This And That About One Thing and Another

We shure do like friendly folks who drop by the office and stick their heads in the door and call "Hey, we're in town", like Mrs. J. W. Ewing did last week. Makes reporting so easy and pleasant. Mr. Ewing was on vacation and they were enroute from Estelline where they visited his brother, to Ruidosa, NM. When they left they were accompanied by Mr. and Mrs. Homer Gregg, and were to attend a big Gregg family reunion this week. We'll have more to tell about this when the Greggs return.

Doc Chandler and the wife are gone again, on another fishing trip. Looks like Doc is going to work as hard at fishing as he did at doctoring cows.

Space was so crowded last week we had to omit lots of news items and inadvertently left out the good farm safety talk from the SCS office. Last week was National Farm Safety Week, but the information in the SCS article is just as good and important this week, so we are printing it. (Also a number of the news items which we had to omit, to make room for the constitutional amendments that will be voted on in November. These amendments should be read and studied since everyone in the state is affected by them.)

Please check the expiration date stamped beside your name on your paper. (Some notices were mailed out recently, but we have not heard from all of them.) If the expiration date on your paper is not correct, we have no way of knowing unless you come in and tell us, and we really appreciate it if you do. The only way we know whether or not you want the Post is by your renewals, and we could have the date wrong, of course. Please check the date on your paper, and let us hear from you.

Mr. and Mrs. Ernest Morrison moved the first of this month into their new home which they built on Main street, located on the former home place of the Clyde Tunnells. The Morrisons were somewhat delayed in completing their home and they had moved in and gotten settled before we knew it.

Mr. and Mrs. N. V. Hamilton visited relatives Saturday in Amarillo. Mrs. Hamilton's sister Mrs. Bill Weatherwax, formerly Miss Allie Mae Tipps underwent an emergency appendectomy last week and has been seriously ill, but is now out of danger and getting along nicely.

Ralph Carter was in Shy clinic this week suffering with an infected leg. He was taken home Wednesday evening in an ambulance.

Auto Crash Victim Is Former Local Student

A young woman well known in Quitaque figured in an automobile accident last week in which her husband was fatally injured. She is Mrs. Orville Herman Key of Plainview, formerly Miss Margie Roberts. She is a niece of Mrs. Webb Taylor and several years ago made her home with the Taylors while she attended school at Quitaque. Following is an account of the accident from the Amarillo Times:

Orville Herman Key of Plainview was killed and six others were injured near Happy late Sunday in an accident involving a pickup truck and an automobile.

Among these injured were Key's wife and seven-year-old daughter Sandra, both of whom were brought to St. Anthony's Hospital here. Mrs. Key was reported by the hospital Monday to be in serious condition, while her daughter was treated for minor bruises then was dismissed.

The other four injured, all riding in the other vehicle were rushed to the Nebitt Hospital in Canyon where all but one are in serious condition. They are Albert Schonberger of Canyon; Allen Brockman and Miss Theresa Westoff, both of Umberger, and Miss Emily Pohlmer of Nazareth. (Miss Westoff's injuries proved fatal.)

Key was driving a 1948 Dodge pickup truck when the wreck took place about 9:30 p.m.

The injured were taken to Nebitt Hospital at Canyon and St. Anthony's Hospital in Amarillo.

Highway Patrolman Edgar Branen who investigated the crash said there were no witnesses to the mishap, but it was presumed the pickup had run into the rear of the auto occupied by the six others who were injured.

Motorists discovering the wrecked vehicles said there had been a blinding rain, but that it had slackened when they came to the scene of the accident.

Mrs. Taylor and Mrs. Eula Morris visited Mrs. Key at Amarillo Sunday and reported that she is getting along well, and was dismissed from the hospital this week and is at the home of friends. Mrs. Taylor plans to bring her and her daughter here when she is able to be moved.

GOOD ROPING SHOW AT QUITAQUE LAST SUNDAY

A very good crowd attended the roping show in the Quitaque arena Sunday afternoon. Silvertown roping club furnished part of the calves and with those belonging to the local club, there was plenty of roping stock on hand.

In the tie-down event first place went to Snooks Baird, for 13.5 seconds. Vinson Smith followed with 14.5 seconds and Mort Stephens placed third with 5.7 sec. There were 18 entries in this event.

The ribbon roping also brought out 18 entries with first place going to Vinson Smith for 9 seconds; second to Snooks Baird for 10.1 seconds and third to Frank Gillespie with 11.4.

