

# THE QUITAQUE POST

YOUR HOME-OWNED NEWSPAPER

VOLUME XXII

QUITAQUE, BRISCOE COUNTY, TEXAS

THURSDAY DECEMBER 2, 1948

5c Per Copy

NUMBER 46

## This And That About One Thing and Another

The Methodist women have closed their drive for subscriptions to The Post, and the publishers wish to thank all for their splendid support of the women's effort. Also the ladies are very grateful for the nice cooperation they received.

However, they did not get to see everyone, so please check the date of your subscription, stamped beside your name on the paper, or on the wrapper if you live out of town. We have no way of knowing whether or not you want to continue receiving The Post unless we hear from you. Please let us hear. And many thanks to those who have recently renewed—and to the many new subscribers.

A gift subscription this week (either birthday or Christmas gift) goes to Mrs. E. G. Rice at Tyler, from Miss Minnie Mae Roberson. A much appreciated renewal came from Dr. and Mrs. Price at Lubbock who say "we still miss our Quitaque friends and want to keep up with them thru The Post."

Mrs. Sterling Herrington brought in a renewal for her sister, Mrs. Mollie Chambers in Bakersfield, Cal.

Perhaps some of the youngsters have noticed that there is a box in the window at The Post where they may deposit their letters to Santa Claus, if they wish. The letters will be published in the issue of the Post just before Christmas, and that will be plenty of time for Santa to receive them.

With Thanksgiving a week away, Christmas is drawing closer—faster every day. The store windows and counters have tempting arrays of lovely items for remembering those you love, and the merchants are hoping that you will do your "Christmas shopping early." The Christmas lights were turned on down town Wednesday night, the first load of Christmas trees arrived, and Christmas is just around the corner.

A Christmas innovation at Willson & Son is the fine new wrapping counter. The polished and beautifully finished counter is much too nice to be only a temporary accessory, but the accented need at Christmas time for a convenient place to wrap packages inspired the new counter. Boss Johnson is proud of the new adjunct and the force is experimenting on fancy bow-tying—particularly Durwood Lewis. Go in and let Durwood fix up a package for you. It will really be sumpin'.

An interesting coincidence which we would like to note this week is that three ladies who are living together at present, all celebrate their birthdays on the same day. Mrs. John A. Johnson, who is in Coolidge, Ariz., for her health, is staying in the home of Mrs. A. L. Trout, and another elderly lady also is in the home with them, "Aunt Bill" (we don't know her surname). All three celebrate their birthday on December 12.

Here's that taffy recipe the youngsters asked for. Sounds good, hope you boys who asked for it have good luck—let me know how your efforts turn out.

**TAFFY CANDY**  
—Mrs. C. P. Richmond  
2 cups sugar 1 cup water  
1 level teaspoon cream of tartar  
1 rounding teaspoon butter  
Put the sugar and water over the fire. When sugar is melted stir in the cream of tartar dissolved in a little water. Cook ten minutes with out stirring. Then add the butter and cook until it will harden when tested in cold water. Add flavor to taste and pull until white.

**HONEY FLUFF**  
3 cups granulated sugar  
½ cup honey ½ cup water  
1 teaspoon lemon extract  
2 egg whites  
Boil until the syrup will harden when dropped in cold water, then pour slowly over well beaten egg whites of the eggs. Flavor and beat until stiff enough to drop on buttered paper. Chopped nuts or coconut may be added.

Ben Chandler came in Friday from South Texas where he had been hunting deer—and stayed until he found one. He brought in some meat and antlers.

## Basketball Squads Face Busy Season

The Quitaque Panthers played four exciting basketball games this week, three of which were victories.

The A & B girls journeyed to Turkey Wednesday afternoon with the purpose of defeating the Turks in two games. The A squad won by a large margin. Stark, McFall and Price sacked up the goals scoring 27 points, with McFall as high point man, making 11 points. On the opposite end of the court the Quitaque guards held down the Turks to only 5 points. The guards playing were Woods, Barrett, Bedwell and Duck. Bedwell has been out of practice with a foot injury for three weeks, but is back with us now.

