Congressman Walter Rogers' Newsletter

ANNIVERSARY OF THE GI BILL

Twenty years ago, American GI's were consolidating their foothold in Normandy battling north of Rofe in Italy, pressing the South Pacific campaign against the Japanese. On June 22 1944, President Roosevelt signed into law the "GI Bill of Rights," a measure approved unanimously by both houses of Congress and surely one of the most historic legislative measures ever enacted. Its impact was great on millions of veterans and their families—and on our national way of life.

More than 16,500,000 Americans were eventually under arms in World War II. Although the war was a long way from won in 1944, the people, their Congress, and leaders of veterans' organizations recognize the need to provide a program serving as a buffer against possible economic and social chaos in the post-war period.

In 1944 public opinion was near unanimous in its support for the "Serviceman's Readjustment Act," as the GI Bill was formally titled. Americans could envision the prospect of a million men a month passing through separation centers and heading for home. It was apparent that the veterans would face an uncertain economy retooled to peacetime production. Could the post-war economy absorb them? It could and it did. Private industry, responding to five years of pent-up demand for consumer goods, was to convert from defense to peacetime production in a much more orderly manner than many pessimists had thought possible. And the readjustment, loan, and educational benefits provided by the GI Bill helped the national conversion from wartime to peacetime in ways that historians and economists have not yet fully assessed.

The education and training programs of the GI Bill, because of the increased skills and education they have attained, will return to the Treasury—in taxes—twice and perhaps three times that amount.

The GI Bill is perhaps best known for the educational benefits provided. More than 7,800,000 World War II veterans—nearly half of all those who served—took some form of training under the GI Bill. Of the total enrolled in the program, 2.2 million attended colleges and universities; 3.5 million went to schools below college level; 1.4 million participated in on-the-job training; 700,000 underwent on-the-farm training.

With the Nation's high-gear economy still critically short in some areas of skills and with our unemployment problems centered on workers who are primarily unskilled, it is interesting to speculate whether our economic advance could have been made without the enormous reservoir of manpower trained under the GI Bill. By categories, the United States gained 450,000 engineers; 180,000 doctors, dentists, and nurses; 360,000 school teachers; 150,000 scientists; 107,000 lawyers; 243,000 accountants; 36,000 clergymen of all faiths; 711,000 mechanics; 383,000 construction workers; 288,000 metalworkers; 138,000 electricians and 700,000 who trained for business and executive careers.

One out of every five single-family houses built in the United States since the end of World War II has been financed by the GI loan program for either World War II or Korean

MOVE BACK TO QUITAQUE

Mr. and Mrs. Warren Carpenter and Renee moved back to Quitaque from Tishomingo, Oklahoma last week. They had made their home there for the past two years. The Carpenters left Saturday to visit his brothers, Charlie and Ray Carpenter and their families in Ruidosa, N. M. They attended a reunion of Mrs. H. K. Carpenter's family, the Teale family, at Roswell on Sunday. Donna Martin, small daughter of Mrs. Pat. Martin, accompanied her grandparents on the week-end trip.

W. M. KING SERIOUSLY ILL IN COLORADO

W. M. King of Colorado Springs, Colo., father of John King, was admitted to the hospital there Saturday. His condition was reported to be grave.

ROGERS INTRODUCES BILL IN CONGRESS

Washington, D. C. — Congressman Walter Rogers of Pampa has introduced a bill requiring that packages of cigarettes carry a clear warning that a smoker's health may be endangered.

Congressman Rogers' proposal would require that packages of cigarettes sold in interstate commerce carry this warning: "Caution: Cigarette Smoking May Be Hazardous to Your Health."

The Congressman said the purpose of the bill is to insure that all cigarette purchasers, especially young persons, be aware that smoking is a potential risk to physical well-being.

