MEETING HELD CONCERNING MULE DEER RELEASE IN CAPROCK AREA

A public hearing was held in the court house at Silverton Thursday March 7, in the jury room at 8:00 P. M. to inform the public of a proposed mule deer release on the Caprock in Briscoe and Floyd Counties. Mr. Emmitt Smith, Wildlife Biologist of the Game and Fish Commission, who is in charge of trapping and transplanting in the state, from New Braunfels, Texas, was in charge of the meeting. Sportmen and landowners were urged to attend.

The proposed site, which includes approximately 200,000 acres in Briscoe and Floyd Counties, will have a closed season on mule deer hunting for a five-year period. Wildlife management licenses will have to be signed by all landowners in the proposed area before deer can be released.

Personnel of the Game and Fish commission feel that this type of country on the Caprock has possibilities for establishing a huntable mule deer population in years to come if properly protected.

HUNTERS PLEASE NOTICE

Mr. and Mrs. Clayton Johnson recently turned 6 pair of wild pheasant loose at their farm north of town. The birds were a gift to the Johnsons and they would like very much to see the beautiful game birds to get a start in this area.

The Johnsons ask that hunters not kill them if they are sighted. If any of them are seen, call the Clayton Johnsons and tell them where and how many of them were seen.

Mrs. Gladys Wise returned to her home here last Friday after recent eye surgery in Amarillo. She has been recuperating in the home of her daughter, Mrs. Richard Tibbetts. Her sister, Mary Ollie Persons brought her home.

Mr. and Mrs. Richard Tibbetts of Amarillo visited her mother Mrs. Gladys Wise Sunday.

Mr. and Mrs. W. F. Geisler of Denver City, spent the week-end with their parents, Mr. and Mrs. Lon McKay and Mr. and Mrs. Paul Geisler at Turkey. Their children had been spending a week with the Geislers at Turkey and Mrs. Geisler had brought them to Quitaque on Thursday. Sunday, the W. F. Geislers and Mrs. Bill Lane and Billy Don of Turkey had lunch with the Lon McKay family. In the afternoon, Mrs. McKay accompanied Mrs. Lane and Bill to Lubbock where Billy Don is a student at Tech and Mrs. Lane and Mrs. McKay visited Mrs. Elbert Sperry and family while they were in Lubbock.

Mr. and Mrs. James May visited her parents, Mr. and Mrs. J. W. Lutts in Estelline Sunday. Mr. Lutts is feeling better after his recent illness.

Priss Chandler and Evelyn Bell of Dallas spent the week-end with Mrs. J. E. Chandler. Priss and Evelyn drove to Adrian to spend the night Friday, and spent Saturday night and Sunday here. Mrs. J. E. Chandler returned to Dallas with them for a visit.

Mr. and Mrs. R. L. Brunson was admitted to Medical Center in Plainview last Tuesday where it was determined she was suffering with the flu. She was better at this report.

Donnie Brunson entered Medical Center at Plainview last Saturday for treatment of a gall bladder condition. He is home again.

Mrs. Elmore Pointer returned to her home from Stanley Hospital Saturday afternoon.

Mr. and Mrs. Joe Ruffeno and son of Dallas spent Sunday with Mr. and Mrs. Wayne Whittington and family.

Basketball Season Ended

☆☆☆
All - Regional

JACK JOHNSON

The 1963 basketball season came to an end for the Quitaque Panthers in the first round of play at the Regional tournament at Canyon as they lost to a very fine Aspermont team 75-61. The final score is not a true indication of the fine show put on by the Quitaque lads, however.

The Panthers got off to a rocky start and were behind by 12 points, 14-26 at the end of the first quarter of play. From that point the Panthers, led by big Jack Johnson, fired in point for point with the Hornets. In fact, in the second and third periods the Panthers outscored Aspermont. During the fourth quarter the Panthers had to scramble to try to catch up and committed several fouls, allowing the Hornets to regain their first quarter advantage, plus two. At the end of the third quarter the Panthers had pulled to within 9 points of the Hornets, trailing by a 52-61 count.

Jack Johnson, the Panthers improving candidate for all-state

honors, fired in 29 points, 21 of them in the first half, to spark the Quitaque lads. His 29 points was the highest score tallied by any one in the tournament. John Godfrey, the Hornets' two-time all-stater registered 28 against McAdoo Saturday morning. The Panthers limited Godfrey to 20 points, his lowest of three games at the regional tournament.