The B girls put up a terrific battle but were defeated 10 to 6. Playing forward were Merrell, Honea, Neatherlin and Clara Ruth Woods, with Merrell high point man. Guards were McCracken, Grundy and Finney. Woods played the last half as guard.

Wednesday night the Matador A & B boys came to Quitaque and were defeated by the heroic Panther Boys. Playing on the A team were Rhoderick, Holcomb, Lewis, Monk and Farley. Substitutes were Ingram, Riley, Ramsey and Boggs. Riley had a slight leg injury received during practise last week. High point man was Holcomb, scoring 16 points. The final score was 32 to 21. The boys have a very promising team this season.

The B team players were Carl Lewis, Ray Doyle Ramsey, Curtis Monk, Bobby Slayton, and Lynn Hamilton, with quite a few substitutes. They were victorious with 23 points to Matadors 11. Ramsey was high point man with 10 points.

We are scheduled to go to a tournament at Flomot this week end and are going to take four teams. We are going to do our very best to win four high places.

The Matador tournament begins Wednesday, Dec. 8 with sixteen schools entered. The Panther squads are going to put up a good fight and hope to come home with some trophies.

The basketball players would like to take this opportunity to thank you for your cooperation and backing in the games thus far.  
—BB Reporter

## BALLOTS MAILED FOR ACA VOTE

It was announced today by Milton G. Martin, Administrative Officer of the Briscoe County Agricultural Conservation Association that ballots have been mailed to each eligible voter and their wives. All voters are urged to vote in the election of community committee-men and delegates to the county convention.

The voting will be by secret ballot Mr. Martin stated, therefore it will be necessary for each voter to mark the word ballot on the outside of the envelop. Then when the envelop reaches the county office, it will not be opened by mistake. It was also requested that your name be placed on the outside of the envelop so that the election judge can determine whether or not ballots are voted by eligible voters.

## CEMETERY ASS'N. NEEDS YOUR PROMPT RENEWALS

Again we are asked to remind that Quitaque Cemetery Assn. dues are due, and the money is badly needed to take care of outstanding bills. Please send your checks directly to Quitaque Cemetery Assn., or Miss Jane Hughes, treasurer; or leave the money with Alton Johnson at the Willson & Son Hdw. Annual dues are \$5.00.

Boosters for Santa Claus Day in Plainview, Friday, Dec. 3, stopped in Quitaque in the early afternoon Tuesday advertising the big event and some excellent music furnished by the high school band. The pretty young majorettes presented a sparkling few minutes entertainment—and Tipps Hamilton, son of Mr. and Mrs. P. C. Hamilton, who blows the big horn in the band, was warmly greeted by a group of relatives and friends who happened to be present.

Mr. and Mrs. Homer Sanders, Jr., of Muleshoe visited friends here Sunday and were dinner guests of Mr. and Mrs. Alton Johnson and children.

## Lewis Boy Dies When Tractor Goes In Canyon

Funeral services were held Saturday afternoon at 2:30 at the Whiteflat Baptist church for J. W. Lewis, 20 years old. Rev. Bean conducted the service, and interment was in the Whiteflat cemetery.

Pallbearers were Jack Carter of Roaring Springs, Ordean Allen and Bill Rice of Amarillo; Willard, Millard and Watt Crump of Barton community.

The young man, who celebrated his 20th birthday last November 15, was found dead at the bottom of a canyon near the Barton Community, Thursday afternoon, Nov. 25.

Lewis, who worked for Watt Crump of Barton, had left the Crump home riding the tractor, between 7 and 8 o'clock Wednesday night. His parents had not worried about his being away from home all night, as they supposed he was staying with other members of the family, or had remained at the Crump home.

