MULESHOE ELEVATION, 3,789 FEET, 5 INCHES

MULESHOE, County Seat of Bailey County, Texas.

THURSDAY, JULY 25, 1946

TWENTY-FOURTH YEAR, NO. 39

Mahon Addressed Bailey County Voters

Mr. Muleshoe

Around thirty persons picking beans in one field near Muleshoe, looks like real business to this writer. I imagine it's pretty hot work, but it pays well, and it surely is something that has to be done. Meanwhile, as quickly as the pickers get the product in, it is rushed to the Muleshoe Canning Plant here, where the Cases and their co-workers do the rest.

Muleshoe grows beans then begin their journey to the ultimate consumer, perhaps scattering to the four corners of the U. S. and perhaps to the ships at sea as Winchell says. Around 30,000 cases of green beans likely will be packed at the local plant this year, and by the time this is done the black eye peas now growing in the territory will be ready for canning.

Meanwhile we note that the potato growers are bringing in their product to the washer here. Potatoes usually bring in a lot of money, however, this year may not be so good in this respect. But the point is we can grow beans, potatoes or black eyes right here on a commercial scale right here in Bailey County. Of course alfalfa growers are increasing in number, more acres are being planted here and this has been a profitable year, we understand for alfalfa farmers.

Read, in this issue of The Journal, the notice calling for a hearing on our proposed road bond issue. Paved roads is one of our greatest needs in this county, and will help our county population more than any other single thing. Take an interest in this matter—be ready to support and vote for the proposed bonds. The court will set the date of the election at the hearing August 9.

Lazbuddy Church Revival Scheduled

FRANK L. COX

Revival services will be held at the Church of Christ, Lazbuddy, beginning August 25, according to announcement of Howard B. Stubbs, local minister.

Evangelist Frank L. Cox, Austin, will preach during the revival meetings. Services will be at 10:30 a. m. and 8:30 p. m. daily. The revival is to continue through Tuesday, September 3.

OPENING SOON

After being closed for redecoration, Bill's Cafe will open in the next few days, maybe Saturday, Monday sure. The Bill Collins family recently returned after a trip of several days through New Mexico, Colorado, and even into Mexico.

Valley Theatre

Theatre open at 7:45 p. m. Show starts at 8:00 p. m. Saturdays, open 6:15 show begins at 6:30 p. m.

Thurs. and Fri., July 25 and 26, Ida Lupino and Paul Benic "DEVOTION"

Saturday, July 27 "SOUTH OF MONTANA" (Western Feature)

Sun. and Mon., July 28 and 29, William Powell, Ester Williams "THE HOODLUM SAINT"

Tue. and Wed., July 30 and 31, Burt Lancaster, Ava Gardner "THE KILLERS"

GRID COACH IS SELECTED

James A. Beam, who in his playing days was a star on Abilene high school teams and on teams of Hardin-Simmons University, will be the coach of the Muleshoe high school Yellow Jackets this fall. W. C. Cunningham, superintendent announces.

The young man will be here soon to begin his duties, and Mr. Cunningham said he likely will want to hold a summer camp of a week for prospective squad members.

Coach Beam, after leaving Hardin-Simmons, coached Hamlin high school one year and turned out an outstanding football team. Then he entered the armed service and after serving three years is taking the work here as his first job.

State Tax Rate Only 37 Cents

Texas taxpayers were presented a 14 million dollar gift this week by the Texas Tax Board, which reduced the state tax rate 72 cents of last year to 37 cents for this year.

The board eliminated the tax for general fund purposes of 35 cents, bringing the tax to a low that is unequalled since 1912. It was the first time since statehood that the state was without an ad valorem tax.

Progress News

We had 120 out to Sunday School Sunday. The third quarterly conference was held. Bro. Hines spoke for the morning service. Business was attended to in the afternoon and Bro. Cole spoke at the evening service. People from Y. L. and Lazbuddy attended the meeting. Bro. Hines is our District Superintendent.

Mr. and Mrs. Owen Rogers of Rowell are here visiting with his brother and family, Mr. and Mrs. John Rogers.

Mr. and Mrs. George Gross and Arnold Gross went to Lockney the early part of the week and moved George here.

J. O. Jackson is here from Crostmore California visiting his cousin, Mr. and Mrs. M. O. Nigh.

Lea Pearl McMahan, baby daughter of Mr. and Mrs. Bud McMahan has been in the hospital since last Friday.

We have gathered a nice crowd of

Three Way School Building Going Up

4-H Boys and Girls To Meet

The first state wide meeting of 4-H members since 1941 will be held on the campus of Texas A & M on August 28, 29 and 30. It is expected to be the most outstanding 4-H meeting yet held in Texas.

Boys and girls must be 14 years of age to be eligible to attend the Round-Up. Two boys and two girls will be selected from each county. J. K. Adams, local agent, would appreciate a visit from any club boy wishing to be considered in the selection of the pair to represent Bailey County.

On August 12 the twenty counties surrounding Lubbock will send groups of outstanding 4-H club boys to the Lubbock Army Air Field for a summer camp which will last into the afternoon of August 14. Several hundred boys and leaders are expected to attend and the best play grounds, barracks and equipment that the U. S. Air forces have to offer will be at the disposal of the 4-H boys. Good food and clean fun will be the order of the day. The county agent hopes to be permitted to carry at least ten boys to the summer camp this year.

HOME DEMONSTRATION CLUB COUNCIL MET

The regular meeting of the Bailey County home demonstration club council was held in Muleshoe Tuesday. Six clubs were represented. Nine members were present. The council began work on the 1946 yearbook and its annual flower show.

Canning Center Opens Monday

A shorter than usual season for the Muleshoe Canning Center is planned this summer, according to announcement of the high school vocational agriculture department which has charge of the equipment.

The center will open next Monday, July 29, and will close July 30, because of the opening of school about September 3. Mrs. Dick Blackshar will manage the center this year.

Those who expect to use the center are urged to come early and get their work done because conditions may be pretty crowded later in the season. About ready to go are corn and black eye peas; beans are already being canned at the Muleshoe Canning Plant.

The canning center is open every day except Saturday. Two days ago 10,000 cans were filled at the center here, and it is expected that probably that many will be filled during this season.

Lions Club Had Many Visitors

A number of visitors attended the weekly luncheon of the Lions Club, held Wednesday. Among these were Muleshoe's new school superintendent, W. C. Cunningham, and the high school principal, H. A. Owens. Another teacher present was G. A. Beddingfield, of Greenville, who taught at Munday last year, and who with his wife plans to live here.

