NUMBER 37

This And That About One Thing and Another

Mr. and Mrs. Ray Persons are contemplating returning permanently to Quitaque. The only fly in the ointment is hay fever, which plagues Mrs. Persons here, but leaves her in peace in the mountains. At any rate, they are going to be here for some time. They have started the work of remodeling the small house which they moved around the corner and located just west of their home place and are making a duplex of it. Work is progressing pretty fast.

The new house which Gene Berry is constructing in the same block is rapidly nearing completion. Gene hasn't confided his plans for this house, but more than likely it will be for sale.

The house which Gene Chandler moved into town (located north of the Quitaque hotel) is being fitted for occupancy, and should be ready this week.

Work is going along fast on the building which Mr. Womack is remodeling, just west of the bakery. A new brick front is being erected (Gus and Glen Gibson doing the construction) and this will make a very nice new office building for Quitaque. In the rear is the garage for the upstairs apartments of the Womack building, and over the new office space is a glassed in sleeping room and behind this are porches and rear entrance and stairway to the apartments.

Out at his farm, west of town (beautifully located on a hill) Pierce White has built a fine new garage—with accessories. Under the garage, with a stairway leading down from inside the building, is a cellar, concreted and shelved for an ideal storage space. In the rear of the garage is a room which at present is being used for the laundry but eventually will be the Grade-A milk room. It is equipped with hot water heater, gas connections, electricity, drains, everything needed for perfect convenience.

This brisk autumn weather puts a zip to the appetite and brings back to mind the good recipes we like to publish. At the WSCS meeting Tuesday night, all the ladies raved about the delicious orange cake the hostess served, so we got it for you. We have some more good recipes, but they sounded sorta heavy for hot weather and we saved them. We need some more, if we continue to print them—and candy was discussed the other night. We need some new candy recipes. We have a delicious sounding one, we've been saving a long time that Mrs. John Garner brought in. Watch for it next week.

Here's the orange cake that Mrs. F. C. Benson served Tuesday night:

2 cups sugar
4 eggs
1 1/3 cup buttermilk with 1 teasp. soda added
1 cup pecans
4 cups flour
grated rind of one orange
Mix as you would any cake; flour nuts and dates. Bake in loaf pan in slow oven (about 250 to 300 degrees)—cook 2 1/2 to 3 hours.

Filling
2 cups sugar
1 cup orange juice
grated rind of one orange
Mix well, let stand until dissolved. (Do not cook or heat filling.)
Put on cake by spoonful while cake is still hot. It is easier to put on cake before it is turned out of pan.
Mrs. Benson's cake was rich and moist, and she said that it would be even better if it were several days older. She said the cakes would keep a week or two.

When we went home through the alley the other evening, we thought we'd discovered another Carlsbad Cavern. The boys had to dig 13 feet to find the sewer line to hook on the new cafe lines, and what with clearing out a hole big enough to work in, the whole works was a tremendous job, and big and deep enough for a dungeon.

Jane Hughes this week is wrecking a windmill tower that was on the place where she lives when Buck Russell filed on it in 1897. The tower was built there by a "Squatter" whose name is long lost. The tower gave good service for 51 years.

Mrs. W. M. McKay returned home Wednesday from a trip to Lubbock where she visited her daughter Mrs. Ada Smith.

Family Reunion Is Held At City Park

The City Park was the scene Sunday of a family reunion of the descendants of Mrs. M. A. Cook. Mrs. Cook was 88 years old this week, the birthday serving as a motive for the occasion, and the Sunday prior to the birthday chosen for the time of the gathering so that it would be a surprise for the honoree. Her pleasure and delight in the sight of her loved ones was ample repayment for the labor and planning which such a large gathering entails. There were 76 present, including children, grandchildren, great grandchildren, and some friends.

Some of the children from out-of-town arrived several days ago, and Mrs. Cook remarked that she was so happy to have them and how nice it would be if all could be here. She did not know of the reunion plans until she arrived at the park and saw the huge crowd. H. B. Bedwell of Morton asked the blessing at meal time, and paid a beautiful tribute to his mother, and the happy occasion which brought the family together.

One daughter, Mrs. Ike Icenhower of Lakeview, Ore., was the only one of the children unable to attend. The children present were Mr. and Mrs. Levi Bedwell of Dumas, Mr. and Mrs. J. T. Young of Tulsa, Mr. and Mrs. A. T. Wynn of Daugherty, Okla., Mr. and Mrs. H. B. Bedwell of Morton, Mr. and Mrs. Earnest Barnett of Center Point, Ark., Mr. and Mrs. Gus Gibson of Quitaque and Mrs. Daisy Bedwell of Gasoline.

