Congressman Walter Rogers' Newsletter

"Say YES! To America"

Can you say YES! to America? Do you have faith in your country's future? Do you believe that the courage of our people and the strength of our institutions will carry our Nation to new glories? Is your personal conviction strong enough to withstand the assaults of those who would tell you that our Nation's most glorious days are gone, that we are surely destined for a secondary role in world affairs? Do you believe in the United States of America, past, present, and future?

Are Americans capable of patriotic expression, of putting into words the convictions that they hold for their country and its future?

I'm convinced our people, young and old, can say what they feel in their hearts about America. I believe that Americans, in full awareness of the deep problems facing us at home and abroad in this summer of 1963, can say YES! to America.

I like to see patriotism expressed. Now that it's summer, with the youngsters home from school, I'd like to hear from the Panhandle folks — young and old — on this topic:

I SAY YES! TO AMERICA
I'd like to see expressions of faith in America and its destiny from children and their parents — letters, not formal essays, stating their continuing faith in their country.

I'm opening a kind of contest — one in which everyone wins. First of all, those who write letters on the topic "I Say YES! To America" will have benefited by giving deep reflection to their feelings about their country and putting them into words. Second, those of us who read the letters — and I'll publish the most inspirational statements as part of a future newsletter — will benefit by seeing the convictions expressed by fellow citizens.

Homecoming Is August 17

Pvt. Dale Smith, who had just finished his boot training at Fort Polk, La., spent several days here recently visiting at the home of his parents, Mr. and Mrs. Gerald Smith. Dale has been assigned to duty in Georgia.

PETE CLARK'S MOTHER ILL

Pete Clark received word Saturday evening that his mother, Mrs. Euna Clark of Weatherford, Texas, was very seriously ill. Mrs. Clark left immediately to go to her bedside. Mrs. Clark called her husband Sunday and he reported that his mother was some better. Mrs. Euna Clark visited the Pete Clarks in June. She is 88 years of age. Several local people have met her.

Rev. and Mrs. Robert L. Oglesby of Waco and their two boys, were visitors with Mrs. Melvin Mathis and girls on Thursday of last week. Rev. Oglesby led the singing for a revival at Quitaque while pastored at Turkey in April of 1959.

Mr. and Mrs. Pete White and Kara spent the week-end with Mr. and Mrs. Reuben Hilton at Pampa.

MRS. PEARL MCBRIDE RETURNS HOME TO CALIFORNIA

Mrs. Pearl McBride left for her home in Shafter, California Monday after visiting here for the past several weeks. Mr. and Mrs. Ray Persons took her to Clovis, N. M. Monday morning where she was entrained for home. They went by Plainview in order that Mrs. McBride might say goodbye to the Tom Persons family.

Mrs. McBride had spent six weeks at the home of Mr. and Mrs. Persons, visiting other relatives and friends, also.

Homecoming time is almost upon us and almost everyone is getting ready for the event.

There is some confusion as to the date of the Homecoming this time; the date is Saturday, August 17.

No program is planned for Saturday morning and that time will be spent visiting. Lunch will be served at the park at 12:30 and visiting will continue to be the order of the day until the business meeting, that time to be announced later, also.

The feature program will be in the school auditorium at 8 o'clock Saturday night and as soon as the program is complete it will also be published.

Quite a number of people have wondered why cards were not mailed locally, but it has been the custom to mail out cards only to those who live away from here and to keep the "home folks" advised through the local newspaper. Our Tribune has carried articles and will continue to keep you informed of the plans from time to time. Those who will be asked to furnish anything for the Homecoming will be contacted a week or ten days in advance by a committee chairman.

Any person who has ever attended Quitaque schools, or whose children attended same, and everyone who has taught in the local schools, are members of the Ex-Students Association. Since there is no fund

raising program, the entire affair must be financed through the \$1.00 dues, which should be paid upon registration. This is most important as there are expenses, even though most of the food is donated. For your convenience places of registration will be set up at both entrances to the park. There will be no charge for the meal, so where else can a family eat so good for so little?