"Although many words have been written and spoken on this matter, I feel certain that many of our citizens are not yet aware of the danger. I believe it is the Government's responsibility to be certain all Americans are warned of the possible consequences of smoking, just as it is its responsibility to be certain other potential health hazards are properly identified as such," Congressman Rogers said.

The bill introduced would make it "unlawful, and an unfair method of competition in commerce, and an unfair or deceptive act or practice in commerce, under the Federal Trade Commission Act, for any person to manufacture, import or package for sale in commerce any package of cigarettes which does not bear a plainly legible warning as follows: "Caution: Cigarette Smoking May Be Hazardous to Your Health."

The Act, titled the "Federal Cigarette Labeling and Advertising Act," would take effect 120 days after the date of its enactment.

War veterans. Of the 28 million home-owner properties in the country, 16 million are mortgaged properties and about 22 percent are financed with Veterans Administration GI loans. In all, more than 5,268,000 GI loans were made to World War II veterans to purchase homes, farms or businesses—and the record of repayment has been excellent. The GI loan program made a vital contribution to home ownership in this country.

The GI Bill is a historic example of long-range planning in the national interest.

Local Post Office Advanced To Second Class Office

Postmaster Sid Bogan has been informed by the Post Office Department that the Quitaque Post Office is being advanced to second class effective July 1st. The office has been third class heretofore.

Some of the changes, due to the advancement, were effective June 19th, one of which is that the windows will not be opened until 8:30 A. M.

Postmaster Bogan says, "We will NOT close during the noon hour, but will continue to close at 5:00 p. m. Minnie Mae will have a little different working schedule. We will appreciate it very much if you will get your outgoing mail to the post office before the five o'clock deadline. Try to get it here by 4:30 if at all possible. We are glad to bring this good news to you."

Mr. and Mrs. Jean Grundy of Lamesa and their granddaughter, Christie Baird of Tulia, spent the week-end with his mother Mrs. Jess Grundy, and her father, N. L. Bedwell.

Mr and Mrs. Comer Cobb of Sherman visited Walter Cobb and Mr. and Mrs. Orval Cobb and Janice over the week-end.

BASEBALL CAMP FOR BOYS IN PROGRESS AT LUBBOCK

Kal Segrist, a nine-year veteran of professional baseball in the New York Yankee and Baltimore Oriole chain, has been added to the coaching staff of the West Texas Baseball Camp which is being conducted in 4 sessions at Lubbock Christian College this summer under the direction of Monterey High of Lubbock's Bobby Moegle.

At the West Texas Baseball Camp the first consideration is the individual and his need. The baseball recreational programs have these functions: to encourage regular and healthful exercise; to instill into the boys the desire to develop and maintain a high level of physical fitness; to foster an aggressive and cooperative team spirit; to increase the confidence of the individual; to develop sportsmanship; to have fun; to gain social adjustment; and to afford the boys an opportunity to acquire knowledge and a degree of proficiency in baseball and several other recreational activities.

To fulfill these functions a recreational program is being carried on in the large fieldhouse on the campus of LCC. Boys live two to a room, in a new ultra-modern dormitory at LCC and are supervised by college-trained counselors. A regular dietitian is on duty to supervise the preparation of all meals.

The cost of one two-week session is \$125.

Bobby Moegle, Head Baseball Coach at Monterey High School, will direct the baseball instruction. Others on the camp staff are Dr. Herman Segrist, Director of Physical Education for general college students at Texas Tech; Morely Jennings, also of Tech; Earl Parker, head baseball coach at Lubbock High School; Berl Huffman, head baseball coach at Tech; Bill Dean, Publications Director at Lubbock High School; and Doug Gibbins, Freshman Baseball coach at Tech.

The camp is for boys 8 to 16 years of age. The second session is now in progress; the third session will begin July 5 and will run thru July 18. The final session begins July 19 and will run thru August 1.

For further information write West Texas Baseball Camp, 5203 17th St., Lubbock Tex.