Others included Mr. and Mrs. L. A. Broxson and children of Dumas; Mr. and Mrs. John King and children of Quitaque; Mr. and Mrs. Lawrence Bedwell and Gerald, Plainview; Mr. and Mrs. Reid Bethel and Donald, Lamesa; Mr. and Mrs. Jean Grundy and girls; Joe Young, Mr. and Mrs. Horace Ellis and children; Mr. and Mrs. Guy Young and children, Mr. and Mrs. Bill Chandler and children, Mr. and Mrs. John Young and daughters, all of Tulsa; Mrs. Jack Driskell and children and Bob Young of Happy.

Herman and Henrietta Bedwell, Mr. and Mrs. W. E. Bedwell, of Morton; Gus Gibson, Jr., Mr. and Mrs. Glenn Gibson and Tommy Gus, Mr. and Mrs. C. E. Bedwell and boys, Mr. and Mrs. Joe Bedwell and daughters, Mrs. Lewis Bedwell, Jr., and Jacqueline, all of Quitaque, and friends were Mrs. R. F. Gibson of Dierks, Ark., and Mr. and Mrs. Ben Chandler of Quitaque.

SUNDAY SCHOOL CLASS PICNICS AT ROADSIDE PARK

The Forward Class of the Methodist Sunday school went to Roadside Park Wednesday night of last week for an outing and wiener roast. There were a number of guests besides the members of the class and about forty enjoyed the pleasant time spent in friendly visiting, good fellowship and hearty eating.

Wieners were roasted over the big fire, every body helped themselves from the big pot of boiled beans and the table heaped with potato chips, pickles, tomatoes, cookies, etc. There was coffee and cold drinks.

The stars shone brightly, the night was clear and cool, the kids scrambled around in the dust, getting a goodly share of sand in their craw, along with the adults. It's a good old American custom and a mighty pleasant way to spend a brisk Fall evening, and promote good fellowship.

DOCTORS TO REPORT FOR EXAMINATIONS IN RESERVE

Dr. Shy and Dr. deVore have been notified to report for examination for the reserve corps. Both doctors will report October 4-7 to the U. S. Marine hospital at Fort Worth.

They have made arrangements for Dr. Achor of Turkey to help out here in their absence, and there will be someone in the office to assist patients who call.

GINNING REPORT

Quitaque gins reported 389 bales ginned up to Thursday Morning, and cotton had begun to come in pretty steady. Quitaque elevator has bought about four cars of grain from the current crop, up to this week, mostly combine milo.

Norman Martin Killed In Highway Crash

Norman R. Martin, 34 years old, Flomot rancher, was killed Tuesday afternoon, and three other persons were injured, in a collision at the intersection of Rock Creek Road and a road known as the old Plainview-Flomot Road about a mile east and four miles north of Lockney.

Martin was driver of a pickup truck which collided with a car driven by Ira Weldon Graves, 18, years old, of Lockney.

Graves was going south on Rock Creek Road when the accident occurred.

Injured were Graves; a passenger in Martin's car, Wade Martin, 50 years old, a relative of Martin; and Graves' 16-year-old brother Winniford.

Graves, received severe lacerations and gashes on legs and body. Martin is not believed in serious condition at a hospital in Lockney. Winniford Graves received a possible rib fracture.

The Martins were returning from a cattle sale at Plainview when the accident occurred. Two of four yearlings in the back of the pickup were killed in the smash.

Highway Patrolmen John Strother and Noel Newberry, who investigated the mishap, said charges of negligent homicide had been filed in Floyd County Court against the elder Graves.

Funeral services for Martin were held Thursday afternoon at 3:30 o'clock at First Methodist church, Matador, with interment in the cemetery there.

He is survived by his wife, the former Miss Ivy Dean Coleman of Turkey; his parents Mr. and Mrs. Claude Martin of Matador; three brothers, J. C. and Lewis of Lubbock and Quinn of Matador; and two sisters Mrs. Katherine Russell of Matador and Mrs. Clem Woods of Bakersfield, Cal., all of whom were present for the last rites.

Norman was well known over this western area through his rodeo activities. He also was a veteran of World War II but his record is not available as this is written.

NEWCOMERS

Mr. and Mrs. Booger Taylor are the parents of a new daughter born Sunday morning at the Floyd-dada hospital.

A daughter was born Saturday night to Mr. and Mrs. Ebb Austin. She was named Lola May Alice and weighed 9 and a quarter pounds. The Austins really appreciate the good help from Dr. Shy and Dr. deVore and Mrs. McCord, and also the kindness of several neighbors. Mrs. Austin's mother of Memphis and sister from Estelline are here to help out.

Mr. and Mrs. A. W. James have a new son born Sunday at the clinic at Silverton. This boy was the first to be born in the new Silverton clinic and he received a beautiful layette and other gifts from the business houses there. The young fellow was named Michael Leon. He and his mother came home Tuesday and his grandmother Mrs. Coffee of Wichita, Kans. is here to help care for him.

A daughter was born Friday morning to Mr. and Mrs. S. L. McKenzie of Fort Worth. The young lady weighed 7 pounds and 8 ounces. Both mother and baby are doing fine. Mrs. McKenzie's mother, Mrs. Henry Hamilton will go to Fort Worth Saturday to spend a week with them.