Jack Johnson of the Panther was selected on the all-regional team, which was announced after the final game Saturday night.

Champion McAdoo placed three men on the ten-man all-tourney squad, runnerup Miami placed two, third place winner Aspermont also, placed two, and Quitaque, Happy and Bula each placed one on the all-star team.

The Panthers played very good basketball after overcoming their first quarter jitters and have nothing of which to be ashamed. The Panthers and fans were naturally disappointed at losing but there is one consolation for the squad: all but one of them will be back for

another crack at the title next year. Cappy Wise is the only Senior on the squad.

So closes another very fine season for the Quitaque Panthers; three consecutive district crowns, two bi-district championships and one regional title in three years. All this with the prospects of having one of their finest teams ever for next year!

For this season the Panthers finished with 22 wins and 7 losses. The Panther were undefeated under Coach King until their final game. Quitaque is proud of Coach King and both the Panthers and Pantherettes and everyone is looking forward to the next season.

The Quitaque box score for the Panther-Hornet game:

Player	FG	FT	PF	TP
Johnson, Jack	14	1	4	29
Saul, Jim	6	3	2	15
Morrison, Bobo	0	0	1	0
Woods, Terry	2	2	1	6
Wise, Cappy	0	2	0	2
Brown, Robin	4	1	1	9
Barefield, Phil	0	0	1	0

QUITAQUE METHODIST CHURCH TO HOST MISSIONARY

The Methodist Church of Quitaque will play host on Thursday, March 21, for the visit of the Rev. Ed Lemaster, returned missionary from Angola.

He will be in Quitaque to speak at 2:00 P. M., and other area Methodist churches will be present to hear Mr. Lemaster. The public is also invited to be present for this opportunity.

Mr. and Mrs. J. W. Harvey spent Sunday in Amarillo where they visited at the homes of their sons, Ralph and Howard and their families and their granddaughter, Mrs. Doyle Wheeler and family. The Harveys have another great-grandson, Joel Wayne, born February 25, to Mr. and Mrs. Joe Smith. The boy weighed 10 lbs. at birth. The mother is the former Sue Harvey, daughter of Mr. and Mrs. Howard Harvey.

Bob Saul of Baylor University spent the week-end at the home of his parents, Mr. and Mrs. Clyde Saul, and his brother Jim. Bob brought the morning message at the Baptist Church. Other guests of the Sauls Sunday were his sister, Miss Willie Evans and her brothers, Freeman and Henry Evans, all of Kress.

MOTHER OF MRS. J. W. LYON, JR., DIES IN TENNESSEE

Word was received here Monday afternoon of the death of Mrs. C. C. Rogers, mother of Mrs. J. W. Lyon, Jr. at Lebanon, Tenn. Mrs. Lyon has been with her mother since before Christmas. J. W. left by plane Tuesday to attend the funeral services for Mrs. Rogers, which were held Wednesday.

CLARENDON JUNIOR COLLEGE CHOIR TO SING HERE WEDNESDAY MORNING

The Clarendon Junior College Choir will present a concert at the school auditorium here next Wednesday morning, March 13 at 11 o'clock.

HERE FROM DENVER CITY

Mr. and Mrs. W. F. Geisler of Denver City, spent the week-end with their parents, Mr. and Mrs. Lon McKay and Mr. and Mrs. Paul Geisler at Turkey. Their children had been spending a week with the Geislers at Turkey and Mrs. Geisler had brought them to Quitaque on Thursday. Sunday, the W. F. Geislers and Mrs. Bill Lane and Billy Don of Turkey had lunch with the Lon McKay family. In the afternoon, Mrs. McKay accompanied Mrs. Lane and Bill to Lubbock where Billy Don is a student at Tech and Mrs. Lane and Mrs. McKay visited Mrs. Elbert Sperry and family while they were in Lubbock.

FLOMOT EX-STUDENTS REUNION TO BE HELD ON JULY 6 AND 7

The Flomot Board of Education voted on February 19 to allow school facilities to be used for the Ex-Students Homecoming on July 6 and 7. The Ex-students Homecoming Committee is in charge of the program. In the resolution giving permission for use of the building was the condition that the said Committee was to assume responsibility for any damage done.

