Quitauque OES Chapter Hosts At Banquet

The Quitauque chapter, Order of Eastern Star, were hosts last Friday night at a delightful affair with the members of the Masonic lodge and their ladies as guests. A delicious banquet of tomato cocktail, chicken and dressing, cranberry sauce, mashed potatoes, peas, salad, rolls, cherry tarts and coffee was served to about 65 members of the chapter and guests.

Two long tables were arranged, covered with white cloths and decorated with red cellophane garlands and cherries. Centerpieces were pots of imitation cherry boughs, fashioned of green twigs and candied cherries. Place cards were silhouettes of George Washington, with the menu and program hand printed on them.

Informality was the theme of the evening's entertainment and the program furnished plenty of fun. A radio quiz was held with Mrs. Cora Gragson as the alert master of ceremonies. Every guest was called to the microphone to answer a question correctly, or pay the consequences, and the result was hilarious. W. J. Rice and Mrs. W. R. Scott were awarded prizes for furnishing the most amusing consequences.

Out of town guests were Mrs. John Adamson, district deputy grand matron, and Mr. Adamson, of Turkey, and Mrs. T. E. Long of Matador.

EX-SCHOOL MATES HAVE PLEASANT REUNION

A delightful get-together was enjoyed at Rhoderick hotel Saturday night of a number of former schoolmates of Quitauque HI, of the classes of 1939 and '40. Advantage was taken of the visit here of several ex-students from their homes at various places.

Mrs. Clayton Johnson of Brownsville was hostess for the occasion, and served refreshments of cake and hot chocolate. It was the first time since graduation that the group had visited together and a very enjoyable evening was spent reminiscing and displaying the young offspring.

Those present were Mr and Mrs. Richard Tibbets and two children of Lubbock, Mr and Mrs. Bob Grundy of Austin, Mr and Mrs. J. C. Rhoderick, Jr., and Jimmy, Mr. and Mrs. Walter Taylor, Mr and Mrs. Harold Bogan and Carolyn of Denton, Mrs. Bungy Rhoderick and Barry of Clovis, NM., Mrs. Johnson and Tommie Lou.

Mrs. Walter Cobb, Mrs. Celia Slayton, W. I. and Allen True were called to Dallas this week to attend a brother, Jake True of Forestburg, who is critically ill in Baylor hospital, at Dallas. W. I. True returned home Tuesday and reported that his brother's condition was unimproved.

Last Rites Monday For Betty Pointer

A saddened community stood with bowed heads Monday afternoon, as pretty young Betty Jean Pointer left Quitauque school building for the last time. Betty Jean was another youthful victim of a highway accident, whose mounting toll is appalling to parents of young boys and girls of America. Injuries received in the crash Thursday afternoon of last week, when the driver of the Chrysler New Yorker club coupe belonging to Dilly Pierce, 38, of Quitauque, lost control and the car rolled over several times on the highway a mile west of Silverton, proved fatal to Betty Jean.

The other two occupants of the car were not seriously injured. Shirley, 14 year old daughter of Mr and Mrs Harve Foster of Quitauque, was given first aid at a Silverton drug store, then taken to Tulia hospital where she was treated for a fractured collar bone, and other slight injuries and dismissed.

No definite information is available of the extent of Pierce's injuries. After treatment at the Tulia hospital immediately after the accident, he was dismissed and was reported later to be receiving treatment at the veterans hospital in Amarillo.

Thrown clear of the car and several yards from where it stopped rolling, the body of Betty Jean was lying on the pavement. After preliminary examination at the Tulia hospital where she was taken by the Silverton ambulance, she was removed Thursday night to the Plainview hospital. She never regained consciousness and died at midnight Saturday, Feb. 21.

Betty Jean, the daughter of Mr. and Mrs. Elmo Pointer, was born December 31, 1931 at the family home east of Quitauque. Just 16 years old, life was snatched in a tragic manner from this sparkling young girl whose lovely features and happy gay disposition gave promise of a bright future.

Funeral services were held in the school auditorium which overflowed with the throng of sorrowing friends. Betty Jean was a member of the junior class, and her classmates attended her in the last rites.

Pallbearers were Glen Hamilton, Bobby Slayton, Earnest Barbee, Kenneth Hamilton, Wesley Bull and Ray Doyle Ramsey. Flower girls were Sue Barrett, Shirley and Mildred Foster, Alpha Mae McFall, Ima Lee Morris and Johnny Boyles.

