Muleshoe Schools Are Preparing To Close

Mr. Muleshoe ...

By J. M. Forbes
TEEN TOWN
Turn to an inside page and read all about Teen Town, then attend the meeting here Monday night and be prepared to voice your sentiments on this movement for our youth of this territory. Do it now.

Any time the Tri-State Fair Association, Amarillo, doesn't conduct things to suit the readers of this column, all they have to do is to confer with this writer. For, on April 11, 1949, the board of directors of the big regional event met and decided to appoint me a vice-president. I have influence and plenty of it with that organization and I intend to help see that it grows and develops. Call on me if you have anything to suggest about the Tri-State Fair.

NOTE: On reading a little further, I find that I have been appointed an HONORARY vice-president, and I have a sneaking notion that all editors of the area have been accorded the same honor; but never mind, I had rather be honorary vice-president of the Tri-State Fair than to be active vice-president of many things I know of.

Seen & Heard:
J. C. Browder: Oh, yes, I know what I'm going to do in summer vacation. First, I will be helping to build tables and work benches for the science department of the new high school. Next six weeks, I will attend school.

Ye editor would sure like to be a teacher and have nothing to do for the next three months!
Joe Smith: I am going to scratch the ground where I planted cotton just before the recent rains. I think the plants will come through. But if they don't I will replant with feed because I am not in love with cotton anyway.
Old Joe named three things which may happen to cotton before it even emerges from the ground, including big shank, root rot, and let's see, something else. All this besides being covered up or getting too cold or rotting. And old Raymond Green must be drinking bitter beer alone these days, or eating crow, and thinking about how much better off he would have been had he followed the editor's advice and not planted cotton so early. However, far be it from this editor to want to holler I told you so.

"Hop" Halsey, Lubbock: I am now a business man and have not thought of ever, ever, going into politics again.
Hop served in the Legislature, then aspired in vain for George Mahon's seat in the Congress. But I believe old Hop knows as many people in as many different towns as anybody I ever saw, and does he ever appreciate every friend he ever had!

100 Chairs Bought For New Home

Members of the Auxiliary, Ben Richardson Post, American Legion, Tuesday night voted to purchase 100 chairs for the new Legion Home, now being rushed to completion in Muleshoe.

Furnishing for the new home for ex-service men and women will be quite an item, and the purchase of 100 chairs is a great start on the part of the ladies.

The group met in the home of Mrs. H. S. Sanders, Jr., and among other things decided to hold their annual poppy sale for benefit of wounded and disabled American war veterans on Saturday, May 28; and to sponsor a bridge and 42 tournament on a date to be decided upon later. They also set their bake sale for the coming Saturday, May 14, at the Johnson Furniture Co.

Members attending were: Mrs. Woodie Lambert, Mrs. H. S. Sanders, Sr., Mrs. Lefty McWilliams, Mrs. Blondie Ray, Mrs. "Chief" Jones, Mrs. John Smith, one new member, Mrs. James Case, and the hostess, Mrs. Sanders.

JUDGING TEAM TO AUSTIN
Muleshoe's sharp poultry judging team left today for Austin, Texas, to take part in regional contests beginning tomorrow. The team is composed of Robert Waggoner, Charles Lewis, and David Taylor. The boys were accompanied by their instructor, Edward White.

The team won second place in a regional contest conducted recently at Texas Tech in Lubbock.

"Appreciation Day" Program Now Underway In Muleshoe

Last Saturday was the last day for Muleshoe's Trades Day, and the coming Saturday will see the first "Appreciation Day" event staged here by some fifty local merchants.

The old style tickets were abandoned Saturday afternoon following the regular weekly drawing. The Appreciation Day coupons were distributed to each participating merchant that afternoon.

Appreciation Day will be conducted at 3 o'clock each Saturday afternoon.

Customers are advised to ask for their Appreciation Day coupons properly punched, at participating stores. Circulars are being distributed showing how Appreciation Day operates. Rules to be observed by each customer are listed as follows:

- FOLLOW THESE RULES**
- 1. Get a coupon when the purchase is made.
- 2. See that percentage conforms to amount of purchase.
- 3. If punched on the line, the lower percentage will govern.
- 4. Write your own name—Merchant is not allowed.
- 5. You can drop your coupon in the box of any merchant taking part in the plan.
- 6. If your name can not be read, coupon is void.
- 7. Crumpled or defaced coupons are void.
- 8. If coupon is punched more than once it is void.
- 9. Clerks can not win in store where employed.
- 10. Merchants and their families can never win.
- 11. Nobody can answer for another except HUSBAND or WIFE.
- 12. Coupons are not destroyed each week. The more purchases you make, the more chances you have.

