

New Labor Regulation To Affect Ag Youth

Agricultural producers who rely on hand harvesting of short season crops should know about a proposed federal regulation that would allow the hiring of 10- and 11-year old youth for this work, announces Dr. Gary S. Nelson, a safety engineer with the Texas Agricultural Extension Service.

Presently, as a result of a 1974 amendment to the Fair Labor Standards Act, minors under 12 years of age may only be employed for non-hazardous work with written parental consent and only on farms where the employees do not come under federal minimum wage provisions. This means a farm having less than 500 mandays of agricultural labor during any quarter during the preceding calendar year.

The proposed regulation provides for a waiver to permit the employment of 10- and 11-year-old youth in agriculture as hand-harvesters of short season crops on larger farms under certain conditions, points out Nelson. Youth hired under the waiver must be employed during non-school hours and must commute daily from their permanent residences.

Each waiver application must include signed statements by the employer, employees, county Extension agents, officials of the state employment service, and other knowledgeable individuals regarding substantiation of the following provisions of the waiver application:

1. Such agricultural operation "is customarily and generally recognized as being paid on a piece rate basis in the region in which such individuals would be employed."

2. The "industry of such employer has (prior to the 1974 restrictions) traditionally and substantial-

ly employed individuals under 12 years of age without displacing substantial job opportunities for individuals over 16 years of age."

3. The crop to be harvested is one with a "particularly short harvesting season," normally within a four-week period, in the particular region in which the waiver will be applicable.

4. The 12-year minimum age prescribed since 1974 has and would cause "severe economic disruption in the industry of the employer applying for the waiver."

5. Neither the type of "employment" nor the level and type of pesticides and other chemicals used "would have a harmful effect on the health and well-being of the employed minors."

6. Individuals age 12 and above are not available for such employment.

Nelson cautions that this regulation is only a proposed regulation at this time. Comments, pro or con, regarding the proposal are invited from producers and other interested persons and should be mailed by May 4 to Lucille C. Pinkett, Wage and Hour Division, Room S3022, New DOL Building, 200 Constitution Avenue NW, Washington, D. C. 20210. For further information call 202 523-8412.

Mr. and Mrs. Lee Maupin of House, New Mexico, Mrs. Jewel Tucker of Portales, New Mexico, and Mrs. Donna Mann and children of Clarendon were visitors in the home of Mr. and Mrs. Michie Maupin.

John Lane of Turkey is a patient at St. Anthony's Hospital in Amarillo. Since last week he has been in serious condition, and he expected to undergo surgery this week for a heart blockage.

Visitors in the home of Mr. and Mrs. Carl Baker for the weekend were Roy Brock of Amarillo and Carl's sisters, Mr. and Mrs. R. B. Stephens of Amarillo and Mrs. Margaret Snowden of Memphis. Mr. Stephens served as one of the judges for the fiddling contest.

Mr. and Mrs. O. H. Majors, Mr. and Mrs. Dale Jones and Mrs. Hoot Ellis of Lubbock visited with Mrs. W. A. Majors in Turkey over the weekend.

Visiting in the home of Mr. and Mrs. Johnny Peery were her niece, Kim Doss, and her friend, Mandy Hughes, Amarillo; Karen Ziegler and Rebecca Reid, Silverton.

Pd. Pol Adv. by Phyllis Dunn, Memphis

All this glory from one tiny seed! The sunflower towers taller than a man, its huge golden head filled with thousands of seeds . . . and every seed contains the mystery of life and growth that science cannot explain.

We are surrounded by miracles that man did not create. Who created them? Who created us? By the reasoning powers of our own marvelous minds we can be guided to see that God the Creator has made all things according to His plan, and that we can only achieve our highest development by living in harmony with it.

How can we know God's will for us? We need only a small seed of faith, for He will lead us in His way if we ask Him . . . and that seed will grow and flourish under His loving care.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Roger Brunson of Quitaque was taken to Central Plains Hospital in Plainview by Quitaque Ambulance Service about four o'clock Monday morning.

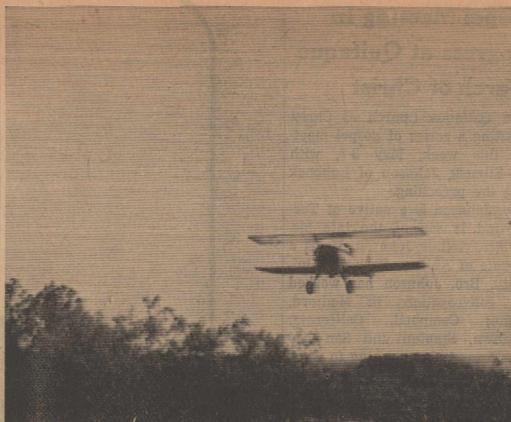

The Valley Tribune received a renewal from Mrs. Monty (Edna) McCoy of Phoenix, Arizona and she sends regards to all her friends in the Quitaque and Tur-

key area. She says she is saddened by the death of an old friend and classmate, Gus Eudy.

