NUMBER 16

PICNIC AT ROADSIDE PARK

An outing at Roadside Park was enjoyed Wednesday night of last week, the occasion being in honor of visitors, Mr. and Mrs. A. C. Bickford of Coolidge, Ariz., and Mr. and Mrs. Kelly Tipps and children of Laredo, Texas.

Others present were Mr. and Mrs. Pierce White and Rayburn, Mr. and Mrs. Jake Merrell and Warren Lee, Dr. and Mrs. Shy and Jean, Mr. and Mrs. Frank Gillespie and Linda Kay, Mr. and Mrs. Venus Gillespie, Marion Roberson and Miss Minnie Mae Roberson, Mr. and Mrs. Bill Woods and Billie Jean, and Mr. and Mrs. N. V. Hamilton.

BUSY BEE CLUB

The Busy Bee Club met with Mrs. W. M. Tracy as hostess on April 30th. The club decided to piece a quilt from 3-inch woolen squares. There were eleven members present, ten old ones and a new member, Miss Mildred Wilson, whom we welcome into the club. The hostess showed all of her pretty quilts, some of which were pieced years ago.

After the quilt show refreshments of canned peaches, angel food cake and punch were served. The next meeting will be with Mrs. Marvin Freeman on May 14th.

ICE CREAM SUPPER

The young people's class of the Baptist Sunday school enjoyed an ice cream supper last Tuesday evening, when the girls, losers in a contest, entertained the boys, who were winners. About 25 young people were present and enjoyed games and other entertainment. The girls furnished the cakes and "makings" of the ice cream, but the boys did the turning of the crank, so you figure out who won in that contest.

FAMILY REUNION

A pleasant family reunion was enjoyed Saturday and Sunday in the Roy Burgess home, Mrs. Burgess's brothers and sisters coming here for a visit. From Lubbock were Mr. and Mrs. F. C. Stanley, and sons Fred and Jan, and Miss Johnnie Doris Hollis who is a Tech student. They arrived Saturday to spend the night and Sunday were joined by another brother Mr. and Mrs. J. D. Hollis and children, Margie Lee and Jimmy, and Miss Marjorie Freeman of Munday.

FISHERMEN

Travis, Glynn and Murray Morrison, John King and P. John Monk spent three days last week end at Lake Kemp fishing. They caught about 30 pounds, one of them reported, which is about 6 pounds each, which is an average of 2 pounds per day, per man, which is not enough fish for a good dinner for the editor. However, the "reporter" said that was the most fish he'd caught on a hook in a long time.

Mildred, Shirley and Bobby Jo Foster, Faye and Jo Ann Hulsey, Blackie Stidham, Margaret Owens, and Harold Chase, Mrs. Frank Gillespie and Bro. Trostle attended an MYF meet Sunday at Clarendon.

Juniors Choose Circus For Banquet Theme

The Junior Class presented the annual Junior-Senior banquet last Friday night, using the circus as the theme for decorations. The school cafeteria was decorated with gay, colorful crepe paper streamers hung to form a tent. The tables were decorated with colorful candles and place cards were nut cups in the shape of animals. The menu, program and class rolls were printed in booklets in the shape of tents.

Everyone reported a good time, with plenty of fried chicken, hot rolls, and butter, gravy, peas, creamed potatoes, fresh tomatoes and pickles, ice cream and cake, nuts and mints.

A skit was presented by Don Lewis and Wayne White, advertising the circus and feature attractions. Don presented tickets to the guests.

Supt. McAdams offered the invocation, Curtis Monk welcomed the guests and Earnest Barbee gave the response.

A quartet composed of Sue Barrett, Ina Lee Morris, Alpha May McFall and Jareen Holcomb, accompanied by Patsy Stark, sang a circus song.

Patsy Stark presented several popular musical selections and Jo Dean Bedwell gave some entertaining readings.

The class will be read by Bobby Jack Ham and the class prophesy by Mildred Floster.

All but one of the group were present. Seniors were Sue Barrett, Rinky Holcomb, Ina Lee Morris, Othelia Woodruff, Betty Brunson, Earnest Barbee, Bobby Jack Ham, Tad Persons, Truman Merrell, Poss Hamilton and Arthur Patrick.

