DEDICATED TO THE PROGRESS AND DEVELOPMENT OF BAILEY COUNTY AND THE GREAT MULESHOE COUNTRY

Volume 27, Number 22

MULESHOE — County Seat of Bailey County — TEXAS

Thursday, May 26, 1949

Mr. Muleshoe . . .

By Forbes

Big Town, Country Boy

It went to his head when Howard Cox and Mrs. Cox put up at the LaSalle Hotel in Chicago. He was on hand for the radio and television show, as indicated by a letter received by ye editor. On page 1 Howard wrote "Dear Editor", and on the second page he wrote "sincerely yours, Howard". The editor had asked him to find out who was running the hotel in Chicago these days. He added a postscript saying the hotel had changed hands, evidently now is owned by Mr. La Salle. He says the same fellow is running the drug store there.

More Truth Than etc.

Editor: "What did you do with all that money you got on Appreciation Day?"
Lester Hammons: "My wife spent it."

Seen & Heard:

Two lity-bitsy girls, daughters of my friends, already are able to prepare a meal on occasion (with a little suggestion from the mother); they help wash dishes, help dress themselves, help about the house. And Monday I saw the liltiest one with a chamomile which was about as big as she was, busily cleaning the glasses of the family auto while the others were busy at something else.

And mentally I applauded this training that these youngsters are getting. They are learning to do for themselves, learning that work is itself the most wholesome recreation, learning a brand of self-reliance that will never, never desert them, as long as they live. And if I had a million dollars and had a whole flock of kids I wouldn't let even one of those kids ever, ever know I had a dime. I'd teach them if I could the value of money, the value of tasks skillfully performed, I'd give them all the education they would be interested in but I would never let them think that eventually they would inherit money and therefore would not have to work.

Ofttimes, in this column, we may sound an alert against socialism, fascism, communism, or any otherism excepting the Americanism of free enterprise, state socialism, or collectivism, someday may bring about conditions such that the then inhabitants of this U. S. may learn of liberty only by reading the ancient history of the country. Throwing of the yoke of tyranny and oppression was not easy for our forebears—they had quite a time of it—let's not let new-fangled ideas of "let the government do it" take this liberty away from us. Now remember Paul had an idea on the subject of freedom for he wrote in his letter to the Galatians (Gal. 5:1):
Stand fast therefore in the liberty wherewith Christ hath made us free and be not entangled again with the yoke of bondage.

Farming is big business. In the last few days, thousands, perhaps hundreds of thousands of dollars invested in cotton seed alone and in this area alone, was buried in the ground by the ever hopeful husbandman. Perhaps never, in a like period, in the history of the Plains was so much ground planted in such little time. And whenever one went Sunday he saw the planting rigs going perhaps as many as were going Saturday afternoon. And Bailey county's fall business, prosperity, even the future of her people, hangs heavily in the balance—hinges upon what the weather will do in the next few days. Should the seed again be buried by heavy rains, most will not replant to cotton and the area will turn to feed crops. But the business men as well as the farmers, in fact, are now set on a big cotton crop, to sell at a big price to fetch us out of our present business decline. Let's throw salt over our left shoulders, hold our fingers crossed, nurse a rabbit foot until the fleecy staple starts rolling into Muleshoe about five months from now.

Did you see the "Biggest newspaper ever printed" Sunday. It was The Dallas News, numbering 438 pages, whose theme was "Texas Unlimited," and it was published in conjunction with the paper's moving into their new, multi-million dollar publication home. The News is truly an outstanding Texas institution, one of the world's great newspapers, ranking well within the first 10.

(The boys at our shop got to wondering I told them it was practically impossible for The Muleshoe Journal to spend \$10 million for a new home and new press. We would have to dip into

New Nazarene Church To Be Dedicated Sunday

Church To Begin Revival June 5

REV. BOHANNON

A two weeks revival will begin in the Church of the Nazarene of Muleshoe on Sunday, June 5, with Rev. H. G. Bohannon as the Evangelist. The revival is to begin on the day of the formal dedication of the congregation's new house of worship, just completed.

All Kids Day A Big Success

About 500 kids of the Muleshoe territory were guests of the Lions Club on their "All Kids Day" here Tuesday, and enjoyed a full day of play, eating, and attending a free picture show.

TO BAIRD AND AUSTIN

Mr. and Mrs. Clay Beavers were to leave this morning for Austin to be present at University of Texas commencement exercises when their son, Billy Beavers will be awarded his degree. On their way down they were to visit briefly with their daughter, Mrs. Glenn Rocky, and Mr. Rocky in Baird.

our reserves to do it, and this writer would strictly vote against going into reserve capital. They are not entirely pleased about it, our employes, I mean, but I intend to stand firm. We won't do it.)

Seen & Heard:

Attorney-at-Law: I am already too cynical, too skeptical. I wouldn't read Drew Pearson, nor Westbrook Pegler, for anything.

D. J. Harris, farmer: I would vote for an amendment to the constitution which would limit the terms of members of the Congress to 6 years.

D. J. Harris, farmer: If every man would plant a shelter belt about his farm, and if a large farm, bisect it with trees; have the Soil Conservation Service give him a conservation plan, then follow the same religiously, we would ALWAYS have a country here for our children and their children. But erosion, especially wind erosion, is steadily lessening the depth of our top soil, believe it or not.

Thanks, Mr. Harris: This editor firmly believes that our most pressing national problem, even considering Communism abroad, is soil conservation and stands ready to plug that idea at any time.

Pleasant Valley Consolidation Is Given Approval

Pleasant Valley common school district, in Lamb County, has voted to consolidate with Muleshoe Independent School District. People of that district voted unanimously for the change, 28 voting for and none against.

Alfalfa Mill Sale Set For May 31

Auction sale of the various equipment and other property of the Muleshoe Alfalfa Dehydrating Co., of Muleshoe, including trucks, tractors, mowers, rakes, etc., tools, blacksmithing equipment, tinning equipment, is being advertised for Tuesday, May 31, according to announcement of Charles Lenua, president.

Muleshoe Lions Elected Officers

Noel Woodley was elected president of the Muleshoe Lions Club, to succeed Morris Douglass, when the Lions elected new officers at their recent meeting. Other officers are:

DECORATION DAY SERVICES TO BE HELD AT BAILEYBORO

You are invited to attend Decoration Day services to be held at Baileyboro Baptist Church Sunday, May 29. Come and bring your lunch. "Dinner on the ground".

FHA Men Confer On New Loan Application

Oris R. Brunner of Amarillo, FHA field representative and supervisor of District 10, including 31 Panhandle counties, confers with County FHA Supervisor Marvin Wilson at Muleshoe on a new loan application. Sitting at the desk is Mrs. Nellyne Morris, Wilson's secretary.

MAKING MEMORIAL POPPIES
to be worn in honor of his comrades who didn't come home gives Stanley Ott of Tropic, Utah, a patient at the Veterans Administration Hospital in Salt Lake City, interesting employment to fill the long hospital hours. Having only one useful hand, he assembles the poppy petals with the aid of a spoon held between his knees. He is one of the thousands of disabled veterans of both wars working in hospitals and convalescent workshops in all parts of the country making the 25,000,000 poppies which the American Legion Auxiliary will distribute on Poppy Day, May 28.

Reburial Rites For Dickson Set

The body of staff Sgt. Robert S. Dickson has been returned to the U. S., and final services will be held at a date yet to be selected in White Chapel Funeral Home, Azusa, Calif., with interment in Oakdale Cemetery, Azusa.

KILLED JACKRABBITS

Ed Clark and Ollie Jones had a big time killing rabbits with a .22 rifle Sunday afternoon northwest of Elda, N. M. The two Muleshoe men bagged 94, 52 for Jones, 42 for Clark.

40% Mail Boxes Said Damaged

Forty per cent of the mail boxes on rural routes 1 and 2 out of Muleshoe have been damaged by rifle, pistol, or shotgun fire or by other means.

This was the estimate placed on the situation by Postmaster A. J. Gardner this week after making a box inspection trip with Gil Wollard on route 1 and Bill McAdams, on route 2.

In some instances patrons were advised that the boxes were in such condition that mail left in them by the carrier might be weather damaged.

Mr. Gardner pointed out that the patron is obligated to keep his box in good condition; and that those who damage a mail box are incurring Uncle Sam's displeasure. One may not even damage his own mail box without violating the law, he said, and he urged that anyone having knowledge of damage being done to mail boxes should report at once to the postmaster.

Requirements For Junior Players

Clyde A. Bray, Sr., manager of the American Legion junior baseball team here lists the following requirements for boys to meet to obtain rating in the team for the 1949 season:

- 200 points for good sportsmanship.
- 100 points for judging strikes.
- 100 points for batting.
- 100 points on where to throw ball on plays.
- 100 points for accuracy on throws.
- 100 points for catching the ball.
- 100 points for obeying signals.
- 50 points for stealing base.
- 50 points for playing off base.
- 50 points for obeying the manager.
- 50 points for base running.

Gupton Is School Tax Assessor

Connie Gupton, long time resident of Muleshoe, has been appointed tax assessor and collector for the Muleshoe Independent School District, members of the board of trustees announced this week.

Reburial Rites For Pfc. Border At Los Angeles

Reburial services for Pfc. David Border, son of Mr. and Mrs. J. D. Border of Los Angeles, son-in-law of Mrs. Chet Layne of Muleshoe, were held in the Little Church of the Flowers at Lawndale, Calif., last Tuesday. Burial was in Forest Lawn Memorial Park.

Pfc. Border was born Nov. 19, 1918, and was killed May 11, 1945, while fighting the Japanese on Okinawa.

Cerebral Palsy Clinic Is June 13

A clinic for the examination of cerebral palsied children will be held Monday, June 13 at the Cerebral Palsy Treatment Center, 1317 Tenth Street, Lubbock.

