Post Office Building Getting Improvements

The Quitaque Post Office is rapidly taking on a "new look" as extensive work is being done on the building inside and out.

Building owner Pete Rice is having the remodeling done and it will add much to the appearance of that part of the town.

A very attractive new glass and aluminum front is almost completed, which includes a 5-ft. aluminum awning to go along with the new windows and doors. The sidewalk has been repaired and slicked up also.

A new refrigerated air conditioning system and central heating has been installed. The ceiling will be lowered and when all the work has been completed, Quitaque will have a very attractive post office.

Down on the other end of town the old Quitaque One-Stop building front has also been remodeled by owner J. B. Baird. The building has a new glass and aluminum front along with a new paint job and is now a very attractive place of business and it now houses Vance's Mobil Service. Vance Robison moved to the new location from his former location in the east part of town. In addition to the service station, Vance and his wife, Freda are installing a line of Army surplus items, fishing gear, Boy Scout gear, tools and other items and invite everyone to come by and see their stock, which will be added to all along.

Their advertisement appears on the pages of The Tribune again this week.

April 1, Deadline For 1966 Wheat Program Signup

Friday, April 1, 1966 is the last day growers may file applications to take part in the 1966 voluntary wheat program, Louie Kitchens, Chairman, Agricultural Stabilization & Conservation Briscoe County Committee, has announced. Signing up is the first step in qualifying for any of the program benefits, including price support.

Farmers who sign up and then carry out the provisions of the 1966 voluntary wheat program will be able to get domestic marketing certificates in addition to price-support loans and purchases for their wheat crop.

On the "domestic" part of the projected production, the support available through loans and certificates will be at 100 percent of parity as of the beginning of the marketing year — July 1, 1966. (The Feb. 4, 1966, wheat parity was \$2.53 per bushel).

In view of the famine conditions which have developed in various parts of the world, the 1966 wheat program has been amended and it no longer offers spring wheat growers payments on additional voluntary diversion below allotments.

While the payments will still be available for winter wheat growers who have already planted crops with the diversion in mind, these growers are encouraged wherever possible not to reduce their acreage below the farm allotment during the present signup period. Instead, such wheat farmers who are also eligible as feed grain growers are encouraged to participate fully in the feed grain program. Feed grain stocks continue to be more than sufficient.

P-TA Sponsoring 42 Tournament

A 42 Tournament will be held in the school lunchroom next Tuesday night, April 5, beginning at 7:30. The party is sponsored by the Quitaque P-TA and funds realized from the tournament will go to the P-TA project fund for this year. Admission to the tournament will be 50 cents per person.

If you like to play 42, you are cordially invited and urged to attend the party. If you do not play or are unable to attend the party, and are interested in the P-TA and your school system, then you can help by buying tickets to the tournament. Your help is needed and you can have fun helping.

Mr. and Mrs. Elmer Berryhill, Becky and Randy drove to Bailey, Texas Thursday of last week to visit his mother, Mrs. Elmer Berryhill, Sr. Randy went fishing on Lake Tawakoni while there. They returned home Sunday.

Mr. and Mrs. Jack Cheatham took six youth to Turkey Friday night to attend the Wayland Band week-end revival. Those attending were Roland Hamilton, Rhonda Rogers, Kay Cochran, Kay Turbyfill, Billie Sue and Jackie Lou Cheatham.

Mr. and Mrs. A. C. Barrett and Mr. and Mrs. Buddy Morris visited Otis Wilson in the hospital at Matador Sunday.

Mr. and Mrs. Eldon Lyles and Don of Clarendon visited Mr. and Mrs. Buddy Morris Saturday. The Lyles and Melinda were guests for lunch with Mr. and Mrs. James Brunson Saturday.

FORMER PASTOR AND FAMILY VISIT HERE LAST WEEKEND

The Rev. Roy Davidson and his family of Lorenzo spent the past weekend here. He is a former pastor here. On Friday evening Mr. and Mrs. O. R. Stark, Jr. were host and hostess for a dinner in their honor. Those attending were Mr. and Mrs. Orlin Stark, Mr. and Mrs. Ross Herrington and family and the Davidsons. The Rev. Davidson spoke at both services at the local Baptist Church on Sunday. Following the morning service, a buffet luncheon was served at the church and fellowship enjoyed by members of the church with the visitors. During the evening hour the Davidsons showed slides that were taken during the ceremonies of their appointment as missionaries to Africa. A recording of each of their testimonies of their conversion and call as missionaries, which was given before the Missionary Board was also presented on a tape recording. Mrs. Davidson gave a personal testimony and told of some of the work they will participate in when they arrive in Africa.