Beginning in 1954 the Flomot Community has held a homecoming every third year for students, friends, and former residents. Several families come from New York, California and Florida to meet friends not seen in several years. The activity probably started from a former resident who returned to Flomot to attend the funeral of a relative, who commented on the sad occasion to return home to meet friends. He said further that he thought a large number of people would return if they felt the chanes were good to see a large number of former friends. A start was made in 1954 and has increased each year.

The Homecoming Committee is composed of: Mr. and Mrs. Sam Ross, president; Mr. and Mrs. Malcolm Turner, vice-president; Mr. and Mrs. O. D. Calvert, secretary-treasurer. Mr. Ross appointed the following committee chairmen who are to choose their working committees: Mr. and Mrs. C. C. Jones, Food; Mr. and Mrs. Wilburn Martin, Finance; Mr. and Mrs. W. R. Ware, Decoration; James Ross, Program; Mr. and Mrs. D. M. Gilbert, Greeters; Mr. and Mrs. Ronald Clay, Registration; Mr. and Mrs. Raldo Martin, Housing; Jimmy M. Ross, Flunky; and Mr. and Mrs. Joe Degan, Arrangements.

Plans are being made to accommodate even a larger turn - out than in 1960.

1963 Feed Grain Signup Now Well Underway

The signup for the 1963 feed grain program now is under way in the ASCS County Office, John R. Fowler, Office Manager of the Briscoe County ASCS Committee, has announced. The signup period started Feb. 1 and will continue through March 22. As for 1962, the program covers the three major feed grains of corn, grain sorghum, and barley.

In general, the Office Manager said, the provisions follow those for 1961 and 1962 crops, by giving feed grain producers an opportunity to participate in the program by reducing acreages at least 20 percent and devoting them to an approved conserving use. By participating, they will receive diversion payments and price-support payments, and they will be eligible to take part in the price-support loan program.

One important change from programs for previous years, Mr. Fowler explained, is the price-support payment which participating farmers will receive on the normal

production of the acres planted to the feed grains in 1963. The payments have been set at 18 cents per bushel on corn, 16 cents per bushel on grain sorghum, and 14 cents per bushel on barley. Unlike the regular price-support loan, the rates for the price-support payments will be the same throughout the country; they will not vary by counties.

Also, this year, the price-support loans or purchase agreements will be available to participants on the entire crop produced on the 1963 feed grain acreage; in 1962, the loan was restricted to the normal production of such acreage.

From now on, the Office Manager believes, county office people will be increasingly busy explaining the program to farmers and helping them fill out the necessary forms indicating their "intention to participate" in the 1963 feed grain program. He urges interested growers to visit the office soon, and thus avoid delays.

Mrs. Jerry Price, Danny and Carl, and Johnny King of Fort Worth visited their parents, Mr. and Mrs. John King Sunday. Other

guests in the John King home were Mr. and Mrs. James Hawkins, Beth and Troy and Mr. and Mrs. Jerry King and Mark of Silverton.

SUPPORT PRICE FOR 1963-CROP COTTON ANNOUNCED

The U. S. Department of Agriculture has announced a minimum 1963-crop support price for Middling 1-inch cotton at 32.47 cents per pound, gross weight, at average location. This is the safe support price as was in effect in 1962 for such cotton.

The Cotton Advisory Committee, on Jan. 14, recommended to the Secretary of Agriculture a cotton program under which the support price for the 1963-crop Middling 1-inch cotton would be established at approximately the 1962 level. Setting the rate at this level at this time is consistent with the recommendations of the Cotton Advisory Committee and with the enactment by the Congress of legislation which is needed to implement the other recommendations of the Advisory Committee. Prompt enactment of such legislation is urgently needed so that the acreage provisions can apply with respect to the 1963 crop.

In addition to the minimum support price for Middling 1-inch cotton, USDA also announced a minimum national average support price (average of the crop) of \$1.70

cents per pound. This reflects approximately 79 percent of the current parity of 40.31 cents per pound. The average of the crop is the statutory basis for cotton price support.

This announcement follows "forward pricing" provisions of law authorizing announcement of minimum support prices in advance of the planting season which is at hand in the Southernmost cotton producing areas. USDA officials said that announcing a minimum Middling 1-inch support price in addition to a national average price will enable cotton farmers to more accurately determine the support price for the qualities of cotton they normally produce.