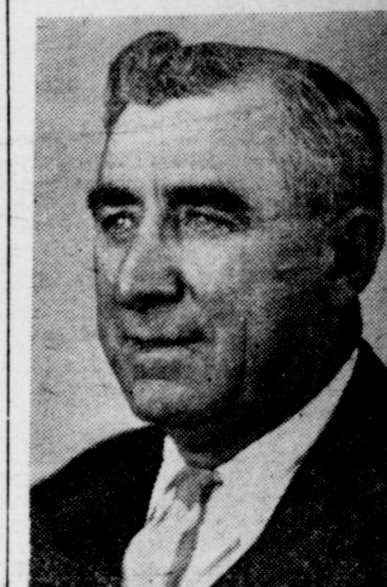

Bar-None Rodeo Boosters In Visit

An invitation to the Bar-None Rodeo at Plainview was extended here Tuesday by a Hale County delegation headed by the Plainview High School Band. Thirty cars were in the caravan.

Western Auto Store To Open

Arrangement for opening of a Western Auto Association Store in Muleshoe were completed first of the week, owner of the new store to be E. A. Dalton, who is now farming near Olton, Lynn Reeves, of Big Spring, district representative, was here to assist with details.

Services To Be Held At 3 P. M.

REV. METCALF

The newly completed edifice of the Church of the Nazarene, in Muleshoe, will be dedicated and officially opened to worship of the congregation Sunday, June 5, at 3 p. m. Rev. A. I. Metcalf, of Clovis, who has been preaching on the Plains and in New Mexico for more than a quarter of a century, will bring the opening day sermon.

Rev. Metcalf is supply pastor of the Muleshoe congregation. The building, of tile construction, has just been completed on lots owned by the church in the west part of town, 8 blocks west of Main Street.

Rev. Metcalf, a true pioneer of this region, came to Mexico in 1905. He has been preaching in Curry County, New Mexico, since 1920, and besides holds the position of county superintendent of public schools.

The regular schedule of services is: Sunday school will be at 10 a. m., preaching services at 11 o'clock. On Wednesday night at 8 o'clock the regular prayer meeting services will be held each week, members of the congregation invited to come out and attend opening day services and worship with the Church of the Nazarene Sunday.

Joyce Blackburn Wins Third Place With Declamation

Joyce Blackburn, Muleshoe high school junior student, won third place in the state declamation meet of the University of Texas Interscholastic League. She previously had won the regional declamation contest, after being declared first in the district.

Miss Blackburn, who is the daughter of Mr. and Mrs. Horace Blackburn, was competing at Austin against the winners of the other ten regions of the interscholastic League and the people are mighty proud of her showing on behalf of Muleshoe high school.

GETS DEGREE AT TECH

The following Muleshoe students are listed to receive degrees at Texas Tech, Lubbock, May 30 in Tech's 23rd commencement exercises: Lowell Irvin St. Clair, BBA; Florence Stone Pierce, BS in home Ec.; Ross Morrison Glaze, Jr., BS, geology. Others of this territory to graduate: Francis Elmer Miller Jr., Sudan, BS, Elec. Engr.; Billie Joe Brown, BS, Jim Cleve Dixon, BS, Joan Booth, BA, all of Farwell.

TVA IN COMPETITION WITH LOCAL PLANTS

From the Canyon (Texas) News We have read interesting articles in recent years as to how Federal agencies have grown by leaps and bounds without the slightest provocation or particular need. In years past we have not been particularly concerned about TVA, looking upon it as a water conservation and control measure. It started that way. In its creation the law provided that TVA would use the surplus power which would be sold to any or all consumers.

A new wrinkle has developed within the past month. Congress has passed a huge appropriation for the construction of a STEAM POWER PLANT. Having secured this appropriation the administration is now demanding appropriation for TWO MORE STEAM power plants. This means that the government is going into direct competition with the power plants of this nation—those which are privately owned; paying taxes; giving good service; and manned and owned by private individuals who are your friends and neighbors.

This carries out the announced scheme of the Roosevelt administration to break up huge companies and replace them with governmentally owned and operated plants of all and sundry types. Do you like it? No, neither do we. Free enterprise, the thing which has built America, and which has made America strong and great, is on its way out unless it is checked by the people.

DOUBLE-DEALING BILL
 From The Paris (Tex.) News That rabbit Secretary of Agriculture Brannan pulled out of a hat and exhibited to a Congressional committee in the form of the bill he says President Truman wants enacted, is disowned by at least two heads of farmers' organizations. The bill, it may be recalled, proposes to guarantee farmers high prices for their products, and consumers are guaranteed low prices for the same products. Instead of a "parity" supported price, now used, which keeps up prices

to consumers, the bill would let the consumer buy at the price products would bring without support, and the farmer would be paid the difference from the Treasury. The head of the Farm Bureau Federation put his finger on the joker, saying that both parties would pay the difference in the form of taxes, the source of the money in the Treasury. He warned his organization that the bill was a double-dealing affair, and ought not to be made into law. The master of the Patrons of Husbandry, another large farmers' organization known as the Grange, gave his disapproval on the same grounds.

The Paris News believes that farmers do not want preferential treatment. What they do want, and what they should have, is equal treatment with all other workers and producers and manufacturers. If that is given they will go right along producing and providing for other people. There is no need for double dealing such as this bill seems to be. Secretary Brannan is not a farmer. He is a lawyer and politician. He got into the Department of Agriculture as an advisor on legal matters, and when Secretary Anderson resigned to become a United States Senator Mr. Brannan was advanced to the office. He has drawn this bill with a view to its political value rather than to its fairness to the farmer and the consumer. It is a bad bill.

MARRIAGE LICENSES
 During May the office of County Clerk M. G. Bass has issued the following marriage licenses: Ogle Lorange, Jr., and Miss Wannie Gallaher. Eran Zambrano and Miss Amalia E. Albarr. George S. Regian and Miss Betty Lou Jones. H. B. Flanagan and Miss Ladell Black. Francis L. Evins and Miss Maye Warren. Jimmie Thomas Smith and Miss Norma Jean McCleskey. Roy Simmons and Miss Florence Smith.

Is There A Carpenter In The House?

COLLEGE STATION, May 25—If the man of the house is handy with carpenter tools, he can do much to improve an old, inconvenient kitchen.

Mrs. Bernice Claytor, extension home management specialist of Texas A. & M. College, says that often an improvement in storage facilities and work space of an old kitchen is just a matter of simple carpentry, requiring tools and materials familiar to a farm carpenter. "Whether remodeling or building" she says, "plan on cabinets for food preparation utensils, materials and serving. Storage space for work clothes and cleaning supplies helps greatly in keeping the house more orderly." Cabinet units can be grouped or built individually between doors and windows that so often break up wall space in an old-fashioned kitchen. The most difficult construction program in good cabinets may be the drawers, if the farm shop does not have a routing plane for cutting grooves for the drawers, Mrs. Claytor suggests that this work usually can be done at a local lumber yard. "Sliding trays are more convenient for base cabinets than shelves," she says. "Such trays will save a great deal of tiresome stooping and reaching to the back of a space nearly two feet deep. Adjustable shelves are most essential if cabinets are to be of the service we expect them to be."

DR. PUTMAN AT SOUTH PLAINS OPTOMETRY MEET

Dr. B. R. Putman of Muleshoe attended a meeting of the South Plains Optometric Society which was held in Lubbock Thursday evening.

Dr. Agnes True, professor of psychology at Texas Tech was guest speaker of the evening. She told of an experiment, made by Dr. Myrtle B. McGraw of the Neurological Department of Columbia Medical School, in which identical twins were the subject, one being trained in the acts of walking, swimming, and climbing, the other not being trained. The trained and untrained twins learned the skills at almost the same age but the trained twin developed much more assurance and much more ease and agility. The training of both twins was stopped at the age

May Party Peaches and Spicy Chiffon Cake

Easy Recipe
May Party Peaches *Peaches Family Style*

1 No. 2 1/2 can cling peach halves
 1/4 cup of granulated sugar
 1 tablespoon chopped mint leaves, or few drops mint extract
 2 tablespoons lemon juice
 1-3 cup of orange juice

Drain peaches, reserving syrup. Combine syrup and sugar; boil 2 minutes. Remove from heat; add mint and fruit juices. Cover; let stand until cool. Strain over peaches. Chill peaches in syrup. Serves 4 to 5.

Luscious sun-gold California cling peaches spooned right from the can! By far the biggest, brightest, best-liked peaches your grocery money can buy! Full of real fresh-picked peach flavor. Smooth, firm texture. Deep golden color. Exactly the peaches you want for pies, cakes, desserts, salads; or to help make other foods go farther. A smart buy! Priced right. Hundreds of uses. Keep them handy for company or everyday good eating.

Aigaki's Lettuce Beginning To Head

Lettuce on the vegetable farm of T. Aigaki, Japanese farmer residing about 6 miles northeast of Muleshoe, gives fair promise of heading out and doing well. Mr. Aigaki told the editor of The Journal, who visited the farm Saturday in company with Earl Ladd the implement dealer. Mr. Aigaki has about 15 acres of lettuce. He now owns the former Carrol M. Jones farm in Y. L. community.

About 50 acres of tomatoes are up to a fine stand. The plants are small, the ground is grass and weeds are everywhere, but Mr. Aigaki, with a broad grin, assured his visitors that he "knows how" to take care of such a situation. Alfalfa on the farm was ready to mow, and green beans appear to be doing fine. Aigaki and a helper were preparing ground for squash, to be planted Monday of this week.

The Aigaki's have two children. They are regular attendants at services of the First Methodist Church in Muleshoe. They moved here from Colorado.

GUESTS SUNDAY IN THE HUGH FREEMAN HOME

Sunday guests in the home of Mr. and Mrs. Hugh Freeman were the latter's parents, Mr. and Mrs. J. F. Burrow, Grandmother McCright and Vernon Burrow, all of Petersburg; four sisters, their husbands and children, Mr. and Mrs. Vester Webster, Mr. and Mrs. Eddie Lynn, and Mr. and Mrs. Pete Case, also of Petersburg, Mr. and Mrs. Rew Webster, of Roswell, N. M., and Mr. and Mrs. Thomas Burrow and boys of Petersburg. One brother of Mrs. Freeman, living in Houston and another, of Victoria, were unable to attend.

