

THE QUITAQUE POST

YOUR HOME-OWNED NEWSPAPER

VOLUME XX

QUITAQUE, BRISCOE COUNTY, TEXAS

THURSDAY, OCTOBER 31, 1946

5c Per Copy

NUMBER 41

LOCAL BRIEFS

A daughter was born last Thursday, Oct. 24 at a Matador hospital to Mr. and Mrs. Floyd Shannon. The little girl was named Sharon Jean.

A daughter was born at a Matador hospital Friday evening to Mr. and Mrs. Warren Payne. The little girl was named Carol Lynn and she and her mother are doing nicely.

Venoi Cain underwent an emergency appendectomy Wednesday at a hospital in Denton where he is attending NTSC. He was reported today (Thursday) to be getting along well.

Clarence Wise went to the Plainview sanitarium Saturday evening, where Monday he underwent an appendectomy. He is getting along fine, it is reported. His daughter Mrs. Buster Qualls of Albuquerque, N. M., is with him.

Mrs. J. H. Simmons, Miss Mary Simmons and Dr. Tout took Mrs. Lyons as far as Amarillo Monday, from where she returned to her home at Laurens, Iowa. She had been visiting her mother and her sisters.

News item we missed last week was a fishing trip to Buffalo Lake—a successful fishing trip—which included Ulyses Coker of Turkey, Frank Wise, Marvin and Byron Wise and Edgar Morrison. They reported a catch of about 300 pounds most of which they brought home for immediate consumption and to ice down in the locker for future feasts.

COLORADO VISITORS

Mr. and Mrs. E. W. Tibbetts returned home Sunday night from Durango, Colo., where they visited their son George and family. They went by Santa Fe, N. M., and took their daughter Mrs. Frank Burnett and small granddaughter with them for the visit. Otis Purcell also went with them, with the intention of bringing home a deer, but they did so much visiting—they said—that they missed their deer. However they had a very enjoyable visit. And by the way, it's fortunate that those Colorado Quitaqueans grow orchards full of apples and gardens full of cabbages and taters, and woods full of deer and turkeys, and irrigation ditches full of fish—they need it to feed the constant stream of visitors from Texas.

BASKETBALL GAMES

The school girls ball team was defeated Monday night by the outsiders team, by two points. The girls put up a good fight and a tight game ended with the outsiders 23, school girls 21.

Billie Rae Hutcheson was high point player scoring 18 points.

Playing on the school team were Betty Rae Adkins, Billie Rae Hutcheson, Margaret Owens, Patsy Stark, Ima Lee Morris, Roxie Price, Marjorie Crabtree, Betty Hamilton, Sue Barrett, Rinkey Holcomb and Una Lee Duck.

On the outsiders team were Violet Kaneen, Joyce Duck, Margaret Hamilton, Lela Faye Morrison, Mrs. Jim T. Witcher, Snow Chandler.

In the boys' game the Panthers were defeated by only one point Monday night by the outsiders, the score being 28-27.

Playing on the outsiders team were Rudell James, Travis Morrison, Earl Morrison, J. T. Rogers, Jr., Joe W. Bailey, C. E. Anderson, Jr., and Emanuel Lay.

On the school team were Lit Bogan Roy Grundy, Arthur Patrick, Glenn Hamilton, Poss Hamilton, Ernest Barbee, Truman Merrill.

NOTICE TO SUBSCRIBERS

Many local subscriptions expire in November. Please check the date stamped on your paper beside your name.

Women of the Methodist church are again soliciting subscriptions and the first two weeks in November have been allotted their campaign. If you wish to place your renewal through them, please see them during this period, from Nov. 1 through 16.

We appreciate your cooperation and are always happy to have your renewals.

Legion Selects Name For Quitaque Post

At the meeting Tuesday night of the Quitaque post of the American Legion, election of officers was held and a name was chosen for the post.

Wise-James Post was selected for the name, in honor of Glen Wise a veteran of World War I, and George James, who lost his life in World War II.

Officers elected were Commander, James Brunson (re-elected), First Vice Commander, Jake Merrill, Second Vice Commander, O. C. Love; Third Vice Commander, Rudell James; Adjutant, Morris Wilson (re-elected); Finance Officer, Tom Persons (re-elected); Chaplain, A. L. Shaw (re-elected); Historian, Earl Morrison; Service Officer, M. L. Roberson; Child Welfare Officer, Orlin Stark (re-elected); Sergeant at Arms, John T. Reagan.