Two matched ropings created high interest, each man taking six calves. Between Dirt Patrick and Bob Thompson of Tulla, Dirt placed first with only 9.7 seconds difference in the totals. Best time in this contest was 12.1 seconds by Thompson, whose total time was 156.3 seconds to Patrick's 146.6 seconds for the six calves.

Competition between Frank Gillespie and Gene Morris of Silvertown ended before Morris roped his last calf. Frank's time for the six loops was 104.8 seconds with Morris's time 181.2 seconds for five calves. These calves were so large they didn't fall unless they wanted to.

BRISCOE COUNTY BOYS AT 4-H CLUB CAMP

Four Briscoe county 4-H club boys are attending the district encampment held August 5, 6, and 7 at Perkins Boy Scout Camp near Wichita Falls.

The boys attending the camp are Jerry Hamilton and Jerry King of Quitaque and Billy Nye and Walter Arnold of Silvertown. There will be about 160 boys in attendance at the camp and twenty counties will be represented. Entertainment at the camp will feature educational talks, picture shows, swimming, softball and rifle shooting.

City To Be Sprayed

Quitaque and Briscoe County have been fortunate thus far. To date we have had no reported cases of polio. And this is reported to be one of the worst polio years in Texas history.

The time to take effective steps against polio is before it strikes, and that is what the city council has planned for Quitaque.

Arrangements are being made to have the city sprayed with DDT as early as possible, and everyone is earnestly requested to cooperate.

BROTHERS GET TOGETHER

Seven of the eight Grundy brothers, sons of Mr. and Mrs. Jess Grundy, were home with their parents for a reunion Sunday. The only absent one was Pfc. Roy Grundy who is stationed in Kansas and could not come. Those present were Bob Grundy of Austin, Buddy of Wichita Falls, Henry and family of California, Glyn who is working in Fort Worth until he resumes his studies this fall at Denton, Bert and family, Jean and family, and Mr. and Mrs. Charley, all of Quitaque.

JOINS THE MARINES

Lit Bogan left last week for Amarillo to join the Marines, and was sent from there to Oklahoma City. The last word from Marine Bogan, was received the first of the week when he advised his father that he was leaving for San Diego, Cal.

City officials were advised that the sprag would be done either Friday Saturday (this week) depending on the weather.

All trash should be cleared from alleys vacant lots, weeds cut, and effort made to clean all premises keep them so.

Most ins over the state have been, or will be sprayed, but this measure effective only when full cooperation is given and the best pretive is cleanliness. Please cooperate.

AT THEPTIST CHURCH

Friend and relatives filled to capacity the auditorium at the Baptist church Sunday, to hear Rev. Bilbbs preach his first sermon in his home town. Relatives from Loney who came to hear him were Carl Chandler and family, Mr. and Mrs. Bobby McAninch and son, and Mrs. Glen Cooper and son's father Jim Ebbs, and Mrs. E. Chandler.

CA COMES OFF

Pete Lankenship went to Plainview today for a check and the caws finally removed from his foot. Pete has a shoe on for the first in nearly four months when he broke his foot while playing ball.

A daughter was born last week, July 1, at Matador to Mr. and Mrs. Martin. The little girl was named Johnnie Louise.

Couple To Celebrate Golden Wedding

On Tuesday, August 10, Mr. and Mrs. John Vaughan will celebrate their Golden Wedding anniversary. They will hold open house from 3 until 7 o'clock in the home which they established forty years ago and where they have lived continuously since they entered it, and held a dedication service there on Easter Sunday, April 19, 1908.

They came to Briscoe county, with five of their children and went to the site of their present home in the fall of 1907. Until their new residence was completed they lived in a make-shift house, and when they moved in and settled in their new home, it was no light gesture to the Vaughans. Their new home meant security, love, shelter and friendship, not only for their children and kin, but for every traveler who passed their way.

In a time when houses in this section were widely scattered, their house was a place of rest and comfort to the many passing strangers who journeyed to the West and it was not long until it was widely known that a welcome hand, food and shelter could always be had in the home of Mr. and Mrs. Vaughan. Sometimes this meant long weary hours of toil for Mrs. Vaughan. She had none of the modern contrivances to make her work easier. There were beds to make down, piles of sheets and quilts to launder, gardens to tend, food to can and cook, not only for the increasing brood of children, but for the many who stopped only for a night's shelter.