School Of Church Music To Be Conducted At First Baptist Church

Mr. C. A. Booher, Field worker of the Music Department of the Baptist General Convention of Texas, will conduct a school of Church Music at the First Baptist Church of Muleshoe May 30 to June 10. Mr. Booher will teach music in the Daily Vacation Bible School each morning at 10:30 A. M. and will conduct the School of Church Music at 8:00 P. M. each evening.

Emphasis will be on Congregational Singing, Choral Singing, Graded Choir Work. There will be class instruction in Music Theory, Class Voice, and Music Ministry.

Mr. Booher was reared in Oklahoma, is a graduate of Shawnee High School. Attended Oklahoma Baptist University three years, studied two years in Midland Conservatory and Bush Conservatory. was a scholarship pupil under the great Oscar Seagle, New York, with whom he studied five years, graduate work in Paris.

All music lovers and those who have any part in Church music are invited to take advantage of this rare opportunity for Muleshoe and surrounding territory.

HERE FROM ROSWELL
J. C. Burkhead and family, of Roswell, visited here last weekend with his mother, Mrs. J. B. Burkhead and his brother, Jim Burkhead and family.

Local Couples In Knife And Fork Club

Sponsors of the new Knife and Forker—Lubbock club will meet at Clovis, have decided recently to expand the membership area of the club beyond the first planned area of Curry and Roosevelt Counties, New Mexico. They are reaching a neighboring hand across to residents of Bailey and Parmer Counties. Already from Muleshoe the following couples have joined: Jesse M. Osborn; R. C. Marshall; Sam Fox; Noel Woodley; G. T. Maltby and Irvin St. Clair and Clay Beavers. Nine couples and spouses from Farwell, The successful Knife and Fork Clubs at Lubbock and Amarillo have of course, focused attention on this new associated group.

The club holds its inaugural dinner meeting next Tuesday night, May 17th at "La Vista" just east of Clovis at the hour of 6:45 with dinner tickets at \$2 a plate. The speaker will be George Rony who will speak on "Europe Reorganized". Mr. Rony whose home is now in Los Angeles will make a special trip to this section to open the new Knife and Fork club at Clovis, non as well as at Clovis and fill engagements at Pampa and other en route dates. He was born in Russia but applied for American citizenship the day he landed in New York City a few years ago and speaks from first hand knowledge of the intricate situation abroad, especially he deals with the "cold war" between Russia and the United States. His recent trip abroad carried him to practically all of Europe outside the "iron curtain" and took nearly a year. He is rated as one of the finest speakers in this country and is immensely popular with the many Knife and Fork clubs he has addressed.

First Services In New Church Sunday, May 15

The Church of the Nazarene of Muleshoe will have their services Sunday, May 15, in their new church. The public is cordially invited.

The church expects to have an official opening on a date to be announced later. Rev. A. I. Metcalf, of Clovis, is the supply pastor of the local congregation.

New Building For Liquefied Gas Co.

Construction was begun this week on a new home for the Muleshoe Liquefied Gas Company. The building, to be 32 feet wide by 60 long, will house offices, sales rooms and repair shops of the company, and will go up on lots adjoining the present location of their gas tanks, on the Clovis highway.

Doc Wilhite is the builder of the new structure, which will be of brick and tile.

The company, owned by E. O. Baker and W. P. Flowers, now operates two large gas transport and three delivery trucks, serving a wide area around Muleshoe.

More Land Planted In Beans, Tomatoes Than Ever Before

More acres than ever are planted to beans and tomatoes in the Muleshoe country, according to an estimate of the Muleshoe Canning Company.

It was said that the bean crop here this year will cover approximately 500 acres, more than ever has been planted in this neighborhood. Most planting was done last week, and the crop is expected to be ready for picking in July or about 60 days from planting time. Last year the local cannery put up about 40,000 cases of green beans, more than they have ever processed before.

However, this year the factory will not handle blackeyed peas. This likely will be a large number of cases were canned here but the market has been such that the factory will eliminate this product from their schedule.