TRIBUNE WILL BE CLOSED

The Quitaque Tribune will be closed all next week. As soon as this week's edition is in the mail, the editors will start to work on next week's edition, which will be printed on Saturday and will be mailed at the regular time next week.

If all goes according to plan the Owens, Lottie, Gaston and Eddie will head for the hills early Monday morning. They have been invited to spend a few days at a mountain cabin near Red River, N. M. This invitation was quickly accepted before it was withdrawn.

So, barring unforeseen circumstances, the Tribune office will again be open Monday, July 6.

Guests of Mrs. Jess Grundy Saturday night and Sunday were Mr. and Mrs. Jean Grundy of Lamesa; Mr. and Mrs. Bill Baird and Christie of Tulia; Carol Grundy, Lubbock; Mr. and Mrs. Glenn Grundy Amarillo; Roy Grundy and children of Matador; Ona Lee Grundy and Major Coleen Maier, San Antonio. Miss Grundy and her friend are spending this week with her mother.

DEPARTMENT OF PUBLIC SAFETY READY FOR OPERATION MOTORCIDE

While the drivers of Texas are making plans for 4th of July trips, the Texas Department of Public Safety is getting ready for "Operation Motorcicle," a three day vigil of tabulating all traffic deaths in the State. Major Harry Hutchinson, Regional Commander of this area for the D.P.S., reported today the State is approaching the mid-point in the year amid definite indications that traffic deaths will hit an all time high again in 1964.

"If we continue to take lives at the present rate, 1964 will become the most deadly year in Texas history for traffic fatalities," he said. "Motorcicles" at this time are over 150 more than at the same time last year, and considering the trend of increased accidents a casualties, we have every reason to expect that traffic deaths will exceed the previous all time high in Texas of 2,729 in 1963.

"Only 281 more deaths in 1964 than in 1963 will make a total of 3,000 lives lost on our streets and highways in one year, an increase for the year of ten percent over 1963." Deaths in traffic this year have consistently been in excess of fifteen percent over 1963, an indication that the 3,000 mark will be surpassed.

Hutchinson said that "Operation Motorcicle" will be placed in effect from 12:01 A. M. Friday, July 3rd and continue through 11:59 P. M. Sunday, July 5, 1964. In order to focus attention upon the added dangers of holiday travel when traffic is at a peak and as an integral part of the operation, which calls for maximum enforcement, additional personnel from other uniformed services of the D. P. S. will augment the regular Highway Patrol force. These patrolmen have been instructed to be extra alert for and direct their enforcement efforts toward those violations that are most often caused factors in traffic accidents. In addition every effort will be made to remove drinking drivers from the highway.

"Since police traffic supervision cannot cover the entire street and highway system in the State every minute of the day, the big hope for safe driving and accident prevention rests with the individual motorist," Hutchinson concluded.

Boll Weevil Control Meeting Monday

Mr. and Mrs. Eldon Lyles and Don and Melinda visited Mr. and Mrs. Bright Newhouse a family at Clarendon Sunday.

Mr. and Mrs. Rayford Hewett and Jonathan spent Friday night and Saturday with her parents, Mr. and Mrs. J. T. Persons. They attended the shower Saturday afternoon in honor of Mrs. Joe Seay, and made motion pictures of the affair.

Mr. and Mrs. James Barefield, Phil and Joey spent Friday night and Saturday in Amarillo with their daughters and their families, Mr. and Mrs. Jesse Rivers and Mr. and Mrs. Ted Birmingham. Chuck and Ricky Rivers returned home with their grandparents to spend the week.

Mrs. Dud Watters and Sandra of Silverton visited her mother, Mrs. Willie Lou Boyles Saturday. Mr. and Mrs. H. G. Boyles and family of Silverton visited his mother Sunday night.

Mrs. Billy Joe Pointer of Dumas and her sister from California came Saturday for Larry and Barry Pointer, who had spent a week here with their grandparents, Mr. and Mrs. Elmore Pointer.