Mr. Vaughan, in a beautiful tribute to his wife, told of a pretty calendar that hung for years in their home. It depicted a vine-covered house and the words from the poem "Let me live in a house by the side of the road, and be a friend to man." These words, he said, were the inspiration and guide of his wife's life, and she lived up to them with courage and conviction.

Mr. and Mrs. Vaughan have always lived on the farm, and the Lord prospered them with their crops. In deep humility they attribute all their well-being to the blessings of their Lord.

They were married August 10, 1898, in Ohio, a small place in Hamilton county. The wedding took place in the home of the bride's parents, in the presence of a large crowd of friends. Rev. W. H. Carr, a Methodist minister, officiated at the wedding. The bride, Miss Jessie Kitchens was 17 years old, and Mr. Vaughan was 24 when they married.

They had nine children, one son Carl died in 1942. Five of the children were born in Hamilton and Gree counties. They are Mrs. Mable Welch of Silvertown, Vera Vaughan of Hase, NM., Mrs. Clara Henderson of Lockney and Elmer Vaughan of Hylake, and the son Carl. The children born at the home in Briscoe county are Mrs. Irene Vardell of Clavis, NM., Rev. Cecil Vaughan a minister of the Assembly of God church, of Fayetteville, Ark., Mrs. Gladys Brandon of Silvertown and Hersell Vaughan of Hollis, Okla. They have 32 grandchildren and 11 great grandchildren.

Mr. and Mrs. Vaughan are expecting all of their brood to gather under their roof for the anniversary celebration, and they extend a cordial invitation to all their friends everywhere to visit them on the day.

H. L. Weatherly and Panhandle Girl Wed

In a double-ring ceremony, on Friday, July 23, at 10:30 a.m. in the parlor of the First Baptist Church of Panhandle, Anna Marie Russ, daughter of Mr. and Mrs. Ellis Russ, became the bride of Howard Weatherly, son of Mr. and Mrs. L. B. Weatherly.

Rev. Herbert Brown, minister, read the service before an altar decorated with ferns and white gladioli.

Miss Lula Mae Cummings, pianist, played the traditional wedding marches and during the ceremony played "I Love You Truly."

Attending her sister as maid-of-honor, Miss Edna Russ was gowned in pink taffeta, styled with short sleeves and a net skirt. Her bouquet was pink gladioli with pink streamers. Leo Thorp served as best man.

The bride, given in marriage by her father, wore a gown of white satin, with a net yoke and long sleeves, with finger tip veil. Her bouquet was of white carnations with white streamers. For something old, she wore a gold ring of her mother; something borrowed, was pearl earrings of her sisters, and she carried a blue handkerchief.

At the reception, following the ceremony, refreshments were served from a lace covered table, with Mrs. Paul Russ, aunt of the bride, serving the three-tiered wedding cake.

Both Mr. and Mrs. Weatherly are graduates of Panhandle High School, with Mr. Weatherly also having a degree from West Texas State College, Canyon. He also served three years in the U.S. Armed Forces.

Following a wedding trip to Red River, NM., the couple will be at home in Quitaque, where the groom is engaged in the teaching of agriculture.

For traveling, the bride wore a white butcher linen suit with brown accessories and an orchid corsage.—Panhandle Herald

PUBLIC LANDS AVAILABLE FOR SERVICE MEN

An item which we really regret omitting last week was brought in by Service Officer Paul Miller and had to do with re-instatement of Service Life Insurance, which is too late to mention now. But the other item he asked us to publish follows:

49,176 acres of Public land in the west, comprising about 529 high value individual farm units will be open to homesteaders during the fiscal year beginning July 1, 1948. Veterans will get all of these farms on the basis of 90-day preference for filing applications. Land to be distributed includes 85 farms in Klamath, Tule Lake Division project in California and Oregon, 16 farms in Roza division of Washingtons Yakma project, 75 farms in Yuma Mesa division of Arizonas Gila project, 40 in Payette division of Idaho's Boise project, 16 in Gooding division of Idaho's Minidoka project, 77 in Heart Mountain division of Wyoming's Shoshone project and 210 in Riverton, Wyoming project.

Information can be obtained from Regional Director, Bureau of Reclamation, Department of Interior, Sacramento, Calif., Billings, Montana, Boise, Idaho, Boulder City.