Mrs. O. R. Stark and Lisa Herrington took the Davidsons to Roscoe Monday where they visited relatives. Roy spoke at the Southwestern Baptist Seminary on Wednesday of this week. The Davidsons will leave April 13 for their missionary field in Malawi, Africa.

Mrs. Stark and Lisa spent Monday night in Sweetwater at the home of her parents, Mr. and Mrs. Louie Hartgraves. Lisa spent the night with Lisa Hartgraves, daughter of Mr. and Mrs. Brice Hartgraves, Mrs.'s brother and his wife. They returned home Tuesday morning.

FORMER RESIDENT WAS BURIED HERE SATURDAY

Mrs. Zack Collier of Estelline, a former resident of Quitaque, was buried here Saturday afternoon. Mrs. Collier's maiden name was Annie Thurman. Those attending graveside rites here were Mrs. Bill Woods, Mrs. J. W. Ewing, Mr. and Mrs. Ray Persons, Mr. and Mrs. Sid Bogan, Mrs. Gladys Wise, and Mr. and Mrs. Richard Lanham.

RENAY RICE BREAKS FOOT

Renay Rice suffered two broken bones in his left foot last Thursday in the baseball game between Quitaque High and Plainview.

Renay had been pitching and had switched to playing in the third base position and was attempting a put-out when the Plainview player sat on Renay's foot, causing the injury.

The Rev. and Mrs. Lester Statser of Espanola, N. M. visited with their daughter, the Rev. and Mrs. Cecil Rice and her family, Wednesday of last week. They were enroute of Amarillo where the Rev. Statser was to perform a marriage ceremony.

Mrs. Gene Berry of Tulia spent most of last week with Mrs. Gladys Wise.

Mother J. N. Hamilton of Plainview and her daughter, Mrs. George Setliff of Turkey, visited Mr. and Mrs. N. V. Hamilton one day last week.

Cotton Growers Reminded Of 1966 Signup Deadline

Cotton farm operators were reminded of the deadline for signing up to take part in the 1966 upland cotton program.

The last day for filing a program application is Friday, April 1, 1966.

Louie Kitchens, Chairman, Agricultural Stabilization and Conservation Briscoe County Committee, emphasizes the importance of signing before the deadline. Program benefits include diversion payments and price support payments in addition to the regular cotton price support loan. But all the program benefits, including the cotton loan, will be available only to farmers who sign up and then carry out the intentions indicated in the application.

Cotton farmers on the larger farms take part in the program by reducing their cotton plantings by at least 12.5 percent below the farm's effective allotment and meeting other program provisions. As much as 35 percent of the allotment may be diverted for payment.

Growers on small farms (with allotments not over 10 acres or with a projected production of 3,600 pounds or less) will receive payment without having to reduce plantings. If the operator chooses to reduce the acreage on such a farm, an additional diversion payment will be made on the acres actually diverted at the level signed up.

Through March 25, cotton growers in Briscoe County had signed up to divert 6383.0 acres from cotton production under the 1966 cotton program.

If the grower wished, he may request half of the estimated diversion payment to be made in advance at the time of the signup or as soon thereafter as possible. The rest of the diversion payment and the price-support payment will be made later after program performance has been determined.

Rates Increases Announced For Postal Services

Price increases in money orders, insurance, registry, certified mail and C.O.D. rates became effective March 26, Postmaster Jarrell Rice announced today.

The cost of operating these five special services now exceeds revenues by \$60 million annually. The fee increases will narrow the cost-revenue gap by \$36 million, based on business handled in Fiscal Year 1965.

Fees for money orders, registry and C. O. D. were last changed in 1961; insurance and certified mail in 1957.

The increases include:

Money Order Fees:
Domestic and international money order fees will be increased by 5 cents.

