Clyde Bedwell Dies Suddenly In Dallas

Clyde Bedwell, about 57, son of Mrs. L. J. Bedwell, died suddenly Wednesday afternoon, December 6 at his home in Dallas. Although he had a heart condition, his death was unexpected.

Funeral services will be conducted in Dallas Friday afternoon and he will be buried there.

He is survived by his wife and five children; his mother, Mrs. L. J. Bedwell of Quitaque; three brothers, Gene of Sunray, Joe and Lewis J. of Quitaque.

A complete obituary will appear in next week's issue of the Tribune.

Silverton Infant Buried Thursday

Funeral services for Gary Dwayne Sorter, 13-month-old son of Mr. and Mrs. Darrell Sorter, Silverton, will be at 3 p.m. Thursday at the First Baptist Church there with Rev. Carlos McLeod, pastor, officiating.

The child died Sunday in Swisher County Hospital following a brief illness. His father is stationed in France with the U. S. Air Force and is flying home for the services.

Other survivors include a sister, Brenda Kay; grandparents, Mr. and Mrs. James Patton, Silverton, and Mr. and Mrs. Floyd Fields, Fort Smith, Ark.; great grandparents, Mr. and Mrs. Charlie Turner, McCurtin, Okla., and Mrs. Shelby Haynes, Silverton; and great grandparent, Mrs. J. R. Burson, Plainview.

Mr. and Mrs. Clint Hicks and family of Lubbock returned her mother, Mrs. Joe Woodruff, to her home after a week's visit in Lubbock. The group were dinner guests of Mr. and Mrs. Leroy Hamilton Sunday.

Mrs. Imogen Bethel, Mrs. Jean Grundy and Carol of Lamesa, Mrs. Opal Broxson of Sunray visited relatives over the week-end. N. L. Bedwell returned home with Mrs. Broxson for a week's visit.

Mr. and Mrs. Bill Helms, Mr. and Mrs. Joe Edd Helms and children and W. E. Helms of Childress were in Plainview Sunday to help Mrs. Bill Helms aunt, Mrs. Maude Ritchey, celebrate her 89th birthday.

Mr. and Mrs. Glen Gibson and children of Sunray visited his parents, Mr. and Mrs. Gus Gibson over the week-end.

James and Leron Brunson visited in Ft. Worth over the week-end with their sister, Mrs. B. K. Hamilton, who had spinal surgery there last Thursday. They also visited Leron's daughter, Mrs. Leo Anders, and husband, Mrs. Leron Brunson had been visiting her daughter all week, and she returned to Quitaque with her husband and James.

Ralph Carter was a business visitor in Lubbock Saturday and also had a short visit with his daughter, Larry Hedrick, in Hale Center.

Mr. and Mrs. Marion Wilson of Pampa spent the week-end in Quitaque with relatives.

With The Sick

Mrs. B. K. Hamilton underwent surgery at All Saints Hospital in Fort Worth last week. B. K. returned home Monday and reported that she withstood the surgery and was improving nicely when he left her Monday.

Bert Hawkins was taken to the Taylor Clinic in Lubbock last Friday night where he has been undergoing tests since that time.

Mr. Hawkins has been under the weather for some time and finally decided to see his doctor. At this time, no results of the tests had been announced.

FARMERS UNION CONVENTION TO BE HELD THIS WEEKEND

The delegates to the State Convention of Texas Farmers Union to be held in Waco at the Raleigh Hotel on December 8 and 9, will be Smith Guest, Turkey; Bernice May, Silverton; Jay Eudy, Turkey; J. L. Gilbert, Turkey; Oscar Weak, Silverton; Bill Helms and E. G. Reed of Quitaque.

The County President for Briscoe County is J. W. Reed.

The 58th Annual Convention of Texas Farmers Union will have as its theme "Texas Farm Income and Agriculture Act of 1961". Addressing the convention on Friday morning, December 8, will be the Congressman from the 11th Congressional District, Honorable W. R. (Bob) Poage, and in the afternoon session of the same day, the Director of Extension Service, Honorable John E. Hutcheson, outstanding speaker and journalist, will discuss the role which the Extension Service will play in implementing the Agriculture Act of 1961.

