Mr. Muleshoe ...

By J. M. Forbes

Seen & Heard:

Business Man: He who raises a family gives hostages to fortune. And he who owns and operates a business runs the risk of an early trip to the asylum, arterio sclerosis, or even an early, untimely departure from the haunts of this world.

If it were only one person who tells the editor such things I would put it down to blue Monday, biliousness, or something. But many, many, many business men say such things to me in the course of a week.

To organize his force of employees so that they will, without straining, produce enough business profit to meet the payroll; to keep his plant or establishment in top shape for service; to meet competition which we all have; to keep the family satisfied with his net profit; to keep the things ordered that are essential to his operations; to answer 801 questions a day are some of the little things a business man has to do and think about. Then, for his family to insist upon his taking a bath EVERY week, as though he had time on his hands. But, as one friend says, the business man can look forward to better business, more profit, an easier time next fall, or at the outside the fall after that. Now Mr. Farmer, aren't you just sure proud you are not a store keeper?

All the farmer has to worry about is spending several thousand dollars to put in a crop and failing to harvest anything at the end of the season.

Guy Daughtrey sends Earl Ladd a postcard from Glenns Ferry, Idaho, picturing 2 huge fish—the legend: 1505 lb. sturgeon caught in Snake River, Glenns Ferry. Old Guy wrote: I didn't catch this fish—in fact I think the fellow who did was a liar.

The Journal is this week publishing the largest paper that it has enjoyed since the Christmas special paper was issued. Even so, more business was tendered than could be used. Our subscription list is growing with every week. We need to grow in several different ways, question being how to safely finance same.

A trades day in Muleshoe. Our opinion here in town on the subject may differ as to the efficacy of a trades day. There is, however, no dissent on the question of whether we should by some means try to bring in more friends and try to tie our old friends to us.

Competition is strong these days among individuals, firms, and between towns. Other towns are out doing what they can to extend their trade. It is the thought in many places here that we, too, need to solicit the business of the people in as wide a territory as is reasonable.

The Masons have contributed to the growth materially and culturally and socially with their fine new lodge building. It is nearing the stage for final touches to be given it and the brethren hope to be able to use it this summer. It will serve many good purposes and without boasting we can say that the local lodge will have as nice a home as any Plains town has and everybody in the territory is very proud.

Seen & Heard:
Lady: I just love to watch the cowboys do this steeple wrestling. Ye editor, after careful questioning, found that the recent bulldozing, I mean bulldozing, doggone it.

Legion Lot To Be Awarded Sat.

A lot in the American Legion Addition to the town of Muleshoe will be awarded the coming Saturday afternoon, and anyone who doesn't have a ticket had better get busy. Committees will be busy with these tickets the rest of the week. All who have been handling these tickets are reminded by local Post officials to be sure and turn in their stubs with names written on them by 4 p. m. Saturday. (The adjutant will take charge of the money.) Tickets and money should be turned in to Randolph Johnson, the adjutant of the post by 4 p. m. The event will take place on Main Street, in front of Cox Radio & Electric, which will have its public address system working.

MERCHANTS TO SPONSOR "TRADES DAY" SATURDAY

Spradley Sells Upholstery Shop

M. L. Jackson and W. D. Taylor are the new owners of the Spradley shop, which they have renamed J. & T. Upholstery Shop in Muleshoe.

H. A. Spradley, who formerly operated the shop, has moved back to Slaton with his family. The shop does all sorts of car and furniture upholstery.

Red Cross Quota Not Yet Reached

Bailey County's Red Cross quota had not been reached when a report was made Wednesday morning by Helen Jones, treasurer. Total collected to date is \$1195.03 about \$376.97 short of the assigned goal.

The town of Muleshoe had given \$969.03 and Three Way gave \$226. No other rural community had been heard from. Contributions still may be turned in and will be credited to the quota, and will be received by Loyd Roberts at Muleshoe Funeral Home or by Miss Jones at the courthouse.

Winners Of The Annual Fat Stock Show Here Friday Are Announced

Stock Show Boys Win Extra Prizes

Top winners in last Friday's Fat Stock Show here were awarded prizes by Western Drug Co., following a custom established several years ago.

Calif halters went to Alton Taylor and Jimmy Wheeler, who showed respectively the grand champion and the reserve champion calf.

Parker "51" fountain pen and pencil sets were awarded to Ted Harrison and J. R. Henry, owners respectively of the grand champion and reserve champion of the hog show.

A Parker "51" fountain pen went to Ernest Ramm, who exhibited the best showmanship in the swine show and to Alton Taylor for best showmanship in the calf division.

Road The Journal Went Ads.

Quality of animals shown by the 4-H Club and FFA boys in their annual Fat Stock Show held Friday was higher than ever and the judge had some looking to do before finally settling upon his placings. Several hundred spectators watched as the judging was done despite a cold March wind.

Grand champion calf honors went to Alton Taylor and reserve champion calf of the show was exhibited by Jimmy Wheeler.

In the swine division the grand champion was shown by Ted Harrison, while J. R. Henry's barrow was judged reserve champion. Additional prize money for champion helped swell these boys' returns from their year's feeding projects.

Placings were as follows:

Light Calves

Alton Taylor, 1 and 2; Byron Gunter, 3; Revel Kirby, 4; Jimmy Black, 5.

Heavy Calves

Jimmy Wheeler, 1; Jim Prather, 2; Joe Wheeler, 3; Johnny Gammon, 4; Lee Kimbrough, 5.

HOGS

Heavy Chester Whites: J. R. Henry, 1; Wendell Penny, 2 and 3; J. R. Henry, 4.

Light Chester Whites: J. R. Henry, 1; D. L. Morrison, 2; Billie Joe Morrison, 3; Duane Morrison, 4; Charlie, 5.

Heavy Durocs

Billy Whalin, 1; Robert Waggoner, 2; Ikel Quesenberry, 3 and 4.

Light Durocs

David Boren, 1; Wayne Holmes, 2; Billy King, 3; Robert Waggoner, 4; Champion, David Boren.

Heavy Poland Chinas

Ted Harrison, 1; and 2; Jim Prather, 3; Don Harrison, 4.

Light Poland Chinas

Marvin Waggoner, 1; Marion Waggoner, 2; Benny Douglass, 3; Gilbert Dupler, 4; Champion Ted Harrison.

Heavy Hampshires

Bill Stinson, 1; Ernest Ramm, 2 and 3; Jim White, 4.

Light Hampshires

Ernest Ramm, 1; Jimmy Cannon, 2 and 4; Ernest Ramm, 3; Champion, Bill Stinson.

Grand champion fat barrow was the heavy Poland China shown by Ted Harrison; J. R. Henry's heavy Chester White barrow was reserve champion.

Lazbuddy Will Begin Revival Meetings Sunday

REV. GENTRY

Simultaneous Revival begins at Lazbuddy First Baptist Church March 27, and will continue through April 3. Rev. Lloyd T. Gentry, pastor of the First Baptist Church, Gustine, Texas, will preach the revival. Rev. Weldon Franks, pastor of the First Baptist Church, will direct the singing and Mrs. John Thomas of Friona will have charge of the music. Two services daily will be conducted. Morning service will be at 10:30 and evening services at 7:40.

The public is cordially invited to attend these Old-Fashioned revival services.

VISITING PARENTS

Mrs. Woodie Lambert and little daughter, Judy Kay, have been visiting this week in the home of her parents, Mr. and Mrs. Jim Arnold, at Turkey.

More Models Selected For Style Show

MRS. JESSE OSBORN

MRS. LONNIE ARNOLD

LA NELLE BOOTHE

MRS. CLARENCE KELLEY

JOYCE BLACKBURN

EUDENE SPRADLEY

Pictured here is another group of models who will style women's and children's clothing for muleshoe merchants participating in the Easter Style Show and Tea, to be held in the high school gym Saturday afternoon, April 2, at 4 o'clock.

The event is sponsored by the Muleshoe Study Club. Another group of models will be pictured in The Journal next week.

Water Outlook Reported Good

LUBBOCK, March 23.—An optimistic picture of long-range water prospects of the South Plains and Panhandle was sketched here Monday afternoon by Harry Burreigh, chief engineer of Texas Reclamation service.

He voiced confidence that a Canadian River dam and reservoir could impound enough water for all the needs of all cities and towns of the area for domestic and industrial purposes during the "reasonably foreseeable future."

Estimates reported at a meeting in the city hall here of representatives of eight communities of the area, were that the water requirements of all South Plains and Panhandle communities would approximate 139,000 acre feet annually in the year 2,000.

Water Going To Waste

Substantially more than this quantity now flows downstream in the Canadian and goes to waste each year, he said.

He expressed further confidence that numerous towns can place reliance for the next 50 years or longer upon the underground sources from which all communities of the area now obtain their water. It may be cheaper and better, he said, for many localities to place their long-range dependence upon these supplies. He mentioned Plainview, Littlefield, Levelland, and Dimmitt as being in this group.

If the time comes within the next 20 to 40 years when such communities must obtain water from other sources, he asserted, a Canadian reservoir should be able to supply all they need.

Information Sought

Cities like Amarillo and Lubbock he continued, are in a different category. Their demands are so large, Burreigh said, that the Canadian development appears now to offer the best hope of solving their long-range problems.

