O. R. STARK TO SPEAK AT STATE MEETING

O. R. Stark, Jr. will appear on the annual program of the Texas Agricultural Workers Association, which will meet in Corpus Christi on November 4th and 5th.

O. R. will speak in the section of the program "The Future of Rural Communities." The general theme of that section of the program is "change" and O. R. will speak on "Meeting the Changes in the Rural Communities."

Dr. Gerald W. Thomas, who is Dean of the Texas Tech School of Agriculture and Vice-President of the Texas Agricultural Workers Association, tendered the invitation to speak on the program and in his letter, Dr. Thomas said in part "many persons have been impressed by the attempt that Quitaque is making to build a rural community in the face of population changes in our state . . . I sincerely hope that you can accept this assignment. I know that you are well qualified to make this presentation."

Others scheduled to appear on the program are James E. Vance, Ranch & Farm Editor, Fort Worth Star Telegram; John E. Hutchison, Director, Texas Agricultural Extension Service; Dr. George Brandow, Director, National Commission on Food Marketing; L. J. Capleman, State Director, Farmers Home Administration; Mark H. Gosdin, State Department of Parks and Wildlife; Dr. John M. Brewster, Economic Research Service, USDA, Washington, D. C.; and many other men and women well known in the field of agriculture.

SISTER OF MRS. ORLIN STARK BURIED AT SILVERTON MONDAY

Funeral services for Mrs. Irene Whiteley Ayres, 68, of Lamesa, who died Saturday afternoon in Medical Arts Hospital at Lamesa following an extended illness.

Funeral services for Mrs. Ayres, who was Mrs. Orlin Stark's sister, were held Monday afternoon, October 25 in the First Baptist Church at Silvertown. Officiating was Earl Cantwell, minister of the Rock Creek Church of Christ, and the Rev. Carl Nunn, pastor of the First Methodist Church at Silvertown.

Burial was in the Silvertown Cemetery under direction of Silvertown Funeral Home.

Mrs. Ayres was born in Bell County and moved with her parents, the late Mr. and Mrs. J. C. Whitelev., to Briscoe County in 1901. She attended Seth Ward College in Plainview and West Texas State College in Canyon.

She married Madison George Ayers on November 21, 1921. She owned and operated the Mans Store in Plainview for several years before she and her husband moved to Lamesa, where she owned and operated the Ayers Dry Goods Co. for 30 years.

Mrs. Ayers was a member of the First Methodist Church of Lamesa and the Order of the Eastern Star.

She is survived by her husband; and four sisters, Mrs. Jennie Penn of Lubbock, Mrs. Ruth Diviney of West Burlington, Iowa, Mrs. Madeline Stark of Quitaque and Mrs. Clarice Douglas of Silvertown.

Mrs. H. B. Finney left by bus from Plainview Saturday to go to Robstown to be with her sister who was scheduled for surgery Monday.

The 1965 Model Panthers have played 4 games to date and have won three of them, losing only to Hedley, while defeating Quail twice and Samnorwood once. In the above picture, top row, left to right is David Brunson, Larry Tipton, Dale Ramsey, Roland Hamilton, Walter Payne, Jimmy Pointer and Bobby Wayne Taylor, Joe Mack Jacobs and Coach Gene King. Kneeling, left to right is Monte Stephens, Rex Harmon, Johnny Pointer, Lynn Payne, Jimmy Pointer and Bobby Cochran.

RELATIVE OF LOCAL RESIDENTS CRITICALLY INJURED IN WRECK

Three teen age boys, each approximately 14 years of age, were seriously injured in a car wreck on the outskirts of McLean early Saturday evening. Scott Evans, driver of the car, started to turn off a farm-to-market road and lost control of the car.

He received a broken collar bone.

Other occupants of the car were Gary Ellison, son of Mr. and Mrs. James Ellison, former residents of Quitaque, who received several serious injuries, and Dennis Jones, nephew of Mrs. Glenn Ramsey, Dennis received the most serious injuries, including a broken neck and a severely damaged spinal column.

He underwent surgery Monday afternoon and was in the operating room four hours and it was determined his spinal cord was not severed but was so severely damaged there is a possibility that he will be permanently paralyzed from his arms down. Mrs. Ramsey has been staying with her brother and family, who flew in from their home in California. Dennis is staying with a married sister and attending school at McLean since his parents moved to California.

