## This And That About One Thing and Another

The best news of this week—and this month—is the nice shower that arrived late Wednesday evening—and is still lingering. The government gauge registered .39 of an inch early Thursday morning.

Folks, read the advs. and grab the bargains. The merchants have swamped the paper with good bargains this week, and have just about crowded other news out. We are sorry, but we can't let our best customers (the merchants) down, and we're saving all the news items we had to omit to run next week to make room for the bargains. You won't want to miss next week's paper—you might hold a lucky number. Read the City Grocery ad and learn all about it.

There has been a seige of pilfering about town lately which looks like it might be the work of youngsters. The home of Mrs. Inez Garner, across from the City Park was entered, and a few articles were found missing. At the home of Mrs. Simmons, the contents of dresser drawers were pulled out in the floor and a number of treasured items thrown about and articles generally scattered about the house.

A sack of potatoes and one of onions were taken from the back of the Modern Cafe. Jean Chandler said that he had been keeping vegetables and such behind the cafe for months and had never missed a thing until last week.

Just give a fellow a pat on the back and there's no telling how far he'll go. Several weeks ago there was a writeup in the Post from the SCS office, naming Pierce White as the "outstanding farmer" in the county, and Pierce has been scheming ever since to keep that status. Now he has cows which give orange juice. That delicious "Green Spot" orangeade for sale in milk bottles at your grocers, is a White Dairy product. Try a quart.

Sunday, May 2, has been designated as "Soil and Soul Sunday." Determined to impress upon everyone the vital need of saving our soil the conservation service is using every means to bring before everyone the importance of the program.

Declaring that "Conservation is Everyone's Business", the department is sponsoring an educational program, and has enlisted the cooperation of the churches, with a suggested program for observance of May 2, as Soil and Soul Sunday.

The Soil Conservation Office at Silvertown will be glad to furnish pastors of this county with suggested topics for discussion, Bible reference which apply to the subject and other suggestions for cooperation with the program.

Son McCracken has a new car—not quite as modern as his well equipped motorcycle but as slick and smooth as a new one. It is a gift from his grandmother, a 1934 Studebaker, which has been run only 7,000 miles. The car had not been registered since 1940. Bought back in 1934, it was used for a few years, then blocked up and stored away, it simply sat encased in dust until Son and his dad towed it to town Wednesday for a cleaning and tune up. Only two long trips had been made in the car both to see the circus, to Amarillo in 1934 and to Wichita Falls in 1935.

The eastbound Doodlebug was delayed by engine trouble at Quitaque Tuesday and laid over at the station here until after 3 o'clock. A locomotive from Childress was called in to take the train on to Childress.

## SHOWS GRAND CHAMPION AT TURKEY LIVESTOCK SHOW

A number from Quitaque had entries in the Livestock Show held at Turkey last Saturday, and Buster Campbell's Quarter Horses copied the prizes; taking 1st and 2nd places in the two years division, and 1st in the over 2 yrs. group. Ollie Nall's entry took 2nd place in the over 2 years division. Buster Campbell's saddle horse entry also placed high, and his mare was awarded Grand Champion.

LeRoy Hamilton's entry in the Jersey Cow division, placed.

## Will Merrell Buried Tuesday At Flomot

W. A. Merrell, beloved early settler of this area, was buried Tuesday afternoon at 3 o'clock at the Flomot cemetery. Rev. Bob Jameson, conducted the simple graveside rites, typical of those held in the early days, which was the sort of funeral service preferred by "Uncle Will".

Pallbearers were E. W. Tibbetts, Ben Cogdill, George Pigg, Wayne Pigg, Jones Taylor and A. D. Monk. Flower bearers were Jane Hughes, Billye Tibbetts, Mmes. Marion Roberson, Webb Taylor, O. C. Love and Glen Cooper.

Death came unexpectedly about 9 o'clock Sunday night of a heart attack, at the home of Mr. and Mrs. John Wright, at Lelia Lake where Mr. Merrell was staying. He would have been 72 years old on May 9 of this year. He had been in failing health for a number of years.

Born in San Saba county, Will Merrell came to this section with his parents long before the counties were organized. The Merrells were among the first home settlers under the Cap Rock. They came in 1837, settling first at Callahan Draw, then moved to Hale Center for a short period, and returned in 1838 and settled on the Merrell homestead place in Floyd county. Of the family of ten children only five now survive.