Local Rebekahs Win Drill Contest

The drill team of Muleshoe Rebekah Lodge attended the South Plains Association held in Brownfield April 22 and entered in the competitive degree work.

The team brought the honor of having won first place and will be awarded a beautiful trophy just as soon as they are available. It will be put on display down town as soon as it is received.

Members who participated in the drill were: Barbara Burton, Ruby Green, Lola Goodnooh, Hattie Jennings, Hazel Whalin, Ruby Shelley, Ruth Anderson, Sylvia Wilmon, Mary Thomas, Allie Snyder, Dallis Snyder, Hazel Nowell, Argilee Millen, Myrtle Freeman, Genevieve Freeman, Callie Smith, Katherine Merriman, Sarah Belle Snyder, Ina Gross, May Provence, Vernice Gurth, Lois West, Velma Howell, Loma Gustin, Fay Lambert, Iva Carpenter, Musician, and Clytie Dial, Team Captain.

those who are now growing vegetables will be a guide to their neighbors, and that if experience proves vegetables growing profitable it will develop and expand. If it is not proven profitable, other farmers would not get into truck crop growing no matter what other interest might desire.

Mass Meeting Called For Mon.

A mass meeting of people of the Muleshoe territory has been called for Monday night, May 16, in the high school auditorium here at 8 o'clock. The meeting was called by the Muleshoe P. T. A. and will take up the proposed Teen Town for Muleshoe, which the P. T. A. has been asked to sponsor.

Mrs. Bob Herrington, president, said officers and directors want a full expression of sentiment on the part of all the people. Everyone who interested in the proposed youth program is invited to attend, regardless of whether they are a member of the P. T. A. Rural folks especially are wanted.

Seven More Boys Register In April

During April seven more Bailey County boys, becoming 18, registered under the Selective Service System with the Draft Board in Muleshoe, Mrs. Virginia Wyer, secretary reports.

The seven with their post office addresses are: Benito Mitchell, Baileyboro. Melvin Ray Parish, Earth. Travis Carrell Reecer, Circle Back. John William Ratliff, Olton. Robert Harold Layton, Morton. Magel Dean Willis, Muleshoe. Roger Gene Harvey, Muleshoe.

District Lions To Hold Convention At Lubbock Beginning May 22nd

The District 2-T-1 Annual Convention of Lions International will be held in Lubbock May 22, 23 and 24, and will be featured by the visit and address of Dr. Eugene S. Briggs, President of Lions International. The convention meeting will be held in the Hilton Hotel.

Dr. Briggs is president of Phillips University at Enid, Okla., and was elected to the office of president of Lions International at the International Convention held at New York City in July, 1948. He had previously served the International Association as third, second, and first vice-president and as an International Director. For six years he served the Okmulgee Okla. Lions Club as director, and during the year 1926-27 was president of that club. In 1929-30, while he was a member of the Durant, Okla. Lions Club, he was district governor of all the Lions Clubs in Oklahoma.

The district governor, W. R. Rutherford, of Dumas, will also attend the convention, as well as the five deputies, Joe P. Phillips of Amarillo, M. C. Davis of Pampa, Charles Rains of Plainview, Doyle D. Jackson of Lubbock, and Dr. There are 64 clubs in the district, with an approximate membership of 3,800. Some 400 delegates likely will attend all or part of the meeting.

Show, Pie Supper To Be Wed. Night

A Negro minstrel and pie supper is planned by the Muleshoe Rainbow Girls for next Wednesday night, May 18, in the high school auditorium.

For this program the Rainbow Girls have secured a group of Farwell adults who will stage the minstrel. This group has presented their minstrel twice at Farwell and once at Bovina, and their reputation as fun makers has preceded them here. A good time is promised all who attend.

Open House For New Department Of Local School

It will be "open house" all next week in the manual arts department of Muleshoe high school, according to announcement of J. C. Browder, instructor, and W. C. Cunningham, Muleshoe superintendent.

The two are anxious that everyone in the district shall have the opportunity to see this new department of the school, and observe the busy students in action. They invite the people to come to the school building known as the Vocational Agriculture building, on the new school campus, anytime after 1 p. m.

The department, which has first year classes in mechanical drawing and in woodwork, occupies the west one half of the agriculture building. Everyone is urged to go up and see the department, see the fine equipment they have, and show an interest in the fine work being done by the students.