Many have wondered why some of their friends or relatives have not received a card notifying them of the Homecoming. The reason probably is because of the address. If no change of address has been turned in to the committee since the last Homecoming three years ago, and that person has moved since then, chances are good that the card went to the address on file. Your committee has found many changes, but are sure that several cards went to wrong addresses. If this is so, the committee is sorry, but it can do no more than send it to the address they have on file. In view of this fact, will you please notify your friends and relatives of the August 17 date.

If you know of anyone who needs a place to stay during the Homecoming week-end, please contact Mrs. Jim Stroup, Quitaque, or call her at 3487.

Watch The Tribune for later information.

Miss Ann Merrell of Fort Worth has been visiting in the home of Mrs. Dora Stroup and Gladys Stroup. Miss Merrell is interested in the background of the Merrell family and is working on the family tree. This was her first visit in this part of the state. She attended the Merrell reunion and gathered a lot of important information. Miss Merrell's father and Mrs. Stroup

are first cousins.
She returned to her home at Fort Worth Monday.

Peggy Stevens and Danny spent the week-end in Fort Worth visiting her brother, Weldon Starkey and family. They visited "Six Flags Over Texas" while they were down there.

W. A. Smith Rites To Be Held Friday

Funeral services will be conducted at 10:00 A. M. Friday at the Church of Christ in Turkey for W. A. Smith, 83, who died quietly in his sleep early Tuesday morning at the home of his son, Guy Smith at Turkey, where he had been making his home. Mr. Smith made his home in the Gasoline community more than 50 years. Mrs. Smith passed away in 1957 and just last Wednesday Mr. Smith attended the funeral service here for a son, W. C. Smith.

Officiating at the service will be minister Jack Hutton of the Turkey Church of Christ and he will be assisted by Alva Johnson.

Interment will be in the F. Lot Cemetery under the direction of Eudy - Seale Funeral Home of Turkey.

William Albert Smith was born December 29, 1879 in Texas.

He is survived by five sons, Dee of Plainview, Guy of Turkey, Boyd of Amarillo, Roy of Quitaque and Cecil of Redwood City, Calif.; three daughters, Mrs. Bill Turner of Turkey, Mrs. Violet Reed of Lawndale, Calif., and Mrs. Bill Hughes of Amarillo; a brother, Ira of Beverly Hills, Calif.; 35 grandchildren and 36 great-grandchildren.

Mr. and Mrs. Bud Bailey and girls visited Mrs. Bailey's sister, Mrs. E. W. Purcell and family in Dublin from Saturday until Tuesday. They drove to Waco Monday where they met Mrs. Sammy Wilson (Jackie Bedwell) who showed them over the campus at Baylor University. They were all very impressed with Baylor.

Mr. and Mrs. Oran Starkey of Wellington visited his brother, Grady and Mrs. Starkey Friday afternoon.

Jane Hamilton's Sister Dies

Funeral services for Mrs. Ruby Diane Stone, 54, sister of Mrs. Jane Hamilton, were held Tuesday at 2:30 P. M. in the Texico Baptist Church with the Rev. C. C. Morgan and Rev. Looper officiating. Burial was in the Texico Cemetery.

Mrs. Stone died at 9:50 A. M. Saturday in Northwest Texas Hospital in Amarillo. She was born September 19, 1908, in Elora, Tenn., the daughter of the late Mr. and Mrs. W. Q. Jacks.

She is survived by her husband, Judge Stone of Texico; a son, Ray Stone of Texico; three brothers, Gordon Jacks of San Francisco, Don Jacks of Benicia, Calif., and Walter Jacks of San Jose, Calif.; and six sisters, Mrs. Inez Shelley of Columbus, Ga., Mrs. Mildred Reynolds of Tulsa, Mrs. Nina Hirschler of Bakersfield, and Mrs. Sem Banks of Shafter, Calif., Mrs. Rose Simpson of Los Angeles, and Mrs. Jane Hamilton Quitaque.

Attending the funeral services from Quitaque were Mrs. Hamilton, Mr. and Mrs. Deway Myers, and Mr. and Mrs. Earl Hamilton.

