jacks have bought the house Rudell James is building just north of the new Baptist parsonage, and they hope it will be completed and ready for occupancy in a few weeks.

USO Fund Solicited For Final Drive

Leo L. White of Silverton has been appointed chairman of the Briscoe County USO Fund Campaign. The drive for funds this year has started and in a personal letter, Mr. White urges your cooperation. His letter states:

Our campaign expense is limited to \$35.00, therefore we can not send you a stamped envelope for return mailing. We prefer that your contribution be in the form of a check made payable to "Briscoe County USO Fund", however we will accept coins or paper money.

The week of Oct. 20 through the 26 has been set as the date for the USO drive in our County. Please place your remittance in the mail in time for it to reach us not later than the 26th.

In the past Briscoe County has always met its quota on time, with your help and co-operation we can do it again.

Our quota for this drive is \$355.00, which is much smaller than ever before. We have been assured that this is the final drive for USO funds.

MISSIONARY VERY ILL

A message to the Methodist Church, received here this week advised of the illness of Miss Dora Jane Armstrong, Miss Armstrong, a missionary to the leper colony in Africa, lectured at the church here this summer, and she also worked with the young people in the summer encampment where she made many friends.

The message stated that she collapsed in her office on Friday, Oct. 11, threatened with cerebral hemorrhage. She was taken to St. Pauls hospital, Dallas, where she must remain perfectly still for 3 to 5 weeks. Prayers for her recovery are solicited.

FRIENDS HERE FOR FUNERAL

Many friends from out of town, some from rather distant points came to Quitaque Sunday to pay their last respects to their friend Mike Rice and attend the last rites for him. A large number were present from Turkey, Silverton, Flomot and neighboring communities, and from all over this section.

Among these were Dr. and Mrs. B. R. Ezzell and daughters Raynell and Mrs. Roy Bomar, of Seymour, Mr. and Mrs. Homer Sanders and daughter Miss Aurelia of Muleshoe, Mr. and Mrs. Earl Hedgecock, Mrs. Jim Tunnell and Mrs. G. Tunnell of Amarillo, Mr. and Mrs. Roy Leslie, Mr. and Mrs. Noman Hamilton, Mr. and Mrs. Clem McDonald of Floydada.

Here from Matador were Si Courtney, J. R. Whitworth, Henry Pipkin and W. N. Pipkin.

Congressman Gene Worley stopped briefly in Turkey and Quitaque Wednesday, enroute to a cotton meeting at Childress.

Forty-seven bales of cotton had been ginned from this season's crop at Quitaque Gin, up to Thursday evening.

The Duck and Goose Season Opens Nov. 23

In the "Regional Coverage" section of our paper last week, the editors of that department of the paper apparently were the victims of some mis-information, or something. At any rate they were mistaken about the opening of the duck and goose shooting season in this area.

The season for shooting ducks and geese opens Nov. 23, and continues through Jan. 6. The bag limit is seven ducks or two geese in a single day. (See federal digest for possession limit).

We are glad this error was brought to our attention in time for correction before some of our friends got into trouble with the law.

A federal digest of the migratory game laws over which Uncle Sam has absolute jurisdiction, was received Tuesday, and is the basis for this correction.

QUITAQUE ELEVATOR ... Now Open For Business

We are not expecting much grain for several days because of late crops. We will remain open, however, and if you would like to come down and look over YOUR elevator, we would be glad to show you around.

We might be somewhat optimistic but we think Quitaque and surrounding territory is going to harvest a fair grain crop on the average.

When you have grain to offer we appreciate an opportunity to bid.

GIRLS BASKETBALL TEAM DEFEATS TURKEY GIRLS
A basketball game played Tuesday evening at the high school gym between Turkey and Quitaque girls resulted in a score of 44-4 in favor of Quitaque, the A-Teams playing the first game. In the second game between the B-Teams, Quitaque girls also won, the score 35-17.

This was great encouragement for both A and B teams at the beginning of the year.
In the first game Adkins, Hutch and Owens played forwards, and Rinkey, Crabtree and Hamilton were guards. No substituting was done during the game so all six played long and hard. Adkins was outstanding man, scoring 30 points, but of course the others helped her make these.

Morris, Stark, Bedwell and Price played forwards in the second game; the guards were Woods, Duck, Reba Jo and Sue Barrett. Morris was high point man scoring 20 points. The whole team worked together and played a swell game.

Among some of the most outstanding players from Turkey were Hulda Huffine, Linda Lane and Cleo Eudy, all of whom played a very good game.
The girls are looking forward to Tuesday night, Oct. 29 when they play the Flomot Longhorns.

grade school auditorium Friday morning to elect candidates for the football queen. After a near knock down and drag out, the football boys elected the following candidates.

Senior Class, Marjorie Crabtree.
Junior Class, Sue Barrett.

Sophomores, Alpha Mae McFall, Freshman, Patsy Stark.
8th Grade, Roxie Mae Price.
The contest runs for three weeks at the end of which the girls with the most votes will be crowned Queen.

Of course the juniors already know that Queen Sue will be in high spirits on coronation night.

The juniors will need your help however, to reach this goal, so let's all pitch in and give our support. Incidentally support in this case is spelled M-O-N-E-Y.

8TH GRADE NEWS
Well here we are, back again, dumb as we always were.

We're planning on our princess, Roxis Mae Price, to be football queen, so all of you cast in your extra dough in our favor.