The Legion post recently purchased the Mullin building from H. E. Mullin of Turkey and meetings are now held in the new hall. The boys have lots of plans for the new building which they hope in time will be realized. At present, they are doing some remodeling, rearranging of the interior and redecorating, doing the work themselves as they find time. The lower floor is rented to the Quick Stop Cafe, which was in operation there when the boys bought the building.

Membership of the post is steadily increasing and they now have 57 members, and have applied for a permanent charter.

Meetings are held each second and fourth Tuesday night in the month and all ex-service personnel are cordially invited to attend whether they belong to the Legion or not.

BIRTHDAY PARTY

About twenty-six young people gathered at the home of Mr. and Mrs. Joe Woodruff last Friday night to help their daughter Miss Othelia celebrate her 16th birthday.

The group played outdoor games for a while then moved into the house to entertain themselves at something less strenuous than running.

The honoree received many lovely and useful gifts (among them some large balloons, which pleased her greatly).

Refreshments consisted of a huge birthday cake with 16 candles, hot chocolate, open-face sandwiches, cookies and fruit.

Those present were Lela Faye Morrison, Margaret Hamilton, Patsy Morrison, Margaret Owens, Billie Rae Hutcheson, Rinkey Holcomb, Betty Rae Adkins, Sue Barrett, Jean Thompson, Marjorie Crabtree, Betty Hamilton, Ima Lee Morris, Betty Brunson, Arthur Patrick, Ernest Barbee, Roy Grundy, Glenn Hamilton, Bill Woodruff, Jimmie Follett, Lynn Hamilton, Dean Purcell, Junior Jacobs, Harold Ham, Charles Russell, Jimmie Owens, Bobby Jack Ham.

GOOD APPLES

We received "proof of the pudding" last week and enjoyed the proof very much, thanks to Mr. and Mrs. George Tibbetts of Durango, Colo., who sent us some delicious Delicious apples from their orchard, and to Mr. and Mrs. John Garner who brought them to us.

Mr. and Mrs. Tibbetts told us about their new Colorado home before they moved, and the wonderful orchard of over 100 fruit trees. We didn't learn how large the fruit harvest was, but our sample of it was beautiful and delicious. Many thanks. We fought the grandchildren off those luscious fruit just as long as we could, and then we joined them for the feast. Ummm Good!

Mr. and Mrs. Garner had been to Colorado deer hunting but missed their deer and shot some turkeys.

Mrs. F. M. Sachse left Monday for Amarillo to visit her son Dee Sachse who is in the Northwest Texas hospital there. Dee lost a finger on his left hand two weeks ago, when he injured it in some machinery at his work. Last week it was necessary to remove another finger. His condition is not dangerous, his mother stated, but he had not been getting along so well.

FOOTBALL FRIDAY

QUITAQUE vs. TURKEY

AT TURKEY

Game starts at usual time.

Dinner Is Compliment To OES Worthy Matron

Hallowe'en decorations gave a festive air to the Masonic lodge hall Tuesday night when the Worthy Matron Mrs. E. B. Thompson was named honor guest at a dinner.

About forty members of the Quitaque OES chapter, and guests were present for the occasion. A long table was arranged and the Hallowe'en motif was denoted in the decorations and the menu. Pumpkins, sheaves of grain, autumn flowers, combined with ornaments of black and orange crepe paper were used in attractive arrangements.

The menu consisted of baked chicken, dressing and giblet gravy, cranberry sauce, mashed potatoes, salads, hot rolls, butter, pumpkin and mince meat pies with whipped cream, and coffee.

An appropriate program was presented with H. G. Gardiner as master of ceremonies. Several songs, honoring Mrs. Thompson, were sung. Words for the songs were written especially for the occasion by Mrs. Joe Graham. The welcome song was a duet arrangement by Mrs. Frank Gillespie and Mrs. Roy Burgess. Other songs were by the group. Miss LaJuan Stell presented a reading.

CEMETERY ASSN. DUES SHOULD BE PAID IN NOVEMBER

November is the month for renewal of Cemetery Association memberships by payment of \$3.00 annual dues.

The cooperation of the interested citizens has been excellent in past years, and the result is a well-cared for burial site for our loved ones, that is a source of comfort and satisfaction. Prompt payment of the dues is the only way we can continue this program.

Send your check, or money, to the treasurer Mrs. P. P. Rumph, or leave it with the association chairman, C. R. Badget at the Pioneer Pharmacy.

