## Crash Claims Life

Juan Ricardo Talamantes, 21 years old, was killed last Sunday afternoon about 5:45 in an automobile accident 4 miles east of Quitaque on the Turkey highway.

As far as can be determined there were no witnesses to the accident and it appeared that young Talamantes lost control of his late model car, and flipped over, winding up in the edge of the cotton field alongside of the road.

The car was heavily damaged, and according to Johnny Cagle, who towed the car back to town with his wrecker, the engine was broken completely loose and fell out on the ground when he picked the car up.

Talamantes was alone when the accident happened.

Juan Ricardo Talamantes was born Feb. 8, 1940 at Big Welles, Texas, and the body was sent back there for burial. He is survived by his parents, Mr. and Mrs. Florencio Talamantes; three brothers and one sister.

## HAS TONSILS REMOVED

Patsy McDonald had her tonsils removed last Wednesday at Lockney General Hospital. Although she suffered some complications, she is reported to be recovering satisfactorily at this time.

Randy Stark entered West Texas Hospital in Lubbock Wednesday for a tonsilectomy.

## Ray Gene Hutcheson To Be Quitaque's First Eagle Scout

The South Plains Council of the Boy Scouts of America is holding its Fall Court of Honor in Ford Memorial Chapel of the First Baptist Church in Lubbock next Sunday, October 29, at 3 o'clock in the afternoon.

Ray Gene Hutcheson will be promoted to the rank of Eagle Scout at the Court.

Ray Gene, son of Lela Mae Hutcheson, is the first member of a Quitaque Troop to every reach the rank of Eagle Scout.

This is an attainment for which a boy can be very proud as it calls for many months of hard work, earning many merit badges, which also means learning how to do many new things and mastering a variety of crafts. He must know how to swim, cook, perhaps how to work with leather, textiles, or a host of things too numerous to mention.

Quitaque is proud to have an Eagle Scout in its midst and congratulations are in order not only to Ray Gene, but to his Scoutmasters, Paul Bailey, John Fulton, and others who had a part in helping Ray Gene attain the goal that every Boy Scout hopes someday to reach.

## ATTENDS FOOTBALL GAME

Mr. and Mrs. Odell Johnston and boys attended the football game at Canyon Saturday night between West Texas State and Hardin-Simmons. They drove through Palo Duro Canyon on a sight-seeing tour before going to the game. Others attending the game from here were Coach and Mrs. Jim Roberts, Mr. and Mrs. Bill Woods and Earl Lee, and two car loads of Quitaque girls attended the giant Pep Rally before the game.

Mr. and Mrs. Leroy Hamilton and family attended the football game at Canyon Saturday night between West Texas State and Hardin-Simmons.

W. E. Helms of Children came by Saturday afternoon for his son, Johnny, and took him to see the Texas Tech-Baylor football game at Lubbock.

Mr. and Mrs. Herman Tracy of Casa Grande, Ariz. are visiting his parents, Mr. and Mrs. Marvin Tracy.

## 1962 UPLAND COTTON QUOTAS ANNOUNCED

College Station, Oct. 25 — U. S. Department of Agriculture officials have announced a national marketing quota of 15,714,000 bales and a national acreage allotment of 18,101,718 acres for the 1962 upland cotton crop. The acreage allotment includes an allocation of 100,000 acres from the national acreage reserve to take care of minimum farm allotments.

The referendum on marketing quotas is to be held December 12th, and at least two-thirds of the upland cotton producers voting must approve them if they are to be effective.

Based on recent plantings and yield trends, the 1962 allotment is expected to produce about as much cotton as will be used in the 1962-63 season, leaving the carryover on Aug. 1, 1963 at about the same level as the carryover for Aug. 1 1962.

The national acreage allotment for 1962-crop upland cotton will be apportioned to states, state allotments to counties, and the county allotments to farms. Individual farm allotments will be made available to producers prior to the referendum, the USDA reported.

If marketing quotas are approved in the referendum, price support will be available to growers who comply with their farm allotments at such level as is determined by the Secretary. If marketing quotas are not in effect for the 1962 upland cotton crop, the allotment program will remain in effect and price support will be available to growers at 50 percent of parity.

Under the 1962 quota program, growers who exceed their farm acreage allotments will be subject to penalties of 50 percent of the cotton parity price as of June 15, 1962 on the excess production. Also, none of the upland cotton produced on the farm will be eligible for price support.

The USDA also announced national marketing quotas and acreage allotments for the 1962 crop of extra long staple cotton. A referendum on these quotas will also be held on December 12th.