B. B. Holt, Lamb County judge, who is a candidate for representative in the Legislature from this district, was a guest. The club also had as guests Rev. Stevens, of Plainview and Earl Ladd, Jr.

Program assignments were announced by Homer Sanders, Jr. and Base Pat Bobo said he will expect a formal program at each and every meeting in the future.

VISITORS IN FARRELL HOME

Mr. and Mrs. C. R. Farrell have had as guests in their home the past few days, Mr. and Mrs. S. S. Simpson and daughter, Irene, of Springfield, Ill. Mrs. Simpson is an aunt of Mrs. Farrell. Mr. Simpson is a retired school teacher having taught in colleges of Illinois for the past 25 years.

people for our young people's league and Bible study. Everyone is invited to come.

Voters To Have Their Say Come Saturday

ROAD BONDS HEARING SET

A hearing has been set for Friday, August 9, at the courthouse in Muleshoe, on a petition recently presented asking that an election be called in Road District 1A of Bailey County on the proposal to issue road paying bonds in the sum of \$25,000.

The hearing will be held in the commissioners' court room, which in other columns of this paper we have said is being held.

In this notice will also be found the boundaries of the district and the proposed routes of the various roads to be paved.

Notice is given so that all who desire may appear and contend for or protest the offering of the proposed bond election.

The petition asking that an election be called was signed by 416 resident property taxpayers voters of his district, recently created by order of the commissioners court.

Haskell Thomas Has Marine Discharge

Mr. Haskell Thomas received his honorable discharge from the U. S. Marine Corps Reserve at the First Separation Center at San Diego, California, in May.

He served with the Marine Corps about three years, 31 months of which were spent overseas in the Pacific Theatre of War. He saw action at Okinawa and the Ryukyu Islands.

While overseas, he served as a message center man, telephonist and a machine gun crew member. He is the son of Mr. and Mrs. H. Thomas.

First Farm Sale Slated Tuesday

First farm sale of the new season is being advertised in this issue of The Journal. The sale will be held Tuesday, July 30 at the farm of W. H. Garrett, 3 miles north and 1 east of Progress, or 6 miles east of Lar-jit.

Col. W. D. Wamont, Muleshoe auctioneer, will cry the sale and his clerk will be Henry Schuster.

A big list of household goods and miscellaneous household articles and farm equipment items, as well as feed, cows, chickens and hogs will be sold. The sale will begin at 12:30.

First Baptists To Begin Revival Coming Sunday

Rev. John G. Moore, pastor of Colonial Baptist Church, Dallas, will conduct the revival at the First Baptist Church in Muleshoe, scheduled to begin the coming Sunday, July 28.

The revival is to continue through August 11. Rev. A. W. Blaine, pastor, said Roy J. Camp, of Fort Worth is to conduct the singing for the revival.

Services will be held at 10 a. m. and at 8:30 p. m. daily.

Navy Discharges Rudolph Johnson

Rudolph N. Johnson, 31-year-old son of Mr. and Mrs. S. F. Johnson, of Route 1, Muleshoe received his honorable discharge at the separation center at Camp Wallace, Houston, Texas.

Johnson is credited with 10 months of duty and about 3 years' service with the Navy.

— BUY SAVINGS BONDS —

Candidates have had their final say and about all that remains is for the voters to have their say in the Democratic primary, the coming Saturday, July 27.

For only two county offices is there a contest in Bailey County. Sheriff J. C. Buchanan, running for re-election, is opposed by Willis Bartley for the office which is combined with that of tax assessor and collector.

For county and district clerk, Melvin G. Bass is seeking reelection and is opposed by Eddie Lane.

However, there are contests in three of the four commissioners precincts. In Precinct 1 M. D. King and L. T. McKillip are opponents. In precinct 2, three men are asking for the voters approval: W. L. Key, Partin Austin, and Tom L. Smith.

Glen Williams is unopposed for reelection as commissioner in precinct 3.

P. A. Altman, incumbent, is opposed by M. J. Gibson for election as commissioner in precinct 4.

DISTRICT RACES ARE WARM
Three district races involving Bailey County have kept the political pot boiling more intensely.

Congressman George Mahon, seeking reelection as representative of the 19th Texas district, composed of 25 counties, is opposed by Hop Halsey. Both have made speeches in the county and visited here during the campaign.

There is a three cornered race

ELECTION PARTY

There will be an election board placed in front of Bart's store on Highway 28. Bartlett store on Main Street, where the returns are turned in, will have a table across the street. A telephone has been installed there, and returns will be received and telephoned to other papers and to the Texas Election Bureau in Dallas.

for representative of the 12th Legislative District: Joe Jennings of Hale County, I. B. "Doc" Holt, Lamb County, and Tom W. DeLo of Floyd County, the latter seeking reelection. All three have made amicable campaigns and have appeared at rallies in Bailey County.

Then there is the race for judge of the 64th Judicial District, of which Bailey County is a part. Judge C. D. Russell is seeking reelection and is opposed by Dan M. Cook, attorney at Plainview. Judge Russell's home also is in Plainview.

Candidates in Bailey County who are unopposed include: Cecil H. Tate, for County Judge; Pat R. Bobo, for county clerk; R. J. Klump for Justice of the Peace, Prec. 1, and Joe "Uncle Shorty" Bertley, for constable, Prec. 1.

A full slate of candidates for county and precinct chairman of the Democratic party has been nominated and the names appear on the ballot.

- Hospital News -

Lea Pearl McMahan, baby daughter of C. McMahan of this city is in the hospital for medical care.

Mrs. Ernest White was in the hospital during the week for medical care.

Mrs. George Garth is spending a few days in the hospital.

Jackie Gilpatrick, son of J. D. Gilpatrick, of Los Angeles, California entered the hospital during the week. Jackie fell from the car when the door came open, and the car was in motion.

Congratulations to Mr. and Mrs. Alvin Elliott on the birth of a baby boy, Curtis Deon, weight 7 lbs, 3 oz.

To Mr. and Mrs. Vanoy Turpin on the birth of a baby girl, Julia Ann, weight 6 lbs, 3 oz.

WORLD OF QUILTS
Because of the world's extreme need for food, accidents to farm people constitute a world problem. The Texas Safety Association points out that the accident trend is upward. So, during the current observance of Farm Safety Week, resolve to make a P. D. mean Reduce Farm Dangers.

UNSEEN URGED AS A CAREER FOR WOMEN

Austin, July 24.—Dr. Geo. W. Cox, State Health Officer, is appealing to young women high school graduates to seriously consider the public health nursing profession as a career, when re-entering school this fall.