Under the support program when price differentials for the different qualities of cotton are determined later, the average support price will be converted to a Middling 1-inch basis. If this is a higher price than the minimum announced for Middling 1-inch cotton, the price for Middling 1-inch will be increased accordingly.

The basis for later converting the national average support price

to Middling 1-inch will be as follows: (1) By determining the number of points by which a weighted average of the 1963 Schedule of Premiums and Discounts (after such premiums and discounts are determined) is below Middling 1-inch when weighted by the average production for each quality for the period 1957 through 1961, and (2) adding the number of points, as determined in (1) above, to the average level of support to place it on a Middling 1-inch basis.

Appropriate differentials will establish the difference between the level of support for Middling 1-inch, the base quality, and all other qualities of the 1963 crop upland cotton. The Schedule of Premiums and Discounts containing these differentials will be determined and published later, when other detailed provisions of the program are announced.

In the event the minimum level of support for upland cotton required by law on the basis of the parity price as of the beginning of the marketing year is higher than the level of support announced at this time, the level of support will be increased accordingly.

REVIVAL BEGINS SUNDAY AT FIRST BAPTIST CHURCH HERE

☆☆☆
EVANGELIST

☆☆☆
MUSIC DIRECTOR

DR. J. P. McBeth

The First Baptist Church of Quitaque will engage in Revival efforts March 10 through 17.

Dr. J. P. McBeth, evangelist, author and Bible teacher, will bring the messages and Mr. Bill Ferguson, minister of music for the First Baptist Church of Amarillo, will direct the music.

Dr. McBeth is considered one of the outstanding Bible teachers and preachers of our day. He comes very highly recommended by men like Dr. W. R. White, president of Baylor University; Dr. R. G. Lee, past president of the Southern Baptist Convention; Dr. M. E. Ramey, president of Oklahoma Baptist Convention. He is one whom God has richly endowed and blessed. He is the author of several books, among them being his widely known commentary on the book of Romans.

BILL FERGUSON

Prayer periods each morning and each evening of the revival, Monday through Friday of next week, have been set at the church. One of the deacons has been designated to lead during each of these prayer periods.

Services will be at 7:00 A. M. Monday through Friday and 7:00 P. M. each evening Monday through Saturday. Sunday services will be held at the regular times.

Dr. McBeth has indicated that the Beatitudes and Letters to the seven churches in Revelation will be the background for most of his messages. Bro. Ferguson has asked that all Baptist young people and adult who will, to help form a revival choir. He will work each evening with the group.

Certainly all are invited to seek the deep things God has to offer in such an emphasis.

Manager and Operator

In addition to her responsibility as manager, Mrs. Brunson performs many duties about the cleaning plant, but she specializes in alterations. In spite of their many duties Mr. and Mrs. Brunson still find time to devote to their church, their community, and their family of four children, all of whom are in the Quitaque schools.

☆☆☆

Of all types of business endeavors perhaps none is more appreciated by the public than the dry cleaning establishments. Clothes whose values will run into the thousands of dollars pass through each of these businesses each week.

The Quitaque Cleaners has been an institution in Quitaque for over thirty years. Although it has been owned and operated by different people through the years, this cleaners has continued to carry on the same fine service.

Mr. and Mrs. James Brunson, who purchased the business in 1961 from Jack Holcomb, continue to carry on the tradition of efficient, economical cleaning service that has made this cleaners an outstanding business in Quitaque in regards to community service.

Although the management is under the direction of Mr. and Mrs. Brunson, Mrs. Brunson shares the operation of the shop with two other employees, Lockwood, (Mrs. Leon) McCracken, and Wanda, (Mrs. Ray) Payne. Mrs. McCracken is in charge of the cleaning, while Mrs. Payne does the pressing and alterations. Ruth (Mrs. Brunson) takes care of many du-

ties, but more or less specializes in alterations.

When he can find a little time from his many duties, James Brunson may lend a helping hand. He has been City Secretary since 1958. His duties with the city also require him to serve as water superintendent and tax assessor-collector. He is past president of the Caprock Water and Sewage Association and is now serving as vice-president of this association, which is comprised of 14 cities, including Spur north to Tullia and from Quitaque west to Muleshoe. Brunson was president in 1961-62, and previous to this was secretary of the association.