BROTHER OF MRS. FOSTER DIED AT BIG SPRING THIS WEEK

John Wolf of Big Spring, 79, brother of Mrs. H. S. Foster, passed away Monday night at 12 o'clock, at Big Spring.

Funeral services were held at 2:30 p. m. Wednesday and burial was in Big Spring.

Mrs. Foster and her sister, Mrs. Claude Keeter, of Lockney attended the funeral.

A complete obituary will appear in next week's issue of The Tribune.

Mrs. Jack Hulsey reported Wednesday that her husband is doing real good at Swisher Memorial Hospital, is up some and hopes to be able to come home soon.

LIONS CLUB SPONSORING CARNIVAL NEXT WEEK

Last year the Lions Club sponsored a carnival with rides and concessions only.

Next week, November Nov. 2 through 6 Johnny Hinds and his carnival will be in Quitaque with good clean fun and rides.

The carnival will be located west of West Texas Utilities Co., occupying the lots owned by J. B. Baird. The Lions Club expresses its appreciation to Mr. Baird for the use of the lots and ask the people to patronize the carnival.

The High School classes will have booths at the carnival for your enjoyment. Each class will get to keep all the money it makes.

Plan now to attend and enjoy yourself.

Melvin Carter of Plainview spent the week-end with his parents, Mr. and Mrs. Ralph Carter.

The Pantherettes were rolling along with a three game winning streak until Tuesday night when they bumped into a real fine Samnorwood team. The Pantherettes had a little trouble getting

wound up but when they did they played well against the Eaglettes. Pictured above, top row left to right is Jo Beth Merrell, Barbara Chandler, Billie Cheatham, Patricia

Brunson, Jill Johnson and Lynette Taylor. Kneeling, left to right is Sherry Stark, Cheryl Mason, Shirley Dowd, Rhonda Rogers, Barbara Reagan and Carol Myers.

Quitaque's high school basketball teams, four games deep into the new season, now own identical won-lost records following Tuesday night's games at Samnorwood.

The Panthers and Pantherettes now have won 3 and lost 1 each.

Coach Gano Wilson's young Pantherettes dropped their first game of the season Tuesday night at Samnorwood 57-41, but they shouldn't be too discouraged over the loss because they were playing a salty, veteran team that many think is the team to beat at the Class B Regional Tournament in the spring.

The Panthers had to fight for their lives Tuesday night before winning 49-44 over the Samnorwood Eagles.

Last Friday night, in their first outing before the hometown fans, the local teams won a doubleheader from the Quail High teams, the Pantherettes winning easily, 61-45, while the Panthers, looking good for the first two quarters and even built up an 18 point lead in the early minutes of the second period of play, and lead 42-27 at the half. The Eagles came roaring back in the third period and the Panthers came unglued sort of, and had to scramble to pull off a 75-68 decision. The Panthers were able to score in the Quail contest but against Samnorwood, everyone fired

away and threw it away and couldn't do any good at all. Fortunately for the Panthers the Eagles were hitting even less than the Panthers.

Barbara Chandler led the scoring parade against Quail with 20 points; Cheryl Mason found the range for 16 points; Patricia Brunson, who sat out most of the game and let the newer members of the squad get some experience, dropped in 10 points before leaving the game; Carol Myers tallied 6 and Billie Cheatham hit for 5 points and Jo Beth Merrell moved from guard to forward in the latter stages of the contest and she added 4 points to the final tally.

Monte Stephens and Bobby Cochran scored 20 points each to lead the scoring for the Panthers in the Quail contest. Larry Tipton and Dale Ramsey each hit for 10 points. Walter W. Taylor dropped in 8 and Rex Harmon added 7 points, all free tosses that came in the final few minutes of the game, and were actually the winning points.

At Samnorwood Tuesday night the Eaglettes came out flapping their wings and fashioned a 21-9 first quarter lead, then increased it to 32-9 before Carol Myers hit a field goal and from that point on the Pantherettes made a ball game of it, in fact outscoring the host team a few points.

Carol Myers sparked the Pantherettes with 16 points, Patricia Brunson fouled out of the game early and scored only 9 points; Barbara Chandler tallied 6, Cheryl Mason 4, Billie Cheatham 3 and Jo Beth Merrell 2 points.