At a banquet on the evening of December 8th, National President, James G. Patton, a recognized National and International authority on agriculture and President of the National Farmers union, will address the delegates.

Mr. Ralph Yarborough, the Senior Senator from Texas, will address the 58th Annual Convention of the Texas Farmers Union at the Raleigh Hotel in Waco, during the morning session on December 9th, concerning the accomplishments by the Congress and the new Administration toward the improvement of Texas farm income. Senator Yarborough, who led the fight in the Senate for the Omnibus Farm Bill, and has consistently fought for equality of income to farmers, is familiar with farmers' problems, having at one time worked as a harvest hand in the wheat fields of Oklahoma. A native of Chandler in Henderson County, Senator Yarborough worked on a farm as a boy and young man before graduating from Tyler High School. He attended Sam Houston State Teachers College, the U. S. Military Academy, and taught three years in rural schools at Delta and Martin Springs in Henderson County. After finishing his academic work, Senator Yarborough received his law degree from the University of Texas, and after being an unsuccessful candidate for nomination for Governor, was elected U. S. Senator.

Although he graduated from law school and practiced before entering politics, Senator Yarborough never forgot his farm background and when campaigning for the U. S. Senate, pledged himself to support favorable farm legislation, a pledge which he fulfilled in supporting the farm program proposed by the new administration.

Among the expected 400 to 500 convened delegates will be a number of Juniors of farm families who will have their own planning sessions and entertainment under the direction of the Education Director, Mrs. Gail Brewer of Crosby County.

The program will be adjourned following the election of officers to serve the following year and the adoption of a program from resolutions passed by the county organizations and sent to the state convention for consideration and adoption into State Program.

Bo Graham of Amarillo spent the week-end at the home of Mr. and Mrs. Pierce White, and other friends and relatives.

Mr. and Mrs. Elbert Sperry and daughter and Mr. and Mrs. Pat Beane and daughter of Lubbock spent Saturday in Quitaque. The men went hunting and the ladies visited Mr. and Mrs. Lon McKay and family.

Thanksgiving guests at the home of Mr. and Mrs. Clayton Johnson were Mr. and Mrs. Billy Frank Rhoderick and family of Lubbock; Mr. and Mrs. Jimmy Rhoderick of Silverton and Mr. and Mrs. John A. Johnson.

Silverton Girl Wins National Honors

College Station, Dec. 6 - The Texas delegation to the 40th annual National 4-H Congress is back home after an unforgettable week in Chicago. Four of the 4-H members and a former club member were named national winners during the Congress.

Carolyn Garrison of Silverton took national honors in the 4-H garden awards program. She has been a 4-H member for seven years and six times has been a county garden winner and thrice a district winner.

Nancy Pyeatt of Swisher county was named a national winner in the 4-H clothing program. She has been a 4-H member for 10 years and currently is enrolled as a freshman in Lubbock Christian College. She has been sewing since she was six.

Patty Porter of Kaufman county took top honors in the 4-H public speaking program for girls. Her national recognition climaxed a four year public speaking program.

Ronald C. Thompson of Bowie county, now a freshman at Texas A & M College, was presented a \$1,600 college scholarship for his outstanding achievements in forestry work. He has been a 4-H member for eight years. The other national winners were presented \$400 college scholarships.

Miss Sallie Hill of Dallas, the former 4-H member, was awarded a trip to Club Congress and was one of eight in the nation presented the gold alumni key. She was named a winner in the 4-H alumni recognition program. Miss Hill is the senior home editor of Progressive Farmer and a former employee of the Texas Agricultural Extension Service. During her two years as a 4-H member, tomato growing and canning were her major demonstrations.

Mr. and Mrs. Jack Holcomb visited in Turkey Sunday. Mrs. Holcomb went to Matador that afternoon to visit her mother, Mrs. Fred Lacy, who is seriously ill in the Stanley Hospital.

P.T.A. Will Meet Monday Night

The Quitaque Parent Teacher Association will meet Monday evening, December 11, at 7:30 for a Christmas program. It is the regular monthly meeting.

Guest speaker for the evening will be the Rev. Gene Hawkins, pastor of the First Baptist Church of Lockney. He was formerly the pastor at Matador and is well known here in Quitaque. The Chapel Choir of the local Baptist Church will furnish the Christmas music.