In addition to their regular duties the Brunsons have found time to serve their church and community in various ways. Brunson is assistant Scoutmaster and Scout Executive. He is an active member of the Lions Club, and is presently serving as one of the directors of this club. Mr. and Mrs. Brunson are active members of the Church of Christ.

Neither are new to Quitaque. Mrs. Brunson is a graduate of Flomot High School, while James parents

moved to Quitaque in 1925. Although he later moved away—he graduated from high school in Pauls Valley, Oklahoma—James has been a resident of the Quitaque area since 1939.

James farmed near here until 1941, when he entered the Navy. He later served on a transport, the USS Hermitage, and saw 17 months of duty in the South Pacific and 19 months in the Atlantic.

He returned to Quitaque and farmed for a number of years, during which time he served as substitute mail carrier. In 1958 he gave up his farming activities when appointed city secretary.

The Brunsons have four children; Patricia, 14, is in Junior High, David, 12 is an intermediate and active in the Boy Scouts and the Little League; Perry, 10, is in the Elementary School and is also active in the Cub Scouts and the Little League, and Mary 6, is in the first grade.

A fifth member of the family is "Smoky", a Boston Terrier, who has managed to achieve an important position in the family circle, and who takes in the various fishing trips the family makes during the summer season.

How to make your savings dollars do double duty

You get an extra benefit when you put your dollars into U.S. Savings Bonds today.

With our country taking the side of freedom in the massive struggle against communist slavery, it's more important than ever that the United States keeps financially strong. Your Bond dollars help maintain this strength.

Your Bond dollars strengthen America another way: by building your own financial strength. For a nation is only as strong as its people.

United States Savings Bonds are guaranteed to grow 33 $\frac{1}{4}$ % bigger by maturity. Start buying them today. Each one you sign up for will add that much more security to your country's future—and your own.

This man wants peace—but on his terms. One way we can help our government negotiate with him is to keep financially strong.

You save more than money with Savings Bonds. You help preserve freedom for your future, and your children's.

Keep freedom in your future with
U.S. SAVINGS BONDS

METHODIST NEWS

Sunday Sermon Topics:
Morning Worship: "Lent - A Time of Remembering" - Deut. 5:15).

Evening Worship: A filmstrip titled: "The Church Beyond Our Window" concerning the World Service benevolences of The Methodist Church.

There is to be a meeting of the Caprock Sub-district M.Y.F. at St. John's Methodist Church, Plain-

view, at 6:00 P. M. Monday.

The Wesleyan Service Guild will be meeting at the Community Room of the First National Bank, Tuesday at 7:00 P. M.

The eleventh annual spring series of the Willson Lectures will be held at McMurry College, Abilene, Tuesday through Thursday, March 12-14. Retired Bishop Arthur J. Moore, now in full-time evangelistic service, will be the lecturer. The lectures are made possible by the vision of Dr. and Mrs. J. M. Willson of Floydada. The lectures this spring are combined with "Re-

ligion in Life" week at McMurry College.

LENT: A TIME FOR ETERNAL THINKING AND ACTION

Lent is a time for special consideration of the things eternal. When thoughts and inspirations as well as actions and aspirations, rise no higher than earth-bound cares, then preoccupation with the temporal blots out the eternal. Jesus puts it simply, yet profoundly when he says: "Set your mind on God's kingdom and His justice before everything else, and all the rest will come to you as well." And again he says, "What does a man gain by winning the whole world at

the cost of his true self?" (Matt. 6:33; Mark 8:36. New English Bible) Let our prayer for Lent be: O Lord, teach us to remember thee and thy Kingdom. May we not be so content with the temporal world as to fall to become intent on eternity. Help us keep our hearts and minds in tune with thee that our very being may find peace in thy presence; through Jesus Christ our Lord. Amen.