## ATTENDS SETH WARD REUNION

Mr. and Mrs. Orlin Stark attended the reunion of ex-students and teachers of Seth Ward College in Plainview last Saturday. Mrs. Stark is an alumnus of the college.

One-hundred 35 signed the register, coming from as far away as Los Angeles. This was planned to be the final reunion for that group but Mrs. Stark said that there was such a good group on hand that talk now is to make it an annual affair.

Mrs. Stark said a number of people from this area were present. She reported that they saw Mrs. Jim Wise.

## MELVIN COBB PLEDGED AT T.U.

Melvin Cobb has been invited to pledge Phi Delta Chi, Lambda Chapter Professional Pharmacy Fraternity at the University of Texas. Phi Delta Chi is the National Professional Pharmacy Fraternity maintaining a house on the campus. Members are selected for this fraternity from those men that are enrolled in the School of Pharmacy.

Phi Delta Chi came to the University campus in the form of Lambda Chapter in 1905. The University of Michigan initiated the organization in 1883.

A. L. Tartar of Larzduddie visited in the Clarence Barrett home last Wednesday. Mr. J. G. Gowin joined them for lunch.

Mr. and Mrs. Cecil Seaney and children of McLean visited her parents, Mr. and Mrs. A. C. Barrett Sunday.

Mr. and Mrs. R. L. Patrick spent Sunday in Amarillo with their daughter, Mrs. D. C. Lewis and her family.

## Quitaque P. T. A. To Be Reorganized

The Quitaque Parent-Teacher was reorganized last Thursday, and will have its first meeting of the current school year on Monday, November 13. A committee of new officers was selected and each of them will be contacted about serving for the coming year before the first meeting and if they are willing to serve, they will be nominated and voted up from the floor and then installed.

The membership committee will do their best to contact each parent who has a child in school before the first meeting and it is hoped that every parent can be enlisted in the P-TA, since it is a very necessary and vital part of every community, not only because it is a link between parents and teachers, but also because P.T.A.'s all over the world have always provided their schools with many necessary items that the schools would have had to do without otherwise.

Last year the Quitaque P-TA had more than 100 members. The P-TA bought and paid for a new piano for the newly rebuilt and re-decorated school auditorium, at a cost of \$675.00. The project for the year preceding was \$400.00 worth of library books, and the year before that the P-TA bought chairs for the typing room at school. Several years ago the project was the electric scoreboard for the gym and another project was a public address system for the auditorium.

Imagine, now, having to get along without the above mentioned items, and probably that would be the case if the P-TA had not bought them, and it can readily be seen how very necessary a part of the schools a Parent-Teacher Association is.

When the membership committee calls, join up! It will only cost \$1 for a family, and there are many things the State does not furnish a school that are needed and each person, not just the parents who have children in school now, can help our school buy. Remember, the next meeting is Monday, Nov. 13. Please attend.

## HOME FROM HOSPITAL

Marvin Tracy, who has been in the hospital at Matador for the past two weeks, returned home Tuesday and is reported to be doing fairly well.

Mrs. Bud Bailey and daughters were in Silverton Saturday for medical attention.

### PASTOR JAMES HOLMAN ADDRESSES TURKEY LIONS

James C. Holman was the speaker for the Tuesday noon meeting of the Turkey Lions Club this week. He spoke on the subject, "Possessing Our Possessions". Quitaque Lion Boss Jimmy Davidson visited the Turkey Club with Bro. Holman.

### SISTER OF MR. RUCKER SUFFERS BROKEN HIP

Word was received Tuesday that Mrs. Frances McElhannon of Lubbock, sister of C. T. Rucker and of Mrs. A. V. Tipps of Amarillo, had fallen in her home and is in Methodist Hospital there suffering with a broken hip.

Mr. Rucker and Mary Pittman visited her at the hospital Tuesday afternoon and found her very ill.

D. C. Duck went to Matador Friday for a check-up on his progress following his recent heart attack. His doctor gave him a favorable report.

### PROCLAMATION:

WHEREAS: October 31st, Halloween, is a holiday especially for children; and

WHEREAS: Millions of American youngsters share the holiday each year by Trick or Treating for UNICEF and "the world's needy children"; and

WHEREAS: Trick or Treat for UNICEF is a constructive expression of American children's concern and friendship for their less fortunate contemporaries; and

WHEREAS: UNICEF, the United Nations Children's Fund, is helping about 55 million children and mothers to better health in over 100 countries and territories by assisting governments in programs of disease control, nutrition, and maternal and child welfare; and

WHEREAS: Each coin collected by Trick or Treating will mean food or medicine for the sick and hungry children of the world.