DR. DALLAS ROARK TO WRITE ARTICLES FOR WYCLIFFE BIBLE ENCYCLOPEDIA

Plainview, (Spl.) — Dr. Dallas Roark, assistant professor of religion at Wayland Baptist College, is one of more than 200 scholars of America and Europe invited to write articles for the Wycliffe Bible Encyclopedia, which will be published in 1965 by Moody Press, Chicago. Dr. Roark has been assigned 100 short articles for this entirely new one-volume reference work.

Dr. Roark was interim pastor of the First Baptist Church here at Quitaque during the time the local church was pastorless following the resignation of Bob Beck.

Mr. and Mrs. O. C. Cannedy and son spent the week-end in Wichita Falls visiting his mother, Mrs. Luella Campbell.

Mrs. Dean Purcell and children of Albuquerque, N. M. arrived Saturday to spend the week-end with her parents, Mr. and Mrs. Lon McKay. Also guests at the McKay home were Mrs. Ronnie Rogers and baby, Flomot, Mr. and Mrs. Bill Lane and family of Turkey, Mr. and Mrs. Elbert Sperry and family of Idalou, Theresa Vaughan, Lubbock, Mr. and Mrs. Corky Davis and Scotty of Silverton, and Mr. and Mrs. Will Chamberlain, Antelope Flat.

Mr. and Mrs. Buster Chadwick, Stephanie and Laquita returned last Wednesday from a visit with his parents at Foreman, Ark.

A meeting on the boll weevil and its control will be held in the First National Bank Community Room, next Monday, June 29 at 2:00 P. M.

Don Rummel area entomologist with the Texas Agricultural Extension Service at Lubbock will show slides and present a discussion on the boll weevil and its control.

A special significance will be given to a control program designed to assist cotton producers in this area. All interested persons and farmers are urged to attend this VERY IMPORTANT meeting.

Mrs. R. L. Brunson and Mrs. Truman Hadaway of Turkey left by Train Friday for San Diego, Calif. They plan to drive back with Mrs. Truman Joe Hadaway. Truman leaves June 26 for overseas duty, and his wife, Peggy, will remain here with her parents.

TULIA PREPARES FOR ANNUAL CELEBRATION

Bailey Reece Special Activities Chairman, has procured the Navy "Blue Angels" for this year's Swisher County's 74th annual celebration. The Angels will perform at Tule Lake site, 10:00 a. m. Friday, July 17.

Tulia's annual Rodeo will again be produced by Ratjen Brothers of Happy. Four big nights have been scheduled: July 15, 16, 17 and 18. All-weather stands are available for Rodeo fans.

Many other events have been scheduled for the Swisher County Founder's Day Celebration and announced recently by Boyd Vaughn Picnic Chairman. They will include Air Port dedication, fireworks display, fly-in breakfast, parachute exhibition, boat races, water skiing exhibition, parade, all-star baseball game, and of course the "on the square carnival that has highlighted the celebration for many years.

Wayne Cooper, popular Chamber of Commerce manager in Tulia, finds Chamber work very demanding sometimes. When the time came this

year to start work on Swisher County's 74th Founder's Day Celebration, Cooper found there was no chairman or committee. The resourceful manager called several reluctant "could-be's" together and started a conscription campaign.

Volunteers were still reluctant until Wayne began to make promises. In order to have boat races he promised the Tule Lake would be full of water. In order to have an air show, he would make a parachute jump. Although work had not been completed at the City-County Air Port, he promised that it would be complete and he would have a dignitary present to dedicate the air port—on top of that there would be fireworks display during the dedication.

Results: the lake is full, he has had a volunteer to pack his chute, fireworks ordered, airport practically completed, committees formed and at work. Dignitary? We bet he will have one. The latest report, those who didn't accept jobs in regard to the celebration, have to jump also. (We accepted the job of publicity).