For the Panthers Monte Stephens won scoring honors with 18 points. Bobby Cochran tallied 13 points, Larry Tipton 10, Walter Wayne Taylor, 2, Rex Harmon 2, Roland Hamilton and Dale Ramsey 1 point. One of the brightest spots of the night for the Panthers was the play of Freshman Roland Hamilton, Roland mixed it with them and hauled down several rebounds. He will improve with every game and just might take away a starting spot from one of the older members of the team.

The teams have an open date Friday night. Next Tuesday night the local teams host the teams from Samnorwood, then on Saturday night will take on tough Channing in the West Texas State Fieldhouse at Canyon. Right now, Channing is probably the toughest Class B basketball team in the Panhandle. The Channing crew clobbered Hedley by some 60-point margin last week. Hedley won over the Panthers earlier, so they will have their work cut out for them. The Pantherettes will probably be able to handle the Channing girls.

LIONS SAY "THANKS"

The Quitaque Lions Club wishes to express its appreciation to the people of Quitaque for the excellent turn-out at the Donkey Basketball game. Too, without the abundance of "riders", the game could not have gone off as well as it did. We wish to say a big "thank you" to the Lions who worked so hard to put this big project over for the benefit of our boys and girls who participate in the Summer Recreation Program.

As was advertised, the ball game was sponsored by the Lions Club for the sole purpose of paying off the deficit on the summer program. I feel sure that the proceeds from this project will more than pay this deficit.

Including the donations from interested people, the percent from the gates and concessions, the lions netted some \$126.00 from the Donkey Ball game.

NEW ATTENDANCE MARK SET AT SIX FLAGS OVER TEXAS

Six Flags Over Texas, nationally acclaimed historical theme amusement park located in Arlington midway between Dallas and Fort Worth, recorded 1,625,743 admissions through Sunday, October 10, topping the 1954 season attendance record of 1,622,566 visitors.

Another month and one-half remains on the Six Flags 1965 season with the Park operating on Saturdays and Sundays only until closing on November 28. In announcing the new attendance record, Six Flags' founder Angus G. Wynne, Jr., president of Great Southwest Corporation, owner/operators of the popular tourist attraction, said "the success of Six Flags which has now shattered the previous season's attendance mark for the fourth consecutive year is a never ending source of gratification. It also is a challenging thing and one which we delight in accepting, for in order to maintain and increase Six Flags' popularity, we must put our best brains and talents to work each season for new ideas, rides, shows and attractions."

Six Flags, which opened in 1961, has now been visited by more than 6,500,000 people from every state in the Nation, and countless foreign countries.

Rod and Reel Fishermen's Special

SAN FRANCISCO, CALIF. — Described by enthusiastic spin and fly fishermen as the "greatest deal since the wheel" is a handy new gadget that solves the problem of carrying flies and lures, does away with torn shirts and jackets, and saves hauling a tackle box.

It's a flexible, magnetic band that measures six inches long, one inch wide and comes in two convenient, useful styles. Magiband 101 has two pin clasps one at either end that's easily attached to the fisherman's hat, shirt or jacket to hold flies and lures. Magiband 102 has adhesive backing and is also flexible so it can be cut and fitted into the tackle box compartments to hold lures and flies so the box is always neat, with no tangled hooks. Or this style can be affixed alongside in the boat.

With the holiday season coming up, these are ideal stocking stuffers for all fly and lure fishermen at \$1.29 each including handling and postage. Magiband 101 and 102 are both available by mail from Magiband Products, 2847 Washington St., San Francisco, Calif., 94115.

PTA Renews Invitation: Join Now!

As 50,000,000 American children move forward in the current school year, their parents and teachers will receive an invitation, issued to the nation, to join the PTA.

The National Congress of Parents and Teachers now has under way its annual membership enrollment, aiming to add new members as it tackles 11 "critical issues" that affect children today — issues such as financing public education, educating for a changing society, helping disadvantaged children, waging the peace and coping with the responsibility of parenthood, including sex education.

This undertaking, to be carried out in a three-year action program, "will tax PTA resources to the utmost," says National PTA President Mrs. Jennelle Moorhead. "It is not too much to say that the outcomes of these issues will have far-reaching, fateful consequences for our nation and its children."

A sample of the PTA's effectiveness in action—specifically, action to help disadvantaged children—was its Books for Ap-

This messenger (she's Celia Richman, a first grader at Ray school in Chicago) has an invitation for the nation: Join the PTA—and help the other 49,999,999 or so children in American schools this year.

palachia program of early 1965, when, in five months, PTA's throughout the country collected more than 1,100,000 children's books and sent them, in bookcase boxes, to the hundreds of barren, one- and two-room schools in the Appalachian mountains.