BAILEY COUNTY FARMER 'BELLHOPPED' FOR HARRY TRUMAN

Roy L. Ritchie Jr. was a busy man the day the camera caught up with him recently, riding that tractor. (Photo courtesy of Amarillo Times).

Carries Ice To Room For 'County Judge'

(Amarillo Times)

Back in 1936, Roy L. Ritchie Jr. was a bell hop in a big hotel in Jefferson City, Missouri, when the candidate that year for the U. S. Senate came to town. Roy carried ice up to his room. His name was Harry S. Truman, a county judge from Kansas City.

"I'll never forget the incident," says Mr. Ritchie, now a successful farmer living on his own place a few miles from the New Mexico line, in Bailey County, west of Muleshoe.

"Truman's campaign manager threw a half dollar tip at me as I left the room that night but he failed to hit me with it," explains Ritchie.

Roy Ritchie, in the meantime, left the city where he was born and reared and came down to Northwest Texas in 1939 as his father had come out here and bought a farm in Bailey county in 1934. Roy had graduated from the Jefferson City high school and began work on his father's farm at once. He took off for the war in 1945, spent six months with the 29th General Hospital in Korea and got back home in 1946. In the meantime, he had married Miss Ila Harrington before going to the service. They now have two daughters, June Faye, 7 (in school) and Linda Kaye, 16 months.

Mr. and Mrs. Ritchie bought the 160-acre farm they now live on in 1948 with a farm development loan from the Farm Home Administration. Roy grew his first crop on the sod land in 1948. He first built a two-room house for a residence. In January of this year, he started a new two bedroom house, to be very modern with bath, kitchen, living room, etc. Roy also

built his barn and poultry house. His father-in-law helped put on the sheeting and the roof on the new home which is now nearing completion.

In addition, this ex-bellhop and his family have two milch cows, three calves, chickens and hogs. He paid \$6,250 for the 160 acres, leaving him \$3,250 with which to build his new house and buy some equipment and cows.

The Ritchies have a paved farm-to-market road in front of their place. They plan trees, orchard and pastures to be completed later on as they get the time for the job.

"Roy Ritchie is one of the best working farmers county," says Marvin Muleshoe, county FHA who helped him get a farm development loan.

WAR COMRADES VISIT

Mr. and Mrs. Freeman Kidwell, of Ontario, Calif., were guests over the weekend in the home of Mr. and Mrs. H. S. Sanders, Jr. Mrs. Kidwell and Mrs. Sanders served in the last war together, in the 217th General Hospital, in France and England.

FROM WAXAHACHIE

Ward Henry of Waxahachie, brother of Mrs. A. P. Lambert and Rev. Keller of Dallas, were visitors here Sunday in the home of Mr. and Mrs. Lambert.

Look... a package of 1949 power FOR YOUR BUICK

Yes—a new 1949 Fireball engine—fresh from the production line, and every powerful pound of it new as tomorrow morning. If your Buick is a 1937 model or later, we can give it new youth by lifting out the old motor and putting this new power package right in—all tuned up, tested, and ready to go.

Thrilling new life and responsiveness await your toe on the gas treadle.

The change-over takes less than two days. It's quicker, and often cheaper than a major overhaul. Convenient terms bring the cost down to a few dollars per month. Why not drop in and let us look up the exact amount for you?

LET'S GO FISHING

Summertime is fishing time and getting an early start on their favorite outdoor sport are Hugh McNeill and Eileen Schott. Packing and unpacking is easy with the popular one-wheel trailer that couples to the car in a jiffy and enables the car passengers to ride in comfort. To insure trouble-free operation and long service the manufacturer has used bearings, made by The Timken Roller Bearing Company, in the wheel assembly. The wheel has a full circle pivot, thus eliminating the backing-up trouble common to the fixed-wheel type of trailer.

ANNOUNCING ANOTHER NEW "FUTURAMIC"

"88" THE OLDSMOBILE

WITH ROCKET ENGINE

The Futuramic Fleet is now complete! The Oldsmobile "98" . . . the Oldsmobile "76" . . . and now the Oldsmobile "88," the newest Futuramic of them all! It's NEW in power . . . with all the brilliant action, unbelievable smoothness, and gas-saving economy of Oldsmobile's high-compression "Rocket" Engine. It's NEW in styling . . . with that brand new Body by Fisher whose lower, wider, roomier dimensions and greater visibility have made it an industry-wide sensation. But the Oldsmobile "88" goes further than that. It has an entirely NEW balance . . . a NEW "feel" . . . an indescribable something that sets it apart from any car ever built. You'll understand this when you drive the car . . . and not until. So make a date with the "88." Ask your dealer to demonstrate Oldsmobile's "New Thrill!"

Hydra-Matic Drive standard equipment on Series "98" and "88," optional at extra cost on "76." White sidewall tires optional at extra cost.

2 BAILEY CO. BROTHERS MAKE GOOD

BAILEY TEAM PARLAYS FHA TO FARM SUCCESS

By Zeke Brown
Amarillo Times

One of the most amazing success stories ever uncovered in Texas was made possible by the work of the Farm Administration.

Living on the west side of Bailey county, about eight miles from the Texico state line, in the community, are two of the most enthusiastic farmers you can find in this country.

They are brothers, Virgil M. Nowell, 29, and Claude Dell Nowell, 25. They now own and operate adjoining farms and have pooled their operations so they also own and operate a modern Grade-A dairy.

Claude Dell, the younger brother, secured an FHA farm ownership loan of \$12,000 last winter

with which he bought a quarter section of virgin mesquite pasture land that had never been broken to soil.