Too many people run their lives on the cafeteria plan—self service!

Merchants of Muleshoe will distribute \$400 worth of free merchandise in a good will event scheduled to be unveiled at 11 a. m. and 5 p. m. the coming Saturday. About 25 retail firms have contributed to the merchandise premiums to be given.

They are giving tickets this week with each purchase. The event will be conducted downtown on Main Street and everybody is expected to be on hand.

Some lucky person who has contributed to the American Legion building fund will get title to a lot in the Legion addition to Muleshoe.

Members of the JayCees at their meeting Monday night voted to give the volunteers who put this first trades day over a big hand and a committee was appointed to help. Therefore a meeting will be held tonight to see if the trades day idea can be made a permanent thing to help draw trade to Muleshoe.

Mrs. Golden Benton, of the Benton Food Store, single handedly and almost alone put over the trades day for this week. She told The Journal that she believed sentiment here is very much in favor of this trade extension idea. An announcement concerning the future of the trades day will be made Saturday afternoon.

James Lee Is Given Life Term On Rape, Incest Charge

Variable Weather Here At Weekend

The last weekend was an unusual one, even in the Panhandle and even for March. Sunday the citizens were treated to virtually every kind of weather.

The wind blew, cold at times, it rained some, it hailed some, and there was quite a dust storm brewing at one time.

Muleshoe received 10 inch from the showers of Saturday and Sunday. Disturbances were reported at various places. At Brownfield a boy, riding a bicycle was killed when struck by lightning. One airline pilot was said to have sighted a tornado.

James Lee, charged with rape and incest, was found guilty Wednesday by a jury in Bailey County district court and sentenced to serve in the penitentiary for life. It was about the stiffest sentence ever passed by a Bailey County jury.

The jury was out from 11:39 a. m. Wednesday until about 2:30 p. m. Wednesday through the lunch hour. They had spent three days away from home with only a deputy sheriff to keep them company.

Selection of the jury was a particularly hard job. Only nine men were found to be qualified from the list of 36 men who had been summoned and the sheriff's department had to go out on the street and summon additional men. The original nine spent Monday night and the whole twelve spent Tuesday night away from home.

The state's case was presented by District Attorney Joe Sharp and County Attorney Pat R. Bobb. Judge C. D. Russell appointed Johnny Aldridge, of Farwell, and Mr. Parrish, of the Griffin & Morehead firm in Plainview to defend Lee.

Conrad Williams was foreman of the jury and other members were: B. M. Seales, Ray Maberry, Leon Lewis, Buford Butts, Omar Bessire, O. M. Self, J. P. Wedel, A. H. Daricek, Guy A. Allen, F. Heathington, and J. H. Sowder.

Grand Jury To Meet Monday

Sixteen men have been summoned for the coming Monday morning to report for grand jury service, which will be empaneled by District Judge C. D. Russell. The sixteen are: Will Witterling, Ray Griffiths, Vance Wagoner, C. A. Barnett, R. C. Gaede, H. S. Sanders, H. M. Shofer, W. J. Shaw, D. O. Smith, T. W. Watson, D. V. C. Clair, H. B. Abbe, D. V. Ivers, George Tyson, Jack Lowe, and D. Warner.

Revival Meeting To Begin Sunday At Monument Lake

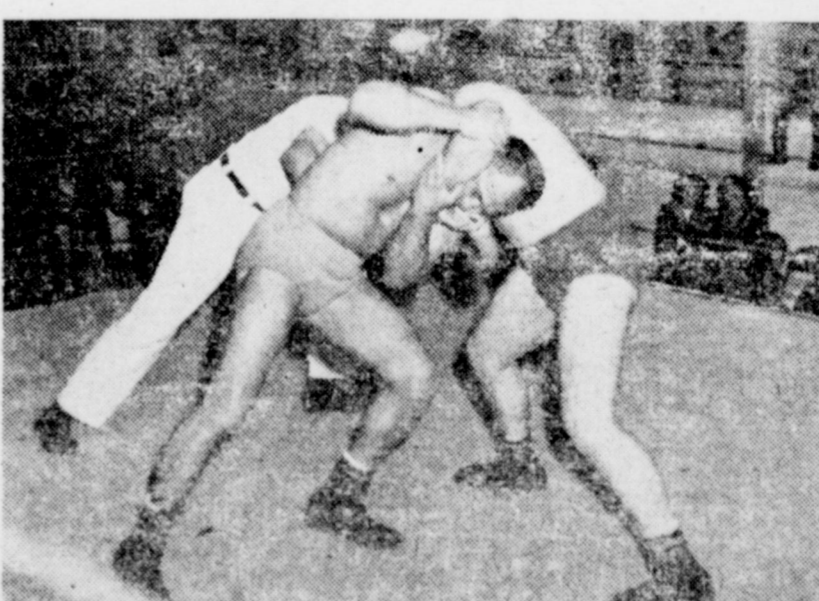

A revival meeting will begin at the Monument Lake Methodist Church the coming Sunday, March 27, members of the congregation announce. Rev. John H. Crow, of Abilene, district evangelist will do the preaching.

Services will be held each evening. The church is located five miles west of Baileyboro, at what is known as the "Y". Everyone is invited to attend the services, which will run through April 3.

TEXAS HAS A BOOK - - - ALMOST!

By Olga M. Peterson

Once upon a time there was an artless chorus girl who refused the gift of a book because she already had one. Boasting of possessions is a social sin, but to the chorus girl's cultured cousin, pride in ownership of one book is an even greater sin; and within the circle of cultured cousins, the reason is plain enough. Yet, when the public library resources of this great and wealthy state are assessed, by actual statistical count the average Texan is poorer than the chorus girl. The public libraries of this state, at the last national count in 1945, claimed only eight-tenths of a book per person.

But statistics often lie, and in this case the actual situation is

even worse. For the book resources of Texas are concentrated in the largest centers of population, leaving three and a half million people without any library service at all. Out of 3,700 Texas cities, towns and villages, 3,600 have no public libraries. Six of these have a population over 10,000. Not one library in the state receives adequate support, when judged by the standards set by the American Library Association. Where is the wealth of Texas? Why are we not using some of it to increase the mental stature of our citizens?

Far poorer states are doing much more. On our own borders, Louisiana, Arkansas and New Mexico support state-wide programs for the promotion of libraries. In some states money is available for the partial upkeep of local libraries. In others, trained fieldworkers go from town to town, county to county, guiding the growth of sprouting libraries. Of the state library has a budget to provide books and service to counties which contribute partial financing. For every penny Texas puts into state library service, Louisiana and New Mexico put in eight; Arkansas seven and Oklahoma four.

It isn't a question of lack of popular interest. Over 40 counties have groups actively engaged in promoting a county library. Most of these counties, however, do not have sufficient tax valuation to support an adequate county library and must look to the state for assistance in establishing a state-regional set-up. Letters from the offices in Austin. The writers want to know why some counties can provide their children with free books when others cannot; how much county libraries cost; who pays for them; how they are started; how clubs can help; what "regional" library service means.

"Regional service" is a comparatively new term. It describes a system which may be the answer to the staggering problem of public services for vast areas of sparsely populated country with low tax valuations. By combining the resources of several counties, it is possible to reduce the cost per county. This may provide part of the answer for Texas. State aid to libraries provides another part.

The last major attempt at a state aid program for libraries was in 1939. Now the Texas Library Association is recommending that the 51st Legislature approve the State Library's budget request of \$200,000 a year for a state-wide library development program to be carried out by its established Library Extension Division.

The sum is intentionally modest, because the program is aimed at the establishment of regional libraries on a cooperative basis. Counties within each region would be required to appropriate to the limit of their ability under the present tax valuation. State-employed librarians, state-owned books and bookmobiles would remain in a region until library service there was able to stand on its own feet. As soon as the region could afford to assume full support the state would withdraw. Leaving books and equipment as its permanent contribution.

The regional librarian and staff would move with a new bookmobile and new books to another region, where the work of organization and development would begin. The State Librarian, Francis Henshaw, believes that in ten years, the entire state could be covered with regional libraries efficiently operating without further state aid. He points out that library development in Texas has come through regional systems, since there are only about a dozen counties that can support adequate libraries of their own.

The prospects for the appropriation are better than they were in 1939. In 1947, Governor Jester recommended to the 50th Legislature the appropriation of \$200,000 a year for library development purposes, and he has indicated that the current appropriation request will have his full support. The crucial point is therefore the action of the 51st Legislature itself, and affirmative action can be assured if enough Texans let their representatives know that they want modern library services for themselves and their children.

VISIT AT PROGRESS

Mr. and Mrs. Alvin Peterson and children of near Lubbock visited her parents, Mr. and Mrs. J. A. Young of Progress last weekend.

TO ROCHESTER

Mr. and Mrs. C. A. Adams and son visited her parents of Rochester, Texas, the past weekend.

VISITS PARENTS

Mrs. Holt Moseley of Progress visited her parents, Mr. and Mrs. W. E. Watkins of Rochester, Texas, last week.

