DEDICATED TO THE PROGRESS AND DEVELOPMENT OF BAILEY COUNTY AND THE GREAT MULESHOE COUNTRY

Volume 26, Number 43 MULESHOE — County Seat of Bailey County — TEXAS Thursday, October 21, 1948

4-H AND FFA BOYS BRING HOME BACON Bailey County Boys Garner Honors With Their Barrows At State Fair

Mr. Muleshoe

Brunk's Comedians, the traveling tent theatre people did "only fair" in Muleshoe, in their stay here last week. Mr. Brunk, the boss, told The Journal. He was not complaining, but he thought that he had a good show and he naturally wanted to do more business. They had a capacity crowd only on Thursday night. It was the first trip of this old, established institution to Muleshoe since before the war. During the war, all their people joined the Armed Forces or went into defense plants; the Brunk families just closed their theatre and joined their associates at the front or in factories.

Mr. Brunk is an estimable gentleman and should he ever decide to settle down and make a small town citizen out of himself we hope he picks on Muleshoe. He is a first class business man, friendly, affable, a man of the world without being too forward or without being too obviously a theatrical man. The show is at Sudan this week, next week will be at Clevis. They go into winter quarters at Thanksgiving each year.

SEEN & HEARD:

Earl Ladd: I will give you one more issue to tell the people here about our wonderful B squad football team. If no news is forthcoming in this paper about these boys Muleshoe will be minus one editor. Ye editor has been hoping against hope that some of the high school kids will see fit to turn in a year about these games but seems like they won't do it. The second stringers have won three games, from Sundown twice and from Plains. The latter group had not been beaten until the Muleshoe lads took them under control 27 to 26. The eighth grade team and the sixth grade team likewise are going good this year. So there, Mr. Ladd.

A man may have more money than brains . . . but not for long. Up to the age of 16 a lad is a boy scout. After that he becomes a girl scout.

Failure is the path of the least persistence.

Many an argument is sound—just sound.

Punctuality is the art of guessing how late the person you are going to meet will be.

—Santa Fe Magazine

Griffiths Buys Johnson Warehouse

Purchase by Ray Griffiths of the Johnson Bros. cotton warehouse from Ed and George Johnson was announced here this week. Mr. Griffiths, operator of Ray Griffiths Elevator here, said he is filling the big building with sorghum grains after having filled his elevator to capacity.

The Johnsons have operated the cotton warehouse for many years. The building, which is 90 feet wide by 120 feet long, was built about 15 years ago by Union Compress company, for which the Johnsons worked until they bought the property several years ago.

Santa Fe Railway owns the ground on which the building is located. Mr. Griffiths obtains the lease on a plot of ground 90 feet wide by 330 feet long, located along Highway 84, just off the north end of Main Street in Muleshoe and near the Santa Fe line and station.

Soil Election At Lazbuddy 23rd

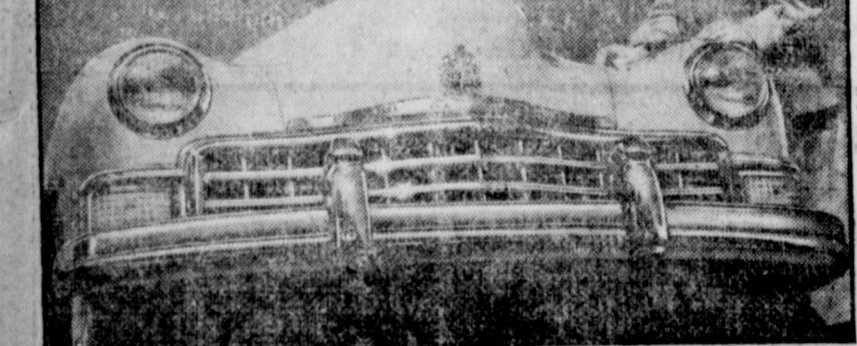

An election will be held November 3, at 2:30 p. m. at Lazbuddy school house to elect a district supervisor for the Parmer County Soil Conservation District, according to word received by The Journal from Ollie Linder, Parmer County farm agent.

D. L. Morrison is the present supervisor, whose term will expire.

AT AIR BREAKFAST

D. L. Smith and Betty Thorne, of Muleshoe were among those attending the air breakfast given at Plainview Sunday morning for fliers of this territory. They said 174 pilots, their wives or girl friends from over the Plains area were present.

'49 Manhattan Makes Bow

A DISTINCTIVE HONEYCOMB grille dominates front end styling of the 1949 Frazer sedan, which is now being introduced by Kaiser-Frazer dealers. Flanked by large parking and directional turn lamps, the grille is shielded by twin bumper guards which rise from the one-piece, wrap-around bumper.

Directory Of Bailey County Being Prepared

A complete directory of every one living in the three counties of Bailey, Lamb, and Hockley is being prepared by W. J. Winter Publications, of Amarillo, Roy Weatherly, of the company, who has been here this week announced.

The directory representative met with the Junior Chamber of Commerce Monday night to explain the purpose and coverage of the directory, and the organization is sponsoring the book here. Approximately 120 days will be required to complete the book.

Preliminary work is being done here by Mr. Weatherly. After business listings are obtained a crew will come here to take city and rural information.

In the rural areas of the county the directory will list each farmer's name, his mailing address, distance and direction from town, number of acres he farms, number of acres he owns and rents, who owns the land and his address, and what is grown on the farm.

In the towns and cities the directory will carry the usual information about each person. All persons over 16 years of age will be listed. Each head of a family will be listed, his wife's name will be given, the number of children, whether he owns or rents, where employed, home address and telephone number will be given.

Mr. Weatherly said the W. J. Winter Publications is compiling directories of the entire Panhandle and eastern New Mexico.

Murrah Rites Held Saturday

Funeral services for Jesse Murrah were conducted at Progress school auditorium at 3 o'clock Saturday by Rev. Carroll M. Jones, Progress Methodist pastor. Interment was in Muleshoe cemetery under direction of Steed Funeral Home.

Mr. Murrah died, apparently of a heart attack, Thursday afternoon, while driving a tractor. He was 63 years of age.

He was a long time resident of the Muleshoe country, having moved here from Wichita Falls in 1925. He had farmed most of his active life, but retired from this profession about a year ago. He owned extensive property in the community. A short time ago he purchased the Moller apartments here in Muleshoe and had begun the development of a block of city property he owned, having built three residences and having planned several more.

Mr. Murrah was born in Grimes County, Texas. He is survived by his wife and the following children: Danton, of Alameda, Colo.; Gordon, of Muleshoe; A. L. of Jal, N. M.; and Jesse, of Lubbock.

Other survivors include three brothers, Hill Murrah of Muleshoe; Jim Murrah, a twin, of Levelland; and Willie Murrah, of Rusk; and a sister, Mrs. Ida Bailey of Lubbock. All these excepting Willie Murrah were present for funeral services. A sister of Mrs. Murrah, Mrs. Effie Morgan, of Thackerville, Texas, was also in attendance at final rites.