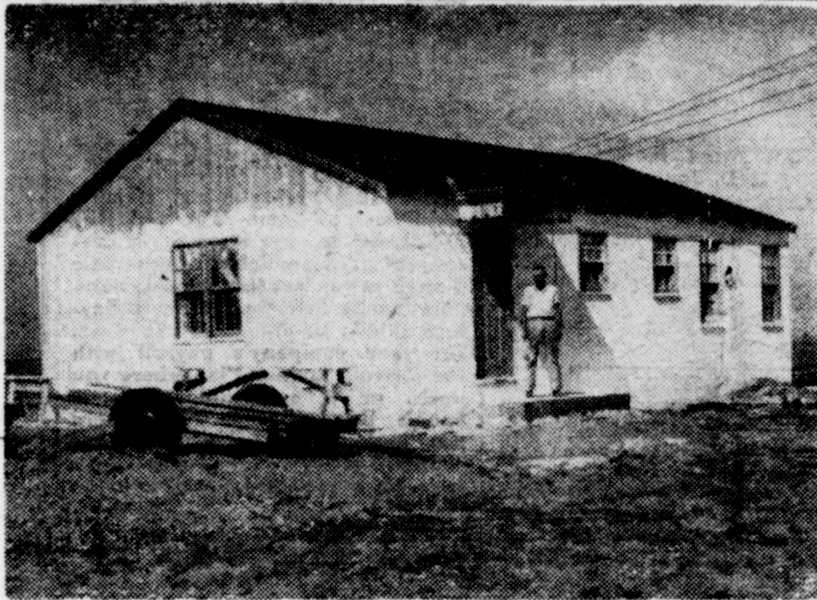

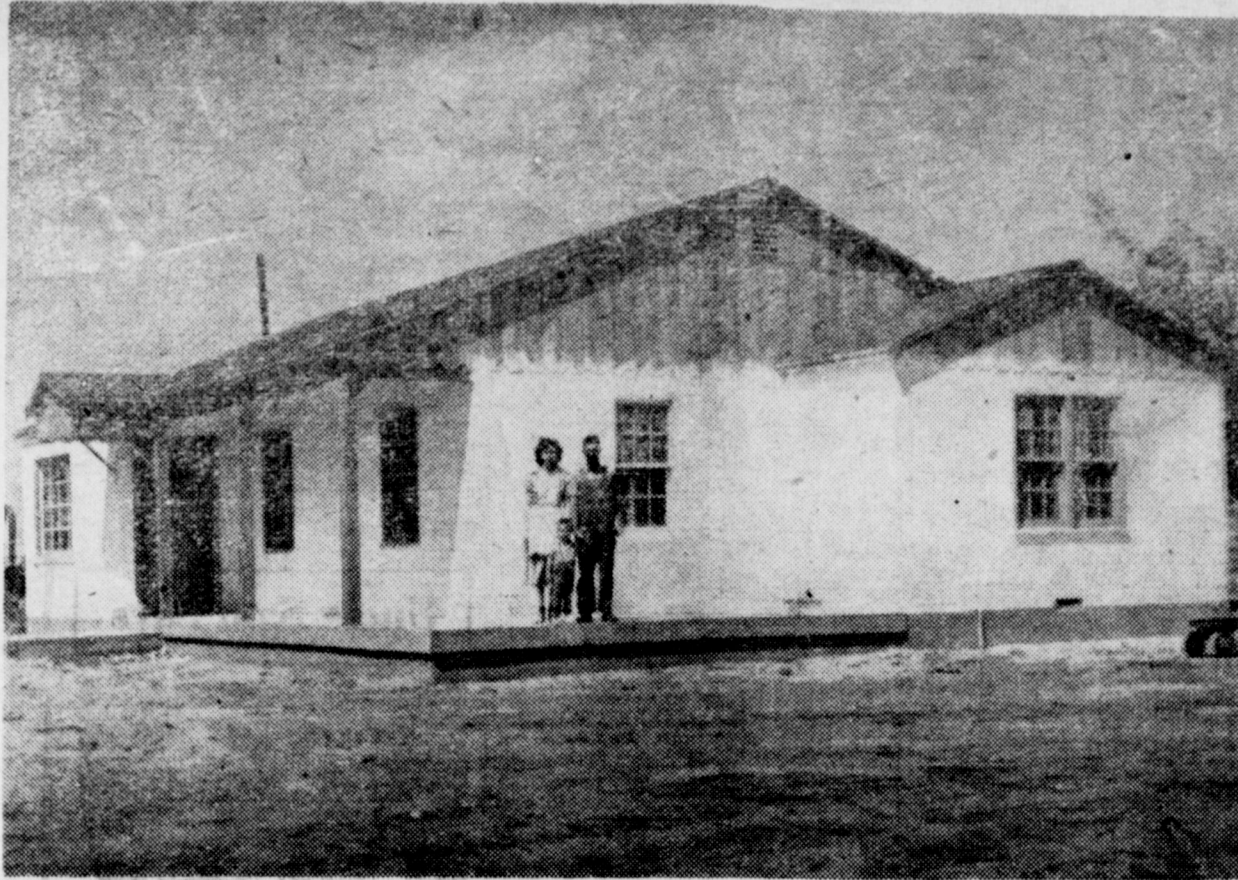

This young man went into the service in 1944. After two years in Uncle Sam's Navy, 18 months of which was on a tanker in the Pacific theatre where he saw plenty of action, Claude came home in January of 1946. He arranged for an operating loan of \$2,500 through the FHA in February, the following month and began farming on a rented place near Bovina. He first bought a tractor, five cows and a sow and six pigs. His crop that year was a complete failure. He says he didn't harvest a thing because of the drouth and his crop cost him \$900. He still had his cows and hogs. In early 1947, he found an irrigated farm of 160 acres he could lease. He made good crops on this place in both 1947 and 1948, averaging a bale of cotton to the acre.

So, last winter, he was ready for the farm ownership loan. He moved into a two-room house on his brother's farm and immediately began the big job of clearing his new farm nearby. Despite the hard winter, and with the use of a caterpillar and mesquite grubbing machine, the land was cleared at the rate of 25 to 30 acres a day. Claude Dell hired 10 Mexican hands who worked a month burning the mesquite brush, which had been piled up behind the tractor each day. During this time, he was planning his new home, a 2-bedroom house. Martin Rees of the District FHA office in Amarillo helped design the house. It is now completed and ready for occupancy.

In the meantime, Claude went into partnership on the dairy with his brother, Virgil.

Virgil Nowell has been in the FHA program since 1940 when he started farming operations with "one black cow and no car". That constituted his total assets in that year. He arranged for an operating loan to set up a dairy program. He couldn't have gotten the money from any other source. But he worked hard and soon built up enough credit so that he could buy his 160-acre farm through the Federal Land Bank.

This past winter, Virgil secured a farm enlargement program loan of \$10,800 from the FHA. He used \$2,500 of this to pay off the balance he owed the Federal Land

The new home of Virgil Nowell is shown in the top photo and Claude Nowell's new home is shown in the lower picture. Mr. and Mrs. Virgil Nowell and their son, Derrell Dwayne are standing on the porch of their new home and Claude Nowell is shown standing on the porch of his new home. (Photo Courtesy of the Amarillo Times).

Bank; \$5,000 for an additional 80 acres of land adjoining his farm and then had \$3,300 left for other improvements. He was living in a two-room shack, so he started construction of his new 2-bedroom modern home on February 15 of this year. He moved into it on April 1, just 10 weeks later. The materials for the new house cost him nearly \$3,000. His father, O. A. Nowell of Muleshoe, an experienced carpenter, helped him build the house. The plans were drawn by

Martin Rees, the FHA engineer, who designs most of these homes.

The Nowells have butane gas for their homes. They get electricity from an REA line that runs in

THE MULESHOE JOURNAL, Thursday, May 26, 1949

Claude Dell's wife, Virgil and his wife have two children, Jaqueta, 7-year old daughter and Derrell Dwayne, 3.

The two brothers have three irrigation wells between them now. One of them, located near Virgil's residence, pulled 2100 gallons per minute in a demonstration test recently. The pump is set on 20 feet while the water level is at 24 feet. They have an improved pasture of 60 acres for their dairy herd, planted to bromegrass, orchard grass, crested wheat, perennial rye and clover. They raise their own feed, alfalfa and sorghum grain crops. In their dairy herd, they now have 15 registered Guernsey milkers. One registered Guernsey bull and 15 graded cows and heifers. They have a modern milk barn, completely equipped with milking machines, a radio, quick-freeze cabinets, etc. Their cream, which tests from 4.7 to 4.8, brings \$1.50 per pound for butterfat or 60 cents for the cream.

"We average between \$500 and \$600 a month income from our dairy and raise our own feed," Virgil reported. "This we also raise Duroc Jersey hogs for the market."

In their diversified farm program, these two extraordinary brothers have planted 40 acres of stringless green pod beans on a contract for the cannery in Muleshoe. They will be harvested in 60 days and the same ground will then be planted in hegar. They also plan to grow Irish potatoes and tomatoes.

"And we are going to have a barbecue pit," added Virgil. Incidentally, Virgil is on the board of supervisors for the Bailey County Soil Conservation district. Claude Dell Nowell and his wife have a 17-months old daughter, named Regina, who is now their

VISITING FARRELS

Rev. and Mrs. James Carter, of Millford, are here visiting her parents, Mr. and Mrs. C. R. Farrell and other relatives. Rev. Carter will attend the annual Methodist conference in Amarillo this week. He will enter Southern Methodist University in the autumn, and will serve as pastor of two small churches in the Dallas neighborhood.

HERE FROM PORTLAND

Mrs. Bessie May, of Portland, Ore., is here for a visit with her mother, Mrs. Vinson of Progress community, and her brothers and a sister.

TO AMARILLO

Mr. and Mrs. Tye Young visited Sunday with friends in Amarillo.

pride and joy. They hope to move into their new home this month.

Both young men give the Farm Home Administration full credit for getting them started with their farming operations.

"And I want to pay off that loan in full this year, if I can just make two bales of cotton an acre from that 140 acres of sod ground," added Claude, County FHA Supervisor Marvin Wilson of Muleshoe works very close with these two brothers in the program and is justly proud of the record they are making.

From where I sit... by Joe Marsh

Two Heads Are Better Than One (Or None)

I get a kick out of buying stuff down at the hardware store. And I always ask for a little advice from one of the two brothers who run it, because I know beforehand exactly what the answer will be.

Like when I needed a new garden hose. "Henry," I says, "how about this new plastic hose—is it really as good as rubber?" "Well," he says, "I'm inclined to think it is—but you'd better ask Tom."

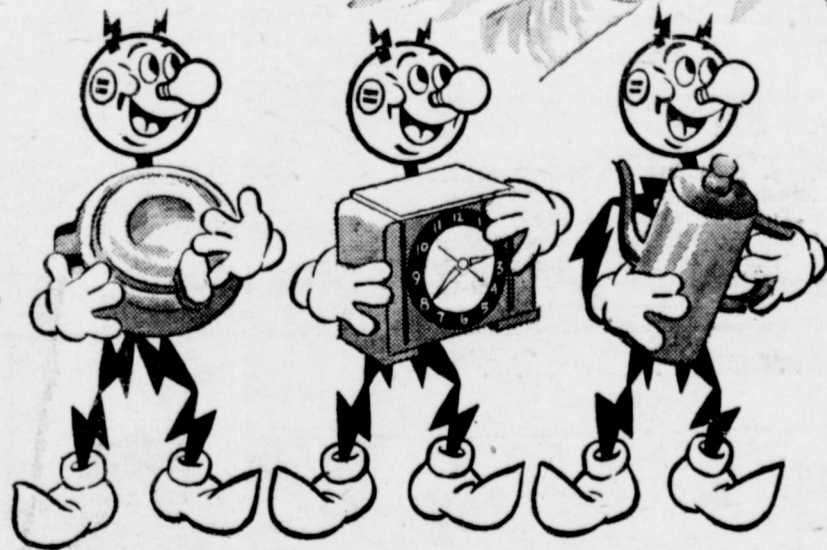

I found Tom in back and asks him the same question. "Well," says Tom, "in my opinion it is—

but you'd better ask Henry." "I already have," I says, "and when you two cautious old codgers agree I'd bet my life on the decision."

From where I sit, your own opinion is worth a lot—but so's the other fellow's. That's why I keep saying, over and over, let's be tolerant of the other person's point of view—whether it's on politics or farming—or whether you like milk shakes and he prefers a temperate glass of beer.

Joe Marsh

EVERY BRIDE WANTS ELECTRICAL GIFTS

COMBINING beauty and service, electrical gifts are the answer to the question "What shall we give the bride?"

Electric service does so much around the home today, and costs so little, that an electrical gift means a great deal to new homemakers.

You'll find attractive, desirable electrical gifts in almost every price range. Make your gift to the bride one that will see constant use, be a constant reminder of your best wishes.

Your dealer will gladly assist in the selection of your gift for better living... electrically.

Bride's Biscuits

Following a tested recipe using enriched flour will help the bride make biscuits like these—golden topped, tender and flaky, served piping hot with butter or margarine and honey.

Four square biscuits provide breakfast or tea-time conversation, yet they are even easier to make than the usual round variety. In following this basic biscuit recipe with sweet milk, cut shortening into the dry ingredients well until the mixture looks like coarse crumbs. Use two knives, a pastry blender, a pastry fork, or fingertips. Then add almost all the milk at once, saving out two or three tablespoons until you see if you need it. Different flours may need a different amount of milk to make a dough of good consistency. Stir vigorously until flour is moistened. Biscuits are different from most other quickbreads in that they have to be kneaded slightly. This makes them high, light, and flaky. Warning: knead with a light touch, and only 30 seconds.

After rolling out dough, dip sharp knife in flour. Cut into squares by pressing knife or spatula straight down. Avoid "dragging" the knife through the dough. This pulls the biscuits out of shape and makes them lean to one side during baking. Bake on ungreased baking sheet.