Hair beauty secrets... by Toni

Since the days of the Trojan wars women have loved this type of coiffure, and the modified modern version is soft and natural-looking when based on a home permanent. The hair is not more than two inches in length and just the ends are set in large pin curls — the crown is smooth. Jan Miner, (above) starring on CBS' "Crime Photographer", likes the charming halo effect of this hair-do because it perfectly frames her heart shaped face.

"Economists have estimated that every dollar's worth of raw products from the farm and ranch turns into seven dollars' worth of value in goods and services before it reaches the consumer.

"The original dollar is what the farmer or ranchman gets. People in cities and towns harvest the other six dollars."

Urban dwellers are now realizing that their economic welfare is interlocked with that of agriculture, Boswell said.

He noted that many bankers, labor organizations, and other individual groups are working for the advancement of soil conservation.

Urging passage of the \$10,000,000 soil conservation bill, Boswell declared:

"If the legislature will provide this amount to the districts now, the soil saved and the resulting increases in agricultural products will be worth \$100,000,000 in the next ten years."

In a statement to a legislative committee, Boswell said:

"The appropriation of \$10,000,000 that you are asked to recommend to the legislature is to be used by the districts as capital.

"We assure you that if this amount of money is provided we will not be back before the next legislature for another appropriation.

"It is our plan and intention to use this fund for the purchase of material and equipment for use by the districts to be sold and leased to cooperators at a price sufficient to replace such material and equipment by the time it is depleted."

The amount requested represents

the minimum requirement to carry forward a complete and efficient soil conservation program, Boswell said.

He pointed out that \$10,000,000

when allocated to the districts would boil down to an average of only about \$10,000 for each county precinct.

Urges Big Sum For Conservation

AUSTIN, March 22.—The urgent need for soil conservation work is a concern not only of the farmer, but also of city and town dwellers.

Significance of the soil to urban people was explained in Austin this week by R. M. Boswell of Kenedy, representing the Association of Texas Soil District Supervisors.

The association is supporting legislation to appropriate \$10,000,000 as a permanent capital fund to round out Texas' soil conservation program.

"Money that is exchanged in purchasing, processing, transporting, and merchandising agricultural products finds its way into the pockets of every Texas citizen," Boswell declared. He continued:

YOU HAVE TO KNOW talent to hand out movie contracts without screen tests. Louis B. Mayer does and signed Kathryn Grayson after just hearing her sing and today she's one of the screen's finest young singing stars. You'll remember her in "Anchors Aweigh," "Andy Hardy's Private Secretary" and many other successes. Her latest is MGM's "The Kissing Bandit." Kathryn's favorite memory is of an old janitor in St. Louis who constantly encouraged her to sing. His applause was an inspiration . . . then later she found her devoted fan was deaf! "THE GOOD SAMARITAN" will be dramatized over the air this month for the third time. Two years ago when ABC's Sunday "The Greatest Story Ever Told" went on the air, it wasn't often that a young lady is besieged with movie offers but that's exactly the "spot" Barbara Britton found herself in following an appearance in the 1941 Tournament of Roses. She signed with Paramount and started in earnest to become a star. Her favorite with that studio was "Till We Meet Again." In 1945 she decided to become a free lance actress . . . continued to study dramatics and musical music. Her latest picture is a James Nasser Production, "Cover-Up" released by United Artists.

John Griggs

ROGER ELLIOT — The Mystery Man, played by actor John Griggs, the story teller on the MBS "House Of Mystery" program, keeps youngsters and elders glued to the radio every Sunday for a half hour of adventure and excitement. Unlike most mystery programs this one does not leave children at a high pitch of suspense. It is produced on the assumption that fear and superstition are based on ignorance. Each week's story is packed with thrills yet when finished the suspense angles have all been explained with factual, reasoned information. The result is a program that is good listening for children and one that is highly praised and recommended by universities, parents and teachers alike.

A SELF-MADE TYCOON, Glenn McCarthy, has selected "The Green Promise," a story based on the 4-H Club, for his first RKO Radio release . . . because he believes that this organization of boys and girls has helped make this country the leader of the nations of the world.

FEW OF US MAY REALIZE the importance of his shoulders, "Captain" Paul Phillips who steers the NBC "Phil Harris - Alice Faye Show" every Sunday, has worked on radio since the day he left U. of Missouri in 1936 — with "Columbia Workshop," "Your Hit Parade," "Information Please" and numerous other network programs. When the "Phil Harris-Alice Faye Show" was put into a regular spot in 1946, Phil insisted that Paul take over the producing-directing of his show. They teamed up and Paul has been the key man behind the scenes ever since.

Paul Phillips

NOTICE TO BIDDERS
Bids will be received and opened by the Commissioner's Court, of Bailey County, Texas, at the Courthouse, at Muleshoe, Texas, until 10 a.m. on Monday the 11th day of April A. D. 1949; for the purchase of one (1) Motor Grader, Weighing, approximately 23,000 pounds, and powered with 100 H.P. Diesel Engine, equipped with enclosed cab; two 2 foot blade extensions, Electric starting system 13:00X24 tires on rear, 9:00X 24 tires on front.

Bailey County, Texas, will trade used Caterpillar No. 12 Motor Grader in on New Machine, and balance to be paid in Cash. The Commissioner's Court, of Bailey County, Texas, reserves the right to reject any and all bids.

Dated at Muleshoe, Texas, this the 22nd day of March A. D. 1949.
Cecil H. Tate, County Judge, Bailey County, Texas.

"Any car without new individual, inner-spring front shock suspension is out-of-date!"

For **RIDE**

It's KAISER

Engineered for comfort! Drive the roughest roads!

Less bounce over bumps—
Less side-sway on curves!

To a new distribution of mass and load has been added a sturdy new frame, an engine so vibration-free you can scarcely hear it, finger-tip steering, new, longer springs. Inside you'll find wide, wide seats, deep and soft. . . These are just a few of the 103 new features in the 1949 Kaiser . . . backed by the RUGGED RELIABILITY proved by 330,000 owners in over three billion miles of postwar driving.

Most copied cars in America • KAISER-FRAZER • Dealers everywhere you go

RIDE—THEN DECIDE!

*A new Kaiser model, now in production—available soon. White sidewall tires available at extra cost. Prices include factory-installed accessories . . . READY TO DRIVE. Transportation, state and local taxes (if any) extra. Prices subject to change without notice.

New Features Are Announced For Annual Plainview Dairy Show

PLAINVIEW, March 23—The Panhandle Plains Dairy Show scheduled here April 9-16 will have a wider public appeal than any of the previous 21 expositions, officials say.

Entertainment fashioned for everybody, more auction sales, a huge merchants and manufacturers' exhibit under canvas, a better midway, more social activity for visitors and added prize money are among the attractions which have been added with an eye to rejuvenating the Dairy Show.

Prize money totals \$2,934.80, larger by several hundred dollars than last year's cash awards for winning exhibitors. In the FFA and 4-H Club dairy cattle judging winners will be awarded banners this year instead of cash prizes as in the past.

"Cavalcade of Stars" will replace the traditional pageant. Raymond Lee Johns, Dairy Show manager, believes the entertainment will "hit the spot" with the general public. It will be presented by veteran showmen. There is such a wide variety of action crammed into the two-hour performance that at least some part is bound to appeal to a big section of any crowd, Johns said.

The "Cavalcade of Stars" is scheduled for Monday night, April 11, at the City Auditorium.

The eighteen acts of fun, music, magic and acrobatics include John Regan, Australian cowboy and his whip act; balancing clowns, the Dipsy Doodlers, hillbilly novelty trio; Madame Lee and her trained dog show, a six-girl Hollywood Starlet chorus and the Beverly Hills orchestra to furnish special numbers and background music.

Buford Gamble who calls himself the Pie-Eyed Piper, will act as master of ceremonies and perform with the Callahan Brothers, Blue-ridge Mountain Boys of Grand Ole Opry fame.

Each of the four breeds of Dairy Show Cattle will be recognized with "official day" rating at this year's show. In the past only Jerseys and Milking Shorthorns have been so designated. For the 1949 show Tuesday has been designated as official Guernsey day and Friday as official Holstein day.

Wednesday is official Jersey day and Thursday is so designated for Milking Shorthorns.

Guernsey and Holstein exhibitors are sponsoring auction sales this year for the first time. They and Milking Shorthorn showmen will conduct sales on their official days. Guernsey and Holstein breeders have added annual banquets to their calendar of activities.

Last year's entries totaled 390 by departments 45 Holsteins, 54 Guernseys, 140 Jerseys and 151 Milking Shorthorns.

The merchant's and manufacturers' displays will be under a big tent set up adjoining the west wing of the dairy barns. It will be so arranged that visitors will enter this department from the street, make their way through the exhibit and have easy access to the cattle exhibits in the permanent building.

Another tent will be provided on the grounds for sales, Johns said. Show officials have arranged for a breakfast meeting of all past presidents of the Panhandle Plains Dairy Show Association on Wednesday morning at the Hilton Hotel. The showmen's annual banquet will be held Wednesday night at the Shelter House in City Park.

Sealed proposals addressed to the Mayor, Muleshoe, Texas for constructing elevated Water Storage, water mains, well, sewage collecting lines, 3 lift stations, force main and Inhoff tank, will be received at the office of the City Clerk, Muleshoe, Texas, until 2:00 P. M., March 30, 1949, and then publicly opened and read.