Twin girls were born Sept 16 to Mr. and Mrs. J. E. Gwartney of Salinas, Cal. The mother is the former Miss Geneva Witcher and has the first twins in the Witcher family. The babies were named Becky Lynne and Betty Anne.

MRS STEVENSON APPOINTED TO CO. TREASURERS OFFICE

At a meeting Monday at Silverton of the county executive committee, Mrs. A. G. Stevenson was tendered the appointment to succeed her late husband as County Treasurer.

E. W. Scheid and Boone McCracken, precinct representatives from this district, attended the meeting.

Seburn Neatherlin and his daughters Glorianna and Aleta spent the week end visiting his parents Mr. and Mrs. G. J. Neatherlin at Anson.

Reburial At Silverton For Glen Chesshir

A message was received Tuesday morning advising Mr. and Mrs. Dave Chesshir that the body of their son S-Sgt. Glen Chesshir, who was killed overseas, would arrive by train Friday night and reburial services are set for Saturday afternoon at 2:30, at Silverton.

Sgt. Chesshir served as a mortar gunner with the 19th infantry, 24 division. He was killed in action on June 21, 1945 on Mindanao, in the Philippines. He entered military service shortly after Pearl Harbor, in February, 1942, served overseas for 42 months, and was not granted a furlough and had not visited his parents after his enlistment.

Besides his parents he is survived by three brothers, Henry and Otis Chesshir of Morton, D. E. Chesshir, Jr. of Silverton; two sisters Miss Ester Chesshir and Mrs. Mildred Chappell, both of Silverton.

The family formerly lived between Turkey and Quitaque, and Glen attended school at Kent and Turkey. Their postoffice was Quitaque, until they moved to Silverton several years ago, and they have many friends in all three communities.

STATE FAIR SHOWS AT DALLAS OCTOBER 9-24

The thirty million dollar, sixty-third State Fair of Texas, which Lone Star Staters proudly call "The Show Window of the Southwest," will get under way next week with probably more fanfare than ever attended any previous state fair. Dates are Oct. 9-24.

Officials say this is the largest fair, and the most costly to produce, they have ever attempted. It has required more people to put it together. More than 2,000,000 are expected to attend. Last year's attendance was 1,763,921.

Governor Beauford Jester will formerly open the Fair and dedicate the new \$800,000 Automobile, Aviation and Recreation Building.

Topping the list of opening day attractions will be the Texas-Oklahoma football classic. This will be the "coming out" party for the renovated Cotton Bowl, just rebuilt and enlarged at a cost of \$1,280,000.

Almost as popular with Fair visitors will be the hilarious Jimmy Durante-Harry James show in the Auditorium, the new "Ice Cycles" show, the "Flying L" Rodeo, Million Dollar Midway, and the most colorful array of displays ever seen in the Fair's huge exhibit halls. These will include shows devoted to automobiles, aviation, electrical industry, petroleum, foods, textiles, culinary and antiques, agriculture, livestock and poultry.

Opening day is traditionally Press and Radio Day in honor of Texas newspaper and radio men.

Formal opening of the Fair will be preceded by a mile-long parade through downtown Dallas.

LIONS VISIT TURKEY CLUB HEAR INTERESTING REPORT

Turkey Lions club held its regular meeting Tuesday noon at the Methodist church with 40-odd in attendance, 13 of whom were visitors.

After a brief business session which followed the meal, the meeting was turned over to Lion Geisecke of Matador who made a very interesting talk on his trip to New York International convention. Mr. Geisecke was accompanied from Matador by the pastor of the first Baptist church there.

The other visitors, ten of them, were from Quitaque Lions club: Odell Setliff, Marion Roberson, Pete Rice, Jake Merrell, Gene Bedwell, Nook Bedwell, Smooth Boyett, Roy Burgess, Clayton Ham and Rev. Roscoe Trostle.

SCS SUPERVISOR ELECTION TO BE HELD OCTOBER 5

There will be a meeting next Tuesday night, Oct. 5, at the school auditorium beginning at 8 p.m., for the purpose of electing a supervisor for subdivision No. 5, of the Cap Rock Soil Conservation district. Bill Helms is serving in this capacity at present, and his term expires. All land owners and their wives, in this sub-division are qualified to vote in the election, and are urged to be present.

Also there will be a free movie shown in connection with the meeting.

Panthers Improving In Every Game

Both teams played a very good game of football when the Panthers met the Longhorns from Flomot on Panther field last Friday night, but somewhere along the way, the Panthers slipped a cog and the Longhorns took the big end of the score, 26-0.

The Panthers looked better than in their previous two games, but still showed their inexperience. The Flomot team outweighed the Panthers in the line, but their power lay with a couple of speedy backs who were able to run around their ends for long gains.

Buddy Holcomb played a good ballgame both on offensive and defensive. He shows great promise. Quarterback Lynn Rhoderick also played an excellent game on the offensive. In the line, Whizzer White continues to play good ball.