NEW ASSISTANT

Mrs. Lee Hawkins formerly of Plainview arrived in Quitaque this week and is now employed at the Shy Clinic. Mrs. Hawkins is qualified to fill a great need in the community and to be of valuable assistance to Dr. Shy and she is cordially welcomed.

She is an undergraduate nurse, having completed two years of training at St. Pauls hospital in Dallas, and two and a half years in various other hospitals, including Plainview. She has five years experience as office assistant.

Mr. Hawkins operates a cafe in Plainview, which he plans to sell and will join her here soon.

Mr. and Mrs. Rush are leaving Quitaque to make their home in Levelland where he will enter business. The Rushes came here when the Roy Leslies were transferred to Floydada and he succeeded Roy as manager of the West Texas Gas company.

MANY GRAVES UNMARKED IN FLOMOT CEMETERY

Some interesting items came to light in a recent survey of the cemetery at Flomot which the officers of the association made in order to determine the location of all the graves and in an effort to identify them.

Many graves have no markers at all. Some are cared for, in a manner, but some are completely neglected. Listed in the map of the cemetery are 25 unidentified adult graves; 30 small graves unmarked, which are listed as child's and infant's graves. Some of the latter are cared for, with flowers and shells. There is one grave marked T; two Smith girls undated; two children's graves, one marked MWH and the other UBS. Of the something over 200 graves in the cemetery, more than 60 are unidentified.

The earliest grave is dated 1893, that of Phei Martin.

The survey and mapping of the west half of the cemetery was just about completed when the following names were recorded. Several weeks ago the names were set up in type and since then several more graves have been identified, but if you know of a grave on the west side of the cemetery which is not named in this list, it will be helpful for you to contact the secretary of the Flomot cemetery association, Mrs. L. B. Turner.

STITUTIONAL AMENDMENTS

H.R. No. 30
HOUSE JOINT RESOLUTION
 proposing an amendment to Article VII of the Constitution of the State of Texas to provide that the assessed taxable value of all residence homesteads as now defined by law shall be exempt from taxation for all State purposes; providing for the submission of said amendment to a vote of the qualified electors of the State at an election to be held on the date fixed by law for the General Election in November, A. D. 1948, at which all ballots shall have printed thereon the following words:
 "FOR the Constitutional Amendment exempting Three Thousand Dollars (\$3,000) of the assessed taxable value of all residence homesteads from all State taxes,"
 and
 "AGAINST the Constitutional Amendment exempting Three Thousand Dollars (\$3,000) of the assessed taxable value of all residence homesteads from all State taxes."
 Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment. H.J.R. NO. 36
HOUSE JOINT RESOLUTION
 proposing an Amendment to Section 61, Article XVI of the Constitution of the State of Texas so as to provide that all sheriffs, deputy sheriffs, county law enforcement officers including sheriffs who also perform the duties of assessor and collector of taxes, and their deputies, constables, deputy constables, and precinct law enforcement officers shall be compensated on a salary basis in all of the counties in this State beginning January 1, 1949; providing for submission of this Amendment to the vote of the people of Texas; providing the time, means and manner thereof.
 Be It Resolved By The Legislature Of The State Of Texas:
 Section 1. That Section 61, Article XVI of the Constitution of the State of Texas be amended so as to read as follows:
 Section 61. All district officers in the State of Texas and all county officers in counties having a population of twenty thousand (20,000) or more, according to the then last preceding Federal Census, shall be compensated on a salary basis. In all counties in this State, the Commissioners Courts shall be authorized to determine whether precinct officers shall be compensated on a fee basis or on a salary basis, with the exception that it shall be mandatory upon the Commissioners Courts, to compensate all constables, deputy constables and precinct law enforcement officers on a salary basis beginning January 1, 1949; and in counties having a population of less than twenty thousand (20,000) according to the then last preceding Federal Census, the Commissioners Courts shall also have the authority to determine whether county officers shall be compensated on a fee basis or on a salary basis, with the exception that it shall be mandatory upon the Commissioners Courts to compensate all sheriffs, deputy sheriffs, county law enforcement officers including

