YOUR HOME TOWN PAPER

QUITAQUE CLIPPERS — (left to right, bottom row) Jim Saul, Rex Harmon, Roger Brunson, DeLoey Myers; (top row, left to right) Ron Stewart, Clyde Dudley, Kenny Chandler, Larry Price, Stan Price, Joey Barefield, Danny Mayfield and Coach P. John Monk. Also a member of the team is Jimmy Hendricks (not pictured).

Quitaque Clippers End Season On High Note

The Quitaque Clippers, coached by P. John Monk, ended their season with a third place win out of a 16-team softball tournament played in Quitaque over the weekend.

Randall Robbins Is Vo-Ag Teacher

Randall Robbins, Vocational Agriculture Teacher, has begun his duties at Valley School this summer. Robbins, also known as Randy, graduated from Crane High School in 1969. He did college work at Texas A&M and Texas Tech, receiving his BS degree in Agricultural Economics in 1977.

Jody Robison Breaks Leg

Three-year-old Jody Robison, son of Mr. and Mrs. Claud Robison of Turkey (and Quitaque), fell off a trampoline Tuesday of last week, catching his leg between the frame and the spring. The older children didn't realize he had fallen and jumped again on the trampoline, and when they did his leg was broken. He was taken to Dr. Maxwell where it is reported he set the leg and put it in a cast. He has been recuperating fine.

Mrs. Robison took him to Amarillo Tuesday of this week to a bone specialist as a precautionary measure. Mrs. Robison is Katy of the Heads and Heels Beauty Shop in Quitaque.

RUDY POWER BURIED THURSDAY

Rudy Power, husband of Daisy (Chandler) Power of Dallas was buried Thursday, July 19, 1979, after services held at the St. Augustine Catholic Church at 2:30 p.m. Interment was in Restland Cemetery. Pallbearers were a nephew and the paramedics who had helped Mr. Power.

Mrs. J. A. McKay and son, Eddy Earl Gonce and son, Wesley, spent last week visiting Mrs. McKay's daughter, Juanita Jernigan in Abilene, and a sister, Mrs. Claudine Rigor of Breckenridge.

Mr. and Mrs. Loyd Hulsey, Susie and Beverly of Hereford spent Sunday visiting Mrs. J. A. McKay. Beverly remained for a visit this week.

Attention Taxpayers

The Turkey-Quitaque ISD has extended the deadline for Homestead Exemptions to July 31st. All homeowners are qualified for \$5,000 exemption. Persons 65 years or older on January 1, 1979 or disabled will qualify for an additional \$10,000 exemption. These exemptions apply only to the residence. To get these exemptions you must come to the school tax office and sign an application.

Chuck Martin Injured in Accident

Chuck Martin, 11-year-old son of Mr. and Mrs. Eldon Martin of Quitaque, was injured Thursday afternoon while mowing the lawn at his parents home. He was using a power mower without a guard and it picked up a piece of baling wire. His mother reported to the Tribune that the wire went into his foot just back of the big toe, going through the shoe and hitting the bone in his foot where it turned out again making a U-turn and came back out through the shoe.

The children got a pair of pliers and tried to pull the wire out but it was too painful. They called their mother who works at the Panhandle Compress and she went home and immediately called the Emergency Medical Technicians.

Warren Lee Merrell, Arnold Castillo, Manuel Cruz and Mrs. Jimmy Davidson answered the call for help. Mrs. Martin reports that Warren Lee cut the shoe off and the EMT's transported him to Central Plains Hospital in Plainview where Chuck's foot was x-rayed and the extent of the injury was determined. The wire was removed and he was given antibiotics and sent home. Mrs. Martin says he was told to stay off it completely for three days, but he was trying to walk again Sunday.

A few years ago, a Quitaque man picked up a piece of wire and it went into his heart. As those of us living in Quitaque remember, the man was Ray Doyle Ramsey.

Dowd Participating In All-Star Game

Darrell Dowd is in Fort Worth this week working out in preparation for Friday night's Texas High School Coaching School's football game.

The game will be played between two squads of North and South All-Stars beginning at 8:00 p.m. and will wind up the week long activities. Valley Coach Ted Giddens is attending the school.

Dowd, the only Class B player from this area named to the North Squad, was the Lubbock Avalanche Journal's Class B Player of the Year. He led the Valley Patriots to their first ever District Championship last fall, before the team lost to Wheeler in Bi-District.

Annual Field Day Set For Sept. 11

The 70th Annual Field Day is set for Tuesday, September 11, 1979, at the Texas Agricultural Experiment Station in Lubbock, beginning at 1:00 p.m.

Remember this date if you plan to attend.

Owens Is New Public Relations Director At Wayland

PLAINVIEW — Eddie Owens, sports editor of the Plainview Daily Herald for the past year, has resigned to become Public Relations Director at Wayland Baptist College, effective August 6. Bobby Hall, sports assistant, will become the paper's new sports editor on August 3.

"While we are sorry to lose Eddie, we are delighted to see one of our staff members have the opportunity to take an important position at Wayland," commented Danny Andrews, managing editor of The Herald. "And we're equally happy to be able to elevate Bobby Hall who has shown outstanding capabilities in the sports writing field. His background as a Plainviewian will be very valuable as he provides top-notch coverage of PHS, Wayland and area sports."

"We believe Eddie will fit right in as public relations director and we're naturally happy to have one of our own graduates filling that role," added Wayland President Dr. Roy C. McClung.

Owens, 25, is returning to his alma mater to replace Alston A. Morgan who resigned in May. He will be in charge of news and sports information, overseeing student publications and coordinating the public relations office. Owens handled the sports information on a part-time basis for the college this past year but those duties will be incorporated in his new assignment. While he will have no teaching responsibilities, Owens plans to begin work on a master's degree in communications at Texas Tech.