Thursday afternoon, about 1:30 o'clock, Mr. Crump, while driving by the canyon, noticed some machinery at the bottom of the 12-ft. gully and walking over to the edge for a closer view, discovered the young man's body. The justice of the peace and undertaker from Matador were called and examination disclosed that death must have been instantaneous. The body was under the tractor, an old model machine with fenders, and besides a deep gash on the head just back of the ear, the throat was cut deeply, and a deep gash on the shoulder.

Lewis, who was born November 15, 1928 at Elk City, Okla., was the son of Mr. and Mrs. Bill Lewis of Barton. Besides the parents survivors include two brothers, Dorman and C. B. Lewis, both of Barton community; and 7 sisters, Mrs. Hardy Berryman of Amarillo, Mrs. Frank Rice and Mrs. Helen LeForge, Bernice, Wanda, Dorothy Mae and Moline, all of the home address.

The Lewises formerly lived at Quitaque.

## MARRIAGE ANNOUNCED

Announcement is made of the marriage on Sunday, Nov. 28 of Mrs. Olga Hedgecock of Amarillo and Price Colwell of Amarillo. The vows were spoken a Canyon Sunday evening, directed by the Methodist minister.

They will make their home in Amarillo where Mr. Colwell is associated with the Joe Shields Electrical Appliance Co.

## MOREHEAD-BRUMMETT RITES

Miss Rosa Etta Morehead, daughter of Mr. and Mrs. Jess Baker of Amarillo became the bride Tuesday afternoon of Maxwell D. Brummett, son of Mrs. Bill Brummett of Quitaque. The ceremony was read by a minister of the Church of Christ in his home at Amarillo. The couple were unattended.

## NEWCOMER

A daughter was born last Wednesday at a Clovis, NM., hospital to Mr. and Mrs. Willie Amel Smithee. Mrs. Smithee is the former Miss Mary Charlotte Tunnell, daughter of Mr. and Mrs. Clyde Tunnell of Silverton. The baby weighed 7 pounds and 3 ounces and was named Mary Suzette. Grand-ma Tunnell was in Clovis with the little family, who were reported getting along nicely.

## GINNING REPORT

Cotton is still coming in, though not as rapidly as last year. The two gins reported 4,586 bales to Thursday morning, compared to last week's report of 4,289 bales. The two gins last year turned out an average of 500 bales per week.

Mrs. Willie Smylie spent the Thanksgiving week end with her daughter Mrs. R. E. Hardberger and family at Booker, Okla., and the Hardbergers brought her home Sunday evening. She reported a pleasant visit with the children and grandchildren, though they were "snowed in" the whole visit.

Visitors last week in the Buster McCord home were Mrs. Roy Whitaker of Actouras, Cal., Mr. and Mrs. Troy Bunn and daughter and Mr. and Mrs. M. L. Bunn of Del Rio and Mr. and Mrs. Foy E. Bunn of Claude.

## Miss Trula Gilbert And Wilburn Martin Wed

A romance which began in grade school culminated last week in the marriage of Miss Trula Gilbert, daughter of Mr. and Mrs. H. S. Gilbert, and Wilburn Martin, son of Mr. and Mrs. Wade Martin, of Flomot. The couple exchanged nuptial vows Wednesday afternoon, Nov. 24, at Vernon.

Both are teachers in the Flomot high school, and when school dismissed Wednesday afternoon for the Thanksgiving holidays they drove to Vernon for the ceremony, and from there went to Oklahoma for a wedding trip and visited friends in Anson and Abilene before returning home.

Both young people are graduates of the Flomot school, she with the class of 1945, and he with the class of 1944. Mrs. Martin attended Wayland college at Plainview, and WTS at Canyon. Mr. Martin attended Texas A&M, and West Texas State.

During the months previous to their wedding the couple had made ready a small house in Flomot for their home. They had papered and painted and renovated, and had moved their furniture in, including a fine steel sink cabinet, bedroom suit, living room and dinette suits. When they returned home Sunday evening from their honeymoon, they moved all of their clothes and other personal belongings into the little home, and were resting at her parents', when they were notified that their home was on fire.