Public health nursing offers young women opportunities for lifetime careers which are highly useful and satisfactory. Demands for professional nurses now exceed the supply in public health and other fields of work," Dr. Cox said. "Possibilities of travel varied experience, income and other features of the profession compare very favorably with those open to women in other careers.

Legion Urges V-Day Observance

The American Legion is taking the lead in calling on all citizens to join in observing August 14 this year as "Victory Day" of World War II. Congress is being urged to designate this an annual holiday. Americans should celebrate the anniversary of our final victory in the great global conflict. For August 14, 1945, marked the capitulation of Japan after the earlier surrender of Germany and Italy. It was the greatest triumph in freedom's cause in all the history of mankind.

We should observe the date fittingly to keep alive the memory of the cost of our liberty. We paid in this latest installment more than 350,000 American lives, an astronomical total in dollars, and incredible toll and heartaches.

We should cherish the date with pride over our accomplishments—the military victories of our fighting men and women on battlefields around the world, and the miracle production on the home front. We need the annual reminder of our World War II victory also to

rededicate ourselves with the same national unity and teamwork which distinguished our war effort, to the vital task of translating our military victory into enduring peace. The 14,876 posts of The American Legion have been to organize community observances of August 14 as "Victory Day" of World War II. I invite all Americans to participate and devote at least part of that day to a tribute to those who gave most to help win the war, and to reconsecration of themselves to the unfinished job of building a lasting peace through a strong America.

AMERICANS ARE BUYING MORE SAVINGS BONDS

WASHINGTON, D. C.—Americans bought \$139,057,000 more of U. S. Savings Bonds during the first half of July than in the first half of June, National Savings Bonds Director Vernon L. Clark reported today. Sales surged up 45.7 per cent above the mid-June figure to reach \$442,514,000, the best half-month's volume since January, he said. "This marked increase resulted from the Treasury's 'Back Your Future' June-July Savings Bonds Promotion which stressed invest-

Dodge Dealer Urges Protection Of Your Old Car

Because of the long wait many motorists will have to undergo before getting a new car, Arnold Morris of Arnold Morris Auto Co., local Dodge dealer, urges you to keep your car in top condition.

"Of course we want to put you in a new Dodge as quickly as we can," he said, "but we simply can't do that to your own best advantage if you run down the condition of your present car. Your present car is old, and yet you need all the driving safety and comfort you can get. You'll definitely profit or lose by the condition of your present car when you finally turn it in."

"Out of our experience and knowledge of conditions, we like you to get double protection. Bring your car in and let us give it the necessary inspection and repair care. We have all of the facilities to place your present car. Your present car and our saving a price will give you protection while driving.

"Your new Dodge will be a nice

Highlights of Regular Army Enlistment

1. Enlistments for 1½, 2 or 3 years. (One-year enlistments permitted for men now in the Army with 6 or more months of service.)
2. Enlistment age from 18 to 34 years inclusive (17 with parent's consent) except for men now in Army, who may reenlist at any age, and former service men depending on length of service.
3. A reenlistment bonus of \$50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 90 days after last honorable discharge.
4. Up to 90 days' furlough with pay, depending on length of service, with prescribed travel allowance paid to home and return, for men now in the Army who reenlist.
5. Consult your Army Recruiting Office for other furlough privileges.
6. Mustering-out pay (based upon length of service) to all men who are discharged to enlist or reenlist.
7. Option to retire at half pay for the rest of your life after 20 years' service increasing to three-quarters pay after 30 years' service. (Retirement income in grade of Master or First Sergeant up to \$185.63 per month for life.) All previous active federal military service counts toward retirement.
8. Benefits under the GI Bill of Rights assured for men who enlist on or before October 5, 1946.
9. Choice of branch of service and overseas theater (of those still open) on 3-year enlistment.

Veteran's Mosses

Q Last year I attended school under the G. I. Bill and received subsistence payments of \$75 a month for me and my family. The amended Servicemen's Readjustment Act, passed in 1945, increased

the amount to \$90 a month. Am I entitled to retroactive payments for the increase?

A. No payment of increased subsistence allowances for veterans with dependents went into effect Jan. 1, 1946. It provides specially that the increased amount is payable as of the first day of the first calendar month immediately following enactment of the amended legislation. Date of the enactment was December 28, 1945.

Q I am 23 years old and would like to know what my premium

will be on a 20-payment NSLI policy?

A. The monthly premium on such policies at your age is \$2.05 a month per \$1,000.

Q How long do I have before I have to convert my term insurance to a permanent form?

A. You can keep your term insurance for eight years from the time it was taken out, if it was taken out before January 1, 1946, or five years if it was taken out on or after that date.

Q I have let my NSLI term policy lapse since my discharge. I have been out of the Army more than six months. Can my policy be reinstated?

A. To reinstate your NSLI term policy, irrespective of the date of lapse, you are required to pay only two monthly premiums and submit a skin statement that you are in good health as at the time of the lapse. You have until January 1, 1947 to do this under the regulations.

Q Is it permissible for a veteran to reduce the amount of his insurance policy?

A. Yes. The amount continued must be in multiples of \$500, but not less than \$1,000.

Q Are there any restrictions for the NSLI policy holders?

A. The insurance is free from restrictions as to residence, travel, occupation or military or naval service.

Since the opening of the Veterans Administration Regional Office in Lubbock, June 1, the Adjudication Division has received 4,488 claims for compensation or pension. Of this number 3,042 have been acted upon to date, Benjamin O. Murph, Chief of Adjudication, announced today. This means that 3,042 West Texas veterans, or their beneficiaries, will soon know whether or not they are going to receive a pension or compensation check from the Veterans Administration.

About two-thirds of the claims pending adjudication are awaiting additional information from the veteran, physical examination, or service records.

One out of every four veterans of

World War II has filed claim with the VA for disability pension. VA records show.

More than 250,000 veterans of World War II living in Texas, Louisiana and Mississippi have filed pension claims, of which 118,752 claims are expected to be adjudicated this year.

The VA has already paid out over \$500,000,000 to disabled veterans of World War II.

Disability pensions range from \$11.50 a month for 10 per cent disability to \$115 a month for total disability.

There are also statutory awards for certain specific total disabilities, such as blindness in both eyes, loss of the use of both hands, or paraplegia (spinal cord injury) which may be as high as \$300 a month.

VA urges veterans who believe they are entitled to a disability pension to file their claim within one year from date of discharge.