Rev. Roscoe Trostle, pastor of the Quitauque Methodist church where Betty Jean attended Sunday school and was active in the Youth Fellowship group, officiated at the service assisted by Rev. C. W. Parmenter of Turkey. Burial was in Quitauque cemetery under direction of Stewart Funeral Home.

Survivors besides the parents are two brothers Billy Joe and Jimmy Pointer, the grandparents Mr and Mrs. R. A. Clark of Olton and Mrs. Nettie Pointer of Amarillo, a number of uncles and aunts and scores of friends.

Out-of-town relatives and friends here for the last rites included Mr and Mrs. E. A. Clark and son Donald, Mr and Mrs. Tom Whisenhunt and family, Mr and Mrs. J. P. Whisenhunt and family, all of Olton; Mrs. Tom Oglesby and son of Leedy, Okla., Mr and Mrs. I. W. Oglesby and family of Seagraves, Mrs. Nettie Pointer, Mr. and Mrs. Walter Hobbs and son, Mr. and Mrs. Henry Payne and family, all of Amarillo; Mr. and Mrs. E. B. Pointer and son of Long Beach, Cal., Mr and Mrs. J. B. Pointer and family, Mrs. Luie Holloway and daughter, of Lubbock; Mr and Mrs. C. T. Clark and family of Hart, Mr and Mrs. J. H. Childers of Cisco; Mr and Mrs. Guy Smith, Mr. and Mrs. Leon Lane and Mrs. P. T. Clark of Turkey.

Mrs. A. B. Ramsey returned home Monday night from Arlington where she had been with her daughter, Mrs. Esker Curtis, and Mr. Curtis' sister Mrs. Johnny Cagle has gone to Arlington to visit for a while. Mrs. Curtis is improving nicely from a very serious illness.

Mr. and Mrs. J. B. Baird drove to Childress Monday and returned home with his mother Mrs. Sarah J. Baird who has been ill. Her daughter Mrs. Faust and young son of Dimmitt are also here helping to care for her.

Mass Meeting Called To Discuss Road Issue

A mass meeting of the tax payers of road precinct No. 6, Briscoe county, has been called for Monday, March 1, to discuss and get the sentiment of the property owners of the precinct regarding a bond issue for the construction of paved farm-to-market roads.

Particular projects to be discussed is a road south from the highway at Quitauque gin to the county line, and also filling the gap from Gasoline south to the county line. A state highway engineer from the Floydada office will be present to give estimates on the cost of construction and other information pertinent to the program.

Everyone interested in a road building program, whether for or against a bond issue, is urgently requested to attend the meeting. If we are ever to have any roads in Quitauque area the people are

going to have to build them. Once built, the state will take them over and maintain them.

Full expression of opinion of the voting taxpayers of the precinct is what is desired at the meeting and regardless of your sentiments you should be present and express them.

Should it develop at the mass meeting that the people are in favor of such a road building program a petition in proper form will be drawn up and presented to the commissioners court asking that a bond election be called.

So have the wife remind you of the meeting Monday afternoon, then come and bring her with you. The more people present the better a representative expression may be had.

The meeting will be at the Le-gion hall at 3:00 p. m.

BASKETBALL NEWS

The latest in basketball is the Turkey Invitation Tournament for juniors—those who were not 15 years of age by May 1, 1947.

Quitauque entered both A boys and girls teams. The Quitauque lads drew a bye for the first round. This was hard luck for it excluded them from the chance of entering the consolation series which we believe they would have won if they had entered. As it was, they played Turkey, a strong contender for boys first place and winners of second place. The Quitauque quintets played good ball but were unable to overcome a heavy first half lead by the Turks, and were consequently out of the tournament at the close of the game.

Turkey won second honors while Lakeview beat her out of first place. Silverton had consolation honors.

In the girls series Quitauque, without either Price or Witcher played her first game against the Matador sextette. At the end of the half the score stood 10 to 2 for Quitauque. At the close of the game the score was 11 to 10 for the other team. Now figure that out! From here the sable-suited misses from Matador marched merrily on to take top trophy after trouncing the Lakeview lassies in the finals.

In the consolation series Quitauque girls who now had Price with them met both Silverton and Estelline. In these two games the Quitauque combined score was 36 while that of their opponents was 6. In their 3 games gold suited gals had chalked up 46 markers to the opponents 17. Bedwell led the scoring for the Cap Rock juniors in all three games. Capt. Price accepted the second trophy for her team this season.