"This was a special project," Mrs. Moorhead recalls, "and our routine programs can be equally effective in advancing children's

welfare—in home, school, church and community."

While children in school are the focus of all PTA activity, the National Congress of Parents and Teachers works equally hard to keep parents and teachers learning, too, about children.

Children's complaints about school will get an airing in a forthcoming issue of The PTA

Magazine, used as a basic text by PTA-sponsored study-discussion groups in many communities. In other scheduled articles, parents will be given suggestions on how to prepare for a conference with the teacher, as well as challenging views on IQ tests, ability grouping and student cheating.

The PTA's official magazine also provides regular services to thoughtful parents: previews of motion pictures—graded for children, adolescents and adults; reviews of television programs along with names of their sponsors; regular reports on "what's happening in education" and news of medical developments that affect children's health.

All is information that will be used by PTA's as they program their current attack on critical issues. Other matters on that action calendar are equalizing educational opportunity; clarifying the responsibilities for educational decision-making; extending and strengthening community services;

Combating moral, spiritual, and civic apathy; eliminating certain health and safety hazards and safeguarding individual rights and liberties.

LOCAL BRIEFS

Jim Mayfield and Pierce White were in Lubbock Tuesday to see a dermatologist Dr. Barsh. They each received good reports.

Ina and Euna Bradshaw and Mrs. W. E. Morrison visited their brother, H. T. Bradshaw and his wife in South Plains Sunday.

Mr. and Mrs. Bud Bailey and Janet drove to Plainview Tuesday evening of this week to visit their daughter and sister, Charlene Bailey, at Wayland and they also visited Mrs. Bailey's parents, Mr. and Mrs.

T. J. Reeves.

Mr. and Mrs. J. W. Harvey spent Saturday, Saturday night and Sunday with their children in Amarillo. They were dinner guests of Mr. and Mrs. Howard Harvey Saturday and Howard took them out to see Lake Meredith. They were supper guests of Mr. and Mrs. Doyle Wheeler and family. Mrs. Wheeler is their granddaughter. They were joined by Mr. and Mrs. Ralph Harvey, parents of Mrs. Wheeler, later in the evening and they played "42". The Harveys visited Ralph and his family Sunday and returned home that evening.

USDA MOVES QUICKLY TO SERVE RURAL AREAS UNDER BROADENED AUTHORITIES

Within one hour after President Johnson on October 7 signed a bill expanding financial assistance to rural communities and family farms, the U. S. Department of Agriculture had put the new program into operation, Secretary of Agriculture Orville L. Freeman said today.

By close of business October 8, loan checks totaling \$16.5 million had been dispatched to more than 1,000 family farmers and rural communities, the Secretary said.

"We welcome the opportu-

ity the Congress has given us to be of greater service to rural America," the Secretary said.

"We intend to continue to move rapidly to supplement conventional credit sources in the recapitalization of rural area."

The new legislation raised from \$200 to \$450 million the authorized amount USDA's Farmers Home Administration can insure annually for farm purchase and development, and rural community facilities.

The act also increased from \$25 to \$50 million the amount of loans the agency can make and hold at any one time prior to selling the notes to private investors. It was this fund the Farmers Home Administration

drew upon to speed the flow of funds to disadvantaged rural areas.

Sales out of the fund to private investors under new provisions in the Act began October 11 with a \$1 million purchase by the Commerce Trust Company of Kansas City. The Act permits returns to investors of up to 5 percent; previously the ceiling was 4½ percent. The interest paid by borrowers remains 5 percent. The notes are currently being offered at 4:75 percent with the lender agreeing to hold the note for five years.

One of the first loans—for \$32,000—went to the small rural community of Kim, Las Animas, Colorado, to drill a well and install 5½ miles of pipeline. Some 270 families in the area have had water rationing since one of their two wells went dry.

Sixty families in Trinity County, Texas obtained a loan of \$74,000 for a well, water treatment plant, storage tank, and 12 miles of pipeline. Their water supply has been limited for years.

Forty small ranchers in Beaverhead, Montana, borrowed \$1 million to purchase and obtain leases on 57,700 acres of land which they will develop into a grazing area and thus obtain land needed to balance their ranching operations.