Payments on disability claims filed within the one-year period begin from the date of the veteran's discharge. Payments on claims filed

after that period start from the date the claim is filed.

Miss Ann Woodley is visiting in Quiana's with her grandmother, Mrs. Henry Woodley.

One-piece cotton bra and pressed plicated skirt, shown above as pictured in the June issue of Good Housekeeping magazine makes attractive summer attire.

Mrs. O. N. Robinson Celebrates Birthday

Mrs. O. N. Robinson, whose birthday was July 19, was honored with a surprise birthday dinner Sunday, July 21, by her daughter, Mrs. Herstine Beller at her home near Muleshoe.

A delicious dinner and a special birthday cake in honor of Mrs. Robinson was served to the following: Mr. and Mrs. O. N. Robinson, and daughter, Lucy, of Littlefield; Mr. and Mrs. Sylvan Robinson and family of Muleshoe, and Mr. and Mrs. Herstine Beller and family of Muleshoe.

Just Between Us Girls

I have had several people tell me that this paper needs a column for the women. Well, here goes. I never have tried this but the saying is, you can do anything if you want to.

I hear that they are starting the canning center this coming Monday, the 29th. So all you ladies who are interested in canning, gather up your jars and paraphernalia and take it to the canning center. If you have never canned, there will be women there to assist you and show you how it's done. You can help out the food supply by doing this.

Say, I'll tell you one little time-saver in the kitchen—those new pressure cookers. Of course, there are several different kinds (and all good), but the point is, they save you hours of time in the kitchen and cut down your fuel bill, too. Just for instance, you can cook a roast in 30 minutes, vegetables in from 3 to 5 minutes, etc. They are really keen.

You know the more I shop out of town, the more I appreciate our stores here in Muleshoe. We really have some nice stores to trade in right here at home. Don't know why we always think that if we go somewhere else we'll find something different and tramp all day and come home with our wares hanging out and nothing accomplished. Silly, isn't it?

Well, it's vacation time—that is for some folks round here and about. Seems some are going to Red River, Colorado, and others to California, and clear up to Canada. So, maybe one of these days folks around this joint will take one of those jaunts, too. Who knows?

Jim Norman of Plainview, was a visitor at the Journal office Wednesday.

Mr. and Mrs. Dan Cook of Plainview, were in Muleshoe Tuesday in the interest of his candidacy.

Bill Gidney, Manager of the Goodyear Store in Plainview, was a business visitor in Muleshoe Wednesday.

News Briefs

Lt. Clark Harvey received his honorable discharge from the Navy and arrived home Saturday. Lt. Harvey was in the Navy Air Corps and is the son of Mr. and Mrs. H. G. Harvey.

The Assembly of God Church at Needmore is beginning a revival July 28 with Sister David B. Dillingham preaching. There will be special songs and music.

Everyone is cordially invited to attend and hear the true word of God.

Is Our Representative For the Open Shop In Texas?

Let the Records Speak!

Herewith will be found a reprint of a photostatic copy of page 2565 of the House Journal, May 29, 1945, of the 59th or last session of the Texas Legislature.

This House Joint Resolution No. 1 was a proposed amendment to our Constitution to have been submitted to the voters of Texas, which, if it had been ratified, would have guaranteed an OPEN SHOP in Texas. In other words every citizen would have been guaranteed the right to work when, where and for whom he desired, and at whatever wage he would be satisfied to work for, whether a Union or Non-Union worker.

You will note that this proposed amendment failed to receive the two-thirds vote necessary for passage, the vote being 69 for, 54 against and 26 absent. Twenty-four of those absentees are shown on this page and many of those no doubt were absent because they were politically afraid to vote either way.

We all know that the CIO is spending several million dollars to organize our farm and other unskilled laborers in the South; that one labor organization has bragged that it would spend all of its 47 million in reserve to defeat President Truman; and that the CIO Political Action Committee is spending large sums of money right here in Texas to elect to the Legislature those favorable to its program and to defeat those against its program of (1) a CLOSED SHOP, (2) the FAIR EMPLOYMENT PRACTICES COMMITTEE (by which Negroes and Mexicans must be employed alongside Whites on equal basis); (3) ALLOWING NEGROES TO VOTE in our primaries; and many other matters that are foreign to our American Democratic institutions and long-time practices.

The people of Texas and the Nation had better look into the qualifications and political affiliations of the men they elect to our Legislature and to our Congress, and also look up the record on past matters of vital importance to our Democratic form of government.

House Joint Resolution No. 1 was one of those important matters. HOW DID YOUR REPRESENTATIVE VOTE ON THIS BILL? The reprint at the right will show you how he voted. You better stop, look and think before you vote.

May 29, 1945 HOUSE JOURNAL 2565

we submit the following Constitutional Amendment to our Bill of Rights: "A Joint Resolution adding Section 26A to Article I of the Constitution of the State of Texas, a provision that every citizen has the right to work and to collect compensation therefor, regardless of whether or not he is a member of any labor union or labor organization of any character; employment shall not be denied nor any person's right to work abridged, on account of membership or non-membership in any labor organization; all contracts which shall exclude from employment, or have the effect to discriminate against, any person because of membership or non-membership in a labor union or other labor organization shall be void; no employer shall deduct or withhold without the employee's consent from any employer his wages or earnings or any part thereof for the purpose of paying the same for dues, assessments, fines or initiation fees to any labor union or labor organization; further providing that such constitutional Amendment adopted shall be self-operative and self-executing, providing for the submission of this Amendment to the voters of this State, prescribing the form of ballot, providing for the proclamation and publication thereof, and providing for the necessary appropriation to defray the necessary expenses for the submission of this Amendment."

The resolution was read third time. Question recurring on the passage of H. J. R. No. 1, yeas and nays were demanded. If J. R. No. 1 then failed to pass by the following vote (not receiving the necessary 180 votes):

NOTICE

NOTICE OF HEARING ON PETITION FOR THE ISSUANCE OF ROAD BONDS BY ROAD DISTRICT NUMBER 1A, OF BAILEY COUNTY, TEXAS.

THE STATE OF TEXAS, COUNTY OF BAILEY, TO THE RESIDENT QUALIFIED

COMMISSIONERS OF ROAD DISTRICT NUMBER 1A, OF BAILEY COUNTY, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID DISTRICT AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION, AND TO ALL OTHER PERSONS CONCERNED.