Light refreshments will be served following the program in the cafeteria. Everyone is urged to attend.

ANDY ROGERS, H. G. WELLS TO BE HONORED

State Senator Andy Rogers of Childress and Representative H. G. Wells of Tulia will be honored at an Appreciation Dinner, Monday night, December 11, by the Swisher County unit of the Texas State Teachers Association.

The dinner will be held at Kress in the school cafeteria.

"We believe that these lawmakers have been true friends of education and we are taking this means of showing our appreciation," according to Roy Burk of Kress, president of the Swisher County unit.

Mrs. Ray Douglas, Tulia, representing the classroom teachers, will pay tribute to the honored guests. Superintendent Sam T. Bryan of Happy will speak for the administrators, and LeRoy Frances Kress, members of the Kress school board, will speak for the Parent-Teachers Association.

H. M. Baggerly, editor of the Tulia Herald, will summarize the support Senator Rogers and Representative Wells have given public education.

Mr. and Mrs. E. W. Patterson, Linda, Janis Kay, and Carl of Irving, Texas, spent last week-end at the home of Mr. and Mrs. Clayton Johnson and girls.

First Cub Scout Den Organized

Mrs. Delene Tyler bravely led the way for the organization of the first Cub Scout Den Tuesday afternoon, immediately following school hours. The group met in the annex of First Baptist Church. Both Scout Master Paul Bailey and District representative Glen O'Neal were on hand to help get started.

Mrs. Mary Stark served refreshments to the group.

Rex Harmon did a fine job as Den Chief. The following boys make up this first Den: Larry Tyler, Scotty Stark, Johnny Griffin, Jerry Merrill, Jerry Martin, Max Ham, Glen Rodger Taylor, and Eddie Owens. It is hoped that the mothers will take turns helping Mrs. Tyler until Mary Stark is physically able to assume her duties as the other mother for this Den.

The den now is for two more Den Mothers to begin Den No. 2. Any interested mother should contact Cubmaster Jack Morrison.

MRS. A. J. TIPPS PASSES

Mrs. Della Tipps, wife of A. J. Tipps, of Decatur, passed away in the Bridgeport Hospital last Wednesday, Nov. 29, at 1:30 P.M. Burial was in Oak Groves cemetery Thursday at 3:00 P.M. Mr. Tipps is a brother to Mrs. E. A. Puckett. Survivors include 3 daughters, Mrs. Wayne Bryan and Mrs. Paul Spann of Decatur, and Mrs. Annie Rich, Chico; three sons, Clarence and Milton of Artesia, N. M. and Andrew of Fort Worth; a number of grandchildren and a host of friends.

Guests in the Horace McDonald home Sunday were Mr. and Mrs. Roy Monk and daughters of Midland; Mr. and Mrs. E. G. Reed and girls; Mr. and Mrs. George Reed and boys; Mr. and Mrs. I. F. Reed, Leo Reed (home from service), and Mr. and Mrs. Joe Edd Smith.

Mr. and Mrs. Joe King and children of Cactus spent the week-end in Quitaque with relatives.

Basketball Teams Win Four

Quitaque's basketball teams went four - for - four in games played here their last two outings.

Last Friday night the local teams hosted a pair of teams from Amarillo, the St. Mary's Blue Jays and the Price College Cardinals and took wins over both teams. The Pantherettes took a 63 - 40 win over the Blue Jays and in the nightcap the Panthers, for the first time this season, felt what it was like to be behind in a ball game but came to life and took an 85 - 60 win over a good Price College team, the toughest team they have faced this season.

Tuesday night the Quitaque teams again took both ends of a double-header, this time from the Patton Springs High School teams. The Pantherettes took the opener 58 - 39, playing one of their better games of the season and running their record to 5 wins and 4 losses for the year.

The Panthers run their victory string to nine straight at the expense of the Patton Springs lads, racking up a 100 - 37 win - - - this was the second time this season that Coach Roberts quintet has scored a hundred points in a game.