I, Alton Johnson, Mayor of the city of Quitaque, do hereby proclaim October 31st as UNICEF Day, and urge every citizen old and young alike to participate in Trick or Treat for UNICEF and to welcome the properly identified Trick or Treating at the door. In witness whereof, I have set my hand and seal of the City of Quitaque, on this 27th day of October, nineteen hundred and sixty one.

## LOCAL PEOPLE ATTEND OES GRAND CHAPTER MEET AT FT. WORTH

Mrs. Mary Ellen Gowin, Josephine Persons, Thetis Rogers, and Lolla Belle Harmon attended the Grand Chapter of the Order Eastern Star, which was held in Will Rogers Coliseum at Fort Worth beginning Monday, October 16, and ending Thursday, October 19.

Several social events. Mrs. Harmon, who had received an appointment of Assistant Grand Warden, attended a breakfast Tuesday morning at the Texas Hotel honoring Mrs. Agnes Lee Howard, Worthy Grand Matron, and Mr. Gerald Allen, Worthy Grand Patron. Tuesday night a banquet at Ridgley Country Club, honoring Mrs. Molly Goodpasture, associate Grand Conduress, was attended by Mrs. Harmon and Mrs. Rogers. Thursday morning, a breakfast at Piccadilly Cafeteria honoring Mrs. Wilma Hobbs of Matador, who was appointed Deputy Grand Matron of Dist. 2, Sec. 5, was attended by Mrs. Gowin, Mrs. Persons, and Mrs. Harmon.

Thursday night, Mrs. Pearl Hall and Mr. Paul Stoneman were installed as Worthy Grand Matron and Worthy Grand Patron for the ensuing year.

Others attending from this section of the state were Mr. and Mrs. Bill Sauls of Quitaque; Mmes Aileen Young, Jessie Coker, and Zula Bell of Turkey; Lavette Long and Lela Bellinger, Silverton; Bob Stanley and Elizabeth Fletcher, Matador; and Mr. and Mrs. Pat Boone and Mrs. Grace Findley of Littlefield.

### ATTEND ASSOCIATIONAL MEET

Those from Quitaque attending the Caprock Associational Meeting at South Plains last Thursday were the Rev. Robert J. Beck, S. T. Bogan, Charlie Gowin, J. G. Gowin, Mrs. Pete Clark, Mary Ellen McCracken, and Mrs. Scott Bolton.

The Rev. Beck brought the annual message. The ladies of the host church served a bountiful meal following the message.

Bill Helms went to Cross Plains Tuesday to attend the funeral of an aunt, Mrs. Martha McDaniels. Mrs. McDaniels passed away at the home of a daughter in Alamo, N. M. Sunday morning, Oct. 22, at the age of 87 years.

Quitaque High School basketball teams split a doubleheader with Hedley Owls Tuesday night, the Pantherettes losing 41-58 and the Panthers avenging last year's drubbing by the Owls, by handing them a 79-47 licking that could have been more one-sided if Coach Roberts had left his starters in the game all the way.

The games were scheduled to be played at Hedley but school officials at Hedley called late Tuesday afternoon and said that their gym floor was torn up and requested that the games be played here.

The Pantherettes were never really in the ball game, trailing 9-25 at the end of the first quarter, 16-38 at the halfway mark, 26-48 at the end of three quarters of play and at the end of the game were on the short end of the 58-41 final tally.

Janice Dudley again led the scoring for the locals with 25 points; Jimmy Mayfield was runner-up with 9; Sharon Bailey picked up 4 points, Judy Colvin 2 and Chlonez Woods made 1 point.

The entire Pantherette squad saw action in Tuesday night's game: Jimmy Mayfield, Janice Dudley, Sharon Bailey, Judy Colvin, Jennifer Whittington, SeReatha Stephens, Chlonez Woods, Ethel Austin, Tommy Johnson, Jerry Elliott, and Brenda Whittington.

For the Owlets, Susan Cox made 32 points to lead all pointmakers for the night and Deloris Sanders, 14 points.

On the Panther side of the ledger it was a different story. Last year when Hedley and Quitaque tangled at the start of the season the Owls trounced the Panthers 89-41, and a couple of weeks later won over Quitaque again but only by about 15 points. Naturally, then, the Panthers wanted a victory Tuesday night, and win they did in a very convincing way.

Hedley led the Panthers 2-0 at the start of the game, but that

was only for a minute as the locals tied the score, went ahead and were never headed. The score was 23-12 at the end of the 1st quarter, 34-23 at the half and then the Panthers really turned it on to rare to a 67-31 lead at the end of three periods of play. Coach Roberts pulled his starters at this point and the second unit played most of the final quarter.