When the blaze was discovered, the fire had made too much headway to save anything, so all of their furniture and clothes were complete loss, and of course they had not had time to get insurance. It was presumed that the fire was caused either by faulty wiring, or a butane stove.

## EX SENIORS HAVE BIG DINNER IN HOLCOMB HOME

A gala Thanksgiving affair was the dinner for the ex-seniors given Thursday evening in the Jack Holcomb home. There were eleven seniors in the 1948 class and all were present for the gathering.

The table was beautifully decorated featuring a centerpiece of autumn leaves and fruit. Dinner was served by candlelight. Baskets of candy marked the places.

The menu consisted of chicken and dressing, giblet gravy, corn, creamed potatoes, pineapple and carrot salad, hot rolls, pumpkin pie and whipped cream and hot chocolate.

Those enjoying the affair were Bobby Jack Ham, Kenneth Hamilton, Earnest Barbee, Tad Persons, Truman Merrell, Arthur Patrick, Betty Jean Boling, Sue Barrett, Othella Woodruff, Ima Lee Morris and Rinky Holcomb.

## LIONS MEET AND PLAN TO ENTERTAIN THE LADIES

The early issue of The Post last week missed the report of the Lions Club meeting, the members attending stating that they enjoyed an excellent feed furnished by C. E. Bedwell, Bro. Riley and Travis Morrison. The menu included ham and taters, pumpkin pie and ice cream.

The program included a talk by Mayor Roberson on the highway situation, etc. Also a Christmas party was planned, with food (as always) the big feature, and the ladies to be guests of the Lions. Date for the Christmas party was set for December 16.

Fourteen members were present at the Wednesday meeting.

## DINNER PARTY IN NEW HOME

Mr. and Mrs. E. J. Hamilton were hosts Sunday to a delightful dinner party in their new home. This was the first big party in the new home and turkey dinner, with all the accessories were served.

Mr. and Mrs. Buford Bowning and daughter Eleanor of Fluvanna, spent the night in the Hamilton home. Others present were Mr. and Mrs. E. L. Boyett and Jimmy, Mr. and Mrs. Jake Merrell and Warren Lee, Mr. and Mrs. M. L. Roberson and the hosts.

Mr. and Mrs. O. L. Payne drove to Sulphur, Okla., last Wednesday and returned home his mother Mrs. W. C. Payne who had been visiting her children here through the fall. The Paynes brought his small daughter Barbara back with them to visit until Christmas.

## LAST RITES IN KANSAS FOR MRS. ODELL SETLIFF'S FATHER

Mr. and Mrs. Odell Setliff and small sons left Quitaque Friday, Nov. 19 to attend her father Fred M. Lewis at Oleta, Kansas. Mr. Lewis became ill suddenly, and with a heart affection, and his family was called to his bedside. He passed away Sunday, Nov. 21, at the age of 63, and funeral services were held November 24 at Oleta.

He is survived by the wife, Mrs. Bessie Lewis of Houston; one son Robert of Kansas City, and six daughters, Mrs. Lorain Giffin of Kansas City, Mrs. Ruth Holdhouse of Oleta, Mrs. Eloise Kelly of Houston, Mrs. Patricia Roberts of Boston, Mass., Mrs. Alice Carver of Kansas City, and Mrs. Nettie Setliff of Quitaque; and six grandchildren.

Mr. Lewis was formerly a newspaper man with the Kansas City Journal. In later years he was associated with Gallups Map and Supply Co., as national sales representative. He traveled extensively over the United States and frequently came to this area where he was widely acquainted.

## S. C. CLARK OF AMARILLO NEW OWNER OF PIONEER DRUG

Mr. and Mrs. Garth Ingram sold the Pioneer Drug Store last week to Mr. S. G. Clark of Amarillo, who has taken over operation of the business. Mr. Clark stated that there would be no changes made in the business, and he invites all the folks to come in and make his acquaintance. Laverne Lanham and Sue Barrett are still with him, so you will find old friends and new ones at the Pioneer. Also Mrs. H. K. Carpenter, Jr., and Inky Ingram remain on the force.

