LEADERSHIP

first political race in 1974 for U.S. Congressman of the vast 21st District. The politicians gave him no chance. The people elected him. And re-elected him by one of the widest margins in Texas political history. Once in Washington he quickly emerged as a new national leader and was voted the Most Effective Freshman Congressman.

Bob Krueger, since 1973, has called himself an "Independent Democrat," independent of power politics and narrow partisanship. He listens to every viewpoint. Then he votes, not just for what is politically popular but for what is best for the people of our state and nation.

Whether advocating a strong national defense, better health care, less governmental interference in our daily lives, more fiscal responsibility, a strong agriculture or a sound and productive energy program—when Bob Krueger takes a stand he is a tough, intelligent fighter for his beliefs.

The people of Texas need more than just a vote in the U.S. Senate—we need a strong, independent voice of leadership. With your help Bob Krueger can be that leader for Texas.

Bob Krueger is a candidate for the United States Senate, and he is no newcomer when it comes to meeting the challenge of an important task.

Deeply rooted family ties in his home town of New Braunfels instilled in him a strong sense of integrity, a respect for hard work, the unique strength of our free enterprise system and a concern for helping others develop their full potential.

After successful careers in higher education, ranching and business, Krueger entered his
