SOME FISHERMEN BRING BACK MORE THAN A STORY -

CAPT. BEN MARLER
HER MAJESTY
Phone 73331 Destin, Fla.

Some people go fishing and return home with a big fish story and some return home with a story about the big one that got away. Then there are others who go fishing and bring home the proof. Such is the case of the N. V. Hamiltons, who returned last week with plenty of fish and also some nice pictures, one of which is reproduced above.

Mr. and Mrs. Hamilton and Mr. and Mrs. Bill Weatherwax of Amarillo returned on Monday of last week from a 12 day trip to Destin, Florida where they spent several days vacationing and deep sea fishing. Destin is about 34 miles from Pensacola and it was the second time for the Hamiltons to vacation there. They occupied the

same cabin this trip that they had the first time.

The fish in the above picture is a 10 - lb. red snapper, one of N. V.'s prize catches. He also caught a 24 lb. Grouper and an 8 - lb. King Mackerel along with a great many other varieties. A great many of their catches were thrown back, and still the Hamiltons brought home over a hundred pounds of dressed fish.

Mrs. Hamilton reported that N. V. caught a small shark one day. One fellow on the charter boat hooked a 400 lb. shark, finally hauling the monstrous fish to the surface, to be shot by the charter boat captain. Another fellow caught a big octopus.

DEAD MAN FOUND IN CANYON NORSHWEST OF QUITAQUE

The body of Joe Edwin Woodard, of Hobbs, N.M., who had been missing since Monday, October 22, was found in an automobile in the bottom of a canyon north of Quitaque on the Silverton-Memphis highway late Wednesday afternoon.

Deputy Sheriff Nook Bedwell said that condition of the body and other signs indicated that the auto and its grisly contents had been there several days. The body was badly decomposed.

An airplane flying over the canyons north of Quitaque late Wednesday afternoon spotted the car, landed at Childress and reported it to officers there. Briscoe County officers were notified and they went to the scene and found the auto.

Deputy Bedwell stated that the auto went off the road at about the fourth curve from the top of the caprock and came to rest about 450 feet below the roadbed. The auto was hauled out of the canyon by Odell Johnson with one of the Johnston Drilling Co.'s winch trucks. The body was not removed from the car until it was hauled out of the canyon. State officers came to aid of local officers and the remains were carried to Lubbock Thursday morning by Roberts Funeral Home ambulance for an autopsy.

Mr. and Mrs. Kenneth Murdock and children of Lockney visited her parents, Mr. and Mrs. John Reagan and Freda over the week-end.

Mr. and Mrs. Glen Ramsey are the parents of a new baby girl, born Sunday at 8:30 a.m. in the Lockney General Hospital. She weighed 6 lbs. and has been named Dana Dee. The mother and baby are doing fine.

Jackie Lynn, son of Mr. and Mrs. Jack Bradley of Dalhart, has had surgery on his right hand for the removal of a tumor. He will have to have surgery again when this heals for another tumor between the fingers. Jackie works on the railroad and has been off work for sometime. He is the grandson of Mrs. J. T. Bradley and the nephew of Mrs. Dick Taylor.

The automobile is reported to belong to a Seminole, Texas man, who told officers that he loaned the car to Woodard on October 22 and had not seen or heard from him since that time. Woodard formerly lived in Seminole.

Deputy Bedwell stated that the dead man was lying face down in the floor under the steering wheel of the car. The car was in "park" gear and the ignition switch was "on" but the condition of the engine indicated that it was not running when the vehicle hit the bottom of the canyon. The body of the car was not damaged as much as would be expected from a trip down the steep canyon. The auto did not overturn.

According to witnesses bloodstains were found in the front seat of the car, on the back seat, and on the outside of the car. The windows were all rolled up except the one on the driver's side, and when this one was rolled up, it was reported, bloodstains were found on it. None of the windows were broken, however, and little if any damage to the inside of the vehicle. Woodard had several lacerations around his head.

Woodard is survived by four sons, his parents, two brothers and a sister.

Mr. and Mrs. Clarence Redding of Clarendon visited Mrs. J. T. Bradley Sunday afternoon.

