

Mr. Muleshoe

To the desk of Mr. Muleshoe this week came a copy of the catalogue of the twenty-ninth annual Panhandle South Plains Fair, to be held at Lubbock October 7 to 12. It is a big book, with 120 pages. And it seems good to this writer to be getting things like that, symbolizing the end of the war, and back to things American, like Fairs. You know, county fairs in recent years have been pretty much neglected; but the county fair is one of the oldest traditions, coming even from the mother countries, and I sometimes wonder if we aren't missing a chance at something mighty fine. People from all over the county used to mix and mingle there and learn a great deal about their neighbors. The trouble in this county is that our 4-H and Vocational Agriculture boys have their livestock shows in the spring and in the fall, and they consume about all the extra energy we have for public exhibitions.

The County Fair has, at least, in this part of Texas, given way to the big regional fair, like the Lubbock event. Yet a fair here in Muleshoe, showing the cattle, hogs, truck produce and grain crops that grow here would, I believe, be of more interest than any regional fair possibly could.

This column pauses to pay tribute to the members of the Richardson Post, American Legion, and of the Legion Auxiliary in their campaign to build a home of which Bailey County will be proud. The citizens are supporting the boys in a big way; their open-hearted cooperation is encouraging the ex-service people. Chief Jones, as commander, is getting 100 per cent membership cooperation and we predict the ex-service men and women are going to get this job done; and we predict further, that the two groups will come to be recognized as two of the most active organizations devoted to community and county development. Watch these two groups of patriotic men and women.

The more one ponders on Secretary Wallace's New York speech the more puzzled he likely will become. One should remember the administration is trying to bind the support of the left-of-center labor groups to it and Mr. Wallace is "the right man to do that job and he did it well."

But political observers throughout the nation are of the opinion the Truman administration, which endorsed the Wallace speech, could have done nothing else to alienate so much support. The people will not approve Mr. Wallace's "sphere of influence" passage, in which he wants us to cut loose from Great Britain and cut Russia full freedom behind the "iron curtain." Such language, used by a member of the cabinet has handicapped Secretary Byrnes at the peace conference and will be reflected in the coming congressional elections.

More Than 800 Pupils Enrolled In Muleshoe Schools Is Report

Cloyd Roubinek Dies In Idaho

R. L. Roubinek left Tuesday for Twin Falls, Idaho, after receiving a message announcing the death of a brother, Cloyd Roubinek, 48, who passed away Monday.

Cloyd Roubinek was a former resident of Muleshoe. He was operator at the Santa Fe depot here for some time, leaving here about 15 years ago.

R. L. Roubinek had just returned Sunday from a visit with his brother and their mother at Twin Falls.

Mr. and Mrs. George Vaughn, of Springfield, Mo., have been visiting here with his parents. Rev. and Mrs. W. B. Vaughn.

Yellow Jackets Win Over Canyon, Take On Crosbyton Team Friday

Bus Drivers Institute 23rd

A bus drivers institute will be held in Muleshoe next Monday, September 23. Judge Cecil H. Tate announced, after receiving confirmation of the date from Captain E. L. Posey of the Texas Highway Patrol, Lubbock.

Capt. Posey said he will have a patrolman here to address the drivers, and that after the institute all school buses will be inspected. Attendance is compulsory, and to many people it seemed much more so cloudy weather continued.

10.92 Inches Of Rain For 1945

Only 10.92 inches of rain had fallen at Muleshoe to Tuesday for the year 1945, but to many people it seemed much more so cloudy weather continued.

The total is only 79 inch less than the total for 1945, which was 11.21. The recent rainy spell started on the night of September 10, when Muleshoe received 63 inch. At many places in the territory a much heavier fall was reported and many crops were damaged by hail the same night.

Then on the 12th, Thursday, the fall in Muleshoe amounted to 1.16 inches. Showers of Saturday amounted to .04 and on Monday .05 inch bringing the September total to 2.94 inches.

Mr. and Mrs. Bennett Dearing are vacationing and visiting relatives this week in Iowa.

Mr. and Mrs. J. E. Perkins and son, Arthur, of Circle Park, were weekend visitors in the home of Mr. and Mrs. T. W. Berry.

Miss Barbara Mae Morris has recently acquired a position with the Blackwater Valley Soil Conservation District office here.

Mrs. Gil Wollard and son, Leo have been visiting in Bynum with her parents.

The Muleshoe Yellow Jackets had little difficulty in disposing of their first opponents for the year, defeating Canyon high school last Friday in the football opening game. They made three touchdowns, converted after two of them and the final whistle blew when they were ahead 20 to 0.

Yellow Jacket Fans Plan Auto Caravan To Game

A caravan of automobiles bearing local fans to Crosbyton for the football game Friday night between Muleshoe and Crosbyton teams, will leave here about 5 p. m. Friday.

The group will meet on Main Street in front of the Western Drug and it is hoped that all fans will go together and stay together so that the boys will know their hometown friends are behind them.

The squad and coach will go by bus, and will leave Muleshoe about 3 o'clock. Coach Beam announced.

early in the first quarter. Canyon had shown a nice offensive on their first series of downs, but that was their last spark until in the final quarters the visitors racked up a couple of first downs.

The Muleshoe boys showed power and punch throughout, scoring touchdowns in each of the first three quarters. Some had misgivings about their tackling and blocking that should improve as the season advances.

Coch James Beam was pleased with the showing the boys made after only two weeks of practice and the crowd just went into full praise of their boys.

After thinking it over for a few days Beam announced his starting line-up against Crosbyton Friday night will be unchanged from Friday's starting list of the Canyon game.