TAKE NOTICE that a petition signed by Inez F. Bobo and 415 resident property taxpaying voters of ROAD DISTRICT NUMBER 1A

of BAILEY COUNTY, TEXAS, who own taxable property in said District, and who have duly rendered the same for taxation, has heretofore been submitted to the Commissioners' Court of said County, wherein such petitioners pray the Court for an order for an election on the following proposition:

WHETHER OR NOT the bonds of the said ROAD DISTRICT NUMBER 1A shall be issued in the principal sum of \$225,000.00, for the purpose of constructing, maintaining and operating macadamized, graveled or paved roads and turnpikes, or in aid thereof, and which bonds are to bear interest at a rate not exceeding 3% per annum, and are to be issued in such denominations and payable at such times as may be deemed most expedient by the Commissioners' Court, but not to exceed 30 years from the date thereof; and that at such election there shall also be submitted to the qualified property taxpaying voters of the said ROAD DISTRICT NUMBER 1A, the question as to whether or not additional taxes shall be levied on all taxable property within the said ROAD DISTRICT NUMBER 1A, for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption or payment thereof at maturity?

AND FURTHER TAKE NOTICE that the boundaries of said ROAD DISTRICT NUMBER 1A, OF BAILEY COUNTY, TEXAS, are described and defined in the order of the Commissioners' Court of said County, passed and entered of record on the 16th day of July, 1946, recorded in Volume 2, page 534, et seq., of the Minutes of the Commissioners' Court, creating and establishing such District and defining its boundaries, and such boundaries as described and defined in the order aforesaid, are as follows, to-wit:

BEGINNING at the North West corner of Bailey County, Texas; THENCE South along the West boundary line of Bailey County, Texas, to the South West corner of

said Bailey County, Texas; THENCE East along the South boundary line of Bailey County, Texas, to a point on the East line of League Number 124, Childress County School Land, where the South line of Bailey County crosses said East line of League 124, Childress County School Land; THENCE North on League lines between Leagues 124 and 121, between 123 and 122 Childress County School Land, continuing North across the J. M. Maloy Survey to the South line of League 181 Floyd County School Land;

THENCE West to the South West corner of League 181, Floyd County School Land; THENCE North on League line between League 165 Iron County School Land, 181 Floyd County School Land, 166 Iron County School Land, 180 Floyd County School Land, League 167 Iron County School Land, and 179 Motley County School Land, 168 Hale County School Land, and League 178 Motley County School Land, League 169 Hale County School Land, and League 177 Motley County School Land to the North East corner of League 169, Hale County School Land;

THENCE East along the North boundary lines of League 177 Motley County School Land, League 186 Swisher County School Land, League 193 Foard County School Land, League 201 Roberts County School Land and 209 Deaf Smith County School Land to the East boundary line of said Bailey County, Texas; THENCE North along the said East boundary line of Bailey County, Texas, to the North East corner of said Bailey County, Texas; THENCE West along the North boundary line of said Bailey County, Texas, to the North West corner of said Bailey County, Texas, the place of beginning.

AND FURTHER TAKE NOTICE that said petition has been set down for hearing before the Commissioners' Court of Bailey County, Texas, on the 9th day of August, 1946, at 2 o'clock P. M., the place

of such hearing being in the Commissioners' Court Room in the Courthouse of said County at Muleshoe, Texas.

AND FURTHER TAKE NOTICE that the aforesaid petition stipulates that if the said bonds are voted and issued, the money received from the sale thereof will be applied to the construction and maintenance of the following roads: 1. A road beginning at a point in the West boundary line of Bailey County, Texas, where said boundary line intersects the North line of Section 29, Block Z;

THENCE East approximately four miles to the Northeast corner of Section 52, Block Z; THENCE South along the East line of Section 52 to the Southeast corner of said section 52; THENCE East approximately ten miles to intersect Highway U. S. 70; the exact location to be hereafter determined by the Commissioners' Court. 2. A road beginning at the Northeast corner of Section 28, Block Z; THENCE South approximately nine miles to the Northeast corner of Section 66, Block A, Melvin Blum and Blum;

THENCE in an easterly direction approximately ten miles to a point in the South line of Labor 5, League 191, Ector County School Land, to intersect Highway 214; the exact location to be hereafter determined by the Commissioners' Court. 3. A road beginning at a point in the South line of Labor 25, in League 191, Ector County School Land, where Highway No. 214 intersects said line; THENCE in an easterly direction approximately six and one-half miles to the East boundary line of Bailey County, Texas; the exact location to be hereafter determined by the Commissioners' Court. 4. A road beginning at a point in the North line of Bailey County, Texas, being the point in the East line of Section 68, Block Y, where the said East line of Section 68, Block Y, intersects said North line of Bailey County, Texas;

THENCE South a distance of approximately five and one-half miles to a point in the East line of Section 72, the intersection with Highway U. S. 70; the exact location to be hereafter determined by the Commissioners' Court;

5. A road beginning at a point, the Northeast corner of Section 71, Block Y;

THENCE East approximately one mile, the exact location to be hereafter determined by the Commissioners' Court;

6. A road beginning at a point in the North line of Bailey County, Texas, being the point in the East line of Section 30, Block X, where said East line of Section 30, Block X intersects said North line of Bailey County, Texas;

THENCE South a distance of approximately three and three-quarter miles to a point in the East line of Section 33, Block X, Bailey County, Texas, where said intersection Highway U. S. 70; the exact location to be hereafter determined by the Commissioners' Court. 7. A road beginning at the Northwest corner of Section 25, Block X, Bailey County, Texas; THENCE South approximately one-half mile to intersect Highway U. S. 70; the exact location to be hereafter determined by the Commissioners' Court. 8. A road beginning at the Northeast corner of Section 35, Block B, Melvin Blum and Blum; THENCE East approximately four and three-fourths miles to a point in the West line of League 168, Hale County School Land;

THENCE North a distance of approximately one and three-fourths miles to a point, the Northwest corner of Labor 5, said League 168;

THENCE East a distance of approximately two and one-half miles to the Northeast corner of Labor 1, in said League 168, Hale County School Land; the exact location to be hereafter determined by the Commissioners' Court.