Mr. and Mrs. Pete Clark spent several days last week in Odessa with Dr. and Mrs. B. J. Clark's children while the B. J. Clarks attended the funeral services of her father, Henry H. Young at San Antonio. Mr. Young died Sunday morning and burial was on Wednesday.

Mrs. Sid Bogan and Mrs. Gladys Wise visited Mrs. A. Vineyard in Turkey Tuesday morning. They drove to Childress later in the day and visited Mrs. E. P. Rumph, then they visited Mrs. Patsy Martin in the Quannah Memorial Hospital and they report Patsy feeling fine and may be able to come home today. (Thursday).

FLOMOT TRANSPORTATION MAKES EXCELLENT BEGINNING

Flomot, Texas, Oct. 29 - According to figures released through the Flomot Board of Education by Supt. A. J. Barron, the three Flomot School Buses traveled a total of 4607 miles the first month of school at an operating cost of \$243.85 with an overall total expense of \$481.90, including insurance. In figuring the operating cost for comparison of buses, the driver salary is not included because of the difference in the length of the bus routes.

The operating cost of \$.038 was the lowest set by the oldest bus - 1956 Ford operated by Mr. Wendell Morris. Mr. Morris has driven a school bus for Flomot Independent School for the past ten years.

Very close to Mr. Morris was a 1961 Chevrolet driven by Mr. M. B. Dyke which cost \$.041 per mile to operate. This is the fourth year for Mr. Dyke to drive and serve as custodian.

The third bus' cost was considerably higher because of low gas mileage and the replacement of a tire. Mr. Wayne Mackey who serves as Principal and Coach of Flomot High School drives the third bus, a 1961 Chevrolet. The cost was \$.078 per mile, which was not bad.

The total cost per mile for operating Flomot School buses was \$.104 with an operating cost of \$.053. The only thing that makes this possible is the careful handling of the buses by each driver and the excellent servicing done by Mr. Dyke. This is indeed an excellent record when you consider that more than sixty percent of Flomot bus routes are classified as unimproved roads without gravel or rock surfacing.

Pete Rice drove to Tyler last Thursday to attend the funeral services of Mrs. E. P. Cook, sister of Mrs. E. G. Rice. The Services were held at 3:30 p.m., Oct. 25, in the Funeral Chapel there. Pete returned home that night following the funeral.

Mr. and Mrs. Gene Berry of Tullia visited the Sid Bogans and Mrs. Gladys Wise Sunday afternoon. Mrs. Edna Taylor also visited them and Mrs. W. E. Schott and Mary who were visiting here.

Mr. and Mrs. Arthur Gregg of Amarillo visited Mr. and Mrs. Buddy Morris Sunday.

Campaigns To Be Decided Tuesday

Marvin Tracy Buried Sunday

Funeral services for Marvin Tracy were held Sunday afternoon at 2 o'clock in the First Methodist Church here in Quitaque.

The Rev. Kenneth Metzger, pastor, officiated at the last rites, assisted by the Rev. W. A. Tarpley, pastor of the Assembly of God Church of Quitaque. Pall bearers were N. V. Hamilton, E. J. Hamilton, Leroy Hamilton, Marion Roberson, Bert Grundy and Wayne Whittington. Interment was in Rest Haven Cemetery under the direction of Roberts Funeral Home in Quitaque.

Mr. Tracy died at Stanley Hospital in Matador last Thursday, October 25, at 5:30 p.m. He had been a patient in the hospital for a week, but had been in failing health for several years. He retired from his farming occupation in 1955.

William Marvin Tracy was born in Throckmorton County, Texas July 30, 1893, the son of Mr. and Mrs. J. L. Tracy, and was 69 years, 2 months and 25 days of age at the time of his death.

He was married to Ethel Bradshaw at Turkey on Feb. 23, 1913, and they had spent all of their married life in Briscoe County, living in the Gasoline community for many years, later moving to Quitaque when Mr. Tracy retired from his farming activities.