A year-round recreation center will be developed by 300 rural families in Hancock County, Maine. This group obtained a \$417,000 to construct an 18-hole golf course, curling rink and swimming pool. The center is expected to draw summer vacationers to the area and provide needed facilities on a year-round basis for local residents.

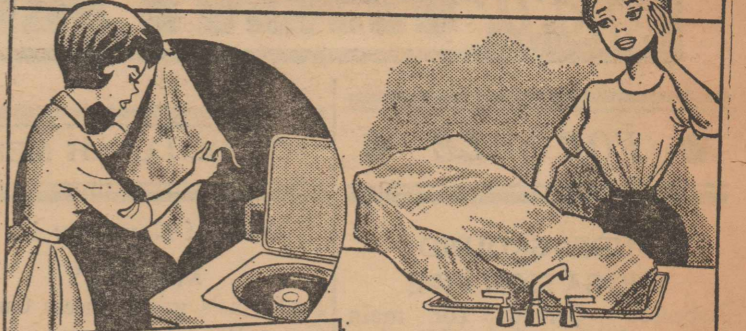

A negro tenant farmer, Cereios Gross, of Madison County, Mississippi, obtained a \$12,000 loan for the purchase and development of a 65-acre farm.

Lloyd P. Haas, a young family farmer who has been renting near Eldridge, North Dakota, obtained \$9,500 to buy 800 acres and make some pasture improvements.

Milford Brooks, a Negro tenant farmer of Wortham, Texas, obtained a \$16,000 loan to buy a 152-acre farm and construct a new home for his wife, Grace, and their five children.

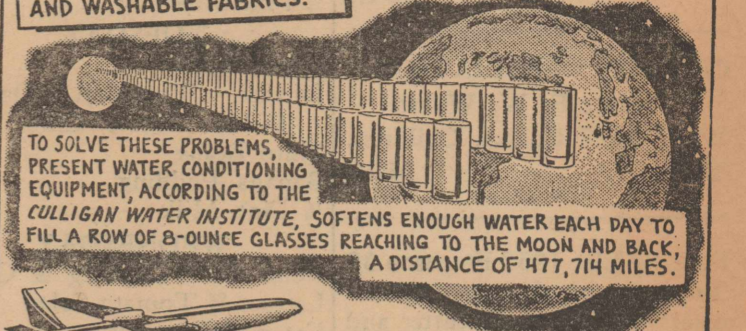

A \$13,000 loan to Lloyd Dupras of Randolph, Vermont, will enable him to buy a 240-acre farm and convert a poultry house to a Grade A dairy barn. Mr. Dupras, his wife and four daughters have been handicapped by lack of adequate farm resources.

You Can Believe It!

AS LITTLE AS 2½ POUNDS OF IRON IN A MILLION GALLONS OF WATER IS ENOUGH TO CAUSE STAINING OF CHINA, PORCELAIN AND WASHABLE FABRICS.

THE AVERAGE WATER SUPPLY BRINGS OVER 70 LBS. OF DISSOLVED ROCK INTO THE HOME EVERY YEAR IN THE FORM OF WATER HARDNESS.

TO SOLVE THESE PROBLEMS, PRESENT WATER CONDITIONING EQUIPMENT, ACCORDING TO THE CULLIGAN WATER INSTITUTE, SOFTENS ENOUGH WATER EACH DAY TO FILL A ROW OF 8-OUNCE GLASSES REACHING TO THE MOON AND BACK, A DISTANCE OF 477,714 MILES.

INDUSTRY TOO NEEDS HIGH QUALITY WATER. 800 GALLONS OF MINERAL-FREE WATER CAN MAKE THE DIFFERENCE BETWEEN FLYING A JET AIRLINER TO EUROPE OR MAKING AN EXPENSIVE REFUELING STOP. WATER INJECTION CAN INCREASE THE ALLOWABLE TAKE-OFF WEIGHT FROM 10 TO 18 ADDITIONAL TONS -- OR 9% TO 15% IN EXTRA PAY LOAD OR FUEL.