Mr. and Mrs. Buster Qualls of Albuquerque, New Mexico stopped in the Tribune Friday to visit Gaston Owens (he was not here at the time). Mr. Qualls stated that he was a former resident of Estelline, Turkey and Quitaque. He

had recently been in Dean Purcell's place of business in Albuquerque and saw The Tribune. He and his wife were enroute to Turkey for Bob Wills Day.

Mrs. Olga Gafford and Marlane, Mrs. Deanne Dennis and girls, Mr. and Mrs. Ladd Gafford, all of Spearman, visited in the Doyle Proctor and Dean Lane homes over the weekend.

Aerial spraying time is here again for the control of mesquite and sand sagebrush, according to Charles Wade, Range Conservationist with the Soil Conservation Service in Memphis. This year it looks like May 5-15 will be the only time available to spray due to the early cutoff date. Resting the pasture for a minimum of 90 consecutive days following spraying is a must if any range improvement is to be made, Wade said. Several farmers and ranchers are planning to spray their brush and rest their pastures this year. They will receive cost share assistance through the Great Plains Conservation Program administered by the Soil Conservation Service.

Houston.

Rod Setliff, son of Mr. and Mrs. Arville Setliff of Turkey, has returned to Turkey for a visit with his parents after completing 10 months of training in Hobbs, New Mexico.

Rod will leave Turkey for Spain Wednesday of this week. He will be working for Halliburton Oil Service Company which is the largest oil service company in the world. He will be stationed in Madrid and commute back and forth to Libya. He will be an operation engineer for two years.

Visitors in the Arville Setliff home over the weekend were all their sons. Those who joined Rod in Turkey were Mr. and Mrs. Alton Setliff and son, Aaron, of El

Paso; Scotty Setliff, Levelland; Kenny Setliff and a friend, Relda Straine, Canyon, and Mr. and Mrs. Bud Richardson of Purcell, Oklahoma. The Richardson's daughter, Karla, and son, Shane, of Amarillo joined her parents here in the Setliff home.

Susie Hulsey, 13-year-old daughter of Mr. and Mrs. Loyd Hulsey of Hereford, former residents of Quitaque, was one of the contestants in the Amarillo Spelling Bee. She placed 14th out of 47 contestants.

Susie is also the granddaughter of Mrs. Mildred Hulsey of Quitaque and the late George Hulsey.

Thank you

for your continued support and confidence. Please remember to vote - Saturday, May 6.

A State Income Tax. A Hangman's Noose For Texas.

If you think taxes are choking you now, consider the possibility of a State income tax. It would be a noose around your neck. Around the neck of every Texan. And around the future of Texas.

A vote for John Hill is a vote for:

- bigger government.
- more government spending.
- more inflation.

AND FOR A STATE INCOME TAX.

A vote for Dolph Briscoe is a vote for:

- fiscal responsibility
- less — not more — government.
- continued economic growth.

AND FOR NO NEW TAXES.

- We don't need New York-style government in Texas.
- We don't need Washington-style bureaucracy in Texas.
- And we don't need a big spending liberal activist as Governor of Texas.

LET'S KEEP DOLPH BRISCOE AS OUR GOVERNOR.

"We are already footing the bill for run-away government in Washington. As Texans we should not have to foot the bill for run-away government in Austin.

"I don't think Texas should spend itself into a state income tax. That is exactly what will happen if Mr. Hill fulfills only some of his political promises."

Governor Dolph Briscoe

JOAN TURNER

JILL EUDY

Misses Turner And Eudy To Present Recital

Miss Joan Turner and Miss Jill Eudy, students of Mrs. Ross Herrington, will present a Senior Piano and Organ Recital Sunday, May 7, at 3:00 p.m. in the United Methodist Church in Turkey. There will be a reception following.

Miss Turner is the 18-year-old daughter of Mr. and Mrs. Jan Turner. She has taken music for nine years and is a member of the National Fraternity of Student Musicians.

Miss Eudy is the 18-year-old daughter of Mr. and Mrs. Jay Eudy. She has taken music for nine years and is a member of the National Fraternity of Student Musicians.

The young ladies will present selections in classical, popular, country-western and gospel.

The girls will present individual selections plus piano duets and piano-organ duets. The public is invited to attend.

Piano Students Of Mrs. Herrington Drive To Memphis For Auditions

Twenty-seven Valley students from the class of Mrs. Ross Herrington journeyed to Memphis Thursday and Friday, April 27-28, to participate in the National Guild of Piano Teachers auditions. There are 80,000 piano pupils, from coast to coast, participating in this event annually.

Mrs. Clay Bennett was the judge. Students performed four to ten pieces, all by memory. The students playing ten memorized pieces included Melissa Maupin, Cindy Griffin, Dana Ramsey, Angela Eudy, Melody Cruse, Karen Ramsey, Stachia Chadwick, Iva June Johnson, Joe Morrison and D'Vonna Smith.

