Cancer Crusade To Begin Monday

The 1964 Cancer Crusade begins here next Monday, April 21, according to Bill Griffin, Briscoe County Crusade Chairman.

The Crusade will get underway officially at the Lions Club meeting Monday evening.

Mr. Griffin has announced that Lefty Ross of Quanah a cancer victim who has been cured, will be a guest of the Club, then will present a program in the school auditorium at 7:30, to which the public is invited and urged to attend.

Mr. Ross had cancer of the larynx and lost his voice completely. Although his cancer was cured, he had no voice but he has since taught himself to speak again. His story is an inspiring one that all should hear.

Mr. Griffin said that the local drive for funds will be made following the program Monday night.

According to figures released by the Cancer Society, the 1963 goal in Briscoe was \$650.00 and the county raised \$980.00.

The Cancer Society has issued a chart of estimated statistics, which have been compiled and are estimated according to the past trends of the dread disease. Taking a county with the population that of Briscoe County, which is about 4,000, the Cancer Society estimates that the following will happen: there will be an estimated 18 cancer cases under medical care in the county in 1964; 6 people in the county will probably die of cancer in 1964; 11 new cases will be found in the county in 1964; four cancer cases will be saved this year; it is estimated that 1000 people will eventually develop cancer if present trends continue; and it is estimated that 600 will die from cancer if present trends continue.

Chairman Griffin stated that 33 percent of every dollar given to the Cancer Crusade goes to research for a cancer cure and this is the only real hope for finding a cure or preventive for cancer—in research.

There is a real need for cancer research funds. Give as much as you can.

To Build-Or Not To Build Briscoe County Hospital

To build or not to build—that is a question that is being put before residents of Briscoe County and also one on which they will probably have to vote in the near future—to build or not to build a hospital at Silverton for Briscoe County residents.

Presently being circulated in the county is a petition requesting the Briscoe County Commissioners' Court to call for an election to submit a bond issue to the qualified (property owners who have paid their poll taxes this year), purpose of the bonds being to raise funds with which to build a hospital.

The size of the bond issue to be voted on by the county is for \$185,000.00, which is half of the figure that a team of architects and a member of a bonding company employee, who are experts in this field, have estimated that a hospital the size being planned will cost to build and to furnish funds with which to start operation.

The county could not build a hospital without financial assistance and this assistance is available in the Hill-Burton Program, a Federal Program that makes grants or loans

available to assist in constructing and equipping public and other types of nonprofit hospitals and other health facilities for which a need is established. The Hill - Burton Program matches dollar-for-dollar funds raised in a building program. Thus Briscoe County will (if the bond issue passes) provide \$185,000.00 and Hill-Burton will match it with a grant, not a loan. The Hill-Burton grant will not have to be repaid.

The bond issue, according to the petition that is being circulated, for a total principal sum of \$185,000.00 to mature serially within any given number of years not to exceed 25 years from the date thereof, bearing interest at a rate not to exceed 4% per annum.

Some people feel that things are being rushed a bit fast for some reason or other. The reason that it is being pushed a bit at the present time is because if Briscoe County is to qualify for a grant from Hill-Burton during the fiscal year 1965, the bond issue for this county's half of the money must be voted on and passed, preliminary plans of the proposed hospital and a request for Hill - Burton aid

must be in the state office before May 31, 1964.

The plans for a hospital in Briscoe County call for a 16-bed facility, which goes along with the accepted base of four beds per 1000 population.

It is planned for a hospital district to be formed, which will build and operate the hospital. However, county bonds will be issued because a hospital district cannot be voted on until it has been approved by the State Legislature, which will not be in regular session until next year.

As we understand it, the hospital, if built, will be administered by a board of trustees, the first group to be appointed by the Commissioner's Court, and elected by the voters thereafter.

According to the way it was explained in a recent meeting at Silverton, after a hospital district is approved and formed, the district will have all the responsibility of the hospital and its operation. However, the regular county tax rolls and tax rates will be used for taxing assessments.