A big crowd was on hand to witness one of the few victories turned in by a Muleshoe team in the last two or three years. Nearly all business houses were closed during the two hours of the game.

Starting line-up Friday was Lowry, le; Baker, rt; Jim Bickel, h; Winn, center; Garrett, rg; McKillip, rt; Tibbets, re; Farrell, quarter; Moore, fullback; Huff, full, and McCarty, wingback.

Touchdowns were made with Farrell carrying the ball twice and with Moore lugging the sphere once.

Youth Found In Box Car Here Was Returned Home

Sheriff J. C. Buchanan and Joe Vaughn returned Sunday afternoon from Indianapolis, Ind., where they delivered Robert Jim Bragg "to his mother's arms."

Bragg was hospitalized here after he was found in a car of sewer pipe on the Santa Fe railroad August 31. He was almost famished, having been in the box car since the preceding Saturday. He entered the car at Balld, Texas, and was unable to get out.

Mr. Buchanan said the cost of hospital treatment at Green's Hospital and Clinic was collected from the mother by him. The youth had to be taken home, since he was unable to travel by himself.

Mr. Vaughn visited in Indianapolis with the family of his son. On the return trip, Mr. Buchanan visited an uncle in St. Louis. They reported much rain in that section and said Indian corn looked mighty fine.

Remember next Sunday is singing Sunday. Everyone come and bring someone.

PROGRESS NEWS

Bro. Cole was here to preach Sunday morning and night. We had a good attendance.

Mr. and Mrs. M. O. Nigh made a business trip to Pampa, Texas, the first of the week.

Mrs. J. J. Meason visited relatives in Canyon, Texas, the first of the week.

Mrs. Mattie Griffin arrived home from California Tuesday.

Mr. and Mrs. J. J. Meason and family have moved in their new home.

Remember next Sunday is singing Sunday. Everyone come and bring someone.

School Band To Be Ready Soon

Muleshoe high school's rejuvenated senior band likely will take the field to put pep into the next football game, says H. A. Owens, principal and director of the band.

The organization, Tuesday listed twenty-five members.

The junior band, consisting of beginners had only 10 members.

Mr. Owens said instrumentation is sadly lacking. The band is strong in some categories, has vacancies in others, but Mr. Owens hopes to correct this situation as time goes on.

The band's appearance here September 27 when the Yellow Jackets play Olton in the first conference game, depends upon the progress made in the next few days, the director said.

Fair Boosters Here Sept. 26

LUBBOCK, Sept. 17.—A large group of Lubbock business men, accompanied by good speakers and entertainers, will bring the latest available information about the 29th Panhandle South Plains Fair to Muleshoe at 11:40 o'clock, Thursday morning, September 26, 1946. They will give a short program at the school, giving the highlights of the first renewal of the "Show Window of the South Plains" since 1941.

Their stay, a yearly pre-fair week, also includes a brief period for visiting and renewing old acquaintances on the downtown streets.

We Are Invited To The Portales Fair

An invitation to the people of Bailey County to attend the Roosevelt County Fair September 25 to 28, has been extended by the Roosevelt Chamber of Commerce, Portales, N. M.

It is the first time since the war for the fair to be held.

A delegation from Portales was in Muleshoe Wednesday morning to further emphasize the invitation. As added attraction for the fair, a "stuffed steer roping contest" has been arranged between Bob Crosby and Lewis Cooper.

Electric Co-op Gets More Funds

Allocation of \$416,000 for expansion in five counties has been made by REA to Bailey County Electric Cooperative, according to a telegram received here, Marty Ezell, manager, announced.

Mr. Ezell said the money is allocated for the purpose of constructing approximately 330 miles of single phase line to serve approximately 600 members in Bailey, Lamb, Cochran, Castro and Parmer counties.

This would represent an increase in present lines of nearly three-fifths.

The cooperative is now serving 1175 members and has 328 miles of rural lines already constructed.

Mr. Ezell cautioned, however, that construction is still contingent upon arrival of materials. Lines cannot be built until materials are available, and it now appears, from material schedules, that it will be 18 months to two years before the new construction can be undertaken.

All concerned are making every effort to have these material schedules changed so that materials can be secured and electric service may be supplied to the additional families.

DISTRICT BEAUTICIANS DISCUSS PRICE ADVANCES

The district beauticians met in Muleshoe Monday at 8:00 to discuss the advance in wholesale beauty supplies.

Representatives of beauty shops of Muleshoe were present at the meeting: Lucille Cherry, Muleshoe Beauty Shop; Bobbie Myers, The Beauty Box; Opal Booth, Triple-O; Mamie Kelton, Kelton's Beauty Shop; and Sue Bradley, Sue's Beauty Shop.

All present agreed to raise prices to cover the cost of advance in supplies which will be in effect beginning September 23.

Late reports indicate that the condition of Sandra Wagon, under treatment in West Texas Pediatric, Plainview, continues satisfactory.

Harry Musson of Manitou, Colo. has been here visiting with his grandparents, Mr. and Mrs. H. E. Musson.

Veterans Vocational School Being Planned—Twenty Vets Must Enter

Installation of a Veterans Vocational School in Muleshoe has been decided upon by school authorities, provided enough veterans desiring the training to be offered will qualify. The school announces selection of Vernon Loveless, Pampa, Texas Tech graduate, to teach the course.

Planned now is a clinic in Agricultural Education, using the room, the equipment and facilities of the Muleshoe high school Vocational Agriculture Department, school officials said.

Twenty students, veterans of World War II, are needed to begin the course. If a sufficient number qualify, another teacher will be added.