— W. A. Amburn

McWilliams Resigns As County Clerk

Dee McWilliams, County and District Clerk, Briscoe County, announced this week that he has resigned that office. The resignation to take effect July 31. He said that he has accepted employment with the Plainview Production Credit Corporation in Silverton.

The Commissioner's Court has appointed Mrs. Bertha Pavlicek to fill the vacancy. She will take office August 1, and serve until November. According to Judge M. G. Moreland, her name will appear on the ballot in the General Election. If she is elected at that time, she will serve for the two years remaining in McWilliams term.

Dee McWilliams was elected to the office of County Clerk in 1947 and has served in that office since that time, almost 17 years.

DEE McWILLIAMS EXPRESSES THANKS TO BRISCOE PEOPLE

I would like to take this means to express my deep appreciation for the privilege of serving as your County and District Clerk for the past almost 17 years.

I want you all to know that I sincerely appreciate the many favors, the courtesies and cooperation given to me while I was in office. It was a real pleasure to serve the people of Briscoe County.

I hope and trust that you will give Mrs. Pavlicek the same kind of cooperation that you have during my time in that office.

Sincerely yours,
Dee McWilliams

Mr. and Mrs. Odell Johnston, Sammy and David returned Saturday from a week's fishing trip on Lake Kemp. They report a good catch and a very good vacation.

Mr. and Mrs. Jerry Price and children of Fort Worth spent the weekend here with her parents, Mr. and Mrs. John King. Other Sunday dinner guests at the John King home were Mr. and Mrs. Jerry King and family and Mr. and Mrs. James Hawkins and children, all of Silverton.

Mrs. Billy Lyles and Beth of Turkey visited Mrs. Eldon Lyles Friday.

charge, 35 cents per week, 3 cents per word first insertion, 2 cents per
word thereafter; Cards of Thanks, 50 cents.

Mr. and Mrs. Barney Joe Martin and family of Plainview spent the week-end with her parents, Mr. and Mrs. Se-

picnic supper. Mr. and Mrs. Hawkins joined them for a short visit.

Mr. and Mrs. O. R. Stark, Jr. and family spent a two-week vacation at Granite Shoals Lake. They report the fishing good and a very enjoyable two weeks.

Mr. and Mrs. Cecil Broxson and Mr. and Mrs. L. B. Fawver of Fort Worth spent Saturday and Saturday night with Mr. and Mrs. Ralph Carter and Melvin, who was home for the week-end. All of them visited at the Byron Young home at Turkey. Others present at the Youngs were Mr. and Mrs. T. J. Broxson, White Deer; Donald Rucker and Mrs. Johnny Rucker, Texico, N. M. and Mr. and Mrs. Gibbs Rucker, Broadview, N. M.

All of the group attended the wedding of Gary Young at Lakeview Saturday afternoon. Mr. and Mrs. Jack Broxson of Pampa also attended the wedding and visited with the group for a short time afterward at Lakeview.

Mr. and Mrs. James Lanier of Morse, Texas were dinner guests of Mr. and Mrs. Gene King last Friday. The couples were in college together.

Mr. and Mrs. Clifford Gilchrist and family of Memphis visited Mr. and Mrs. Bob Cochran and family Saturday evening as they were enroute to Lubbock to visit his sister, Mrs.

THE HIGH ROAD

L.W. PRENTISS

The New Attack on Highway Accidents

The accident rate on freeways with median strip dividing the highway and control of access is about one-third of the accident rate for all other highways, and this fact alone is a good justification for the construction of freeways. But it is a great oversimplification, of course, to think of freeways as "safe" and all other roads as "unsafe". As we all know, some sections of conventional highways are relatively free from accidents while other sections have accident rates substantially above the average. Every police department and every ambulance driver knows certain spots where accidents happen again and again.

President Johnson called attention to those hazardous highway locations in his recent letter to the Secretary of Commerce in which he called for a "safety priority program" to meet the urgent need to reduce traffic accidents.