The Panthers are working hard this week on tackling and blocking which needs improving. If the boys improve as much this week as last, you can be sure Turkey will get their money's worth on this Friday night when the Panthers play a return engagement with them on their home grounds.

BARBECUE CHICKEN SUPPER AT THE CAMPBELL RANCH

Mr. and Mrs. Buster Campbell and son Gary were hosts last Friday night to a delightful barbecue chicken supper, served in the yard at their ranch home north of town. Friends enjoyed a sumptuous menu of barbecued chicken, baked beans, salads, pickles, olives, potato chips, cake, tea and coffee.

Those present were Mr. and Mrs. O. E. Hutcheson, Mr. and Mrs. Jack Hutcheson, Mr. and Mrs. Bert Hawkins, Mr. and Mrs. Ollie Nall, Mr. and Mrs. Harley Eddleman and girls, Mr. and Mrs. J. C. Rhoderick, Sr., Mr. and Mrs. Jim Stell of Quitaque; Mr. and Mrs. C. M. Johnson and Loyd, Mr. and Mrs. Bob Baird, Mr. and Mrs. Tom Blasingame, Tommie and Nancy, Grady Tyler of Clarendon; Mr. and Mrs. Tony Burson, Mr. and Mrs. Nash Blasingame, Mr. and Mrs. Vaughter Self and son, Mrs. W. E. Shott, Sr., and Janie, Freddie Scott Dunham of Silverton.

Mr. and Mrs. Leroy Campbell, and Geneva More, Claude, Tex.; Mr. and Mrs. Roy Allard, Brice; Mr. and Mrs. Bill Flemings, Barbara and Tommie, Childress; Mr. and Mrs. T. W. Bell, Sr., Turkey; and Sid McFall, Jr.

Mr. and Mrs. Orville Washington and son Larry of Portales, N.M., came in Wednesday, and she will remain for several days visit here with her grandparents Mr. and Mrs. O. E. Hutcheson.

Quitaque Is Well Represented At College

Quitaque young folks have made an exodus to colleges over the state and there is a long list in search of higher education. We are listing some below, but frequently in newspaper reports important names are somehow overlooked, so it is possible that there are more who are not in this list. If so, let us know so the names can be published.

In Lubbock O. R. Stark, Glen Edward Lewis, Leon McCracken, Jr., and Graves Mayfield are enrolled at Tech and Betty Rae Adkins is taking a beauty course.

At Amarillo Rinky Holcomb is attending business school, Ima Lee Morris is going to beauty school and Billy Joe Sachse has been going to Amarillo college some and also to WTS.

At Canyon Mrs. Odell Wilkes (nee Jimmie Wise), Bobby Jack Ham, Steve Mayfield, Ava Nell Monk and Garrett Morrison are enrolled at WTS.

Miss Bernice Puckett is attending TSCW at Denton and at the Teachers college are Mr. and Mrs. Wayne Hunter, Venoi and Evelyn Cain, Glyn Grundy and Olin Patrick.

Robert Hamilton is down at Waco enrolled in the Law school at Baylor, and Tad Persons is a cadet at John Tarleton at Stephenville.

In Plainview Gaston Owens and Bill Ebbs are attending Wayland, with Gaston returning to Quitaque several days each week to help out at The Post.

Over in Oklahoma Earnest Barbee is attending Tulsa University at Tulsa, Rayburn Burgess will complete his pharmacy course at Okla. Univ., at Norman in February and Christina Apperson is attending Weatherford College at Weatherford.

MRS. NORA LEWIS HERE

Mr. and Mrs. Ray Persons drove to San Angelo last week end and returned Sunday evening, bringing Mrs. Nora Lewis here for a visit. This is Mrs. Lewis's first visit to her old home in some years. She has been badly crippled with arthritis (or rheumatism, or some of that sort) for several years part of the time, confined to bed. But now she is able to get a bit, with the aid of crutches, happy to be back with her old friends. She is now in San Angelo with her son Glen Lewis and

QUICK TRIP

Marion Roberson made one of those quick trips down to Dallas the former to buy merchandise. She latter to book new merchandise left about 3 a.m. Wednesday and got back at night. These merchandise here could challenge any

LOCALS

Mr. and Mrs. John Lindsey and Olivern came in the latter part of the week from Littlefield to visit her parents Mr and Mrs. Ollie Nall. John is working in Plainview for a few weeks, his family remaining here temporarily.

Watch for The Grand Old Opry coming to Quitaque soon.

Mrs. Erma Piercy of Gruver was here last week visiting in the home of her sister Mrs. Ollie Nall.

LOST—A 1949 Flomot class ring, with the initials D. M. engraved on the side of the ring.—Donnie Martin. 37-1

R. S. Kimbell and family, and Mrs. A. B. Crump were here from Amarillo for a week end visit with their parents Mr and Mrs. S. H. Kimbell.