9. A road beginning at a point approximately the Northeast corner of Section 38, Block B, Melvin Blum and Blum, Bailey County, Texas; THENCE South approximately nine miles to the Southeast corner of Section 31, Block C, Melvin Blum and Blum; the exact location to be hereafter determined by the Commissioners' Court. 10. A road beginning at a point in the Southwest corner of Section 48, Block C, Melvin Blum and Blum; THENCE in an easterly direction approximately four and one-half miles to a point in the South line of Section 52, Block C, Melvin Blum and Blum, which point is approximately the southeast corner of the Southwest one-quarter of said Section 52;

THENCE South approximately one and one-half miles to a point in the North line of the Maple Township; the exact location to be hereafter determined by the Commissioners' Court. 11. A road beginning at a point, the Southeast corner of Section 38, Block C, Melvin Blum and Blum, Bailey County, Texas;

THENCE West approximately one-half mile along a line between said Section 38 and Section 51, Block C, Melvin Blum and Blum; the exact location to be hereafter determined by the Commissioners' Court. AND WHEREAS, the Honorable Commissioners' Court of Bailey County, Texas, has set the above petition down for hearing at a special session of said Court, to be held in the Commissioners' Court Room at the Courthouse in Muleshoe on the 9th day of August, 1946, at 2 o'clock P. M., and has ordered and directed the undersigned to give notice of such hearing in accordance with law; now, therefore, NOTICE IS HEREBY GIVEN of such hearing to all persons concerned in order that they may appear before said Court at the time and place above mentioned, and to attend such hearing, and to contend for or protest the ordering of such proposed bond election, as prayed for in the petition and at such hearing any person interested may appear before the Commissioners' Court in person, or by attorney, and contend for or protest the calling of such proposed bond election; and all persons interested shall have the right to offer testimony to show that said petition should or should not be granted and that the election prayed for should or should not be ordered.

WITNESS MY HAND AND SEAL OF THE COMMISSIONERS' COURT OF SAID COUNTY, AFFIXED, this the 24th day of July, 1946. (SEAL) M. G. BASS, County Clerk and Ex-Officio Clerk of the Commissioners' Court of Bailey County, Texas. By LILLIAN SELLARS, Deputy.

NATIONAL FARM SAFETY WEEK

By the President of the United States of America

A PROCLAMATION

WHEREAS an increased supply of food is vitally needed to promote peace and happiness in the post war world; and

WHEREAS farm accidents rob the nation of thousands of lives and millions of dollars worth of food and other property each year; and

WHEREAS experience in previous observances of National Farm Safety Week has clearly shown the necessity and benefits of a co-ordinated and constant educational farm-safety program;

NOW, THEREFORE, I HARRY S. TRUMAN, President of the United States of America, do hereby call upon the Nation to observe the week commencing July 21, 1946, as National Farm Safety Week.

And I request all persons and

organizations concerned with agriculture and farm life to do everything in their power to discover and publish the facts about farm accidents, and to develop practical safety programs which farm people everywhere can translate into direct hazards which daily threaten their lives and happiness. As a start, I specifically suggest that the farm people of the country observe National Farm Safety Week by resolving to eliminate at least one hazard a day until their farms are as safe as they can possibly make them.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the United States of America to be affixed.

DONE at the city of Washington this twenty-seventh day of April, in the year of our Lord nineteen hundred and forty-six, and of the Independence of the United States of America the one hundred and seventieth.

HARRY S. TRUMAN, President
DEAN ACHESON, Acting Secretary of State

SAFETY FIRST

With the thermometer hovering around 90-100 degrees these summer days, motorists are warned by the Texas Safety Association that their war-worn and early synthetic tires cannot stand speed.

It is pointed out that disastrous blowouts, caused by friction-heated tires, can easily throw the speeding car out of control. The greater

the speed, the more heat is generated. In hot weather the heat within the tires can shoot above the boiling point, reducing tire life to only 60 per cent of the normal. Even if your tires are in perfect condition, the car speeding towards you may go out of control because its tires cannot stand the heat, says the association.

This is Farm Safety Week, sponsored by the Texas Safety Association and proclaimed officially by Governor Stevenson. During this week farm people are urged to start a drive to eliminate at least one hazard a day until their farms are hazard-free. But there still will be accidents UNLESS farm people make watchfulness and carefulness a part of their daily work and daily living. So, let's keep accidents DOWN on your farm. For the land's sake—and your own—be careful!

Because of the world's extreme need for food, accidents to farm people constitute a world problem. The Texas Safety Association points out that the accident trend is upward so, during the current ob-

Plainview Men Publish "Texas Week" Magazine

Austin—For the first time in its journalistic history, Texas will have its own weekly newsmagazine when "TEXAS WEEK," published here, makes its initial appearance on newsstands throughout the state, August 9.

Editor and publisher of the new publication is Raymond Holbrook, Plainview, a university of Texas alumnus, class of 1936, who, prior to his enlistment in the Marine Corps in 1942, was State Editor of the Amarillo Globe News. Bruce Collier, also of Plainview, and a college classmate of Holbrook's, is

the magazine's advertising manager. Business manager is Harry Seelion of Dallas, where he will be in charge of one of the magazine's branch business offices.

Early this year, Holbrook, Collier and Seelion banded together a group of veteran Texas newspapermen who, like themselves, were all veterans of World War II, and formed a close cooperation. They then leased an old residence at 2006 Guadalupe Street in Austin, equipped it with the best available furniture and typewriters and set up shop. Holbrook tells the story: "It seems we had all been nursing the same newspaperman's dream for a long time—a weekly magazine for Texas. We agreed that what Texas needed was a newsmagazine of its own to record its own activities in its own way and each of us felt that Texas was probably the only State in the Union that required and

could and would support such a publication. So, we pitched in the savings we couldn't spend on South Pacific atolls, on beachheads and in fox holes—and the result is "Texas Week."

BETTER FARMING Electrically

Ask any farmer who has electric service about its conveniences, its advantages and how it brings more production and more profits.

He'll say, "I wouldn't be without cheap electric power. I will never go back to the old fashioned method of farming."

Our vast expansion program is designed to bring more power to more farms at a lower cost than ever before. Of course, you are interested in electrifying your farm. Your nearest Public Service office or R.E.A. office can tell you how.

Back YOUR FUTURE
U.S. VIGOR BONDS

Uncle Sam Says

None of us will ever celebrate D-Day in the spirit of a gay holiday. On the contrary, June 6 is forever enshrined as a day of sacrifice. Two years ago, on the beaches of Normandy, all our hopes for a peaceful happy future were in the balance of bloody invasion. The best observance you can make of the first peacetime anniversary of D-Day is to make sure you are buying as many savings bonds as ever. You backed the attack—now back your own future. U. S. Treasury Department

Elect Eddie Lane
COUNTY and DISTRICT CLERK
To the Voters of Bailey County:
I have made an attempt to see each of you, but I am sure that I have not done so. But this does not mean that I do not want your vote, for I would like to have asked each of you personally for your support. It has been the policy of the people of Bailey County to "pass around" the responsibility of holding office to those who desire to serve, and with that desire and since I know that I am qualifie dto do the work. I am asking you to elect me as your County and District Clerk.
(Signed) EDDIE LANE.