The Pantherettes have run into much stiffer opposition than the Panthers thus far. Last Friday night's game with Price College was figured to be a good test for the Panthers and for a period and a half things did not look too good for the locals. Price College scored first on a free shot and the game was nip and tuck for the entire first period, the score being tied at 11 - 11 and at the end

of the first quarter was tied at 13 - 13. The game rocked along at the same pace for several more minutes and again the game was tied up at 19 - 19. The Cardinals began to build up a small lead at this point the locals falling behind 22 - 27. This was the first time all season that the Panthers had been behind in a ball game after the first minute or so of play.

The Panthers' high - geared offense then began to hit on all five, and they owned a 36 - 27 lead at halftime and from there on it was just a question of how many points they were going to pour through the hoops.

The Price College game was just what the local lads needed and in this one they proved that they have what it takes to defend their district crown.

In Tuesday night's game Coach Jim Roberts used every sort of combination of five players he could think of and still the squad dropped in a hundred points. James Starkey sparked the Panthers in this one, chalking up 21 points. Every member of the squad got into the scoring act in this game.

Friday night the local teams are scheduled to journey to Amarillo for a return match with the Cardinals and the Blue Jays. Both teams might run into more than they can handle up there because teams are almost always hard to beat at home and the Price College lads have a good team.

Next Tuesday night the locals drive over to Patton Springs for a pair of return games there and then beginning Thursday morning both

Quitaque teams are entered in the Silverton Tourney.

The Pantherettes and Silverton B start the ball to bouncing at 11:30 A.M. in the first game of the tourney, and at 12:50 the Panthers blast off against the Silverton Owls B team. Winners in these two games will in both cases play the winners of games between Estelline vs. Kress, the girls game scheduled Friday afternoon at 2:10 and the boys at 3:30. Championship games will be played Saturday night at 7:00 and 8:30 o'clock.

In the girls division, teams entered are Silverton A and B teams, Estelline, Kress, Friona B, Farwell, Quitaque and Turkey.

Boys teams are entered from Quitaque, Silverton A and B teams, Estelline, Kress, Memphis, Farwell, and Turkey.

Scoring in the past four games went like this: for the Pantherettes in the St. Mary's game, Chlonex Woods 23, Janice Dudley 19, Judy Colvin 10, Jimmy Mayfield 8 and Sharon Bailey 3.

For the Panthers Sammy Johnston hit for 27 points, Dellis Monk 22, James Starkey 12, Robt. Phelps 12, Jack Johnson 8 and A. B. Lyles 4.

In the Patton Springs games Janice Dudley dropped in 26 points, Chlonex Woods 15, Jimmy Mayfield 9 and Jennifer Whittington and Judy Colvin each chalked up 4. For the Panthers Starkey led with 21, Sammy Johnston got 18, Dellis Monk 16, Robert Phelps 14, Jack Johnson and Jim Saul 11 each, Bobo Morrison 5, Cappy Wise and A. B. Lyles 2 points each.

Lions Roar -

(By Geo. Ray Colvin)
District Governor William W. Didlake of District 2T1 of Lions International was a guest of the Quitaque Lions Club at their regular meeting Monday night.

Governor Didlake was introduced to the local club by Deputy District Governor O. R. Stark. In introducing Mr. Didlake as a District Governor of Lions: He has tremendous enthusiasm for Lionism; he is interested in small clubs; he is dedicated to Lionism; the outstanding leadership he is furnishing to Lions, and he is chairman of 15 other District Governors in Texas.

In his address to the Club Monday night, Lion Didlake pointed out that there are 62 Lions Clubs in District 2T1 with 2800 members, and in Texas there are 810 clubs with 37,000 members. There are Lions Clubs in 114 different nations over the world.

In pointing out the spirit and enthusiasm of Lions, Lion Didlake stated that 24 hours after hurricane Carla started, Lions from the State of Virginia called and asked if they could distribute goods to the needy victims of the storm. They sent 24 trailer loads, and 3 flying box-car-loads of goods to Texas that was distributed by the Salvation Army. One small club in Florida sent three Navy cargo planes of goods to Texas and in West Germany, a cash collection was taken and a wire was sent seeking information as to where it should be sent. Aid was received from Lions Clubs all over the United States.

In contrast, he mentioned Cuba, which at one time had 110 Lions Clubs and Havana having the largest Club in the world. Now Cuba has only three clubs.