Juniors present were: Alpha May McFall, Mildred Foster, Johnnie Boyles, Lynn and Glynn Hamilton, Bobby Slayton, Curtis Monk and Ray Doyle Ramsey.

Other guests were members of the faculty and room mothers, including Mr. and Mrs. Jake Merrell, Mr. and Mrs. Joe Bailey, Mr. and Mrs. Jack Holcomb, Mr. and Mrs. R. H. McAdams, Mrs. Sid McFall, Mrs. C. C. Ham, Mrs. Chester Hawkins and Mrs. Irene Kuykendall.

CHILD SERIOUSLY ILL

Mr. and Mrs. H. W. Hamilton returned Saturday from a week in Fort Worth with their daughter and family Mr. and Mrs. S. L. McKenzie and children. Both of the children have had measles and the little girl, Glenda Joyce is suffering with an aftermath of the illness which is diagnosed as encephalitis, which is a very serious condition. She is reported improving. The Hamiltons were accompanied by their daughters Mrs. R. L. Brunson and Mrs. Bob Eudy who returned home last week.

B&C Implement company has sold and delivered ten new Ferguson tractors since receiving their first one the last of March. They have two more on hand and are expecting delivery of more in a short time. Not bad, for a beginning.

Soft Ball League Plans New Schedules

Batting averages for the Big Six in the Soft Ball League took a turn this week, and Glen Ramsey stepped to the top of the list. Gene Mayfield took 2nd place and Warren Payne stepped up from 5th place to 3rd. Jack Chandler tumbled from first place to 4th. Here is the record for this week:

	AB	H	%
Glen Ramsey	17	8	529
Gene Mayfield	19	8	421
W. Payne	31	13	420
J. Chandler	25	10	400
R. Payne	25	9	391
H. Hasty	29	11	379

The Aggies are holding their own at the top of the league with 7 won and 2 lost.

The league standing:

Team	Won	Lost	%
Aggies	7	2	777
Dragons	5	3	625
Sportsmen	3	6	333
Fire Boys	2	6	250

Wednesday night of last week, April 28 the Sportsmen and Dragons met with the game ending in a lop sided score of Dragons 23-Sportsmen 12. This game was pretty close until the 4th inning when every player on the Dragon team, but one, made a count, adding 9 runs to their score of 7, totaling 16-8 at the end of the 4th.

Thursday night, April 29 the Sportsmen and Fire Boys played a close game ending 7-6 in favor of the Fire Boys.

Friday night the Aggies won over the Dragons 14-8.

Monday night of this week, the contest was again between the Sportsmen and the Fire Boys, and the Sportsmen made up their previous loss by adding up a total of 25 to the FB 6. This game started out with the Sportsmen leading the score, bringing in 7 runs in the 1st and 7 in the 2nd, to the Fire Boys count of 2 in the 2nd.

The Fire Department has not turned out very well for the games, and haven't shown much enthusiasm, so some new blood is being sought, and Fire Chief Lanham is trying to reorganize.

Tomorrow night, (Friday, May 7) the Fireboys will meet the Aggies beginning Tuesday night, May 11 a new schedule will be launched with a double header played each Tuesday and Friday nights, putting all four teams on the field for 6-inning games. Play will start at 8 o'clock sharp.

Next Tuesday the first game will be Dragons vs Aggies, followed by Fire Boys vs Sportsmen.

Friday night, May 17 (starting at 8:00) the Dragons will play the Fireboys, and the second game will be Aggies vs Sportsmen.

Heart Attack Fatal To B. L. Kimbell

Last rites were held Wednesday afternoon at 4 o'clock at the Quitaque Methodist church for B. L. Kimbell, with the pastor, Rev. Roscoe Trostle officiating, assisted by Rev. Armstrong. Interment was in the Quitaque cemetery.