Serve biscuits hot, with honey and tea, the traditional accessories. Hot biscuits are one of the most economical ways to add not only appetite appeal, but needed B-vitamins and iron to the menu.

BISCUITS
2 cups sifted enriched flour
3 teaspoons baking powder
1 teaspoon salt
2 to 4 tablespoons shortening
1/2 to 3/4 cup milk

Sift together flour, baking powder and salt. Cut or rub in shortening until mixture is crumbly. Add milk to make a soft dough. Turn out on lightly floured board and knead gently 30 seconds. Roll out one-half inch thick. Cut with floured biscuit cutter or sharp knife. Bake on ungreased baking sheet in hot oven (450 degrees F.) 10 to 12 minutes. Makes about 12 biscuits.

VISITED THE TWINS

The new McAdams twins, sons of Mr. and Mrs. Horace McAdams brought a crowd to the McAdams home Sunday. Among relatives were Mrs. Lynn Smith and her mother, Mrs. J. D. Carpenter, of Flagg; Mr. and Mrs. Clyde Bray, Jr., came down from Pampa and brought their twin sons, cousins of the new twin boys. Many local friends called at the home. Mr. and Mrs. Clyde Bray, Sr., now are the up in the air grandparents of four twin grandsons.

Maurine and Luella Wilterding, who attended McMurry College at Abilene, returned home Saturday evening for the summer vacation.

ATTEND FUNERAL RITES

Mr. and Mrs. Virgil Teague, Mr. and Mrs. Mervin Wilterding, and Mr. D. B. Head attended an Uncle's funeral at Snyder, Texas, last Wednesday.

HERE FROM CALIFORNIA

Walter A. Mobley and Bill Harvey of Mountain View, Calif. were visitors in the home of J. W. Ellis and Mrs. Maude Jones this week.

IN AMARILLO

Mr. and Mrs. Murrell Brown and daughter Kay, spent the weekend in Amarillo, with her parents, Mr. and Mrs. J. F. Wharton.

Needmore Club Met With Mrs. Schmitz

I guess I'll set me down with 'pen and paper' to report another meeting of the Needmore Women's Club (alias the Needmore Nit Wits), and, as one of our members' better halves said it's the "Did you hear this and that" club. The latter isn't such a bad idea, no es verdad?

The meeting was held at the home of Mrs. Helen Schmitz and we played some of the oddest games. (She has a diabolical sense of humor.) But I laughed 'till I hurt, as did everyone else and a really good time was had by all. While I'm on the subject of humor, we sure have it in large doses at our club.

Janie Lou Moraw has the dry type, you know she cracks a joke without a smile; Janie Garth is the quick type, she says things when you least expect them; Zeffa Shafer, of course, talks all time and never says anything; Pauline Chappell is slow on the trigger, but Gee! when she gets started. (How did I ever get started on this.)

To get back on the subject of our club meeting, we had "exchange gifts" again and some real pretty aprons turned up, also Janie Lou Moraw brought another sun bonnet. She has to bring one to every meeting until we all have one, poor gal.

Pauline Chappell received her sunshine gift. It was her anniversary gift and Mrs. Opal Dreaden received a nice gift for her birthday.

We were served delicious refreshments and soon adjourned the meeting but not before our president, Mrs. Zeffa Shafer called the meeting to order for an important announcement (or so she thought).

The news was that the club will meet at her home on June 14. I'm not sure I'd advise the members to be there—confidentially, I think I'll stay home, there's no telling what she will make us do and she has already said she positively was not serving refreshments (the tightwad). Janie Moraw said Zeffa would let her sister, Babe Walker bake a cake and serve water with it but no, she won't even do that.

(Gosh, I see tar and feathers in my near future. If this column is missing you'll know what happened to your ex-reporter.)

Sunshine Club Met In Gatlin Home

The Sunshine club met May 19, with Mrs. I. H. Gatlin.

Those present answered by reading a verse from the Bible. There were eighteen members and four visitors present.

Mesdames Chambless, Odom, Rowland, H. D. Crawford, Wimberley, Tipton, Barnhouse, J. D. Crawford, Stinson, Ladd, Kolar, Hart, Simmons, Lewis, Coulter, Harvey, Meek and the hostess, Mrs. Gatlin.

The visitors were: Mesdames Pruitt, H. H. Harvey, Kathrine Lewis and Miss Maude Fae Gatlin.

Mrs. Meek was given a lovely pink and blue shower.

The next meeting will be June 2, with Mrs. Nash.

VISITING MOTHER HERE

Mr. and Mrs. H. B. Byerley and Robert Earl of Levelland came up for a short visit with her mother Mrs. Maude Jones. Robert Earl is spending several days with his grandmother.

Cancer Is Our Number 2 Killer

HOUSTON, May 17.—The Cancer control goals of a previous generation are today almost within our grasp, J. Louis Neff, executive director of the Texas Division of

the American Cancer Society, said today in a letter to cancer control leaders of the state, urging them to intensify their aid to the 1949 fund-raising campaign of the Society.

"We must not slacken the pace of cancer education, service, and research. Thirty-five years ago cancer was the seventh cause of death in our nation," he pointed out. "Today it is the Number Two Killer. What will it be tomorrow, unless we intensify our cancer control work?"

Mr. Neff's letter came as the Texas Division of the Society begins its fourth year of cancer control work in the state. The Texas organization was founded on May 8, 1914, and in this brief time has become one of the leading public health movements in Texas.

The executive director warned members of the Society that they "dare not relax the pressure."

"You might be helping to build something which some day might save your life," he reminded. Discussing cancer control progress, Mr. Neff said: "A few years ago our scientists could see almost no correlation between the few verified facts about cancer. Today they have a mass of information, all correlated, and they are finding new clues to causes and new methods of treatment."

New Law Passed Helps Unemployed

Some 28,600 Texas employees covered by the Texas Unemployment Compensation Act, and an estimated 1,620,000 insured workers covered under the same Act will receive relief in many forms under the amended Act passed by the 51st Texas Legislature—the employer through a reduction in experience tax rates, and the claimant for employment insurance through a boost in the potential maximum benefits he may receive, the Texas Employment Commission announced today.

Governor Beauford Jester signed into law May 11, the bill which extends these benefits, among others, to employers and claimants alike, TEC said.

Under the old law, experience tax rates called for a minimum of five-tenths of one per cent on employer payrolls. Whereas, the new law lowers the figure to one-tenth of one per cent. The maximum experience tax rate remains 2.7 per cent. This section will probably save employers some six to ten million dollars each year, according to TEC.

The new bill also graduates the tax table in one-tenth of one per cent steps as opposed to the old table which was graduated into five-tenths of one per cent steps. This, it was pointed out, provides a more accurate measurement of employer experience tax rates. The new law further provides that an employer entitled to an experience tax rate will not be charged with benefits paid to a worker who leaves the employer under disqualifying conditions when due protest is made to the Commission.

Heretofore, under the old law, TEC added, any benefits paid to a claimant who was receiving an employer pension was reduced by the amount the claimant received under the plan. This provision was repealed on the ground that such pension plans usually represent an investment on the part of the worker as well as the employer, and that such investment should be treated in the same way that any other insurance investment is treated.

Another provision of the new act provides in effect that when the Trust Fund exceeds \$200,000,000, every employer who is eligible for an experience rating shall receive an additional one-tenth of one per cent reduction in his tax rate for each \$5,000,000 in the Trust Fund in excess of \$200,000,000. Presently, there is over \$206,000,000 in the Trust Fund. For this provision to be effective there must likewise be an eight per cent ratio between the amount in the fund and the previous year's taxable wages. The present ratio is approximately eight per cent. The old law had no limit on the size of the Trust Fund, and so possible tax reductions could be made than standard experience, TEC pointed out.

Storage Space For Wheat Is To Be Available Soon

LUBBOCK, May 21.—Storage space for 16½ million bushels of wheat at Pan-Tech Farms, formerly Pantex ordnance plant, near Amarillo, will be made available under plans adopted by the board of directors of Texas Technological college.

The board authorized a committee headed by Chancellor Weymouth, Amarillo, to sign leases with the Commodity Credit Corporation or some other organization for the space in warehouse and igloos on the 17,000 acre property. Weymouth estimated the Panhandle wheat crop at between 45 and 50 million bushels. He said much of the wheat will spoil unless storage space is found. The committee also was authorized to employ sufficient men to maintain the Pan-Tech lands and equipment.

The board at its meeting this week also contracted with the City of Lubbock to supply water to the campus, following a temporary break-down in the Texas Tech water system.

An appropriation of \$4,690.94, was made to complete the animal husbandry building on the campus, and \$12,000, was set aside to renovate a portion of West hall men's dormitory, for exclusive use of Tech athletes.

VISIT IN DAY HOME
Mr. and Mrs. W. H. Awtry, Sr., were Sunday guests in the J. E. Day home.

Pat Bobo's Visit Southern States

A recollection of the quaint, interesting, and beautiful scenery and the special brand of hospitality dispensed by the people of the South will linger long in the memories of Mr. and Mrs. Pat Bobo, who have returned home after a month long meandering vacation trip through the states that composed the Confederacy.

At the beginning of their journey they visited with her sister, Mrs. Twila Stowe, and family at Stillwater, Okla., then stopped briefly in Siloam Springs, Ark., for dinner with Mrs. Storm Whaley, daughter of Mrs. Holly Biley of Muleshoe; Mrs. Charles Lennu, sister of Mrs. Whaley was visiting there at the time.

They journeyed through Hot Springs, Little Rock, Memphis, and thence down to his father's childhood home, Bobo, Miss. Then they spent some time in the Smoky Mountain region of Tennessee and the Carolinas; visited the Natural Bridge in Virginia and spent a most interesting time in Williamsburg, Va., the Colonial town that has been restored by the Rockefeller Foundation. A guided trip through old William & Mary College and the opportunity to listen to the college choir were especially pleasing to them.