Relatives Of Men Missing Warned On Information Groups

Army Air Forces Headquarters today warned families of airmen killed or missing against paying any organizations for information of such personnel, pointing out that the proper agencies of the War Department were the only reliable and official sources.

Unauthorized organizations and persons have been reported soliciting bereaved families for funds, promising additional information to that furnished by the AAF. Such authorized intervention results in superfluous correspondence and delays the furnishing of information to the next of kin.

The AAF will continue to furnish all information available the result of years of painstaking search and investigation, direct to next of kin

or proper government agencies. This information will not be furnished to unauthorized persons or organizations.

MAPLE NEWS

Rev. Orbin Turner, Methodist pastor of Littlefield spoke in behalf of McMurry College of Abilene at the Methodist Church Sunday afternoon.

Mrs. Fay Krebs was delightfully surprised Sunday when her Sunday School class each took a covered dish and went home with her for dinner.

Mr. and Mrs. Vernon Brackman returned home from east Texas last week after an extended visit.

Mr. and Mrs. Bill Eubanks are the proud parents of a daughter, born July 14. Weight 6 lbs.

M. B. Toombs has been remodeling his house.

ELECT HOP HALSEY TO CONGRESS

Retail Sales Up
June sales of independent stores in Texas were up 29 per cent over those of June, 1945, the University of Texas Bureau of Business Research reports. Lumber, building, and hardware dealers reported nearly 77 per cent more business

than last year. Other stores showing gains were filling stations, and apparel sales.

NOTICE

Baileyboro ISD No. 8 will accept sealed bids for two school busses on Friday, August 2, 1946 at Baileyboro school.

One short route and the other to come to Muleshoe with high school pupils.

We reserve the right to reject any and all bids.

BAILEYBORO ISD NO. 8
By: J. H. Sowder, Secretary.

News Briefs

Mrs. S. T. Tipton of Littlefield has spent several days visiting in Muleshoe and vicinity.

Mr. and Mrs. N. H. Greer and son left Saturday for points in Colorado.

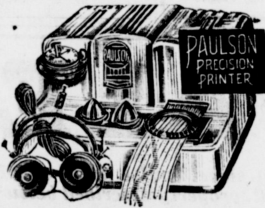

Mr. and Mrs. Chester Anderson and son were visitors in the home of his parents in Portales, this weekend.

Rufus Gilbreath and son, John Charles, left Wednesday for San

Diego, Calif. to join Mrs. Gilbreath and the daughter, Doris Ann, who have been visiting with Mrs. Gilbreath's sister. From there they expect to go to northern California, Oregon, Washington, thence to Idaho for a visit with Mrs. Gilbreath's parents, at Jerome. They will spend a week in Yellowstone National Park, then return home by way of Denver. They will be gone about a month.

Mrs. Buck Wood, Mrs. Howard Elliott, Mrs. Vance Waggon, and Mrs. Buck Ragsdale were shopping in Amarillo Thursday.

H. S. SANDERS LUMBER
MULESHOE, TEXAS

Hats Off to this Fellow...

HE fed us, our soldiers, our allies, and a lot of other people while we won a war. Now he's asked to keep the world from starving.

He's the American farmer.

He deserves the thanks and appreciation of everybody. He deserves it more than most folks realize because he increased his production by 30 per cent in five years without enough new tools to replace the labor he lost.

But, American farmers are disappointed—and they have a right to be. They expected that the end of the war would bring them an opportunity to replace their patched, repaired, weary and over-worked farm implements.

Of all of our shortages, that in farm tools and implements is the most serious.

Strikes have caused the shortages in farm implements—strikes in steel, strikes in coal, and strikes in the farm implement industry itself.

In the steel industry alone, the production of steel in the ten months following VJ day was 19 million tons short of expectations, enough to supply farm needs for at least five years. Most of the decline was due to strikes.

That is why the steel industry has not been able to catch up with the demand for new roofing, wire, fencing, tools and all the things of steel needed on the farm.

That is why the farmer is being penalized through no fault of his own. This nation cannot move ahead under the threat of ever-recurring labor strife.

Steel mills need all the scrap iron and steel they can get. Farmers can help increase steel output by sending worn-out machinery, etc., on its way to the furnaces. AMERICAN IRON AND STEEL INSTITUTE, 350 Fifth Avenue, New York 1, N. Y.

The Institute has printed a booklet STEEL SERVES THE FARMER. Write for a copy and it will be sent gladly.

News Briefs

Rev. and Mrs. C. E. Jamison and Mr. and Mrs. L. Y. Jamison were visitors in the home of Mr. and Mrs. Noel Woolley Monday.

Dan and Kieth Bray visited last week in Idabel, Oklahoma with an uncle, C. J. Carpenter.

B. A. Davis of Lubbock was in Muleshoe on business Monday and Tuesday.

Mr. and Mrs. Bill Moore and daughter, Marjorie left Monday for Cheyenne, Wyoming, where they will attend the annual rodeo.

Mrs. Minnie Stephens and Mrs. Lydia Weekly of Austin are here for a visit in the J. H. Engram and G. O. Jennings homes. The two ladies are sisters of Mrs. Engram and aunts of Mrs. Jennings.

Mr. and Mrs. Bill Collins and daughters returned Monday from a vacation in Kansas, Colorado, New Mexico, and Old Mexico.

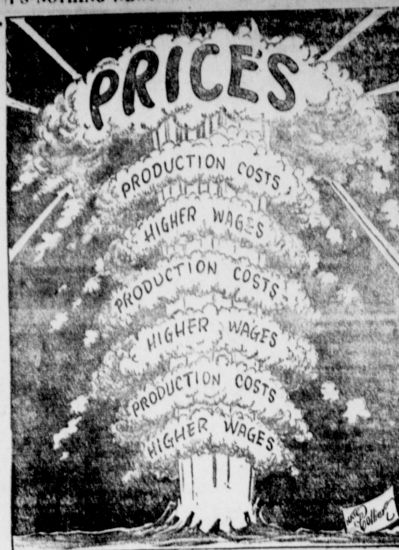

Miss Eunice Florence of Level-land, Miss Mildred Davis and Mrs. R. L. Jones of Muleshoe were visitors in Vernon over the weekend. Miss Florence and Miss Davis were visitors in the home of the grandmother of Miss Davis, who is seriously ill. Mrs. Jones visited in the home of her aunt, Mr. and Mrs. E. H. Pigg. Mrs. Pigg is also ill.