Mr. and Mrs. Clark and Mrs. Clark's mother, who is a semi-invalid, will occupy the apartment above the store.

Mr. and Mrs. Ingram brought the Pioneer in the spring from C. R. Badgett, and the family moved to Quitaque from Amarillo. However, Mrs. Ingram's health has not stood up under the long hours, and they decided to sell. Two of the family will remain in Quitaque, a daughter who married a Quitaque boy, Mrs. H. K. Carpenter, Jr., and the son Inky who will remain to finish the school term.

## MISS SADIE MARIE BOYLES IS BRIDE OF PRESTON PRICE

Miss Sadie Marie Boyles, daughter of Mr. and Mrs. Cecil Boyles became the bride of Preston Price, son of Mr. and Mrs. Cecil Price, Friday evening at 7:00 p.m. Buster Mullin directed the exchange of vows in his home.

Mr. and Mrs. Boyles accompanied the young couple for the wedding. The attractive young bride wore a taffeta dress of black and gold.

They will make their home here where Preston is engaged in farming, living with his parents until their house on the farm is ready.

## THE FRANK WISE FAMILY HAS MOVED TO PECOS

Mr. and Mrs. Frank Wise and Odus left Tuesday for their new home at Pecos. The Wises sold their home at Quitaque several months ago to Bill Meyer, and his brother and family will move to the place.

Mr. and Mrs. Wise had lived on the place, northeast of Quitaque since 1919. They came to Quitaque in 1903 two years after they were married, lived here for a while, then moved back to Louisiana and stayed 2 years, then returned to Quitaque and had been here since.

In 1919 they leased the place north of town which they bought in 1921. Their three children were born at Quitaque, Odus, Hood, who now lives a Morton, and Haney, who is now Mrs. Joe Taylor and lives at Fort Worth.

Mr. and Mrs. Wise are moving to a pretty five room modern home in Pecos and will farm their 120 acres of irrigated land which is located two miles from town. Mrs. Wise says she is going to raise flowers and vegetables, and Frank says he had a new barrel put on his gun before he left, and while his irrigated farm is producing bumper crops, he is going to shoot bear. And they invite their Quitaque friends to visit them, and not forget them. They made sure the Post would follow them so they could keep up with the old friends here. The Wises will be missed here, but their friends extend best wishes and trust that all their hopes in their new home will be realized.

## BAPTIST CIRCLES MEET IN HOME OF MRS. S. T. BOGAN

Both circles of the Baptist WMS met Tuesday night in the home of Mrs. S. T. Bogan for a program in connection with the Lottie Moon Week of Prayer.

The service opened with the group singing "It Came Upon A Midnight Clear," followed by prayer led by Mrs. Roy Burgess.

Theme of the program was What the WMS Does For Missions at Christmas. Mrs. Bill Rucker directed the study. Presenting parts on the program were Mrs. John T. Rogers, Jr., Mrs. A. E. Gragson, Ms. Ray Riley and Mrs. Roy Burgess.

Delicious refreshments of cheese sandwiches, date loaf cake, cocoa were served to Mmes Rogers, Jr., Ray Riley, A. E. son, Jim Stroup, Reg. Cushey, Bill Rucker, Buddy Morris, Gilbert, O. W. Stroup, Roy N. B. Herrington, Gladys Dunavant, Clarence hostess and Frances H.

Soil Conservation Service technicians ran irrigation ditch lines this week for E. J. Duncan, a co-operator in the Matthews Group. Mr. Duncan plans to do some extensive irrigation land preparation in the near future.

A topographic map was made this week on the Ennis Autry farm located in the South Silverton Group. Soil Conservation Service technicians will use this map in planning an improved method of irrigation water application on Mr. Autry's farm.