Sammy Johnston was charged with 4 fouls early in the game and had to sit out quite a bit of the third quarter, but still managed to rack up 25 points to lead in the scoring column. Rusty Moseley was tops for the Owls with 17.

The box score for Quitaque:

	FG	FT	PF	TP
Johnston, S.	10	5	4	25
Starkey, J.	7	0	1	14
Johnson, J.	2	5	2	9
Monk, Dellis	2	7	3	11
Phelps, R.	6	2	2	14
Saul, Jim	1	0	0	2
Morrison, Bobo	1	0	1	2
Saul, Bob	1	0	0	2
Wise, Cappy	0	0	1	0
Lyles, A. B.	0	0	2	0
TOTALS:	30	19	16	79

Play by the Pantherettes was ragged, for the most part. When they learn to play as a team and also the advantage of passing over dribbling then they will begin to win ball games. They have good material and will come along as the season progresses.

The Panthers have what is probably the tallest overall Quitaque team in history. The defending district champs are looking pretty sharp, especially considering the fact that Tuesday night's game was only the second game of the season. This year's team could go on and win another district crown. Certainly they must be considered the favorites until some one comes along and knocks them off. That might take some doing.

There are no games scheduled for next week.

### MR. AND MRS. JARRELL RICE PARENTS OF SON

Mr. and Mrs. Jarrell Rice of Canyon are the parents of a son, born Tuesday morning, October 17, in the hospital at Groom, Texas.

The young man weighed 8 pounds, 14 ounces and has been named Mike Jarrell. He was born on Mrs. Studie Rice's birthday. She is the widow of the late Mike Rice, for whom the youngster was named. Mother and baby are at home in Canyon and both are doing fine.

Mr. and Mrs. Pete Rice, the grandparents, and Mrs. Lillie Lacy of Turkey, the great-grandmother, visited the newcomer Sunday. Pete said the new grandson wanted to come home with grandpa. He says he is planning a fishing trip for little Mike in the very near future.

### MRS. J. N. HAMILTON IN HOSPITAL

Mrs. J. N. Hamilton became suddenly ill Wednesday morning and was taken to the Medical Center in Plainview by Roberts Funeral Home ambulance.

Reports received here were that her doctor said that she apparently suffered a light stroke but that he thought she would be able to return home in a few days barring further complications.

### TIMES DO CHANGE!

Recently, while looking for old photographs to be used in the recent Baptist Church Golden Anniversary celebration, Mrs. Ray Persons ran across an interesting item and brought it by the Tribune office for us to see.

It was the registration receipt of the first car that the Ray Persons bought after they were married.

The receipt, which showed that it cost them 50 cents to register the new car, was dated February 2, 1917, and it was for a Ford car, a 2-passenger model, 22 horsepower. The receipt also stated that the license which were put on the car must be at least 6 inches high.

## Turkey Man Is Found Dead

A 54-year old farmer was found dead in a one-room building adjacent to his home at Turkey last Thursday morning, with the hose pulled free of the gas stove and the jets turned on full blast.

Paul Skelton was a suicide victim, Justice of the Peace Guy Smith of Turkey, ruled. Deputy Sheriff Clyde Rogers said a note was found on the body. Skelton's body was discovered by his son, Paul, Jr., about 10:30 A. M.

Funeral services were held at 3 P. M. Friday afternoon in the First Assembly of God Church at Turkey, with the Rev. A. J. Williams, pastor, officiating, assisted by the Rev. B. A. Hoyatt of Roaring Springs.

Burial was in Dreamland Cemetery at Turkey, under the direction of Eudy-Seale Funeral Home. Skelton, who had lived in that area since 1924, was born October 11, 1907.

Survivors in addition to his son, include his wife of the home; two daughters, Mrs. Mary Lou Cargill of Turkey and Winnie Sue Skelton of the home; four step-sons: one sister, Mrs. Ed Hurst of Turkey; two brothers, Dick Skelton of Turkey and David Skelton, address unknown; one grandchild, and 18 step-grandchildren.

## STATE SENATOR PRESTON SMITH TO BE CANDIDATE FOR GOVERNOR

State Sen. Preston Smith of Lubbock announced this week that he will be a candidate for Lt. Governor of Texas.

This will be his second campaign for the state's second highest office. He ran in 1950, placing third in a field of 12 candidates and leading the ticket in 68 counties.

Smith, 49, a veteran lawmaker and businessman, was unanimously elected president pro-tem of the Senate during the first special session of the 57th Legislature. He served as Governor of Texas on August 4 in the absence of Gov. Price Daniel and Lt. Gov. Ben Ramsey.