In turn, Secretary Hodges wrote to the governors of the 50 States urging that they give high priority to programs of safety improvements to facilitate their completion "well in advance of the time they would be scheduled on the basis of general traffic needs."

And Federal Highway Administrator Rex M. Whitton has announced that the Bureau of Public Roads is adopting "as liberal an attitude as possible" in determining whether safety improvement projects recommended by the States are eligible

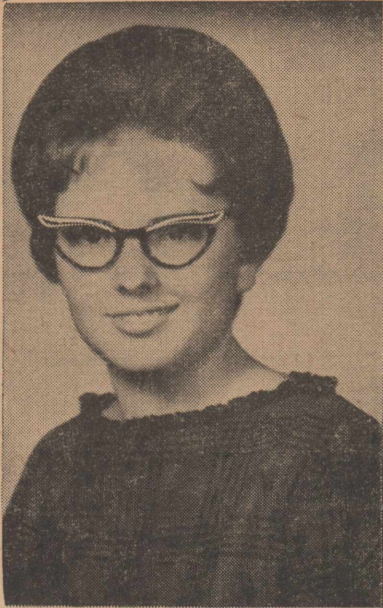

for participation in the Federal-aid highway program.

Specifically, Mr. Whitton said that the Bureau of Public Roads will be receptive to project proposals on the Federal-aid systems involving the widening of narrow traffic lanes and narrow bridges, the installation of traffic control devices including protective devices at railroad crossings, the reconstruction of dangerous intersections for the better channelization of traffic, the flattening of side slopes and the removal of fixed roadside obstructions to provide a clear recovery area for vehicles out of control, reconstruction to improve sight distances on curves and hills, and the installation of guardrails, guide posts, delineators, highway lighting and fencing. Fortunately, practically all of these safety measures will be incorporated in any ultimate modification or major overhaul of the ABC roads.

The number of lives that can be saved through this program has not been estimated. Much will depend, of course, on the willingness and ability of the States to allocate highway funds to spot safety improvements. There are other highway needs which also demand priority attention.

But, as President Johnson put it, "In a society such as ours where human life and health is valued so highly, there is a special obligation to use our scientific abilities to bring this problem of highway traffic safety under control."

MARRIAGE ANNOUNCED

Mrs. James Gatlin nee Yvonne Matthews

☆☆☆

Mr. and Mrs. Allen Matthews announce the marriage of their daughter, Miss Yvonne Gail Matthews to James Gatlin of Turkey, the vows being exchanged in the home of the Rev. Darwin Scott, pastor of the First Baptist Church in Turkey, Saturday evening, June 20 at 9:00 o'clock.

Yvonne is a 1964 graduate of Quitaque High School.

The groom is employed with Peery & Dugan Oil Co. in Turkey. They are at home in Turkey and invite their friends to visit them there.

enroute to California on vacation.

Mr. and Mrs. Birt Lane and children of Plainview spent Saturday night with her mother, Mrs. W. E. Morrison, then went to Turkey Sunday to spend Father's Day with his parents Mr. and Mrs. Leon Lane.

Those visiting in the home of their parents, Mr. and Mrs. H. S. Foster over the week-end were Mr. and Mrs. Harrel Foster, San Pablo, Calif.; Mr. and Mrs. Gene McKinney and four children, Childress; Mrs. Bobby Jo Mapp and three children of Memphis; and Mr. and Mrs. Jimmy Fred Foster and two children of Estelline.

Cecil Stone of Seminole, Tex. came Sunday to visit Harrell Foster in his parents home, and Mr. and Mrs. Elmore Pointer called in the afternoon.

3000-to-1 Odds

The odds against success in researching a new medicine are about 3000 to 1. Consequently, when a new drug is approved for public use it receives widespread recognition. Your doctor is informed of the nature and application of the drug and your pharmacist is provided with a supply of the drug. In this way, working with your doctor, we can furnish you with the very latest discoveries of medical science.