CONGRESSMAN WALTER ROGERS' WASHINGTON REPORT

LOYALTY

The recent disgraceful demonstrations against U. S. policies in Vietnam shocked many Americans who, during the "teach-ins" of last spring, regarded critics of any effort but surrender in Vietnam as liberal-intellectuals and "beatniks" of the type eager to demonstrate for the sake of demonstrating. Of course, the outcry against our actions in Vietnam of a friendly; of b t

all along has been of a much more sinister character; the country is awakening to the fact that the heavy hand of subversive communism has been pushing and pulling the demonstrators. When current investigations are completed, it will be made clear to all that Communists, in their effort to thwart the objectives of our Vietnam policies, have played key roles. Meanwhile, loyal Americans are appalled by the spectacle of misguided youngsters burning their draft cards and attempting by fraud to evade selective service (actions both bordering on treason) and of others foolishly and indifferently clamoring against their country's interests.

him, because the kind of man he is, personifies the dedication of this country to upholding principles that have brought it greatness. I received a letter this week from my young soldier friend, a boy from a small Panhandle town. It was the first letter I'd received in six months. I'd first heard from him in Sept. 1964, when he wrote from Fort Hood, Texas, to say that he'd been in the Army for five months and had "volunteered for Vietnam three times." He wrote, "They keep saying they need volunteers, so I volunteered and it seems to do me no good at all." He closed his letter by saying, "Sir, I truly believe what President Kennedy said on January 20, 1960 in his inaugural address when he said . . . 'Ask not what your country can do for you but ask what you can do for your country.'" I asked the Pentagon to look into the matter, was informed that a security clearance of Secret was being obtained for the young private so that he would be eligible to apply for duty in Vietnam, and then learned that an administrative mixup had occurred and that the young man had been further delayed. I asked the Army to do its best to help him.

Army Sergeant First Class Gerald L. Dozier, a professional soldier of 15 years service, was killed in action recently as his unit of the First Division battled a guerrilla force. Sergeant Dozier was graduated from Phillips High School and joined the Army in 1950. He was 33 years old. He had been in Vietnam a week when he died. His wife and daughters live at Fort Riley, Kansas. His foster parents, Mr. and Mrs. Earl Moulton, formerly of Phillips, now live in Panhandle. Sergeant was the first Hutchinson County serviceman to die in Vietnam.

Every real American is in the deepest debt to the Sergeant Doziers who have sacrificed all, and to the parents and loved ones of these great American heroes. May God give us all the strength to pay that debt.

Another young soldier in Vietnam has been in my thoughts this week. I shall not mention his name; he might prefer it that way. But I believe you might like to know about

The young soldier's latest letter to me, dated October 10 from Bien Hoa, South Vietnam, is one I'd like to share with you: "Dear Mr Rogers: This letter will be real informal, but I wanted you to know that I am in Vietnam. I want to say once again thank you for all the help you have given me. This place is in bad shape, but as always I know that the American people will be able to give the Vietnamese people the peace they are looking for. I know that over here that if it's God's will that I die fighting for these people then my life won't be in vain. I hope the people back in the States understand that when an American life is taken, his life was given trying to give these people the way of life that only an American knows. We all know that we're fighting for peace and that these people will have the freedom of worship, which is most important of all. This is my true feeling and I hope many more Americans share this feeling with me."

So closed a young American from the Panhandle.

FLOMOT'S BASKETBALL TEAMS WINNING EARLY SEASON GAMES

Flomot's basketball teams won three games at home last week to start a new season.

The Junior High boys took an easy 73-34 win over Dougherty from Floyd County.

Starting for the Flomot team were Joe Crowell, Billy Green, Alvia Calvert, Johnny Turner, and Don Wells. Other Flomot squad members seeing action were Douglas Gowin, David Hunter, Jim Smith, Rene Leal, David Martin and Donnie Rogers. Four of these scored in double figures: Green 21, Crowell and Calvert 14 each, and Turner 10.

The Flomot High School girls took a 56-38 win over Dougherty in a game that was close for three quarters. Sue Gilbert bombed the baskets for 54 of Flomot's 56 points to top all scorers in the game and also to set a modern scoring record for a Flomot player. Sue dropped in 23 field goals and 8 of 9 attempts from the free throw lines to set her record. Flomot led 15-14 at the end of the first period of play and the count was knotted at 28-28 at half-time. Flomot was behind 37-38 at the end of three periods but the Dougherty girls ran out of gas and couldn't keep up the pace and were outscored 19 - 4 in the fourth quarter. Jorta won scoring honors for Dougherty with 28 points.

Starting for Flomot at forward were Sue Gilbert, Jeanne Pigg, and Jackie Starkey; starting at guard were Lucy Reed, Jody Smith, and Mae Lee Tiffin. Others seeing action were Karen Tiffin and Pam Wells.