THE KEY TO ETERNAL LIFE - For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord. - Romans 6:23

For God so loved the world, that he gave his only begotten son that whosoever believeth in him should not perish but have everlasting life. - John 3:16

THE KEY TO POWER - I can do all things through Christ which strengtheneth me. Phil. 4:13

THE KEY TO FREEDOM - If the Son therefore shall make you free, ye shall be free indeed. - John 8:36

THE KEY TO YOURSELF - Therefore if any man be in Christ, he is a new creature. II Corinthians 5:17

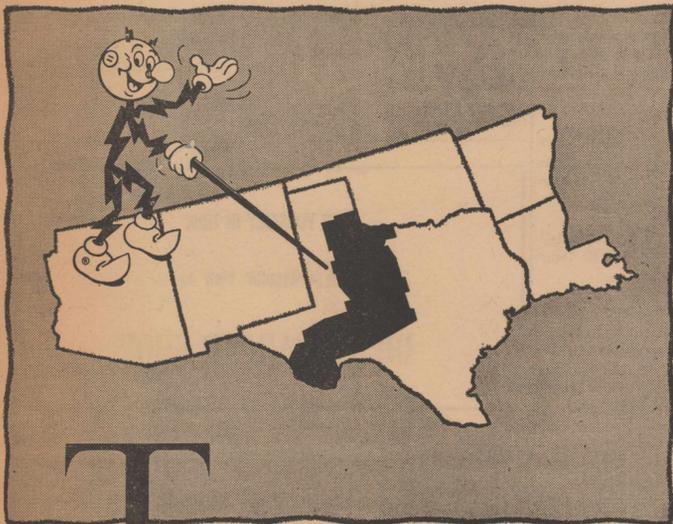

Whereby are given unto us exceeding great and precious promises; that by these ye might be partakers of the divine nature. - II Peter 1:4. But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name. - John 1:2

BAPTIST WMU HAS WEEK OF HOME MISSION STUDIES

The Woman's Missionary Society observed a season of prayer for Home Missions featuring the theme "If My People . . . Pray". The meetings were well attended and very informative. Monday's program, "Witness Unto All Nations," presented the influence (which is not always wholesome) America has cast on visitors from other nations and the ways Baptists have sponsored Cuban refugees. Tuesday's program, "Seek Those Gone Astray," featured the work of Southern Baptists in a program of Juvenile Rehabilitation. Wednesday's program, "Go Everywhere Preaching," presented the work of the Home Mission Board in establishing new churches in pioneer areas. Thursday's program, "Enter Open Doors," closed the session with a look into the many fields of service of the Home Mission De-

THIS is the Center of the Southwest.

The Center of the Southwest is our service area. It is called the Center of the Southwest because it is in the very heart of one of the Nation's fastest growing regions.

For many months we have been engaged in an extensive expansion program throughout our service area, enlarging both generating capacity and distribution facilities.

It is a far-sighted, long-range program based on one simple fact. We are convinced that the Center of the Southwest faces GROWTH UNLIMITED.

Current conditions confirm the belief. Population is increasing, more businesses are moving in, new industry is coming our way, natural resources are being developed, bank deposits, spendable income and business construction all are on the way up.

That is why we are investing millions to meet the present growth of the Center of the Southwest, and to be prepared for its continued development in the months and years ahead.

BAPTIST G. A. GIRLS IN DRIVE FOR GOOD USED CLOTHING

The Intermediate Girls Auxiliary of the First Baptist Church of Quitaque is sponsoring a drive for used clothing that is clean and in good repair.

Every year the church is called upon to furnish clothing for needy people of our community, or victims of disaster and also migrant workers. It is the desire of the church to set up a clothing room to make available clothing for those in need. The community is asked to participate in rounding up used clothing to be deposited at the First Baptist Church. They ask that clothing be clean and in good repair, and that each article have the size of the garment pinned on it. The clothes will be sorted and kept available to the public by the Girls Auxiliary. If you desire to have the clothes picked up at your house, contact one of the following: Rhonda Rogers, Becky Berryhill, Linda Gowin, Ann Ivory, Mrs. Willburn Leeper, or Mrs. Roy Davidson.

WENDELL MORRIS NOMINATED FOR PUBLIC SCHOOL BUS DRIVER OF YEAR

The Texas Education Agency, in cooperation with Texas Motor Transportation Association and the Department of Public Safety is sponsoring the election of the outstanding School Bus Driver of the Year. The purpose of this program is twofold: To emphasize the importance of school bus safety and to give credit to drivers with outstanding records.

In nominating Mr. Morris, Supt. Barron stated that Flomot has one of the outstanding bus drivers in the State. After reading the report sent in on Mr. Morris, we believe that you will agree.

This is the eleventh year for Mr. Morris to drive Flomot school bus.

es. At the present rate this would mean that Wendell has driven in neighborhood of 127,000 miles without an accident on roads that are at the present time 66% dirt roads. On these roads he has not been stuck in the last ten years. This means that Mr. Morris knows his roads and stays off those that are impassable.