This is the general layout of the proposed hospital pro-

gram as we understand it. We do not pretend to know all of the finer points of the proceedings, but basically we believe the above is correct.

It is not the intention of The Tribune to try to tell anyone whether to vote for or against the hospital program. Everyone knows how vital it is at times to have a doctor and a hospital near at hand when there is sickness or following an accident. Quitaque residents know full well what it means to be without a doctor or a hospital, being without either for years. Many here are quick to state that Quitaque will still be without a doctor and a hospital will only be a very few minutes nearer if one is built at Silverton.

There are many arguments in favor of a hospital in ours or any county, but there are also factors against going into an expensive project that many are not sure can be carried out.

There are certainly two sides to the question and everyone should make up their own mind about the question.

More information will be carried on these pages as it develops.

Very Light Vote Cast In Recent City Election

Quitaque residents almost ignored the recent City Election. Mayor Alton Johnson, and City Councilmen Joe Bedwell and Pete Rice were on the ballot with no opposition.

The official tally gave Alton Johnson 16 votes; Joe Bedwell had 16 votes, Pete Rice 14 and Bob Ham received one write-in vote for councilman.

They returned to their homes Sunday afternoon, and Mr. and Mrs. Lit Bogan left Monday to visit Mrs. Bogan's mother in Michigan. When they return to California, Lit, who is in the Marine Corps, will be transferred to Okinawa for a 13 month tour of duty. All of the guests visited Mrs. Gladys Wise while they were here.

Live A Little Longer

Today, because of the tre-
 mendous improvements made
 in medicine and prescription
 pharmaceuticals during the
 past few years, there are over
 two million Americans living
 who, without these advances,
 would not be living.

In the prescription you buy
 today, you are often buying
 cures, where, in the past, only
 temporary relief was avail-
 able. This is resulting in a
 longer life expectancy for all
 Americans. Average life ex-
 pectancy is now over 70 years.

The average prescription
 costs about \$3.25. In the
 minds of many people, this
 is a modest price to pay for
 the world's highest health
 standards.

METHODIST NOTES

The revival was well attend-
 ed. The interest seemed quite
 keen. Two sessions were held of
 a type of activity that has in
 many places proved profitable.
 A discussion group meeting af-
 ter the worship. This is usually
 done in a home. The booster
 band met every evening before
 the regular service, and sang one
 special number. The Chapel
 Choir sang on Wednesday even-
 ing. Pam Curtis gave us a very
 good number, as did Eddie
 Owens. We were delighted that
 Mrs. Berry Baker came our way.
 She presented a solo on Sunday
 morning. Genial George Owens
 communicated his keen sensi-

tivity for true Gospel singing as
 song leader. We were proud of
 our regular accompanists, of our
 hospitality committee, and of
 so many people who helped with
 meals, with attendance, and
 with prayers. Having said all of
 this, there were still so very
 many left virtually untouched
 by it all.

During this week the regular
 Family Night Supper was to
 have been one evening early,
 with a Lutheran missionary
 from King's Manor in Hereford
 to speak on Tuesday. This was
 arranged by Mrs. N. V. Hamil-
 ton. The Vacation Church In-
 stitute was being held at Plain-
 view on Wednesday. Next week
 one of only seven special sessions
 for children's workers in the
 Conference is to be held at
 Trinity in Plainview on April
 20, at 7 to 9:30 p. m., or at
 Childress from 9:30 a. m. to
 1:30 p. m. The next evening
 our Quarterly Conference is
 to meet. This is a very im-
 portant meeting, as all but two
 church officers are to be chosen,
 and other matters taken up
 looking to the Annual Confer-
 ence in Amarillo the last week
 in January???. Dr. J. E. Shew-
 ert of Plainview will bring the
 devotional and preside for this
 session.