A 1975 cum laude graduate of Wayland with a B.A. in political science and speech and a minor in English, Owens was photographer for the publications department as well as sports editor of the college annual, The Traveler, for four years. After graduating, the Quitaque native stayed at the college to receive his teaching certification in speech and English and was editor of the college paper, The Trail Blazer. He was sports editor of the Plainview Reporter-News for two years before joining The Herald. The son of Valley Tribune publishers, Mr. and Mrs. Gaston Owens, he is a graduate of Quitaque High School.

For two years he was president of Alpha Phi Omega, national service fraternity and was president of several honorary fraternities at Wayland. He is second vice president of the Noon Optimist Club, is on the board of the Association of Former Students at Wayland, is a member of the Texas Sports Writers Association and has coached a Babe Ruth team in the Optimist Summer Baseball Program the past three years.

He and his wife, the former Diane Scott, who also is a Wayland graduate, reside at 309 Juanita and are members of the First Baptist Church. She is employed at City National Bank.

In boys competition, David Walker of Pampa and Leonard Wemmohs of Amarillo defeated Angel Castillo and Kirby Chandler of Valley, 6-3, 6-4, in the final match.

Child Bitten By Rattlesnake

The three-year-old son of Jerry and Doris Van Ness was bitten by a rattlesnake Sunday afternoon as he stepped out on the porch of their home.

He was rushed to Memphis, where he underwent surgery Sunday night in the Hall County Hospital. He is reported to be doing as well as possible.

Lisa Herrington returned home Sunday after spending two weeks in Cleveland, Ohio visiting her sister, Kim Ham. The two young ladies went over into Canada, to Ontario, on a sightseeing tour one weekend while Lisa was there.

Mr. and Mrs. Ross Herrington took her parents, Mr. and Mrs. Orlin Stark to Amarillo Saturday and Sunday morning they attended services at the First Baptist Church. They met the plane later that day on which Lisa Herrington arrived.

J. T. Rogers of Plainview visited his mother, Mrs. Thetis Rogers, in Quitaque. He came to help her with repairs around the house.

Young People Attend Special Cooking School

Nine students graduated from Lighthouse Electric Cooperative's "Food Fun for Juniors" class this week taught by Kathy Burk, home economist for the cooperative.

The three-day cooking school is offered to boys and girls in the fifth and sixth grades free of charge as part of Lighthouse Electric Cooperative's youth development program. They learn the basics of cooking such as measuring, reading recipes, cooking terms and kitchen safety. Also taught is good nutrition, meal planning, table setting, manners and proper use of small and large appliances. Energy conservation is also stressed.

Graduation certificates were presented to participants by Alton Higginbotham, manager of Lighthouse Electric Cooperative. Those graduating from Turkey were Del Ray Browning, Angela Edwards, Kaylene Green, Laurie Harp and Edna Reyna. Graduates from Quitaque were Debra Walker, Robin Myers and Tammy Clay. June Johnson was from Flomot.

Named Outstanding Young Men

The Board of Advisors for the Outstanding Young Men of America Awards Program announced today that Millard Daniel (Salt) Jones of Fort Worth and Jimmy Clyde Saul of Quitaque have been selected for inclusion in the 1979 edition of "Outstanding Young Men of America."

These men were selected from nominations received from Senators, Congressmen, Governors, Mayors, State Legislators, University and College Presidents and Deans as well as various civic groups—including the United States Jaycees which also endorses the Outstanding Young Men of America program.

In every community there are young men working diligently to make their cities, as well as their country, better places in which to live. These men, having distinguished themselves in one or more fields of endeavor, are outstanding and deserve to be recognized for their achievements. The criteria for selection include a man's volunteer service to community, professional leadership, academic achievement, business advancement, cultural accomplishments and civic and political participation.

The men listed, along with fellow Outstanding Young Men throughout North America, will be featured in this prestigious annual awards publication.

The Board of Advisors and Editors salute all chosen as Outstanding Young Men of America. They take great pride in bringing their accomplishments to the attention of the American public.

Group Attends Music Week At Glorieta

A group from the First Baptist Church in Quitaque left early Saturday morning, July 7, for Glorieta, New Mexico to attend Music Week.

During the week the group attended different choirs and classes where they participated. On Thursday of the next week they drove to Pecos, enjoying the scenery, visiting a trout hatchery and playing in the Pecos River.

Those enjoying the trip were Mr. and Mrs. Weldon Purcell, Rayna, Rebecca and Randy, Mrs. Paul A. Ramsey, Patti and Terri, Mrs. Wilburn Leeper and Rhonda, Dana and Karen Ramsey, Jayne and Cheryl Merrell, Misti McElreath, Lisa Payne and Jeana Smith. The Rev. Frank Robertson and Jeff Crump drove up on Thursday and returned home with the group on Friday evening. All attending report a good trip on the new church bus.

Guests in the Gaston Owens home Sunday for lunch and a visit were her sister, Mrs. Ollie McMinn of Silverton, and the Owens children and grandchildren, Mr. and Mrs. Dwain Henderson, Sonya, Wayne and Zane, Silverton, and Mr. and Mrs. Eddie Owens, Plainview.

Baseball Tourney Was Huge Success

The Firemen's Women's Auxiliary sponsored a Baseball Tournament in Quitaque the past weekend, beginning Thursday night and running through Saturday night. Sixteen teams were entered in the tournament.

First place trophy was won by IBP of Amarillo, second place honors went to The Sting of Plainview, and third place was won by the Quitaque Clippers.