Song service was in charge of Tye Young and Mrs. H. L. Lowry. Pallbearers were Henry Bass, Byron Gwyn, Troy Atkinson, Tom L. Smith, H. L. Wilhite and Earl Jeter. Honorary pallbearers included C. A. Adams, S. E. Goucher, Russell Bearden, and Chet Layne.

Man Killed In Auto Accident

Norman E. Lawson, 30, was killed in an automobile accident which occurred at 3:25 o'clock Sunday afternoon. The car he was driving overturned when the wheels hit a soft shoulder of a county road, just after he had passed a car in which Mr. and Mrs. J. L. Bartley were riding. The mishap occurred at a point 3 miles north and one-half west of Echoes.

Local sheriff's officers said the car turned over and swerved back into the road in front of the Bartley car, which struck the other car on the bottom. No blame attached to the Bartley's in any way, the officers said.

A brother-in-law of Lawson, riding with him in the car, was not hurt. Lawson had been here picking cotton.

The body was taken to the Morton Funeral Home. It was understood funeral services and burial was at Bastrop, his home.

Social Security Man Here Oct. 28

Elliott W. Adams, Social Security Administration Representative, will be in Muleshoe, at the U. S. Post Office, at 9:00 a. m., on Thursday, October 28, for the purpose of answering any questions you may have on social security; discussing possible benefits and taking claims from persons who seem to be entitled to benefits; and taking applications for social security account number cards.

Every worker should keep his social security card in a safe place and safeguard it just as if it were an insurance policy. If you should lose your card, you should apply for a duplicate at the nearest Social Security office, but not for a new number. Using two numbers may result in only part of the benefits being paid.

BAKE SALE

The three 5th grade rooms will have a bake sale Saturday, Oct. 23, at the Public Service Office. Help select the grade school carnival queen by buying at this sale.

Geo. Mahon To Be Here Monday

George Mahon will be a visitor the coming Monday, he has notified friends here. The Congressman will spend a portion of the day renewing acquaintance with the people.

In the evening he will be presented to the Muleshoe public by the Junior Chamber of Commerce, which will hold an open meeting at Fellowship Hall, according to announcement of Bill Hale, president.

Attendance at the night meeting, at which Mr. Mahon will speak, is not to be limited to JayCee members, Hale said.

It will be the first visit of the congressman here in about two years, or since the campaign of 1946.

'Holiday' Will Feature Plains

The Panhandle will be featured in a 4,000-word article in the December issue of Holiday, the third issue of the magazine devoted principally to Texas.

Written by Lewis Nardky, well-known Amarillo newspaperman, the article traces the region's colorful history and tells of the vast wealth in its modern oil industry, cattle raising and wheat farming.

The current November Holiday, second in the Texas series, carries five articles on the State, dealing with Austin, San Antonio, the Texas Rangers, the Magic Valley, and one on the State as a whole, written by J. Frank Dobie.

Pvt. Stelzig Wins Wings In Japan

SENDAI, JAPAN—Private Billy G. Stelzig, 18-year-old pharmacist of Muleshoe, Texas, recently won his wings at the 11th Airborne Division Training Center at Yamato, Japan, after making five jumps from a C-46 airplane.

Private Stelzig is the son of Mr. and Mrs. L. Stelzig also of Muleshoe.

Private Stelzig's training consisted of calisthenics, endurance running, instruction in the fundamentals of parachuting, and making five jumps from an airplane in flight. At the end of the intensive course Private Stelzig received his wings and became eligible to draw an extra \$50 per month as jump pay.

The Texas trooper joined the Army in February, 1948 at his home town and completed his basic training at Fort Ord, California. Upon his arrival in Japan he volunteered for parachute duty with the 11th Airborne Division and was later assigned to the 188th Parachute Infantry Regiment stationed near Sendai, Japan.

His present duty in the Army is that of a rifleman in company G of the 188th Parachute Infantry.

FROM TENNESSEE

Mr. and Mrs. Joe Bill Alsop and small son of Chattanooga, Tenn., are visiting this week in the home of his parents, Mr. and Mrs. J. L. Alsop and other relatives.

Man Killed In Auto Accident

Norman E. Lawson, 30, was killed in an automobile accident which occurred at 3:25 o'clock Sunday afternoon. The car he was driving overturned when the wheels hit a soft shoulder of a county road, just after he had passed a car in which Mr. and Mrs. J. L. Bartley were riding. The mishap occurred at a point 3 miles north and one-half west of Echoes.

Local sheriff's officers said the car turned over and swerved back into the road in front of the Bartley car, which struck the other car on the bottom. No blame attached to the Bartley's in any way, the officers said.

A brother-in-law of Lawson, riding with him in the car, was not hurt. Lawson had been here picking cotton.

The body was taken to the Morton Funeral Home. It was understood funeral services and burial was at Bastrop, his home.

TWO MEN ARRESTED

Two men who ran into a telephone post on the highway between Muleshoe and Sudan this week were given first aid treatment for minor injuries, then placed in the county bastille. They were charged with drunkenness and the driver with driving while drunk.

HERE FROM ALBUQUERQUE

Mr. and Mrs. E. L. Truelock, of Albuquerque, visited in the home of his parents, Mr. and Mrs. J. A. Truelock last week. They were moving to Plainview.

Halloween Carnival To Be Staged Here Thursday Nite

Reeder Wins In Wheat Contest

Everett Lee Reeder, Muleshoe Vocational Ag. student, won third place in the wheat improvement contest held last week in Amarillo, entitling him to a free trip to the big grain terminal in Fort Worth. The award also includes a free trip with Reeder for Edward White and Lee Christie, Vocational ag. instructors here.

Reeder scored when the wheat samples he entered were ground and made into flour, then tested by actual baking. Marshall Head, who entered some wheat he grew in the contest, placed out of the money, but was awarded 15th place, Mr. White said.

Both boys grew the Westar variety, Tex-O-Kan Milling Company sponsored the contest.

Adult Leaders Of Girl Scouts Gathered Here

Adult Scout workers met Tuesday, the 19th, for a day of training in the Fellowship Hall. Miss Rosemary Head, the area director, conducted the training. Miss Ivalde Hobden, of Dallas, assisted her. Mrs. Hobden is also an area worker.

Mrs. John Riebel, of Littlefield, gave a very interesting talk on her experiences with Girl Scout work. Mrs. Elton Hauk, of Littlefield, told about their new Scout house and now they expect to furnish it. Mrs. Hobden showed slides on the different phases of Scout work. Mrs. Noel Woodley gave two readings.

Scout games and songs were enjoyed by everyone. A pot luck luncheon was served.

Present were: Miss Rosemary Head, Clevis; Mrs. Ivalde Hobden, Dallas; Mrs. Wylie Bowers, Mrs. Morris Douglass, Mrs. Willaru Hedges, Mrs. Henry Scarbrough, Mrs. Clifford Green, Mrs. Major Wood, Mrs. Noel Woodley, Mrs. Thurman White, Muleshoe.