Bidders must submit a bond, cashiers or certified check for Five Thousand Dollars (\$5,000.00) as a guarantee that the bidder will enter into the contract under the conditions set forth within 10 days after notice of award of contract. The minimum wages which shall apply on this work are the established rates for this area as set forth in the specifications. Each bidder shall submit a statement of his experience, financial resources and equipment with the bid. The City reserves the right to waive all formalities and to reject any or all bids. Plans and specifications may be inspected at the office of the City Clerk, Muleshoe, Texas, Texas Contractors' Publication Office, or Hasie and Green Engineering office in Lubbock, Texas. Plans and specifications may be obtained at the office of Hasie and Green Engineering Com-

Know Your Pesticides

As every county agent will point out, it is profitable to the farmer to know how to choose and use pesticides properly.

There are many well known and many relatively new chemicals for controlling pests. Their strong points and their weak points should be compared before making a choice.

"It is important," the agents emphasize, "to be familiar with your pest problems and to recognize and follow reliable recommendations rather than mere reports and suggestions of untrained persons."

"Study the problems that may follow use of certain materials, such as residues and off-flavors. Consider timing of applications, dosages, methods of removing residues, etc., as a means of overcoming secondary problems. Be sure products you buy comply with all regulations."

"Accuracy of dosage is one of the fundamentals in the use of modern chemicals. Read labels and accompanying directions carefully."

The word "area" originally meant a threshing floor—a raised space in a field exposed on all sides to the wind.

pany, P. O. Box 1139, Lubbock, upon a deposit of twenty five dollars (\$25.00) which will be refunded to each actual bidder upon return of

Community Sale

A community sale that will cover everything and anything of value will be held at the Emette Cross real estate and sales lot here on Tuesday, April 5, beginning at 11 a. m. Livestock, farm machinery, household goods, and other items will be sold at auction.

Nothing will be refused, Mr. Cross said. A partial list of items already consigned to the sale will be found in this paper. The Cross lot is located on the Lubbock highway, across from Muleshoe Elevator. Kenneth Bozeman and Mr. Cross will be the auctioneers. Bailey County HD club ladies will serve lunch.

Fidelis Class Has Pot Luck Supper Monday

The Fidelis Sunday School Class of the First Methodist Church met in the Fellowship Hall, Monday evening, March 21, at 8 p. m. for a pot luck supper.

Each man drew a name of some Biblical or Historical character and found his partner by the corresponding wife or sweetheart. Adam and Eve led the characters to the bountiful laden table of Pot Luck dishes which consisted of meats, salads, pickles, vegetables, rolls, pie, and coffee. Places were found at flowered decorated tables prepared by the committee Mesdames Sam Fox, Morris Childers and Earl Ladd.

A. J. Gardner, the president was in charge of the business. It was voted to make the Pot Luck Supper a quarterly occasion. The 3rd Monday evening of every third month of the quarter.

Those present were Rev. and Mrs. T. G. Craft, Mr. and Mrs. D. L. Morrison, Mr. and Mrs. A. J. Gardner, Mr. and Mrs. S. C. Beavers, Mr. and Mrs. Sam Fox, Mr. and Mrs. Noel Woodley, Dr. and Mrs. M. F. Green, Mr. and Mrs. Morris Childers, Mr. and Mrs. G. O. Jennings and son Bobby, Mr. and Mrs. Gil Wollard, Mr. and Mrs. Delma McCarty, Mr. and Mrs. Jess Osborne, Mr. and Mrs. Pat Bobo, Mr. and Mrs. Buck Wood, Mr. and Mrs. Earl Ladd, Mr. and Mrs. Fred Johnson, Mr. and Mrs. W. K. LeVaque, Mr. and Mrs. Bob Prather, Mr. and Mrs. Doc Wilhite, Mr. and Mrs. George Stotts, Mr. and Mrs. Olin Jennings, Miss Elizabeth Harden, Mrs. F. B. Pierson, Gambrel Smith, Mr. and Mrs. Roy Morrison and children.

After dinner the tables were pushed to the walls and chairs arranged in a circle. The games provided by the committee Mr. and Mrs. Fred Johnson and Mrs. Noel Woodley were hilariously enjoyed for a period of forty-five minutes.

Study Club Advancing Plans For Easter Style Show And Tea April 2

Members of the Muleshoe Study Club this week were advancing plans for their Easter Style Show and Tea, to be given in the high school auditorium Saturday afternoon, April 2, at 4 o'clock.

The following firms will show clothes for every occasion: St. Clair's, Cobb's, Dixie Lee Shop and Fashion Shop. The Western Drug has arranged for a special cosmetician to supervise make up.

The auditorium will be decorated with spring flowers and the Easter motif will be used throughout the program. There will be a large number of tables, each decorated and presided over by a member of the Study Club. Each member will act as hostess at her table, serving guests and performing introductions.

The Study Club extends to the club women and their friends of Muleshoe and the Muleshoe territory a very special invitation to attend. It is planned to introduce

club president or representatives of all clubs in the district during the tea and program.

Each model will show three changes of costume. These will include sports clothes, dressy clothes, suits, play clothes and evening clothes. Flowers, as special accessories to certain costumes will be planned and shown by McWhorter Floral.

The Style Show will be directed by Mrs. Elizabeth Watson with Mrs. Inez Bobo as stylist and director of models. Mrs. Elizabeth Woodley will be mistress of ceremonies.

Background music will be supervised by Mrs. Gene Cox. Cox Radio Electric will furnish the loud speaker system.

Mrs. Geraldine Green is chairman of the food committee and Mrs. Maxine Harris is chairman of decorations and flowers. The ticket committee chairman is Mrs. Jo Wood and publicity is being directed by Mrs. Lois Lennau.

Sunshine Club Met Thursday

The Sunshine Club met with Mrs. Kolar the 17th of March.

The roll call was answered with each member reading a verse from the Bible. Those present were: Mesdames Ladd, Ware, Odom, Harvey, Wimberly, Dawkins, Lee, Meek, Chambliss, Hart, Tipton, Coulter, Simmons, Harrison, Stinson, and a visitor, Mrs. Mims and the hostess, Mrs. Kolar.

The club sang two songs. Mrs. Coulter read a poem. Mrs. Ladd and Mrs. Meek each received many nice and useful birthday gifts.

Everyone enjoyed delicious refreshments, after which the club meeting was adjourned.

Couple Honored With Shower

Mr. and Mrs. Medford Scitres were honored at a miscellaneous shower given in the home of Mr. and Mrs. Irvin St. Clair, Wednesday, March 16, at 7:30.

Pink gladiolus with greenery were used for decorations. The table was covered with a lace table cloth and a center piece of pink gladiolus flanked by crystal candelabrum with white lighted tapers. The service was of crystal.

The bride and groom and guests were greeted by O. S. Prather. Mrs. Lowell Irvin St. Clair presided at

Needmore Club Met At Davenport Home

The absent members of the Needmore Women's Club "take notice": You certainly are missing a good time—in fact that's a slight misapprehension of the truth. A wonderful time was had by all at Mrs. Jackie Davenport's home. (Jackie told me to be sure and spell her name right).

A delicious lunch was served and we spent our time sewing and planning exciting activities for the future. An old time square dance and producing a play were among the things mentioned.

Mrs. Margie Barker, who recently suffered a slight illness, was at club. Mrs. Zoffie Shafer and Mrs. Lester Howard were absent due to illness in the family.

Mrs. Janie Garth was present. She was the one who was planning the cellar digging—now she wants her house cleaned when we meet at her house next Monday. Seriously, I think she only has a broad sense of humor. So I think it will be safe for us all to be present at her house Tuesday, April 5.

the brides book.

The young couple received many lovely and useful gifts. Refreshments of individual cakes topped with pink icing and lime sherbet were served to around fifty guests.

Hostesses assisting Mrs. St. Clair, were Mrs. Henry Clements, Miss Wynona Blair, and Mrs. Hubert Gammon.

Ladino Clover Produces Better if Bee-Visited

Ladino clover on which bees were allowed to work freely produced 40 times as much seed as that from which bees were excluded, according to an experiment conducted by Dr. H. A. Scullen. From 100 clover seed heads worked by bees he obtained 13,946 seeds, while from 100 heads screened against bees he got out only 365 seeds, or fewer than four seeds per head.

Lake Placid is 1,900 feet above sea level.

Check Fire Equipment, Farmers Are Advised

Farmers are urged by county agents to check fire extinguishers to be certain they are approved. These warnings are based on reports from Fire Protection Institute, a national fire safety organization, that many "unapproved" extinguishers have been made available during the past few years. It was pointed out that an dependable extinguisher is about as useful as a counterfeit dollar.

Dust is as dangerous as gunpowder.

RUNNING WATER MAKES FARM WORK EASIER AND MORE PROFITABLE

A GREAT CONVENIENCE IN THE HOME
Make life in the farm home easier. Install an electric water system. Plenty of running water takes the drudgery out of dishwashing. Just turn the faucet and you also have plenty of water for the bath. No more carrying water from the kitchen.

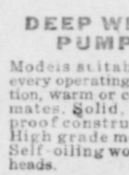

INCREASES PROFIT ON FARM PRODUCTS
Lots of water for the herd increases milk production. Helps cattle thrive under sanitary conditions. Encourage poultry to drink more water and you will have a healthier flock and increased egg production.