The Auxiliary wants to express thanks for all the food and other donations given for the tournament. It expresses thanks to those who helped in the Concession Stand and those who helped clean the baseball park before and after the tournament. A special thanks goes to the Baseball Association for helping to prepare for the tournament. The support received from the community was tremendous. The officials commented on how smoothly things went as a result of cooperation from the players and the interest and helpfulness of the people of the community.

The baseball tournament netted a profit of approximately \$900. The Auxiliary reports this money and proceeds from other

projects will help achieve the first goal of obtaining air packs for the Fire Department, and still have a good start on more badly-needed fire equipment.

Sid Bogan is home

Mrs. Jerrel Gaddy of Dallas and Mrs. S. T. Bogan, jr., brought Sid Bogan home Tuesday from the Heritage Home where he had been for some time since he underwent surgery.

Mrs. Beatrice Northcutt, a cousin of the Merrells, has returned from California and is staying with Sid and helping him. Sid had a birthday Wednesday and had a birthday dinner in addition to receiving many cards.

Visitors in the Billy Wheeler home last week were Karen Denton and boys, Lance and Roger of Amarillo, Dot Arnold of Tullia and Rebecca Reid of Silverton.

Melanie Langford, daughter of Mr. and Mrs. John Langford of McCamey, has been visiting Mr. and Mrs. Jerry Bob Smith and sons, for the last two weeks.

What Think Ye?

I would like to suggest what America needs today to take care of all that is wrong. Study about the following for a moment.

A leader like Moses, who refused to be called the son of Pharaoh, but chose rather to go with God.

Army Generals like Joshua, who knew God and could pray and shout things to pass rather than blow them to pieces with atomic energy.

A food administrator like Joseph, who knew God and always had the answer to shortages.

Preachers like Peter, who would not be afraid to look people in the eye and say, "Repent or perish," and denounce their personal as well as their national sins.

Mothers like Hannah, who prayed for a child that she might give him to God, rather than women who are delinquent mothers of delinquent children.

Children like Samuel, who would talk to God in the night.

Physicians like Luke, who could care for physical needs and introduce their patients to Jesus Christ, who is a specialist in spiritual things.

A God like Israel's, instead of

a "Dollar God" or the "Entertainment God" and the "Auto God."

A Saviour like Jesus Christ, who could and would save from the uttermost to the uttermost.

Informed citizens know that in the welfare state, the ruling is done by the bureaus and unelected bureaucrats, and a better name for welfare states would be "Farewell States."

A real friend steps "in" when the whole world steps "out."

"ENERGY" TO HIGHLIGHT STATE 4-H CONGRESS

4-H youth from across Texas will gather in Houston July 19-22 to try to come to grips with the energy situation.

Some 500 4-H members will be hearing about and exploring current and future sources of energy and management methods during the 1979 Texas 4-H Congress at the Shamrock Hilton Hotel.

Theme of the congress will be "4-H and Energy: Partners for Progress."

4-H youth will tour the ARCO Refinery and NASA Space Center to get a first-hand look at current energy production systems as well as to gain some insight into new areas of energy development, such as nuclear and solar energy and bio-mas conversion, the changing of animal and plant waste into energy.

4-H delegates will also have an opportunity to view a multi-

FARMERS UNION APPOINTS TWO TASK FORCES

Farmers Union has appointed two task forces from across the state.

One is on energy. This committee is looking into the feasibility of some gasohol plants operated by farmers instead of the large oil companies producing it and controlling the prices. Since farmers grow the commodity, why not make fuel out of it?

This was an interesting meeting and it was surprising how much data this committee had on energy. Farmers Union will hold a meeting in Lubbock on energy sometime in August and it will be open to the public.

The other committee, which is called GRO, is making an in-depth study into the Texas F. U. organization to correct things which are being done wrong and to make changes to improve the organization. F. U. tries to do so many things for so many people that the priorities are going to have to be numbered so that the Waco staff can handle them, since the staff is so overworked.

This committee is made up entirely of farmers. The state staff excused themselves from these meetings for awhile so that the committee could talk freely and recommend any changes they see fit to the full board of directors.

This is one of the things that many like about Farmers Union. Farmers run it in its entirety.

Attending these two meetings held in Dallas for two days last week were Victor Ray of Denver, assistant to the National F. U. President, who said he has been operating a car for one year on 10% water and reported mileage improved from 14 to 20 miles per gallon; Bob Mullin of Washington, D. C., who is assistant legislative director; Andres Wooten of Washington, D. C., who works for the National Green Thumb program, plus the state staff chaired by President Jay Naman. Both committees sat in on one another's meetings and expressed their ideas. The GRO committee will meet later in Abilene to continue its study into needs of the F. U. organization.

Virgil Blakney of Turkey was appointed as a member of the GRO Committee, and attended both these meetings.

Mrs. D. C. Duck was taken back to Central Plains Hospital in Plainview Friday of last week where it was determined she was suffering with pneumonia. Mrs. Duck had spent some time in the hospital previously where it was determined she had food poisoning.

tude of exhibits and displays on energy production, conversion and use. These will be designed to enable 4-Hers to develop workshop settings on future 4-H energy programs in their own clubs and committees.

A highlight of the congress banquet will be on July 20 at 8:00 p.m. when the installation of officers and members of the Texas 4-H Council will be held. Attending from Briscoe County are Earl Jarrett, Texas 4-H Council Delegate, and Earnest Kiker, County Extension Agent,

Mrs. Solon Owens of Turkey was delightfully surprised on her birthday recently. She said it had rained all day and she didn't expect any of her family. About 6:00 p.m. her son, Jim, his wife and son arrived bringing a birthday cake with all the decorations on it and some nice, useful gifts and pretty cards. They enjoyed ice cream and cake. She reports a very happy birthday.