BOATMANS BELIEVED TO HAVE RECEIVED ONLY MINOR INJURIES IN AUTO ACCIDENT

Mr. and Mrs. J. R. Boatman, are both home and neither of them received serious injuries in the automobile accident in which they were involved last Friday evening about 8:30, Mr. Boatman reported to the Tribune.

Mr. and Mrs. Boatman had been visiting at Whiteflat and were returning home when they were hit from behind by another automobile just as they were preparing to turn off to their home just east of the Midway drive-in.

Mr. Boatman stated that he had just turned on the turn-signals of his car when the other auto struck them. Two youths from Turkey were the occupants of the other car.

The Boatman auto burst into flame, almost at the time of the collision, according to witnesses. Both the Quitaque and Turkey fire departments and Roberts Funeral Home ambulance were summoned to the scene of the collision. Both autos burned.

Mr. and Mrs. Boatman were carried to the hospital at Tulia and both were examined and released. Mr. Boatman said that Mrs. Boatman's neck was the most serious injury, being rather severely strained and was still pretty sore, according to Mr. Boatman. However, x-ray pictures revealed that no vertebrae were misplaced, Mr. Boatman said.

OPEN HOUSE AT HOTEL WELL ATTENDED SUNDAY

Open House at the Quitaque Hotel was well attended Sunday afternoon, according to Mrs. Kate Fowler, new owner of the hotel, who estimated that 100 called during the day. Those who have not been by to see the redecorating job done at the hotel are invited to do so. Mrs. Fowler has had the entire inside of the hotel repainted, and new curtains put up in the rooms.

This will be a real asset to our community since we are having visitors at the nearby lakes during the summer months and workers in the several construction jobs that will be going on in this vicinity will be needing places to live.

Mrs. Cleo Bingham and Mrs. Fleeter Boydston helped Mrs. Fowler with the hostess duties Sunday. They served punch and cookies, and coffee and doughnuts.

Mr. and Mrs. Jarrell Rice and Mike visited downstate recently. They visited Mrs. E. G. Rice at Tyler and all of Pete Rice's brothers and sisters before returning home last Thursday.

Mrs. Alton Lane and children of Rupert, Idaho, arrived last Thursday evening for a visit at the home of her parents, Mr. and Mrs. Seburn Neatherlin and other relatives and friends.

Jana Payne, small daughter of Mr. and Mrs. Joe David Payne, spent from Sunday until Tuesday evening at Lockney visiting with her aunt, Mrs. Virgil George and her family, and with her grandparents, Mr. and Mrs. A. W. Payne and boys.

Recreation Program Is Success

Quitaque's first planned and supervised summer recreation program for the Quitaque youth has been successful and most worthwhile. This is the opinion of the board of directors and the supervisor, who met together in the Bank Community Room Tuesday morning.

Gene King, who is the supervisor of all activities, said that baseball and other activities will be concluded at the end of next week, while there are two more weeks of swimming instruction. As usual and expected, swimming is the number one summer sport, although good response was experienced all sports, with baseball proving to be the number two most popular activity in the summer program.

Coach King gave a financial report to the board in Tuesday's meeting and said that it appears that the program is going to come very near to paying for itself this first year of activity. There is still some fees due and the coach said that the concessions stand will bring in more funds during the remaining baseball games to be played here. Tuesday and Friday nights are baseball nights and fans are urged to come out and see the kids play.

The tennis courts are being fixed up with a coin-operated lighting system and that system is almost ready to begin operation.

That phase of the program was paid for by donations.

This has been a good summer for the kids of Quitaque and future summers will be even better since some of the "bugs" have been worked out of the local program and disectors know what can be done here. Other neighboring towns have expressed surprise that such a program has been successful in a town of this size. It is quite probable that other towns in the area will begin summer recreation programs of their own in future years.

There will be only two more weeks of swimming classes for that phase of the summer recreation program and everyone must agree that that part of the program has been a whopping big success, with every kid impatiently waiting for his or her day to head for the swimming hole.