Other students playing in the auditions were Ronda Leeper, Criss Morrison, D'Anna Smith, Kaylene Green, Jill Eudy, Linda Coker, Bena Patrick, Carl Morrison, Lacy Price, Jeff Fuston, Sandi Lipscomb, Colvin Morrison, Robin Myers, Lori Clay, Michelle Robertson, Lisa Herrington and Judy Morrison.

One outstanding event of this year's Guild was that Judy Morrison, the mother of Cari, Criss and Colvin, herself performed with high grades, along with her children. Grades of all students were

90 or above. The judge remarked that she had judged auditions all over Texas and Oklahoma previously, and that Cindy Griffin, making 99%, was the highest grade she had ever given.

All students who performed received a pin, a diploma and a report card. They were all registered as members of the National Fraternity of Student Musicians.

QUITAQUE METHODIST WOMEN MEET FOR STUDY

The WSCS of the Quitaque Methodist Church met Monday, May 1, in the home of Mrs. Thelma Loving. After a business meeting, Mrs. Sid Parsley finished a review of Women of the Bible.

In the business meeting, it was voted to change the meeting time to 8:00 p.m.

Everyone is asked to remember the Barbecue Saturday, May 6, from 6:00 to 8:00 p.m. (If you come in late to vote, plan to eat with the Methodist ladies.)

Frosted cokes were served to six members.

The next meeting will be in the home of Mrs. Jimmy Davidson on Monday, May 15.

Gospel Meeting In Progress at Quitaque Church of Christ

The Quitaque Church of Christ is hosting a series of gospel meetings this week, May 3-7, with Bro. Ellmore Johnson of Lubbock doing the preaching.

Bro. Johnson is a native of Turkey, and is son of the late Mr. and Mrs. Arthur Johnson. He is a graduate of Abilene Christian University. Bro. Johnson has worked with congregations in Medford, Oregon; Campbell, California; Robstown, Stanton and San Angelo, Texas before moving to work with the Quaker Avenue Church of Christ in Lubbock. While in Stanton, he also taught school and served as principal for several years. In San Angelo, Johnson taught in the San Angelo Bible College. He is a very knowledgeable and capable teacher of the scriptures.

Your time would be well spent to come and listen to his messages from the Bible. Weeknight services will be at 8:00 p.m. with a singing and ice cream fellowship planned for Friday night after preaching. Sunday worship services will be at the regular time: 10:30 a.m. and 6:00 p.m. Lunch is planned at the Community Center at noon on Sunday. Everyone is invited to attend any or all of these activities.

New Image Shaping Up For Downtown Turkey

A new image is shaping up in Turkey for a western look for the fronts of businesses in the downtown area. The beginning of the change came when Mrs. Byron (Sybil) Young when she redecorated her building for her new business, "The Cotton Patch." A sloping awning with a shingled roof was installed on the front of her building overhanging the window.

The next improvement for Turkey was the Turkey Implement with the same type of awning, adding a western look with the addition of a unique corral-type fence accented with cactus plants and the area rocked with big gyp rocks spaced at random at the entrance to their shop area.

The third front improved is the drug store with a western porch awning installed on the front of this building by the owners, Mr. and Mrs. Jack Barnhill.

These fronts were completed for Bob Wills Day, and hopefully, there will be more by next Bob Wills Day.

GREAT-GRANDDAUGHTER OF THE BUDDY MORRISSES WINS FIRST PLACE

Kristi King, daughter of Mr. and Mrs. Ray Don King of Seminole and great-granddaughter of Mr. and Mrs. Buddy Morris of Quitaque, won first place in the 660-yard run to help the seventh grade girls track team net 61 points and third place in the standings in the Brownfield track meet last Friday. She was also a participant in the 1320 relay.

Saturday is a very exciting day for the Conrad family!

Your support and your vote on Saturday, May 6 is earnestly solicited and will be appreciated very much.

BOB WILLS DAY HELD SATURDAY IN TURKEY

Saturday, April 29, 1978, the Seventh Annual Bob Wills Day Celebration got underway in Turkey at 10:30 a.m. with a big parade. The welcome banner, sponsored by the parade committee, was carried by Todd Mills, Randy Lacy and Randy Fuston, followed by the flag bearers, Bruce Ferguson and Leckie Fuston.

Grand Marshall of the parade was Cindy Wills James, daughter of Bob Wills. She was riding in a 1978 Corvette furnished by Grabbe-Simpson Chevrolet-Oldsmobile. The car is the official Indianapolis 500 pace car. It will be a collector's item in a short time, cost projected to be \$75,000.

Judges for the parade were Mr. and Mrs. Denny Fuston of Panhandle, Mr. and Mrs. Riley Harris of Silverton, W. E. Helms of Childress, Earl Patrick of Quitaque and Melvin Bramlet of Plainview. Mrs. Don (Pat) House was chairperson in charge of the group.