Individual records of bus expenses for the 1962-63 school year reveal that Mr. Morris has driven 6,659 miles on 717 gallons and at a total expense, with the exception of driver's salary of \$192.05. His bus averages 9.3 miles per gallon with an average expense of \$.0288 per mile.

Each individual will be judged in ten major areas: Cooperation with administration, years and total miles driven, attitude and appearance, outstanding acts, community citizenship, complete personal driving record, supervision of passengers, care and maintenance of equipment, schedule promptness, and participation in training and knowledge. In the last few years there has been no bus driver workshops in this area, but in all other areas Supt. Barron feels that Mr. Morris will head the list.

Miss Elizabeth Rames and Miss Mary Jaycox, student at Wayland Baptist College, were guests over the week-end at the home of Mr. and Mrs. L. B. Turner.

Mrs. Leota Isbell returned home Saturday after a two weeks visit with her son, Lawrence and family at Arlington, Tex.

CARDS OF THANKS

I want to take this means to say thanks to everyone for helping to shorten and brighten the hours while I was in the hospital and since I came home. I am grateful for the cards, the letters, the food, and the visits paid me. Believe me, these things all help, and Yolanda and I sincerely appreciate your thoughtfulness.

Flomot News

(By Mrs. Arnold Johnson)

(Delayed)

Mr. and Mrs. W. W. Merrell attended the 25th Wedding Anniversary of their daughter and son-in-law, Mr. and Mrs. J. P. Taylor, in the home of the J. P. Taylor's daughter, Mrs. Joe Taylor and family of Lockney.

A basket lunch was prepared by all that attended. The table was laid with a white cloth, and the centerpiece was white with red carnations, trimmed with silver.

Those attending were Jones Taylor and Mrs. Faye Taylor of Quitaque; J. Ronald and Katie Taylor, Mr. and Mrs. Wayne Pigg and family of Kress; Mr. and Mrs. Jake Merrell and family and Mr. and Mrs. Truman Merrell and family of Quitaque; Mr. and Mrs. Jack Douglas and family of Amarillo.

Bud McGown of Cedar Hill, a former resident, was visiting friends in Flomot Saturday. Guests in the home of Mr. and Mrs. Robert Thomas Saturday and Saturday night were his son, Bob Thomas and son of Odessa. Another son, Steve and family of Midland and Mrs. Mollye Clements of Childress were guests on Sunday.

Mmes. F. S. Bourland, L. D. Bil-

berry and L. B. Turner were in Lockney Monday afternoon visiting Mrs. R. W. Patrick at the Lockney Convalescent Home. Mrs. Patrick is improving in health and enjoyed her friend's visit.

Mr. and Mrs. M. S. Pinkerton of Amarillo visited over the weekend with his sister and brother-in-law, Mr. and Mrs. J. C. Franks.

Henry Merrell of the Pitchfork Ranch near Guthrie visited his uncle, Mr. and Mrs. W. W. Merrell last Thursday.

Mmes. Sam Ross, C. C. Jones, W. T. Ross, O. D. Calvert, Raldo Martin and L. B. Turner attended the Motley County Home Demonstration Council meeting at Matador Wednesday morning in the District Court room.

"Type of Pattern I Like" was the roll call response at the Home Dem. Club meeting on Tuesday afternoon. At the business meeting Mrs. Raldo Martin was selected to represent the Flomot Club at the District III annual meeting a Vernon, May 7th. Mrs. Bill Sauls was chosen to be the alternate and Mrs. Sam Ross was selected as the County THDA nominee.

Mrs. Wade Martin brought an interesting article on Health and her subject was "How I Can Help My Husband Avoid a Heart Attack." Some of the highlights of her talk were: Be tolerant, a non-nagging wife, willing to live within ones means, fix non-fattening foods. Help him get plenty of exercise, walking one of the best; try to live without laxatives; drink plenty of fluids, at least 6 glasses of water daily and have him eat ample quantities of cooked fruits and leafy vegetables; avoid worry as worry does not solve problems; consult your doctor and let him know what disturbs you. He may be able to put your mind at rest.

