The Valley Rest Hotel in Quitaque suffered considerable fire and smoke damage Monday night around 9:30. The damage was mostly in the back half of the first floor of the hotel, which is owned by Mr. and Mrs. Blue Brown.

It was believed that a water heater was the cause of the fire. Mr. Brown stated that he believed, in a quick estimate, that damages would run around \$3000. Ebb Auson, working around the First National Bank at the time, discovered the fire and turned in the alarm, which was quickly answered by the Quitaque Fire Department and the blaze was quickly brought under control.

An oncoming car also hit the car but condition of occupants were unknown at this time. Mrs. Contreras took her husband to Hall County Hospital where he remains with serious neck and back injuries.

He is survived by his parents, Jimmy and Annie Hendrix of Quitaque; one brother, Lawrence; one sister, J'Vona; grandparents, Mr. and Mrs. Cecil Hendrix of Quitaque and a grandmother, Mrs. Ona Holloway of Lubbock.

Register For Adult Basic Education

Wilburn Leeper, director of Adult Basic Education for the Valley Schools, announces that registration for adult basic education classes will be held at 8:00 p.m. Monday at the Valley School Cafeteria. Classes are open to all persons who want to work toward a G.E.D. Certificate. The G.E.D. certificate is equivalent to a high school diploma and is awarded after the student passes the G.E.D. Test.

The classes will include work on every level from beginning math and English up to review and preparation for the G.E.D.

Classes are offered free and students may enroll at what ever class level meets their needs. Those in need of this program are encouraged to attend.

Detailed information can be obtained by calling Wilburn Leeper, director, Adult Basic Education, Valley School.

Mrs. Jonnie Franz had Mr. and Mrs. Dewey Franz of Killeen, Texas as guests in her home Sunday.

QUITAQUE BAPTISTS REPRESENTED AT LOCKNEY CONVALESCENT HOME

A small group drove to Lockney Sunday to bring the gospel and singing to our elderly and sick folk in Lockney Convalescent Home. Those attending were Rev. Milo Jurik, Mrs. A. C. Barrett, Mrs. Leon McCracken, Mrs. J. E. Chandler and Mrs. Cora Gragson.

To Begin Revival

The Mt. Olive Baptist Church of Turkey will begin its revival on Monday, September 16, with Pastor Bean of Roaring Springs bringing the messages each night, Monday through Friday. Services will close on Sunday, the 22nd, at 3:00 p.m.

Mr. and Mrs. Euman Lyles and Joe spent last weekend in Dell City, Texas with Mr. and Mrs. C. Warren, parents of Mrs. Lyles. On Sunday, September 1, the five children of the Warrens were hosts at a reception for Mr. and Mrs. Vernon on the occasion of their fiftieth wedding anniversary.

The third time was not the charm, but the same song, third verse at Chillicothe last Friday night in the season opener for both teams as the Eagles won 13-6.

As was the case in the first two games between the Eagles and Patriots, the Valley team took an early lead and held it at half-time. However, the home team scored a couple of times in the second half to pull off the victory. Scotty Setliff scored the Patriots' only touchdown on a 2-yard scamper.

Coach Bill Hulsey, commenting on the game, said that he was very pleased with the Patriots defense, and in keeping the Eagles' three speedsters from breaking for the long gainers. However, the offense

of the Patriots left something to be desired, as the statistics were well in favor of the winners.

Coach Hulsey pointed out Smitty Lane as the top defensive hand for the Patriots with Pepper Jones right up close to Smitty on defense. Randy Green probably showed up best on offense, according to the coach.