Poppy Sale To Be Held On May 28th

The annual Poppy Day Sale will be held in Muleshoe this year on Saturday, May 28, and will be sponsored by the American Legion Auxiliary.

Members of the group will conduct the sale in all public places. Funds raised from the sale of the flowers go to disabled veterans who make them in order to earn spending money.

CHRISTIAN SCIENCE SERVICES

"Mortals and Immortals" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, May 15.
The Golden Text is: "This corruptible must put on incorruption, and this mortal must put on immortality" (I Corinthians 15:53).
Among the citations which comprise the Lesson-Sermon is the

following from the Bible: "But when that which is perfect is come then that which is in part shall be done away" (I Corinthians 13:10).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Let unselfishness, goodness, mercy, justice, health, holiness, love—the kingdom of heaven—reign within us, and sin, disease, and death will diminish until they finally disappear" (page 248).

Looking Ahead

CURRENT NEWS reports suggest that the British are still having a tough time, though things seem a little better with them lately. Actually, it is high time for signs of recovery. How much better off England would be right now—how much sooner she would have come out of the kinks if she had kept safe her traditional freedoms—that no one knows. But if the English mind and spirit come out of these dangerous experiences unscathed, it will surely be a miracle.

(There are those who will give more credit for improvements to the Marshall Plan and to the generosity of the American taxpayer than they will to Britain's labor government.) The sad thing about it is that the Englishman is still the worse off, having given up much of his heritage of freedom and liberty.

Mess of THE SWAP has netted a poor mess of pottage indeed. England's experience is the lesson of the century for America. There was the dentist, for example, who took his own life because he found it impossible to operate his office as the government ordered. His suicide note cited too many forms to be filled out for the government and declared he could not do his work and the red-tape too.

What about small business? Take filling stations (petrol there). From a London newspaper: "After two years of deliberations, a committee of 13 men has reported to the government on the technical considerations which should govern the number, capacity, and distribution of filling stations."

Have you heard Dr. Benson and the radio drama, "Land of the Free"? Check your local station for time.

tion of petrol stations." Imagine! That is the result, when people hand over their individual initiative to government.

Liberty UNDER THE HEAD. IN FLIGHT "First Warm the Teapot," an item in a British newspaper advises that the food ministry is sending out an expert who will visit restaurants in Tottenham and educate the restaurant staffs on the subject of how to make tea! As if by now, the English people have not learned to make tea.

Some of these seem a bit ridiculous. They are. Like the report of demands for "free" wigs having risen under socialized medicine to more than 200 a week—at a cost of more than \$4,000,000 yearly! It is reported also that "Application Order No. 2" will entitle hairless men and women to the nationalized wig cleaning and dressing service, once every two months. From cradle to grave, indeed!

In Foxfield, England, K. J. Kilford was building a house. He wanted a round hall window in his new home. But the "area planning committee" said no; the window must be rectangular. "A round window would be out of place in a rural area," the panel declared. Commented Kilford: "There is no individual liberty today." That happened in England.

The whole British story of snarling bureaucracy may remind readers of wartime experiences in America. It indicates, too, that government control clashes with individual freedom. Shall we in America be able to keep our freedom?

GUESTS IN RAMM HOME

Visitors in the Eddie Ramm home last Friday were Mr. and Mrs. Walter Kube of Coppens Cove, Texas, Mr. and Mrs. Ludwig Kube and girls of Bartlesville, Okla., Mrs. Mary Kube and Rudolph of Farwell, and Mrs. Albert Ramm of Lariat. A turkey dinner was served and enjoyed by all.

Summer Brings More Dysentery

AUSTIN, May 10.—The summer season always brings an increase in the incidence of dysentery, diarrhea and enteritis, all of which are major menaces to the lives of small children, annually causing the deaths of hundreds of Texas youngsters.

The State Health Officer, Dr. Geo. W. Cox, declares that the chief cause of these intestinal diseases are contaminated milk, water or food; allowing the child to get overheated or exhausted; excessive sugar in the infant's formula, and foods that have been "All foods should be clean and improperly refrigerated.

fresh, and all left-overs should be refrigerated so as to avoid spoilage. The utmost care should be used in preparing the infant's formula which should, of course, be prescribed by a physician, and his recommendations as to sanitation precautions and correct refrigeration should be implicitly followed."