Insurance Fees:
The minimum fee bracket will be increased from \$10 to \$15 and the minimum fee will be 20 cents instead of 10 cents.

The revised insurance fees will be as follows:

\$ 0.01-\$ 15	20 cents
\$ 15.01-\$ 50	30 cents
\$ 50.01-\$100	40 cents
\$100.01-\$150	50 cents
\$150.01-\$200	60 cents

Registry Fees:
The present 60 cents and 75 cents fees will be combined into a single fee at 75 cents for values up to \$100. Registry fees for articles valued in excess of \$100 will remain unchanged.

C. O. D. Fees:
The present 40 cents and 50 cents fee brackets will be combined into one fee bracket at 6 cents for amounts up to \$10. There will be no change in the fees covering items valued above \$10.

Certified Mail:
The fee will be increased 10 cents from the present 20 cents per item to 30 cents.

Losses incurred in the operation of special services are paid from funds drawn from the Federal Treasury. The fee increases will shift a substantial portion of the special service cost borne by the public to the users of these services.

Mrs. Lawrence Bedwell and Mrs. Birt Lane, Patti Beth and David, all of Plainview, visited Tuesday with their mother and grandmother, Mrs. W. E. Morrison.

Mrs. James May spent a few days last week in Dimmitt visiting her sister and her husband, Mr. and Mrs. Ed Whitehorn. The Whitehorns had recently bought a new home and Mrs. May went to help her sister move in and get things in place. Mr. and Mrs. Whitehorn came by Sunday morning and Mrs. May accompanied them to Estelline to visit the ladies' parents, Mr. and Mrs. J. W. Lutts.

Mr. and Mrs. Bill Holt of Alamosa, Colo. arrived Thursday of last week to spend the week-end with their daughter, Mrs. Duke Woods and her family.

The Rev. Mrs. Cecil Rice, Renay Rice and Randy Evans drove to Matador last Tuesday to attend a fellowship meeting. Renay went before a committee for Exhorters License to become a minister. It is the first step taken in the Assembly of God Church in becoming a minister.

Mr. and Mrs. Orlin Stark and Mrs. J. W. Ewing were in Plainview Monday morning for medical checkups.

Two Elections Up For Local Voters

Sick Report -

Otis Wilson was admitted to the hospital in Matador on Wednesday of last week, where he remained until Tuesday of this week. Mr. and Mrs. Morris Wilson visited him several times while he was there. Several couples visited Mr. Wilson Sunday. He reports that he is feeling good and glad to be home again.

Mrs. W. J. Carter was admitted Medical Center at Plainview Thursday of last week, suffering with a bad case of shingles. Mrs. Ralph Carter took her to the doctor and spent the night with her. Mr. and Mrs. Clyde Monk of Muleshoe visited Mrs. Carter Friday. Mr. and Mrs. Boone McCracken, Mr. and Mrs. Ralph Carter and W. J. Carter visited with her on Sunday.

Guy Hammons of Flomot, brother of Mrs. Mack Truelock, spent several days in the Lockney General Hospital, then was transferred to Northwest Texas Hospital in Amarillo on Wednesday of last week. His condition was reported to be serious. He is in Room 145 on the 7th floor and cards from friends would be most welcome.

Mr. and Mrs. Sid Bogan were in Plainview Monday where Mrs. Bogan had an adjustment on the cast on her arm.

Johnny Brummett returned home from the hospital in Am-Thursday of last week. His wife reports he is improving.

Mr. and Mrs. Jimmy Davidson, Jimmy Don and Jon David, and Mrs. W. W. Woods spent the week-end downstate, driving down Friday and visiting in Fort Worth and Joshua. They drove to Burleson Saturday morning and picked up Jimmy's grandmother, Mrs. H. K. Davidson and took her to Joshua to the home of her daughter and husband, Mr. and Mrs. W. A. Reeves. They drove to Love Field, Dallas, Sunday, to meet Mrs. G. W. Hamilton, who arrived from California after visiting out there since last August. She had visited two daughters, Mrs. Preston Sanders and Mrs. Andy Anderson in Sunnyvale. It took Mrs. Hamilton longer to come from Dallas to Quitaque than it took her to fly from California to Dallas. The Davidsons stopped in Arlington for a short visit with Mr. and Mrs. John Fulton and boys.