His career in Texas government began in 1944 when he was elected to the House of representatives, where he served three terms. In 1956 he was elected state senator from the 11-county 28th Senatorial District, and was re-elected with out an opponent in 1960.

During his tenure as a member of the House and Senate, he has served on many of the state's most important legislative committees, including the Senate Education and Agriculture committees.

He served as vice-chairman of the Senate Finance committee during the last two sessions and is presently a member of the Texas Legislative Council, one of the state's most important fact-finding and recommending bodies.

Smith is a graduate of Texas Tech College in Lubbock. He and his wife, Ima, have two children, Mickey, 20, and Jan, 16.

His formal announcement will be made at a later date.

## DR. W. A. SEDGWICK DIES IN MONTGOMERY, ALABAMA

Funeral services for Dr. W. A. Sedgwick, 82, were held last Thursday, October 19 at 3 o'clock in the Wallace Funeral Chapel at Tulia. The Rev. Louis Koerselman, Presbyterian pastor officiated. Dr. Sedgwick died Saturday, October 14 in Rose Hill Cemetery in Tulia.

Dr. Sedgwick, an optometrist, was the only son of the late Mr. and Mrs. R. Sedgwick. He was born October 31, 1878, in Milford, Ellis County, Texas.

He moved with his family to Itasca when he was ten years old and a year later they moved to Briscoe County. His father was a farmer-stockman nine miles south of Silverton. The elder Mr. Sedgwick planted the first orchard on the Plains. It included 40 acres of apple, plum and peach trees.

"I often hauled apples by the wagon load to Amarillo and Lubbock as well as to Tulia," Dr. Sedgwick once told a Tulia reporter.

In 1891, Dr. Sedgwick's father assisted in the organization of Briscoe county.

After his public schooling, Dr. Sedgwick attended a watchmaking school in Kansas City. It was while

learning this trade that he received the inspiration to study optometry.

Following his graduation, he returned to Silverton where he practiced his profession for 14 years. From there he went to Sabin where he practiced for 23 years. He practiced optometry for seven years at Kerrville before going to Tulia in 1950.

Dr. Sedgwick had lived in Silverton for the past several years. He once directed the Silverton Cornet Band.

At the time the Sedgwicks came to the Plains, he recalled that only one house and one store stood between Silverton and Estelline. That was Jago store, that is now Quitaque.

Dr. and Mrs. Sedgwick, she was the former Esther Smith of Silverton whom he married Thanksgiving, 1900, were the parents of two sons, E. R. who died in 1954, and R. A. of Montgomery, Ala.

Dr. Sedgwick was a member of the Presbyterian Church for 70 years and served as an elder.

The Sedgwicks had moved from Silverton to Alabama just a few weeks ago in order to be near their son.

## HI-PLAINS HIGHLIGHTS

Small grain research for 1962 is already underway at the High Plains Research Foundation. Eighteen wheat varieties were planted on October 12. Delbert Langford, Associate Agronomist, is conducting the tests. The preplant fertilizer application was made consisting of 200 pounds of 13-39-0.

Six new varieties were added to the test and five used in 1961 were dropped. The new varieties being tested are: Ottawa; Warrior and English-Soft Wheat (Wofford). New hybrids are: PNC-Mi x HOPE-PN; RC-OTF x MGL-ORO and Comanche LA Preu 25. Varieties continued are: Early Blackhall; Triumph; Improved Triumph; Super Triumph; Crockett; KAW; Comanche; Tascosa; Rodco; Kharhof, Bison and Mql-Oro x Wichita.

Five varieties were dropped from the test including Red Chief, Aztec, Wichitan and Concho which have been tested for many years and their value well established, and

Tejas which proved unsatisfactory. These and other small grain tests are being made in cooperation with Dr. I. M. Atkin of the Texas Agricultural Experiment Station at College Station.

## National P.T.A. Finds Varied Ways To Meet Range of Children's Needs

Major goals are the same in some 47,000 P.T.A.'s of the National Congress of Parents and Teachers, even though ways of approaching them are as diverse as the various communities.

In Alaska, where children leave for school in the dark and return home in the dark, every child carries a flashlight. To attend P.T.A. meetings the president of the Alaska Congress of Parents and Teachers frequently travels hundreds of miles per day in country where temperatures may stay around 25 below zero for weeks at a stretch. She can reach many communities only by small plane.

In Hawaii, the autumn ripening of the coffee crop makes fall the season for "summer" vacation from school. The state's mid-ocean locale makes the Hawaii Congress president an accessible consultant to parents and educators who fly in from Southeast Asia to learn more about the P.T.A.