The State Health Officer warned parents especially of the danger of disease transmission by flies. Children in any home that is not free from flies, are in danger of contracting dysentery or other intestinal diseases which may be fatal.

"If dysentery or diarrhea symptoms appear in your child, call

your doctor immediately", Dr. Cox advises. "His treatment of the disease is your best insurance against fatal results, since such diseases are really a very serious threat to the child's life. Don't depend on home remedies for diarrhea or dysentery; consult a competent physician and let him institute the safest and best treatment which medical science has available, for combating these wasting diseases."

Five-Foot Shelf of Good Looks

A TOUCH on the handle—and a wide front door swings open on a prospect full of invitation.

There's a wheel that seems actually eager for the touch of your hand.

There's a broad 63-inch seat cushion, comfortably angled, soft and inviting, and only a hand's width narrower than a full-size parlor sofa.

There are narrower corner posts hardly wider than the space between your eyes, so plenty easy to see around—and there's a broad, sweeping, full-curved windshield spreading a horizon-wide view before your eyes.

There's a gas treadle that flicks into instant life the great power of a big Fireball power plant. Under the wheel there can be a Dynaflo selector lever you set once and then forget through all normal forward driving.

*Dynaflo Drive is optional at extra cost in all Buick SUPER models. Standard equipment on all ROADMASTERs.

Winsome Class Met In Lee Pool Home

The Winsome Sunday School class of the First Baptist Church met Monday, May 9th in the home of Mrs. Lee Pool with Mrs. Eugene English as co-hostess.

A garden theme was carried through out the evening, including a center piece on the table of pansies surrounded by a rake and hoe.

The president, Mrs. Jack Obenhaus presided at the meeting. Mrs. Dorothy Bowers gave the devotion on Mothers.

Plans were made to give a social this month in honor of the general officers and teachers of the church.

After games were played pertaining to garden and spring, the following were served frosted cakes: Mesdames Rufus Gilbreath, H. E. Wimberly, A. W. Blaine, Eugene Redwine, Leonard Redwine, Gerald Allison, John Smith, Edd White, Hoyt Morgan, R. W. Kimbale, Jack Obenhaus, Dorothy Bowers, Herman Butler, V. M. Collins, the teacher Mrs. Lena Barron and the hostess.

VISIT AT A. & M.

Mr. and Mrs. J. J. DeShazo visited Dick and attended Open House and Parents' Day at Texas A. & M. College May 7 and 8. Jack met them for a short visit over the weekend.

Progress Club Met With Mrs. Maberry

The Progress Home Demonstration club met in the home of Mrs. Ray Maberry, Tuesday, May 3, with the president in charge.

Each member and visitor answered roll call with "Something Special I Remember About Mother". The club song was selected, "Evening Star".

The secretary reported another paper had been received from Mrs. Maberry. There was some discussion on visiting there.

Three out-of-county demonstrations on metal work have been given by members.

Five members reported gardens planted. Three more are eating from gardens.

Each member brought a gift for the little Holland girl to be mailed for her birthday in July.

Mrs. Corrington gave a very interesting demonstration on making gloves. Nine of the fourteen members present plan to make gloves of leather as soon as material arrives.

Two new members joined the club. Those present were: Mesdames Shankles, George Gross, John Gross, Albert Dairs, J. P. Wedel, John Thomson, George Stotts, Jack Smith, M. E. Little, Bratcher, Miers, Murrah, Mardis, agent Corrington, and the hostess, Mrs. Maberry.

Delicious refreshments of ice cream and peppermint cake were served.

Enochs H. D. Club Met April 28th

The Enoch's H. D. club met April 28th, at the home of Mrs. C. H. Vanlandingham. There were twelve members present and Mrs. J. C. Bowen joined the club.

Mrs. Corrington met with the club and gave an interesting and helpful demonstration on planning and caring for flowering bulbs.

Plans for the Commissioners Banquet were completed.

Mrs. Corrington gave a report on the council meeting. Each club is going to hold a Bazaar having all hand-made articles this fall.

The club voted to add one new piece each month to the collection for the Bazaar. The club voted "America, the Beautiful", as our selection for the county H. D. Club song. Each club in the county selects one song and the song receiving the most votes will be the county song.