INTERSCHOLASTIC LEAGUE MEET BEGINS FRIDAY AFTERNOON

The district volleyball tournament will be played Friday at Turkey.

The Quitaque girls will meet Estelline in the first round at 4 o'clock and the boys will play Matador at 4:45.

This year for track this district was combined with the district to the south for track purposes, and the track meet will be held at Jayton provided their track is completed in time. Otherwise, the track meet will be held at Dalou on Thursday and Friday of next week.

The first election of the year for voters of Quitaque will be held Saturday, April 2nd when two School Board members will be elected.

The terms of Ray Doyle Ramsey and Bill Griffin expire this month and they are once again candidates for election.

In addition to the two incumbents, two more residents of the school district filed as candidates for spots on the Board of Trustees.

They are Buster Chadwick, owner of Quitaque Auto Parts, and Jimmy Davidson, cashier at First National Bank.

Voting will be at the Quitaque High school building and the polls will be open from 8 a. m. until 7 p. m.

All qualified voters of the Quitaque ISD are urged to go to the polls Saturday and vote for the two men of their choice. Taking care of the business of the school system is an important and serious task and residents of the school district should take an active part in the affairs—he can do this by going to the polls and voting for the candidate which he considers best qualified for the task.

Deadline Nears For 1966 Feed Grain Program

Growers were reminded today that April 1 is the day for filing applications to take part in the 1966 feed grain program.

Louie Kitchens, Chairman, Agricultural Stabilization and Conservation of the Briscoe County Committee, points out that only growers who participate in the program will be eligible for price support on their 1966 crops of corn, barley, and grain sorghums. As last year, the support is made available through loans, purchase, and price-support payments.

Besides qualifying for price-support loans, purchases, and payments, the participating growers also earn a diversion payment for shifting part of his feed grain base to a conserving use; the payment does not apply to the first 20 percent diversion except on farms with small bases. The price-support payments may be earned on the projected production from an acreage up to 50 percent of the total feed grain base for the farm by planting one or more of the feed grains corn, grain sorghums, or barley, or by planting soybeans in lieu of a feed grain.

The Chairman urges farmers who are interested in taking part in this year's feed grain program to call at the Briscoe ASCS County office as soon as possible, since April 1, 1966 is the deadline.

Through March 25, growers in Briscoe County have signed up to divert 5338.0 acres for payment under the 1966 Feed Grain Program.

Department of Agriculture officials are stressing the continued need for full participation in the 1966 feed grain program. Feed grain stocks remain more than sufficient.

Feed grain program applications may be filed at the ASCS office any day Monday through Friday. Office hours are 8:00 a. m. to 5:00 p. m. Signup deadline is Friday, April 1, 1966.

The second election for local residents will take place next Tuesday, April 5 when voters will elect a Mayor and two Councilmen.

Pete Rice, who was appointed to the office of Mayor to fill out the term of the late Alton Johnson, is a candidate for the office of Mayor and he is unopposed on the official ballot.

At least one new City Councilman will be elected since Mayor Rice was a member of the City Council and left a vacancy when he was appointed as Mayor.

Joe Bedwell, present member of the City Council, is a candidate for reelection.

Two new names appear on the ballot this year. Jake Merrell, owner of Merrell Grocery and Joe David Payne, who operates Dick's Barber Shop is the other candidate for this important post.

Voters are urged to go to the polls Tuesday and cast a vote for their favorite candidates. The voting place is at City Hall, and voting hours are from 8 a. m. until 7 p. m.

Mr. and Mrs. A. B. Ramsey and family spent the weekend in Amarillo with Mr. and Mrs. Glynn Barrett and family.

QHS BASEBALL TEAM WINS FIRST GAME IN TIL PLAY

Quitaque High School's first baseball team is being plagued by injuries, already playing without two of the squad members, nevertheless won its first game of the season Tuesday at Silverton, defeating the Silverton Owls 10-8. Incidentally, it was also the first baseball game ever won by a Quitaque High team, since this year is the first time the school has ever fielded a baseball team in Interscholastic league play.