Mrs. John Riebel, Mrs. Elton Hauk, Littlefield; Mrs. W. H. White, Wichita Falls; Mrs. Sloan Osborn, Mrs. Ralph Miller, Mrs. J. C. McFarland, Mrs. Weldon Dickson, Mrs. W. M. Stewart, Mrs. C. L. Dunn, Friona.

Sundown Plays Jackets Friday

The sternest sort of opposition faces Muleshoe's Yellowjackets in their game here Friday night with the Sundown football eleven.

The Sundowners have defeated Denver City 28 to 19, Tahoka 19 to 7, Hale Center 26 to 0, Lovington, N. M. 25 to 7, and lost their only conference tilt to strong Levelland 20 to 13. They rank with the best teams in the north half of District 4-A, and boast a versatile, dangerous offense.

Muleshoe has won four games while losing two, both to conference opponents. Both Sudan and Littlefield won decisions over the Jackets by a one touchdown margin.

No serious injuries have been reported and the Jackets again should be in top form for the Sundown contest.

Next week will be an open date for the local team, the Levelland eleven comes on November 12 and the Jackets go to Morton for the final contest of the season November 19.

MRS. WHITE HERE

Thurman White's mother, Mrs. W. H. White, is visiting in their home this week. They all plan a trip to Ruidoso this weekend. Mr. and Mrs. Wimpy Walker, of Dimmitt, and Mr. and Mrs. Herman Meyer, of Hereford, are going with the Whites. Mrs. Walker and Mrs. Meyer are daughters of Mrs. W. H. White.

HALLOWEEN CARNIVAL AT Y. L. COMMUNITY

The annual Halloween Carnival in the Y. L. community is being sponsored by the Woman's Society of Christian Service of the Y. L. Methodist Church this year. It is to be held Tuesday, October 26, beginning at 7 p. m. A fine program of entertainment for the evening has been planned with plenty of good eats—do-nuts, coffee, pie, hotdogs, ice cream, sandwiches, and soda pop—for everyone.

All the favorite Halloween booths will be sponsored at old-time prices. Everyone is invited to come, eat supper at the carnival and enjoy the fun.

Proceeds of the carnival will be used to carry on the regular work of the Society.

NEW BOOKS IN LIBRARY

New books received recently by the Muleshoe Public Library are "Up Above and Down Below" by Iran E. Webber, a child's book, and "The Naked and the Dead" by Norman Mailer.

VISIT IN CARLSBAD

Mr. and Mrs. R. C. Harvey and Mrs. Gladys McWilliams visited in Carlsbad, N. M. in the home of Albert Harvey, Sunday.

Two Farm Sales Are Scheduled

The Farm Sale season has opened in Muleshoe territory, Col. W. D. Wanzor, Muleshoe auctioneer, said this week.

He has scheduled two sales in the next few days and said others are being planned.

O. C. Thomson, of the West Camp community, will hold a dispersal sale of his herd of fine Guernseys, Jerseys and grade cattle on Friday, October 23 at his place 4 miles north and six west of Muleshoe or 4 miles south of Lariat.

A number of registered cows and bulls will be offered as well as several grade cows and some milking equipment. Mr. Thomson's herd has won many blue ribbons in the show ring as well as in production tests.

On Thursday, October 28, J. M. Nelson will hold a farm sale at his place 3 miles east on Plainview highway, 2 miles north and one-half west, from Muleshoe. A large list of farm machinery, miscellaneous items, household goods, horses, cattle, and hogs will be offered. In addition, Mr. Nelson will sell the lease on the 80 acre irrigated place, which has a Layne-Bowler irrigation pump and motor, also to be sold.

A complete list of items offered in these sales will be found on another page of The Journal.

Jackets Scare Wildcats While Losing 12 to 7

Muleshoe's Yellowjackets never fought so hard and played so intelligently and never had the fans back of them so closely as they did while losing a close ball game last Friday to the Littlefield Wildcats at Littlefield, 12 to 7. For more than a quarter they led the strong Cats by 7 to 6 and toward the end they had the whole crowd on edge by their determined efforts to run over another TD which would have won them the decision.

But it wasn't to be that way. The Wildcats are a district power, and have compared favorably with the powers of other conferences.

Muleshoe's tally came in the third period on a clever hand-off from Weldon McCarty to Ted Lawler, which drew the whole Littlefield crew to the west side of the field while Lawler tore out to the east side. The play shook him loose out in the open with only big Joe Bob Horsley to block for him. It was enough. Horsley, a tackle, has been doing some beautiful blocking all season, but his effort on this play was a masterpiece of timing. He kept two Wildcats away from Lawler for quite a distance while he and Lawler raced for the Littlefield goal. Finally, Horsley spilled three Wildcats and Lawler dodged another and went over, the play carrying about 70 yards.

The Wildcats started out bravely, scoring in the first four minutes to make it 6 to 0. It was the fourth quarter before they could again cross the Muleshoe goal line.

Hundreds of Muleshoe people watched the game. Littlefield people were lavish in their praise of the fighting spirit of the Jackets, and of the Muleshoe band, which made everybody proud of their performance. The Littlefield band likewise drew a nice round of applause from the Muleshoe folks.

Muleshoe School's Annual Halloween Carnival is Scheduled for Next Thursday Night

Muleshoe school's annual Halloween Carnival is scheduled for next Thursday night, October 28, to begin with a chuck wagon supper for all comers. Unless the weather turns bad, the event will be unseeded at the athletic stadium, which has ample space for the many booths that have been planned. The event is sponsored by the Muleshoe P.T.A., which will use funds made on the carnival to pay for band suits, pep squad suits, and to buy reference works for the grade school.

The chuck wagon supper will be the first thing on the program, and the hungry will find the ladies ready to serve at about 6 o'clock. Then there will immediately follow the crowning of the carnival queen. Each high school class, and each grade school room has a candidate, making four high school candidates and 22 grade school aspirants for the honor of being the queen.

Closes Thursday Noon

Contest for the queen will end at noon next Thursday. The class or room having the most money will get to name the queen of the carnival.

The spacious football field will be filled with gay carnival booths. There will be games, country stores, grab boxes, bingo, basketball tossing, fortune telling, the cake walk etc., most anything to amuse the crowd that night.

While the projects mentioned above are the main goals of the P.T.A. this year, money they accumulate each year goes for a variety of objectives beneficial to the schools.

Sophs To Hold Big Box Supper

A big, old fashioned box supper will be held at the Muleshoe high school gym Monday night, the 25th, at 8 o'clock.

All women and girls are to bring a big decorated box, filled with good to eat. The men and boys are to bid for the box of their choice and share the supper with the lucky lady.

There will be contests for the prettiest girl and the ugliest man, the most "love sick" couple.

There will be a cake and more fun for everybody. W. D. Wanzor will be the auctioneer. Everyone come and bring all your friends and kinfolks. The box supper is sponsored by the sophomore class.

Muleshoe Bakery In Operation

The Muleshoe Bakery has been reopened by E. O. Graham, who is now making bread and pastries.