He was a member of the Methodist Church. Survivors include his wife of the home; one son, Herman of Silverton; two brothers, Jim of Amarillo and C. W. of Roswell, N. M.; four sisters, Mrs. Johnnie Thomas and Mrs. Zola Hall, both of Bell, Calif.; Mrs. Bessie Gilkeyson, Silverton, and Mrs. Stella Jones of Huntington Park, Calif.

LOCAL TEAMS LOSE TWO GAMES TO SAMNORWOOD

Quitaque's basketball teams journeyed over to Samnorwood Tuesday night to joust with the high school teams there and both the Panthers and Pantherettes absorbed defeats, the Pantherettes by a wide margin while the Panthers dropped a last-gasp one-point heartbreaker. The score in the girl's game was 52-21 and in the boy's game the final tally was 68-67.

Tuesday night just wasn't the Pantherettes night. None of the forwards could find the scoring range either at the free throw line or from the field. Free throw percentage for the night was 23.8 and in the first half the Quitaque forwards managed a 28% from the field only to fall to an even poorer 15% during the second half. While the Pantherettes were having their troubles finding the range, the hometown's Rainey bombed the baskets for 40 points. Janice Dudley was high for the Pantherettes with 9 points; Kay Hamilton was runnerup with 5, followed by Chloee Woods with 4, Sharlotte McKay with 2 and Devorah McKay with a single point.

The boys game was a nip and tuck affair most of the way, and one that had the crowd on their feet the last three minutes of the game. The Quitaque lads led 16-12 at the end of the first quarter, 29-26 at half-time, 51-48 at the end of three laps, built up a 10 point lead with about three minutes of play and then let it slip away from them. According to game witness-

es, several things happened in the fading minutes that shouldn't have happened. Much confusion reigned Jack Johnson was granted six fouls before he was banished from the game, while Jim Saul was benched when he received his fourth foul; the Quitaque scorekeeper had the score tied at 68-68 when time ran out and all in all it was quite an evening. However, mistakes by the Panthers in the fading couple of minutes cost them the ball game, although Coach Streun and other fans who witnessed the contest, reported the Panthers played a good ball game, much better than that against Hedley a week earlier.

Coach Streun singled out Terry Woods for a special kind word. This is Terry's first year to play with the varsity team and he is coming along real fast. Coach Streun stated that one would never guess that he was a first year man Tuesday night.

The Panthers as a team hit for a 46% average from the field Tuesday night, which is a fine average, but only managed for 54.7% over their previous three games. One thing might be said in favor of the local teams: Samnorwood goals had glass backboards and to a team that is not used to playing on them, it is a disadvantage.

Quitaque's teams now own 1 win and two losses apiece for the young season. Their record could get even worse for the next weeks ahead as the schedule gets even tougher. Friday night both teams go to

Funeral Services Held Monday For Mrs. J. B. Lanham

Mrs. J. B. Lanham, mother of Richard Lanham, died at 3:48 p.m. Saturday, October 27 in St. Mary's Hospital in Roswell, N. M.

Funeral services for Mrs. Lanham were conducted at 2 p.m. Monday in the First Baptist Church at Silverton with the Rev. G. A. Elrod of Roscoe, former pastor of the Silverton Baptist Church, officiating. Assisting were pastor Carlos McLeod and Earl Cantwell, Church of Christ minister. Mrs. Lanham was a member of the Primitive Baptist Church. Active pallbearers were Robert London, Jack Strange, Roy Mayfield, Ollis Chitty, George Seany and Jeff Roberts. Honorary pallbearers were Bud McMinn, Dick Mayfield, G. Mayfield, Dean Allard and Jack Stafford. Burial was in the Silverton Cemetery under the direction of Roberts Funeral Home.

Minnie Elizabeth Lanham, the daughter of Mr. and Mrs. Henry McMinn, was born in Stephens County, Texas on March 16, 1877.

She was married to J. B. Lanham in Stephens County in 1895. Mr. and Mrs. Lanham moved to Briscoe County on Dec. 26, 1907 where they engaged in farming and ranching. They later moved to Abilene, then returned to Silverton on Dec. 12, 1915. Mr. Lanham died in 1955.