The winners over some 40 entries in the parade were Valley FFA, first; the San Antonio Rose float sponsored by the Bob Wills dance committee, second; and the Peoples State Bank float decorated in pink and blue with Rebecca Reid of Silverton riding the float dressed in a white western suit and pink hat, third place.

The FFA boys had put some 100 hours of work into readying these antique tractors for the parade. The traditional San Antonio Rose float was ridden by Rondalyn Crump.

The winners in the riding clubs division of the parade were Lub-

bock Saddle Club, first; Lamb County Sheriffs Posse, with approximately 15 riders, second, and Charro Riding Club of Plainview, third.

Another float that caught attention was the Bob Wills Queen float sponsored by the 24 members of Alpha Rho Chi chapter of Beta Sigma Phi. The Bob Wills Queen, Melissa Greenhaw, daughter of Mr. and Mrs. Mabry Greenhaw of Silverton, was on the float along with Lezey Wofford of Lockney, first runner-up; Doris Tucker of Amherst, second runner-up; Leslie Pigg of Quitaque, Miss Congeniality, and Melanie Huffman of Memphis, a finalist.

The parade was ended by the Turkey Fire Truck driven by Fire Chief Byron Young. Riding in the final entry was Betty Wills Sheets of Alvarado.

At the noon hour, barbecue was served to a crowd of 5,000 people, followed in the afternoon by Hoyle Nix, western swing band leader, playing an open air concert to a hand-clapping crowd. Nix, 60, made his first appearance at this festival honoring the "King of Western Swing" in 1973—the last year Wills appeared. Nix played a bright blue fiddle and led his six-piece western band in a two-hour performance. He first performed with Wills at the Stampede, a club in Nix's home town, Big Spring, in 1952.

Nix often echoed Wills' famous "Ah-ha!" as his son, Jody, sang lead vocals and played drums.

Jody Nix was among the musicians who played on Bob Wills'

last album, "For the Last Time." He said he considers it a "great honor" to have performed on that album with Wills.

Following the program by Nix's band, a group of South Plains College students presented a program on the history of country music, and included a set of numbers made famous by Wills.

As the band played "Faded Love," Dr. Townsend, the West Texas State University professor who chronicled Bob Wills' life, commented on Wills.

"Bob never played country music," Townsend said. "He recorded 'Faded Love' to make fun of Nashville. When it came out, he said he had never been to Nashville, but it became a big hit."

While the afternoon's performances were going on outdoors under sunny skies, a fiddlers' contest was going on in the auditorium of the Bob Wills Center.

Dale Marsh of Decatur won first in the contest, Bartow Riley of Childress was second and David Cunningham of Paducah placed third.

Other winners were Merle David of Odessa, fourth; Wilborn Turpin, Lubbock, fifth; Ray David, Clarendon, sixth; Wes Nivens, Truth or Consequences, New Mexico, seventh; Rickie Turpin of Lubbock, eighth; Rodney Smith, Waynoka, Oklahoma, ninth, and Rick Greiner of Amarillo, tenth.

Twenty fiddlers performed in the contest, the largest in the festival's history.

Farmers Union News

by Buck Blakney

We were honored Bob Wills Day with about an hour's visit with Congressman Jack Hightower. The Congressman and Lee McMurtry, his assistant from Amarillo, rode in the parade. They did not stay for lunch because the Congressman had to return to Amarillo. The Congressman stated we would have a compromise farm bill out the last of this week, with a loan or floor on cotton at 48c per pound.

We were also honored with a visit by Senator Ray Farabee who won the Farmers Union Senator of the Year award in his freshman year. He was accompanied by William Bentson, area resource developer, Tulia, Canyon, Friona, Quitaque and Turkey.

TO THE VOTERS OF PRECINCT 2

I would like to remind the voters That Saturday Is Election Day. I have tried to see every eligible Voter In Precinct 2.

Thanks for the support and Cooperation you have given me in the past. I feel I am experienced, willing and capable for the job.

Again, I would like to ask for your vote and support in the election to be held on May 6.

Thanks,
Orval Cobb
Pd. Pol. Adv. by Orval Cobb

development specialist. Mr. Bentson has guided Turkey in our town development program.

The Senator and Mr. Bentson spent about six hours in Turkey and seemed to enjoy every minute of their time. Mr. Bentson took slides of just about everybody and everything in Turkey. He wants to come back in about two months and show these slides.

Mrs. Larry Farley and children, April and Cory, of Amarillo spent last week with the Wendell Farleys. Larry came for his family Friday and spent the weekend here, returning them home with him Sunday.

Mrs. Frances Martin of Portales, New Mexico spent from Friday until Monday with her sister, Mrs. E. S. Stockton. Others joining them Sunday were the Orb Paynes and Freddie Stockton of Estelline and the Cecil Reagans.

Health Systems Plan Adopted For 1978-79

The Panhandle Health Systems Agency has adopted the first Panhandle Health Systems Plan for Health Service Area I and the Annual Implementation Plan 1978-79. The Panhandle Health Systems plan and the annual implementation plan 1978-79 are being placed in all community libraries throughout the Panhandle.