Mr. Graham has recently bought the bakery from Jack Barbour. He has been in business at Abernathy recently, doing business as Graham's Cafe and Pastry Shop. Before that he was with a Littlefield bakery a number of years.

TO HOSPITAL

Linda Ruth Thurman was admitted to the Amherst hospital for a tonsillectomy.

Bobbie Jean Thurman, a nurse at the Amherst hospital, underwent an appendectomy Monday. She is doing fine.

Both are daughters of Mr. and Mrs. T. Thurman of Star Route 2, Muleshoe.

Yellow Jackets' 1948 Schedule

THE ART OF GETTING ALONG

Sooner or later, a man, if he is wise, discovers that life is a mixture of good days and bad, victory and defeat, give and take. He learns that it doesn't pay to be a sensitive soul; that he should let some things go over his head like water off a duck's

back. He learns that he who loses his temper loses out. He learns that all men have burn't toast for breakfast now and then, and that he shouldn't take the other fellow's grouch too seriously. He learns that carrying a chip on his shoulder is the easiest way to get into a fight. He learns that the quickest way to become unpopular is to carry tales and gossip about others. He learns that buck-passing always turns out to be a boomerang, and that it never pays. He comes to realize that the business could run along perfectly well without him. He learns that it doesn't matter so much who gets the credit so long as the business shows a profit. He learns that even the janitor is human and that it doesn't do any harm to smile and say "good morning," even if it is raining. He learns that most of the other fellows are as ambitious as he is, that they have brains that are as good or better, and that hard work and not cleverness is the secret of success. He learns to sympathize with the youngster coming into the business, because he remembers how bewildered he was when he

first started out. He learns that no man ever got to first base alone, and that it is only through cooperative effort that we move on to better things. He learns that folks are not any harder to get along with in one

Out With Spots

With the cool weather, we begin to think of putting away summer clothing and it's just as important to be careful with them as it is with woollens. Mrs. Laurette Williamson, County Home Demonstration Agent, says that one of the most important things to remember about storing clothing—whether winter or summer—is to be sure it is clean, with no spots or stains or soil that can become "set" over a period of months. The best time to catch a spot or a stain is right when it occurs—before it dries, if possible. Old stains which have been set by improper treatment are usually hard to remove. Work carefully and quickly, never rub a stain, but use a light brushing movement. And try simple methods first, they may do the job. Rinse well and never let a chemical dry on the material. Try this routine first suggests Mrs. Williamson, cold water, it does no harm and may do wonders it sets no stains and endangers no dyes. Any water spot remaining may be steamed out. Then, if water does not work, classify the stain, it's either grease, sugar or syrup, coloring matter, or resinous or

SAW O. U. BEAT KANSAS

Mr. and Mrs. Herb Covin and
Mr. and Mrs. Bob Precure were
in the stands at Norman, Okla-
homa, Saturday when the Sooners
of Oklahoma University defeated
Kansas State. The Covins have a
son, Bill, on the squad of O. U.,
but he is a freshman and ineligi-
ble to play varsity games. It was
"Dad's Day" on the campus. The
Precures visited relatives there
also.

Soil Conservation District News

C. E. Davis of Lubbock made application for soil conservation assistance on 2,478 acres of land located in the South part of the County.

Topographic surveys have been completed on farms owned by L. H. Davenport, Guy Sanders, and O. N. Jennings.

Complete plans of conservation operations have been worked out on farms owned by Jack Julian and Walter Eiben and on the H. Ward Golden ranch. Mr. Golden lives at Dimmitt, Texas.

TO SCOTTISH RITE MEET

Three Muleshoe men this week took the Scottish Rite degrees of Masonry in the fall meeting at El Paso. They are Jim Cox, Morris Childers, and Herb Potter. They were accompanied to El Paso Sunday by C. D. Gupton, who already has had the work.

FROM PLAINVIEW

Mr. and Mrs. J. B. Ross and Mr. and Mrs. J. B. Ross Jr., and children were visitors Sunday in the home of their daughter and sister, Mrs. J. M. Forbes and Mr. Forbes.

Maple News

People of the community are still needing hands to pull cotton.

Mr. and Mrs. Robert Kindill are remodeling their home in Maple.

Kenneth Carbell was seriously burned on his feet and legs October 12, but is resting nicely now.

Aleda Mae Wright and daughter Dorothy visited in Mrs. Wright's parents home Friday.

Everyone is invited to the Box and Pie Supper at Three Way Gym Friday night October 22.

The Three Way Eagles won the football game from Bula. Played at Muleshoe October 14.

Miss Bonnie Jean Garvin of Lubbock spent the weekend with her parents, Mr. and Mrs. H. W. Garvin.

George Wheeler was home from Portales over the weekend.

Mrs. Ruby Fulton visited her husband over the weekend.

Uncle Sam Says

Do you know the best way to assure your children a fine education? Possibly right now you are picturing them in a college cap and gown. But you must realize these will represent the entire cost of a college education. You need not wait until they enter college to start paying for it. Start now on the safe, sure-saving way with U.S. Savings Bonds. In ten years you'll have \$4 to spend for every \$3 you put in. There are two automatic ways for the purchase of U.S. Savings Bonds, your firm's Payroll Savings Plan, or, if self-employed, your bank's Bond-a-Month Plan.

U.S. Treasury Department

BAKE SALE

Mrs. Cunningham's First Grade room will have a bake sale Saturday, Oct. 23, at Piggly Wiggly store.

Horace Holt Is Agent At Amherst

Horace Holt, long time resident of Muleshoe, and for the last five years an operator in the local

Santa Fe station, has been transferred to Amherst, where he has been appointed Santa Fe agent. The family is moving to Amherst. He is a son of Mr. and Mrs. H. C. Holt of this city.

Miss Lambert And Mr. Goodnough Wed

Miss Helen Lambert, daughter of Mr. and Mrs. A. P. Lambert, became the bride of N. J. Goodnough, son of Mr. and Mrs. Riley Goodnough, of Lazbuddy in a beautiful candlelight ceremony read Sunday morning at 8 o'clock in the home of the bride's parents. Rev. A. W. Blaine, pastor of the First Baptist church, read the single ring ceremony in the presence of relatives and a few close friends.

The bride was charming in a blue gabardine suit with white lace blouse and black accessories. Her corsage was of red roses. Miss Jann Wyr attended the bride as bridesmaid and wore black tulle with a corsage of pink carnations.

At the reception following the ceremony Miss Wyr cut and served the cake after the bridal couple had cut the first piece and Miss Wilma Jennings poured the coffee. The happy couple left immediately following the ceremony for a wedding trip, after which they will be at home in the Lazbuddy community, where the groom is engaged in farming.

MOVIES, MIKES and MISCELLANEOUS
by LYN WILSON

THE RAGS-TO-RICHES routine is not part of lovely Claire Trevor's bio, but still her climb to stardom was not easy. Like millions of other girls, Claire was raised in modest circumstances. While attending Columbia she decided to switch to a dramatic school, only to become discouraged and hurry back to the University. Not until much later did Claire try again—this time the chance came in "The Sea Gull"—a stage play. Numerous stage parts followed and ultimately a Hollywood contract. Today you'll find her co-starring with Rosalind Russell in "The Velvet Touch" which is making the circuit, following an extremely successful Broadway run.