Coach Hulsey said that the team had had two very good workouts this week in prepping for the Silvertown Owls, who will come to Turkey Friday night to do battle with the Patriots. Silvertown took a 14-12 win over the Kress Kangaroos last Friday night. The Patriots scrimmaged Kress earlier this year and fans who witnessed the scrimmage felt that the Patriots would have won had the two teams been playing an actual game, so Friday night's tussle should be a good one. The Patriots, as usual, will give away some weight advantage in most spots, to the Owls, although the Owls have only one 200-pounder. This is an old rivalry, however, between Quitaque - Turkey and Silvertown and usually the teams put on a good show. Last year, however, the Owls romped on the Patriots. This one figures to be a better game and fans are urged to be on hand to root for the Patriots. This crew of Patriots, as has been the previous two, are scrappers, and they will battle to the final whistle and deserve the support of all fans. See you there!

Chapel Choir Elects Officers

The officers for the new year in Chapel Choir were elected Sunday afternoon. They are: Eva Cheatham, president; Kim Ham, secretary-treasurer, Lisa Herrington and Scott Leeper, librarians.

Chapel Choir meets every Sunday at 6:00 p.m. and every youth from the Seventh Grade age up is invited to attend.

VALLEY SENIOR GIRLS TO HAVE CONCESSION STANDS AT FOOTBALL GAMES

The Valley Senior girls will have charge of the concession stands at the football games here this year, according to Mrs. Jack Cheatham. Mothers will help the girls at the games, Mrs. Cheatham said, and if any mother has not been contacted as yet and would like to help in the stands, contact Mrs. Cheatham. No donation of food is wanted. There will only be eight home games for the three teams.

Mrs. Cheatham said that a full schedule for the women to help at each game is not worked out as yet but for Friday night's game with Silvertown the following ladies are asked to help at the stands: Myra Brown, Mary Loury, Jean Cathey, Ann Coker, Dorothy Fullbright and Zella Leeper.

Proceeds from the stands will go to the Senior Class to help with various activities.

Mrs. Bertie Pyatt had Bill and Melba Shipp of Lubbock as guests in her home over Labor Day weekend.

Turkey Lions Have Players as Guests

The Turkey Lions Club met at Lane's Restaurant September 9, at 7:00 p.m. with fourteen members. Guests of the club were Smitty Lane and Randy Green, two of our fine senior football players. Coach Hulsey introduced the guests and gave a report on the Chillicothe ballgame.

Lion George Setliff gave a report on the District Cabinet meeting at Canyon.

The Halloween candy sale is set for October 14 and 15, with Jay Eudy and Arville Setliff in charge. Next Flag Day is October 14 with Dennis Denton and U. F. Coker in charge.

Mr. and Mrs. Lynn Payne of Clarendon stopped by to visit the Leroy Hamiltons Saturday afternoon.

VALLEY JUNIOR HIGH PATRIOTS—The Valley Junior High Patriots got sweet revenge last Thursday night along with some interest when they drove over to Clarendon, saddled the Bronchos and rode them to a 30-0 victory to

avenge the last loss on the Patriots record last year. Although the Tribune was unable to get an eye-witness writeup of the game, fans who saw the game reported that the winner looked real sharp, and they also predicted that the

Valley outfit would continue its winning ways. Squad members in the above photo are: bottom row, left to right are Bruce Setliff, Scott Leeper, Vance Price, Greg Ramsey, Terry Brittain, Rodney Carpenter, Shane Parsley and Lar-

ry Farley. Top row, l. to r., Joe Jeff Crump, Otis Holman, Kenny Chandler, Kenneth Helms, Dargell Dowd, Kirk Patrick, Dane Cheatham. The Valley JH teams drove up to Floydada Tuesday night of this

week to play a pair of games, only to find that Floydada was in another town playing. So, a mixup in the scheduling. Thursday night of next week, September 19, the young Patriots will go up to Silvertown to tangle with the Owls, beginning at 7:30.

COUPLE WEDS IN FLOMOT

Miss Kay Turbyfill became the

bride of Charles Dunn in a double ring ceremony at 2:00 p.m. Saturday, August 31, in the First Baptist Church at Flomot. The Rev. Gene Richardson, minister of the United Methodist Church of Tucumcari, New Mexico, officiated.