The Panhandle Health Systems Agency has worked with health professionals, community leaders, and interested persons over the last 18 months to develop comprehensive health plans and strategies. The HSP and AIP represent local planning efforts to help improve and promote local health systems.

The Panhandle Health System's plan is a five-year long-range study which describes and evaluates the health of area residents and the health care delivery system which serves them. The plan will be used to help develop and implement programs, projects, and plans that will help improve the health of residents in the 25-county area. The first health systems plan

looks closely at health education and information, prevention, cancer and heart disease, infant mortality, mental health, and recruitment of primary care professionals.

The annual implementation plan 1978-79 is an annual action plan which draws from the goals and objectives of the health systems plan those programs and activities the community wishes to see achieved during the coming year. The annual implementation plan objectives will be undertaken by many health professionals, organizations, and agencies in this area. It is hoped that the successful implementation of these objectives will help reduce the number of health concerns in our area and help to improve and maintain a healthful environment.

The HSP and the AIP are also available by contacting the Panhandle Health Systems Agency offices in the Amarillo Building, Suite 730, Third and Polk, Amarillo, Texas 79105. For more information call 806 372-3381.

Clyde Patterson, brother of Mrs. J. A. McKay of Quitaque, is in a hospital in Wichita Falls suffering with double pneumonia. His wife called Mr. and Mrs. McKay early Sunday morning and gave them the report.

County Highway To Be Extended

Work in Briscoe County is included in the 1978 Texas Farm to Market Road Program approved by the State Highway and Public Transportation Commission recently.

The work includes construction of a farm to market road to provide improved access to the Lake Mackenzie area. The Childress District is in charge of the portion of road to be constructed in Briscoe County which extends from the Swisher County Line East 2.1 miles to State Highway 207. The road will be approximately four miles south of FM 146. The new road will have a 20' wide asphalt surface. Estimated cost of the two mile section of new road in Briscoe County is \$131,000. The portion of the new road in Swisher County will be supervised by the Lubbock District.

Statewide, the program totals \$20.9 million for construction on 387.7 miles of Farm and Ranch to Market Roads in Texas.

The 1978 Texas Farm to Market Program includes 80.1 miles of new construction and funds for completion and the further development of the remaining miles. In all, the program includes 127 projects in all sections of the state.

The Texas Farm to Market road network has been called one of the most sophisticated secondary road networks in the world. The all-paved system now extends more than 41,000 miles.

It has been cooperatively developed between the state and the counties. Projects are selected in consultation with county commissioners courts. The counties are responsible for providing all the right of way for FM roads, while the state provides for construction

Neta Landry, Kathy Landry and Patricia Price of Amarillo visited in the home of Mr. and Mrs. Joe Hill over the weekend.

Diek Shepherd and son, Frank, of Channing, another son, Red, of Amarillo and Sam Elliott of Amarillo were guests in the home of Mrs. Frankie Bell and Cody over the weekend.

Mr. and Mrs. Jack Fields and daughter, Nancy, and Miss Karen Eady of Fritch visited their parents over the weekend. Nancy remained this week to visit with her grandparents, Mr. and Mrs. Tom

and maintenance.

In addition to providing routes for the movement of agricultural production to market and the distribution of goods and supplies needed by farmers and ranchers, many FM roads provide access to industrial plants and serve as rural mail routes and school bus routes.

In addition, much of the system also serves as recreational roads, providing access to lakes and other recreational areas.

Eady.

Mrs. Floyce Hanna prepared a delicious birthday dinner for her husband last Sunday, and the Make Hannas, their daughter, Glenda, her children, J. Dale and Carrie, were in Hereford for the weekend to assist with the honors. Sunday, Mr. and Mrs. Dane Ballew and Mrs. Donny Miller and children, Michelle and Cory, of Amarillo, daughters and grandchildren of the Floyce Hannas came and enjoyed the day.

Visitors in the home of Mrs. Ruth Ware for the weekend were Mr. and Mrs. J. V. Mohon of Whitney and their children, Mr. and Mrs. Roy Chitty of Stephenville, Mr. and Mrs. Vickie Mohon and girls of Hurst; Mr. and Mrs. Jess Meacham of Amarillo and their children, Joe Burton of Los Alamos, New Mexico and Pam Meacham of Albuquerque; and Ruth's daughter and children, Mr. and Mrs. Doyle Purcell and their daughter, Mr. and Mrs. Lewis Vaughn of Stinnett, and another daughter, Mrs. Hoyt Key and children of Fritch.

Memorial Day Is Appropriate Time To Give Gift Of Life

Mrs. Peggy Fleming, Memorial Chairman for the Briscoe County Unit of the American Cancer Society reminds all Silverton residents that Memorial Day is an especially appropriate time to give a Gift of Life in memory of a loved one.

Mr. and Mrs. Wesley Woods of Plainview spent the weekend with the Buster Chadwicks and the Carl Woods.