H.J.R. NO. 39
HOUSE JOINT RESOLUTION
 proposing an Amendment to Article 5 of the Constitution of the State of Texas by adding a new Section thereto to be known as Section 1-a, authorizing the Legislature to provide for the retirement and compensation of Judges and Commissioners of Appellate Courts and Judges of District and Criminal District Courts on account of length of service, age or disability, and for their reassignment to active duty where and when needed; providing for the submission of the Amendment to the voters of this State; and providing for the necessary proclamation and publication.
 Be It Resolved By The Legislature Of The State Of Texas:
 Section 1. That Article 5 of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as "Section 1-a", which shall read as follows:
 "Section 1-a. The Legislature shall provide for the retirement and compensation of Judges and Commissioners of the Appellate Courts and Judges of the District and Criminal District Courts on account of length of service, age or disability, and for their reassignment to active duty where and when needed."
 Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified voters of the State of Texas at an election to be held on the second day of November, 1948, at which election all voters favoring such proposed Amendment shall write or have printed on their ballots the words:
 "FOR the Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for the retirement and compensation of Judges and Commissioners of the Appellate Courts and Judges of the District and Criminal District Courts of this State on account of length of service, age or disability and for their reassignment to active duty where and when needed."
 Those voters opposing said Amendment shall write or have printed on their ballots the words:
 "AGAINST the Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for the retirement and compensation of Judges and Commissioners of the Appellate Courts and Judges of the District and Criminal District Courts of this State on account of length of service, age or disability and for their reassignment to active duty where and when needed."

Barry Dean 2, and Jimmy Lynn 6, small sons of Mr. and Mrs. Graham Harvey of Amarillo were slightly injured Wednesday afternoon of last week in an auto mishap. The car in which they were riding with their mother struck a car which was parked a short distance from the curb, and which the owner reported to police was out of gas at the time of the accident. The two children received minor injuries and their mother was not hurt. Their granddad Wes Harvey stated this week that the front of the car was pretty badly smashed.

METHODIST WSCS
 Mrs. Bill Middleton was hostess at her home Tuesday night of last week to the Methodist Society of Christian Service with 11 members present for a regular study session. This group of women is meeting once a month during the summer on the fourth Tuesday in the month.
 The program was a discussion of "Religions of the World" by Mrs. W. R. Scott.
 The hostess served delicious refreshments of pineapple pie a la mode.

WESTERN PARTY
 Mark Stacy Scheid celebrated his fourth birthday, Saturday, July 24 at the city park with a western style party. Invitations and decoration carried out the theme, with the birthday cake baked in the shape of a boot and decorated with four candles. Such games as Drop the Bandana were played.
 Small guests present were Cleatrice and David Miller, Joe Seay, Billie Jean Woods, Joe Frank Hawkins, Jimmy Rhoderick, Jimmy Boyett, Jimmie Beth Van Meter, James Thomas and Peggy Starkey, Jo Ann Middleton, Linda Kaye Gillespie, Mary Dean Trostle, Sylvia and Kathy Bailey, Jack Johnson and Mark.
 Mothers on hand to keep the Westerners under control and help with the games were Mmes. Jim Tunnell, W. C. Womack, Bill Middleton, Alton Johnson, Joe W. Bailey, Cleat Miller, Frank Hawkins, E. L. Boyett, Mrs. Johnson of Oklahoma City, Mrs. Bill Woods and Mrs. Van Meter.

WAYLAND GETS SENIOR COLLEGE RECOGNITION
 The hard work and efforts of the administration and faculty of Wayland College have been rewarded with recognition by the State Department of Education of this institution as a Senior College. Recently Miss Nell Parmely, Assistant State Superintendent in Music, Teacher Training, and College Examiner, made an inspection visit to the campus. In a letter dated July 13, from Miss Parmely of President J. W. Marshall and addressed to the Board of Examiners, the following statement was made:
 "The Condition of Wayland Baptist College has improved to such an extent that it is hardly recognizable as the earlier institution. Definite and exacting work was done in the long session to bring this institution up to senior standing. Basing my recent visit on the recent developments this institution has made, I am placing it on the list of senior institutions. This approval must be followed up as is the policy of this Department by Wayland College continuing to meet the standards as required and the standards of next session should be every standard has been met and is being carried through in good work, the cooperation and interest is continuing that Wayland

College will continue its present approval by this Department."
 To date, as many students have made reservations to come to Wayland as enrolled last year. The dormitories are practically filled and the school is already looking for additional housing facilities for students. Also thirty-five scholarships have been secured for the fifty or more applicants of foreign students to come to Wayland in September. Altogether the prospects are that Wayland will have a capacity enrollment for the fall term.