There were twelve Lions from Cuba at the Lions International Convention this year. It was very difficult for them to get out of Cuba, and they could bring absolutely nothing with them but the clothes they were wearing, not even money, watches, jewelry, etc. Officials placed the father of one of the members and placed him in prison as hostage until they returned.

And some idiots think they want communism.

The mid-winter conference will be held in Borger on Jan. 6. Theme for this meet will be "International Relations", and an effort will be made to get all of the foreign students in the Panhandle to the meeting, along with a lot of other youth in District 2-T1. The idea, of course, is that a lot of international good will and understanding will be developed by bringing them all together.

The Eve Bank for District 2T-1 has been chartered, and will soon be well established, but it will take a few years to supply the needs.

The Kiddies Christmas Show will be held Saturday morning before Christmas, which will be the 23rd.

The next meeting, Monday night, December 18, will be Ladies' Night and the speaker will be Bob Weare of Canyon.

NEW ARRIVAL

Mr. and Mrs. Wayne Winston of Odessa are the proud parents of a new son, born Wednesday, November 29, at 8:00 A. M. The baby weighed five pounds, but at this writing no further details were known concerning the new arrival. The baby's grandmother, Mrs. Bert Grundy, is in Odessa helping to care for the young fellow and his mother.

Mr. and Mrs. E. R. Orcutt of Estelline spent Sunday with Mrs. Estelle Davidson and other relatives here.

Fish Wilson visited Joe Bedwell, who is in the hospital at Matador, Sunday night.

A National Marketing Quota of 15,714,000 bales and a national acreage allotment of 18,101,718 acres for the 1962 upland cotton crop. Texas' share will be 7,698,169 acres as compared to 7,849,196 acres for 1961. Briscoe County will have an allotment of 27,992 acres for 1962 as compared to 28,684 for 1961.

Notices of farm acreage allotments were mailed December 4th, 1961 to operators of cotton farms in Briscoe County.

Farmers eligible to vote will be those who were engaged in the production of upland cotton in 1961. Both husband and wife are eligible to vote.

If more than two-thirds of the farmers voting over the nation approve marketing quotas, penalties will apply on farms having excess cotton acreage in 1962 and price support will be available to cooperators within the range of 65 to 95 percent of parity, the exact level to be announced later.

If quotas are not approved, the allotment program will remain in effect and the price support will be available to cooperators at 50 percent of parity, as provided by law.

Polling places for the Cotton Referendum will open at 8:00 A. M. and close at 6:00 P. M. Tuesday, December 12, at the following locations:

City Hall Quitaque
County Courthouse Silverton
Dempsey Gin Rock Creek
Home of Woodrow Bice, San Jacinto
Home of G. W. Selmon, Antelope Flat.

Participation in referendums on upland cotton in recent years indicates that only a small percent of the eligible voters actually vote and that the number voting is trending downward.

The program directly affects each producer and we firmly believe that a larger percentage of them should vote on December 12.

STATE HOSPITAL NEEDS GIFTS FOR CHRISTMAS

In order that each patient might receive two gifts for Christmas, the Volunteer Services Council of the Wichita Falls State Hospital is asking for help throughout the area served by the hospital.

This county is one of the 59 counties served by the hospital, Dr. Ben G. Yeager, Superintendent, announced.

Needed most, Mrs. Roger Manar, chairman of the hospital's Christmas committee said, are items of men's and women's clothing, toilet articles and cosmetics, cigarettes and games.

Any small items, preferably something different, that can be wrapped at the hospital for presents, are needed. All types of Christmas wrappings and fireproof decorations can be used.

Gifts should be sent unwrapped, including ribbon and wrapping paper, to Volunteer Services, Box 300, Wichita Falls State Hospital. Mark the packages "Christmas Donations."

Freight companies will ship free to State Hospitals if the package is marked for charity.

Cash donations will also be accepted gratefully by the Volunteer Council. The money will be used to purchase last-minute items for the patients' Christmas. Checks should be made out to: Volunteer Services Council of the Wichita Falls State Hospital.

A TASTE TREAT IN DEER IS PROPERLY HANDLED

College Station, Dec. 6 — People often say that deer are fine for hunting but no good for eating. Ed Cooper, extension wildlife specialist, disagrees with the "no good for eating" part. He says a deer properly dressed and cared for makes wonderful eating.