Last Thursday the Panthers played the Plainview High B team and lost that one 3-2 in a very good contest. Renay Rice, the only experienced man on the squad, was lost for the season when he suffered two broken bones in his foot late in the game. Renay played baseball in Espanola, N. M. before coming to Quitaque last summer to make his home here. Rex Harmon suffered a severe sprain of one of his ankles during a workout before playing a game.

Gano Wilson, baseball coach, has only a 14-man squad and with two of them out with injuries, the team is shorthanded. However, the coaches are well pleased with the performance of the rookie team and with some more actual game experience, the Panthers could become a good baseball team.

The district baseball playoff is scheduled to begin two weeks.

Members of the Panther baseball team and their positions are as follows:

Darrell Payne, catcher; Renay Rice, pitcher and lost for the season due to injury; Bobby Cochran, first base; Pablo Leal, second base; Roland Hamilton, third base; Lyn Payne, short stop - pitcher; Johnny Pointer, center field; Jimmy Monk, center field; Jimmy Pointer, right field; Billy Jack Loudermilk, Verland Rice, Dwight Ramsey, Earl Lee Woods and Rex Harmon.

Mr. and Mrs. Fulton Gregg of Silverton visited his sister, Mrs. J. W. Ewing Friday.

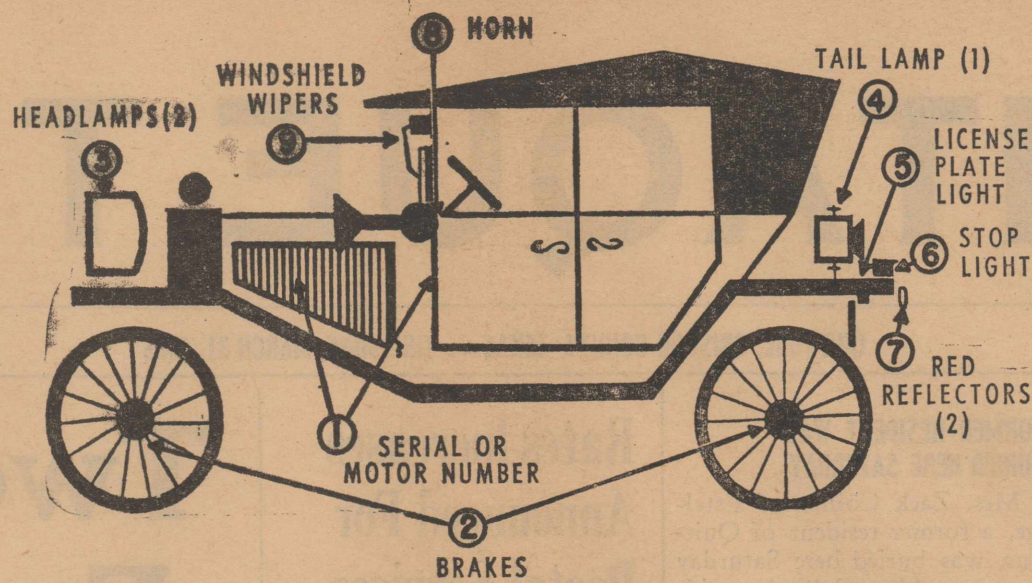

Mrs. Bill Lindeman and her sister-in-law of Plainview visited Mrs. Lindeman's uncle and aunt, Mr. and Mrs. Buddy Morris, Friday. Mrs. Lindeman was in Quitaque to give The Tribune a picture and a writeup concerning her parents' Golden Wedding anniversary celebration to be observed at the Methodist Church here Sunday. Her parents are Mr. and Mrs. Arthur Gregg of Amarillo, one-time residents of this community.

Mrs. Sid Bogan was hostess for a coffee Friday morning to a group of local ladies who work downtown. Those present to enjoy the occasion were Myrtice Gillespie, Mrs. Clarence Barrett, Mrs. Morris Wilson, and Mrs. Leon McCracken. Mr. and Mrs. Bogan have just recently completed some remodeling on their home.