BAPTIST REVIVAL AT FLOMOT MAKES GOOD PROGRESS

The revival at the First Baptist church at Flomot is progressing well, and the pastors conducting the meeting are well pleased. The meeting began Sunday, July 25 and this Monday, Aug. 2 17 decisions were reported.

A concerted effort is being made to increase the attendance at the meeting and also for Sunday School. The goal set for Sunday school last week was 100 and 114 were present. The goal set for next Sunday is 140.

The revival meeting continues through next Sunday and Rev. J. E. Lee, the pastor, urges everyone to attend. He extends a cordial invitation to all who will, to come to Sunday school Sunday and help meet the goal of 140.

FAMILY REUNION

A reunion of the Montgomery brothers and sisters was held Sunday at Amherst when the family gathered in the home of Mr. and Mrs. Claud Rogers. Of the nine living brothers and sisters, eight were present. The only one absent was Mrs. Mollie Parsons of Oregon.

SHOWS AT LUBBOCK FAIR GIVE THE KIDS A BREAK

Lubbock.—Midway ride prices to fit young purses were announced today for Children's Days at the Panhandle South Plains Fair in Lubbock, Wednesday and Thursday, September 29 and 30.

All "kid" rides will be a nickel; the merry-go-round 6 cents; Ferris wheel 12 cents; others in proportion. They will be just half the usual charges—as low, if not the lowest, for similar entertainment at any important fair in the U.S. this year.

These low prices are provided for in the Fair Association's contract with Forsythe & Dowis, who operates one of the biggest and unquestionably the "cleanest" carnival booked in the Southwest this year. It features rides particularly, but will present numerous tent attractions of high entertainment and educational value. Daily free attractions will feature "Seldon the Stratosphere Man", one of the most spectacular and dangerous acts on tour. Seldon performs at the top of a slender

pole higher than a 15-story building.

The grandstand attraction will be the "Water Follies", the most sensational entertainment of its kind ever booked in the Southwest. The cast includes several world champion swimmers and divers and a large water ballet made up of bathing beauties.

Indicative of the magnitude of the Follies is the special equipment it carries, including two portable swimming pools—one large enough for dives more than 100 feet high.

Doing It Over

A small boy was taking part in a local concert. He was only six years old and recited so well that he was encored.

"Well, Harry" and how did you get on?" asked the proud father,

when he returned home. "Why, I thought I had done it all right," replied Harry, "but they made me do it over."

Women at Work

"She told me," a woman complained to a friend, "that you told her the secret I told you not to tell her."

"Well," replied her friend in hurt tone, "I told her not to tell you I told her."

"Oh dear," sighed the first man. "Well, don't tell her you that she told me."

The definite goal for National Farm Safety Week, July 25 to 31 is the elimination of at least 30,000,000 farm accidents and it can be reached if every farm family accepts the responsibility of eliminating at least one hazard for every member of the family.

National Farm Safety Week is sponsored by the National Safety Council and the United States Department of Agriculture in cooperation with the National Fire Protection Association, the Farm Union, the National Grange and

Equipment Institute, the Farmer's many other organizations interested in agriculture and farm life.

Past records show that unless extra precautions are taken accidents will increase. Motor vehicle deaths to farm residents increased from 4,600 in 1944 to 5,500 in 1945—to 7,000 in 1946 and the toll in 1947 was the same as in 1946. This is an increase of 52 per cent during the three-year period.

A partial check list supplied by the National Safety Council lists the following hazards which cause many accidents each year: (1) Stairs without handrails or in need of repair; (2) Faulty mechanical

"HEY, YOUR HIGHNESS . . . you're supposed to wear 'em, not eat 'em," says Bert Fisch, sales manager of the Justin Boot & Shoe Co., Fort Worth, to the Queen of Sheba, star lioness of the Shrine Circus at the Chicago Stadium. The Justin bootmakers admit their boots may look good enough to eat, but they don't recommend it, even for lions.

or electrical equipment; (3) Frayed electric cords; (4) Unsafe ladders; (5) Defective hand tools; (6) Rotten boards or planks in porches; (7) Worn ropes; (8) Oil saturated or paint rags; (9) Unmarked and unpainted gasoline containers; and (12) That unloaded gun.

The leading types of accidents to farm people show that falls and motor vehicle accidents rank highest, accidents involving machinery second, accidents involving animals and hand tools third, and burns rank equally as high as falls.

Farm people can make their farms much safer by accepting personal responsibility for the elimination of one hazard per farm resident during Farm Safety Week. Second, the elimination of unsafe practices can be achieved through education and study and third, farm safety can be made a family affair 52 weeks a year.