AERMOTOR ELECTRIC WATER SYSTEMS

SHALLOW WELL PUMP
Built for suction lifts of 22 feet or less. Models available in variety of capacities, 20, 30 and 50 gallons per hour. Built-in fresh water system. Also jet pumps 1/4 to 1 h. p. available.

DEEP WELL PUMP
Models suitable for every operating condition, warm or cold water. Solid water-proof construction. High grade motors. Self-oiling working heads.

The NEW
54
COTTON PLANTING SEED
NOW AVAILABLE

The NEW Paymaster "54" is now available for the 1949 planting season—ready for farmers who want more profit from Cotton. This quick-maturing, high-yielding, better-staple-producing planting seed answers the demand for a variety that is tested and proved for West Texas growers. It is the result of scientific selection and painstaking experiments to develop a seed that will produce more money per acre planted.

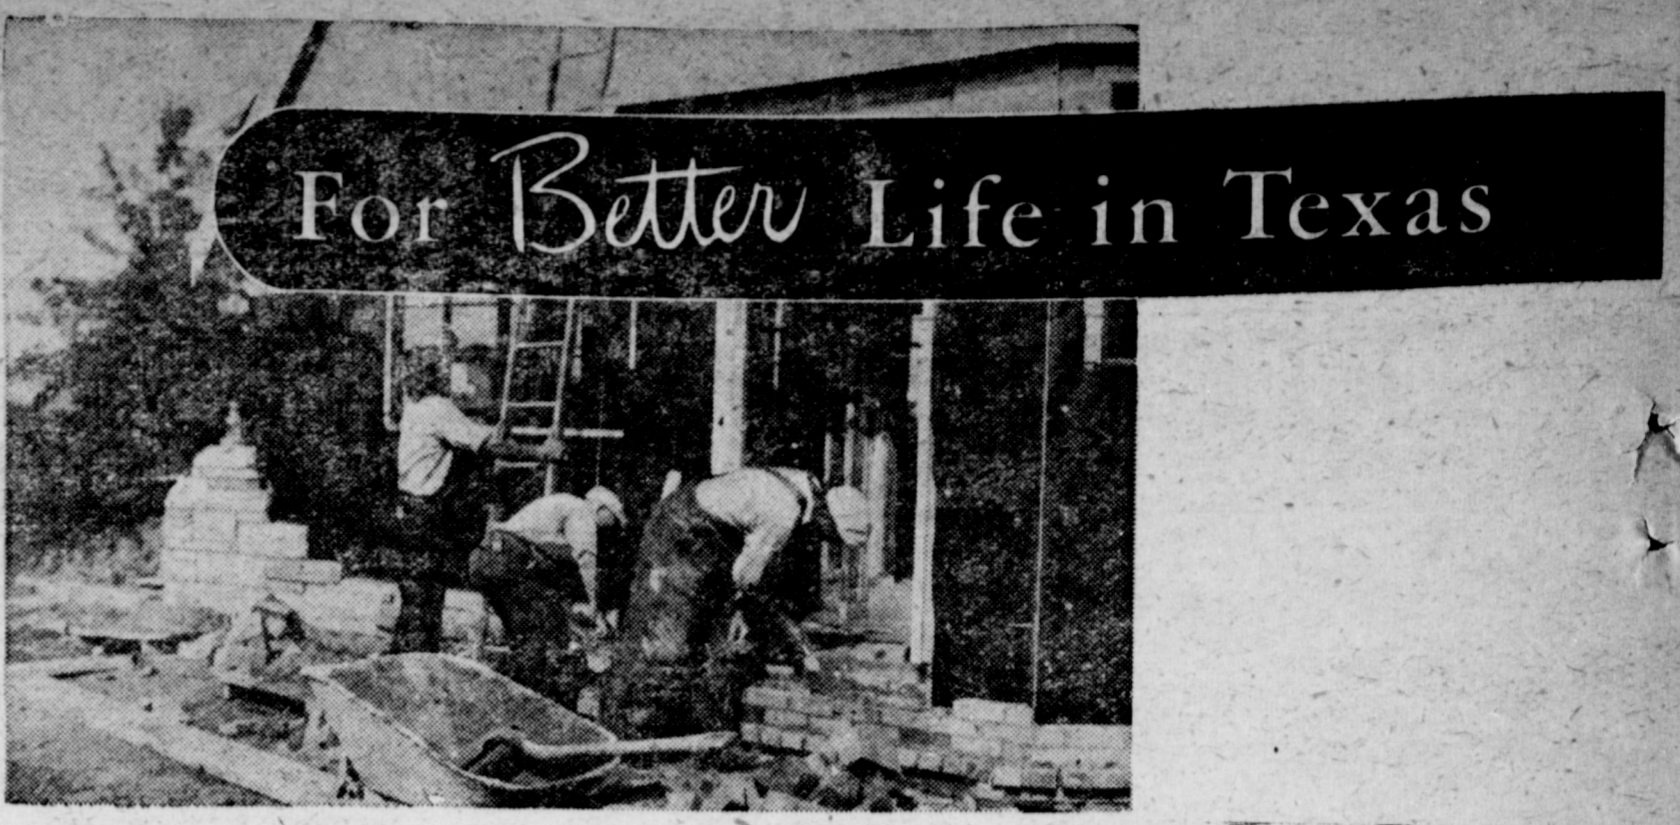

Here's why the NEW Paymaster "54" is a money-making Cotton...

- **EARLY MATURITY**
Of 25 varieties tested recently... "54" was first in percentage of crop harvested in a four-month period.
- **HIGH YIELD**
In this same test, "54" was third among all varieties in yield per acre.
- **BETTER STAPLE**
"54" ran 15/16" to 1 inch throughout West Texas, assuring a better price.
- **TESTED FOR DRY LAND**
"54" has been proved successful for dry land farming as well as for irrigated Plains areas.

Be among those profit-minded farmers who demand a money-making Cotton planting seed—the NEW "54"; order your supply of the improved, state-registered "54" NOW.

IT PAYS TO PLANT PAYMASTER "54"
Sold through your ginmer, your seed dealer, all branches of the Western Cottonoil Co., and at Lockview Farm, Plainview, Texas.

For Better Life in Texas

Home Owning Neighbors

We Texans are proud of our homes... big ones, little ones, and in between. And, during the forty-six years of Southwestern Life service, this strong Texas company, operating exclusively in the Lone Star State, has loaned \$123,365,140 so that thousands more Texans might own their homes, farms, or ranches.

The Sam Houston home in Huntsville is a monument to the first president of the Texas Republic and the other pioneers who built for better life in Texas.

These loans have made for better life by happy home ownership, and the interest on them has meant better Life Insurance for the protection of Southwestern Life policy owners and their families.

Kasaboski, Funk Win Mat Go Here

In the main event of the double wrestling bill which was staged at the local high school gym last Saturday night, Alex Kasaboski defeated Buck Weaver in a grudge fight.

On the opening night here two weeks ago Weaver was awarded the bout when it was ruled that Kasaboski fouled.

Kasaboski won the first fall in 14 minutes with a stomp hammerlock. Weaver won the second fall in only 3 minutes and Kasaboski won the third fall and the match in 14 minutes with a hammerlock.

In the opening bout of the night, Dory Funk beat George Overhuls by winning the first and third falls.

Funk won the first fall with a spinning toe hold after 21 minutes and won the third fall by using a reverse back-scissors in four minutes and 20 seconds.

Overhuls won the second fall with a full-nelson after five and one-half minutes.

Area fans liked the fights so well on the opening night almost three weeks ago that on last Saturday night, even a much larger crowd was on hand to witness the double main wrestling events which are being sponsored here by the Junior Chamber of Commerce.

Area fans seem to be well satisfied with the professional wrestling matches which are being staged.

Baker Trains For ACC Football Team

ABILENE, Texas, March 23—Jacques Baker, son of Mr. and Mrs. Baker of Muleshoe, is currently among the 44 candidates working out for football at Abilene Christian College.

He is one of the largest men on the squad at 210 pounds. For the past two seasons he has been a reserve tackle on the varsity team coached by A.M. "Tonto" Coleman.

Known on the campus as "Cactus Jack," he is a junior majoring in Agriculture. If spring training is any indication of his ability, he will play a lot of football next season when the Wildcats embark upon one of the toughest schedules ever arranged for any ACC athletic team. Their first game will be played September 10 in Lubbock against the powerful Texas Tech Red Raiders.

While in Muleshoe High School, Jacques won three letters playing football. He was also leading boxer and won the high school heavyweight boxing title one year.

ATTEND BALER SCHOOL
Jim Cox and R. A. Bradley, of Fry & Cox Bros., local M-M dealers, attended a Bal-O-Matic school held in Plainview Monday and Tuesday.

ed here weekly on every Saturday night. No doubt there will be new fighters to appear on the card here from week to week with favorites of the crowd being brought back for return bouts with other nationally known wrestlers.

Slants From The Sidelines . . .

By W. E. Hill

Again this week there will be plenty of various different kinds of sports going on in Muleshoe that should at least reach nearly everyone's taste.