An added feature of the tournament was a game between the A girls teams of Turkey and Quitauque. The bout closed with a margin of 4 points in favor of Quitauque.

MRS. HAM HOSTESS

Mrs. C. C. Ham was hostess at her home Tuesday night to the meeting of the Methodist W.S.C.S. A very nice group was present despite the inclement weather. In the absence of the president—and other officers down to the treasurer, Mrs. Mort Hawkins, the retiring chairman, presided at the business meeting.

Mrs. Roscoe Trostle led the devotional. She presented a pretty worship center in keeping with the study theme of race relations. Mrs. Mort Hawkins and Mrs. Alton Johnson gave interesting talks on the motive power of Christianity in several foreign countries.

The hostess served delicious refreshments of chicken salad, wafers, potato chips, olives, pickles, date pudding topped with whipped cream, and coffee.

BUSY BEE CLUB

The Busy Bee Club met Friday, Feb. 20 in the home of Mrs. W. E. Helms. Nine members were present and the afternoon was spent answering quiz questions and spelling. Everyone had lots of fun.

Refreshments of sandwiches, pie and coffee were served by the hostess.

The next meeting will be March 5 with Mrs. John King as hostess. The group is still piecing quilts.

Heed Safety Rules When You Drive

A safety check may save your neck!

That was the terse advice offered today by W. J. Elliott, Chief of the Texas Highway Patrol, in urging motorists to keep the safety equipment of their cars in tip-top shape.

"We are cooperating with safety authorities throughout the nation in a 'Learn and Obey Traffic Laws' program during February," Chief Elliott said. "The law requires that your car have certain equipment for safety, and it's there when the manufacturer delivers the car. But it is up to the driver to keep it working properly."

He said National Safety Council figures show that 18 per cent of all vehicles involved in fatal accidents are defective. A recent nationwide police check-up showed one out of three cars defective, and one out of seven with bad brakes.

The major safety equipment was listed as brakes, lights, mirror, windshield wiper, horn and safety glass. Many of these items will wear out or become damaged with use, and the motorist must see that they are maintained in good condition.

"Periodic inspection by trained mechanics is the answer," Captain Polk Ivy of the Amarillo District said. "Professional drivers, such as truck drivers, inspect their vehicles before every trip. That's a good idea for every driver, and it would save a lot of lives."

If you want to do a good turn for yourself and your fellow motorists, learn the proper way to make a right turn while driving your car.

The law on making a right turn was explained today by W. J. Elliott, Chief of the Texas Highway Patrol, in cooperation with a nationwide "Learn and Obey Traffic Laws" program during February.

The program seeks to reduce the huge motor vehicle accident toll by familiarizing the public with traffic laws and the necessity for obeying them.

"A right turn is one of the simplest of maneuvers in an automobile, yet turning errors are reported in about 5 percent of all accidents," Chief Elliott said.

He emphasized these points:

1. Keep as close as possible to the right edge of the roadway both before and after turning. Don't swing out.
2. Don't forget to make the hand signal well in advance of the turn.
3. Anticipate the turn far enough in advance so that you can be in the proper lane. This means keeping your mind on your driving.
4. Keep close to the right after turning to cause a minimum of interference with the traffic flow you are entering.

BIRTHDAY DINNER

Mr. and Mrs. J. B. Castleberry were hosts to a birthday dinner Sunday, February 22nd, when a group of relatives gathered at their home to celebrate the 71st birthday of Mrs. Castleberry's mother Mrs. J. B. Chandler of Lockney, who's birthday comes on February 23rd.

The menu consisted of chicken, dressing, baked ham, pork roast, green beans, peas, salads of various kinds and a big birthday cake.

Those enjoying the occasion were Mr. and Mrs. Bobbie McAninch and Gary Bob, Mr. and Mrs. J. H. Chandler, June, Jane and Johnnie, Mr. and Mrs. Ed Chandler and Gerald, Mr. and Mrs. Carl Chandler, Carol, Cathie and Barbara, Mr. and Mrs. Glen Cooper and Teddy Bob, and Cody Boggs, all of Lockney; Mr. and Mrs. Otis Purcell and Otis Dean and Mr. and Mrs. O. C. Love of Quitauque; Miss Margie McKay, Mr. and Mrs. Dale Garner, Jerry and Dale Lynn, Mr. and Mrs. Howard Castleberry, Chan and Chip, the host and hostess and the honoree.