BROADWAY'S HARVEY, the rabbit, says you've got to be "oh so smart or oh so charming" to get by—but with a supply of both you have, for example, one Phil Harris of NBC's Sunday "Harris-Faye Show" which follows Jack Benny. Phil knows the value of working with top talent. His director, Paul Phillips, has a mile-long record of successful radio productions. Dick Chevillat and Ray Singer collectively have written scripts for the Marx Brothers, Crosby, Benny Bergen and others. Co-star Alice Faye is another example of good choice. Phil is a product of Indiana, transplanted, at an early age, to Tennessee where he organized his first orchestra... so the "southern" accent is really on the up and up.

Reservists "Take-off" for Training

Each summer "Citizen Marines" from cities throughout the country go back into uniform for their annual two-weeks' active duty training at posts of the regular Marine Corps establishment. A Brooklyn unit of the Organized Marine Corps Reserve is pictured above embarking for Camp Lejeune, North Carolina for summer training.

Progress Home Demonstration Club Hold All Day Meet In Davis Home

The Progress H. D. Club met in the new home of Mrs. Davis Gully's for an all-day session as it was Achievement Day. The sewing demonstrators and many members had sewing and fancy work on display.

The president was in charge of the business meeting. Mrs. John Thomas gave the Council report.

The Progress club is invited to spend the day with the Muleshoe club in the home of Mrs. Aylsworth Oct. 26. The training school on "Christmas Goodies" will be held Friday Oct. 29.

The club voted to send a birthday gift to the 8-year-old boy of our adopted Holland family.

Each club demonstrator reported the years work.

Mrs. Malby told us many interesting things about the State meeting she and Mrs. Murrah attended.

The club will serve dinner at Mr. O. C. Thomson dairy sale Oct. 29. Each member was asked to bring one dozen sandwiches and a pie.

The officers for the year of 1949 were elected as follows:

Mrs. Gordon Murrah, President; Mrs. Harold Mardis, Vice President; Mrs. Albert Davis, Secretary-Treasurer; Mrs. Ray Mayberry, Council Delegate; Mrs. John Thomas, Council Alternate; Mrs. G. T. Malby, Parliamentarian; Mrs. Birda Garrett, Reporter.

Mrs. Mardis had charge of the recreation. Halloween games were played.

Each member brought a covered dish and the tables were set out in the new garage which was decorated with shocks of feed, Jack-O-Lanterns and black cats which brought out the Halloween theme beautifully. A bountiful meal was served.

Mrs. David St. Clair of Watson club was our special guest for the meeting. The club hopes that she will visit with them often.

There were twelve persons present. The next meeting will be in the home of Mrs. G. T. Malby.

Muleshoe H. D. Club Met Oct. 14

The Muleshoe Home Demonstration club met Thursday Oct. 14 at the home of Mrs. Jinks Beller.

Mrs. J. E. Day acted as president in the absence of our regular president.

Mrs. D. R. Aylsworth gave a very interesting book review.

Those present were Mesdames A. W. Copley, J. E. Day, Byron Jeffcoat, J. T. Shofner, Mack Hale, Marvin Wimberley, D. R. Aylsworth, W. H. Awtrey and the hostess, Mrs. Beller.

The next meeting will be Tuesday Oct. 26 instead of Thursday Oct. 23 in the home of Mrs. Aylsworth. This will be an all-day meeting with a covered dish luncheon. Achievement Day will be held on this date. Each member is urged to come and bring a covered dish.

ARRANGES TO REOPEN

Woodie Lambert, whose tailor shop, the Lambert Cleaners burned last week, today was making plans to reopen as soon as possible. He hoped to erect a small building in rear of the burned building to house his cleaning equipment while workmen went ahead with the job of renewing the room formerly occupied by the business.

YOU CAN HAVE PLENTY OF BUTANE ALL WINTER IF YOU HAVE ADEQUATE STORAGE

Will you be sure of having all the LP-Gas you will need this winter? Or will you be at the mercy of bad roads, bad weather and possible gas shortages? There is only one way in which your Butane-Propane dealer can promise you all the gas you'll need and that is for you to have adequate storage now!

So if you want to enjoy all the advantages of gas next winter—without any empty-tank worries—let your dealer explain how you can be guaranteed of having dependable, year-round gas service. Write, phone or see him today.

HERE'S THE PICTURE

The refineries which produce LP-Gas (Butane or Propane) have the same capacity all the year around. They produce the same amount of gas in the summer as they do in the winter. Yet there is four times as much gas used during the four winter months as there is during the other eight. That means LP-Gas produced in the summer must be stored for use in the winter. The refineries have increased their storage facilities. Your local dealer has increased his. But that's still not enough! Even more gas must be stored.

HERE'S THE ANSWER

The only solution to this problem is for you folks who use LP-Gas to increase your storage facilities, too. That's the only possible way in which your dealer can assure you of having a dependable, year-round supply of LP-Gas. Remember—your storage tank is like the gas tank in your car. If it's too small you're always running out of gas. So play safe. Get set for winter by getting adequate storage NOW!

HOW BIG A TANK DO YOU NEED?

You'll have adequate storage when you have a tank big enough to hold a supply of gas that will carry you through the four winter months. A tank that size will enable you to have it filled now while plenty of gas is available. Then, this fall, you can have it refilled and start off the winter with enough gas to see you through.

Shower Honors Mrs. J. F. Smith

A lovely pink and blue shower honoring Mrs. J. F. Smith was given Tuesday, Oct. 19, in the home of Mrs. Earl Jeter.

After several games were played by the guests and a very appropriate reading was given by Mrs. Horace McAdams, the gifts were presented to the honoree.

From a lovely lace covered table, centered with a bouquet of cut flowers and candelabra, refreshments were served to the following guests: Mesdames Leona Mason, Loux, Rucktaschel, Thelma Adams, Scott Donaldson, Ray Buzzard, E. E. Holtzclaw, J. A. Smith, Clyde Taylor, Ernest Holland, Lewis Stewart, Horace McAdams, Joe Dillard, Maude Jones, Bob Wilson, Joe Jarman, S. C. Caldwell, Harold Wilson, Lois White, W. B. Wagnon, Leslie Moore, Leonard Bartlett, Ebb Randol, and Jeneva Holtzclaw.

Those sending gifts and not attending were: Mesdames L. T. Sandefer, Elgin Boyter, Roy Holland, Nettie Lambert, Tom Zimmer, Jaunita Jarman, Odell Henderson, J. O. Whipple, and Paul Craig.

The hostesses were Mesdames Ebb Randol, Roy Howard, Thelma Adams and Earl Jeter.

LICENSE EXAMINER GIVES MORE TIME TO MULESHOE

The highway department's license examiner will be in Muleshoe every Wednesday and every first, third and fifth Tuesday in the month, beginning with November, the sheriff's department announced.