Beginning tomorrow afternoon the local roping club is sponsoring a big rodeo which will be held also on Saturday and Sunday afternoon as well as a band contest and several other exciting events.

Friday afternoon the local high school track squad will meet the Whiteface track squad in a dual meet at the local athletic field beginning at 2:30 p. m.

Again on Saturday night the local JayCees will be sponsoring their third professional wrestling card for the year with four of the "big-name" wrestlers of the United States being carded for this event.

It can never be said that the people of this area never have anything to do or any place to go for entertainment. Right here in Muleshoe we have almost as big a variety of sports events as anyone who lives in Chicago, New York or Los Angeles to pick from to go to for an evening of relaxation, fun and sportsmanship.

Not only do we have these extra added features, but local people can go to one of the two theatres in Muleshoe most any night and see a very good motion picture. There is plenty of space for the hunters to do their game hunting when the various game is in season . . . with the season open all the time on coyotes, rabbits, etc.

It will not be very long before you can hear them cry "PLAY BALL" . . . and then of course it will be football season again before you know it and everybody will be just "itching" to see a good game of football . . . and trying to dope out who will be the next state champions.

You bet . . . we have just about as many ways to entertain ourselves as the people who live in Los Angeles, New York and other big cities . . . and we usually don't have to travel near as far or go to near as much trouble to enjoy ourselves as our "big city" cousins do.

"THE QUEEN'S PHYSICIAN" IS NEW LIBRARY BOOK

"The Queen's Physician" by Edgar Maass is another new book in our library. You will all want to read how the physician gained the love of the queen, one of the most beautiful women of her time. His appointment as prime-minister, his rise to paramount influence and his eventual downfall and execution in the coup engineered by the jealous Queen-Dowager and her minister is as fascinating a story as can be found in the pages of history.

VISITORS FROM LUBBOCK
Mr. and Mrs. Cecil Jennings and daughter Jan Ellen of Lubbock spent Sunday in the O. N. Jennings home.

MULESHOE JOURNAL

SPORTS

THE MULESHOE JOURNAL, Thursday, March 24, 1949

Track Squad To Meet Whiteface Friday; Win Over Littlefield Thursday 74 - 62

Coach Hedges track squad is showing rapid improvement as the track season progresses.

Friday afternoon beginning at 2:15 the Muleshoe track squad will meet the Whiteface track squad in a dual meet here at the local athletic field. This is an opportunity for the local track fans to go out and watch coach Hedges men in action.

Last week in an invitation track meet held here between Littlefield and Muleshoe, the Littlefield squad edged out over the local squad, but last Thursday in another dual meet between the two squads which was held at Littlefield the Muleshoe squad rolled up seven first places to defeat the Littlefield squad by a total of 74 to 62 points.

Bill Gaede is showing the most improvement as he is now running the mile in 5.18. Joe Cummings was discovered to be an excellent high hurdle man also as he ran in that event for his first time at the Littlefield meet and took first place honors.

In the discuss throw, the Muleshoe boys won all four places in that event as follows: Lewellen, 1; Briscoe, 2; Cummings, 3; Spivey, 4.

In the shot put Williams won first while Goss won second.

In the broad jump Spivey took first and McCarty took second.

The Muleshoe squad won second place in the 440-yard relay and Spivey won fourth place in the high jump event.

In the 100-yard dash McCarty came in third and Kersey came in fourth.

Joe Cummings took first place in the 120-yard hurdles and Lewellen took third.

In the 220-yard dash McCarty came in first and Kersey came in

fourth.

Shaw came in second and Heath

ington came in fourth in the 440-

yard dash.

Joe Cummings again came in first with Lewellen hot on his trail for second place in the 200-yard low hurdles.

In the 880-yard dash Douglass ran third place with King coming in for fourth place.

In the mile relay Gaede took first and Lawler took third place.

The district meet has been set for April 8-9 and is scheduled to be held at the Texas Tech athletic field on those two days with all the track teams in this area participating.

Coach Hedges also announced that he would enter his squad in the South Plains Invitational Track Meet which is to be held at Lubbock on April 15 and 16. At this meet the local squad will be competing against track squads from all over the state of Texas including a lot of AA squads.

The junior track squad which is being coached by J. A. Beam is expected to enter some meets in the near future and may participate in the dual meet with Whiteface here tomorrow afternoon.

DAVIS TO REPLACE GREEN AT SUNDOWN

It was announced this past weekend that Jess Davis, assistant coach at Sundown has been named head coach by the school board there.

Durwood "Woody" Green was recently elected as head coach of the Muleshoe school and will succeed J. A. Beam. The change will take effect after the current school year.

Folks are calling it The "BUY" in Big Cars

White sidewall tires, as illustrated, available at extra cost.

Not much question about it now.

Folks have had time to look them all over, size them all up, match respective merits — and the verdict still stands: It's ROADMASTER!

For here's the size and bearing and comfort that make you Mr. Big wherever you go.

Here's a ride so firm and soft and level you begin to understand why it sets standards others strive to equal.

Here's the quite unmatched silkiness of Dynaflo Drive, with never a halt or jerk

or break of stride in your forward going:

Above all, here are the things you want more than anything in an automobile. Life—lift—a swift and soaring eagerness waiting only your toe-touch to put you in command of any highway situation.

We'd like to prove all this to you by putting you behind a ROADMASTER wheel. Like to prove, with a hard-boiled matching of figures, that your dollars do their biggest job of the times right here in ROADMASTER.

Drop in, any time. We're ready always to take your order with or without a car in trade.

Buick Roadmaster
WITH DYNAFLOW DRIVE

Week Of Prayer Is Observed By Baptist Ladies

In the lovely home of Mrs. John Gady, a large number of ladies met in on all day session and observed the week of prayer. The interest of Baptist throughout the Southland being focussed on Home Missions at 10 o'clock.

Mrs. J. C. Hamlin, President, called the meeting to order and extended a welcome to visitors. 9 ladies from Muleshoe church, 1 from Springlake and 1 from the Methodist church of the Three Way community. The meet was turned over to Mrs. Brinker, chairman of program committee.

Mrs. Brinker is a very capable and efficient leader and the program throughout the day was one of high spiritual quality.

It was also very unusual in as much as every single person who had any part on program, was present and rendered that part. 15 ladies and the pastor of the home church and 5 ladies visiting from

sister churches.

Our pastor's wife, Mrs. Holtzclaw, brought the morning devotional and Mrs. Love of Muleshoe church the afternoon devotional. Mrs. Blaine, wife of the pastor of Muleshoe church, and Mrs. Griffiths, member of that church and others, gave interesting and helpful parts on the program. While Mrs. G. F. Howell, associational president, covered very effectively in her talk some of the needs and some of the accomplishments of the Baptist work of the homeland. Both Mrs. Ellis and Mrs. Holtzclaw, served at the piano and Mrs. Andrew Whittred led the singing.

The main feature of the day was a discussion by the pastor, Rev. Carrol Holtzclaw. The topic, the condition, or attitude of the church. His remarks were well chosen and to the point awakening in the heart of each hearer a deep spiritual need. A most delicious and bounteous buffet luncheon was served to ladies.

When the last prayer was said each one went their separate ways home. Feeling that it was a day well spent in the service of the Kingdom. In friendly greeting and good fellowship with members of other churches which promote understanding. Grateful especially for some of the manifold blessings

of the manifold blessings of the Kingdom.

Muleshoe Girl Scout Meeting Held

The Girl Scouts met at the Mule shoe grade school and then went to the Girl Scout house.

Those present were: Leta Marie Allen, Helen Ward, Texann Holdeman, Ann Woodley, Noretta Harrison, Barbara Douglass, Bettie Collins, Inneil Elliott, Vinette Wood, Laura Whalin and Diana Barnett.

Women present were: Mrs. Watson, Mrs. Woodley, Mrs. Johnson and Mrs. Elliott.

Visitors were June Freeman, Patsy Larue Smith, Wynell Bowen, Patsy Scarborough, Paula Provence.

During the business meeting, the Girl Scouts were to help in the Red Cross drive Saturday, March 26. They will have two tables, one at the Valley theatre and one at the Western Drug.

The following have charge of the Red Cross drive.

At Theatre:

From 11 a. m. to 1 p. m.: Ann Woodley, chairman; Mrs. Elliott, in charge; Texann Holdeman, helper; Tuineil Elliott, helper.

From 1 p. m. to 3 p. m.: Diana Barnett, chairman; Mrs. Whalin, in charge; Noretta Harrison, helper; Helen Ward, helper.

From 3 p. m. to 5 p. m.: Ginger Gaede, chairman; Mrs. Gaede, in charge; Bettie Marie Ford, helper; Leta Allen, helper.

Western Drug

From 11 a. m. to 1 p. m.: Barbara Douglass, chairman; Mrs. Douglass, in charge; Laura Whalin, helper; Margaret Stalling, helper.

From 1 p. m. to 3 p. m.: Bettie Collins, chairman; Mrs. Wood, in charge; Venette Wood, helper; Ruth L. Duncan, helper.

From 3 p. m. to 5 p. m.: Paula Provence, chairman; Mrs. Provence in charge; Myra Lynn Foster, helper; June Freeman, helper.

At the end of their meeting, the girls square danced, said their prayer and promise.