CONGRESSMAN WALTER ROGERS' WASHINGTON REPORT

OUR GROWING AMERICA
Some people in the Government are contending that areas of the United States primarily

rural in character are not developing as rapidly as are metropolitan areas, where it is alleged standards are continually rising. On the face of it, there are grounds to challenge any contention that metropolitan standards are rising. Some of the same people who make the same comparison say, in the next breath, that the cities are falling apart at the seams and that the quality of urban life has never been so low. The attitudes of American citizens would seem to support this latter view. A recent national

opinion poll showed that while only one-third of Americans live in rural areas, nearly half of all Americans would prefer to live in small towns or on farms.

At any rate, it is recognized by everyone that the years ahead are to bring a rapid increase in U. S. population, and that by 1975 this country will have some 225 million citizens. It is obvious that crowding more millions into the already congested cities, which now face very serious problems of transportation, education, and air pollution, among others, is not a desirable solution for the future.

Broader opportunities need to be developed in every corner of America, in small towns and large, in rural areas as in urban. Business leaders and men in public life at all levels recognize this, and policies public and private are being developed to encourage more diversified growth. Several bills are before the 89th Congress aimed at promoting rural development. Among them is the proposal entitled the "Community Development District Act of 1966." Deliberations have not yet begun on this measure by the Agriculture Committees of the House and Senate but are expected to begin shortly. The measure would provide for "Community Development Districts" to be established to plan and coordinate area-wide development of facilities and services. Whether this legislation will be generally supported in Congress and the country remains to be seen, but it points up the fact that thought is being given to the future.

We in the Panhandle have a story to tell about the area development—and the pattern we can show could well be studied and imitated elsewhere. Blessed with abundant resources and excellent soils and climate, the people of the Panhandle have been able to put together in a relatively short period of time a unified economic base offering a broad

range of opportunities in agriculture and industry. As further strides are made in developing the Panhandle's agricultural potential as well as its mineral resources, we are going to witness a steady upward curve in population in our towns and on the land and an increasingly larger choice of vocations to attract Panhandle young people who wish, after graduation from high school or college, to make their permanent homes in their native area.

I have "talked up" the Panhandle to business and industrial leaders for years, as have many of you. I am convinced that American business is becoming more and more aware of the advantages of diversifying operations. We have seen some of this in the Panhandle and we will see more as the

men—men in private enterprise—who make these decisions recognize the reserve of skilled, willing, enthusiastic men and women. Business and industry have a stake in halting the trend to crowd the already crowded urban centers of the country and are looking for opportunities to move out. Areas like the Panhandle will be the beneficiaries.

Meanwhile, we must continue our efforts to see that the agricultural economy is strengthened and that opportunities on the farm are not neglected. The root strength of America is still in the soil.

ENGAGEMENT ANNOUNCED

Chlonez Woods

Mr. and Mrs. W. W. Woods of Quitaque announce the engagement and approaching marriage of their daughter, Chlonez, to James Thomas Starkey, son of Mr. and Mrs. Grady Starkey of Quitaque.

Vows will be exchanged Saturday, May 28 at 6:00 P. M. in the First Baptist Church in Quitaque.

The bride-to-be is a 1963 graduate of Quitaque High School and of McBride's School of Hair Design. She is presently

employed at Lolita Belle's Beauty Shoppe.

The prospective bridegroom is a 1962 graduate of Quitaque High and of Clarendon Junior College. He is presently a senior at Texas Technological College in Lubbock.

Mr. and Mrs. H. G. Boyles and family of Silverton visited his mother, Mrs. Willie Lou Boyles Sunday night. Mrs. Dud Watters of Silverton visited her mother Thursday of last week.

Mr. and Mrs. Bud Bailey and Janet spent Tuesday and Tuesday night with their daughter and sister, Mrs. Joel Wassom and her family at Boys Ranch. They stopped in Amarillo and visited Mr. and Mrs. H. J. Bailey, and again Wednesday as they were returning home. They drove home by way of Plainview, where they visited Charlene Bailey at Wayland, and also visited Mr. and Mrs. T. J. Reeves. Mrs. Bailey and Janet drove back to Plainview Friday and Charlene returned home with them to spend the weekend.

Mrs. N. G. Smith of Plainview visited her daughter, Mrs. James Kimbell and Mr. Kimbell for awhile Monday.