American schools in Europe take advantage of their location to offer foreign language studies in elementary grades and to hold joint classes with native children. P.T.A.'s in the European Congress of American Parents and Teachers are concerned, too, with problems of establishing residence for children of U.S. servicemen and government employees applying for admission to stateside colleges.

Here in these far-flung areas as well as in all the areas where 47,000 P.T.A.'s serve, each local unit of the National Congress of Parents and Teachers adapts its own program to fit the needs of its youngsters.

"This is the way of the P.T.A.," says Mrs. Clifford N. Jenkins, of Roslyn Heights, L.I., N.Y., who now heads the 12-million-membership organization as National Congress president.

"We have one essential objective as an organization," she

Children of every age and heritage are the concern of the P.T.A., as the National Congress of Parents and Teachers this fall schedules a new membership effort aimed at adding more workers to the P.T.A. "team" that now includes more than 12,000,000.

notes. "It is the welfare of children. But our individual approaches to promoting their well-being may vary as widely as do the children themselves."

This fall the National Congress is scheduling a new membership effort to enroll more people—parents, teachers, other interested persons—in P.T.A. activities.

"They will find local programs challenging and vital," Mrs. Jenkins promises, "because P.T.A. activities center around the needs of each community and the children who are its future."

In Alaska, for example, the Congress of Parents and Teachers, concerned about education for children of homesteaders, is currently urging a study of road maintenance in outlying areas, so that children in isolated spots may be assured of passable routes to school.

Getting to school is a real problem, even in well-settled areas, according to Mrs. Robert C. Cole, who heads the Alaska Congress. Her home in Spenard is only eight miles from Anchorage, but morning and evening she sends the family dog along to protect her two children from wild moose that roam the woods in the quarter-mile area between home and bus stop.

P.T.A.'s in the nation's newest state are seeking to preserve Hawaiian culture in terms of dances, language, and music. Mrs. Teruo Yoshina, of Honolulu, president of the Hawaii Congress, sees this interest as an important segment of Hawaiian P.T.A. activity. Another aspect of the state's P.T.A. program—its emphasis on adult education—is of special interest to the groups from Thailand, Pakistan, India, Cambodia, and Indochina who have been entertained there during recent months.

Parent-teacher cooperation is something new in most of the nations where the European Congress of American Parents and Teachers functions; but its president, J. Gordon Smock, finds that educators abroad are anxious to cooperate in joint programs to help American youngsters learn more about the culture and people of the countries in which they are living.

Meeting problems of a more conventional nature is "typically P.T.A.," as well, Mrs. Jenkins points out. For example, "The parking problems of some 500 students who drive to school daily at Elkhart (Ind.) High School recently gave rise to a P.T.A. survey of available parking space in the neighborhood. These students now have maps showing free and metered space, all within easy walking distance."

—Lack of a library in one of the elementary schools in Fords, N. J., was corrected through P.T.A. effort. Nearly 1,000 books were collected, indexed, and installed in shelves built by a P.T.A. father. Library service is dispensed by some of the P.T.A. mothers.

—Firearms safety is taught in special classes arranged by the Scottsdale Tavan (Ariz.) P.T.A., with "safe hunter" badges awarded to youngsters who complete training given by expert riflemen.

—An unprotected walk on a highway bridge, a twice-daily hazard in Boise, Idaho, for some 75 Whittier School pupils, got the P.T.A.'s attention. Now a protective railing, erected by the state highway department, makes the well-traveled route a safe one.

"In any of these situations," says Mrs. Jenkins, "the P.T.A. first sees and then serves a local need. Service to communities and to children everywhere will continue to grow as more and more persons join the P.T.A. local, state, and national partnership."

Others from this area who attended the reunion were Mr. and Mrs. Rand Whitworth, Mr. and Mrs. Tom Tilson, Mrs. Fred Simpson and Mr. and Mrs. J. C. Burleson.

A crowd of around two hundred former students and teachers of Central Plains College and Seth Ward College gathered for this final reunion. The students and teachers had guests with them, some bringing wives and husbands and some just friends.

Mrs. Vivian Merrell of Silverton and her mother, Mrs. Johnson of Floydada visited in the home of Mrs. Lois Martin Wednesday.