She is survived by three sons, Richard of Quitaque, Lenton and Sheriff Johnny Lanham of Silverton; three daughters, Mrs. Ethel Lea and Mrs. Willie Mae Schmaible, both of Roswell, N. M. and Mrs. Albert Mallow of Silverton; 13 grandchildren and 11 great-grandchildren.

Jimmie Dell Mayfield of W.T.S.-T.C. visited her parents, Mr. and Mrs. Jim Mayfield from Friday afternoon until Sunday afternoon.

Mrs. Willard McNabb and baby and Mrs. Clovis Hill and baby of Amarillo spent Tuesday with their parents, Mr. and Mrs. A. C. Barrett.

450 TAKE SABIN VACCINE HERE SUN.

There were 450 doses of Sabin Oral Vaccine administered here in Quitaque last Sunday afternoon, three more than showed up the first Sunday the vaccine was administered. On Sunday, September 16, 447 people were registered as taking the polio preventive, with an additional 125 coming the next Sunday for a total of 572 here in Quitaque. Donations the past Sunday amounted to \$135.00.

Next Sunday, November 4 has been set aside as makeup for the Type II vaccine. Everyone who could not take the vaccine last Sunday is urged to do so next Sunday.

BURSON LAKES REPORT -

Dusty Taylor out at Burson Lakes reports that 5000 channel cat, weighing up to 7 oz. have been placed in the lake recently. Mr. Taylor states that the fish should weigh more than 2 pounds next year and will provide for some nice fishing.

Mr. Taylor reports that not very many are fishing these days but those who are making it out are catching nice strings of fish.

W. H. Harris, as usual, caught nice strings of fish, netting bass up to 5 and one-fourth lbs. and strings of crappie and channel cat.

Debbie and Sharron Gaddy of Borger, 9 and 11 years old caught 81 brim while their father was out lure fishing for bass. He landed 7 nice bass.

Although the days are getting cooler, Mr. Harris says that fishermen who can stand a little discomfort can take nice strings of bass, crappie and channel cat.

PLANS COMPLETE FOR FLYING QUEENS BASKETBALL CLINIC

Plans have been completed for the sixth annual Flying Queens Basketball Clinic to be held in Plainview November 10.

This girls basketball clinic, which started six years ago as a small local affair, has expanded so greatly that last year it was attended by sixty coaches and over 500 players from high school girls' teams all over Texas and in neighboring states.

The program followed at this instructional workshop is unique. It consists of short periods during which outstanding coaches using their teams or the Flying Queens give demonstrations of their ideas, techniques, and methods.

Coach Harley Redin and the Flying Queens will be featured in the clinic. This team has won six national AAU championships in the last nine years, has been runnerup twice, and holds the all-time consecutive victory period with 131 straight wins. The Queens and Queen Bees, the freshman team, will demonstrate fundamentals, ball handling, and actual game play in their own winning style.

Following the all-day instruction, four regulation basketball games will be played featuring a game between two of last year's state champions, Sundown and Claude.

4:00 p.m. - Claude vs. Sundown
5:30 p.m. - Tullia vs. Rosston
7:00 p.m. - Floydada vs. Friona
8:30 p.m. - Oilton vs. Happy

The clinic begins at 9:00 a.m. on November 10 with match games starting at 4:00 in the afternoon. Tuition for the clinic is \$10 per school. All coaches and players registered for the clinic will be admitted to the games free. Admission for others will be \$1.00 for the four game program. All coaches interested are invited to contact Coach Harley Redin at Wayland College.

Mr. and Mrs. Owen Duke and children of Amarillo visited their uncle and aunt, Mr. and Mrs. J. W. Harvey Sunday.

Quitaque voters will join millions of other voters across the nation next Tuesday, November 11 when they go to the polls to vote for their favorite candidate from local to national level.

For the first time here in Texas voting will not be a mere formality due to the fact that Democrats were the only party having a serious challenger.

This year there are several races which give promise of being very close, the Republican Party coming up with several strong contenders in a number of races.

Here in the Panhandle Congressman Walter Rogers is being opposed by Jack Seale, Amarillo mayor and admittedly a member of the John Birch society.

John Connally, the Democratic nominee for governor of Texas is waging an unsuccessful race for the office as a Democrat in the last election, then switched to the Republican Party for this year's race.