WERE IN SNYDER

Mr. and Mrs. R. G. Horsley and Mrs. W. B. Winn and Mr. and Mrs. Doug Horsley visited Mrs. K. O. Pitner in Snyder over the weekend.

First use of the coil spring in watches is credited to Robert Hooke, about 1660.

that have come our way lately.

Namely, for a pastor who is mission minded, and whose spiritual life runs deep enough to overflow into the needy lives of others.

And for the open doors of a Christian home such as the John Gady's, where the hand of Christian fellowship, brotherly love and hospitality is always extended. Submitted by a member of Three Way church.

Vic Spivey Has Birthday Party

Last Wednesday, March 16, Mrs. Curtis Spivey gave her son, Vic a birthday party in their home from 3:30 to 5:30. He was five years old.

The children played indoor and outdoor games. Refreshments of birthday cake and popples and candy suckers with animal heads were served to: Don Gardner, Jimmy Case, Byron Burrellson, Cliff Stevens, Nelson Shipman, Frostie Jones, Billy Stan Gilbreath, Jerry Gilbreath, Eddie Floyd Puckett, Dixon Carroll Ray, Archie Ray, Evans, Butch Wanzor, Curtis Johnston, Barbara Morgan, Donna Guinn, Patricia Butts, Davy Jean Anderson, Judy Kay Lambert, Roxana Hart, Mary Edna Pierce, Carolyn Burge, and Delores Wagnon.

Rhineback, about 90 miles from New York, is the violet capital of the world.

MOTHER VISITS HERE

Mr. and Mrs. Buford Butts and children went to Shattuch Saturday after his mother, Mrs. D. L. Butts who is spending several days with them.

GUESTS IN YOUNG HOME

Mr. and Mrs. Tye Young had

Tomatoes Important

While the average farmer knows the value of a garden and always sees to it that he has ample garden planted to run his family through the year, there are still some men who glean their living from the soil who don't bother to plant a garden. The aim in gardening, at all, is to supply the household with vegetables—summer and winter; and the farmer who does this is always repaid not only with money saved and convenience of having supply immediately at hand, but also by the

nourishing value of home-processed foods.

As family sizes and needs vary as much as individual tastes, the garden should be as variable as anything could be. Thus a garden becomes such an individual matter that the seed list for each must be individually worked out.

However there is a principle involved that is general and that is "planning." Here is an example:

The tomato is among the most versatile of vegetables to prepare for the table and returns the most for the garden space occupied. So, there must be tomatoes. Properly handled, harvesting may start July 1 and tomatoes may be had fresh until several weeks after frost, or for about 120 days. At one and one-half servings a day, the fresh tomato amount should be about three and one-half bushels, as a serving for five persons is that needed to can a quart, a bushel canning 17 quarts.

For the remaining 245 days, the tomatoes must come from cans and, allowing two servings weekly, 70 quarts are needed, or five bushels more. The total becomes eight and one-half bushels, or 510 pounds. A correctly-tended plant yields 10 pounds and 50 plants are needed. Of these, 15 should be early (Break O'Day), and 35 late (Rutgers).

Other crops may be worked out as carefully based on family likes.

New Variety of Alfalfa Officially Named Talent

The promising alfalfa variety known as French alfalfa in southern Oregon variety trials has been officially named Talent alfalfa by the Oregon state college experiment station committee on new crop varieties, and seed increases are now underway to insure early commercial release of the variety.

Talent was selected as the name in honor of the community where trials were conducted.

Retail Sales Are Making Recovery

AUSTIN, March 22.—Texas retail sales of durable goods stores recovered from the usual post-Christmas slump in February 1949 to climb 10 per cent above January, the University of Texas Bureau of Business Research reported.

Automotive stores, with a 17-per-cent gain, showed the widest increase over January 1949 among durable goods stores in Texas, motor vehicle dealers handling 20 per cent more business in this category. Jewelry sales rose 16 per cent above the January level, while the building material, lumber and hardware line advanced three per cent, with such components as lumber and material dealers up three per cent and farm implements a fraction of 1 per cent. Hardware stores slipped less than half of one per cent in February from January.

Furniture and household sales lagged six per cent in February, with furniture stores down nine per cent from the previous month.

Although February retail sales of both durable and nondurable goods, total nondurable goods stores dropped six per cent from January, the only increases being recorded in shoe stores, up five per cent, and women's specialty shops, up eight per cent.

Country general stores, with less than a one-half-per-cent drop, presented the smallest decrease among Texas' nondurable goods

sales from January to February. Other slight changes below the January level were eating and drinking places and restaurants and drug stores down one per cent; and department stores, off two per cent. The heaviest slumps appeared in apparel lines, men's and boys' clothing stores 34 per cent below January, and family clothing stores, 26 per cent.

Durable goods stores sales, up seven per cent, accounted for February 1949 retail sales bettering February 1948 by one per cent. A 24-per-cent gain over last February placed automotive sales out in front among durable goods items, which in the other main lines provided declines of 11 per cent in building material, lumber, and hardware, seven per cent in furniture and household, and 10 per cent for jewelry.

Nondurable goods stores over the February-to-February period dipped one per cent, though eating and drinking places and restaurants moved upward three per cent, combination stores (groceries and meat), two per cent; country general stores, two per cent; and both department and drug stores, one per cent.

Apparel store sales of nondurables recorded the greatest losses though no item slid 10 per cent below February 1948, men's and boys' stores, down eight per cent; family clothing stores, five per cent in February from a year earlier, and general merchandise and grocery stores without meat, both down three per cent.

Progress Club Met With Mrs. Murrah

The Progress Demonstration club met in the home of Mrs. Gordon Murrah March 15.

The president had charge of the business meeting.

There were thirteen old members, one new member and one visitor present.

The landscape demonstrator reported 82 trees and 47 strawberries plants set out.

Food demonstrator reported six pints of jelly canned and gardens are being planted.

The club has voted to name and paint all mail boxes. One has been finished.

There were eleven dresses and two suits made or remodeled.

Two get well cards were sent to neighbors.

The book was read from the reading list.

Mrs. Davis Guley, Mrs. Fern Davis and Mrs. Harold Mardis gave a very interesting demonstration on "First Aid" and many things they learned while studying a Red Cross short course.

The next meeting will be April 5, in the home of Mrs. Harold Mardis. This will be an all-day meeting. Textile and planting will be the main feature of the day and also finishing of some aluminum trays. All members are urged to be present and to bring a covered dish.

Surprise Party For Iven Reeder

On Monday afternoon after school children gave a surprise for Iven Reeder, who has been a shut in for more than a year with rheumatic fever. They showed him gifts, which he enjoyed very much.

Refreshments of sandwiches, coolade, ice cream and cake were served to Nan Allison, Mack Allison, Ann Broyles, Judy VanDyke, Richard Green, Mary Ann Green, Delores Lowe, Glennis Marie Lowe, Bobby Leon Lowe, Tommie Ray

Terrell, Elois Terrell, Norma Ruth Lackey, Walter Wayne Lackey, Dorothy LaVon Reeder, Iven Reeder and Mrs. Reeder, Mary Jo and Mr. and Mrs. Everett Lee Reeder, Mrs. Ruth Lackey and Mrs. Green.

On Tuesday afternoon the Y. L. children's Bible study group visited Iven and gave him a nice Bible story book and a New Testament.

Those who came were Mrs. D. B. Head, Mrs. Lloyd Quisenberry, Eugene Buhman, Barbara Jones, and Norman Head. Iven enjoyed their visit and the gifts very much.

PRESTOMATIC FLUID DRIVE* TRANSMISSION

The Beautiful Chrysler Silver Anniversary Model

NOW ON DISPLAY at Chrysler dealers everywhere. The new Silver Anniversary Chrysler. With more room—greater comfort—greater safety and performance. Completely new in its well-bred beauty! Advanced again in its inspired engineering. Like every Chrysler for 25 years, our Silver Anniversary car is beautiful because it reflects the common sense and the imagination of the engineering underneath. Your greater safety... your greater comfort... your greater satisfaction in your car's performance... these come first in the Chrysler way of building cars. And once again, with more than 50 important improvements, you are getting first from Chrysler the advances that really count.

The full beauty of the Silver Anniversary Chrysler goes far beyond all that is exciting to the eye. Tailored to taste, with ample headroom—with plenty of shoulder room and legroom—with wider chair-height seats. This is a car perfect in every detail right to its jewel-like ash tray.

There's more horsepower from the foremost high compression engine, the mighty Chrysler Spire! With Prestomatic Fluid Drive Transmission... with Safety-Level-Ride... with exclusive Safety-Rim wheels that make it almost impossible to throw a tire... with more than 50 advances in safety, comfort, convenience, and performance—this is the car you'll talk about for years to come. We cordially invite you to see and ride in it... by far the greatest value offered!

AGAIN YOU GET THE GOOD THINGS FIRST FROM CHRYSLER

Mr. and Mrs. Gerald Allison and Larry went to Shawnee, Okla., last weekend to visit Mrs. Allison's grandparents, Mr. and Mrs. B. H. Wells.

Dr. and Mrs. Kenneth Osborn

were weekend guests of the Oscar and Harold Allison families. Mrs. Osborn is a sister of Mrs. Oscar Allison and Mrs. Harold Allison.