IN FORT SUMMER

Mr. and Mrs. O. D. Troutman and Mr. and Mrs. John Seid spent Sunday in Fort Sumner, N. M. on business and while there they enjoyed a picnic dinner on the river.

VISIT SON'S FAMILY

Mr. and Mrs. G. W. Cunningham of Millerton, Okla., are here for a visit with the family of their son, W. C. Cunningham, superintendent of schools.

No Marketing Quota On Cotton For Next Year

There will be no marketing quotas on cotton for the 1949-50 marketing year, according to an announcement by Secretary of Agriculture Charles F. Brannan. In explaining the reason for this decision, the Secretary said that quotas will not be proclaimed because the "total supply" of American cotton, as defined by the controlling legislation, is less than the amount which would make quotas mandatory.

He added further, "If quotas had been required for the 1949 cotton crop, the present legislation, with its many minimum provisions would have required the Secretary to establish total acreage quotas of not less than 27,000,000 acres. This year's total acreage is only about 23,300,000 acres. The minimum quotas which could be fixed for next year would actually have authorized and encouraged an increase of nearly 4,000,000 acres."

Because of this, the Secretary explained, the proclamation of quotas would have operated directly contrary to the original intention of the law, which was to reduce cotton acreage.

This announcement of no quotas for cotton in the 1949-50 marketing year will not change the support level to producers for the 1949 crop. The crop will be supported at a loan level of 90 percent of the July 15, 1949, parity.

THE MULESHOE JOURNAL, Thursday, October 21, 1948

Local Men At Lubbock Meeting

Several Bailey County men were seen at the cotton mechanical conference, held in Lubbock last Thursday. County Agent J. K. Adams said. Among them were Mr. Embry, farmer west of town, Mr. Richardson of Maple community and A. W. Copley, Muleshoe ginners.

The main thing that Mr. Adams got out of the meeting was the thought that Texas cotton farmers eventually are going to be in competition with other textiles, such as the synthetic materials coming into commercial production. There might come a time in the future when they will find it unprofitable to grow cotton and will need to turn to other crops, he thought.

The big manufacturers of farming equipment had their representatives there to seek information as to the mechanical trend, and textile representatives were there to learn what they may expect in the future, because total harvest mechanization may mean some difference in the product they will have to work with.

MR. FARMER, WE NEED THAT IRON

Scrap Iron Needed For Security, For Industry, Farm, And Homes

The Secretary of Commerce has appealed to the Secretary of Agriculture Charles F. Brannan to advise farmers of the great need of scrap iron and steel in order to keep steel mills running to capacity to furnish enough steel required for equipment needed for national security, for industry, for farms, and for homes.

Secretary Brannan is therefore asking farmers to again help in aiding this drive. Farmers made a wonderful contribution to the scrap drive effort during World War II. Farm scrap is partially desirable because most of it is of iron grade and more valuable than steel scrap. In 1942, 24 million tons of

scrap was melted for use. Farmers are particularly interested because of the present high production of farm machinery, fencing, steel roofing, nails, trucks, automobiles, and countless other items. One-third of the raw materials going into castings is purchased scrap. Every ton of scrap the farmer sells when combined with other materials, produces between three and four tons of new steel. Here are the facts:

- (1) This scrap is now in critically short supply.
- (2) At the rate of present high production of 88,000,000 tons of to meet the needs of our domestic steel, there is not nearly enough

Little Classic

Here is a little house with a classic, unhurried spirit — a house for those who mind their manners and sometimes like a touch of formality. The house, as featured in the September issue of Good Housekeeping magazine, is bright, original, and very elegant. It lends itself readily to additional rooms.

economy, military needs and European Recovery Program.

(3) Scrap materials were drained off closely during World War II causing a shortage of the general flow of such materials to scrap dealers.

(4) Farm industries yield the greatest tonnage of scrap materials through obsolete machinery parts and equipment, but farms, too, are a source of great tonnage of scrap.

(5) Heavy iron and steel scrap is the type most needed. This is purchased scrap and demands

good prices from scrap dealers. (6) Each year since 1940 total melt of scrap iron and steel exceeded that of pig iron. In 1947, the average charge of all furnaces

was about 50% each of scrap and pig iron. They saw two polo games, played between Lubbock and Roswell teams Saturday and Sunday.

No other Heavy-Duty Trucks have CHEVROLET'S VALUE

Only Chevrolet Advance-Design Heavy-Duty Trucks Have All These Features

4-SPEED SYNCHRO-MESH TRANSMISSION—This entirely new heavy-duty transmission in one-ton and heavier duty models enables the driver to maintain speed and momentum on grades!

SPLINED REAR AXLE HUB CONNECTION—Another Chevrolet truck innovation, this feature insures added strength and greater durability in heavy hauling.

FLEXI-MOUNTED CAB—Mounted on rubber, the cab is cushioned against road shocks, torsion and vibration.

THE CAB THAT "BREATHES"—Chevrolet trucks bring added

driver comfort with the cab that "breathes"! Fresh air is drawn in and used air is forced out! Heated in cold weather.

IMPROVED VALVE-IN-HEAD ENGINE—The power-packed Chevrolet Load-Master engine, world famous for economy, is now even more durable and efficient in operation.

Uniweld, all-steel cab construction • New, heavier springs • Full-floating hypoid rear axles in 3/4-ton and heavier duty models • Hydovac power brakes on 2-ton models • Ball-bearing steering • Wide base wheels • Standard cab-to-axle dimensions • Multiple color options

CHEVROLET You're in for an eye-opener when you try these new, big Chevrolet heavyweight champions. Our guess is you've never driven a truck with more get-up-and-go... more ease of handling... more style and stamina... more downright, real value! For combined with all their bigness and power and premium quality, these trucks have 3-WAY THRIFT. They bring you low cost of operation, low cost of upkeep, and the lowest list prices in the entire truck field!

Fresh air heating and ventilating system and rear corner windows with de-foze equipment optional at extra cost.

Farmer Falls Hardest

Life on the farm is far more hazardous for the farmer and his sons than it is for his wife and his daughters.

In fact, a survey covering 15,000 farms the country over, made by the department of agriculture, reveals that about four times as many accidents happened to men and boys between the ages of 14 and 65 as were suffered by farm women and girls. Of the youngsters under 14 injured, nearly 65 per cent were boys.

More farm people were injured by falls than any other type of accident, with the majority of mishaps involving falling on steps and stairs and from vehicles. Men and boys were victims of twice as many injuries from falls as were women and girls.

Of the total number of farm accidents, 56 per cent were connected with farm work and 8 per cent with housework. The age period from 25 to 45 was disclosed as the most dangerous.

Horses Need Attention During Stabled Period

Disease and injury that sometimes prove crippling can be prevented by giving special attention to horses' feet during the stabled period. Brittle hoofs, spongy hoofs, thrush and foot canker are the four diseases commonly caused by bad stable conditions.

Clean, dry floors are recommended as a precaution. The feet of stabled animals also should be trimmed at least once a month.