The afternoon was enjoyed by just talking and visiting.

BAPTIST CHURCH SPEAKER

A note from Rev. David Kendall, at Plainview, advises us that the speaker for both services at the Baptist church Sunday will again be a member of Wayland college staff. Mr. Kendall says:

Mr. George Stokes, head of the speech and music department of Wayland College, will speak at First Baptist Church both services Sunday, February 29.

BRISCOE COUNTY PIONEERS BURIED AT SILVERTON

Silverton—Funeral services were held at 3 o'clock Tuesday afternoon for Jim Bomar, 62, pioneer resident of Briscoe county. The Rev. G. A. Elrod, pastor of the First Baptist church officiated, assisted by Rev. Hamilton of Plainview.

The Plains pioneer died sometime Sunday night from a heart attack.

He is survived by his widow, two daughters, Mrs. R. S. Brown and Mrs. Luther Gilkeyson; two brothers, Dick Bomar and Ray C. Bomar, all of Silverton; and one sister of Los Angeles.

Last rites were held Sunday afternoon, Feb. 15, at Silverton for R. M. Hill, 74, a Briscoe County pioneer who had made his home in Silverton since coming to this county in a covered wagon in 1896. Mr. Hill succumbed following a short illness.

Services were conducted from the Methodist Church with Rev. Grady Adcock, pastor, officiating. Rev. Adcock was assisted by Rev. G. A. Elrod and Earl I. Cantwell.

Robert Monroe Hill was born April 23, 1874 in Cross Timbers, Hickory County, Missouri, the son of Rev. and Mrs. W. B. Hill. Rev. Hill was a Methodist pastor.

In 1893 Mr. Hill was married to Millie C. Bailey and it was in this year that he and his wife came to Briscoe County to settle. To this union were born 12 children, eight of which were boys, four were girls.

A friend that had known Mr. Hill for many years said, "Briscoe County lost one of the best men who has ever lived here." Though the community suffers a loss, Heaven has gained.

Mr. Hill is survived by his wife, Mrs. Alma Hill, whom he married January 24, 1926, and 10 children: Two girls, Mrs. Bertha Burson and Mrs. Zella Childress; six boys, Buel, Jessie Richard, Robert, Hoy and Bailey; Two step-daughters, Mrs. Mildred Burson and Mrs. Gwendolyn Dickerson; 25 grandchildren 23 great grandchildren many other relatives and a few friends.

CORRECTION

Some confusion has arisen to an error in the publication of E. A. Puckett was published in the issue of the Quitauque headline on the article read "For Re-Election" for which the editor and not Mr. Puckett is responsible for this mis-statement.

Mr. Puckett took missioner of precinct pointment in April, vacancy left by resigning. He is asking for elective term.

LEADING THE WAY INTO A NEW GOLDEN ERA...

Oldsmobile, America's oldest motor car manufacturer, is now the first to mark its Golden Anniversary. In celebration, Oldsmobile announces an entirely new and greatly advanced 1948 model... the FUTURAMIC OLDSMOBILE.

FUTURAMIC OLDSMOBILE

FUTURAMIC Club Sedan (White sidewall tires at extra cost.)

For 1948... The Big News Is The New Olds! A brand new Oldsmobile "98" is here today! It's the first of the Futuramic cars... introducing the first of the eagerly awaited new "postwar" Bodies by Fisher. It's Oldsmobile's Golden Anniversary model—and carries to a new high the Oldsmobile tradition of smartness!

When you see this Futuramic Oldsmobile, you'll realize what important news it brings. There's style news in its clean, flowing Futuramic lines—its modern simplicity inside and out. There's safety news in the greater visibility provided by the new, low hood design curved windshield, and extra size windows.

There's welcome news for passengers, too, in the lower, wider, roomier Futuramic body. And there's good news underneath the hood—a new high-compression head which adds extra horsepower to Oldsmobile's famous 8-cylinder engine.

Naturally, this brand new 1948 model offers Oldsmobile's fully proved Futuramic feature—GM Hydra-Matic Drive*. Here's driving at its ultra-modern best. No clutch pushing—no gear shifting—just "step on the gas and go!" You go smoothly... comfortably... with thrilling performance... the Futuramic, Hydra-Matic way.

See the Futuramic Oldsmobile "98"—the colorful new Dynamic Oldsmobile "60" and "70"—on display in our showroom.