Mr. Kimbell died very suddenly, following a heart attack which he suffered early Tuesday morning. He had attended church services Monday night and was apparently feeling well when he retired. Mrs. Kimbell discovered his condition when she went to call him for breakfast, and summoned a physician, but he passed away about 30 minutes after the doctor's arrival.

Benjamin Lang Kimbell was born August 17, 1875 in Johnson county, Texas, and was 72 years, 8 and a half months old at his death. He came to this part of Texas in 1905, and located near Flomot, where he spent most of his later life, except for the time he has lived in and near Quitaque.

He was among the early settlers of this country and took many of the hard knocks of life to help the development of the frontier. His standards and faith were such that men were encouraged by his example to do right.

He was converted and joined the Methodist church in early life, and moved his membership to Flomot where it has remained ever since.

He is survived by his wife, three sons and one daughter. The children are James and Oscar Kimbell of Quitaque, Charlie Kimbell of McLean and Mrs. Ike Smith of Quitaque. Also surviving are eight grandchildren; a brother and sister, S. H. Kimbell, Quitaque and Mrs. Eula Sullivan of Twitty; four half sisters, Mrs. W. L. Boyles, Mrs. Floyd Tiffin, of Quitaque, and Mrs. Roscoe Fort of Plainview and one half brother, B. R. Kimbell, Quitaque.

VICTIM OF TORNADO

M. M. Payne who was listed among those injured Monday in the tornado which struck west of Mill Creek, is the brother of Oliver and Clark Payne and Mrs. Charlie Carpenter of Quitaque. He is better known here as Dutch Payne.

Oliver reported that he phoned relatives at Mill Creek to check on his brother's condition and learned that he was getting along very well. He was in the hospital, and would undergo operation today to have a broken collar bone set, and other treatment. Mr. Payne was carpentering on a house when the big wind struck and the house and the car which he was driving were both demolished.

Quitaque Takes Game From Dimmitt Sunday

Dimmitt came over and played the Quitaque ball club Sunday afternoon, however there was little mixup in the arrangements.

The Dimmitt players came over thinking they were going to play softball, but due to the misunderstanding, they went into a huddle and decided since they were here to go ahead and play baseball.

The Quitaque boys offered to make it a softball game if the visitors preferred, but the decision was to play hard ball. Dimmitt went down 9 to 3, but they invited Quitaque over to their home grounds for a return game Sunday week, and warned them that they would be ready for a hard ball game at that time.

Quitaque plays Roaring Springs here this Sunday.

Line up for the game Sunday:

Quitaque	AB	R	H	E
Rush 2b	4	2	1	0
Payne, Ray ss	4	2	2	0
Mayfield 3b	4	2	2	1
Marion Wilsonrf	4	0	0	0

Piano pupils of Mrs. Bedwell's to be heard Friday night are Peggy Darlene Peacock, Lynn Rhoderick, Betty Carpenter, Gus Gipson, Jr., Nou Nell Burgess, John Lewis Bedwell, Gerald Middleton, Glorianna Neatherlin, Norma Jean Persons, Nozelle Carter, Mrs. Frank Gillespie, Cloris Neatherlin, Margaret Owens, Betty Ruth Merrell, Wanda Gilbert, Jeanette Sue Berry, Frances Jones, Nancy Smith, Jo Dean Bedwell, Patsy Stark, Janella Jones.

FATHER AND SON ARE INJURED IN CAR WRECK

S. L. Luttrell and his 3-year old son David, were painfully injured Monday afternoon in a car wreck. Mr. Luttrell, driving a model A Ford south on road leading to Flomot from highway 87, and at the draw near the Woodruff home, he drove over the bridge, the car turning completely over into the creek.

The driver and the boy were both pinned under the car, but the little fellow was extricated without much trouble and he was rushed in to the Shy clinic where several stitches were taken to close a deep cut in his head, and treated for other bruises and abrasions.

Freeing the driver from the wreckage required quite a bit more effort and a tractor was used to lift the car so that he could be pulled from under it. Mr. Luttrell also received a head cut and other slight injuries. Both father and son were reported getting along very well at their home.