Quitaque voters in particular are warned to be sure and take care in marking the ballot for this election. It was reported that more than 40 ballots from the Quitaque box were thrown out in the last Presidential election due to the fact that they were improperly marked.

Tuesday's ballot will have five columns: Democratic Party, Constitution Party, Republican Party, Independent and Write In. A person, voting a straight ticket must mark through four of the columns even though no names appear in the columns, as will be the case. Be sure that every name except the one for which you vote is marked out. If you are in doubt as to whether your ballot is marked correctly, ask the election judge. And remember, if you do any erasing on your ballot, it will be thrown out. If you ruin your ballot, ask for another.

Voting in Quitaque will be done at the City Hall and voting hours will be from 8:00 a.m. until 7:00 p.m.

Mrs. Betty James and boys of Amarillo visited her mother, Mrs. Claude Cantrell and Letha May Saturday night, and drove to Memphis Sunday to visit her father in the hospital. Mr. Cantrell was taken to the hospital last Thursday and came home Tuesday.

Ginning Report -

The cotton harvest is getting in high gear this week in our area.

The local gins report a total of 1070 bales as of Thursday noon. A week ago the two gins reported 603 bales ginned.

Mr. and Mrs. O. R. Stark, Jr. and children attended the football game at Lubbock Saturday afternoon, then drove to Sweetwater to visit her parents, Mr. and Mrs. Louie Hartgraves.

Mr. and Mrs. Richard Pittman and girls of Abilene visited his mother, Mary Pittman and the C. T. Ruckers over the week-end.

Mrs. C. E. Bedwell of Sunray brought Mrs. L. J. Bedwell home last week after spending a few days in the C. E. Bedwell home following eye surgery.

Mr. and Mrs. Gene Grundy of Lamesa spent Sunday afternoon with her father, Levi Bedwell.

? Why Take A Chance ?

IF YOU BELIEVE:

- Good Government begins at home
- That strong and effective local and state government is the best answer for less Federal control.

ANDY has employed every practical means (often at his own expense) to keep his record and that of your legislature open and available to the public for inspection and judgement.

Yet there has never been any large or responsible group or element who could claim that Andy Rogers has not represented, with vigor and integrity, the principles, ideals and interests of our Senate district, State and Nation.

- 37 Years Old - Democrat
- Wife, 2 daughters, 1 son
- Stock Farming and Businessman
- 7 Years College
- 14 Years Seniority (4 years in House of Representatives, 10 Years as your State Senator)
- WWII Veteran, Baptist, Rotarian, Farm Bureau and several Fraternal Organizations, etc.

INDEPENDENT IN THOUGHT AND ACTION - THE COURAGE TO DIFFER WITH FRIEND OR FOE WHERE PRINCIPAL IS CONCERNED.

Andy Rogers, Your State Senator, receiving oath of office as President Pro-Tempore of our Texas Senate Oath administered by Lt. Gov. Ben Ramsey.

This is the highest office, honor and recognition that can be bestowed upon a Senator by his colleagues. The duties of the office include presiding over the Senate and acting as Lt. Governor and Governor, when one or both are absent from their office or state.

Andy had the honor of serving in each of these capacities.

ANDY has ACTED and REPRESENTED YOU FOR:

- Right to work law.
- Private ownership and control of underground water.
- Bill that outlawed Jimmy Hoffa's operations in Texas.
- Resolution to PREVENT Red China's admission to U. N.
- More Representation for West Texas.
- More competitive free enterprise.

AGAINST

- 80% of new State taxing and spending of last 14 years.
- More government and monopoly controls
- Income taxes in Texas
- Deficit spending
- Pari-mutuel horse race gambling.

In 1951 Andy (then a member of the House of Representatives) and others achieved the impossible . . . a 50% increase for our area in representation in the Senate. The entire South Plains-Panhandle Area had only 2 Senate seats. Redistricting occurred. East Texas lost one (1) Senate seat. The South Plains-Panhandle area gained this seat - "Our 30th Senatorial District."