RADIO? No comedians, news, symphonies, dance bands, no "Hour of Charm," no radio—without electricity.

MOVIES? Electricity screens 'em, keeps 'em moving, makes 'em talk, and even keeps the customers cool!

X-RAY? The X-ray itself is actually a special kind of electricity—and that's no rib!

TELEPHONE? Electricity carries your voice along the wires and rings the bell at the other end.

TROLLEY CARS? Horses pulled 'em once, but electric horsepower does a faster, better job.

HOME APPLIANCES? Electricity makes 'em work—heats, cools, freezes, lights, cleans, entertains—and then some!

How many of these need electricity?

You're right. All these—and many other good things of modern life. In a recent Gallup poll, Americans named electric service as one of the most important inventions of all time.

Dependable electric service is available to customers of the West Texas Utilities Company at bargain rates... rates which, to residential consumers, are 17% less than they were ten years ago.

The bride's costume was a white woolen street length dress with brown and gold accessories. Her corsage was an orchid.

Mrs. W. R. Coffey, Grand Prairie, and Miss Jessie Parsons, Dallas, were bridesmaids. Ray Coffey was groomsmen and Jim Ross, Dallas, brother of the groom, served as best man.

The bride was graduated from attended Texas State Teachers Matador high school in 1946 and College, Denton, and Texas Tech, Lubbock. Mr. Ross graduated from Willow high school, Willow, Okla., and attended Mangum Jr. college. He served 3 years in the U. S. army part of which time was spent in the European theatre of war.

After ceremony the couple left for a short wedding trip to Galveston and Corpus Christi. For going away the bride wore a brown gaberdine two-piece suit with matching accessories. The couple will make their home at Flomot where he is engaged in farming.

This And That About One Thing and Another

For the past several weeks we have published a series of traffic rules and regulations issued by the state highway department. Read them, heed them, and insist that everyone in your family who drives reads them. Every possible method of reducing traffic accidents must be employed, and the best way is education. If you do not know how to drive correctly, you should learn, or stay off the highway. Ignorance of traffic rules endangers not only your life, but the lives of others.

Two new subscriptions were added to our list this week, both gifts. Mrs. O. E. Hutcheson subscribed for her son Fate and family in Amarillo, and Mrs. Kerr Hamilton is sending the paper to her daughter Margaret (Mrs. Jack Meeks) also in Amarillo, for a belated birthday gift.

How do you ladies like the recipe idea? Are you trying those we have printed? We know several have because they're kind enough to tell us about it. We're getting more comments than recipes, and we welcome both. Some of our old-timers who have moved away might take the hint (from Mollie Chambers) and send in some of their favorites. This week we're printing the hot roll recipe for "busy people" that Mollie says gives her such good results. If she has time for them in her busy life, then we should be able to manage a pan or two occasionally. And we recommend Mrs. F. C. Benson's gumdrop cookies. We know they're delicious because we've tried them.

Refrigerator Roll Dough

— Mollie Chambers
1 cup hot water 1 tsp. salt
6 tbsps. shortening ¼ cup sugar
1 cake fresh or dry granulated yeast 2 tbsps. lukewarm water
1 egg, well beaten 3½ to 4 cups sifted flour

Combine hot water, salt, shortening and sugar in a bowl large enough to allow for some rising during storage. Cool to lukewarm, add yeast softened in the lukewarm water. Add the egg and half the flour, and beat well. Stir in more of the flour—enough to make a dough easily handled. Grease top, cover and store in the refrigerator—it keeps 4 or 5 days.

Cloverleaf Rolls

Use Refrigerator Roll dough. Turn onto lightly floured board. Form into small balls. Dip into melted butter or margarine and place 3 balls in each section of a greased muffin tin. Cover, let rise in a warm place until double. Bake in a hot oven 425 degrees F. for 12-15 minutes. Makes 18 rolls.

Refrigerator dough may be made into Parker House Rolls or any of your favorite rolls.

Gumdrop Cookies

— Mrs. F. C. Benson
1 cup brown sugar 1 cup white sugar
1 cup butter or other shortening
2 eggs 2 cups quick oatmeal, toasted
1 cup gumdrops cut in fine pieces
2½ cups flour 1 t. soda
1 t. baking powder ½ t. salt
1 cup coconut.

Mix all dry ingredients together and add to the creamed mixture consisting of the sugar, shortening, eggs and gumdrops. Mix well and drop on baking sheets and bake in moderate oven.