After journeying through Newport and Norfolk, Va., into Georgia and Alabama, they found another outstanding attraction, Tuskegee Institute, the Negro institution where the famous Negro scientist, Dr. George Washington Carver did such important research. From there they went to Eufaula, Ala., childhood home of Mr. Bobo's mother, where they spent some time looking into old family records. In Alabama they were privileged to attend some outstanding flower shows, then dropped down into Florida to Panama City, thence around the Gulf to Biloxi, and to New Orleans where they spent five days seeing the sights, absorbing the atmosphere, eating at the famous restaurants, of one of America's most unique cities. On their way home they visited briefly with Mrs. Bobo's sister, Mrs. James Carter, at Milford, Texas, and with his mother at Rhome.

Rainbow Girls Install Officers

Installation services for Muleshoe Rainbow Girls was held at 3 p. m. Sunday in Fellowship Hall. The following officers were installed:

Kay Malone, worthy advisor; Janice Jordan, associate worthy advisor; Sandra Wagon, Charity; Peggy Robinson, Hope; Pat Lane, Faith; Jerr Noll White, drill leader; Delores Locker, chaplain; Helen Lewallen, recorder; Marilyn Gupton, confidential observer; Gay Sanders, outer observer.

Color stations: Love, Jackie Bovell; Nature, Ollie Lou Bowen; Fidelity, J. Ann Weyer; musician, Mary Martin; chair director, Holly Ann Cox; choir, Billy Margaret Collins, Tommy Bovell, Jo Adine Wagon, Norma Gay Graves, Bobbie Collins, Frances Totten, and Dixie Lee Jennings.

Installing officers were Billy Fay Graves, installing officer, Mrs. Morris Douglass, installing marshal; Mrs. Howard Elliott, installing recorder; Mrs. Vance Wagon, installing chaplain; Mrs. Sam Damron, musician. Mrs. Pat Bobo sang a beautiful and appropriate solo in closing.

Service Guild In Meeting Monday

Wesleyan Service Guild met in the home of Mrs. Francis Glibbreath Monday evening, with Mrs. Curtis Spivey, President, in charge. Mrs. James Case, vice-president had charge of the fitting memorial program.

Mrs. Curtis Spivey read a poem "In Flanders Fields" and a story "Remember New York." Mrs. Morris Childers gave "The Man from Liberty Street."

Mrs. Case gave "That we might learn to live bravely as they died". Several members were ill and some were out of town. Next meeting will be Monday, June 6, with Mrs. Morris Childers, instead of June 13, the regular meeting date. The Guild will soon sponsor a bake sale Saturday, June 4, place to be announced later.

Refreshments of sandwiches, salad and ice tea were served to Mesdames Fred Johnson, Curtis Spivey, James Case, Morris Childers, Elizabeth Harden and the hostess.

H. B. Flanagan And Miss Black Wed In Amherst Ceremony

A beautiful double ring ceremony was performed at the South Plains Nurses Home in Amherst Saturday evening May 14 for Miss Ladel Black, daughter of Mr. and Mrs. B. J. Black of Amherst and H. B. Flanagan, son of Mrs. H. L. Flanagan, of Muleshoe, with Rev. J. Henry Cox, officiating.

Miss Laverne Black, sister of the bride was maid of honor, Mrs. Fairy Lee Black, sister-in-law of the bride was bridesmaid. Everett Lee Bushea, of Muleshoe, was best man.

The bride's father gave the bride in marriage. She was dressed in a long white slipper satin gown and wore white mittens and a veil of white with pink rosebuds, and carried a shower bouquet of pink rosebuds with white satin streamers.

After the ceremony the bride and groom cut the wedding cake. Punch was poured by Miss Dorothy Legg. Miss Pearl McCormick served the cake and Miss Wanda Johnson presided at the bride's book. There were twenty-nine guests present and several called during the reception.

Mr. and Mrs. Flanagan will make their home in Muleshoe, where he is employed at The Muleshoe Journal. The bride was formerly employed at the Amherst Co-operative Hospital.

Progress Club Plans A Picnic

Progress HD club met in the Miers home May 17. Club opened with a song. The president was in charge of the business. Roll call was answered with name of a recent book and its author.

We had a good report from all committees. Mrs. Maberry gave the council report.

Mrs. John Thomson gave a book review "The Miracle Bells." She presented it in a very interesting and delightful manner.

The community picnic will be held in the M. E. Little home.

Delicious refreshments of sandwiches, cake and punch were served to Mesdames Thomson, Mardis, Maltby, Little, Wedel, Garrett, and Miers, the hostess. Next meeting will be in the Maltby home June 7.

PROGRESS HD CLUB CHANGES MEETING DATE

The Progress Home Demonstration Club will meet Tuesday, May 31, instead of June 7, due to vacation Bible school. The agent will be present for a demonstration. The meeting will be in the home of Mrs. G. T. Maltby. Come and bring someone with you for an interesting demonstration.

Society News

THE MULESHOE JOURNAL, Thursday, May 26, 1949

MR. AND MRS. CLYDE STEVE PIKE

Long-Pike Vows Exchanged In Ceremony At L. A.

Miss Jeanette Irene Long, daughter of Mr. and Mrs. James C. Long, became the bride of Mr. Clyde Steve Pike, son of Mr. and Mrs. Clyde P. Pike, in a beautiful candlelight ceremony on May 6.

The bride is a former resident of Glen Ellyn, Illinois, while the groom formerly resided in Muleshoe. Both are graduates of George Washington High School of Los Angeles.

The bride's gown was of candlelight slipper satin, fashioned with a slim-fitted bodice and marquisette yoke set off with a bertha fold of satin. The skirt was full with a long train. The fingertip veil was set off with a tiara of pearls and a border of chantilly lace. She carried a white Bible with a white orchid in a bed of stephanotis.

Maid of honor was Miss Donna Long, sister of the bride, who wore a gold satin gown and gloves and carried a bouquet of talisman roses with a tiara of matching flowers. Bridesmaids were Mrs. Doris De Palma, sister of the bride, and Miss Colleen Pike, sister of the groom. Both wore ice blue satin gowns and gloves and carried colonial bouquets of pink and yellow roses, carnations, and baby breath with matching tiaras. Flower girl was Linda Sue Chitwood, age two and a half years, who wore a long dress of pale green satin and tiara of flowers.

Best man was Edward Dollard of Los Angeles. Ushers were Charles Simmons and Dean Simmons of

Murrahs Honored On Anniversary

Mr. and Mrs. Claudis Murrah were entertained Saturday night by friends in honor of their wedding anniversary. A delicious dinner was served in the banquet room of the Cross Roads Cafe.

Those attending were: Mr. and Mrs. D. L. Vernon and son, Verley Wayne; Mr. and Mrs. Alvis Burge; Mr. and Mrs. Ernest Gatlin, Mr. and Mrs. Chester Vernon and son, of Albuquerque, N. M., and the honorees, Mr. and Mrs. Murrah. All reported a wonderful time.

MANY VISITORS ATTEND REBEKAH LODGE HERE

Muleshoe Rebekah Lodge met in regular session Tuesday evening with 37 members, 25 visitors, 11 from Littlefield, 13 from Needmore and 1 from Lubbock.

A sharp dialogue presented by Littlefield was sincerely enjoyed by everyone, also a reading by Mrs. Lee Sims, of Needmore.

Several nice talks were made by visitors and members. After closing, refreshments were served. An appreciation poem was read by Clytie Dial.—Reporter.

IN AMARILLO TUESDAY

Mrs. E. W. Evans, Mrs. Forrest Jones and Mrs. C. C. Griffiths, and Elaine Evans, Mrs. Ray, daughter of Mrs. Evans, went to Amarillo, Tuesday where Elaine will take a plane to California, to visit her grandparents.

Glendale, formerly of Sudan, Texas.

The bride's mother wore a dinner gown of light blue crepe with corsage of red roses. The groom's mother wore a dinner gown of pale green crepe with a corsage of pink roses.

Friends of the bride served the five-tier wedding cake and punch to one hundred and fifty guests at a reception held in Friendship Hall of the church. Miss Allyene Pike, sister of the groom, assisted with the gifts.

Going away ensemble of the bride was a light blue dress suit with white accessories.

The happy couple were married by Rev. Earnest O. Forde at Sunnyside Baptist Church and are honeymooning at Lake Gregory, California. They will reside at 4275 South Van Ness Ave., Los Angeles.

Church Vacation School Announced

The Vacation Church School of the First Methodist Church will be held May 30 through June 4. The different groups will study the following subjects:

Beginners, age 4-6: "My Home and Family";

Primary, age 6-9: "Friends at Home and in the Community";

Junior, 9-11: "Friends at Work";

Intermediates: "Exploring the Bible with Intermediates."

All boys and girls, regardless of denomination and whether of any church affiliation are indeed welcome, said Mrs. Doc Wilhite, director.

GIRL SCOUT NEWS

The Girl Scouts met May 23 in the home of Mrs. Elliot. In the absence of Mrs. Watson, the leader, Mrs. Elliot took charge. After the business meeting the girls played games and worked on their badges, music and dancing.

Those present were: Paula Providence, Betty Collins, Queneil Elliot, Laura Whalin, Gladys Whalin, Louise Bowers, Betty Marie Ford, June Freeman, Leta Allen, Barbara Douglass and Venette Wood.

We were glad to have four visitors present, Roberta Elliot, Mary Jo Holt, Joe Adine Wagon and Caroline Holt from Amherst.

Mrs. Whalin, Mrs. Elliot and Mrs. Wood were the adults present. We meet next Monday in Scout Hut.

MISS JENNING HONORARY SORORITY MEMBER

Betty Craft Jennings senior, who was graduated from McMurry College with a B. S. degree was recently initiated into James Winfred Hunt Chapter of Alpha Chi, National Honorary Society. It is an honorary organization comprising the students whose grades average places them in the upper 10% of the Junior and senior classes.