EDDLEMAN - WATERS VOWS REPEATED AT SILVERTON RECENTLY

The home of Mr. and Mrs. Bruce
 Eddleman near Silverton was the
 scene on Saturday, October 20, of
 the wedding of their daughter,
 Thelma Joyce, to Mr. Loyd Dean
 Waters, son of Mr. and Mrs. Earn-
 est Waters of Pampa. Earl Cant-
 well, minister of the Rock Creek
 Church of Christ, directed the dou-
 ble ring ceremony.

The exchange of vows took place
 before two large candelabra hold-
 ing white tapers, decorated with
 arrangements of white and pale
 gold chrysanthemums and greenery.
 Escorted and given in marriage
 by her father, the bride wore a two-
 piece suit of gold brocade satin
 with beige pumps and a white car-
 nation corsage. Attending her
 friend as matron of honor was
 Mrs. Joy Haney of Amarillo. She
 wore a beige wool sheath dress and
 a white carnation corsage.

Serving as his brother's best man
 was Oscar Waters.

Mrs. Eddleman chose a brown
 dress for her daughter's wedding,
 while Mrs. Waters was attired in
 a green dress. Both mothers wore
 white carnation corsages.

A reception was held immedi-
 ately following the ceremony. Miss
 Joyce Waters, sister of the bride-
 groom, registered the guests. Mrs.
 Jack Mayfield and Mrs. Bill Dur-
 ham, both of Silverton, presided at
 the serving table which was laid
 with a white cloth and centered the
 tiered wedding cake which was
 topped with wedding bells. Golden
 punch and mints were served with
 the cake.

After a brief wedding trip, the
 couple are at home at 1503 A Par-
 ker in Amarillo. The bride is a
 graduate of Silverton High School
 and attended West Texas State Col-
 lege. She is now employed by Am-
 arillo Hardware.

The groom is a graduate of Pam-
 pa High School and of Amarillo
 College. He is employed by Gray-
 bar Electric Company in Amarillo.

 gens of the 1962 Texas Tech squad
 who will be playing with the all-
 stars.

Led by 7-foot, 3-inch, 320 lb. Jan-
 nis Kryminsch, the Russian men
 are expected to field their finest
 team ever in international competi-
 tion. Standouts on the women's
 team will be team captain Nina
 Poxnanskaja, and 6'6" Revela Sal-
 imova.

Eight games are scheduled for
 the visiting Russians who are due
 to arrive in New York Nov. 6.
 Games will be played in New York,
 Washington, Nashville, Tenn., Sioux
 Falls, S.D.; Mt. Pleasant, Iowa,
 Lubbock, and Denver Colo.

Tip-off time for the women's
 game is set for 7 p.m. and the
 men's contest will get underway at
 8:30. Tickets for the event will be
 \$1.50 to \$2.50, and are on sale in
 Lubbock and surrounding areas.
 Wayland College has a block of
 tickets for sale and they can be

JOAN BERNITA ELMORE
 ... Alvin W. Hamm

December weddings are being
 planned by both the lovely young
 ladies above. Miss Joan Bernita
 Elmore is to become the bride of
 Alvin Wesley Hamm and Miss
 Gypsy Diane Vaughn the bride of
 David Neville Hamm.

Joan is the daughter of T/Sgt.
 and Mrs. James W. Elmore of New
 Braunfels, Texas. She is a gradu-
 ate of New Braunfels High School
 where she was elected Homecom-
 ing Queen, Class Favorite and Miss
 Personality. She was also a mem-
 ber of the National Honor Society.
 Presently, she is head of the Cust-
 omer Service Department of TIME
 Inc. of Tucson.

Gypsy is the daughter of Mr.
 and Mrs. Albert Vogel, Jr., 3225
 Treat Circle, Tucson, Arizona. She
 is a graduate of Catalina High
 School of Tucson and the Tucson
 School of Beauty Culture. Gypsy is
 also a beauty queen and has mod-
 eled for several of the larger Tuc-
 son stores.