SENIOR NEWS
The seniors are doing their best to help their candidate Marjorie Crabtree win the football queenship. The juniors are doing their best to put us out of the race, but we don't think they can—at least we hope not.

We're all looking forward to getting our senior pictures back.

We have decided to put on a play, "He Couldn't Marry Five." With the money the seniors and the basketball team are planning to go to the All-State girls basketball tournament at Hillsboro.

Methodist WS of CS
The Methodist Womens Society

of Christian Service met at the church Tuesday night for a Week of Prayer Service.

Mrs. Frank Hawkins was director of the program and discussions were led by Mrs. Victor Hall, Mrs. Bryan Kimbell, Mrs. Frank Gillespie, Mrs. Bill Woods and Mrs. Mort Hawkins.

The closing prayer was led by Mrs. Hall.

Present for the service were Mmes. McAdams, Kimbell, Hall, Frank and Venus Gillespie, Mort and Frank Hawkins, Bill Woods, Bill Middleton and Minnie Mae Roberson.

Mrs. E. B. Thompson, in company with a group of ladies from the Turkey OES chapter, attended an Eastern Star meeting this week at Houston.

Best Wishes For The Success And A Cordial Welcome To

Quitaque Elevator

Our thanks to George A. Setliff for bringing to Quitaque the new grain elevator. We welcome this new industry which will be a real help and service to the farmers in this area and an asset to the business interest of Quitaque.

Congratulations and best wishes for the success of this new enterprise are offered by the following merchants and business men of Quitaque:

venience are outstanding features of the new fountain, and beauty is no small feature of it.

The carbonated water draft arms are equipped with new patented lucite nozzles, it has 50-gallon ice cream storage capacity, 10 syrup pumps and jars, and other fruit jars, all chromium covered, chipped ice compartment, dishes vat with running water, extra large drain boards.

It's a dilly—and the Burgesses are really proud of it. They are working day and night to get it installed and hope to have it ready to operate by Saturday.

KENT HOMEMAKERS CLUB

The Kent Homemakers Club held their regular meeting October 10 in the home of Mrs. Charles Gowin, with six members present.

The afternoon was spent doing hand work.

Refreshments of sandwiches cake, coffee and hot chocolate were served.

The next meeting will be in the home of Mrs. H. K. Carpenter on Oct. 31.

Mrs. J. K. Patrick and son Virgil and Mrs. Mary Hall were in Plainview Tuesday and visited Miss Abbie Hawkins who is receiving treatment at the sanitarium there.

GASOLINE NEWS

BUSY BEE CLUB

The Busy Bee Club met Friday Oct. 18, with Mrs. L. J. Bedwell as hostess. The afternoon was spent crocheting and doing handwork. Ten were present and enjoyed the delightful refreshments of sandwiches, olives, cookies and punch.

The next meeting will be Nov. 1 with Mrs. Glynn Morrison. Each will bring handwork to do and roll call response will be "A task I have disliked, and how I have tried to overcome the dislike."

Visitors in the T. L. Bradshaw home Sunday were Mr. and Mrs. H. T. Bradshaw of South Plains.

Mr. and Mrs. A. V. Frye of Oklahoma City and Mrs. R. D. Finney of Davidson, Okla., sister and mother of H. B. Finney were week end visitors in the Finney home.

Mr. and Mrs. John King and children spent Sunday visiting his parents and other relatives in Paducah.

From where I sit... by Joe Marsh

On Playing the Fiddle Badly

A favorite recreation in our town is getting together in one or another's home and making music. There's somebody at the piano; a guitar; a fiddle player; and Molly Birtles even has a harp!

What comes out isn't the best music in the whole world. In fact, a lot of it is downright bad. But nobody even thinks to question or to criticize.

Because the spirit of harmony is there—harmony between folks who like each other's company, who enjoy the simple, homey atmosphere

—with nothing more exciting than songs, and a glass of moderate beer or cider.

From where I sit, it's a heap more important to be a poor fiddle player, than not to play at all. More important to be a part of the American scene—with its community music, home entertainment, friendly glass of beer—than to hold out for professional perfection. (Besides, I like to play the fiddle—even badly!)

Cracken and children and Melvin of Mr. and Mrs. George Lay and Carter were dinner guests Sunday Emanuel, at Quitaque.

NEW PACKAGING for PARTS

Another Example of Better GMC Service

When you have your truck GMC-serviced, you get the benefit of a new GMC idea. Instead of bulky wooden crates, almost all GMC parts . . . large and small . . . are now packed in sturdy, streamlined fiberboard containers. These lighter yet extremely strong cartons afford parts far better overall protection in shipment and stock . . . they are more easily handled and conveniently stored . . . thus assuring you of replacements that are in A-1 condition. You get more for your truck service dollar, in every way, when you get GMC service.

FLOMOT 4-H CLUB MEETS

The Flomot 4-H club met October 22 at 1 p. m. in the school building. Officers elected for the new year are: President, Barbara Jo Calvert; vice president, Rheba Jean Meyer; secretary-treasurer, Alma Reed; reporter, Bettie Faye Logan; sponsor Inez Gilbert; recreation leader, Boutonne Cromer.

The agent, Miss Mary Cooke gave a demonstration on making aprons and what should be in a well equipped sewing box.

There were twenty members present and the sponsor, Miss Gilbert, and the agent, Miss Cooke.