These students are selected by the faculty, and membership is based upon the students grades, character, and personality.

Mrs. Jennings is the daughter of Rev. and Mrs. Truett Craft of Muleshoe.

49 PONTIAC

Hydra-Matic Drive, white sidewall tires, bumper guards and fender shields available at extra cost.

A Product of General Motors

America's Lowest-Priced Straight Eight!

Until they see the actual figures, few people realize that the big, beautiful Pontiac eight is America's lowest-priced straight eight. Not only does it under-sell all other straight eights by a substantial margin, it actually costs less than many six-cylinder cars!

Fact that the Pontiac eight gives so much for little is the basic reason for the great and growing popularity it enjoys.

Pontiac has distinguished appearance, and distinctive Silver Streak styling. Its spacious body by Fisher is handsomely upholstered and appointed.

And finally, it is powered by the world's sweetest engine—a great straight eight which is supremely smooth and quiet, instantly responsive to the accelerator, packed with power—an eight which gives peak performance and economy.

We honestly believe that no other car carries such definite assurance of really enjoyable performance at so low a cost. We invite you to come in and take the wheel yourself. We're sure you'll be very pleasantly surprised.

CHRISTIAN SCIENCE SERVICES

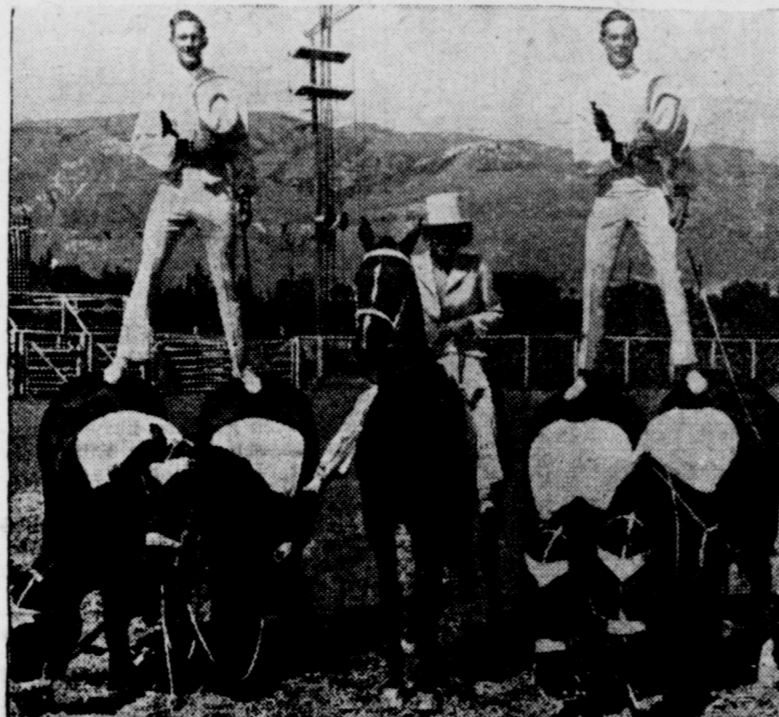

"Ancient and Modern Necromancy, Alias Mesmerism and Hypnotism, Denounced" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, May 29.

The Golden Text is: "The Lord God will help me; therefore shall I not be confounded; therefore have I set my face like a flint, and I know that I shall not be ashamed" (Isaiah 50:7).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The Lord hath appeared of old unto me, saying, Yea, I have loved thee with an everlasting love: therefore with loving kindness have I drawn thee" (Jeremiah 31:3).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Every step towards goodness is a departure from materiality, and is a tendency towards God, Spirit" (page 213).

Boys Club Rodeo To Begin June 8

LUBBOCK, May 19.—The American Business Club of Lubbock is reading Jones Stadium, on the Texas Tech campus, for the June 8, 9, 10, and 11 presentation of the exciting Boys Club World Championship Rodeo, with five big acts and \$4000, plus entrance fees, in prize money. Everett Colburn is the managing director of this world-famous show. It is a crowd-thrilling spectacle that has played to capacity audiences all over America, including Madison Square Garden and two previous appearances in Lubbock under the auspices of the Lubbock ABC's.

Again this year, receipts from the four-day showing of the ABC Boys Club World Championship Rodeo will be placed in the capital fund of the Lubbock Boys Club. Concession earnings of the Lubbock Lions Club will also go to this fund. The entire show is sponsored to aid the boy-building projects of the Lubbock Boys Club.

A colorful parade of horsemen and ladies, horses, and vehicles of the old West will wind its way down Lubbock's principal thoroughfares on the afternoon of June 8, at 5 o'clock, to launch the big

ON TRIP TO DALLAS

Mr. and Mrs. G. J. Garth and "Grandpa" Garth are in Dallas where the latter was to undergo medical treatment.

rodeo activities. The famed Will Rogers Range Riders of Amarillo will highlight this parade, which is expected to be many blocks long.

The Lubbock ABC Boys Club World Championship Rodeo features five dazzling acts, packed with laughter and gasps. Among them are: two separate performances of spectacular horsemanship by the skilled Hendricks family; the comedy team of Beeswax—the taxi mule—and the Moore family; an 18 horse quadrille; and four lovely trick riders.

ON VACATION TRIP
Johnny Johnson and family left yesterday for a trip to Oklahoma, Arkansas, Missouri and Tennessee. Johnny expected to get in some fishing in Oklahoma catfish country.

Techniques For Yield Boosting...

The nation's average yields of cotton, corn, wheat, oats, potatoes and hay have increased more in the past ten years than in all the previous seventy; the possibilities for pushing yields higher in the years ahead are boundless.

Improved varieties, soil conservation, moisture holding practices, soil building with legumes and fertilizers, improved cultural methods, the new organic insecticides—plus power and equipment to work land quicker and better than ever before—all boost yields. The farmers of the New Agriculture are only beginning to realize the potentials of multiplying—rather than just increasing—yields by using the proper combination of these yield boosting techniques.—Quoted From "The New Agriculture", Extension Service.

KITCHEN MEMO
BY JEAN CLARKE

There's something extra special about strawberry pie that puts a gleam in a man's eye. Strawberry Chiffon Pie mixture is cooked on the top burner, then turned into a pastry shell. Soften 1 envelope unflavored gelatine in 1/2 cup cold water in saucepan. Blend together 2/3 cup sugar, 1 tsp. flour, 1/4 tsp. salt. Add to softened gelatine. Mix thoroughly. Place over medium flame stirring constantly until gelatine is dissolved and mixture is thickened, then remove from flame. Add 1 cup crushed strawberries, 2 tbsps. lemon juice. Chill until mixture is slightly thicker than consistency of unbeaten egg whites. Fold into 1 cup whipped cream or 1/2 cup icy cold whipped evaporated milk. Turn into 9-inch baked pastry shell and chill until firm. Garnish with additional whipped cream and whole strawberries.

If you like to scent your linens or underwear, put sachet powder in cheesecloth bag and toss in with the drying laundry in your automatic gas dryer. The tumbling action helps the aroma to penetrate evenly through the clothes.

At least 15 gals. of hot water of 140°-160° (F.) are needed to wash and rinse 8 to 9 lbs. of soiled cottons. Using less than this won't get clothes clean. An adequate supply of hot water will always be available where there is a quick recovery automatic gas water heater in the house because the supply more than keeps up with the demand.

To freshen dried lemons, cover with cold water and allow to stand for several hours.

HERE FROM TUCUMCARI
W. H. Awtrey, Jr. and Miss Frances Morrow, of Tucumcari, N. M., were weekend guests in the W. H. Awtrey Sr., home.

Homemaker Hint

Newest idea for giving a new look to old floors is the "lay-it-yourself" linoleum tiles. Developed by Sloane-Blabon for easy and economical installation, the tiles come in nine different color combinations.

Treasure Hunt To Begin June 8

Governor Beauford H. Jester will snip a ribbon May 28th at two o'clock p. m. to start the 1949 Palo Duro Canyon State Park "Treasure Hunt." Just before the Governor cuts the ribbon, 10,000 numbered goldline coins will be dropped into the Canyon from an airplane. One thousand of the coins—all those ending in the number "seven"—will be listed prize-winning coins. All other coins will be potential winners of such prizes as a Chevrolet car, an expense paid trip to Rio de Janeiro and two trips to Habana, Cuba, via Braniff International Airways, a \$250 diamond ring, two registered quarterhorses from Glen L. Casey's famous herd, and other supplemental and grand prizes valued at over \$20,000.

The Kwahadi Indians and Will Rogers Range Riders will participate in the opening ceremony as will a Queen from the radio show "Queen for a Day." Exhibition

TO VISIT IN ELECTRA

Plan your vacation the easy Santa Fe way...

These special services now available to you...

Before you even think about where to go this summer—contact your courteous Santa Fe travel representative. He has new descriptive folders, rates and other information about almost any vacation spot you could wish for. Places like the Grand Canyon—Carlsbad Caverns, Land of Pueblos (both in New Mexico)—Dude Ranch Country, the Colorado Rockies, and many others, too.

Then—once you have decided where to go—avail yourself of one or more of these Santa Fe services—to make your vacation easy, more pleasant.

RAIL TRAVEL LOAN—Gives you funds for rail accommodations, other expenses for your trip. You pay later in convenient monthly installments.

TRAVEL CREDIT CARD—Enables you to charge your tickets at any Santa Fe window. Rail, parlor car or sleeping car tickets (amounting to \$5.00 or more). Bills rendered monthly.

RAIL AUTO SERVICE—Provides you with a late-model automobile at your destination. Cost is reasonable. Service now in operation in many U.S. cities.

PLAN NOW TO VISIT THE CHICAGO RAILROAD FAIR, JUNE 25 — OCTOBER 2.

For further information call or write your local Santa Fe Agent

When you gotta stop -you wanta stop!

"It can stop on a dime," the salesman promised you, "—and leave nine cents change!"