## A UNICEF HALLOWEEN FOR QUITAQUE

"Hi Folks! Know me? I'm your neighbor's son, the kid next door. On Halloween, I and many of my friends will ring your doorbell, and we'll chant

### TRICK OR TREAT FOR UNICEF

And do you know what that will mean? Well, for one thing it will mean that we're out not only to have a good time, but also to HELP THE UNITED NATION'S CHILDREN'S FUND. It will also mean that every penny we get will grow, and grow, and grow . . . it will travel, and travel, and travel, and

do you know something else? For that same penny a sick, hungry child somewhere in the world will get a better chance in life. For just one cent, UNICEF can supply the vaccine to protect him against tuberculosis, or 5 glasses of milk, or many other things which he badly needs . . . So, WON'T YOU PLEASE WELCOME US ON HALLOWEEN? Our trick is to share, not to scare, and the fun we'll have with your help will save many lives. We will have the UNICEF emblem. Do not give your money to any youngster who does not have the UNICEF emblem.

## AWARD TO BE GIVEN TO STUDENT

Beginning Wednesday, October 25, an award will be given to a student in the Eighth Grade Science class, who has brought his or her grade up the highest percent.

Mrs. Helen Berryhill, who teaches Eighth Grade Science, has bought a silver trophy to be the award. It will be placed in the glass trophy case in the High School hall and the winner for that week's name will be on it.

In case of a tie, the student with the highest grade to begin with will get the award. If a person wins three times in succession, the trophy will be awarded to that student to keep and his or her name will be engraved on it.

All the Eighth graders are planning to work hard to win the trophy.

# Thank you, Texas Newspapers!

For 20 years, Texas newspapers have been giving the government free space in which to advertise U. S. Savings Bonds.

You've seen the ads: you save more than money with U. S. Savings Bonds. Those ads have sold an impressive number of bonds in Texas, bonds that have helped, and are helping, your government defend freedom at a precarious moment in history, when freedom is in desperate need of defending.

When you buy these bonds you serve well the cause of liberty. You enable your country to build up her own defenses without doing damage to her economy. You insure the future for this and succeeding generations.

The space occupied by the ads that sold those bonds was donated to your government — and that means to you — by the newspapers of Texas.

We thought you'd like to know.

"The public-spirited newspapers of Texas have made an important contribution to the well-being of this country,"

says Ed Gossett, Co-Chairman of the Texas State Savings Bond Committee.

"We are happy to salute the generous newspapers of this State. They have done their part, and more, in giving the public an understanding of the importance of Savings Bonds — to individual buyers, and to the cause of freedom. And they have certainly made this Committee's job easier."

**CONGRESSMAN WALTER ROGERS' WASHINGTON NEWSLETTER**

**COMMUNIST STRATEGY**  
The question is asked many times as to whether or not the Commu-

nists have changed their strategy or will change their strategy. Strategy is defined as the employment of artifice, intrigue, etc. In the light of this definition, the answer is a resounding NO! However, it is well to note that the Communists have changed their types of strategy or tactics, and can be expected to change these from time to time as circumstances require. Their end purpose, to wit, Communist domination of the world, will not change. However, all of the tricks that can be conceived in the mind of man will be employed or re-employed when they are needed to serve the Communist cause. If this requires a change of position geographically, politically, or otherwise, such changes will be made, but the making of the change must not be misconstrued by those under attack as an indication of repentance or weakness on the part of the Communists. Those people who are presently emerging into the light of independence would do well to walk very carefully and to weigh with great care each and every step they take. Many of these people who are former colonies look upon this country as the finest example that could ever be created of an ex-colony. They have looked upon us for leadership and will expect that leadership. However, many of the people in these areas are not familiar with the responsibilities, the burdens, the sacrifices and the problems associated with independence and self-government. Hence, they are sitting ducks in many respects for the entreaties and false promises of the communist. The communists realize this and are exploiting it for all it is worth. In fact, this is one of the circumstances that caused the US-R to make a major change in its tactics. Prior to the emergence of these new countries, the communists had operated primarily on the premise that they must work outward from their home bastion.

In other words, move into those countries adjacent to the communist countries of the USSR and Red China. Korea was an excellent example of this tactic. Laos and Viet Nam have been other examples as has the satellites in Eastern Europe. However, a marked change has been noted by students of the communist strategy. They have begun to step up at great length their activities in the infiltration of countries and areas separate and apart from their homeland area, separated in most instances by areas of the Western free world or allies of the Western free world. Cuba is an excellent example of

this type of diplomacy as is the great changes that have been made in Indonesia in recent months by the communists. Other examples are many of the countries of Africa as well as the stepped up efforts in South America. This does not mean that their efforts will be relaxed in the areas immediately surrounding the main communist stronghold. The same brush fires will be continually maintained, such as Berlin, and the difficulties in the Near East countries—Laos, Viet Nam, Quemoy, Matsu, and Formosa.