The Cap Rock Soil Conservation Supervisors urge that each farm family become more safety conscious. Accidents mean lost time and time is extremely valuable during these periods of short labor supply. Injury may be only temporary with the loss of two or three days work, but those two or three days multiplied by thousands of cases mean a staggering loss of man hours of labor.

Many cooperators have expressed an interest in planting hairy vetch and Austrian Winter peas this fall as a soil building crop and winter cover crop. Get in touch with local seed dealers soon so you can obtain the necessary seed at the proper time. When planting the proper nitrogen inoculant is almost a must to get maximum results. Dealers can supply the inoculant to use at a very small cost.

Seeding of Austrian Winter peas or hairy vetch in feed or cotton stubble is very practical and easily done. The crop will grow during the winter and can either be plow-

ed under as a green manure crop in the spring or allowed to seed next spring. Some winter grazing may be obtained.

Cooperators who intend to sow abuzzi rye this fall should start thinking about a seed supply. Contact your local seed dealers so they can get what you need. Planting time is about the same as for other small grains.

Plantings on real sandy land should be made early enough to insure a good cover through next winter and spring. Sowing 25 to 30 pounds per acre will give good results if planted early enough. Later plantings are not as advantageous and more seed should be put down.

Abuzzi rye will give considerable more growth than other small grains, particularly on the sandy soils around Quitaque and Gasoline. It can be used for grazing, green manure or grain. If grazed enough growth must be left to control blowing. If used for a green manure crop, it should be turned under before it becomes too stemmy.

Mr. Bill Helms of Gasoline, a supervisor of the local Cap Rock Soil Conservation District, reports his trial planting last winter yielded more than his adjacent wheat even after being hauled on. Mr. Helms stated that he intends to plant all the rye seed he made this

last spring as it looked mighty good to him.

High points for irrigation wells were located this past week for Clarence Anderson whose place joins the town section on the west and for H. P. Rampley whose farm is situated five miles southeast of Silverton.

Technicians of the Soil Conservation Service ran ditch lines for the irrigation of row crop for the following cooperators of the local Cap Rock Soil Conservation District recently: Eural Vaughn who lives six miles southwest of Silverton; Eual Newman who lives five miles southeast of Silverton; and E. F. Payne who operates a farm three miles east of Quitaque.

A high point was located for Cleat Miller whose ranch is located nine miles southeast of Silverton this week. High points were also located for D. N. McGavock and M. Dudley about eight miles south of Silverton.

LOCALS

Mr. and Mrs. Frank Hawkins and Joe Frank and Mr. and Mrs. Bill Woods left this week for a vacation trip to the mountains, in New Mexico and Colorado.

Miss Carrie Inman of Corsicana visited last week with Miss Mary Ollie Persons and they left the first of the week, accompanied by Mrs. Gladys Wise for a vacation tour of the west, which includes a visit to Yellowstone National Park.

Visitors this week in the H. G. Gardiner home are his sisters Mrs. Fred Hudson of Sherman Mrs. Hazel Hollingsworth of Stillwater, Okla. and Miss Kate Gardiner of Oklahoma City.

A. J. Woodruff and son of Nashville, Ark., are here visiting his brother Joe Woodruff and family. A sister Mrs. W. J. Allen and hus-

band also are visiting and Sunday her daughter Mrs. Virge Chambers and children of Plainview came over for a visit.

Mr. and Mrs. Clint Hicks and children of Matador spent Sunday here with her parents Mr. and Mrs. Joe Woodruff and Othelia.

Mrs. H. O. Dyer who has been very ill in the Matador sanitarium is reported improving.

Mrs. Willie Smylie returned home last week from an enjoyable vacation, leaving here two weeks ago with her son Russell Smylie and Miss Jane Hughes, they went to Carlsbad where they met Mrs. Smylie's sister Mrs. Mattie Casner and her granddaughter LaBlanche of Burnett. After a trip to Arizona to visit a cousin they returned last week to Quitaque and all but Miss Hughes went to Beaver, Okla. to visit the R. E. Hardbergers, returning home Sunday evening accompanied by Mrs. Hardberger and the children. Mrs. Casner and Miss Davis left for home last Monday and Mrs. Hardberger and the children remained over for several days visit.

Miss Bernice Puckett returned home Tuesday night from a trip to Waco and Denton.