Mrs. W. T. Ross gave an interesting demonstration on sewing and basic patterns. A. J. Barron, Supt. of Flomot schools, gave a school report and invited club members and the public to participate in Texas Educational Week, March 4-8. Open House will be observed and a 30-minute film, "Who Will Teach My

Child?" will be shown during the week. Refreshments were served to Mmes. Raldo Martin, Sid McFall, H. S. Gilbert, Wade Martin, Sam Ross, C. C. Jones, J. H. George, James Monk, O. D. Calvert, W. T. Ross, Joe Degan, Ronald Clay, Bill Sauls, Leon Cloyd, L. B. Turner, Klie Gilbert, A. J. Barron and G. D. Pope.

Mrs. Neta Merritt and boys, Stevie and Tom of Amarillo visited recently with her parents, Mr. and Mrs. Wade Martin.

Mrs. W. H. Giles who has been visiting her daughter, Mrs. L. D. Bilberry and Mr. Bilberry, returned home with another daughter, Mrs. Earl Twilla of Turkey to visit awhile.

Mary Lee Martin, daughter of Mr. and Mrs. Wilburn Martin, was taken to Lubbock Tuesday morning for a tonsilectomy. They returned home Wednesday and Mary Lee is recovering satisfactorily.

Mr. and Mrs. Juliana Nolen and Cecil of Roaring Springs visited in the home of their son, Stanley Nolen Tuesday night.

Mr. and Mrs. L. B. Turner and Mrs. Lois Martin visited in the home of Mr. Jack Landry of Turkey Thursday afternoon.

The Community Drive was held Saturday evening, February 16, in the Flomot gym, after having been postponed from February 11. The program consisted of an amateur radio performance from station F-L-O-M-O-T with A. J. Barron announcing. The Home Dem. Club presented a skit, "Bunny Bargain

Bloo Is On the Air." A style show with the modeling of women's apparel was the Lions Club part of the program. Commercial advertising appeared at intervals and were amusing as well as interesting. An auction sale was conducted with M. C. Jones as auctioneer. Although the crowd was small, the interest was great and lively auction proceeded with enthusiasm. A wash cloth doll made by Mrs. W. H. Giles, who is 92½ years of age, sold for \$3.00. One dozen popcorn balls brought \$18.00, and cakes sold for \$20.00 and above. Cotton seed, flower arrangements, pillowcases and other linens were in abundance. The proceeds from the sale and contributions brought in a total of \$428.00.

Mr. and Mrs. James Monk visited in the home of Mr. and Mrs. L. N. Cagle at Plainview Wednesday.

The Rev. and Mrs. Jack Terrell and children visited friends at Tucumcari, N. M. from Wednesday through Thursday night.

John Bourland of Amarillo visited his mother, Mrs. F. S. Bourland, Friday.

Mr. and Mrs. Gordon Turner and son of Lubbock were overnight guests at the home of his parents, Mr. and Mrs. L. B. Turner. They were joined at breakfast by another son, Richard of Matador.

FLOMOT STUDENTS TAKE TESTS IN NATIONAL SCIENCE FOUNDATION PROGRAM

The National Science Foundation has approved programs in ten Texas Colleges and Universities for the summer of 1963 for high ability

secondary school students. As in the past, selection of participants is partially based on the results of special tests administered by the local school. These tests are supplied through the Texas Education Agency to the local school.

Only outstanding students in mathematics and science are nominated by their school to take the tests. At Flomot students must show an interest in some field of endeavor where high achievement in science and Mathematics would be to their advantage before they are asked to take the tests. Students from Flomot taking the tests were: Seniors: Aleta Neatherlin and Rodney Hammons; Juniors: Glenda Sue Tiffin and Janette Montoya; Sophomores: Clois Shorter, Terry Desadier, and Judy Mitchell. Freshmen are not included in the program by the National Science Foundation.

According to Supt. Barron the test results would not be known for

some time, because all materials were returned to Austin for grading.

- Local Briefs -

Mrs. Larry Hedrick and Scott spent Friday night with her parents, Mr. and Mrs. Ralph Carter. Larry joined his family Saturday night. They visited in Turkey Sunday, then drove back to Quitaque for dinner Sunday afternoon. Mrs. Byron Young of Turkey joined them for dinner.

Mr. and Mrs. Claude Sheets, Lynn, Beth, Mark and Lisa of Spearman visited her parents, Mr. and Mrs. Johnny Brummett over the week-end.