"Jimmy, isn't it rather extravagant to eat both butter and jam on your bread at the same time?"
"Oh, no, Mother. It's economy. You see, the same piece of bread does for both."

VISIT IN NEW MEXICO

Redistricting in Texas Is Urged

When Democrats and Republicans see eye-to-eye on anything during an election year, that's news!

In this case its good news for redistricting according to John Ben Shepperd, state chairman of

the non-political Texas Committee For Redistricting. Shepperd has announced that gubernatorial candidates of both parties are urging passage of Constitutional Amendment Two on the general election ballot November 2nd to provide for automatic redistricting.

Governor Beauford H. Jester, Democratic choice for re-election, pointed out to the committee that he has long been a firm advocate for regular redistricting and

has included it in his platform each time he ran for governor. "Amendment Two is a most desirable addition to our state constitution," Jester declared. "I recommend its ratification to the people of Texas without reservation."

Republican gubernatorial candidate Alvin H. Lane was equally strong in his support of Amendment Two. "I am heartily in favor of its passage," he stated. "Regular redistricting is most desirable and should win general support."

Passage of Amendment Two has been endorsed by six former chief executives of Texas Shepperd disclosed. They include ex-Governors Allred, O'Daniel, Moody, Neff, Hobby, and Ferguson. Both Lt. Governor Alan Shivers, Democratic candidate for re-election, and Taylor Cole, his Republican opponent, are supporting Amendment Two, Shepperd stated in pointing to the non-partisan nature of the measure.

Endorsements have also been received from three former Lt. Governors, seven former Speakers of the House, the League of Women Voters and all regional chambers of commerce throughout the state. A non-political organization, the Texas Committee For Redistricting, composed of more than 1000 prominent Texans is heading the campaign for passage of Amendment Two.

Remember well and bear in mind,
A really good joke is hard to find,
And when we find one that's new,
Please don't mind if the jokes on you.

BE WARM THIS WINTER

Do you dread that first frosty fall night when you may have to get out of bed at two in the morning to find an extra blanket? Remember last winter's nights when you worried about whether an extra blanket would be enough? You don't have to go through that inconvenience this winter.

Electric blankets make "just right" sleeping comfort all through the winter a sure thing. One feather-light blanket on your bed... and the convenient electric warmth regulator makes it equally suitable for the coldest northers... of brisk fall nights.

See the new electric blankets now... so economical... so attractive... so light. You'll want an electric blanket on every bed in your home... low-cost electric service makes them a better buy now than ever.

See your favorite dealer soon about "feather-light" electrical warmth this winter.

The 1949 FRAZER

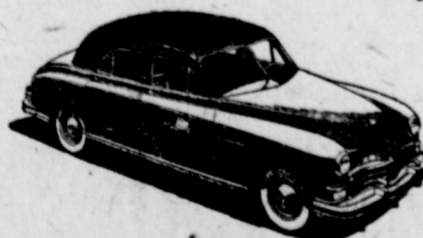

Trailblazer-of cars to come!

Once in a blue moon the stylists and engineers outdo themselves. They create a car that goes beyond today and sets the pattern for cars of the future.

This is what they have done with the FRAZER for 1949!

Low, sleek and differently handsome it is the trailblazer in style of cars to come. Its exclusive colors and fabrics have made the world's leading fashion designers fall in love with it. They call it "the dream car".

The 1949 FRAZER
Manhattan
THE PRIDE OF WILLOW RUN

The same car, the FRAZER for 1949, has even won the hard-to-win hearts of the test drivers who must relentlessly punish a car mile after mile for weeks on end. They say the Frazer makes such driving no punishment for them. Its driving ease and riding comfort "make 600 miles a day a breeze," they say.

There's a thrill waiting for you at your dealer's today. With 100 new features, improvements and refinements, the 1949 FRAZER is ahead of its time... out front—trailblazing the way for all the cars to come.

First to break clean and scrap tradition, the cars from Willow Run have done it again. Because unlike other "new" cars built since the war, they've road-proved their dependability—2 billion miles worth! Value-proved to a quarter-million justly proud owners. See and drive the new FRAZER now! It's at your dealer's. Kaiser-Frazer Corporation, Willow Run, Michigan.

LIGHT SHOWER FELL IN MULESHOE COUNTRY

A light shower fell in the Muleshoe country Wednesday morning, enough to stop cotton and grain harvesting, but not enough to do any material good. In Muleshoe the fall was only .14 of an inch, R. J. Klump, the weather recorder said.

High School Girls To Play Football

There's going to be something new under the sun. Junior girls of Muleshoe high school, to prove that they too are all out for football have planned an all girls football game next Wednesday night, October 27, at the football stadium.

The class met and elected captains and coaches. Captains are Jo Ann Holdeman and Waneen Beller. Coaches are Joe Frank Cummings, Ted Lawler, Mack Ragsdale, and Bobby Goss. Waneen (the band drum major) told The Journal: I know that everyone who comes to the game will enjoy it and say that they've never seen anything like it!

Boys of the class are forming a pep squad and band that will march at the half. Featured will be a "one man band" and two darling majorettes and an accomplished drum major.

Admission for this startling affair will be 10 cents and 25 cents. Game time is 7:45.

Possible line-ups:
Gold Jerseys: LE, Wilma Jennings; RE, Nona Clem, Tackles, Mary Jo White and Rilda Gabbert; Guards, Alomola Goodman and Rilda Gabbert; center, Barbara Grandy; QB, Waneen Beller; TB, Marge Sanders; WB, Ellen Johnson; FB, Shirley Evans.

Purple Jerseys: Ends, Jo Ann Holdeman, Jeanette Kirk; Tackles, Billie Collins, Joy Snyder; Guards, Billie Hunt, Marquita Spawen; Center, Wanda Kimbrough; QB, Joyce Blackburn; TB, Frances Roy; WB, Juera Blackwell; FB, Margie Moore.

VISIT IN HOUSTON

Mrs. George Speer and little son, George, are visiting Dr. Wayne H. Speer and Mr. and Mrs. Blake Speer in Houston.

BOX SUPPER TO BE HELD AT PLEASANT VALLEY

There will be an old fashioned country Box Supper Monday night October 25, 8 o'clock, at Pleasant Valley School house. Every one is welcome. Bring a box.

VISIT MOTHER

Mr. and Mrs. Harlon Davis of Pampa, visited his mother, Mrs. John Davis who has been ill. They also visited in the home of Mrs. Davis returning home Sunday.