Mrs. Buster Chadwick and Mrs. Guy Smith were in Lubbock on business Saturday.

Memorial gifts to the American Cancer Society support programs of research to find a cure for cancer, public and professional education, and services for cancer patients and their families.

Contributions made in memory of a friend or a member of the family are acknowledged by the American Cancer Society, and a memorial card is sent to the family stating that a memorial gift has been received and giving the name of the donor. The contributions may be in any amount and should be sent to Mrs. Peggy Fleming, Box 98, Silverton, Texas 79257.

John Hill Opposes State Income Tax

When he announced for Governor, Attorney General John Hill said that he would oppose — and would veto — a state income tax or any other new tax bill. He has repeated that pledge many times since. Anyone who says that Hill would support a state income tax is just trying to mislead the public.

As Attorney General, John Hill cleaned up political corruption in Duval County, sued the phone company to stop an increase in rates and worked for a national energy policy that would be fair to Texas.

As Governor, John Hill will use the state's budget surplus to reduce property taxes and to help pay more of the cost of our public schools. There will be no state income tax and no other new taxes if Hill is elected Governor.

JOHN HILL
GOVERNOR

Paid for by the John Hill Campaign Fund, Lowell Lebermann, Treasurer, 1035 Brown Bldg., Austin, Tx. 78701. Phone (512) 478-6489.

PRICE DANIEL, JR FOR ATTORNEY GENERAL

A PROVEN LEADER. QUALIFIED BY EDUCATION, EXPERIENCE, INDEPENDENCE AND INTEGRITY TO SERVE AS LAWYER FOR THE PEOPLE OF TEXAS.

LEADERSHIP

As Speaker of the Texas House of Representatives, Price Daniel, Jr. led the successful effort to achieve reforms in State government after the Sharpstown scandals. This resulted in the strongest and most effective legislation in the nation on:

- Governmental ethics and personal financial disclosure by public officials
- Campaign finance disclosure
- Open meetings of governmental bodies
- Lobby control and regulation
- Freedom of information and open records.

Price Daniel, Jr., a proven leader with a positive record of achievement for Texas.

THE FLOWER SHOP

Will be moving May 6 to next door.

I will then have a telephone in the building.

(Don't forget, May 14, is Mother's Day)

WE ARE PROUD TO ANNOUNCE

Fred Brannon will now be operating our Silverton office.

Fred says to drop by for a cup of coffee, Coke, or just for a chat.

In the field, we have a team of as qualified personnel as is available anywhere:

Rick Fangman, our entomologist, is highly qualified, highly experienced in this field.

Rick Kellison is probably as well versed on soils and fertilizer needs as anyone in the area.

Jim Martin is also highly qualified in soils, fertilizers and herbicide work.

Ralph Pedigo, our pilot, is a very capable man in the aerial spraying business.

Bill Evans will also be available to serve you. He has many years experience in all phases of ag chemicals and fertilizers.

Just let Fred know if we can be of service to you in any way and we will have a man in touch with you immediately to assist you with any problem you have.

We have all types of farm chemicals, aerial and ground application, Na-Churs Liquid Fertilizer, Anhydrous Ammonia, and other liquid blends will be available soon.

We have the following seed available:

NCT, Funk's, Pioneer, PAG, Taylor-Evans (Golden Acres), Brownie, Coffee Seeds.

Call on Fred at the office, across the street from the International house, or call collect to Lockney.

"I'm around and also available but I am not an expert at anything!"

"LET'S KEEP THE GOVERNMENT (At All Levels) OUT OF THE CATTLE BUSINESS" SAYS

FOSTER WHALEY

Democratic Candidate For State Representative

MATURITY OF JUDGMENT
A PROVEN RECORD OF ACCOMPLISHMENTS

FOSTER WHALEY as County Agricultural Agent used his boots on a couple of bureaucrats; one tried to close down a cotton gin, the other tried to sell compulsory soil and water conservation to the local soil conservation district.

FOSTER WHALEY was the first to alert Texas' major farm organizations of this statewide effort. He wrote the resolution for his local farm organization's opposing compulsory soil and water conservation.

IN THE PEN ABOVE, Foster Whaley hedged the first cattle ever hedged in Gray County, and among the first ever hedged south of the Canadian River. He then taught this technique to thousands of feed lot managers, cattle feeders, farmers and 4-H members. Many 4-H Members attended college on profits earned from his help.

FOSTER WHALEY, as State Representative, will continue to boot any bureaucrat in State Government who gets over zealous in regulating our industries, organizations and agriculture.

Vote For A Record Not A Promise
Foster Whaley, Democratic Candidate
For State Representative

Subject to the May 6th Democratic Primary

Paid Political Adv. by Foster Whaley, Route 1, Pampa

Mr. and Mrs. Dale Wilks of White Settlement near Fort Worth visited in the home of her father, Preston Jouett.

Mrs. Jeanett Judd and son, Jason, of Amarillo visited Sunday with her parents, Mr. and Mrs. Boyd Lane.

