FOSTER WHALEY

Whaley Announces For State Office

Foster Whaley of Pampa was in Briscoe County recently, and authorized the local newspaper to print the announcement of his candidacy for State Representative in the 66th Legislative District of Texas.

A native of St. Jo, Texas, he was born March 23, 1920. He finished high school at St. Jo and served in World War II under General George S. Patton and received the Bronze Star and Purple Heart.

He finished Texas A&M University as a distinguished student in 1949, and received several awards during the years he served as County Agricultural Agent. His writings have been published in many national publications. One of his publications on hedging of live beef cattle has been reprinted numerous times. In 1967 he was named by a national conservative magazine, "Farm Technology," as one of the top ten County Extension Agents in the nation.

He made the following statement: "I am today formally announcing my candidacy for the position of State Representative of the 66th District of Texas subject to the Democratic Primary scheduled for May 2, 1978. This district comprises nine rural counties—Armstrong, Briscoe, Childress, Collingsworth, Donley, Floyd, Hall, Motley, and Wheeler—and one highly industrialized county—Gray.

"To properly represent this diverse and large district, a person must have a unique background. The person should be familiar with the problems and opportunities facing today's modern agriculture. At present I own and operate farm and ranch land in Armstrong, Carson, and Gray counties. I feel that gives me a basic knowledge of agriculture. But, I feel my past experience while serving in the Extension Service would be of much greater help in carrying out the responsibilities as State Representative.

"Serving as County Agricultural Agent in Armstrong County from 1953 to 1960, I helped organize a thirty-six-man committee that resulted in that county having the most complete rural dial telephone system in Texas. In a joint effort with the people of the Fairview Community, we organized a community improvement program west of Claude and the community was named first in the state in community improvement in 1955.

"During my tenure as county agent of Gray County, 1960-1976, I assisted the 4-H adult leaders in a fund-raising project for the purpose of building a state 4-H Center. Gray County was the first county in the state to deposit their quota of \$5500 in the state 4-H Foundation.

"Working with the expanding feed-lot industry, I have gained valuable experience by assisting hundreds of cattle-feeders in the hedging process. I have presented

Quitaque Fire Dept. And EMT's Kept Busy This Week

At approximately two o'clock Friday morning, the Quitaque Fire Department was called to the Paymaster Gin to extinguish a fire in the burrs. The Turkey and Silverton Fire Departments were called in for assistance. Luckily, the fire was confined to the loss of burrs, trash, some seed, and the major loss was a burr truck. The fire was fanned by high winds Friday, and the firemen were called back to the gin between 9:30 and 10:00 a. m. to help extinguish it again.

The winds laid later in the evening Friday, and the fire was finally brought under control about 6 p. m. according to manager, Terry Sperry.

Thursday afternoon at approximately two o'clock, fire broke out at the North Gin in Turkey with 137 bales of cotton and 27 trailers burning. The Quitaque Fire Department was called to assist in extinguishing that fire. According to reports, the fire was brought under control about 6 p. m. but several trailers of cotton continued to burn throughout the next day. There has been no determination dollar-wise released at this time.

This is the first season for B. J. and Billie Robison at the North Gin. They were formerly with the Turkey Farmers Co-op Gin for 21 years.

Quitaque EMT's Sid Parsley, Jimmy Davidson and Elgin Conner took the Quitaque ambulance Monday night, meeting Mr. and Mrs. Truman Merrell on the road south of Quitaque, and transported Truman to Central Plains Hospital in Plainview. Truman thought he was suffering pain from indigestion, but his wife became alarmed at his continued pain and called the ambulance. He was to undergo a series of tests Tuesday to determine his illness.

Mr. and Mrs. Grady Tyler, Mrs. Jimmy Davidson and Joe Edd Smith accompanied Mrs. Merrell to the hospital Monday night.

Christmas Open House

Mr. and Mrs. Jack House of Turkey were hosts to a Christmas open house at their home located south of Turkey on Highway 70. The festivities followed Sunday night church services at 7:30 p. m. at the House farm home with guests calling between the hours of 7:30 and 10:00 p. m. Approximately 105 guests registered.

Their daughters, Katy and Michelle, were serving the guests from a beautifully decorated table with a large Christmas centerpiece flanked by tall red tapers. The home was decorated with a traditional Christmas tree, with candles and greenery completing the decorations throughout the house.

The couple were assisted in their host duties by their children, Mr. and Mrs. Denny Fuston, Mike and Lesia of Panhandle and Mr. and Mrs. Claud Robison, Jody and Billy.

A number of close friends also assisted with the refreshments. They were Mrs. James Fuston, Mrs. Rick Fuston, Mrs. Ray Beryl Calvert, Mrs. Eugene Fuston, Mrs. Johnny Peery and Mrs. Laverne Barnhill.

ley girls will play Alamo Catholic at 8:00 a.m. Thursday at the Amarillo College Gym. The Valley boys will play Groom High at 2 p. m. Thursday at the Amarillo College girls gym. The winner of the Alamo-Valley game will meet the winner of Groom-Suway and that game will be at 2 p. m. Friday. The game will be played in the Civic Center. The winner of the Valley-Groom boys game will play at 4 p. m. Friday at the Amarillo College gym.

May this Christmas bring all the best for you and your family and follow you thru the new year.