HOME FROM GERMANY TO VISIT FATHER WHO IS ILL

Virgil Hollis was here over the week end, visiting his sister Mrs. H. E. Hunt and family, and other relatives. Hollis is a civilian employe of the army, with the investigation department, stationed in Berlin, Germany. He returned to the States on furlough to visit his father, N. H. Hollis who is seriously ill, and has been in the hospital at Sherman, but was moved recently to the home of his brother, O. J. Hollis, at Sherman.

Virgil graduated from Quitaque schools and joined the army serving about three years in military service before transferring to the civil service. He has been in government work about 15 years.

He is married to an American girl and has a four year old son, who are in Berlin with him. He left Monday to report back to duty.

SHOW SUNDAY AT TURKEY

The Quitaque Roping club will put on a show at Turkey Sunday afternoon, with the feature roping event Quin Martin vs Dirt Patrick. The show is sponsored by the Turkey American Legion and there will be jack pot roping open. There will also be some bronzing.

Sunday afternoon at the que arena the featured roping event is Dirt Patrick vs Elmer with Dirt copping first place in seconds. Patrick's time was Lanham's 166.

In the first tie-down Huteschun placed 1st, Smith 2nd and in another event, Jack Huteschun placed 1st, with Frank Gillespie again.

In the ribbon roping Dirt placed 1st and Vincent Smith 2nd. The club plans to have 12 ropings and matched events week that they can be arranged.

SERVEL Lasts Longer Because It Freezes With No Moving Parts!

Yes, that's right! Servel DOES have a proven permanency vouched for by thousands of Panhandle people. Owner after owner tells of Servel Gas Refrigerators which have given up to 15 years of uninterrupted, faithful freezing. An owner of a 1934 Servel Gas Refrigerator says he has not spent a single penny for maintenance of any kind. Furthermore it is as silent as the day it was first put into service.

The reason for Servel's long life is its method of freezing with NO MOVING PARTS. All the work is done by a tiny, low cost natural (or liquid) gas flame. So there's nothing to wear out or get noisy.

But dependability and silence are just the start, for Servel is also a beauty. Its modern cabinet styling is unexcelled and its convenience is all one could ask for. It has plenty of ice cubes in its trigger-release trays. It has a convenient Servel meat storage tray. It has dew-action vegetable fresheners... a handy egg tray and flexible interior arrangement with sliding shelves adjustable to eleven different positions. Plastic coating on shelves keeps them rust-free, scratch-free and makes them easy to keep clean.

And, Servel's nationally famous low operating cost drops even more in the Panhandle. For we Panhandle folks, luckily, live near the heart of the world's largest gas fields and so enjoy unusually low natural gas rates.

To see a Servel is to want a Servel... with good reason why!

MAGNOLIA STATION

Look who gets squeezed!

Union leaders representing less than one-tenth of railroad employees reject recommendations of President's Emergency board—refuse to negotiate except on their own terms—threaten to paralyze nation by strike!

THE LEADERS of three railroad unions, representing less than one-tenth of railroad employees, have called a railroad strike that would paralyze the nation.

These leaders refuse to accept a 15½ cent an hour wage increase retroactive to November 1, 1947. This increase was recommended by an impartial Emergency Board appointed by President Truman.

This increase of 15½ cents already has been accepted by the 19 other railroad unions. But the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Enginemen, and the Switchmen's Union of North America won't accept what more than 90% of all railroad employees have accepted. They have called a strike to get more!

Unions refuse rules discussion

Certain rules changes demanded by these union leaders—which would increase wages still further—were recommended by the Board. But the union leaders want more—they demand that the railroads put into effect ALL the changes they asked for, including those the Board felt should be denied.

On top of this, they insist that certain rules changes proposed by the railroads be withdrawn—in spite of the fact that the Board recommended them! These union leaders have refused to negotiate except upon these arbitrary terms.

Greater wage increase not justified

Engineers and firemen are among the highest paid of all employees in America, as figures in the box show. This strike threat doesn't justify giving a greater increase than other railroad workers received.

Emergency Boards are a means provided by the Railway Labor Act in the public interest to avoid strikes. The President's Board,

after hearing evidence for 33 days, made recommendations based on all the facts in the case. The railroads have accepted these recommendations.