Instructor Johnny Mason reports that in almost every instance very worthwhile progress has been made by the boys and girls taking part in the swim classes.

It is unfortunate that every town, regardless of size, cannot have a swimming pool because swimming is the most popular of all summertime sports.

Following is a schedule for

the remaining two weeks of the swimming instruction:

MONDAY, JULY 29 —
Group I 9:30 — 10:30
Group II 10:30 — 11:30

ADULT SWIMMERS ARE ENTHUSIASTIC GROUP

Johnny Mason started a series of swimming classes for adults at the Silverton swimming pool and twenty adult women were on hand Monday evening when class time rolled around, many of them hesitant about the thing and most of them very much afraid of the water. Several of the prospective swimmers had been heard to say that they did

not believe that they could ever be taught to put their head under the water, which is the first lesson in swimming. Another thing some were sure that they could never do was float on their back.

By the end of Monday night's session every one of the pupils was holding her head under the water, at least for a few seconds, and one of them was holding her breath for more than half a minute.

At the end of the session, however, some didn't think they would continue with the lessons because they didn't believe they would ever learn to swim. Come Tuesday night though and the same twenty-plus four more were on hand for the instructions and by the end of the second night of practice very definite progress was being made by every single one of the ladies. And they are having a good time learning — one lady was heard to remark that she would not take a million dollars for the experience. It is surprising to find out how many people grow up in West Texas without learning how to swim.

The ladies will have three more nights of instruction — tonight (Thursday), Friday and Monday nights and everyone of them will be able to swim, at least for a short distance, by the time the five lessons are finished.

The Age of Private Transportation

"Get the farmer out of the mud" was the battle cry of the highway program in the 1920's and 1930's. In the early days of the automobile age, a paved road outside of the limits of a city or incorporated town was rare enough to be a curiosity.

Today, almost 70 percent of the 3,127,225 miles of rural roads in the United States have some kind of surfacing. A substantial amount of the remaining non-surfaced road mileage is so little traveled that paving is not justified; nevertheless, much remains to be done before we can claim a complete all-weather road system in the United States.

Nowadays, however, "getting the farmer out of the mud" is one among many objectives of the national highway program. The automobile and the truck have become such an integral part of American life that good highway transportation is essential to the success of almost every activity. Industries, schools, churches and shopping centers share the farmer's vital concern with the highway program. Commuters get stuck in urban traffic jams more often than farmers get stuck in the mud.

The essentiality of highway transportation to the national economy and the national defense is reflected in the Federal-

aid highway program, which has assisted the States in the improvement of their highway networks since 1916.

Federal-aid expenditures for highways, increasing in line with the increase in highway travel, now approximate \$3 billion per year, all of which is collected by means of special taxes on highway users, chiefly the 4c-per-gallon Federal tax on gasoline.

These special tax receipts are allocated by Congress to four categories of Federal-aid highway expenditures: (1) aid to the State primary, or trunk-line, highways, (2) aid to farm-to-market roads, (3) aid for the improvement of city arterial streets and expressways and (4) aid in the construction of the 41,000-mile National System of Interstate and Defense Highways, the new system of coast-to-coast interconnected expressways designed to meet our defense needs and to serve as the backbone for our total highway network. The Federal government pays 90% of the construction cost of the Interstate highways and 50% on other Federal-aid highways.

State, local and Federal officials are all working together to coordinate their highway construction activities, recognizing that the roads are economic and social lifelines which are the key to better living for all of us.

Believing that the full Gospel involves recreation as well as study, work, and worship, the leaders of the Plainview District Junior High Camp put on a water carnival at Ceta Canyon last week. Winner of first place in the diving contest for girls was Lynette Taylor of Quitaque.

The subject for the Sermon next Sunday morning is "Invoking The Divine Essence," based on Phil. 4:8-9. In the evening the discussion centers around Chapter Five in the mission study book, "Where Cross The Crowded Ways." This is to be the next to final lesson in the regular study.

Plans are going ahead for the Sixtieth Anniversary celebration on August 18.