Miss Roberta Duck accompanied Mrs. Bert Degan of Turkey out to Hot Springs, NM., over the week end. They made the trip to take Mrs. Degan's mother, Mrs. T. H. Walters to the spa where she remained for treatment.

Mr. and Mrs. Foy Peacock and children and Mrs. Homer Gregg went to Iran, where they visited the latter's daughter Mrs. Glen Eustace and family, and brought Mrs. Gregg's mother Mrs. May Rose home with them to spend the winter.

Mr. and Mrs. Jack Holcomb spent Sunday in Amarillo visiting their daughter Miss Rinkey who is attending business college there.

Mrs. Garth Ingram spent from last Thursday until Saturday in Amarillo with Mr. Ingram.

Mr. and Mrs. Frank Gillespie and Linda Kay left this week for a visit with relatives in Arkansas.

Mr. and Mrs. H. A. Dockery and small sons of Cove, Ark., came in Tuesday to remain through the harvest season. Mrs. Dockery is the former Miss Betty Joyce Foster.

Marvin Tracy returned home Sunday from Artesia, NM., where he visited his brother-in-law J. W. Shaw and family, and tried to catch with a little fishing in the river. Marvin said fishing was so good he was pulling in two at a time. He also visited his brother

Willson and Son

"Where Most People Trade"

Wess Tracy and family at Roswell, NM.

Mrs. Alton Johnson and boys spent the week end in Amarillo with her mother and sister Mrs. Jim Tunnell and Mrs. Earl Hedgecock. They were accompanied by Mrs. I. G. Grundy who visited her daughter and husband Mr. and Mrs. Dick Witten.

FOR SALE—Building in Quitaque occupied by Flower Shop and Tailor Shop; \$3250.—Keyth Tiffin, Silvertown. 37-

Visitors of the Victor Halls over the week end were his brother C. C. Hall to Ada, Okla., and his sister Mrs. E. G. Vaughter of Byers.

Mr and Mrs Joe King and small son came down from Cactus the latter part of last week and returned home young Gary who had been visiting here. They also visited in Paducah with Joe's parents before returning home.

Don't miss The Grand Old Opry coming to Quitaque soon.

Attending the zone meeting last Friday of the Methodist WSCS which met at Hedley were Mmes. Bill Woods, W. R. Scott, Johnnie Cagle, Merrell and Roscoe Trostle and Mary Dean.

Mr. and Mrs. Kerr Hamilton visited in Sudan Sunday with his daughter and husband, Mr. and Mrs. Hubert Dykes.

Mrs. Roy Burgess has been quite ill the past week with a painful sinus infection.

Mrs. Buddy Morris and Mrs. Letha Mae Jacobs made a trip to Floydada Tuesday, the former to visit the optometrist and the latter for dental work.

Mrs. Shug Drake drove down Monday from Amarillo and brought her two daughters who remained for a visit with their grandparents Mr. and Mrs. Tracy Drake.

FOR SALE—New kerosene heating stove, \$15.00. See it at the Davidson Home Laundry. 37-1c

Capt. Onale Grundy left Wednesday by train for Dallas and by plane from there to report back to Fort Dix, NJ. Her mother Mrs. Jess Grundy accompanied her as far as Wichita Falls to visit her son Buddy Grundy.

Mrs. Chas. Gowin who is receiving treatment at the Ables sanitarium at Lubbock, came home for a week end visit, returning to Lubbock to continue the treatments.

Smooth Boyett went pheasant hunting the latter part of last week at Panhandle, Okla., and this week is wearing a bandage over his eye. Pheasant are scarce and hard to find, and Smooth strained his eye in the search.

FOR SALE—2 room house, 2 blocks north of Assembly of God church. Priced to sell. See Clyde Stone, Quitaque. 37-1

Mr. and Mrs. Joe Bedwell and Snooks and Mr. and Mrs. Gus Gibson, Mrs. R. F. Gibson and Glen and family, all took in the fair at Lubbock Tuesday and also met Mrs. Daisy Bedwell and Mrs. Barrett who were returning from Morton, and bought them on home.

Mrs. Billy B. Hutcheson and small daughter Marilyn Sue drove down from Amarillo Wednesday to take home young Ray Gene who had been here visiting his grandparents.

H. C. Wolfe of Coahoma, Texas is here visiting his daughter Mrs. Harve Foster and family.

The Grand Old Opry will be in Quitaque soon. Watch for the date.

Mrs. Barnett of Childress spent the week end with Mr. and Mrs. Harve Foster and family. Mrs. Barnett moved from Quitaque to Childress about 12 years ago.

Mrs. F. M. Sachse visited Wednesday with her daughter Mrs. Kit Williams at Carey, and reported that Mrs. Williams is improving from a serious illness.

FOR SALE—Seven weaner pigs; one 7 1/2 ft. one-way John Deere plow; one 1941 model GMC pickup. See Vaughn Hall, Quitaque 37-1fc

Quitaque went to the circus at Childress Tuesday. Some folks took their children, but lots of them just went because they never grew up themselves—or had never seen a circus. A fellow just don't get too old to enjoy the thrill and excitement of a good circus.