Will Merrell and Miss Jennie Pearson were married in Floydada in December, 1901. They had four sons, and Mrs. Merrell passed away in 1916, leaving him with the young children to rear. He was both father and mother to them, remaining a widower until his death, 32 years.

Three sons survive, Willard of Silvertown, Henry of Matador and Walter of Channing. Leonard passed away in 1939. There are six grandchildren; two brothers, J. I. of Plainview and W. W. of Quitaque, and three sisters, Mrs. Rux Eddleman of Estelline, Mrs. O. W. Stroup of Quitaque and Mrs. Pearl Martin of Flomot.

Many old settlers were present for the last rites attesting with their tears to their love for this good man. He was the true frontier type of Christian, always ready to help, sharing of his worldly goods and his physical strength, whenever and whatever the need. His was the strong but gentle character, of few words and ready action, whose steadfastness, courage and integrity laid the foundations for the development of West Texas.

## BIG MATCHED ROPING HERE SUNDAY APRIL 25.

The Quitaque Roping Club is planning big doin's for Sunday afternoon at the local arena. The main event is a matched roping, 10 calves each, Red Whately vs. Billy Kirk. Both these men are top notch ropers and competition will be keen. Also there will be a jack pot roping open to all, all entry fees to be returned in prizes. Admission to both events \$1.00 and kids 35c, tax included.

## CHUCK WAGON DINNER & SHOW

Saturday the 4-H Club boys with their leader W. E. Helms, Sr., were served a chuck wagon dinner by Mrs. Helms in the Helms home. During the noon hour other guests arrived including Mrs. Helms' parents Mr and Mrs J. B. Johnson and niece Miss Patricia Johnson of Lockney, her sister, Mrs. Marvin Bales and children, Don and Jacqueline of Albuquerque, NM.

The leader and club boys, Joe Ed Helms, Robert John Finney, Jerry King, Jerry Hamilton, Stewart McCracken, Jacky and Buddy McFall and Farmer Furr attended the stock show at Turkey. Don Bales accompanied them. They all reported a grand time for the entire day.

## ASSEMBLY OF GOD REVIVAL

Spring revival meeting at the Assembly of God Church began Wednesday night, with the Rev. Owens of Arkansas conducting the services. Services are held nightly beginning at 8:00 p. m., and will continue for two weeks.

Morris Wilson returned home this week from a two weeks visit in Mississippi, leaving Mrs. Wilson there for a longer visit with relatives.

## Meth. Hour Speaker

The editor of The Upper Room, the world's most widely circulated devotional magazine, Dr. Roy H. Short, will be the speaker on The Methodist Hour, Sunday morning April 25th.

Speaking the Sunday before the General Conference of The Methodist church convenes in Boston, Mass., Dr. Short will use as his subject "A Kingdom for Every Man". This is on the same theme for The Methodist Hour for 1948, which is "The Teachings of Jesus and the Presence Scene."

The Upper Room is published by the Board of Evangelism of The Methodist Church and its circulation and popularity testifies to the need it meets in the devotional life of the church, and out of his wide experience as pastor, district superintendent and editor, Dr. Short speaks with the authority of a recognized leader in the field of the devotional life of the church.

This and other Methodist Hour broadcasts may be heard over station KGNC at 7:30 a. m.

PHONE 11 JOHN DEERE DEALER TURKEY

It is, too, when you figure in time and energy and general wear-and-tear! As a matter of fact, with one of the new electric vacuum cleaners now available at your local dealer, one cent's worth of electric service will clean a large rug and five others like it in less time than it takes to drag them into the yard for beating! Let Reddy Kilowatt, your electric servant, lighten the work of your spring housecleaning.

#### FOR ONE PENNY, YOU CAN

Light a 100-watt bulb almost 3 hours, or

run a radio for a whole evening, or

have the correct time for about a week, or

wash 3 full tubs of laundry.

Reddy does dollar duty for penny prices, not only for rug-beating, but for countless other household tasks. It costs much more to make and deliver today, but the average family still gets twice as much electric service for its money as it got 20 years ago.

Yes, the rate for electric service is still low—but not by accident. That's because you're using electricity for more and more tasks. Moreover, the people at your service company have used their skill and experience to make electric service the biggest bargain in your budget.