The first step to a delicious meal is to dress the deer immediately after it is killed. If the animal does not bleed thoroughly as a result of the bullet wound, the large veins in the throat should be cut near the base of the neck. After this is done, remove the entrails and other body organs immediately, says Cooper. If the deer is not to be placed in cold storage immediately, it should be hung in a cool, dry place. The body cavity can be wiped clean with a dry cloth, and should be propped open so cool air can lower the body temperature rapidly. The most important thing here is to protect the carcass from flies, dirt and other sources of contamination.

Cooper points out that it is also important to protect the deer from heat and exhaust fumes when hauling it to cold storage.

After the carcass has been placed in cold storage, it should be kept there, at a temperature just above freezing, for at least a week. This aging process will insure greater

THE QUITAQUE TRIBUNE — Thursday, December 7, 1961

tenderness and quality.

Let a butcher or locker plant employee butcher, wrap and freeze your deer. This will insure better cuts, proper wrapping and quick freezing. While the deer is being processed, the less desirable cuts can be made into sausage, hamburger or chili meats.

If venison is marinated before it is cooked the flavor will be greatly

improved, says Cooper. There are many recipes available for marination but a simple one is to soak the meat for at least an hour before cooking in a shallow pan containing 50 percent vinegar and 50 percent water.

Handle your deer properly, cook it properly and you will have a taste treat in store for you and your family.

Sunday Evening - "When Do We Stop Listening?" (Acts 7:57)

VOTE TO BE TAKEN AT FIRST METHODIST CHURCH THIS SUNDAY

Last year at this time First Methodist Church began a campaign to secure cash and pledge toward a new parsonage to total at least \$8000. The goal was reached and exceeded. Now the congregation will be asked to decide whether or not it wishes to begin a campaign to pay off the \$8,000 indebtedness. The Official Church Board did not wish to make such an important decision without knowing the thinking of the entire church. All members who have reached their 18th birthday will be given the privilege of voting "yes" or "no". If there are enough affirmative votes pledges will be asked for, each person being asked to do at least as much as he did last year, if circumstances will permit. The present loan is set up to run 10 years. If it is allowed to go the entire 10 year period more than \$2500 in interest would be paid. So by paying off the balance between now and the end of next year more than \$2000 in interest can be saved.

CHILDREN'S CHRISTMAS PROGRAM PRACTICE

The children of First Methodist Church will meet this afternoon after school for the first practice for their Christmas Program, which will be presented during the

UNUSUAL PROGRAM PRESENTED AT BAPTIST CHURCH SUN. EVENING

Sunday evening during the Training Hour at the Flomot Baptist Church, an unusual program was presented. The Cooperative Program, in the person of L. D. Bilberry, and Mrs. W. M. U., portrayed by Mrs. L. D. Bilberry, were united in faithful service. The pastor, Bro. Jack Terrell, performed the ceremony; Clois Shorter, a Royal Ambassador, was Best Man and has twin sister, Joyce Shorter, was Bride's Maid. Mrs. Jack Terrell was the pianist for the ceremony.

Mrs. W.M.U. was attired in a street length dress of brocaded taffeta bodice with a net covered full skirt and finger tip sleeves of white. The bridal hat, with rosettes across the front and the short wedding veil added to the wedding atmosphere.

The impressive words of the preacher charged the congregation with the responsibility of the success of this union.

Pictures were made of the group during the ceremony and as they retired from the church.

Mr. and Mrs. Jeff Sperry had their children, grandchildren and other relatives as guests Thanksgiving. They were Mr. and Mrs. Jeff Sperry, Jr., Vanessa and Michael of Dimmitt; Mr. and Mrs. Elbert Sperry and Susan, Mr. and Mrs. Pat Beane and Sharon Kay, Miss Yvonne Sperry and Fred Gold-

stein, all of Lubbock; Mr. and Mrs. Doyle Barham and Max and Perry and Lonzo Barham, all of Tulia and Mr. and Mrs. Don Monk of Flomot.