The Fourth Quarterly Conference has been postponed to sometime in September, at least.

Next Tuesday evening the Annual Commissions Workshop, in addition to another item or two, is to be held at First Methodist Church, Plainview. This, along with another meeting scheduled for November, will pretty well take care of all the avenues of service in the church, as far as formal organization is concerned.

SECURITY —
 Unemployment Compensation can pay a sum of money in case you are laid off, but cannot prevent that layoff nor find another job nor make you happy in your work.

But God promises His followers:
 Be not anxious for your life, what ye shall eat or what ye shall drink; nor yet for your body what ye shall put on; for your Heavenly Father knoweth ye have need of these things. Matt. 6:25, 32.

Life Insurance can pay you a sum of money in case of death, but it cannot insure your living nor ease your dying.

But God promises His followers:
 And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain; for the former things have passed away.
 Rev. 21:4

The Junior Girl's Auxiliary of the First Baptist Church at-

tended camp from July 10 to 12 at Plains Baptist Assembly. The girls who went were Connie Brummett, Anita Edwards, Gail Tyler, Anna Jean Taylor, Debbie Bailey, Debbie Farley, Lillie and Hattie Phillips, Ann Rucker, Pam Loudermilk, Kay Cochran, and Anita Hunter.

Sponsors were Mrs. Wayne Hunter and Chloez Woods. Camp sponsors were Von Worten, Clinton Eastman and Calvin Beach.

Several people from our local area told of their experiences in the Japan New Life Movement.

Everyone enjoyed the beautiful scenery, the swimming pool, and the food. We are looking forward to next year's camp.

— Anita Hunter

The Intermediate Girl's Auxiliary of the Baptist Church attended camp from July 15 thru 17. Mrs. Jimmie Hunter took the girls to camp. Those attending were Shelia Payne, Linda Gowin and Becky Berryhill. The sponsor was Mrs. Wanda Payne, and Danny Payne accompanied his mother.

Camp pastor was Bill Hogue of Post, and Camp Missionary was Jerry Smythe of Brazil. Both preachers brought good messages. Tuesday night the Coronation Service was held for the entire camp and a number of local people attended.

The girls returned home Wednesday after lunch. We had a real good time.

— Becky Berryhill

Wednesday, July 24, four of our boys went to Royal Ambassador camp at Plains Baptist Assembly. This is a camp for Baptist boys all over the high plains area. Some five or six hundred boys usually attend.

Those that Bro. Davidson carried to camp were David Hunter, Scotty Stark, Bruce McWilliams and Guy Davidson.

W.M.S. NOTES —

W. M. S. meets Tuesday, July 30, to study Missions in new fields and in Liberia, West Africa. The theme for the program is "Co-Laborers For The Truth." The setting will be a school room and the students will participate in geography and history lessons and current events.

The young people of our church will have fellowship after the evening services Sunday. Following the service, we will go to the home of Melinda McWilliams, where "Alvin" awards will be presented. You

have heard of the "Oscar" and "Emmy" awards, but we will give the "Alvin" awards. If you are a real "ham", you will be sure to receive an "Alvin." Refreshments will follow the good time together.

MRS. DELOY MYERS SHOWERED

Mrs. Deloy Myers, the former Kay Hamilton, was honored Saturday afternoon, July 20, with a miscellaneous shower given in the Bank Community Room.

Guests were registered by Miss Chloez Woods, then directed to the display of beautiful and useful gifts. After viewing the gifts, the guests were served pink punch and white cake squares decorated in pink, with nuts and mints, by Misses Judy Colvin, Linda Chandler, SeReatha Stephens, and Jerry Faye Elliott. The serving table was laid with a white damask cloth, and centered with a lovely arrangement of pink peonies, made by Mrs. Clyde Saul.