Mrs. Rumph requests that you notify her if there is an unmarked grave on your lot, or if you know of an unmarked grave on the cemetery site. She is trying to make a new ledger and list every unmarked grave, so that they will not be unwittingly disturbed.

DINNER GUESTS

Sunday dinner guests of Mr. and Mrs. Pete Howard were Mr. and Mrs. Johnnie Cagle of Childress, Mr. and Mrs. Glenn McWilliams, Glynda Ray and Mary Beth of Silvertown, Mr. and Mrs. H. R. Curtis and daughter Joyce Elaine of Flomot, Mr. and Mrs. Leslie Curtis of Fort Worth, Lloyd Curtis and Mr. and Mrs. M. J. Schmidt and daughter Mikie of West Los Angeles, Cal., Miss Sophia Curtis of Amarillo, Mrs. J. O. Davidson and children, Jimmie, Lavada and Freddie, and Mr. and Mrs. H. E. Curtis.

CORONATION OF FOOTBALL QUEEN IN NOVEMBER

The coronation of the high school football queen will take place sometime during the early days of November. It is expected that this will be a swell affair.

All the student body is very excited, so a good time is anticipated by all.

Carnival At Flomot School Friday Night

There will be a carnival in the Flomot school gymnasium Friday night, Nov. 1, beginning about 7 o'clock. There will be fun for all. We are going to have many different things to carry out the tradition of Hallowe'en. Some of these are:

The Toothless Family, The Run-nigest Family, Selling Kisses, Bingo, Haunted House, Forty-two, Table Tennis, Dart Throwing, Doll Rack, Cake Walk, The Country Store, Fishing Pond, and all the things that go with a carnival. There will be an auction to sell articles, and a chenille bed spread will be given away and may other things.

After everything has been sold and the booths closed there will be a Miss Flomot Beauty Contest, of little girls from two to five years of age. The contest is sponsored by the senior class. When the judges have chosen the prettiest little girl, she will be given the "Key to Flomot."

Last of all will be the crowning of the Queen.

We are expecting to have a good time, so everyone come and enjoy the evening with us. Everyone is cordially invited.—Flomot Reporter

COMMUNITY CLUB TALKS OVER FIRE DEPARTMENT

Quitaque Community club held its regular meeting Monday night with V-P Sid Bogan in the saddle, and 20 other interested citizens present.

Several matters were discussed, including purchase of an iron lung, "doing something" about the fire department. The club members present, including Mayor Roberson and other city officials, were of opinion that purchase of a lung at this time and at the present price, all conditions being considered, would be unwise.

Most of the discussion was devoted to the fire department, its equipment and reorganization. Information was given by Bill Middleton, Mayor Roberson and Frank Gillespie, and it seems that all that is necessary to have a formidable fire fighting unit is some repairs to the equipment, reorganization of the personnel (with some real interest) and all of this was promised to be done.

The next meeting of the club will be the second Monday in November which is the 11th, and even a larger attendance is desired than was present last Monday night.

OREGON BRIDES

Mr. and Mrs. Lewis Kimbell and Mr. and Mrs. Ruel Skinner arrived Monday from Hood River, Ore. for a visit with relatives here.

Mrs. Kimbell is the former Miss Helen Moore, daughter of Mr. and Mrs. H. R. Moore, of Hood River. She and Lewis were married October 24. He is the son of Mr. and Mrs. Bryan Kimbell of Quitaque. Lewis returned home in October, 1945, after serving two years and 30 months overseas in England and France. He went to Oregon several months ago to work.

Mrs. Skinner is also a bride, and she and Ruel were married a few weeks before the Kimbells. Before her marriage Mrs. Skinner was Miss Ellen Meyers of Hood River. The couples plan to make an extended visit here, remaining until after the first of the year.

Mrs. Jackie Wofford Wingo has returned to Dallas after a visit here with her little daughter and her mother Mrs. Wofford.

Lloyd Kuykendall Dies In Highway Mishap

Lloyd Kuykendall, 27, of Plainview, formerly of Flomot, was killed instantly Wednesday morning on highway 81 five miles south of Hillsboro, when his truck struck a bridge abutment at Cobb Creek.

Kuykendall, driver for the Wyle Hudman Trucking company of San Angelo, was hauling a load of Mexican cattle from San Antonio to Fort Worth.