Arthur Greegs To Observe 50th Wedding Anniversary, Sunday

The 50th Wedding Anniversary of Mr. and Mrs. Arthur A. Greeg, 1223 N. Woodland St. Amarillo, will be observed Sunday, April 3, with a reception at the Methodist Church Fellowship Hall in Quitaque. Children, grandchildren and greatchildren will host the reception in the afternoon from

2:30 to 5 o'clock, and all friends are cordially invited to attend.

The children are Mrs. W. O. (Alyce) Lindemann of Plainview; Odell Gregg, Tulia; Odis Gregg, Houston; Bill Gregg, Green Forest, Arkansas; Mrs. B. J. (Zonelle) Milton, Oklahoma City. All children plan to be present for the celebration. Grandchildren are Mr. and Mrs. Kenneth Lindeman, Lovington, N. M.; Greg and Margaret Ann Milton, Oklahoma City; Don, Anita and Janet Gregg of Greenforest, Ark.; Great-grandchildren are Timothy and Teri Lindemann of Lovington, N. M.

Mrs. Gregg is the former Rosa Morris, daughter of the late Mr. and Mrs. M. A. (Mam) Morris of Briscoe Co. She was born at Thurber, Tex. on July 16, 1896 and came to Briscoe County as a small girl.

Mr. Greeg was born Dec. 6, 1894 to the late Mr. and Mrs. W. S. Greeg, early settlers, in a half-dugout where the first election and the county of Briscoe was organized in 1890, 2 1/2 miles south of the town of Quitaque.

Mr. Greeg drove a freight wagon as a young man from Quitaque to Memphis-Estelline and Lockney, hauling supplies to merchants and settlers of the Quitaque area.

Mr. and Mrs. Greeg were married at Quitaque April 2, 1916 at the home of the bride's parents by the Rev. Leonard Black, Methodist pastor.

Mr. and Mrs. Greeg recall the winter being especially warm and an abundance of rain during the fall and winter giving early flowers in spite of the April date. The flower garden provided a setting for the wedding ceremony, which was attended by a sizeable crowd.

Mr. Greeg rode horseback to Silverton, the county seat, for the marriage license.

After their marriage, Mr. Greeg was engaged in farming. He took his bride to a 14x16 ft. one-room house where they lived for one year, then moved to a larger house and lived there until 1920, when they moved to Canyon. They farmed there until 1927, then moved to Silverton where 4 of their 5 children finished high school. Mr. Greeg worked as a cement contractor and farmed for a number of years. They lived in the Kaffir community northwest of Tulia for a few years before moving to Amarillo, their present home.

Mr. Greeg retired in 1960.

CARD OF THANKS
We want to thank all of our friends and neighbors who helped us in any way while I was in the hospital. We want to thank the neighbors who plowed the land, took care of the daily chores, for the cards, letters and the visits, and any way we were remembered while we were away and since our return home. May God bless each of you is our prayer. Mr. & Mrs. Johnny Brummett

CARD OF THANKS
We are at home and feeling very well. We are thankful to every one that visited us or sent cards while we were in the hospital.

COUNTY AGENT ADVISES THAT FARMERS PLANT GOOD SEED

As spring and planting time roll around once again, County Extension Agent Leon Grosdier reminds, "No crop can be better than the seed planted. Low priced seed is often low quality seed."

There are many varieties of each crop, and they differ in yielding ability and other characteristics, so it's important to select the best variety for the Briscoe County area.

All seed offered for sale must have a Texas Tested Seed Label attached, except when one farmer sells to another and when the selling farmer does not advertise outside his home county or ship by a common carrier.

THE QUITAQUE TRIBUNE — THURSDAY, MARCH 31, 1966

Good seed of corn, oats, wheat, cotton, barley, rice and sorghum should contain at least 98.5 percent pure seed. Good seed seldom has more than 1.5 percent inert material.

Buying certified seed is the best guarantee of varietal purity. Certified seed must meet a certain standard of perfection and should be the best seed of a particular variety available.

To be certified, each bag of Texas certified seed must have the blue certification tag and

the small tin seal of the State of Texas attached. If these are not attached, the seed is not certified.

It's especially wise to buy seed from a reliable retailer or seed producer who stands behind the product he has for sale.

A final note: watch out for "miracle varieties" that often appear on the scene.