Mr. and Mrs. Glynn Elmore and son, Mark, of Allison spent Monday with his sister and husband, Mr. and Mrs. A. E. Gragson, in Quitaque.

Mrs. Helen Fowler of Turkey was notified Monday morning that her son had been killed in a coal mining accident in Poteau, Oklahoma. The accident occurred about 5:00 that morning. Hazel Fuston, a sister of Mrs. Fowler, drove her to Poteau that morning. Details as to how the accident happened are sketchy at this time.

Pugin Thrasher met his brother, Dan Thrasher, and sister, Olene Chandler, in Dallas Friday. Saturday they went to Temple to visit their brother, Boy Thrasher, who has been seriously ill in a hospital there.

A family get-together was held in the Dow Aplin home last Thursday and Friday. Present were Mrs. Edith Aplin of Dumas, Mr. and Mrs. June Aplin of Dumas; Mrs. Rosealee Ewing and children of Longview, Washington; Mr. and Mrs. Gilbert Wedge of Turkey; Mrs. Mary Ellen Widener and boys of Memphis and Mutt Holland of Turkey. Thursday afternoon the group visited the Bob Wills Museum and viewed the pictures of graduating seniors of Turkey High School. The pictures have been hung in the hall outside the museum. As some of the group were ex-Turkey Turks, they enjoyed seeing the old pictures.

Mr. and Mrs. Burl Pierce, Mr. and Mrs. Lewis Eudy, Mr. and Mrs. Ronnie Eudy, Ron, Angie, Bee Gee and Angie's friends, Delane Proctor and Nadine Rice, are spending several days at Possum Kingdom this week.

Special Events To Highlight County's Birthday Celebration

Wheat Fertilizer Considerations Listed For 1980

Wheat yields throughout the Rolling and High Plains of Texas for 1979 were generally above average. The wheat market helped make some produce a little money.

Again, the wolf appears to be knocking on the door of the 1980 wheat crop. With next year's crop, the Texas farmer has a new set of problems. Now is the time to begin to plan next year's crop and side-step some of these problems. Every step must be taken to save energy. The diesel shortage will probably reduce the profit picture for 1980.

According to County Extension Agent Earnest Kiker, producers should use the fertilizer rates that would eliminate soil deficiencies, in line with the producers yield goal. Their wheat yield

goal should be consistent with the soil moisture situation, irrigation and management practices. While fertilizer costs may increase for next year, they remain a real bargain when applied at optimum rate. Soil testing is still the key to determining optimum application rates.

Kiker says that nitrogen is the most important plant nutrient in the production of forage and grains. Since nitrogen is required in larger amounts, this nutrient is commonly the most deficient nutrient in your soil. Wheat yields over 40 bushels per acre have removed 80 lbs/acre of nitrogen. If one intends to produce a comparable yield level in 1980, then some nitrogen should be applied.

Nitrate nitrogen testing in the Extension Soil Testing Laboratory in Lubbock has proven very helpful over the past 10 years for determining nitrogen needs for wheat.

"It is important that samples be properly collected to represent your soil fertility situation. Information on soil sampling can be obtained from my office," Kiker said.

Tuesday Is 4-H Recreation Night

There will be a 4-H Recreation Night at 8:00 p.m. Tuesday, July 31, at the concrete slab in Silverton for all 4-H'ers, parents and leaders.

A short business meeting will be held to discuss a trail ride, a 4-H playday and a 4-H float for the County Celebration Parade.

Following the business meeting, the 4-H'ers may participate in folk games. Teen leaders will be available to teach these to the younger 4-H'ers who are interested.

Educational programs of the Texas Agricultural Extension Service serve people of all ages, regardless of race, color, socioeconomic levels, sex or national origin.

Cecil Price entered Lockney General Hospital on Friday of last week and remained until Sunday. He went back Monday for further tests.

Take a step back in time... get the whole family together and visit the Briscoe County Celebration August 9-11. There will be something for each and every member of your family regardless of age.

Starting Thursday there will be three performances of the Young Farmers Rodeo with participants from all over the area testing their rodeo skills. Following the rodeo each night there will be a dance on the concrete slab south of the Wood Memorial Arena.

The big day of the celebration will be Thursday, with activities featuring a parade, barbecue, fiddler's contest, country arts and crafts fair, and much more. To kick off the festivities at 3:00 p.m. there will be tricycle races in front of the First State Bank for kids ages two to four. There will be two divisions of the race, with two and three year olds in the first race and four year olds competing in the final race. Each youngster will need to bring his own tricycle and meet with the organizers in front of the bank before 3:00 p.m.

At 4:00 p.m. there will be a parade through downtown Silver-

ton. This promises to be the best parade yet, with more floats than ever before.

Following the parade, everyone is invited to gather on the court house square for a delicious meal of barbecue and all the trimmings. For entertainment during the meal there will be a fiddler's contest sponsored by the Silverton Lions Club. Prizes for the contest are \$100 for first place, \$75 for second and \$50 for third place. Those interested in entering the contest may call Wayne Nance, 823-2496 or 823-2129.

The Briscoe County Pioneers of the year will be honored at a brief presentation preceding the fiddler's contest.

The highlight of the day will be a country arts and crafts fair to be held on the court house square. Booths will be set up at 10:00 a.m. and will be selling their wares until after the barbecue. Many unusual items will be offered for sale, so no matter what your interests, there will be something for you. Some items that will be sold are hand painted ceramics, stained glass items, macrame, oil and watercolor paintings, jewelry, outdoor wind chimes, handmade quilts and afghans, wooden articles, tile paintings and decorative pillows. These are all great for those who need some fantastic items for decorating their homes or for gift giving.