Yes, the revival in a formal
 sense is over. Brother Jim Bos-
 well has stirred our hearts and
 minds with great challenges to

Christian living. It is up to us
 to keep the fires of the spirit
 burning. We are "back to the
 regular way of doing things."
 Next Sunday morning's sermon
 is to be brought by the pastor,
 from John 6:27-40, "The
 Bread That's Always Fresh."
 The Mission Study having con-
 cluded, the evening message is
 to center on Ephes. 3:14-21,
 "We Rise By Bowing."

You are welcome to attend
 services and be a part of our
 fellowship at The Methodist
 Church in Quitaque.

Visitors in the Methodist
 parsonage, other than during
 the Revival, were Revs. Jim
 Boswell and Robert Ford of
 Abilene, on the afternoon of
 April 1; and Rev. Robert Ogles-
 by of Fort Worth, who was a
 supper guest of the parsonage
 family on April 3, and shared
 the noon meal with them on
 April 11. The Revs. Boswell
 and Ford were returning from
 Camp Training at Ceta Canyon,
 while Rev. Oglesby's trip was
 chiefly concerned with his being
 in a revival at Wesley Metho-
 dist Church in Amarillo.

Sunday dinner guests in the
 home of Mr. and Mrs. Eldon
 Lyles were Mr. and Mrs. A.
 L. Bell and children, and his
 mother of Chillicothe; Mrs.
 John Fuston and Johnny, Mr.
 and Mrs. James Fuston and

IN MEMORY OF MY BELOVED HUSBAND—MORT HAWKINS

Excerpts from "Just Folks"
 by Edgar A. Guest

Selected by Edna Hawkins

I should not weep to see him dead
 Because upon his face
 I saw a smile of glory spread,
 A touch of heavenly grace.

And though my form he could
 not see,
 I fancied that he knew
 That I was there, and spoke to me
 The way he used to do:
 "I am well and I am strong,
 And glad am I today:

The pleasures that we shared
 so long
 We'll share again some day,"
 And standing in that quiet place,
 His smile was still aglow;
 God had left it on his face
 To tell me 'twas better so.

JIM LANGDON—A WINNER!

Railroad Commissioner Jim Langdon is a 49-year-old native Texan with a winning record in public office. When John Connally appointed him to the Railroad Commission, the Governor said:

"I have for several weeks been attempting to find a man I consider to have outstanding ability, integrity and honor... I am happy we have found that man — Judge Jim C. Langdon."

Jim Langdon has fully lived up to Governor Connally's expectations. He has conducted his office in the spirit of Governor Jim Hogg, who had the Commission set up in 1891 to look after the public interest in railroad and freight rates. It now regulates also truck and bus rates and the production of oil and gas. Judge Langdon will continue to keep transportation rates in line and see to it that our oil reserves are protected against waste and greed. This will help keep down Texas gasoline prices, already among the lowest in the nation.

Jim Langdon was elected District Judge twice and re-elected Chief Justice of the El Paso Court of Civil Appeals.

ON THE OTHER HAND—

Jim Langdon's Opponent Is a 10-Time Loser!

Jesse Owens, 69-year-old attorney, is still running for office after 38 years and TEN DEFEATS. He has lost the following races:

- 1926—Defeated for Sheriff of Foard County by L. D. Campbell.
- 1930—Defeated for District Attorney by John Meyers.
- 1932—Defeated for District Attorney by Ed Gossett.
- 1940—Defeated for District Attorney by T. Gene Rogers.
- 1946—Defeated for Court of Criminal Appeals by Tom L. Beauchamp.
- 1952—Defeated for Court of Criminal Appeals by K. K. Woodley.
- 1956—Defeated for Court of Criminal Appeals by W. A. Morrison.
- 1958—Defeated for District Judge by Tom Davis.
- 1960—Defeated for Court of Civil Appeals by James Denton.
- 1962—Defeated for Texas Supreme Court by Meade F. Griffin.

A Winner All the Way—