Married veterans who qualify will be paid \$90 per month, and

Dr. Green Tells Club About Polio

Dr. M. F. Green of the Green Hospital & Clinic Wednesday told members of the Muleshoe Lions Club many things they did not know about poliomyelitis, a disease which has now attacked two persons in the immediate neighborhood.

Polio, he said does not kill as many people as many other diseases, including tuberculosis, pneumonia, etc. It occurs all over the world, but its incidence among the people is small. It is caused by a virus and is a disease of the body, doing most of its damage to the spinal cord and the medulla at the base of the brain.

How it is spread is unknown. The disease occurs more frequently in rural areas than in town, and 85 per cent or thereabouts of its victims are under 15. Insects are suspected, particularly flies, therefore an anti-fly campaign would be a good idea. Prevention may be aided by providing for individual drinking containers and other sanitary means.

Of those attacked by the disease, 8 per cent die, and a big percent will show residual effects; however, many recover completely. There are even some people who have the disease so hard for the medical profession to combat.

Dr. Green described the symptoms in detail. The incubation period is an unknown quantity; as 25 days have elapsed after exposure until the onset of the disease. He praised the best known treatment, the Sister Kenny method, which has been somewhat modified since it was first introduced. Dr. Green believes, however, that medical genius, allowed to develop in the free atmosphere of America, will eventually conquer polio as it has conquered or controlled other dread diseases.

Dr. Green was introduced by Marty Ezell, in charge of the program.

Seniors, Juniors Elect Officers

Senior and junior classes of Muleshoe high school have held their first class meeting and organized for the year.

The seniors elected officers as follows: Wiley Moore, president; Herbert Griffiths, vice-pres; Maurice Will, riding secretary; Mary Arnold, treasurer; Jackie Lawler, reporter.

Sponsors chosen are: H. A. Owens and Mrs. Noel Woodley; room mothers are Mrs. Irvin St. Clair, Mrs. Lennie Austin, secretary, Mrs. Charlie Barnett, Mrs. Ray Griffiths, Mrs. Nettie Moore.

Don Bryant and Poss Lowry, members of last year's annual staff were chosen advisor and manager of this year's book, which the seniors hope to make the best ever published.

The juniors elected officers as follows: Johnny Seave, president; David Weyer, vice-pres; Jo Winstead, secretary; Helen Warner, treasurer; Max Gardner, reporter; and Ray Thorne, sergeant at arms.

Class sponsors are Edward White and Mrs. Austin, and room mothers are Mrs. Fields, Mrs. Barbour, Mrs. Gardner, Mrs. Precure, Mrs. Seid and Mrs. Crow.

John Charles Guinn, 19, is under treatment in the West Texas Pediatric, Plainview. A brother of Alton Guinn and Mrs. Blis Holt, the youth was admitted Monday night

single veterans \$65, the same scale paid veterans attending college under the GI education bill. The program is provided for under Public Law 246.

Service Officer To Aid Veterans farms and ranchers are urged to contact Connie D. Gupton, Bailey County Service Officer, who will certify their eligibility to take the course. There is no restriction as to residence, and veterans of this entire territory may take part.

Specific objectives of the Agricultural Education course are listed as follows:

1. To assist veterans to establish or to reestablish training in agricultural pursuits.

2. To provide such training as will improve the skills of the veteran who wishes to remain on the farm or ranch.

3. To establish agricultural training for veterans as close to the farm or ranch as is educationally sound.

4. To improve the life of those veterans who are interested in agriculture in this program, a veteran must have facilities and opportunities to carry on a satisfactorily supervised farming or ranching program in one of the following situations:

A. He must be a farm or ranch owner-operator.

B. He must be a farm or ranch renter-operator with a recorded lease.

School officials urge those veterans who are interested to interview Mr. Gupton to determine whether they are qualified to enter the school. They feel this program can be of great benefit to the veteran, the school, and the community, and therefore willing to give it the time and energy necessary to initiate it.

Mr. Hughes was here at the time he entered the service of Phillips Petroleum Company, so he likes to think he began his career with that company 18 years ago from Muleshoe community, and he says the Muleshoe tradition has followed him through all the years he has been in the Phillips organization.

His first work with Phillips was at Amarillo. He had previously worked in the oil business, and here he built Phillips' first bulk plant.

Frank Phillips, head of the Phillips organization, liked the bulk plant idea and gave his bulk agent at Amarillo the green light to produce 40 plants, soon increased to 140. His rise to vice-president of the big oil company was extremely rapid.

Hughes, V-Pres. Of Phillips, A Muleshoe Product

He is vice president of Phillips Petroleum Company, in charge of sales. He sometimes goes about the sprawling Phillips empire in one of the company's big planes, but Arthur M. Hughes likes to think of himself as just a common man, who "used to pull bulls on the farms around Muleshoe."

Mr. Hughes spent Monday night and part of Tuesday in Muleshoe. He spent the night at the farm home of Dave Stovall, an old friend. And Tuesday he visited with Gale and Bits Holt, of Holt Oil Company, jobbers here of Phillips products.

During the day he saw many people who were living here at the time he did, remembered them and chatted with them. He married a daughter of the Tyson family, who formerly lived in this neighborhood.

Mr. Hughes was here at the time he entered the service of Phillips Petroleum Company, so he likes to think he began his career with that company 18 years ago from Muleshoe community, and he says the Muleshoe tradition has followed him through all the years he has been in the Phillips organization.

DEMOCRATS FAVOR GOOD ROADS AMENDMENT

Charles E. Simons executive vice president of the Texas Good Roads Association expressed gratification in the State Democratic Convention's resolution recommending adoption of the Good Roads Constitutional Amendment by the people in the November 5 general election.