The bride wore a formal length gown of white silk organza, designed with empire waist, ringed neckline and full bishop sleeves. The neckline and cuffs of the sleeves were trimmed with wide scalloped, sequined lace, beginning on each shoulder, down each side, almost to the hemline, encircling the

entire skirt. The detachable train was also embellished with the wide scalloped, sequined lace down the center. A row of tiny self self-covered buttons marched down the center back, ending with a double flat sweetheart bow at center back. The chapel length veil of silk illusion was edged in wide scalloped Chantilly lace and was held in place by a Juliet cap of lace topped with a narrow flat white satin bow.

The bride carried a bouquet of miniature red and white rosebuds mingled with white baby's breath. For something old she carried a pair of miniature scissors belonging to her grandmother. She wore a traditional blue garter and a new penny in her shoe.

Dyana Patterson of Amarillo served as maid of honor. The bridesmaids were Pam Cox of Amarillo and Sue Richardson of Lubbock. They wore formal length gowns of red and white checked gingham trimmed with white eyelet embroidery and carried bouquets of red roses and white baby's breath.

John Dunn, brother of the groom, was best man. The groomsmen were Bill Turbyfill, brother of the bride, and Ron Futrell. Randy Hunter and Ron Futrell served as ushers.

The bride is the daughter of Mr. and Mrs. John Speer of Flomot. She graduated from Flomot High School in 1969 and has resided in Amarillo for the past four years where she was an employee with Levi Strauss.

The groom is the son of Mr. and Mrs. C. E. Dunn of Tucumcari and is a graduate of Clarendon Junior College and a recent honor graduate of Dallas School of Mortuary Science.

The couple will be at home in Tucumcari following a wedding trip.

Musical selections were furnished by Mrs. Stanley Degan, pianist, who accompanied David and Anita Hunter as they sang "A Wedding Song."

Mrs. Terry Sperry registered the many friends and relatives who attended. Susan and Anita Hunter served at the reception which followed the ceremony.

Reddy's consumer tips on ... lighting

Edison's light bulb has come a long way since it first lit up the night in 1879; today, lighting is such a natural part of our lives we hardly give it a thought. But the fact is, the more choice we have in how we can use light, the more attention we should pay to how we buy and use light bulbs and lighting fixtures. Put a little more light in your life by following Reddy's money-saving, energy-conserving lighting tips:

CARE FOR LIGHTING EQUIPMENT

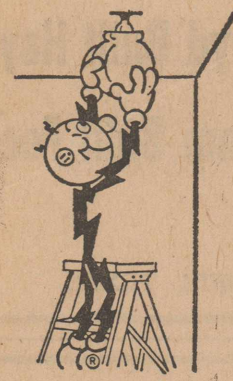

Dust and dirt alone cause substantial losses in the amount of light produced. Systematic cleaning is important. Clean lamp bulbs (when they are cool) with a damp cloth.

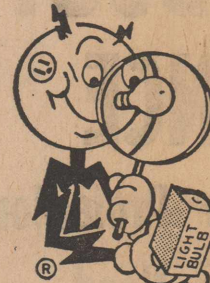

Check frequently for defective cords or plugs. Replace or repair them immediately if they are faulty.

LESS IS MORE

Generally, you'll get more light for your money if you use the least amount of bulbs that give the light you need. For instance, one 100-watt bulb gives more light than three 40-watt bulbs—and costs about one-third less to buy and replace.

READ THE LABEL

Speaking of "lumens," you'll find that all light bulbs have three ratings on their packaging. Lumens tell you what the light output or performance of the bulb is. "Watts" tell you how much electricity is needed to produce that light, and "bulb life" is the estimated length of time it will take the filament inside the bulb to burn out. When brightness is more important than bulb life—for reading, studying or working—choose the "standard" life bulb that gives you the most lumens for its wattage.

Remember, Reddy supplies the energy, but only you can use it wisely!