For the youngsters in the family, there will be stick horses, clowns, stuffed animals, dolls and wooden toys of all kinds. Everyone interested in keeping fit will want to visit the booth featuring natural home churned butter, crunchy granola, homemade yogurt, fertile eggs and natural whole wheat bread.

The sponsoring organization is continuing to look for someone to have a fresh vegetable sale August 9. Please call Tina Nance if you are interested in doing this.

A special feature of the fair will be an antique booth with antiques gathered from all over Briscoe County. Many of these items are unusual and interesting for everyone. Also offered for sale will be old time lye soap, something no home should be without.

The food booths will be popular stops for everyone. Some of the treats available will be lemonade, brownies and homemade ice cream. There will certainly be many more goodies to tempt your taste buds.

For a full day of fun, food and entertainment for the whole family, plan to be in Silverton for the Briscoe County Birthday Celebration.

New Camper Rates In Effect At Lake

New daily, weekly and monthly rates for camper trailers have been established at Lake Mackenzie.

A trailer without refrigerated air can occupy an electric hook-up for \$2.50 a day, \$15.00 a week or \$25.00 a month. A trailer with refrigerated air can occupy an electric hook-up for \$4.00 a day, \$18.00 a week or \$35.00 a month. The monthly rates will be for a

maximum occupancy of 14 days during the month.

A dump station and water for the camper is available near the Cactus Cove Marina.

Mr. and Mrs. D. J. Anderson visited their daughter and family, Mr. and Mrs. Gerald Foster and son, Shannon, at Dawn Sunday afternoon.

Mrs. Janet Turner, Jennifer and Allison of Plainview visited the Bud Baileys and the Gordon Rothwells Friday night and Saturday.

Booths Still Available For Country Fair

It still isn't too late to sign up for a booth for the Country Fair to be held in downtown Silverton on Thursday, August 9.

All clubs and organizations of the Silverton community are especially urged to have a booth. Only two refreshment booths have been planned. These are a lemonade booth and an ice cream booth. Some suggestions for other booths available are corn on the cob, watermelon, homemade candy, homemade breads and pastries, or even a bake sale.

In order to make this Country Fair a success, everyone needs to participate. Let's make this celebration a time to remember.

Rev. and Mrs. George Price and Jeremy spent a week at Cloudercroft, New Mexico on vacation. The past week Rev. Price spent the week as counselor at Camp Butman, near Merkel. Mrs. Price and Jeremy spent the week visiting her parents, Mr. and Mrs. Virgil Kelley at Denver City. They returned home Friday.

We, the undersigned directors attest the correctness of this statement of resources and liabilities. We declare that it has been examined by us, and to the best of our knowledge and belief is true and correct.

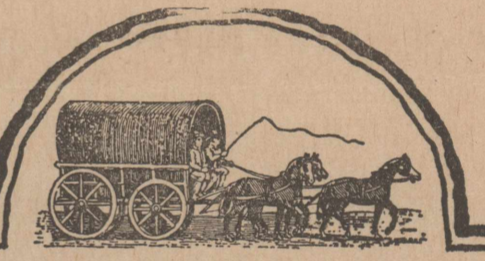

I, Bob J. Ham
Name
Vice-President
Title

of the above-named bank do hereby declare that this Report of Conditions is true and correct to the best of my knowledge and belief.

ATTENTION: Please below final MEMORANDA entry

WESTWARD DOUGH!

OR

how DO you COVER A Wagon?

The wild, wild West. Land of hope and opportunity to thousands of courageous settlers. But, if it weren't for the dollars of thousands more Americans taking stock in their country, there might never have been a West to go west to.

You see, money raised from the sale of government securities helped us purchase the Louisiana Territory from the French. Other securities helped buy the states of California, Nevada, Utah, western Colorado and most of New Mexico and Arizona from Mexico. Even settlement of the Oregon Territory was made possible through the issuance of United States securities.

Today, you can still take stock in your country's growth by buying U. S. Savings Bonds.

Just sign up for the Payroll Savings Plan where you work. There's no easier, safer way to save or help your country. After all, U. S. Savings Bonds are still a great way for you to go West. Or East, North and South.

New U. S. Bonds pay 6% interest when held to maturity of 5 years (4 1/2% the first year). Lost, stolen or destroyed Bonds can be replaced if records are provided. When needed, Bonds can be cashed at your bank. Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Take stock in America.

A public service of this publication and The Advertising Council.

Announcing a new interest rate for U.S. Savings Bonds:

6 1/2%

Here's some great news for all Americans. On June 1, 1979, the interest rate on United States Savings Bonds, Series E and H, was increased to 6 1/2%.

This 6 1/2% rate will apply to new Bonds and to all outstanding ones, too. For Series E Bonds that have not reached original maturity of 5 years, the improved yield will be received as a bonus when the Bonds mature. For older Bonds and Notes, and for Series H Bonds, the increase takes effect with their next semiannual interest period, beginning on or after June 1, 1979.

So you see,

Bonds are getting better all the time. This new 6 1/2% interest rate, together with the tax advantages available, makes Savings Bonds even more attractive.

And when you buy Savings Bonds through the Payroll Savings Plan at work, or the Bond-a-Month Plan where you bank, Bonds are *still* the most convenient, easiest, safest way to save.

If you haven't thought about Savings Bonds for awhile, this is the kind of news that should increase your interest.

Bonds are a better buy than ever before.

Take stock in America.