"This is a great step forward," Simons said, "and it is extremely gratifying that the convention adopted the resolution unanimously."

The Good Roads Amendment provides that motor vehicle registration fees and gasoline taxes, other than the one-fourth of the gas tax allocated to the available school fund, shall be used for the construction, maintenance and policing of public highways and for the purchase of necessary right-of-way.

"The development of a system of rural highways and farm-to-market roads is essential to the economic welfare of the state and is vital to the enrichment of the lives of our rural people," the con-

vention resolution pointed out. Continuing, the resolution stated: "This proposed Constitutional Amendment has the endorsement of those public agencies responsible for the development of our road system."

Threats of diverting road money to non-highway purposes in the past caused confusion and uncertainty among road planners, who felt a hesitancy to begin long-range projects without the assurance, that funds would be available when necessary.

Realizing the existing situation, the convention's resolution declared: "Stability of road finances is necessary to permit road administrators to plan effectively a long-range program of rural road construction, which stability can be guaranteed only through constitutional means."

TEXAS FARM PRICES DROP

COLLEGE STATION—Prices received by Texas farmers and ranchers for a number of products dropped during the month ending Aug-

ust 15. According to a report from the Bureau of Agricultural Economics in Austin, received by the Texas A. and M. College Extension Service, this decline in prices offset to some extent the general farm price advances recorded in July. The report showed slight to sharp drops in prices received for grains, peanuts, milk cows, chickens and all meat animals except hogs. The most significant declines were in prices of corn, grain sorghum, beef cattle, calves, sheep and lambs. Sharp advances continued on cotton, cotton seed and hogs. Cotton at 33.6 cents per pound was the highest since June 1920, but was still 2.8 cents per pound below the peak of 36.2 cents reached in March 1920. During the month, hog prices were at a record high of \$20.30 per hundred pounds. The previous record was \$18.80 in August 1919.

Only slightly higher prices were received by farmers during the month for turkeys, dairy products, and alfalfa hay. Other farm prices did not change significantly during the period.

Lazbuddy News

Mrs. Ray Lawton's mother, Alice W. Griffin, sister, Mrs. M. D. Long and family, brother, Jack Griffin and daughter, Joy Welch of Sonoran, Arizona are visiting in her home for a few days.

The lunch room at the Lazbuddy school will open Monday Morning if the equipment is here.

Jay Lynn Shaw, son of Jay Shaw returned home Tuesday night after undergoing a major operation at Lubbock.

Mrs. J. O. Cantrell is in Plainview taking care of her husband's mother.

Social Security Man Here Sept. 26

Elliott W. Adams, Manager of the Social Security Administration in Lubbock will be in Muleshoe at the U. S. Post Office at 9:00 a. m., Thursday, September 26, for the purpose of assisting persons who have questions regarding Social Security, taking claims from persons who seem to be entitled to benefits and taking applications for Social Security account number cards.

Women workers should notify the Social Security Administration when they marry so their names

can be changed on the records in Baltimore. If they do this they will make it easier for themselves and the Social Security Administration when the time comes to file claims for old-age and survivors insurance benefits.

The Administration does not assign her a new number, but issues a new card bearing her present name and the number that was originally issued to her. She thus will have only one Social Security number during her entire lifetime. If she had more than one Social Security number or uses more than one name, she may stand to lose her benefits.

Your Home
By Frances Alsworth

Now that fall is here once more and school has started, I've been taking advantage of the cooler weather to have a real session of baking. My family is especially fond of homemade cookies, and I try to keep my cookie jar well filled for the children's after-school snacks. Applesauce cookies are particular favorites at our house, and my recipe is so simple that even amateur bakers have surprisingly good results with it. Perhaps you might like to try it.

- APPLESAUCE COOKIES**
- 2 cups sifted enriched flour
 - 1 teaspoon baking powder
 - 1/2 teaspoon soda
 - 1/2 teaspoon salt
 - 1/2 teaspoon cinnamon
 - 1/2 teaspoon cloves
 - 1/2 cup shortening
 - 1 cup sugar
 - 1 egg, beaten
 - 1 cup thick unsweetened applesauce
 - 1/2 cup raisins
 - 1/2 cup chopped nuts
- Sift together flour, baking powder, soda, salt and spices. Cream together shortening and sugar until light and fluffy. Add egg. Beat well. Add flour mixture alternately with applesauce to creamed mixture. Add raisins and nuts. Drop from spoon on greased cookie sheets about two inches apart. Bake in moderately hot oven (400° F.) ten to fifteen minutes.

Yield: Five dozen cookies.

I've found this recipe especially good! And I feel right at home baking with white flour again. There's nothing like fine-textured white flour to make fluffy smooth cakes, cookies or any kind of bakery goods. And I know if your family is like mine, they will shower praises on Mom for her baking prowess after the first nibble on a homemade applesauce cookie.

Iron Lungs Now In Use At Plainview

(From Plainview Herald)

The two iron lungs which Plainview junior chamber of commerce has purchased for use of people of the High Plains area will be placed on display this week in the office of The Herald. The mechanical aspirators are due to arrive here by rail from the factory in South Carolina.