And your Buick did—when it was new and brake linings unworn and everything factory-tight and fresh.

But brake linings wear—lights grow dim with time—tires can lose their bite and traction.

And with a whole summer's driving ahead, what better time than this to bring your Buick back to new-car peak in all those details that mean so much to safety?

Check your car ---
Check accidents!

Three great service and safety organizations across the country are alerting car-owners everywhere this month on safety-checking their cars.

They list ten vital question marks for you to think about—How are your Brakes? Lights? Tires? Steering? Wheel alignment? Defective glass? Rear-view mirror? Muffler? Windshield wipers? Horn?

Be sure your family rides in safety—ask your Buick service man to look over these check-points this month—and join the great drive for driving safety!

Our men, trained in Buick ways, will give you brakes that stop you as Buicks should, with new brake linings that are right in size and brake drums turned to perfect round.

They can replace sealed-beam headlights to give you new-bulb brilliance—and while they're at it, check battery, voltage, wiring and headlamp-aim to boot.

They'll check tires, switch them as needed, look into wheel alignment for easy steering.

In a word, they'll renew your Buick with the same care and interest they would lavish on their own—and do it at no greater cost than for just ordinary service.

So drop in. Get set for some summer fun that's up to lively Buick standard.

Buick care keeps Buicks best

BILLY CROUCH HOME

Billy Crouch, who suffered a paralyzing accident in an automobile mishap near here 18 months ago, is home from the veterans hospital in Memphis. He is able to manipulate a wheel chair and even drives a specially equipped automobile. Billy is the son of Mrs. Katie Crouch, Littlefield, and a brother of Mrs. Woodrow Surratt, Mrs. Buford Hunt, and Mrs. E. H. Hall, all of Muleshoe.

Detton Starts Classes Here

Dory Detton of Amarillo, promoter of wrestling and other athletic activities over the Plains area began his classes here last Saturday afternoon teaching the local youngsters the fundamentals in the art of wrestling, boxing, judo, jiu jitsu, weight lifting, tumbling, etc. which will all be worked out in his classes which he will hold here this summer.

About fifteen boys were on hand for the first class which was held last Saturday afternoon for a period of two hours.

The class begins at 6 o'clock and is finished at 8 o'clock. Mr. Detton stresses sportsmanship above all things and good clean living. He is conducting this class here with the backing of the local Junior Chamber of Commerce, who thinks that this type of training is a very good thing for the local youth.

Anyone between the ages of 6 through sixteen are welcome join the class which will be held every Saturday afternoon.

Mr. Detton is a deputy sheriff in Amarillo, where he helps with the Junior Deputy organization of Sheriff Paul Galbreath. Plans for a similar organization have been underway here, but so far no further information has been released to The Journal concerning later developments.

VACATION BIBLE SCHOOL AT LAZBUDDY

A two week Daily Vacation Bible school will begin at the First Baptist Church Lazbuddy Monday morning of the 30th, and lasts through Friday of each week. All boys and girls, ages four through sixteen are cordially invited to attend this Bible School. No attempt will be made to proselite children of other faiths.

There is a lot of talk about the problem of juvenile delinquency, but very little being done about it. This school will be an attempt to "overcome evil with good" by the teaching of the Word of God. We appeal to the parents of the community to let your children attend this Bible School. Signed, L. E. Edwards.

GRADUATE AT McMURRY

Dean Detton And Alex Kasaboski Fight To Draw; Good Card Scheduled Saturday

Last Saturday night in the bout between Dean Detton, heavyweight champion, and Alex Kasaboski the bout finally ended in a draw after both men had put on one of the best wrestling bouts ever staged here.

The fans were kept on pins and needles all the way through the event and excitement ran high as the two men battled on even terms.

The referee counted both men out after they had both been out of the ring for too long a period during the latter stages of the battle.

In the first bout of the double main event Jack Pappenheim, who was substituting for Geo. Curtis, defeated Billy Goeltz after both men had put on a very good fight which the fans enjoyed almost as well as the feature bout of the evening.

There was a large group of local and area fans here to witness the bouts here last Saturday night and all seemed to be well pleased with the fine sportsmanship displayed by the contestants.

Saturday night the double main event features Dory Funk pitted against Balk Estes in the first bout of the evening and in the second bout George Curtis will meet Jack Pappenheim.

Dory Detton will referee the bouts here Saturday night.

Slants From The Sidelines . . .

By W. E. Hill

Last week we were led off into a storm by one of the local Jay-Cee officials who probably did it unintentionally. However there is no use in crying over spilled milk.

We stated that Dean Detton was the present World Heavyweight wrestling champion, but fact is he is Ex-Champion and does not now hold the title.

We are not very well up on the wrestling world of sports and therefore we just take the Jay-Cees word for who their wrestlers are and the titles they hold.

We are sorry it happened and we will try not to make the same mistake again.

The American Legion Junior baseball team has created a lot of interest here in the game by the local youth and they are expected to be ready to start playing a few games in the near future.

The local baseball team had a field day over at Springlake last Sunday. However, the game was not as good as the score indicates. The manager for the local team, Strott Walker.

There were quite a few local baseball fans who traveled over to Springlake to back the local boys up with their moral support.

State football officials are still arguing over the question as to whether or not Spring football training should be allowed.

We are highly in favor of the spring training and we do not believe that it interferes with other sports of the school at this time of the year. Not only that but it gives the coaches a chance to teach the boys the fundamentals of the game especially those that have never played football before.

In Muleshoe's case, it would give the boys and the coaches a chance to get acquainted with each other thereby the boys and the coaches would know just what to expect of his men and have a little time to figure out just which type of football they are best adapted to play.

For instance if a coach has a bunch of large, but slow men, he would be foolish to try to use the T-formation, but on the other hand he may have enough fast boys to work out on the "T" or he may find that he had a very good passing team while very little power on the ground or vice versa. This would enable the coaches to plan the best plays that would be adaptable to the material he has to work with, and thereby he would have a much better football team.

So far as we can find out, the new head coach of MHS has not yet selected his assistants.

Charles Gaede Sets New Mile Record

Charles Gaede, Limon high school sophomore, formerly of Muleshoe, established a new state Class B record for the mile run at the Colorado state meet held last Saturday at Fort Collins, Colo. He negotiated the distance in 4:54 and finished at least 50 yards ahead of all competition.

He has two more years of high school track competition, so he should really give the mile runners a mark to shoot at before he is graduated. Charles is the grandson of Mr. and Mrs. J. S. Horsley and Mr. and Mrs. A. C. Gaede, all of Muleshoe.

MORTON LEGION TEAM DEFEATS MULESHOE NINE

Morton's American Legion junior team defeated Muleshoe junior baseballers in a practice game played here Tuesday, 12 to 5.

Regular practice continues for the local lads every afternoon in preparation for the opening of the season's schedule.

MULESHOE

To Meet Sudan Here Sunday

The Muleshoe nine trampled the Springlake nine by a score of 17 to 2 last Sunday afternoon on the Springlake home field.

Alvin White started the game on the mound for the local nine and was relieved in the seventh inning by E. Helmes, a new man who has been signed up on the local team.

Springlake's two runs were scored in the fourth inning of the ball game while the local boys banged them out all over the field, never being able to knock any home runs, but getting several doubles and triples.

This was the first time the two teams had met this season and the local boys were expecting to have a rough afternoon, but the local boys who are usually very heavy-hitters began hitting everything the Springlake twirlers pitched over the plate.

Sunday afternoon the local baseball nine will play host to the strong Sudan crew who will invade the local team's stronghold looking for a win over the Muleshoe nine.

So far as we know, the Sudan nine has lost only one game so far this season and it was played under protest. However it may be possible that they have dropped another game that we have failed to hear about.

The game is expected to be a real fast, thrill-packed baseball game as both teams are fairly heavy hitters backed by good pitching and fielding.

Two weeks ago the Muleshoe hitters went into a slump when the Anton nine edged past them 5 to 4. However this game may have been a different story had a light shower not fallen during the game in which the game was temporarily held up allowing the local pitching staff to cool off just before taking the field in the fourth inning.

The Sudan nine were edged out by Amherst a couple of weeks ago by a score of 4 to 3, but the game was played under protest by the Sudan nine after a decision was made by an umpire con-

stant coach yet, but he will do so before football season begins next fall.

Neither coaches, Beam or Hedges have announced what their plans for next year will be, but it is almost certain that they will be coaching some place.

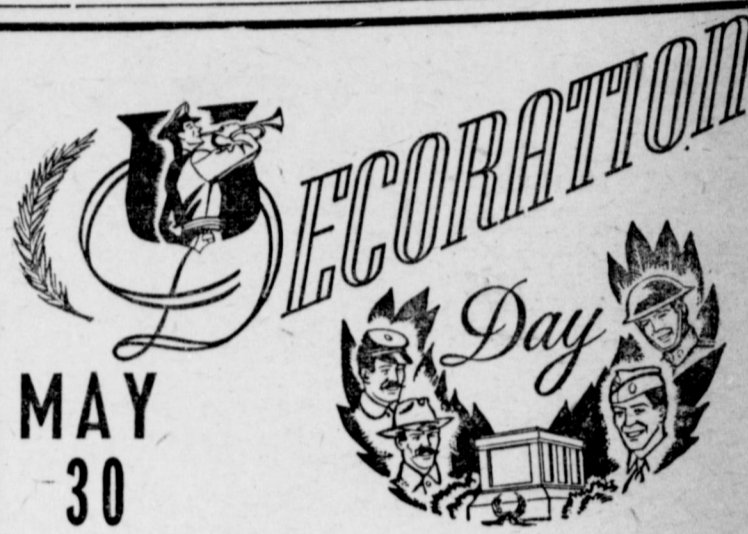

Coach Hedges made a fine showing with his basketball team last season, not in winning of games, but in the progress he made during the season. Coach Beam also has a fine record here even though he has never had a championship ball club, but he did have some mighty fine teams.