Mr and Mrs. N. V. Hamilton have returned from a delightful two weeks tour in New Mexico and south Texas, in company with her sister and husband Mr. and Mrs. Bill Weatherwax of Amarillo. They went through the caverns at Carlsbad, visited the McDonald observatory in the Davis mountains, visited the Kelly Tipps at Laredo, and leaving Mrs. Weatherwax there, went on into Old Mexico to view the city of Monterey. Mrs. Weatherwax had an unfortunate accident at Laredo, when she received a broken collar bone while swinging one of the small Tipps children, and was unable to make the trip into Old Mexico.

NOTICE—NO hunting or fishing is allowed on the Bert Hawkins places. The names of anyone caught or seen on places will be turned over to the game warden. All places are in game reserve. Signed, Bert Hawkins. 341fc

Their Eyes Open Now

Dissatisfaction with the Labor Government's handling of reconversion has produced several stories with an anti-Socialist trend. One is the story of little Mary, who told her teacher: "My cat has just had five brand-new kittens and they are all Socialists." The teacher (a Socialist) looked benevolent. "You must tell that to the school inspector when he comes," she said. But the inspector was six weeks late in visiting the school. Prompted by the teacher, little Mary told him: "My cat has five kittens, and they are all Conservatives." "But Mary," said the teacher, "that is not the way you told me six weeks ago." "No," said Mary, "they've got their eyes open now."

Read the Ads—It Pays.

Probably smallest daily in the state is the Cameron Daily Herald of which J. B. White is editor. Pages are the size of a sheet of typewriter paper, but the daily is news-

and well patronized by advertisers. August 8 will mark the 25th anniversary of the discovery of the great Luning oil field by Edgar B. Davis.

Reporter, Henryetta Finney
 We thought a few of us would be introduced this week.

Joyce Baker is keeping a certain Sophomore boy in line and I think he likes it.

Barbara Buckalew can never pay enough attention in class to get her Biology assignment.

Glenna Boyles has pretty well taken the male section of our class.

Madaline Owens doesn't have to worry about a boy friend this year since her Longhorn comes pretty often now.

Roxie Price seems more interested in a blue 1946 Nash than she does leading the pep squad.

C. L. Boggs is in a daze in English class. He talks all time. When

asked what about, he doesn't know. He sits between a red-head and a brunette. No wonder.

Ben Cross, our new curly head boy is more interested in everything than he is the girls.

Buddy Holcomb who tries to look like Van Johnson and oes a pretty good job of it.

R. W. Bull our boy who gets along with everybody including the teachers and the girls.

Blackie Stidham our cook in the sophomore class of 1948-49.

Roy Monk likes to spend an evening with Cecil Boyles once a week, in the Boyles home of course.

Wesley Bull keeps trying to rush Poss of to college. Wonder why?

Gorden Riley, who was that in your car waiting for Sadie, Saturday night?

Jo Dean Bedwell, our little red-head who can go with other boys besides Poss. You had better watch out.

Reba Jo Barrett the beauty of our class can't seem to keep a nice guy.

Patsy Brown thinks she would like to keep books at a gin.

Una Lee Duck seems to have lost out with that good looking boy she has been interested in.

Henryetta Finney seems to have lost all interest in football this last week. Just because some of the boys were unable to play.

James Baird whos eyes have turned to Turkey, is doing all right for himself.

La Juan Stell who keeps it a secret who is the man in her life.

Chester Wayne Hamilton makes eyes at all the girls during Algebra II class.

Jerry King, our football hero of the year is growing up as the girls go by.

Lynn Rhoderick is always imitating Mugs, but he will never be the angel Mugs is.

Ray Savage is loosing weight since he has one out of the drug-store life forever.

FRESHMAN NEWS

By Marie Owens, Aubrey Grundy

The Freshman class is doing fine. They have elected class officers.

President, Clara Ruth Woods; Vice President, James Davidson; Sec.-Treas., Granada Ann Miller; Reporter, Marie Owens; Assist. Reporter, Aubrey Lou Grundy.

Friday, as you know, freshmen were initiated by the Senior class. Well they didn't mind that. The girls wore dresses wrong side out, no make-up, no shoes, potato or onion around their neck.

The boys wore short pants and long shirts, lipstick, wore no shoes. Rather clownish weren't they!

They will work hard this year to make the grade. All is well except World History and it is not so easy.

As the first year in High School they find out lot they don't know.

METHODIST WSCS

The Methodist WSCS met Tuesday night in the home of Mrs. F. C. Benson with fourteen members present. Following the business session conducted by the president Mrs. Bill Woods, an interesting program was presented.

Mrs. Woods gave the devotional and Mrs. Venus Gillespie presented an interesting meditation on Opening the Door for Jesus.