J. H. Ingram, of Houston, oxygen therapist for the Emerson firm which manufactured the lungs, will set up the machines and demonstrate their operation while they

Date That Sale Now

10 REASONS

... Why You Should Sell Your Real Estate At Public Auction

W. F. HAYS, JR.

1. AUCTION means action.
2. AUCTION brings buyer and seller together.
3. AUCTION creates competition.
4. AUCTION brings buyer to a direct decision.
5. REAL ESTATE that is properly advertised will bring its full value at AUCTION.
6. IF YOU had the finest herd of any kind of live stock, for which you wanted to get the highest dollar, you would sell it at AUCTION. Why not your real estate?
7. REAL ESTATE that has been held by an estate for years waiting for a buyer can be divided and sold in thirty days at AUCTION.
8. AUCTION places you at an advantage by forcing prospective buyers to compete with each other.
9. AUCTION allows you to plan ahead by knowing just when you will sell your property.
10. AUCTION is the quickest way of converting your property into cash.

W. F. Hays, Jr.

are on display. He arrived here this week-end to await arrival of the machines.

Two sizes were purchased, one an adult size, and the other designed for children's use. They cost \$1,880, and money for their purchase is being raised by the Jaycees without solicitation. A rodeo, two donkey baseball games and a boxing tournament are among events sponsored here to date by the young business men in an effort to pay for the iron lungs.

The lungs will be available for residents of all neighboring towns as well as Plainview people, Dr. C. D. Wofford, one of the members of the committee working on the pro-

ject, said. Either one or both may be taken from Plainview to any point where needed. The Jaycees, however, will not bear transportation costs and costs of those operating the lungs either here or wherever they are used, he added.

12,000 Cases Of Blackeyes Packed

Muleshoe Canning Company had packed 12,000 cases of blackeye peas to Tuesday, Carl Case, owner said. Pack was averaging only about 500 cases a day because of the uncertain supply.

Mr. Case said at least 100 more pickers were needed this week, be-

cause the rain slowed picking and now all fields are ripening at the same time.

Efforts were being made to secure more help for the next few days. The Company packed some 27,000 cases of green beans during the season which recently closed.

CARD OF THANKS

We want to thank our friends and neighbors for their kindness and for the nice flowers they gave in the sickness and death of our baby. May God bless you all.

Mr. and Mrs. C. McMahan, and family.

PREVENT Surface Run-Off

Perhaps the greatest opportunity for saving rainfall ordinarily lost, lies in preventing surface run-off. The amount of water lost during flooding rains is equal to almost two-thirds of amount used in crop production under the present methods. It is naturally impossible to get all the run-off water into the soil for crop use, but there is enough to provide a very substantial increase in moisture supply if but a portion of it is saved. The control of run-off is partly a problem of losses from the field and partly distribution in the field.

By cultivating on the contour it is possible to save all the run-off.1 The run-off.

By establishing level terraces it is possible to save all the run-off.*

Bridal Shower Given For Mrs. Clark

A bridal shower honoring Mrs. R. H. Clark, the former Miss Ida Pearl Waggoner was given Monday afternoon at the home of Mrs. Clark. The bride was seated with her mother, Mrs. O. W. Waggoner and Mrs. L. M. Eddins, at a table covered with a lace tablecloth centered with a basket of cut flowers and centerpieces. The table was decorated throughout with fall flowers. Refreshments were served during the evening by Miss Helen Holt and Mrs. Patsy Jenkins. Mrs. Emma Speer presided at the reception and presented Mrs. Clark with a lovely white satin covered bride book.

The honoree received many lovely and useful gifts, many sent by those who were unable to attend. Refreshments of punch and cookies were served to the following guests: Misses Annie White, Wynne Johnson, Lawrence Roddam, Ray Edwards, Claude Merrill, H. C. Holt, W. B. Vaughn, J. C. Buchanan, Clyde Bray, Pete Jenkins, Clyde Waggoner, Ed. Davis, Dr. W. H. Clark, George Speer, Misses Jessie Lawler, Naomi Buchanan, Charlotte Black, Maurine Wilford, Helen Holt, Louise Roddam, and Ketti Bray, and the honoree, Mrs. R. H. Clark.

Mrs. A. A. Brenner and son, Charles and Bobby, of Dallas, visited in the home of Mr. and Mrs. J. C. Leach Monday.

Winsome Glass Meet In Dennis Home

The Winsome Sunday School Class of the First Baptist Church held its regular meeting business and social meeting Friday evening in the home of Mrs. A. M. Dennis. Mrs. W. H. Gilbreath assisted as co-hostess. After the business meeting, Mrs. Dorothy Barron directed several games.

Refreshments were served for the occasion by Mrs. A. M. Dennis. Department superintendent, Lea Barron; Teacher, Dorothy Barron; Class Co., Miss Johnson; Class Oyer, Jewel Pool; Gladys Wynn; George Speer; Edith Haman; Lou Letwin; Linnie Abbott; and two husbands.

Wesleyan Guild Meet With Mrs. Cox

The Wesleyan Service Guild met at the Fellowship Hall with Mrs. H. C. Cox Monday, Sept. 9.

The Devotional "Methodists in the United States" was presented by Miss Elizabeth Hazen.

On Monday, September 30, sunrise services will be revealed at 6:00 a. m. covered this month to be held at the home of Mrs. H. C. Cox. Those attending are to bring their husbands, a gift for their husbands' friends and their surrogate friends.

Refreshments were served to Messengers: Marty Reed, John

Muleshoe Study Club Year Begins

The Muleshoe Study Club held its first meeting of the year Thursday evening, Sept. 12, in the Dennis home. Mrs. W. H. Gilbreath assisted as co-hostess. After the business meeting, Mrs. Dorothy Barron directed several games.

The next meeting will be Monday, September 23, in the home of Mrs. Patsy Jenkins.

Rainbow Assembly Meet Sept. 24

The Muleshoe Rainbow Assembly will be installed and initiated by the Rainbow Assembly and by the Station, Deputy Grand Master of Station No. 2409.