After a slow start the Flomot High School boys basketball team pulled away from the Flomot Outsiders to win 40-31.

The game was close the first period and the Outsiders led at the end of the period 8-6. At the end of the half, though, the high school boys were ahead 17-12. The second half was played pretty well on even terms.

Starting for the Longhorns were George Calvert, Louis Leal, Lynn Crowell, Wayne Gourdon, and Terry Sperry. Others seeing action were Joe Wells, Roye Pigg, Dale Tiffin, Pat Waters and Terry Whitaker. Calvert's 19 points was high for the night, followed by Gourdon with 14. For the Outsiders Windell Morris Morris was high with 10 points.

Flomot's High School Girls took a 27-25 win over Dougherty there last week. The win was not an easy one for Flomot for they were unable to score during the first quarter and trailed 8-10 at half time. The Flomot team trailed 10-20 at the end of the third period and appeared that the visitors were too far behind to catch up, but catch up they did at 23-23 with 2½ minutes to go, and a short time later Flomot went ahead 25-23 and each team dropped in a field goal during the last 30 seconds of play.

Sue Gilbert scored all of Flomot's 27 points. Jorta was high for Dougherty with 19. Flomot's guards, Lucy Reed, Judy Smith, and Mae Holdman made excellent progress, reducing the Dougherty scoring from 42 to only 25 points on their own court.

The Flomot Junior High boys took a 52-36 win over the Dougherty boys. Coach Barrown started Joe Bob Crowell, Alvia Joe Calvert, Don Wells, David Hunter, and Jim Tom Smith. Others on the squad all saw action during the game. They were Billy Green, Johnny Turner, Rene Leal, Bruce McFall, David Martin, Donnie Rogers, Douglas Gowin, and Alberto Esquivel. Alvia Joe Calvert was high point man of the game with 19 points.

Flomot's High School Girls play Turkey A and B teams at Turkey on Tuesday, November 2 and at Flomot on Tuesday, November 9.

SILVERTON PRINCIPAL IS COUNTY SPELLING BEE DIRECTOR

Bill Verden, principal of the Silverton Elementary School is the 1966 Spelling Bee Director for Briscoe County, it has been announced.

Some time before April 9, the Briscoe County Bee will be held, and the Champion will go to Amarillo on April 23 for

the annual regional elimination test between the juniors; they are merely guests for the annual Spelling Bee luncheon held in the Amarillo Club).

Last year Barry Johnson, son of Mr. and Mrs. O. V. Johnson, then an 8th grader in the Quitaque school, was Briscoe County Champion and placed ninth in the regional bee.

The Amarillo Globe-News, which has sponsored the High Plains area bee since 1949, also has a unique secondary contest Plains area bee since 1949, also —the Junior Spelling Bee, open 6th and lower grades. The National Bee is open to all students, 16-years of age and under, through the 8th grade.

The Briscoe County Junior Champion for 1965 was Ann Rucker, daughter of W. A. Rucker of Quitaque, and a fifth grade student in the Quitaque school.

First place winner in the regional bee will go to Washington during the first week in June, 1966, to participate in the National Spelling Bee. The winner will also receive several other attractive prizes, and his (or her) school will have a full year of use of the Britannica film service. A traveling plaque, carrying the names of all Regional winners since 1949, will hang at the school of the winner.

Last year's prizes for top contestants included a Zenith stereophonic record - player, a 24 volume set of Encyclopedia Britannica, several volumes of the Lincoln Library, a Capri Paper-Mate pen set, the seven language Britannica dictionary, a World Atlas and cash prizes. Virtually the same prize list will be available this year.

Each County Champion receives an engraved plaque and a gold pen. Each County Junior Champion is given a trophy and silver pen during the intermission at the Regional Bee (but there is no regional con-

test between the juniors; they are merely guests for the annual Spelling Bee luncheon held in the Amarillo Club).

In the school contests, each winner receives a Paper-Mate pen, encribed "School Champion" and a blue and gold ribbon likewise imprinted. Each school junior winner receives a red and gold ribbon trophy. Each student who entered the Bee receives a ribbon trophy also.

The National Spelling Bee, sponsored by newspapers throughout the 50 States, is in its 38th year. High Plains champions have placed fairly high in the contests, but none has won the national crown.