There were 225 people present

4-H Dress Revue To Be Saturday

The girls annual 4-H dress revue and tea will be held in Fellowship Hall Saturday, May 14. All dresses are to be entered by 1 o'clock. At 1:30 tea will be served to all guests and a musical program presented while the judges are judging the dresses off of the girls. 4-H club pins won by girls last year's dress revue will be presented.

As a final event of the afternoon the girls will model their dresses and the judges complete the judging. Ribbons will be presented to all winning girls. Out of the 14 years and older age group a girl will be selected the girl to represent Bailey county in the state dress revue at College Station in June.

All club people and the general public are urged to attend this dress revue and back the girls in their work.

At the regular meeting of Bailey County H. D. Council, Plans were completed for the 4-H girls dress revue and tea. All girls must have their entries in at the Fellowship Hall by 1:00 o'clock. The tea and program will begin at 1:30. The public is invited.

Don't forget the "Lubbock Home Improvement Tour" Monday May 16. Cars will leave the Courthouse at 8:00 o'clock.

A training school for kitchen simplification will be in Mrs. Corrington's home May 23 at 2:30. Three Clubs gave very interesting reports on their work in respective community.

Guild Met With Mrs. Anderson

Members of the Wesleyan Service Guild met with Mrs. David Anderson, Monday evening May 9th, in the Ladies Sunday school room of the First Methodist Church.

The room was beautifully decorated. The table was covered with a lace cloth and centered with a bowl of pink roses and a white ribbon with gold letters with Hazel written on it hung across the mirror added to the effect.

Mrs. Curtis Spivey, president of the Guild was in charge of the meeting. The meeting was opened with the Lord's Prayer.

Mrs. Ray Edwards gave a very inspiring devotional on Mothers. Mrs. James Case gave a wonderful talk on Mothers and Mrs. S. C. Beavers, president of the WSCS gave an interesting report on the WSCS and Guild conference held in Bovina recently.

Mrs. Francis Gilbreath, past president of the Guild was recognized by the present president Mrs. Spivey, and the past vice-president Mrs. Anderson, and present vice-president Mrs. James Case.

Mrs. Gilbreath was given a rising vote of thanks from the Guild for the past years work.

The Guild members were well pleased with the result of the their Mother-Daughter banquet held Friday evening May 6th.

Next meeting will be with Mrs. Francis Gilbreath, Monday, May 23rd.

Mrs. Curtis Spivey presided over the punch service. Lime sherbert and cookies were served to the following members: Mesdames Jim Burkhead, Delma McCarty, Harold Wver, Homer Sanders, Jr., Francis Gilbreath, James Case, H. A. Phillips, Ray Edwards, Miss Elizabeth Harden, and Mrs. S. C. Beavers, a guest and the hostess.

Working to Provide You With Good Gas Service

It takes a lot of skilled men and women besides a lot of material to furnish you good natural gas service. Over 300 men and women are back of your West Texas Gas Company's gas service. Engineers, draftsmen, dispatchers, compressor operators, field men, welders, service men, pipe line workers, clerks and many other skilled workmen are on the job to provide you with good gas service. Many of these men and women, your friends and neighbors, have been working for you 15 and 20 years. They know their jobs and are conscious of what good gas service means to you. And they know too... "Good Gas Service Doesn't Just Happen."

MAY RAINFALL 3.30 INCHES

Rainfall in Muleshoe has totaled 3.30 inches for May. Judge R. J. Klump, weather recorder here said today. The fall came in three rains last week. Planting operations should get underway in full swing as soon as the ground is dry; however today the skies are cloudy and more rain is expected. From all reports the rain has been very general over a large area.

PIONEER ROUND-UP

The Pioneer Round-Up will be held this year on Saturday, May 21, with a chuck wagon supper, Gay Nineties Revue, square dance and so forth.

MULESHOE SLUGGERS SWAMP NEEDMORE 74 TO 4 SUNDAY

Anton Nine To Play Here Sunday

Muleshoe will play host to the Anton nine here next Sunday afternoon at the local ball park with the game scheduled to begin at 2:30.

Due to the lack of information which the Capitol League doesn't seem to be able to give much of, we do not know what kind of a team Anton is fielding so far this year, but according to the local baseball manager, they will be the best team we've played so far this season.

If that is the case, then a real good baseball game is on tap to be played here and local fans should come out and give the Muleshoe boys their backing.