Wayne Pinkerton of Cottonwood, Arizona and Morris Pinkerton of Las Vegas, Arizona attended the Bob Wills Celebration and visited with Mr. and Mrs. Dale Garner and other friends while in Turkey for the weekend.

Danny Mayfield of Clarendon College and a friend spent Saturday night with the John Kings.

contribution to the development and growth of the industry and has been especially valuable in the vertical integration that has occurred in the SPS service area, concluded Thomas.

Survey Shows Cattle Being Fed In Near Peak Numbers

According to Sam Thomas, manager of agriculture development for Southwestern Public Service Company, 4,373,850 fat cattle were produced in the SPS service area for 1977. This production, revealed in a recent survey conducted by SPS, is the third highest in the history of the industry.

The survey which has been conducted since 1963 is quoted throughout the United States as the most authoritative source as to production of fat cattle in the southern great plains area.

"During the 1977 period, the feedlot capacity came to 2,734,740 head and is barely 10,000 head under the peak year of 1974 when 2,742,250 capacity was in use. This dropped to a low of 2.6 million in 1976 and present indications are that the 1978 year will see a new peak in feedlot capacity use," stated Thomas.

The survey also revealed that the 1978 feedyards doing custom feeding was one less than the preceding year but that this represented the consolidation of reporting yards. The total number of yards surveyed continued to fall with a reduction of six from last year. This too, reflects a consolidation but is the eleventh year it has occurred. There were 274 yards counted in 1967 as compared to 153 in 1978.

"The total impact of the feedyard industry on the business community reached eight billion dollars in 1977," Thomas stated, "and the farm sale value exceeded two billion dollars."

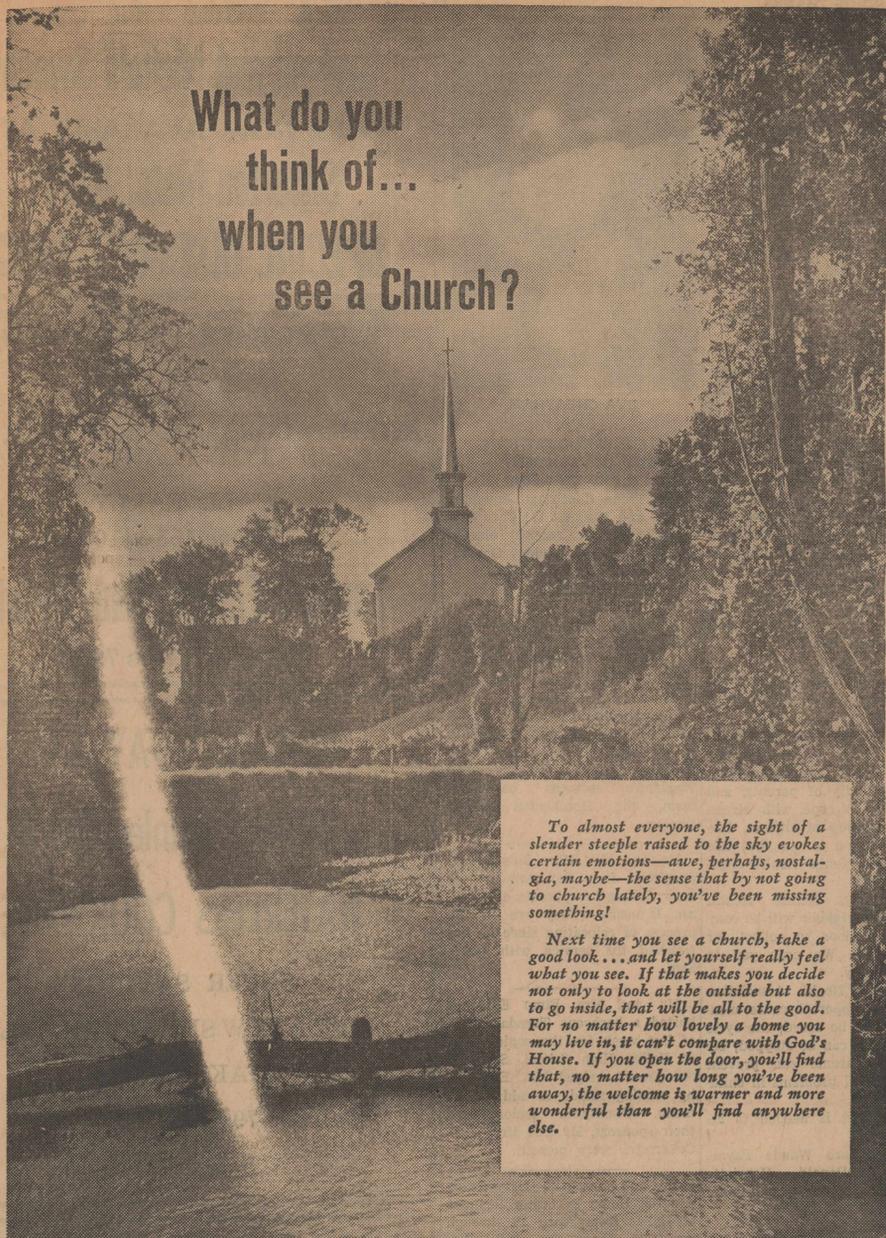

The survey also showed that the packing plant annual slaughter capacity jumped from 4,990,680

to 5.4 million head and the number of plants increased from 17 to 20. Thomas also stated that 589,000 of this capacity is not in use but that this industry has made another estimated eight billion dollar contribution to area business.