Artificial application of water to land is called irrigation. Most irrigation methods allow water to flow over the land providing opportunity for infiltration. There are a few exceptions, as sprinkler, subsurface and basin methods of applying water, however, they are not used to any extent on the High Plains.

A method of distributing water uniformly on flat or level areas is called "level irrigation." This consists of uniform strips of land separated by small levees or borders. The primary object is to hold all the irrigation water and rainfall. This method reduces waste and affords maximum use of water.

Farmers on the High Plains report that level irrigation required less labor and skill than other methods. Lowered operating costs and increased yields resulting from level irrigation makes it more profitable to farmers.

S-Sgt. B. J. Clark came home Saturday to spend the Thanksgiving holidays. However, he was called back Tuesday afternoon, making a rush trip to Lubbock, where his commanding officer met him in an A-26 to take him back to Randolph. His mother says the visit was nice but certainly began and ended abruptly.

Rev. and Mrs. Roscoe Trostle and Mary Dean spent Thanksgiving with her brother M. E. Gossett and family at Lipscomb.

### HIGH & LOW BLOOD PRESSURE CAUSE HAS BEEN DISCOVERED

and a medicine has been formulated in a single tablet to be taken orally in your own home, no dieting, no restrictions of any kind. After being examined, and all symptoms recorded, take the medicine as directed for thirty days, and if not satisfied, return, be re-examined and if there is no reduction in blood pressure, your money for medicine and professional service will be returned. Records of all cases are kept and are open to inspection by anyone who cares to investigate. This is a new discovery.

#### BIKE ACCIDENT

Mrs. Jess Grundy received very painful injuries last Wednesday evening about dusk, when she and J. V. James, a young fellow about 13 or 14 years old, had a collision. Mrs. Grundy was walking home

from a visit with her son Jean and family, when she met the boy on his bicycle, and they failed to "avoid" each other.

It was late in the evening and visibility was low. Mrs. Grundy received severe bruises on her limbs and back and cuts and scratches on her face. She was in bed several days as a result and this week was still quite sore. We did not learn if J. V. was injured in the fall.

Pete Rice returned home Tuesday night from a market trip to Dallas, and he must have found plenty to buy at market since he was gone two days, and Pete never wastes any time enroute. He came in with his car loaded, making the trip alone so he'd have lots of room to bring stuff back with him.

Venus Gillespie has bought the bakery at Crobyston and the past week he has been busy moving the equipment into another building, and getting settled in the new location. Venus says he is delighted with his reception at Crobyston and very hopeful that the business will be successful for him. Mrs. Gillespie and Venus, Jr., will remain here for the time being—or until a house can be secured for them at Crobyston.

In a report from Gasoline on the Thanksgiving fete held last Thursday evening, the ladies stated that attendance was even better than they had hoped for and everyone had a nice time. Everyone who wishes to be included in the annual Christmas party at Gasoline is asked to notify Mrs. Leon McCracken or Mrs. Sid McFall by Dec. 12—so their name will be sure to be included.

Monday night, another small blaze at the Gilbert Gin at Flomot destroyed three bales of cotton. No other damage was reported.

Supt. and Mrs. Mack Alison, of the Flomot school, were notified during the Thanksgiving holidays of the death of Mrs. Alison's father in East Texas. They had not returned from the funeral service but the school reopened for classes Tuesday.

#### LOCALS

Mr. and Mrs. George Owens and family and Mr. and Mrs. Bill Ebbs of Plainview spent Thanksgiving Day in Lubbock where they attended the Post-Lockney football game.

Mr. and Mrs. Allen Bingham and small Sharan spent Thanksgiving Day with her parents Mr. and Mrs. Clarence Goins at Floydada, and the men drove to Lubbock to see the Lockney-Post football game.

Mr. and Mrs. W. J. Petty and family of Amherst were here Thursday to spend Thanksgiving Day with her sister and husband Mr. and Mrs. E. J. Hamilton.