KEN SETLIFF

REDA STRAIN

☆☆☆
COUPLE PLANNING
SEPTEMBER SERVICE

Mr. and Mrs. Russell Strain of Olton announce the engagement and approaching marriage of their daughter, Relda Jeanne, to Roger Ken Setliff, son of Mr. and Mrs. Arville Setliff of Turkey.

Wedding vows will be solemnized September 1 at 7:30 p.m. at the First Baptist Church in Olton.

Miss Strain is a 1974 graduate of Olton High School, a graduate of West Texas State University with a bachelor's degree

☆☆☆
in biology, and is working toward a master's degree in biology.

Setliff received a BS degree in biology at WTSU in 1977 and will complete physical therapy training in August at the University of Texas Medical Branch in Galveston. He is a 1973 graduate of Valley High School.

Mrs. Lillian White, Mrs. Yolanda Roberson and Miss Minnie Mae Roberson attended the Roberson Reunion in Ashtola, Texas, Sunday.

Hollingsworth Reunion Held

The 1979 reunion of the descendants of the late Mr. and Mrs. Albert Hollingsworth gathered in the home of one of the daughters, Mr. and Mrs. E. B. Baisden, in Turkey the weekend of July 21-22. Forty-seven people were present for the occasion where horseshoe pitching, dart throwing, forty-two and basketball for the youth was enjoyed as well as visiting among the relatives.

Those attending, in addition to the hosts, Mr. and Mrs. E. B. Baisden, were Mr. and Mrs. Aubrey Turner and Shorty Hollingsworth, the immediate family members living in Turkey; Mr. and Mrs. Everette Hollingsworth, Waco; Mr. and Mrs. Paul Hollingsworth, Keith, Bryan, Brenda, Kim and a friend, Dirk Lindley, Clifton; Dempsey Baisden and a friend, Roger Dearing, Grapevine; Mr. and Mrs. Charles D. Hollingsworth, Mr. and Mrs. Guy Hollingsworth, Natchez, Mississippi; Mr. and Mrs. Charles E. Hollingsworth, Mike and Holli, Gatesville; Mrs. Margaret Hollingsworth, Seymour; Mrs. Pat Baisden, Tammie, Tonya and Buffie, Tulsa, Oklahoma; Mr. and Mrs. Jim Baisden and children, Mike, Kelly and Julie, Grapevine; Mr. and Mrs. Pat Petterson, Chad and Karen, Stansbury Park, Utah; Mr. and Mrs. John Couchman, Rachel and Paul, Amarillo; Don Turner, Stanton and Amy of Pampa; Morris McAfee, Wichita Falls; Mr. and Mrs. J. L. Frazier, Gatesville, who also visited in the Floyd Gilmore home here as J. L. and Floyd are first

cousins and his wife Willie Mae is a first cousin to the Hollingsworth brothers and sisters. Alga Turner of Turkey also joined the family during the noon hour and visited with family members in attendance.

Merrell Reunion Held Over The Weekend

Reported by Melba Merrell
The annual Merrell Reunion was held over the weekend at the Merrell home place, located south of Quitaque. This has been an annual event for the past 55 years, first meeting to celebrate the birthday of Grandma Merrell.

Several gathered Friday evening to set up the chuck wagon, clean the picnic grounds, and to put the meat underground to start cooking. This group later enjoyed steaks, sour dough biscuits and the trimmings in the yard at the Truman Merrell's. This group was composed of Mr. and Mrs. Arthur Eddleman and Elizabeth, Estelline; Jerry Merrell, Belton; Warren, Warren Wayne and Clay Merrell, Jake Merrell, Truman Merrell, Melba Jo, Cheryl, Jayne Merrell, Don Douglas, Jim Stroup, all of Quitaque, and Mike Fuston, Turkey.

On Saturday, the group began to gather before noon, and again, they enjoyed a good cooked-out meal before a larger group arrived later for much visiting, picture taking and much more good eating. The highlight of the entire weekend was the creek with

water for the children (young and old) to enjoy. Due to the recent rains, the area and the countryside is beautiful with many wildflowers, and the weather was just right to make the evening perfect.

The evening meal consisted of sour dough bread, barbecue, cowboy stew, plus all the salads, vegetables and more desserts than could be sampled by anyone.

Some of the group began leaving at 10:00 and 11:00 p.m. but most of the group brought bedrolls and enjoyed sleeping out and a good breakfast cooked-out the next morning. The campers ranged from 84 years of age to one young lady two months old and a young man seven weeks old.

Among those attending were Eldon Merrell, Nevada; Mike Merrell, Forsythe, Missouri; Mary Kimbell, Plainview, Merlyn and Yvonne; Brent and Stephanie Kimbell, Big Spring; Henry Merrell, Hartley; Mr. and Mrs. Gale McPherson and Dee, Lockney; Mrs. J. W. DeWitz, Kenniwick, Washington; Billie Polk and Vivian Merrell, Quitaque; Mr. and Mrs. Barney Martin, Plainview; Irene Irby and Beatrice Northcutt, Floydada;

Also, Jack Stroup, Pampa; Jim and Gladys Stroup, Quitaque; Mr. and Mrs. Arthur Eddleman and Elizabeth, Estelline; Mr. and Mrs. J. P. Taylor, Lockney; Mr. and Mrs. Dale Pierce, Lubbock; Jeff and John Taylor, Afton; Mrs. Joe Taylor, Rise and Mike Ford, Lockney; Jane Welch and Nena Loudermilk, Silverton; Mr. and Mrs. Cappy Wise, Plainview; Mr. and Mrs. Jeff Meade and Jeffery, Amarillo; Mr. and Mrs. Jake Merrell, Quitaque; Mr. and Mrs. Jerry Merrell, David and Jennifer, Belton; Jo Beth Merrell, Amarillo; Mr. and Mrs. Warren Lee Merrell, W. W., Clay and P. Jay, Quitaque; Mr. and Mrs. Berry Wood, Plainview; Mr. and Mrs. George Ray Colvin, Fish Wilson, Jim Stell, Mr. and Mrs. Jimmy Davidson, Frances Wise, R. M. Morris, Plainview; and Mike Fuston, Turkey; Mr. and Mrs. Truman Merrell, Jayne Merrell and Don Douglas.