SHOWER HONORS RECENT BRIDE

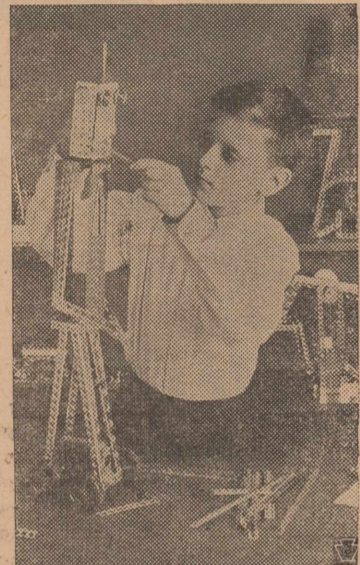

Mrs. Joe Seay was honored with a miscellaneous bridal shower Saturday afternoon, June 20, in the Community Room of the First National Bank. Guests were greeted at the door by Mrs. Seay and her mother-in-law, Mrs. J. T. Persons. They were registered at a table laid with a white linen cloth with a drawn-work hem, centered with a basket of white daisies. A blue and white checked linen streamer cascaded from the basket down the linen cloth.
 The guests were directed to

played, including pillows for the bed, insulated blankets, sheets, pillowcases, towel sets, a table lamp, bath sets.

The serving table was laid with an embroidered linen cloth. The centerpiece was a basket of daisies with a large bow and streamers of white and blue linen matching the one covering the register table. White cake squares, decorated with wedding bells and blue bows were served from milk glass and silver appointments with punch, nuts and mints. White milk glass candle holders with blue tapers completed the table setting.

Hestesses for the occasion were Meses. Bill Griffin, J. P. White, Horace McDonald, R. J. Harmon, Bill Helms, Clayton Johnson, Clarence Barrett, A. C. Barrett, Alton Johnson, Bud Bailey, O. R. Stark, Orlin Stark, Jim Mayfield, J. W. Lyon, John Rogers, Charles Gowin and S. C. Brown. Their gift to the honoree was a George Washington bedspread.

Erector Sets: From Toy To Career

If ever a young man was destined for an engineering career, it's probably the one above, pictured using his Erector set to add a motorized mechanical man to his collection of working models, made with the ever-popular career building construction kits.

Men and boys alike have been inspired by Erector, ever since its introduction in 1913. But today's sets, like today's boys, are space minded, and special new versions are available for creating such space-age projects as a planetary probe (to explore the moon surface), a moon bulldozer (we have to live after we get there), or a rocket service gantry (that's the big equipment that puts the rocket in place).

Sure, Sonny will have to push Dad over to build with his own set! And Dad will find that although the principle of his son's set is the same as when he was a boy, the new sets have tapered gliders, shaped pieces and plates in color, and Power-Matic motors. But both ages will find fun and satisfaction in this educational product by the A. C. Gilbert Co.

JIMMIE DELL MAYFIELD IS RECENT BRIDE OF RONNIE RICHMOND

Mrs. Ronnie Richmond, nee Jimmie Dell Mayfield

The Methodist Church of Quitaque was the scene for the ceremony Friday, June 12, at 6:00 p. m. which united in marriage Jimmie Dell Mayfield, daughter of Mr. and Mrs. J. A. Mayfield, and Ronnie Richmond, son of Mr. and Mrs. E. D. Richmond of Turkey.

The wedding was performed before an open arch covered with lemon leaf and centered with an arrangement of blue wedding bells with white net, and a blue bow of ribbon. Large baskets of pink gladioli and carnations completed the setting.

Jack Hutton, minister of the Turkey Church of Christ, officiated at the double ring ceremony.

Wedding music was provided by Mrs. Geneva Curtis, organist, and Janet and Charlene Bailey sang "Always" as a duet.

Given in marriage by her father, the bride wore a white French Alencon lace dress over taffeta. It was designed with a basque waist featuring a portrait neckline covered with sequins and pearls with long tapered sleeves, and a bouffant skirt. Her veil of illusion was

attached to a pearl tiara. She carried a white Bible topped with an arrangement of pink carnations and stephanotis.