Sheriff Ralph Allen of Hill county said Kuykendall was thrown onto the pavement, his cab was ignited and the trailer landed upside down in the creek. Nearly all of the cattle were killed or drowned.

Funeral services will be held Saturday afternoon at 3:00 o'clock at Flomot Baptist church.

He is the son of J. L. Kuykendall, Flomot merchant, and Lloyd's wife, the former Miss Irene Ham, is teaching in the Plainview schools. Information is not available at press time for a more detailed obituary, which we hope to have for publication next week.

NEW FLOWER SHOP OPENED IN QUITAQUE

Mr. and Mrs. Watson Douglas have opened a new floral shop in Quitaque. The shop is located on the north side of Main street, just west of Stell & Persons. They had the shop open and ready to operate Saturday, but did not announce it last week, because they were not sure that their cooling unit would be installed in time to announce operation that soon.

The shop here will be operated in connection with the one at Silvertown which they opened several years ago. They have cut flowers, artificial wreaths, potted plants, and everything you might need or desire in the flower line. They can take care of your flower orders, whether you need a single bouquet or flowers for a big occasion.

Mrs. Douglas is in charge of the shop here, and when the need arises, she will be assisted by her sister Mrs. Orlin Stark, or Miss Patsy Stark.

They invite you to visit the flower shop, and enjoy their pretty display.

CARELESS HANDLING DAMAGES SCHOOL PIANO

The piano in the school auditorium has just been tuned and repaired from a break, evidently due to a fall from some cause or other. Supt. McAdams announced this week. The cost of repair and tuning was \$25.00. Supt. McAdams says that it is earnestly hoped that whoever has to do with the piano from now on will handle it with care, remembering that it is the property of all the people, and as such deserves the consideration of everyone.

Visitors Sunday in the Clyde Tunnel home were Mrs. Tunnell's sister Mrs. Grover Ingram, and her daughter and family Mr. and Mrs. Bill Johnson and three sons, of Amarillo.

Mrs. Charlie Gamble and son Jerry Dean came in last week from Amarillo for a visit with relatives here.

Tuesday Is Election Day Your Vote Is Important

Tuesday, Nov. 5 is Election Day, and voters are reminded that they have an important choice to make in this election. Several amendments to the state constitution are offered, and one in particular is important to people of rural areas. Elections are surprising sometimes and when you think there is enough favorable opinion for your side of the question to carry without your troubling to vote, frequently you learn, too late, that many were as disinterested as you and the opposition carries.

Much effort has been extended throughout the state to impress voters of the value of the "Good Roads Constitutional Amendment" which will be on the ballot Nov. 5. An explanation of this amendment and three other amendments to the State constitution which will come before the people for vote next week, which appeared in the Oct. 24 issue of the Star-Telegram is reprinted here:

The four proposed amendments to the State Constitution which will be submitted to the voters in November, command the full consideration of the people so that there will be an adequate, intelligent expression at the polls on issues of widespread importance. Three amendments will be on the ballot of the general election Nov. 5, and a fourth, the creation of a veterans' land board, will be submitted two days later because of a clerical error in transcribing the date of the election.

The highway fund amendment, which has been indorsed by many civic organizations, including the Texas Good Roads Assn., is deemed the most important by its sponsors. It would prevent the diversion of motorists' taxes to non-highway purposes by freezing the present allocations. That is, schools would continue to receive the revenue from one cent of the gas levy, and 3 cents would go to highways as in the past. Counties would still benefit from allocations for retirement of their road bonds.

Stability in revenue for highway purposes is necessary to enable the State Highway Department to plan its road program years ahead in order to qualify for federal aid, which is unequal amount to state expenditures. This overall program includes both cardinal highways and farm to market roads. A diversion of highway taxes to other purposes would reduce this amount of federal aid to the advantage of other states, and the application of motorists' taxes to road building and maintenance is fundamentally sound and equitable. Future diversion of this revenue would return the burden of highway financing to the shoulders of the property owners. It is difficult to see how the voters could fail to approve the highway fund amendment, the wisdom of which has

ELECTION DAY

(Continued From Page 1)
been fully established by experience.

A second amendment to be submitted Nov. 5 would authorize the state and local government units

to provide retirement, disability and death benefits for appointive officials and employees.—The sole question raised by the amendment is whether the people wish the benefits of social security, which are provided other employees, to be

So he's

an electric eel, so watt?