"The future of the feedlot industry appears to be the brightest of any period in its history, and this may not be good. Too many people believe this and with great majority acting together adverse reactions can occur. The price being paid for feeder cattle is a case in point," emphasized Thomas.

Eventually the customer must be considered as to what he will do and we could have poor profits along with good prices if the customer refuses to go along with all this enthusiasm, Thomas said.

This survey has made a major

What do you think of... when you see a Church?

To almost everyone, the sight of a slender steeple raised to the sky evokes certain emotions—awe, perhaps, nostalgia, maybe—the sense that by not going to church lately, you've been missing something!

Next time you see a church, take a good look... and let yourself really feel what you see. If that makes you decide not only to look at the outside but also to go inside, that will be all to the good. For no matter how lovely a home you may live in, it can't compare with God's House. If you open the door, you'll find that, no matter how long you've been away, the welcome is warmer and more wonderful than you'll find anywhere else.

Mr. and Mrs. Thomas Self and family

EVA CHEATHAM

MRS. TANT TO BE HONORED AS MOTHER OF THE YEAR

"We the Women" of Quitaque wish to honor Mrs. Gordon (Della) Tant by naming her Mother of the Year.

The community is invited to help congratulate Mrs. Tant. Gifts to honor her have been selected at Rice Dry Goods, Valley Drug and Gifts, Farley's Variety, and the Caprock Home Center. Individual gifts may be left with Delene Tyler at West Texas Utilities Company. All gifts will be delivered on Sunday, May 14, in an attempt to surprise Mrs. Tant on Mother's Day.

BELLRINGERS SELECTED FOR AREA MENTAL HEALTH DRIVE

Today we know that mental illness can be prevented in many cases. We can do this through education, especially of parents, and by learning to cope with stress. There is a group of citizens, like ourselves, trying to see that this happens—the Mental Health Association.

During May, Mental Health Month, your neighbor will be coming to your door to collect for mental health. We urge you to give generously.

The Mental Health Association needs your support because mental illness can be cured; the cycle of child abuse can be stopped; education of parents can prevent some emotional problems in children.

Your support is needed to accomplish this. Bellringers are Wanda Payne, Elizabeth McDonald, Henrietta Scoggins, Gladys Stroup and Janet Turner.

Very truly yours,
Mrs. James F. Bailey, Quitaque
Mrs. Connie Dvorak, Turkey
Mental Health Chairpersons

Mr. and Mrs. Randy Stark of Plainview and Samantha Stark of Canyon were visitors over the weekend with Mr. and Mrs. O. R. Stark, jr.

Mr. and Mrs. L. W. Hamilton spent the weekend visiting Mr. and Mrs. Joe Hamilton in Lubbock.

Mr. and Mrs. Don Weems and daughter of Crosbyton visited the Leroy Hamiltons Saturday afternoon.

Think
I'll turn on the
electricity
and watch T.V.

Sounds strange, doesn't it? No one ever thinks about the role electricity plays in making most of our activities possible. But without it, our lives would come to a virtual standstill.

At West Texas Utilities Company, we don't expect you to think of electricity directly each time you turn on the T.V. or cook dinner or wash clothes. But maybe, every once in a while, you'll think of what it takes to make your life so comfortable.

We've aimed our sights in but one direction, year after year — to meet your needs. You may not always think of us, but we're always thinking of you. Because electricity is such a versatile energy source, it will play an increasingly important role in all our lives.

So, when you think about the comforts and necessities of your life, think about WTU. We're dedicated to providing you with a reliable supply of electricity. We hope you'll use it wisely.

Remember, Reddy supplies the energy, but only you can use it wisely!

Protect yourself from double disaster!

A property loss is bad enough. But having to replace that property with your own savings becomes a **double disaster**. That's why you should eliminate gaps in your insurance program. The best way to do this is with our exclusive **FARM AND RANCH POLICY**.

This policy takes virtually everything you own and tailors it into one convenient protective package... and offers you savings in the bargain!

Your home, garage, furniture and furnishings, clothing and personal possessions can be covered. So can your barns and other buildings, your farm machinery, equipment, livestock, and other farm personal property. In most states, even your cars and vehicles may come under the protective reach of this dynamic approach to the complex insurance needs of farmers and ranchers. Don't delay! Start protecting your financial future by calling us today. We will be pleased to give you the full details without obligation.