Jennifer Whittington was maid of honor. Her dress was of blue silk shantung fashioned with scooped neckline and flared skirt.

Ray Calvert of Flomot was best man. Ushers were Lonnie Richmond, brother of the groom, and Jerry Smith both of Turkey.

Connie Welch, granddaughter of Mrs. Alene Welch, served as flower girl.

Following the vows, a reception was held in the Fellowship Hall of the church. The serving table was laid with a white net cloth over white damask. It was centered with an arrangement of styrofoam holding a cluster of blue wedding bells trimmed with white net and blue bows, surrounding pink carnations, with long garlands of pink carnations falling from the bells to the corners of the table. The three-tiered white wedding cake was topped with a miniature bride and

groom. It was served with pink punch, nuts and mints, from white milk glass and silver appointments. The napkins bore the names "Jimmie Dell and Ronnie."

After a short wedding trip, the couple is at home in Turkey where the groom is engaged in farming this summer with his father.

The bride is a 1962 graduate of Quitaque High School and the groom graduated from Turkey High School the same year. Both will return to W.T.S.U. at Canyon in September where they will be classified as Juniors.

The groom is a member of the A.T.O. Fraternity, and the Block and Bridle Club at West Texas State U.

Out of town guests present for the wedding were the groom's parents, Mr. and Mrs. E. D. Richmond, Mr. and Mrs. Lonnie Richmond, Dwain Proctor, Mr. and Mrs. Roy Gene Landry, Mr. and Mrs. Jerry Weatherly, and Sharon Fuston, all of Turkey; Mr. and Mrs. Gene Mayfield and family of Borger, and Mr. and Mrs. Bill Mayfield and family, Plainview, brothers of the bride; and Joe Holmes of Tulia.

Mrs. Albert Ramsey and a nd Patty of Sweetwater spent the weekend with Mr. A. B. Ramsey, Jr. and other relatives. She was overnight guest of Mr. and Mrs. Doyle Ramsey and family on Saturday night.

HOT WEATHER COMFORT CONTROL

Enjoy the Paramount DeVile all Summer Long!

SUMMER
 Enjoy Cooling Comfort all summer long with complete flexibility of control. Shut out rain or dust with All Weather Control.

AS LOW AS
\$6.64 per month
 (after normal down payment)

FALL
 Enjoy cooling or ventilating comfort during the day. Shut out nippy mornings and evenings with the All Weather Control.

Paramount Patented No-Clog Sta-Fresh Filters assure cooling efficiency all summer long. Guaranteed clog-proof, with complete insect protection. Redwood impregnation eliminates offensive odors. Patented Grip-Lock Filter Holders prevent sagging and settling of filters for the life of the cooler assuring cool, clean, filtered air.

WINTER
 Ventilate home on mild days to remove household odors. Shut out wind and rain with All Weather Control.

Air Direction Control Engineered design of the De Ville Air-Fla Grilles allows complete air direction control. Air movement can be instantly altered to provide concentrated or diffused cooling or ventilating by use of flexible finger tip controls which adjust to fit any cooling requirements.

SPRING
 Enjoy fresh spring air ventilation or low volume cooling. Leave night air outside by closing All Weather Control.

Motor Control Two speed motors offer adjustable cooling or ventilating capacity. By changing motor speed, cooling capacity output is adjusted to suit comfort needs. Whisper-quiet operation is offered by reduced sound level at low speed.

See the Paramount DeVile room cooler at your local WTU showroom.

CARDS OF THANKS

Words can't express my love for all the many wonderful people who visited me while I was ill. A persons can't realize how important friends are until they are left alone.

I can't thank you all enough for all the cards, letters, visits, food and phone calls I received. I love you all. Again, I thank you from the bottom of my heart.

Lois Martin