Hostesses were Mmes. R. J. Harmon, George Ray Colvin, Roy Smith, Denver Anderson, Lela Mae Hutcheson, Odie Reagan, Jimmy Davidson, Gladys Wise, Billie Wise, Gus Gibson, Jr., W. O. Johnston, O. R. Stark, Jr., Ronnie Carpenter, and Gilbert Carpenter, and Misses Judy Colvin, Chloez Woods, Linda Chandler, SeReatha Stephens, and Jerry Faye Elliott. Their gift to the bride was a Morgan-Jones bedspread and Corning Ware. Other items were too numerous to mention.

Approximately fifty guests registered and many sent gifts who were unable to attend.

SHOWER HONORS NEWLYWEDS

A bridal shower honoring Mrs. Ronnie Rogers, the former Charlotte McKay, was given on Saturday, July 14 in the home of Mrs. Joe Degan.

The honoree received a nice assortment of gifts including household linens, electric mixer, set of dishes, Corning Ware, a set of silverware and many other items.

The brides chosen colors of blue and white were carried out in the decorations.

Guests were registered by Mrs. Jerry Don Gilbert and refreshments were of blue punch and white cake squares, nuts and mints were served by Mrs. Morris Degan and Miss Judy Gilbert.

Hostesses for the occasion were Mmes. Gordie Washington, Herb Martin, Ikie Gilbert, Harrison George, Rap Cruse, Billy Myers, Henry Clay, Junior Crowell, Sam Ross, Jess Browning, Jerry Don Gilbert, Morris Degan and Joe Degan.

Highway Patrol Report For Month of June

The Highway Patrol investi- gated 3 rural traffic accidents in Briscoe County during the month of June according to Sgt. W. E. Wells, Patrol Supervisor of this area.

These wrecks accounted for one person killed, six persons injured and an estimated prop- erty damage in the amount of \$4,300.00.

The Sergeant stated that this brings the total for the year thus far in Briscoe County to 12 ac- cidents that claimed one life, in- jured 11 people and caused property damage of \$8,425.00.

For a comparison, the Patrol Supervisor pointed to accidents in this County for the first six months of 1962 that accounted for two deaths, six injuries, and property damage of \$4,835.

"Prior to July 1, there had been a total of 941 fatal acci- dents, in Texas, Sergeant Wells said, "that took the lives of 1136 persons.

As the year is over half gone, there are definite indications that traffic deaths will hit an all- time high in 1963. Motorcides at this time are more than 100 more than at the same time last year," the Sergeant said. "If we continue to take lives at the present rate, 1963 will become the most deadly year in Texas his- tory for traffic fatalities. Con- sidering the trend of increased accidents and casualties, we have every reason to expect that traffic death will exceed the previous all-time high in Texas of 2611 in 1956."

Only 191 more deaths in 1963 than in 1962 will make a total of 2612 deaths, an all- time high and an increase for the year of eight percent over 1962."

The Patrol Sergeant stated, "This is not just a probability, it is fairly certain to become a reality unless the motoring pub- lic becomes more thoughtful in regard to complying with all traffic laws which would break the trend."

low citizens. In a more material way, ev- eryone who sends a letter on the topic will win. To each letter writer I will send two copies of two booklets — "How Our Laws Are Made," a most inter- esting and accurate explanation of the Federal legislative pro- cess and "Our American Gov- ernment: What Is It? How Does It Function?"

In addition, I will send other worthwhile books to the writ- ers of the five letters adjudged to be most expressive in each of four age categories. These books are "Inaugural Addresses of Presidents of the United States" and the two-volume, authoritative study prepared by the House Committee on Un- American Activities, "Facts on Communism."

The letters will be judged in these age categories:

1. Grade School (grades one through six)

2. Junior High School (grade

seven through nine).
3. Senior High School (grade 10 through twelve).

4. Adult. To the writers of the best letters in each category, I'll send an American flag — a flag that has flown over the Capitol of the United States — as well as the books and booklets. One of my most distinguished col- leagues in the House of Repre- sentatives will be given the five letters I've picked as best in each category. He in turn will pick the flag winners.

I hope the letters flood into the office. Be sure and give your name and address and the cate- gory in which your letter should be placed. All letters postmarked by midnight, Sunday, August 25th, will be considered in the