The hostess served delicious refreshments of sandwiches, olives, pickles, orange cake and punch.

Those present were Mmes. H. G. Gardiner, Reg. Cushenberry, W. R. Scott, Weldon Starkey, B. C. Lan-norn, Bill Woods, Venus Gillespie, H. W. Cross, Mort and Frank Eaw-kins, Geo. Owens, Marvin Tracy, Minnie Mae Roberson and the hostess.

AT TULSA UNIVERSITY

Earnest Wayne Barbee, son of Mr. and Mrs. Thomas Barbee, Quitaque, Texas registered at The University of Tulsa this week as a member of one of the largest student bodies of the various colleges on the campus. Registration is possible only after rigid mental tests which admit only those considered eligible for specialized and individual college training.

IN THE ARMY

Mark Edwin Clay, son of Mrs. Mary E. Clay, Route 1, Quitaque, Texas, enlisted in the United States Air Force for a 3 year period in the grade of Private. Private Clay was sworn into the service on September 17, 1948. He departed for Lackland Air Force Base, at San Antonio, Texas where he will receive his basic training, and upon completion of this training he will be assigned to a tactical unit for specialized training.

NEW METHOD TO EXHIBIT AGGIE PRODUCTS AT FAIR

The fascinating story of agriculture in Texas will be presented in comprehensive exhibits at the Agriculture Show of the State Fair of Texas, Oct. 9-24. E. C. English, agriculture committee chairman, has announced.

City folk, farmers and ranchers alike will find the picture of Texas agriculture as portrayed in the growing crop displays at the 1948 State Fair, English said.

Agricultural exhibits at the State Fair will graphically point out the importance of Texas agriculture to her economy. Exhibits will show that total farm income for 1947 was \$2,442,687,000 which comes under the heading of big business in any language.

For the first time in the history of the State Fair a radically different method of presenting the story of Texas agriculture will be used. Spectators will see actual living crops on exhibit in various stages of growth and development. The story of the part which each crop plays in everyday life will be portrayed from seedling to finish product, from garden to dinner table, or from plant to manufactured articles.

From the farms and ranches of Texas will come members of the various organizations allied to particular crops to explain their exhibits to Fair visitors.

Texas A&M College will have one

of the most complete exhibits ever shown telling the story of study, research and development of all crops on exhibit at the Agriculture Show.

Another outstanding exhibit will be the Texas Research Foundation display of the study of soils. This display will acquaint visitors with the soil problems which might be encountered within a given area, and the development of good farmland from poor acreage.

One of the most outstanding exhibits in the Agriculture Show will be a showing of 40 growing var-

ieties of the most useful grasses in Texas. "Last year, income from Texas livestock industry amounted to more than \$996 million", English pointed out. "This fact alone establishes the importance of grasses as one of our major crops."

Other crops on exhibit at the State Fair will be wheat, grain sorghums, cotton, forests, corn, rice, oats and barley, citrus, alfalfa, Irish and sweet potatoes, sugar beets, popcorn, pumpkins and melons, roses, pecans, clovers and gumes, tung trees and various vegetables.

Attention Farmer

WE HAVE A MT. VERNON SEEDING ATTACHMENT for your Hoeme Plow to make a wheel

We also have some good 4-wheel ers for that cotton crop.

A very nice Oden Beauty Range, Elg. Steel Cabinets, 8-foot Woolrack Deep Freezer, Hot Water Heaters & Bath Room Sets.

HOME EC. CLUB NEWS

The Flomot Home Economic club was organized September 11. The officers are: Sue George, president; Virginia Welch, Sec.-Treas.; Charlotte Purdy, Wanda Gilbert and Jean Pigg, Recreation Chairmen, Joyce Tiffin, Janella Jones, and Betty Jo Slover, reporters; Joan Turner, Erma Nall, Beutonne Cromer, Peggy Jane Gunn, Wilma Jean Huges, Frances Jones, program committee.

The club met again September 26. The minutes were read and approved. We decided to make a dress form at our next meeting, and then set a date for making them for the public.

Anyone wanting one made, make arrangements with Sue George. The price was set at \$4.00 without the stand. Information on the day they will be made will be announced at the next meeting, Oct. 8.

FRESHMAN NEWS

Reporter Emma Jean hit forl We had a football game Friday night. As you know we played Quitaque and beat them. The pep band suits were really sparkling. They are maroon and white. That's all I say about football except we are going to play Silverton Friday night.

Phone has been ringing for the last few days. Could it be from Joe?

Roller Skating

2:00 — 4:00

Saturday and Sunday Afternoons

Turkey, Texas

Mr. and Mrs. Don Masterson

Mary Ruth and Junior are alright except Junior hasn't been to school lately. I'm fine myself. As for Dudley Mansell he hasn't been coming to school in quite some time. He probably is planning on getting married, since he is working and making so much money. Well that's all of us folks—a little class aren't we?