Misses Nell DeShazo, Frances Leech and Margaret Ann Johnson returned to their homes in Muleshoe from Portales, where they have been attending ENMC, to await the opening of the fall term, which will begin in September.

H. D. King, of the King Grain & Seed Company, was in Kansas City last week on business.

Upside Down Cake Is Tops

THE appeal of an upside down cake is its surprise attributes, for it may offer a different fruit flavor every time or a combination of flavors. Both pineapple and apricot are favorites, but have you tried sliced canned peaches? These add delicacy to the cake illustrated above.

Cooked dried fruits make excellent and inexpensive toppings, using one or two of a miscellany of apricots, prunes or figs, pears, nectarines and apple rings. A delicious combination is achieved by using halves of canned pears filled with halves of canned figs, filling the spaces between the pears with figs cut in a size to fit.

Most recipes for upside down cake stress a moderate or slow oven, which means either 350 or 300 degrees, the lower temperature naturally requiring a longer period. When a modern gas range does the baking, its heat control maintains such an accurate, even temperature that the cake bakes perfectly without watching or turning in the oven.

West Texas Gas Company

Say,

Did you see that big, red truck back up to Beavers Motor Supply and unload that load of Fresh, Hot Batteries?

Yep, that's what they did. Come in and get one.

Yes, we also got in about twenty-five thousand dollars worth of accessories this week—such as Steering Wheel Spinners and Covers.

- Lug Bolts and Nuts.
- Whiz Brake Fluid.
- Venus Auto Polish.
- Acid Core Solder.
- Can Openers.
- Aviation Cement.
- Baby Seats, Child's little Red Wagon, Scooter.

Yool never know what we got here unless you come and see for yourself.

Second Atomic Bomb Explodes At Bikini In Test Of Newly Found Power

FIRST BLAST, June 30th. Plus ships sunk, nine ships wrecked, forty-five ships reported damaged.

SECOND BLAST, in 2 weeks. expect a crushing effect on ships hulls. Great radioactivity in water. Giant waves to sweep over ships and island.

THIRD TEST, to be staged next year. Predictions of some who witnessed 1st test are that all ships will be sunk within 50 miles of blast area.

1st bomb dropped by plane 2nd bomb to be placed just under surface of the water 3rd "hydrophane" bomb to explode at depth of 125 ft.

ABOARD USS APPALACHIAN OPERATIONS CROSSROADS.—Second or Baker test of the atomic bomb in Bikini lagoon, set for July 25, will be like dynamiting fish in a pond.

Stubble-Mulch FARMING

Wheat stubble and straw may average more than 1,000 pounds per acre a year. It is already spread over the field ready to enrich the land. Stubble, when left on top or worked into the soil increases the organic matter content, increases the moisture holding capacity of the soil, improves soil tilt and fertility, prevents soil from blowing or washing, keeps down weeds, kills grasshopper eggs, holds plant food in place and supplies a home for organisms.

These results are obtained from the practice of using as a mulch on cultivated fields the residues of top growth of crops grown on these fields. This can be done by tilling the soil with implements that leave these materials on or near the surface.

Muleshoe State Bank
Member Federal Deposit Insurance Corporation

ter, 180 feet, and detonated in the midst of the target fleet, which is being regrouped to meet new conditions of the test.

This second test also will lack the drama of the bomb burst and the atomic cloud, which is characteristic of atomic bombs exploded in air. What is likely to happen is that the intense heat will generate steam in the water and the terrific force will expend a part of its energy in a waterspout with a cloud of steam and vapor shooting into the air. Intent of this test is to measure force of atomic energy upon the hull structure of naval ships spaced at various distances from the center of the explosion.

Subs to Submerge.

There will not be the visible damage which was inflicted wholly upon the topides or superstructures as in the first blast. Since there is to be no ship placed directly above the point of blast, the prediction is being made freely that no capital ships will be sunk, although lighter craft may be capsized. Another feature of the second blast is the placing of submerged submarines in the target fleet, and it will be interesting to note the effect of the bomb force upon the steel hulls of these vessels beneath the water.

Naval scientists predict that force of the underwater blast will create waves of sufficient height, possibly 10 or more feet which will sweep over low-lying Bikini island, although this was also forecast in the first blast and did not materialize.

Meantime, endless arguments proceed as to the degree of damage to the ships, the location of the bomb burst, whether the drop from the plane was a "near miss", probably the loss of life had the ships been manned with full complement, and comparative efficiency of this first Bikini bomb as compared to the bombs at Alamogordo, Hiroshima and Nagasaki.

Mostly Static --

By Berry

Howdy Folks: Many feel that the passing of the OPA will give us an extra leap year—for prices.

Prices are the only part of the nation's food supply raised by the middleman.

Once, price was an indication of value. Now days it's an indication of nerve.

Many people think that there will be no break in prices until the government applies the brakes.

If there is a prediction of an early fall, it will not mean the fall of prices.

Now days, even the price of a dress isn't modest.

Oh for the spirit of '76 and the prices of '36.

Anyhow, we're doing our level best to hold the prices down on our merchandise.

We'll always try to give you the best possible deal.

Management's-eye-view of the **Santa Fe**

View from fireman's seat inside cab of one of Santa Fe's great fleet of Diesel locomotives. Engineer sits at right.

Many of the fine things you are enjoying and are about to enjoy on the Santa Fe are the direct result of riding the line rather than riding an office chair.

You can see more railroad from the cab of a locomotive than you can from a typewritten report. It all goes to prove that foresight is better than hindsight.

That's why you so often find the top executives of Santa Fe at the "head-end" of Santa Fe trains. They ride in front by desire and design to see what lies ahead.

The modern railroad executive, who has grown up with tracks and trains and who has spent a large part of his life in railroading, looks at a section of track not in terms of ties and rails but in terms of the possible improvements for better service to shippers and passengers.

Coupling long experience with mature vision, he translates new ideas into action with immediate decision which is both practical and timely.

This practical "Management's-eye-view" has led to the straightening of curves, improved roadbeds, new bridges and many other things which pay off in terms of better service for both passengers and shippers. It has led also to improvements of design and handling in the locomotives themselves.

During the next few months, Santa Fe will announce a number of new features improving its service and equipment. Watch for them.

SANTA FE SYSTEM LINES
Serving the West and Southwest