The prime objective in the European area is to destroy the North Atlantic Treaty Organization, commonly called NATO, of which this country is a member. If the Soviets can mislead Western Germany into withdrawing from NATO, it will have accomplished a great proportion of its purpose. They obviously hope to do this by neutralizing Germany with any and all agreements or promises necessary to accomplish this result. Once neutrality has been accomplished, both East and West Germany will be taken into the Red orbit by force or otherwise. It also hopes to so infiltrate Italy as to force withdrawal of that country from NATO and further weaken the organization and undermine world confidence in the power and leadership of the United States. England will come in for internal attacks in the nature of disarmament demands on the part of communist and communist fellow travelers who have infiltrated the British Isles.

Much more could be said on this subject, but the main objective is to point up the continuing danger and the great need for constant alertness by all Americans and all those who look forward to freedom and a better way of life.

**JOEL B. NANCE**  
Joel Blanchard Nance, 68, died Friday, October 13 in Lockney General Hospital after an illness of some three months. He had been a patient there for about one week.

Funeral services were held at the West Side Church of Christ in Lockney Sunday, Oct. 15, at 2:30 P. M. with G. B. Shelbourne, Jr., of Amarillo and Earl Cantwell of Silverton, Church of Christ ministers, and Rev. Marvin Fisher, pastor of the First Methodist Church of Silverton, officiating. Burial was in Lockney Cemetery under the direction of Carter Funeral Home.

Mr. Nance, a farmer in the Lone Star community all of his adult life, was visiting his daughter, Mrs. Howard Heines at Lakeville, Indiana, in July when he became ill and underwent surgery at a hospital in Southbend, Ind. He remained there five weeks and was then flown to Plainview where he entered Plainview Hospital and Clinic and underwent another operation. He was released to his home for a week but entered the local hospital just a week previous to his death. The family was at his bedside when he passed away.

Mr. Nance was born in Tippin County, Mississippi, on March 28, 1893, and the family came to Coryell County, Texas, in 1896. He was the son of Elder and Mrs. Theodore Nance and the family came to Floyd County in September, 1907, settling in the Lone Star community.

He was married to Jewel Pool on February 27, 1916 and the couple have made their home in the Whitfield and Lone Star communities all of their married life.

He was a member of the Rock Creek Church of Christ.

Survivors include his wife; two sons, J. D. and Hugh, both of Silverton; three daughters, Mrs. Heines, Mrs. Olen Grant of Plainview and Mrs. Tom Scarborough of Amarillo; two brothers, Morris of Plainview and A. D. of Amarillo; one sister, Mrs. Mary Rowland, Dallas; 15 grandchildren and three great-grandchildren.

Pallbearers were his nephews, Charley, Mack, and J. B. Noland, Wiley D., Jim, Tom, Joe and Mike Nance.

**SAVINGS BOND SALES REPORT FOR BRISCOE COUNTY**

The people of Briscoe County purchased \$1,892 savings bonds during the month of September, according to Perry Whittemore, the Chairman of Briscoe County Savings Bonds Committee. Bond Sales in this county during the first 9 months of the year were \$84,611.

"Texas savings bond sales for the first nine months of 1961 totaled \$119,954,483, of which \$11,692,606 were purchased during September. Texas has achieved 72.7% of its 1961 goal."

"During this 20th Anniversary year of the savings bond program, and in light of the current international situation, we feel that it is important that Texas achieve its 1961 savings bond goal. We are confident that if all Texans will purchase an extra bond during the remainder of 1961, our sales goal will be met," Chairman Whittemore said.

Briscoe County has already passed the quota that was set for it.

**JAN BARTON IS ENTRANT IN MAID OF COTTON CONTEST**

Jan Barton, a 20-year old native of Matador, became the third entrant in the 1962 South Plains Maid of Cotton Contest Thursday, joining Beverly Ann Alexander, Big Spring and Markay Reynolds, Lubbock.

Miss Barton is the daughter of Mr. and Mrs. C. M. Barton, Jr., and her father is a cotton farmer. She is a sophomore home econ-

mics major at Texas Tech.

She was active in Matador High School, serving as vice President of the Texas 4-H Club, area president of the Future Homemakers of America, Lions Club Queen, a drum majorette for three years with the Matador High School Band and winning fourth place in the National Public Speaking Contest.

In college, Miss Barton has been vice president of the Home Economics Club, a member of the Freshman Council, a member of Sock and Buskin, a Sears and Roebuck scholarship winner, a Farm Bureau scholarship winner and was selected as one of the two girls in Texas to attend the National 4-H Conference in Washington, D.