SENIOR SCRIBBLE

By Joyce and Iva Mae

Well it looks as though Iva Mae and I will be writing the news until Sylvia comes back to school.

It was nice to see everyone with a smile and so jolly over the big victory we won Friday night. We are really proud of the boys and their swell sportsmanship. The score between the Longhorns and Panthers was 26-0.

The Senior class had a big get-together last Tuesday night and went skating at Turkey. Everyone there had a big fall, including Joyce. Which reminds me did the manager ever get the water fountain fixed? After skating hours we journeyed down to a watermelon patch, or should have I said "pumpkin patch"? Jack, I didn't know your car could drive so fast. To finish this paragraph I'll tell you about a '36 plymouth outrunning a '42 chevrolet. Just ask Bettye, Iva Mae, Mary and Joyce. Or could it have been the ole plymouth played "hide and go seek"?

Say, Bettye how did you like the show at Matador Sunday?

And Red (O. D.) all the girls envied you the shoes you wore to school the other day. Could they have been Barbara Jo's?

Iva Mae what was the name of the article you were "Reed-ing" Sunday? It couldn't be an advertisement about sweet potatoes and a public swimming pool.

Jack who taught you all those monkey tricks you try in Book-keeping everyday? Reckon Wilburn will know?

It seems as though Wanda Pearl is keeping up on Plainview. I wonder why? Or it may be the Football Captain.

Jane and Richard are doing ok. these days. I haven't seen any books flying yet.

Oh yes, lets not leave Bill Dean and Ervin out. I'd like to see those pictures Erma and Boo Boo took

of you guys in your football suits.

Donnie lost his class ring at the Panther field last Friday night. If anyone finds a '49 class ring with a big F, you will know who's it is.

Items of Interest From the SCS Office

The regular monthly meeting of the supervisors of the local Cap Rock Soil Conservation was held Sept. 8, in Silverton, Texas. The following members were present: Earl I. Cantwell, Chmn of the Board; Bill Helms, and Luther McJimsey. Visitors that were present are: Sid Payne, Tulia, Member of the State Soil Conservation Board; Louis B. Dawkins, Plainview, Engineer for the State Soil Conservation Service; and Jesse D. Jenks, Tulia, Acting District Conservationist, Soil Conservation Service.

Plans were made to elect a supervisor in zone no. 5 in the southeast part of the District. Election will take place on October 5, 1948 and all landowners within this particular zone will be eligible to vote. This zone is bounded on the east and south by county lines, on the west by the cap rock and on the west by Little Red River.

The board of Supervisors for the local Cap Rock Soil Conservation District is composed of 5 members, each member is elected for 5 years and one new member is elected each year. Eligible candidates must be actually engaged in farming or ranching and must operate land within the zone of the District for which they are elected.

John Haynes, cooperater in the Hay Lake group had SCS technicians lay out a drainage ditch this week. This ditch will drain excess water accumulation into farm pond to be used as stock water.

Irrigation ditch lines were run for Elmer May Tuesday. Mr. May lives in the Montague Soil Conservation Group.

A. J. Rowell, a cooperater of the Vaughn Soil Conservation Group, is planting about three acres of improved pasture this week for hog pasture. Mr. Rowell is planting a mixture composed of Alfalfa, Perennial rye, Crested wheat and Smooth Brome. This mixture is being planted for safer and better grazing for cattle in case it is not fully stocked with hogs.

Development of rice drying plants in Southeast Texas has radically changed the rice industry.

FERTILIZER SALES INDICATE REBUILDING OF SOIL

Last year's fertilizer sales in Texas were five times those of 1936, according to Dr. J. F. Fudge, State Chemist of the Texas Agricultural Experiment Station.

If fertilizer sales are any indication, the farmers of this state are feeding the soil to fatten the crops. For the fiscal year 1947-48, Texas fertilizer sales amounted to over 451,000 tons.

Compare this with only 85,000 tons back in 1936-37. The 1939-40 records show an increase of 116,000 tons. And just a year ago in 1946-47 the sales were slightly over 401,000 tons.

Dr. Fudge says the big increase in the use of fertilizers since 1936 is because more people are finding out that increased yields from fertilizers are paying off. When prices are up, it means a difference between profit and more profit for the farmer. But when prices are down, it means a difference between profit and loss.

The big thing that is limiting the amount of fertilizer Texas farmers

will use under present conditions is the supply. Tight, now, the demand is far more than can be supplied. There isn't enough to go around to everybody who wants it. Slowly Texas is building her soil.

Deferred Trip

A Scottish teacher was explaining a Scripture lesson to a class of disinterested, inattentive scholars. Suddenly inspired, she said, "Hands up those who would like to go to heaven."

Interest was awakened. Up went a forest of hands.

Only one little fellow remained unresponsive. His neighbor, noticing his glum and silent attitude, gave him a sharp nudge with his elbow and said, "Hand up your hand, man. Ye're no gaun there noo."

ATHLETES FOOT GERM HOW TO KILL IT. IN ONE HOUR.