FOREIGN MISSION PROGRAM AT BAPTIST CHURCH MONDAY

Monday evening at seven o'clock a Foreign Mission Program entitled "Good Tidings to All People" was presented at the Baptist Church with the entire church taking part. The program was followed by a church supper.

The program was as follows: Meditation Music, "O Little Town of Bethlehem" by Mrs. Jack Terrell.

Scripture Reading by Gary Anderson and Coy Franks.

Call to Prayer - praying for Missionaries by name, Joe Edd Helms.

"We've A Story to Tell To The Nations, by the Girls Auxiliary.

"The Dreamer", a Missionary play by the Primaries and Beginners.

"The Gospel in Evidence" by Mrs. L. E. Shorter.

"Tidings of Great Joy To All People" by Bro. Jack Terrell.

Benediction and Thanksgiving by C. W. Starkey.

The Foreign Mission offering known as the Lottie Moon Christmas Offering will be taken each Sunday in December. Climaxing the Foreign Mission Programs will be a film, "The Lottie Moon Story".

FORMER FLOMOT RESIDENT DIES IN CALIFORNIA

Word has been received here of the recent death of F. M. O'Brien, 82, a former resident of Flomot and for the past four years a resident of California.

Mr. O'Brien was sexton of the Flomot Cemetery for a number of years and lived alone until failing health forced him to go to Califor-

nia in the fall of 1957 to make his home with his son-in-law and daughter, Mr. and Mrs. John Dowd. Mrs. Dowd writes that her father suffered a stroke November 3rd and was placed in the hospital at Eureka, Calif., where he passed away ten days later. Mr. O'Brien was a member of the Church of Christ and was faithful in attendance while living here.

Much of the credit of the appearance and beauty of our cemetery goes to Mr. O'Brien's constant care when the Association was young and when improvement was slow and much rugged work was required. He was employed as sexton in January of 1943 and was employed eight years. Mr. O'Brien was injured in an automobile accident in December of 1950 and was unable to continue in steady work although he did not retire at that time. He was a well known person in this and neighboring communities.

Mrs. John (Pearl) Dowd is his only daughter. Mr. O'Brien bought a small place here, which is still his property.

Mr. and Mrs. L. B. Turner were in Plainview Friday where they visited his sister, Miss Roxie Turner and her brother and family, Mr. and Mrs. Coleman Jones.

HAS TONSILS REMOVED

Johnnie Turner, youngest son of Mr. and Mrs. Malcolm Turner, had his tonsils removed Saturday, November 25 at Stanley Hospital in Matador. He came home the next day and is recovering satisfactorily. He did not miss any school.

Mrs. Barney Martin and her daughter-in-law, Mrs. Barney Joe Martin and son of Plainview were here Friday attending to business and visiting friends.

Mr. and Mrs. Gordon Turner and son, Clint of Lubbock, visited his parents, Mr. and Mrs. L. B. Turner over the week-end.

Friends of Mr. and Mrs. Sam Tibbetts will be interested to know that Mr. and Mrs. Gus Tollison of Midland are the proud parents of a baby boy, James Arnett, born November 28th and weighing 7 pounds and 11 ounces. Mrs. Tollison is the former Betty Norman and the maternal grandmother is Mrs. Sammy Norman of Snyder and the great-grandparents are Mr. and Mrs. Sam Tibbetts.

Mr. and Mrs. Junior Thomas and children of Odessa visited over the weekend in the home of her sister and family, Mr. and Mrs. Alfred Martin and with his father and his wife, Mr. and Mrs. Robert Thomas.

Mr. and Mrs. Lewis Cannon and Monte of Tulia spent Thanksgiving Day with her parents, Mr. and

BRIGHT IDEA

With kids in school you always have homework... and homework needs good lighting. Experts say that most people read by inadequate lighting. They also say that best lighting is provided by a bulb of at least 150 watts, properly shaded. Better check on the kids' study lighting to be sure they have good lighting. Do this today!

CONGRESSMAN WALTER ROGERS' WASHINGTON NEWSLETTER

WORLD TRADE
The big question facing this country as well as the rest of the free world during the next few years will be world trade. Much has been written in recent months to the effect that the Reciprocal Trade Bill will be one of the primary and most controversial issues in the coming Session of Congress. This is a true statement. At the present time, there is a violent revolution going on in the entire trade picture.