Mrs. Jack Epps visited in Tucumcari, N. M. last week.

O. A. Corley from Glen Rose, is visiting the J. E. Dulin, A. J. Moffit and O. W. Corley families this week.

Bennie Mollish of Tahoka, visited Mr. and Mrs. O. W. Corley last Friday.

Mr. and Mrs. Hamp Perrin and twin daughters, of Farwell, visited in the Dulin and Moffitt homes last Sunday.

Mr. and Mrs. J. E. Dulin visited relatives in Clovis Friday.

Mona Smith visited Frankie Moffit Sunday.

Mr. and Mrs. Art Ryan visited in the R. L. Roubinek home Sunday.

Mr. and Mrs. Floyd Andreas had as their guests last week, Mr. and Mrs. George Didlake and small daughter, Georgia Mae.

Mrs. E. C. Monroe left Sunday for Chickasha, Okla., to visit with her daughter.

Mrs. Josephine Roubinek and Mrs. R. L. Roubinek visited in the home of Mr. and Mrs. Mutt Hufstler in Amherst Tuesday.

Jim Bickel, student at Texas Tech, visited his parents over the weekend.

Mr. and Mrs. B. H. Bickel were in Lubbock Sunday.

Doris Bickel and Charlene Prather were in Lubbock Sunday.

Mr. and Mrs. Elmo Etevens have returned to their home in California after visiting his parents Mr. and Mrs. W. A. Stevens.

Mr. and Mrs. Short Bickel were in Littlefield on business last Saturday.

A Capella Choir Was Here Tuesday

Bernhardt Tiede

The a capella choir of Southern Methodist University, Dallas, sang and played before a large crowd, mostly school children and faculty, in the high school auditorium here Tuesday afternoon.

The 38-member choir is directed by Bernhard Tiede and is on a tour of the section.

Pupils of the sixth grade and above attended. Several townspeople enjoyed the program.

Fertilizer Formula Found "Sure Bet" After Tests

Maryland corn producers looking for a "sure bet" now have their answer. Five years' tests show that 200 pounds of 3-12-16 fertilizer applied with the fertilizer attachment on a modern corn planter is practically a "sure bet." Research workers at the state's agricultural experiment station report that this application gave higher returns for the fertilizer invested than any other practice.

The number of eggs laid in a "clutch" is fairly constant for each kind of bird, varying from one or two for the mourning dove or whip-poor-will to 15 or more for the bob-white quail.

Mrs. Wiley Grizzle has been staying at the farm south of Roswell, N. M., for the past two weeks.

Many a good homemaker hesitates to cook fish. Yet it can be cooked so many different ways and is a welcome change for a main course. Fish Casserole uses either fresh or frozen fillets. Wash 2 lbs. fillets. Wipe with cloth. Break into large chunks and place in greased casserole. Cover with 1 pt. sour cream, 1/4 lb. grated cheddar cheese, 1 small minced onion, 1/2 cup white wine (or 1/4 cup lemon juice), 1 tsp. salt, 1/4 tsp. pepper. Bake in moderate gas oven (375°F.) for about 30 mins. Serve on hot noodles—2 cups noodles boiled in salted water for about 8 mins. Serves 4.

A new aluminum foil that saves cleaning time can be put on the bottom of your broiler to catch grease from cooking foods. Use once and throw away.

There are only three uses for cold water in the average home but there are 140 different uses for hot water. An automatic gas water heater ensures a reliable supply of hot water whenever it is needed.

Take eggs out of the refrigerator ahead of time when you plan to beat them. They whip up faster and better at room temperature.

Simmering is an excellent cooking method used by good cooks to retain food values. Turn the gas low to simmer position to keep soups, stews, vegetables and fruits gently cooking.

Evaporated milk can be soured by stirring in well 2 tsp. lemon juice to one cup milk.

Main Dish Shortcake

Creamed salmon and peas fill and top hot flaky biscuits for a Lenten main course, with sliced hard cooked eggs as garnish.

No need to wait for summer berries to have shortcake! Enjoy tempting hot biscuits filled with creamed salmon and vegetables as the main dish these Lenten days. Favorite breads make meatless meals welcome to your family.

Use enriched flour to make up your favorite biscuit recipe, for then you include six-way nourishment in the menu: protein, iron, food energy, and three B-vitamins.

Before cutting out biscuits, dip the biscuit cutter in flour to keep the dough from sticking to it. You'll want to cut the biscuits nice and big—about three or three and one-half inches in diameter—when they are to be used in the main dish. Biscuits contain shortening, so the sheets on which they're baked do not have to be greased. Extra biscuits can be served as a bread, or eaten with jam or fruit sauce as a simple, nutritious dessert.

This shortcake idea can be varied. Sometimes cut the rolled-out dough with a sharp knife to make square biscuits. Often you'll want to use other creamed fillings—meat, poultry, or seafood—to make a variety of thrifty, satisfying main dishes.

BISCUIT SHORTCAKE WITH CREAMED SALMON AND PEAS

2 cups sifted enriched flour	2 to 4 tablespoons shortening
3 teaspoons baking powder	2/3 to 3/4 cup milk
1 teaspoon salt	Creamed salmon and peas for filling

Sift together flour, baking powder and salt. Cut or rub in shortening until mixture is crumbly. Add milk to make a soft dough. Turn out on lightly floured board and knead gently 30 seconds. Roll out one-half inch thick. Cut with floured biscuit cutter or sharp knife. Bake on ungreased baking sheet in hot oven (450 degrees F.) 10 to 12 minutes. Makes about eight three-inch biscuits.

For Biscuit Shortcake: Split biscuits in half and serve with creamed peas and salmon. Garnish platter with hard-cooked egg slices.

Local Boys Entries In South Plains Junior Fat Stock Show Win Prizes

The Muleshoe FFA Chapter and Bailey County 4-H Club boys entered 6 calves and 23 pigs in the South Plains Junior Fat Stock Show at Lubbock the first of the week. The boys found some of the stiffest competition in any stock show in the Southwest.

The statement that any animal that didn't get sifted out of the show could be considered of superior type was quite often heard around the show grounds.

The winnings of the local FFA boys are as follows: Ted Harrison in the heavy Poland Chinas placed 2nd and 3rd, with champion in a pen of three barrows.

Don Harrison placed first in the light Poland class.

J. R. Henry shoved his Chester Whites to 2nd and 9th places with champion in the Chester pen of 3 barrows.

Robert Waggoner was awarded 8th and 9th places in the light weight Duroc Jersey barrow class. Bill Stinson's Hampshire barrow placed 4th in the light weight di-

vision and Ernest Ramm shoved his barrow into 5th place in the same division. Ernest also exhibited the 3rd place heavy Hampshire barrow.

Bill Gaede's light weight calf placed 12th in his division.

Jim Prather won reserve champion on his pen of 3 barrows and Robert Giles won third on his 3 barrows in the Poland China division. Both Jim Prather and John Henry Gammon remained in the calf show.

Some 279 hogs came to the Lubbock show, 225 remained after weighing and packer culling had been completed. The Bailey County 4-H hogs were culled by the packer and were sold at auction for an average of 27 cents per pound.

Among Muleshoe buyers at the auction following the sale were Ray Griffiths, who bought the reserve champion Poland China, fed by Ted Harrison, for 39 cents per pound; Muleshoe Piggy Wiggy store bought Bill Gaede's calf for 33 1/2 cents.

Today all telephone connections between New York and Chicago are by underground storm-proof cables.

A kiss is a God-given power by which a man can shut a woman's mouth without knocking her head off!

FFA Boys Heavy Winners In District Show At Littlefield

Muleshoe FFA boys had a field day when they showed their fat barrows at the district FFA show in Littlefield Saturday, the day after their local show. Participating in the Littlefield show were Muleshoe, Three Way of Bailey County; Olton, Springlake, Sudan, Amherst and Littlefield, of Lamb County.

Winners of the local boys were listed as follows:

Durocs: Wayne Holmes 1; David Boren 2; Robert Waggoner 3; Billy King 4; David Taylor 5.

Light Polands: Ted Harrison 1; Marvin Waggoner 3; David Taylor

4; Ted Harrison 5. Heavy Polands: Ted Harrison 1, 2 and 3.

Light Hampshires: Ernest Ramm 1, 2, 3, and 4; Jim White 5. Heavy Hampshires: Ernest Ramm 1; Bill Stinson 2; Ernest Ramm 3.

In addition Ted Harrison carried off championship honors while Wayne Holmes' barrow was reserve champion.

In the calf show, Alton Taylor's Angus calf was grand champion and his Hereford calf, which was grand champion in the Muleshoe show was reserve champion.

Mr. Wheat-Farmer:

IT'S ABOUT TIME

to begin thinking about HAIL INSURANCE on your WHEAT.

Remember:

- (1) It doesn't cost any more to insure from now until July 15, than it does to insure for only a few days about harvest time; and IT MAY BE TOO LATE then.
- (2) In case of known crop failure, policy can be cancelled prior to May 5, upon furnishing affidavit that crop insured is a failure.
- (3) "A HAIL PREMIUM NEVER BROKE A FARMER, BUT THE LOSS OF A CROP BY HAIL HAS BROKE MANY."

PROTECT YOUR CROP FROM LOSS