All parents and friends of applicants are cordially invited to be present at 8:00 for the installation.

Messengers and Eastern Star members are urged to be present for the general meeting which will begin promptly at 8:00 Tuesday, September 24 at the Masonic Hall.

Mrs. Clyde Bray, Jr. To Join Husband In Germany Soon

Mrs. Clyde Bray, Jr., of Pampa, is awaiting government orders to join her husband, First Lt. Ray, in Straugen, Germany, a town in Bavaria, located 12 miles north of Nuremberg.

Mr. Bray, who is a son of Mr. and Mrs. Clyde Bray Sr., of Muleshoe, is adjutant of Headquarters Squadron at this post.

In a telephone conversation, Mr. Bray recently told his wife she will be in the September sailings. Mrs. Bray is to drive to New York, where she will stay at the New Hamilton Hotel and there will receive instructions for passengers aboard ship and the details before the ship sails. She will be allowed only 50 pounds of baggage besides the two bags she will carry with her. The couple's household furnishings have been taken to the Armijo Army Air Field to be stored and shipped. The Bray one will be shipped at the Army's convenience.

Mr. and Mrs. Bray plan to travel a great while in Germany, hoping to see as much of Europe as possible during their stay.

Mrs. Lane Hads P-T Association

Mrs. Grace Lane was elected president of the Muleshoe Parent-Teachers association at the first meeting of the new school year held in the high school auditorium Monday night. She succeeds Mrs. R. B. Dennis, who is moving with her family to Lampasas.

Other officers are: Mrs. Betty Burkhead, vice-president; Miss Ruth Clark, secretary; Mrs. Margaret Collins, treasurer.

The hospitality committee, composed of Mesdames Clara Briscoe, Rufus Gilbreath and Cecil H. Tate, served refreshments. Supt. W. C. Cunningham introduced members of the faculty.

Talks were made by Rev. W. B. Vaughn and Rev. A. W. Blaine, and Mrs. Marty Ezell gave a reading.

Wanda Farrell And Carl E. Huber Wed

Miss Wanda June Farrell, former sergeant in the Women's Army Corps, daughter of Mr. and Mrs. C. R. Farrell, Muleshoe, was married September 14, 1946, in the Marble Collegiate Church, Fifth Avenue at 29th Street, New York City, to Mr. Carl Eugene Huber, former T. Sgt. United States Army, son of Mrs. Christine G. Huber, 4 Melbourne Road, Great Neck, N. Y. The Rev. James B. Palmer officiated.

Mr. and Mrs. H. Fitzgerald of 2501 21st Street, Lone Island, City, N. Y., were their only attendants. The bride wore a blue tailored suit with brown accessories.

After a wedding trip to Atlantic City, N. J., the couple will make their home in New York City, where Mr. Huber is bookkeeper for Batholomew and Mire, Inc., and Mr. Huber is manager of a Tora & Hardart Automat.

Austin-Dearing Wedding Saturday

In a ceremony read at the Baptist Church in Oyster Saturday, Sept. 14, Miss Betty Jo Austin became the bride of Harold Dearing, both of Amarillo.

The bride wore a gray, multi-colored suit with black accessories for the ceremony.

Mrs. Dearing's parents reside in Amarillo and the groom is a son of Mr. and Mrs. J. A. Dearing of Muleshoe.

The couple will make their home in Amarillo, where Mr. Dearing owns a garage.

Progress ED Club

"Thoughts on Bailey County" was the subject to read last week the Progress Club met with Mrs. Ed Gully, Tuesday afternoon, Sept. 17.

The program was presented by the president, Miss Ethel McGowan.

Following the reading of the minutes of the previous meeting, the recreation chairman, Mrs. Q. T. Kelly, gave a report on the Sun Night held at the W. B. Hays, St. Johns Friday, the 13th. About 75 were there who were club members, their families and friends. A beautiful supper was spread on tables under the trees and was enjoyed by all. Afterward various groups played games and dances until midnight clouds broke up the party. All there were glad they came.

Mrs. Simmason and Mrs. Cecil Sigmund drew the names of club members beginning a new afternoon series.

The report of the state convention of T. H. D. A. was ably given by the delegate, Miss McGowan.

The program chairman, Mrs. Joe Simmason, presented Mrs. Jno. Thompson, who read a paper she had prepared on "Facts about Bailey County and Its Possibilities."

Mrs. Cecil Sigmund drew the business gift.

The hostess, Mrs. Gully, assisted by her daughters, served punch and took a 10 cent quiz. Mrs. Donald Scott, of Pampa, and 17 members. The club was very happy to have Miss Swift present.

The next meeting, 2:30, Tuesday, October 1, will be with Mrs. Manuel Self. Mrs. Laurette Williamson will be here and give a demonstration—windbreaks, their location and the best trees and shrubs to use.

Half Century Club

The Half Century Club met Sept. 12 with Mrs. I. W. Harden and Mrs. Maude Jones, co-hostesses. Refreshments were served to Mesdames Savannah Goodson, Bertha Jones, Lela Layne, Willie Witherspoon, Lula Kistler, Frances Williams, Betty Parsons, Snow Davis, Sarah Harden and Maude Jones. Next meeting is with Mrs. Kistler Sept. 26.

Jerry Phillips of Needmore returned to his home after a visit with Mrs. Phillips' grandparents, Mr. and Mrs. C. A. Baker of Brownwood.

Mrs. Dora Agnew Wed

Mrs. Dora Agnew was in Lubbock on business and shopping Saturday.