Trade in any category is a two-way street. Whether goods are traded for services, in kind, vice versa, or a medium of exchange is employed, it takes at least two to make a trade—be these individuals or nations. In former years it was generally accepted custom for each nation, large or small, to stand on its own dealing with others. This created a situation in many instances where one country could be played against another, especially in the European area. Hence, there came a need to counter these practices. This was especially true in the European and Scandinavian countries, because of the desolation created by World War II. The need to firm up these economies became all the more important because of the growing threat of the USSR. The speedy reconstruction of Europe, created for the purpose of offsetting the development of Russia, could well prove to be a thorn in our side in trade circles. Six of the European countries formed themselves into the OEEC, commonly called "the Common Market". This was done in order to create a protective barrier looking toward favorable inner tariffs as between the six countries, protected by an out-

er tariff with relation to other countries. Such an arrangement was designed to prevent outer interference in the economic affairs of the six countries, by playing one against the other. England was not a party to this community but leaned toward association with another group of countries including the Scandinavian countries, known as "the Outer Seven". However, as developments occurred in the economic field it became apparent that England should make some firm association with the European Common Market. Negotiations are presently under way for the inclusion of the United Kingdom in the Common Market community. Although this may pose a rather difficult problem insofar as our own operations are concerned, these people are all friendly allies. Hence, an area of agreement can be found, as is indicated by the Organization for Economic and Cultural Development, which includes Canada and the United States in an Atlantic community. Whatever difficulties may be encountered as between and our friendly allies, these will be offset by the ability of the European Common Market to counter attempts of the USSR to upset world markets.

In 1958, I addressed the Texas Service Stations Associations in its statewide meeting in Amarillo and pointed out some of the situations that might be expected as soon as the Common Market got into operation. This address was made prior to the actual commencement of the Common Market activities. At that time I pointed out the need for some kind of unity in the battle that could be expected to be mounted by the Soviet Union. The Soviet Union had not at that time entered into measurable competition in world markets in the consumer goods area. This was due to the fact that Russian needs were absorbing its entire production and more. At that time, Russia had neither the quantity or quality of end products with which to compete in the world markets. However, it was anticipated and must now be anticipated that the USSR is making and will continue to make greater progress in both quantity and quality.

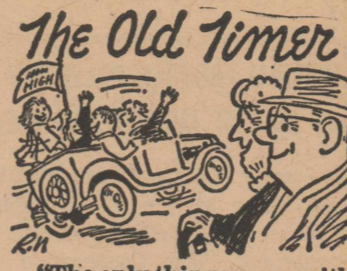

Spending example of what can be expected from the USSR in the gen-

eral world economic picture can be clearly seen by referring to the recent Soviet oil offensive. This is especially important to Texas and the Panhandle of Texas. Since 1956 the Soviet Union has increased its crude oil production by 108%. During that time the United States has increased its production by 1%. The United States is still the world's largest producer of oil; however, the tremendous increases in Russian production has made it the world's second largest producing country. In 1945 it was producing only 9% of the oil produced by the United States. In 1960 it was producing 42% of U. S. production. Russia has been using this additional oil in world trade in several ways. They are using barter arrangements in trading goods for goods. They can vary the value of the oil according to the need and according to the importance of the particular commodity needed by the Russians. They can also move this petroleum into world trade for a medium of exchange based on whatever value they need to put on the oil. Since the government there is all powerful, we can expect the same operations to be followed with relation to the consumer goods once they get into this field. The USSR can plow back into its national economy just so much of its labor costs as may be necessary to undercut any price of another country. Hence, it would be well for countries buying from or exchanging with the Reds to consider their own best interests from a future economic standpoint.

A car sped off the road, tore down a guard rail, rolled down the ditch, bounced off a tree, shuddered to a stop. A passing motorist raced to the scene and said to the driver, who was miraculously unhurt: "Say are you drunk?" Said the unhurt:

"Of course I'm drunk! What do you think I am—a stunt driver?"

"Sometimes a young man who thinks he has a girl on a string finds out too late that he has hold of a cord with a hook on the end of it." — John T. Dennis.

"The only thing wrong with the younger generation is that so many of us don't belong to it."