JIMMY WOODS

PEGGY SHANNON

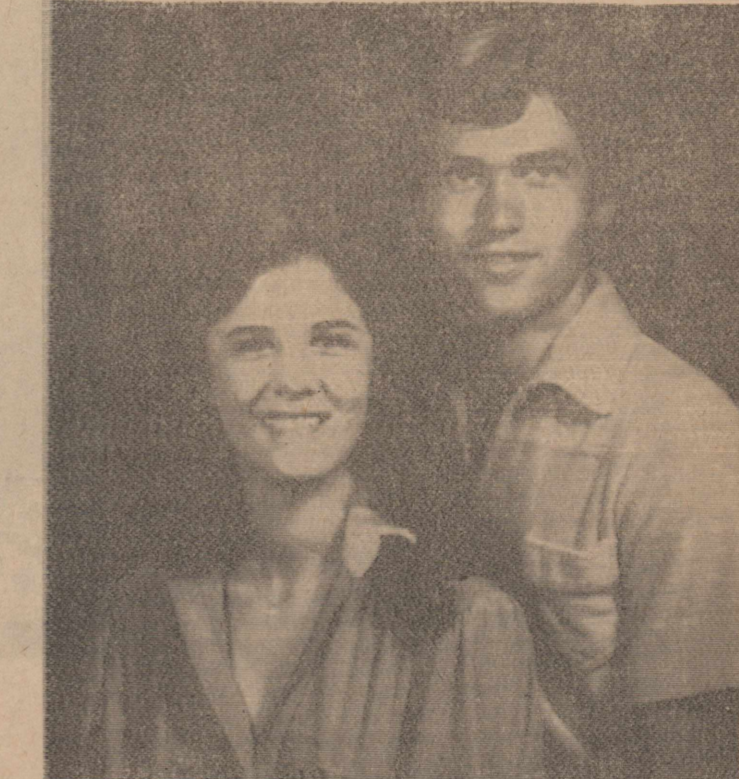

☆☆☆
SHANNON-WOODS
PLANS ANNOUNCED

Mr. and Mrs. Billy Shannon announce the engagement and approaching marriage of their daughter, Peggy Shannon, to Jimmy Woods, son of Mr. and

Mrs. Duke Woods of Quitaque.

The wedding is planned for 4:30 in the afternoon on August 25, 1979 at the Church of Christ in Turkey.

Friends of the couple are invited to attend.

REBECCA ANN REID

BARRY DOUGLAS WHEELER

☆☆☆
COUPLE PLANNING
SEPTEMBER WEDDING

Mr. and Mrs. James W. Reid, jr., Silverton, announce the engagement and approaching marriage of their daughter, Rebecca Ann, to Barry Douglas Wheeler,

son of Mr. and Mrs. Billy Wheeler, Turkey.

The wedding vows will be exchanged at 7:30 p.m. September 8, 1979, at the First Baptist Church in Silverton.

Annual July 4 Picnic Held

A large group gathered at the J. P. Taylor home on the morning of July 4 and made their way to the bottom of the canyons where they gathered under a railroad bridge for their annual picnic. The lunch was spread, then the afternoon was spent playing in the creek, visiting, gathering plums, riding the dune buggy and hiking to the falls.

Those attending were Mr. and Mrs. Walter Taylor, Mrs. Thetis Rogers, Mr. and Mrs. Phil Barefield, Debra and Mark, Mr. and Mrs. R. J. Harmon, Mrs. Lillian White, Mr. and Mrs. O. R. Stark, jr., Mrs. Scotty Stark, Brandon and Misti and Tessa Mullin of Turkey.

Others were Mr. and Mrs. Dale Pierce, Lubbock, Mr. and Mrs. Cappy Wise, Plainview, Jane Welch, Silverton, Randy Butler and Jack Roberson, Plainview, Rev. and Mrs. Frank Roberson, Jim and Gladys Stroup, Randy and Rebecca Purcell, Patti Ramsey, Jeff Crump, Mr. and Mrs. L. B. Monk and John, Mr. and Mrs. Truman Merrell, Cheryl, Jayne, Don Douglas, Warren and Clay Merrell, Scott Leeper, Mr. and Mrs. J. P. Taylor.

Turkey Lions Have Regular Meeting

The regular meeting of the Turkey Lions Club was held Tuesday, July 24, at the Big "T" Restaurant. Boss Lion Preston Jouett opened the meeting, with Leroy Stone leading the Pledge of Allegiance and Ovil Cogdill giving the invocation.

Special guest was Otho Stubbs of Turkey.

During the meeting, Tim Salem reported that there would be a meeting on gasohol Thursday at 8:00 p.m. at the Valley School. Preston Jouett adjourned the meeting after which the club went out to Otho Stubbs' for a tour of his museum, to inspect his arrowheads, stuffed animals and ancient bones. It was a very enjoyable trip.

Miss Minnie Mae Roberson and Mrs. Yolanda Roberson were in Plainview last week. They visited Sid Bogan at the Heritage Home and local folk in the Central Plains Hospital while in Plainview.

youth- by the drawerful

Copyright 1970
Keister Advertising Service, Inc.
Strasburg, Va.