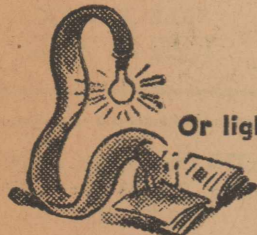

All right, then, he r-eel-y isn't an eel at all, if you want to be technical. His name's Electrophorus (Gymnotus) Electricus—Jim for short. He's a South American cousin of the carp and catfish.

Maybe Jim does pack a wallop of 600 volts when he's hungry or annoyed (and he has a shocking temper)—BUT—

Can he wash 3 tubs of clothes?

Or tell the correct time for 4 days?

Or light a hundred-watt bulb for 3 hours— for a penny?

You bet he can't. He's not usefully eel-ectrified. Frankly, you'd better flip a switch if you want convenient, dependable electricity—all you need—at low cost.

And speaking of low cost—did you know that the average family is getting twice as much electricity for its money as it did 15 years ago? That's no accident—like Jim and his temperamental voltage. Folks in this company have done a good job under sound business management. That's why your electric service is lower in cost—and higher in efficiency—than ever before.

West Texas Utilities Company

provided for appointive officials and employees of state and local government. If social security is sound, workers in public service should be included in its scope.

A third amendment to be submitted at the general election would authorize the payment of \$75,000 for a building at John Tarleton College, Stephenville. Provision for payment for the building was made before its construction in a college appropriation bill, passed by the Legislature, but the section was omitted through error in copying, from the bill signed by the governor.—The only way to rectify a mistake and pay for a building which has been accepted and used by a state educational institution, is by approval of the amendment.

Two days after the general election, a special election will be held to submit the veterans' land amendment. It would create a board, composed of the governor, attorney general and land commissioner to administer a fund which would be created by issuance of \$25,000,000 in state bonds. Legislative authorization would be necessary before the bonds could be issued. The receipts from the bonds would be devoted to purchases of land for veterans of World War II, and the land would be sold to them at low cost and interest rate.—This amendment fills a gap left by Congress in the veteran aid program and in the case of Texas veterans they would be offered the opportunity to become farmers and ranchers.

FLOMOT NEWS

By Mrs. Bernice Gates

Mr. and Mrs. B. J. Jones have returned home after a five-weeks visit with relatives in Wichita Falls, Fort Worth, Dallas and Galveston.

Mr. and Mrs. George Dee Stapleton and son of Denver, Colo., and Mrs. Lula Gilbert of Dallas spent the week end in the Ralph Stapleton home.

Mr. and Mrs. S. A. Tibbetts of Roswell, N. M., were recent visitors in the home of Mrs. G. R. Tibbetts and Mr. and Mrs. L. B. Turner.

Ima Nell Gunn and Delores Welch, students at WTSC, visited in their homes over the week end.

Irene Marler has moved to Amarillo to begin work in the O. T. department at the veterans hospital there.

Pfc. Richard F. Turner of Scott Field, Ill., arrived home Sunday, Oct. 27, with his discharge. He had been in the service two years and 19 days. He served with the air corps, having returned from Puerto Rico the last of May.

Mr. and Mrs. Bill Sudduth and family of Burkburnett visited in the James Monk home Friday night and Saturday.

Mr. and Mrs. Raby Webb of Matador visited Mr. and Mrs. W. H. Webb Sunday evening.

Mrs. R. L. Anderson visited and attended church with Mrs. J. W. Hadaway at Quitaque Sunday.

J. L. Speer, W. H. Webb and R. H. Tanner attended the cotton hearing at Lubbock last Friday. Six congressmen were present at the meeting. The hearing was to obtain views of West Texas cotton producers toward farm legislation.

MACKINAW COATS—all sizes, warm and comfortable.—Rogers Variety Store.

Mrs. Ray Persons substituted as primary teacher Monday while Mrs. Jim Stroup stayed in Plainview with her brother Clarence Wise who underwent an appendectomy at the sanitarium Monday.

Our New Soda Fountain

finally arrived and is now in operation.

The latest model All-Dry Bastian-Blessing. Sanitary, convenient and good looking.

We are now prepared to give you better service, and better drinks.

Drop in and try your favorite drink or some of that delicious and nourishing Swift's Ice Cream.

Our cold drink department is complete with our new fountain, new compressor, new carbinator and new booths.

Watch our window—if your name appears you will be served a free drink from our new fountain. Three names will appear each day, except Sunday.

All students are invited to come in and register so none will be missed and we will explain how these names are chosen.