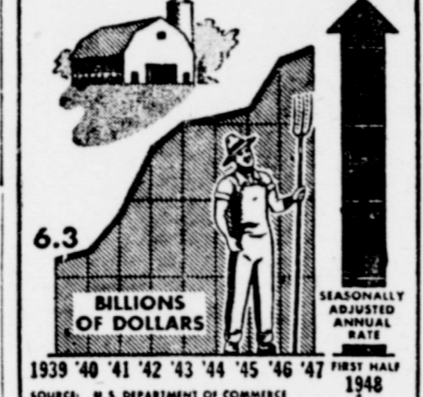

Business Principles Required on Farms

Operation by Guess or 'By Neighbor' Deplored

Cash, credit, equipment, soil fertility and human strength are involved on the ledger of assets controlled by the farmer and rancher — assets that become liabilities when management is lacking. Probably 90 per cent of the difference between a poor farm or ranch

AGRICULTURAL INCOME IN THE U. S.

and a profitable one is in the management. Good business principles lead a farmer ahead, whereas one who operates by intuition, by guess or "by neighbor" never gets ahead. Here are a few points necessary to good farm or ranch management:

- KEEP RECORDS.** This assures factual data to use in determining production possibilities of the farm or ranch. See that yields of crops, production of livestock, cash expenses and receipts are recorded properly.
- WATCH MARKET TRENDS.** By consistently reading market outlooks or discussions on prices, which reflect the most probable future situations, farmers and ranchers will have a guide to use in planning production. Thus they will be able to have produce ready to sell at the right time to realize the highest price and still have livestock and land more fertile for the following year.
- PLAN LABOR.** Make it tie in with seasons for care of machinery and equipment, time for planting, care of crops, harvesting and marketing.
- PLAN THE FARMSTEAD AND FIELDS.** Make rotations easy, save labor and increase yields by adapting crops to land.

Study in Contrasts

Long a standby of agriculture in the South, "Sally" views with interest the "new look" in Georgia farming. Latest figures show a steady decrease in the number of mules used for farm power in this state. Replacing them are jeeps, representing another step forward in farm mechanization. Equipped with hydraulic lifts and numerous other special implements and attachments, jeeps have eased up farm operations and eased the work burden for both farmer and mule.

Mysterious 'X Disease' Termed Serious Threat

"Hyperkeratosis" is the jaw-breaking name of a baffling cattle disease now causing trouble on thousands of farms, particularly in southeastern states. Known also by the simpler terms of "X disease" and "double X disease," the new malady has caused serious loss in at least 26 states and poses a serious threat to output of meat, milk and other animal products.

One symptom of the disease is a marked thickening of the skin. So far, efforts to transmit it and to treat it with drugs have been unsuccessful.

Agriculture department scientists are cooperating with specialists of several southeastern states in an intensive study of the disease.

Portable Elevator Saves Labor and Time on Farm

Easily constructed on the farm and powered with a fractional horsepower motor, the portable elevator-conveyor saves much back-breaking labor as well as time in the handling and storing of grains. Cost of construction is estimated at about \$1 per lineal foot, compared with \$1.85 per lineal foot for ready-made equipment. Cost of operation also is low. Plans are available through rural electric co-ops.

HERE FROM POST

Mr. and Mrs. Cecil Osborne, of Post, spent the weekend here with her parents, Mr. and Mrs. L. D. Taylor and attended the Jesse Murrah funeral services.

TO SAN ANGELO

Mrs. B. L. Harding and daughter, Mary Lewis, and R. J. Klump went to San Angelo Sunday to visit the Howard Carlisle family. Mrs. Klump, sister of Mrs. Carlisle, had been visiting there several days and returned home with them.

Innovation for Farmers

Marking another step forward in the advancing standard of living for the American farmer, the first radio designed and built expressly for use on farm tractors now is on the market.

The new radio, introduced by a Kansas City manufacturer, gives the farmer access during his working hours in the field to whatever he desires in the way of entertainment, news reports, crop information and weather forecasts.

Equipped with a universal mounting, this set is readily installed on any make or model farm tractor. Cabinet and chassis are weather-proof and shockproof. Eight tubes, including two rectifiers, a superheterodyne circuit and telescope antenna comprise the power unit.

Fertilizer Is Valuable For Succeeding Crops

Farmers who think fertilizer costs should be charged off in one year are overlooking carry-over assets that pay long-term dividends in bigger crop yields, according to Middle West Soil Improvement committee.

A good feed of fertilizer gives the soil a backlog of plant nutrients that benefit succeeding crops. Well-fertilized legume-grass crops in any good soil building program leave behind them important carry-over values. Legume-grass mixtures fed with plenty of phosphate and potash will add to the soil's organic matter and build soil structure. They will improve tilth, drainage and ventilation.

Because of these carry-over benefits, agronomists recommend a minimum of three years for charging off the cost of fertilizer applications.

Thorough Check of Silo Will Prevent Wastage

Silos will help to assure good use of this year's bumper crop of cornstalks. To prevent waste of the ensiled crop, however, the silo must be in good condition.

Thorough cleaning is the first step, entailing cleaning out the pit and scraping old silage off walls. Walls should be examined for air leaks, using melted paraffin to fill small cracks in mortar joints or between silo staves.

CARD OF THANKS

We wish to express our sincere thanks to all our friends and neighbors for the kindness and sympathy extended to us in the great loss of our beloved son and brother.

Billie M. Black

Our gratitude is also extended to Bob Richardson Post No. 403 American Legion, The Ladies Auxiliary, Y. L. Missionary Society, Rev. A. W. Blaine, and all the donors of the many beautiful floral offerings.

Mrs. and Mrs. C. M. Black and family.

Notice

OUR PLANT IS FULL

We have made arrangements for emergency storage at the Lubbock Army Airfield. Grain is accepted for storage here in Muleshoe with a 15 cent cwt. charge made for delivery and excess handling to that warehouse.

There Will Be No Other Additional Charges At Any Time

All warehouse receipts will be executed promptly at our Muleshoe office in order that you may secure your loan immediately. All transactions regarding storage and loan will be handled at Muleshoe.

Thanks a million for a wonderful business. Let us continue to serve you.

Portable Elevator Saves Labor and Time on Farm

Easily constructed on the farm and powered with a fractional horsepower motor, the portable elevator-conveyor saves much back-breaking labor as well as time in the handling and storing of grains. Cost of construction is estimated at about \$1 per lineal foot, compared with \$1.85 per lineal foot for ready-made equipment. Cost of operation also is low. Plans are available through rural electric co-ops.

Now! a new kind of refrigerator!

"Look! It's refrigerated from Top-to-Bottom!"

★ MORE SPACE FOR EVERYTHING!

- 8 1/2 cubic feet within the shelf area, plus 1 1/2 cubic feet . . . used by refrigerated Fruit Freshener . . . all in a refrigerator using no more floor space than a 7 cubic foot model!
- Big "Across-the-Top" Frozen Food Chest . . . 50 lbs. packaged frozen foods and ice cubes!
- Spacious Balanced Cold Compartment . . . ideal for dairy products and other "every-day" foods.
- Cold-Mist Freshener . . . large glass-enclosed compartment with super-moist cold for vegetables, salad greens, leftovers.
- Kelvinator's exclusive new Fruit Freshener . . . moist-cold preservation!
- Strong, easy-to-clean, ribbed glass shelves throughout.
- Kelvinator's famous Polarsphere mechanism . . . permanently lubricated . . . trouble-free performance!
- Also many other great features!

MODEL MM illustrated — Other Models from Kelvinator with five-year protection plan. State and local taxes extra. Prices and specifications subject to change without notice.