The prospective bridegrooms will
 be remembered as the sons of the
 Rev. and Mrs. Alvin Hamm who
 are former residents of Quitaque.
 Alvin Wesley is stationed with
 the U. S. Army at Fort Benjamin
 Harrison, Indianapolis, Indiana
 where he is working in the Army
 Finance School. He is a former
 student of the University of Ari-
 zona and will get his degree in Ac-
 counting from Purdue University
 this winter. While at the Universi-
 ty of Arizona, Alvin Wesley was

CARDS OF THANKS

To our many friends and neighbors, we want to say thanks from the bottom of our hearts for each word of kindness, the many prayers said in our behalf, and the food brought in for the family during our time of sorrow.

The family of William Marvin Tracy; Ethel, Herman and Earlene.

I can't find the words I want to say to all my friends and loved ones for their kindness, cards, flowers, gifts, visits and prayers said in my behalf while I was in the hospital and since I came home, for the friends who visited me especially on my birthday with gifts, cards and the good food to make my day happy.

It reminds me of a verse I read many years ago: "True friendship is a Gordian Knot, that Angel's hands have tied, with heavenly skill its texture wrought, who shall its folds divide?"

Thanks everyone, from the bottom of my heart. I feel so unworthy

NOTES FROM THE COTTON CLASSING OFFICE
After a slow down in harvesting due to rains a week earlier, cotton sample receipts again increased towards the latter part of the week, according to K. E. Voelkel of the USDA's Cotton Classing Office, Memphis, Texas.
Based on about 6,000 samples classed during the week, the quality was not as good as the previous week. The predominate grade was Middling Light Spotted, with 35% More than 85% of the grades fell in the Light Spotted category, while 14% was white cotton. Staple lengths ranged from 7/8 to 1-1/8 inches with only 1% stapling 7/8 inch, and 5% was 1 inch

and longer. The predominant staple length was 15/16 inch, with 72% The micronaire readings show sharp improvement over the week earlier. Only 1% was Wasty cotton. 87% was 3.5 and higher, with 27% reading 4.5 and higher.
Due to the lateness of the crop and weather conditions, this office has classed 22,085 samples to date with 6 classers. This compares with 58,024 a year ago. It is estimated that about 12% of the 1962 crop has been harvested.
Average prices paid for some of the qualities that entered trade channels were: Strict Middling Light Spotted, 29/32 - 30.45; Strict Middling Light Spotted, 15/16 - 30.96; Middling Light Spotted, 29/32-29.61; Middling Light Spotted, 15/16 30.25.

At the request of producers, ginners and merchants, the U.S.D.A. is announcing a service providing for micronaire readings on samples submitted under the Smith-Doxey Program according to John L. McCollum, Southwestern Area Manager of the Cotton Division, Dallas, Texas. This service will be provided to the limit of available instruments and facilities.
Both sides of each sample will be tested and the micronaire readings will be recorded on a card attached to the Form 1 (Green) Card. The fee for such air flow tests and reporting of micronaire readings will

be 8 cents per sample as prescribed under the Regulations for Cotton Fiber and Processing Tests.
If producers are interested in this service, it will be necessary for gins to make applications to the classing office that is serving the farmers of their respective community.
As soon as applications are received and the micronaire cards, are available, the service of recording micronaire readings on the Form 1 (Green) Card will begin. This service is voluntary on the part of the participant.

Think!

When you go to the polls next Tuesday to elect a man to represent this 18th District of Texas, think on these things:

- ★ Walter Rogers has served this District for 12 years, and has had the best interests of ALL the people in this District at heart in all issues that have arisen.
- ★ Walter Rogers has proven himself to be a friend of the farmer.
- ★ Walter Rogers has the training and background necessary to better serve in Washington. Mr. Rogers is a graduate with a law degree from the University of Texas, plus years of law practice before going to Washington.
- ★ Walter Rogers is well regarded both in Washington and here at home as a man of integrity and moderation.

What does his opponent, Jack Seale have to offer the voters of this district? Does a man with only a high school education, and without experience of any kind to equip him for the task of representing the thousands of people in this district, meeting the complex problems of our constantly changing world; does the member of such an extremist group as the John Birch Society believe that he can ever stand up and be heard in the Congress of our United States? Our country, much less our own District, most surely do not need extremists such as this guiding our destinies in Washington, D. C.

We earnestly request that you THINK before you vote and