Mr. and Mrs. J. R. Adams and their daughter, Joyce Marie, were in Muleshoe, Texas, last weekend for the first time since 1941 with her grandparents, Mr. and Mrs. Henry McMillan.

Mrs. O. D. Troutman is back on the job at Cobbs Department Store after recovering from her recent hospitalization.

Mrs. Julian Leann and Charles Leann were in Amarillo, Wednesday, to meet his mother and sister, Mrs. Charles W. Leann and Miss Myrtle Leann of Muleshoe, Oklahoma.

Mr. and Mrs. Bill King, Odessa, visited here Sunday with the families of H. D. King and Bob King.

Albert Perkins underwent an operation last Saturday morning at the Rogers Memorial Hospital, Oklahoma City, and in a telegram received Sunday informed his family he was doing fine.

BERKELEY AUTOMATIC WATER SYSTEMS

How can the Berkeley Deep Well Pump adjust itself automatically to changing water levels and thus lift the largest possible volume of water at the required pressure? There's no secret: The Berkeley automatic control valve partially closes when tank pressure is less than required pump pressure. As tank pressure increases, this valve gradually opens wide, permitting unrestricted flow. Standard equipment on deep well jet pumps up to 1 HP.

Many other types and sizes available.

'45 Crop Loan Cotton Pooled

All cotton still under the 1945-Crop Loan on October 1, 1946, will be pooled for producers' account by the Commodity Credit Corporation.

According to F. C. Elliott, cotton

work specialist of the Texas A. and M. College Extension Service, Texas farmers who have 1945-crop cotton under loan now should give serious consideration to marketing the cotton before it is placed in pools. The average 1945 loan rate for 13-16 inch Middling cotton, gross weight, was 21.09 cents per pound. Since the price now has climbed considerably, producers should be able to dispose of this

Many student nurses dream of the day they can participate in scenes such as the above, depicting an operating room in a typical Texas hospital. The Texas League of Nursing Education, in cooperation with five other state health organizations, currently is seeking to raise student nurse enrollments in Fall classes from an all-time low of 900 to more than 2,000 by October 1.

The 1945-crop loan cotton which is not redeemed before October 1 will, as provided in the loan agreements, go into pools. Not until all the cotton in the pools is liquidated will the producer receive any payment. Net proceeds, if any, will then be distributed among the producers whose cotton was placed in the pools in proportion to their interest. From the proceeds of the pool cotton will be deducted all advances and accrued costs—including storage, insurance and handling charges. No payment will be made to producers at the time their cotton is placed in pools and after October 1, farmers will not be entitled to order the sale of cotton now under loan.

The form will then be returned to the applicant, who will take it with his drivers license to the local licensing agency. If his license satisfies the requirements of the state motor vehicle law, the facts will be entered on his application form, in addition to other necessary information such as special attachments required by law. If the veteran has no operator's license, it will be necessary for him to get one.

Mr. Veteran, do you have a new address? If you are receiving any benefits from the Veterans administration, you should keep the VA regional office at Lubbock notified of any change of address. This is

of most importance to the veteran in order that he may receive his subsistence or compensation check without unnecessary delay. Robert W. Sisson, VA regional Manager, said today.

Veterans who formerly attended a college within the jurisdiction of another VA regional office and who are enrolled this Fall in a West Texas college should notify the VA regional office that formerly had jurisdiction of their records, as well as notify the VA regional office at Lubbock of their new address, together with the name of the college they are attending, Sisson pointed out.

VOTE IN RECENT BOND ELECTION CANVASSED

Members of the Commissioners'

Court met Friday and canvassed returns in the bond election held in Road District No. 1-A of Bailey County September 10.

Judge Cecil H. Tate said no errors were found in the unofficial tabulation previously reported by The Journal, totals of which were 564 for, 268 against.

Marines Discharge Douglas Howard

Pfc Douglas Howard received his honorable discharge from the U. S. Marine Corps Reserve at MB Quantico, Virginia, August 29.

Douglas served in the American Theatre of Operations for about 13 months.

He is the son of Mr. and Mrs. W. E. Howard of Mulshoe.

Your Retail Merchant Is A Seeker Of Quality

He not only goes to world markets to bring you, his customer, the best merchandise grown or produced, but he also cuts out the inefficient salesmen and service men until he has only a carefully trained "quality" organization to attend you while shopping.

Naturally, in this age, he must also weigh carefully each applicant for a charge account and exchange his "quality" merchandise for "quality" accounts on his books. Thus he has learned through experience that in order to profit, he must "cull out" the slow, unsatisfactory, and indifferent charge customer and permit only the "quality" credit risk to say "Charge it, Please."

Yes, your Retail Merchant is a seeker of "Quality" and don't blame him or your local Credit Bureau if your Credit Record does not show "Quality."

The Force that Holds Up the Rainbow Natural Bridge..

OIL PLATES Your Engine!

ONE of America's wonders is the tremendous Rainbow Natural Bridge in Utah. Weighing millions of tons, it's held up by the mighty forces of attraction that exist between molecules of stone.

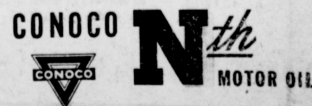

By ceaseless study of the molecular attraction between liquids and solids, Conoco engineers are able to bring motorists new and better oils. For example, under laws of molecular attraction, a special ingredient in Conoco Nth motor oil is attracted to working surfaces of your engine. So strong is this attraction that cylinder walls and other parts are OIL-PLATED.