Who's to blame?

Although they deplored so large an extra cost burden, the railroads accepted the report of the Board because they felt it was in the public interest to uphold the spirit and intent of the Railway Labor Act.

In contrast, this small group of union leaders are attempting to dictate their own terms and attempt to paralyze the nation by strike.

They have dictated a paralyzing strike.

You will be the victim!

How long will the American public suffer for the undemocratic, arbitrary, and ill use of the right to strike and the disregard of the obligation to provide transportation? How long can the American people be a few dictatorial union leaders to deny processes provided for peaceful settlement of disputes?

Force seldom produces settlements that are either fair or lasting. Moreover, a point is often reached when personal interests must be held subordinate to the greater public welfare. That is why the railroads have accepted the Emergency Board recommendations. That is also why the leaders of these three unions should reconsider their decision to call a paralyzing strike.

Compare these wages with what you make!

Type of Employee	1939 Average Annual Earnings	1947 Average Annual Earnings	1947 Average Annual Earnings with Wage Increases Recommended by President's Board
ENGINEERS			
Road Freight (Local and Way)	\$3,966	\$6,152	\$6,785
Road Passenger	3,632	5,391	6,025
Road Freight (Through)	3,147	4,682	5,167
Yard	2,749	4,078	4,740
FIREMEN			
Road Freight (Local and Way)	\$2,738	\$4,721	\$5,310
Road Passenger	2,732	4,544	5,176
Road Freight	2,669	3,480	3,914
Yard	1,962	3,156	3,648

Mrs. J. T. Bradley, Mrs. Jack home of the Clifford McBrides, Bradley and Mrs. Tracy Drake visited in Childress Monday, in the McBride.

This And That About One Thing and Another

The sweet faced lady is Mrs. W. Y. Rice of Longview, mother of W. J. Rice and the late E. G. Rice. Mike had the cut made to run in the paper each Mother's Day as a tribute to his mother. So in loving memory of a good friend and in tribute to all mothers, we are using the picture this week to remind you of a day dedicated to Mother. Be sure to remember her, and whether you send a gift or not let her know that you are thinking of her.

The little lady in the picture was the mother of 10 children, 6 boys and 4 girls 8 of whom are still living. She will be 81 years old on June 19th.

Social events are taking the lead in our little city for the month of May. Last Friday the Juniors entertained the Seniors with a delightful banquet, this Friday, Mrs. Bedwell is presenting her piano pupils in recital and next Friday, May 14, Mrs. A. E. Gragson will present her singing class in a program at the school auditorium. Closing exercises for the school are scheduled for later in the month, and a nice program is being prepared

for this event.

Jack Hutcheson went to Vernon this week, taking a load of quarter horses from the Buster Campbell

ranch, which are entered in the livestock show. Jack also took his horse so he could compete in the roping contests. Buster Campbell had planned to show his horses but the Campbell family is entertain-

ing the measles and he couldn't make it. The unpleasant visitor first attacked the young Campbell son, his mother falling the next victim and finally dad joined the ranks.

A GREAT NEW FARMING MACHINE

to help you cut farm production costs still more!

The NEW

FERGUSON TRACTOR

- Continental Valve-in-head Engine—a regular miser on fuel.
- Stepped-up Power—with reserve for the tough spots.
- Four Forward Speeds—with quiet, constant-mesh transmission.

- Easy-acting Brakes—with single pedal that brakes both rear wheels, plus individual turning brakes.
- Built-in Hydraulic Implement Control, both Finger Tip and automatic.

No exposed hydraulic cylinders or hose lines—no extra cost. Automatic hydraulic overload protection if implement strikes a hidden obstruction . . . only the Ferguson System gives you this safety feature.

These are just some of the features you'll find in the new Ferguson Tractor to give you power farming at its best . . . with lower-cost operation than you have ever dreamed possible! Add the proved ease, safety and convenience of Ferguson System implement attachment and hydraulic control . . . you'll see why we call it a great new farming machine!

Ask for a demonstration . . . no obligation!