In a nation as big as ours there is always a tendency to overlook the individual and to think only of groups. Youth gets the brunt of this generalizing.

Many of our boys and girls are delinquent. But some folks would have us believe that every child is a potential delinquent.

Time we realized that children aren't chicks! They don't grow up by the drawerful to have the same characteristics and habits.

Children respond to love, parental example, religious guidance. They possess an ever-increasing aptitude for responsibility, trust, and faith.

Most of our boys and girls will grow up to assume their rightful place in an orderly, Christian society. Some will populate our jails. But the destiny of the individual youth is not a matter of chance and percentage...

It is determined primarily by the conscientiousness of loving parents, and by the persistency with which his natural religious interests are cultivated.

"That question has a double meaning!" you protest. Yes, it has. Either you're letting life carry you along its bumpy road, just shrugging your shoulders and "making the best of it" . . . or you've discovered the secret of making the BEST of life by choosing God's way and letting Him do the steering.

It isn't really a secret. Anyone can find it if he searches with complete sincerity. Through prayer, through regular church attendance, through Bible reading, the answers will come if we persevere. Gradually we will accept God's plan for us and understand the full, triumphant meaning of the words of Jesus: "Nothing shall by any means hurt you."

There is no voyage of discovery more exciting or challenging than this one. And our God-guided efforts will bring us to the BEST of life . . . a reward greater than any worldly goal we could name.

He has been commuting from Plainview since March 1, but he and his wife are moving this week. Their new address is 524 NW 4th Street, Tulia, Texas 79088. Mrs. McAninch is the former Elene Chandler.

WEIR-MULLIN VOWS EXCHANGED RECENTLY

Rod Mullin, son of Mr. and Mrs. J. T. Mullin of Turkey, and Marcel Weir, daughter of Mr. and Mrs. J. D. Elliott of Childress, exchanged vows in Judge Phelps' chambers in Amarillo on Tuesday, July 17, 1979 at 10:30 a.m.

Following the ceremony, the couple flew to Lake Tahoe for a wedding trip.

They plan to return to Turkey this week to establish residence.

Mr. and Mrs. Jim Meacham and Jammie were visiting relatives in East Texas and Arkansas.

Mr. and Mrs. David Setliff and boys visited in Springdale, Arkansas with Mr. and Mrs. Ken Castillo and family.

Visiting Mrs. Fay Cawley recently was her grandson, Kris,

FARM LEADER PREDICTS WORSENING DIESEL, HOME HEATING OIL SHORTAGES

An increasing shortfall below minimum levels of middle distillate stocks will, by mid or late autumn, likely create shortages of both diesel fuel and heating oil, according to data released by the Texas Farmers Union.

During a press conference in Panhandle cotton country, where farmers who harvest in later months will be hardest hit by any conflict between agricultural use of diesel and the demand for home heating oil, TFU President Jay Naman predicted that severe shortages of diesel could occur at the peak of cotton harvest if more attention is not paid the of Mesquite. He returned home last weekend with Faye's sister and family, Mr. and Mrs. Jaye Turner, after a visit with her mother, Mrs. W. E. Wellman.

Mrs. Letha May Jacobs was in Lockney Monday for a check-up with her doctor.

Kenneth Wellman of Shallwater is visiting the Jack Wellmans in Quitaque and Mrs. W. E. Wellman in Turkey.

Mr. and Mrs. Larry Farley, April and Cory of Amarillo spent Saturday and Sunday visiting his parents, Mr. and Mrs. Wendell Farley.

worsening problem.
"When Special Rule Number 9 was recently revoked and agriculture's priority ended, we were told that there were adequate supplies and that the rule was no longer needed. Projections obtained by officials of the Farmers Union from Department of Energy offices now indicate otherwise.

"Distillate stocks held at refineries, in pipelines and at major bulk terminals will be running between 15% and 20% short of 1978 levels, and the gap will widen as the winter continues. Users of diesel fuel and consumers of home heating oil will be in direct conflict of interest, and both will likely experience shortages."

The Farmers Union leader called on the Economic Regulatory Administration of the DOE to reimpose price controls on diesel and end price gouging that is increasingly prevalent in most areas of the state. Naman said he had reports from farmers of diesel prices fluctuating as much as 50 cents a gallon, particularly in areas where distributors are being forced onto spot markets to obtain fuel.

The TFU president further called on government officials to be ready to re-issue Rule 9 during harvest season and also be prepared to divert diesel fuel from military uses such as cross-

country caravans during peak demand periods on middle distillate fuels.
"After heavy winter consumption of middle distillates for home heating and farm and commercial diesel fuel use, there will be an even worse problem next spring," said Naman. "If projections are accurate, we could begin 1980 with distillate stocks more than 30% below January 1979 levels. Shortages experienced this spring could be must worse and more widespread next year."

In closing, the farm leader repeated a long held position of the Texas Farmers Union that "the state is giving away its natural resources" by imposing low severance taxes on oil and gas and levying no severance tax at all on coal and uranium.

June 30, 70 - - 6,707,155.54
June 30, 75 - - 15,966,698.32
June 30, 79 - - 45,021,519.96

We are proud to present our mid-year report reflecting a good year of growth which exceeds \$7,760,000.00 in total assets. This, of course means the area we serve is also growing.

We opened our fifth office last October in Dimmitt. This office has made excellent progress.

Three new savings certificates along with an increase in the rate on passbook savings became a part of our continuing effort to pay the highest rates possible to those who save with us.

We are grateful for your continual support and confidence. We pledge to offer the best in savings and loan service.

When you save with us, you not only get a good return on your savings but you help others own their homes and in turn help the area economy.