Robert Hamilton was home from Baylor at Waco to spend the Thanksgiving holidays and Sunday his parents Mr. and Mrs. N. V. Hamilton and Robert drove to Denton where they visited with Miss Hope Hamilton and other relatives before Robert returned to school and Mr. and Mrs. Hamilton returned home.

Monday night that his father, R. W. Gragson in Las Vegas, Nevada, was seriously ill. Tuesday morning, Mr. Gragson, his brother, Nelson, of Happy, and a sister, Mrs. J. L. Delaplain of Ada, Okla., drove to Nevada. No further word has been received of the father's condition, at this time.

Mr. and Mrs. Ralph Carter and children spent Sunday with the L. A. Broxsons at Dumas.

Tad Persons came in last Wednesday to spend the holidays with his parents Mr. and Mrs. J. T. Persons. Tad looks mighty fine in his uniform. He is a student at John Tarleton, Stephenville

Mr. and Mrs. Bert Mayhall moved this week to Amarillo.

Mrs. R. J. Ingram of Amarillo spent last week end here with her son Garth Ingram and family.

FOR SALE—1949 model custom built Ford; new. — John Gaida, Quitaque Hotel. 48-1

Mrs. Jim Tunnell returned home to Amarillo Friday after several weeks stay here with her daughter Mrs. Alton Johnson and family. Mrs. Tunnell came to help look after the boys and their new little sister, until Mrs. Johnson was able to be about again.

#### Farm & Ranch Chatter

By Layne Beaty

They tell us that dirt blowing has already started on the plains, which means we'll have a dust bowl of some unknown proportions this winter.

The Hockley county soil con-

servaion district supervisors have described the wind erosion condition there as serious. They have made some emergency recommendations, including the deep plowing of sandy lands and chiseling of listing of shallow lands and moderately sandy lands that don't have adequate cover.

Also to delay listing as long as possible on land that has adequate cover of sorghums, which would prevent blowing. Another recommendation is to use the sweep or the chisel type plows so as to leave all of the stubble on the surface of the land.

There is a better chance to prevent blowing this year than in the "dirty 30's", they say because of the intense farm mechanization program that has taken place since that time.

In Lubbock county, the soil conservation district supervisors un-

animously agreed that one-way plows should not be used to break land now.

A camel is only a warped horse.

NOTICE—NO hunting or fishing is allowed on the Bert Hawkins places. The names of anyone caught or seen on places will be turned over to the game warden. All places are in game reserve. Signed, Bert Hawkins. 34tc

### Rheumatism

In a 48 page booklet, a committee of 12 of the nation's leading doctors have issued a complete report of years of research on rheumatism and arthritis. From their findings a formula called Ru-Tel was then tested by physicians and clinics and has achieved remarkable results in relieving the pains of rheumatism, arthritis, backache and neuritis. Ru-Tel Tablets are pleasant to take, do not upset the stomach—give quick soothing relief, sometimes overnight. Now Ru-Tel Tablets are available through all druggists. First bottle must help or your money refunded.

## To All of Our Friends And Customers . . .

We want to say "Thanks" for the splendid business you have given us during our stay in Quitaque.

We have sold the Pioneer Drug to Mr. S. G. Clark of Amarillo and we'll be leaving in a few days. We want you to know that we greatly enjoyed being here with you and serving you. It has been nice knowing you, and we'll always remember Quitaque folks with pleasure.

We hope that you will give Mr. Clark the same fine patronage and cooperation you have given us, and we assure you that he will do his best to please you.

### Mr. and Mrs. Garth Ingram

## To the People of This Area:

Having bought the Pioneer Drug from Mr. and Mrs. Ingram, I have taken over operation of the business and am anxious to meet all of you. I extend a cordial invitation to all to come to the store and let's get acquainted.

There will be no change in the force—and mine is the only new face in the personnel, so you will feel at home.

We're here to do our best to please you, with the best in quality merchandise, and friendly, courteous service.

Come In and Visit Us — You're Always Welcome.