Because molecular attraction holds Conoco OIL-PLATING up where it belongs

... prevents it from all draining down to the crankcase, even overnight... you get these benefits:

- added protection when your engine starts up
- added protection from corrosive action
- added protection from wear that leads to fouling sludge and carbon
- added smooth, silent miles

That's why to OIL-PLATE now... at Your Conoco Mileage Merchant's. Look for the red triangle. Continental Oil Co.

**Surplus Vehicles
On Sale Sept. 23**

Amarillo Army Air Field is announced as one of six at which sales of surplus used motor vehicles will be conducted by the War Assets Administration's Fort Worth regional office during the week starting Monday, Sept. 23. The sale includes "set aside" items offered exclusively to veterans of World War II and all veterans holding certificates being offered are eligible to participate in any or all of the sales.

The sale at Amarillo Army Air Field, which will also include vehicles of the Pantex Ordnance Plant which have been declared surplus, is scheduled for Tuesday, September 24, from 9 to 5. Inspection of the vehicles may be made both Monday as well as the day of sale from 8:30 a. m. to 4:00 p. m.

Included in the offering are listed command and reconnaissance cars, carryalls, ambulances, weapon carriers, pickup trucks, scooters and a wide variety of various makes and models of trucks.

**COMMUNITY SALE IS
SCHEDULED AT MAPLE**

A community sale is scheduled at Maple, Saturday, Sept. 28, according to announcement of W. F. Hays, Jr., auctioneer.

People of the community are contributing articles to be auctioned. The sale will begin at 11 a. m. Free coffee will be served and there will be some entertainment, also some prizes to be given. A list of articles to be sold is to be published in next week's Journal.

**STAR TELEGRAM
BARGAIN DAYS**

Bargain days for the Fort Worth Star-Telegram subscriptions are now in effect and during these days the subscriber will save \$4.00 over the regular subscription price. The Journal will handle your subscription for you.

NOTICE TO BIDDERS

Muleshoe Independent School District will receive bids on Fairview School Building, to be moved from ground within 6 months after date of sale; and separate bids on Fairview School ground, containing 7 acres (out of SE corner Labor 22, League 191, Ector County School Lands, Bailey County, Texas). Bids will be opened at the Muleshoe School Board meeting, Monday night, October 14, 1946, at 8 o'clock. Board reserves option to reject any or all bids. Submit bids to: J. Clyde Taylor, Pres.

Or
W. C. Cunningham, Supt.
Muleshoe, Texas

**Hereford Defeats
Hospital Bonds**

(From Hereford Brand)
A proposed \$250,000 bond issue for additions to the Deaf Smith County Hospital was decisively defeated in a county election last Saturday by a two-to-one margin.

The possibility was raised that the election might be declared void on the grounds that an undetermined number of qualified voters were not permitted to cast ballots in at least two election precincts Saturday; but no indications have

been made to date that any protest would be filed.

In two local election precincts, presiding judges at the polls refused ballots to qualified voters, on the grounds that they did not own real estate, until 11:30 in the morning, violent protest on the part of one or two voters sent the judges to the statutes to discover their error.

The law clearly provides that all voters, otherwise qualified, who own property and have rendered same for taxation, are eligible to vote in a bond election of this type. No distinction is made, for this purpose, between real and personal property.

Capable Quiz
Maxwell Nurnberg, author of "What's The Good Word," and whose program of the same name is heard Sundays over Mutual, believes that a great many people mispronounce words with which they should be very familiar. If you miss more than one in the following five, your pronunciation will bear looking into.

Do you pronounce it

1. Inane or inSANE
2. Theater or theAter
3. Orchestra or orCHESTra
4. Secretive or seCREtive
5. FORmidable or forMIDdable

1. inSANE, 2. THEater, 3. OrCHESTra, 4. seCREtive, 5. FORmidable

BREAKING TRAIL.....

WE'VE BEEN AT IT FOR 22 YEARS
Twenty-two years ago your Public Service Company started breaking trail—trails of progress.
A pioneer in building ahead for the future, the Southwestern Public Service Company has anticipated future demands for electric service by spreading its network of lines and building new power plants.
Today, in a 12 million dollar expansion program, new power lines are going up throughout our area; there'll be more reliable, low cost electricity for homes, farms and factories.
Now you too, can plan on building ahead for the future—a future of better living, better farming, better working conditions—electrically.
Another in a series of advertisements designed to help build this fast growing territory in which we serve.

BEAVERS MOTOR SUPPLY

Has just finished up selling one car load of Radios, and are looking for another car load any day.

We have two dandy Kerosene Heaters left out of the first car load. The heater that we sold is giving perfect satisfaction—they haven't put it up yet.)

One car load of Aireals, all lengths.

Inner Tubes—6.00x16.

Hydraulic Jacks, Sizzer and Bumper Jacks.

A-B Radio Batteries.

Still have a few Seat Covers.

Hot and Cold Patches, also Hot Patch Clamps, Files, Wrenches of all kinds, Saws.

Hand Grease Guns, spring feed, Power air Grease Guns.

Four-Way Lug Wrenches.

Gabriel Shock Absorbers to replace your worn out ones.

One or two other articles that I can't think of, or see either, less I turn around, so come in and do your own looking.

Yours, CLAY.

Mostly Static --

By Berry

Howdy, Folks: The newspapers carry a story about a western holdup who left his victim six bits to get his laundry.

We pass this on to our tax planners in Washington with out charge.

One of our customers thinks that what this country has too much of is intoxication.

If we don't watch out we'll be out on a limb like a ven triloquist's dummy.

Some one has said that we should pay our taxes with a smile, but we always found that the tax collector wanted money and lots of it.

It won't take as much money as you think to buy our Admiral Rank radio-phonograph.

If you will come in and see us, we will give you the low down on it.
