The Pantherettes were not too sharp at times Tuesday night and may have been guilty of looking ahead to a game that will not be played—that one against Vega Friday night at Regional. Vega was probably caught looking ahead to Quitaque and as a result they were ushered to sidelines by Happy in bi-district play. Vega is the team the Pantherettes beat 48-46 in the finals last year at Canyon.

FERTILIZER Demand for fertilizer is high and because wet fields have caused delays in getting plant food

The best way to be sure you have the right type and amount of fertilizer when you need it is to get it on order now or even perhaps better, in the barn. And if you need spreader or applicator equipment. better get an order in early for its use. Once fields are dry enough to permit use of the equipment, it map be hard to come by.

If fertilizer is purchased in bags. here are a couple of storage tips. Be sure to give it room to breathe by leaving an air space between each stack of bags. Always store fertilizer in a dry place. Don't place bags on a dirt or concrete floor because they will pick up moisture and get lumpy and caked up. It isn't a good idea to stack fertilizer more than eight bags