This will be the third home game of the season for the local nine having lost one and won one and lost one game on the local field.

No admission charge is made at the local ball park for the home games, but they do pass the hat around every now and then to make expenses for the club. This money is used to buy equipment and pay traveling expenses to out-of-town games.

MULESHOE JOURNAL SPORTS

Double Main Event Is Scheduled For Local Gym Here Saturday Night

Slants From The Sidelines...

By W. E. Hill

We saw two ball games within the past week, one here at Muleshoe and the other at Clovis.

The Muleshoe boys looked much better than the Clovis team did and it is our honest belief that the local boys could give the Pioneers a good run for their money providing Mr. Dean stayed out of the game.

The Clovis team were very weak in the batting and pitching departments. Not only that but the infield and outfielders made so many errors that it was pitiful.

Alvin White is far from being a real good pitcher, but we believe that he will compare with anything the Clovis team put on the mound the other night. As far as hitting the ball is concerned, we believe that the Muleshoe boys could out-hit any of the Pioneers any day and we know for sure that their ability to field the ball is much better than the Pioneers are.

The moral of this little story is that we believe that baseball fans of the Muleshoe area can see a much better brand of baseball right here at home.

Last Sunday there was a fairly large crowd of local fans out to watch the Muleshoe and Needmore teams perform and it was a bad ball game either even though the score was a little one-sided.

Last Saturday, due to the bad weather conditions that prevailed, the wrestling bouts were called off and if any of the local fans or area fans come to most found the local gym dark. It wasn't because wrestling bouts have been discontinued here.

Local wrestling fans have been witnessing some very good bouts here. Just as good as they have in Lubbock, Amarillo, Clovis, Dallas and Fort Worth or most any other city in the nation as the boys that have been performing here are among the best well-known wrestlers in the nation.

Play Ball! Hide 'em cowboy! that will be the yell out at the local rodeo arena next Thursday night when the Jay-Cees meet the Roughy Club in a donkey ball game which is to start at 8:30 p. m.

Football drifts back into the sports picture again with the fact that the class AA and class B and six-man football teams have been allowed to have a spring football practice, leaving the class A teams out in the cold. However it is expected that the Intercollegiate League will let the class A teams have spring training also.

Jim Nell, former football star for Brownfield and Texas Tech, later coaching at Lamesa, died last weekend in Dallas unexpectedly. He was in the retail oil and gasoline business at Lamesa at the time of his death.

Legion Junior Team Works Out

All boys 13 to 17 are invited to turn out for practice to try out for the Junior American Baseball team, officials of Ben Richardson Post, which is sponsoring the local club announced.

The Post named Clyde Bray to be manager of the local club, and he told the Journal today that several boys are coming out regularly for practice, held daily in the afternoon. The boys will use uniforms provided for the team last year.

The team will be duly entered in the Junior Baseball League sponsored by the American Legion.

Mr. and Mrs. Gertrude Allison had a family dinner on Mother's Day honoring Mrs. Willey Grizzle. Guests were Mr. and Mrs. Willey Grizzle, Jim Grizzle, Mr. and Mrs.

Local Nine Gets Batting Practice

The Muleshoe baseball team won their third game of the season in Capitol League play here last Sunday afternoon, trimming Needmore by a score of 14 to 4 before a fairly large crowd of area baseball fans.

Due to the bad weather on the latter part of last week it was not known whether the field could be used Sunday morning. Some of the Needmore players had figured the game was called off and failed to show up for the game, but they managed to field nine men and the game got underway after being delayed for about thirty minutes.

Alvin White started on the mound for the local team and allowed only two hits, but walked six men in the seven innings that he pitched. However none of the men that he walked ever reached the home plate except on one occasion where a close play kept a Needmore player from scoring at home plate. White also registered nine strikeouts in the seven innings of pitching.

The man taking over on the mound beginning the eighth inning (we failed to find his name on the scorebook), allowed three hits, one man got on by an error and three runs were scored by the Needmore nine in the eighth inning with the last man getting a hit, bringing in all three men on base. In the ninth inning he allowed two hits, the last one bringing in the man already on base.

Bundy pitched for the Needmore nine and did a pretty good job for his first game. Bundy allowed only three runs in the first two innings and in the third inning he suffered his worst inning by allowing four men to score.

Bundy was relieved in the fifth inning and the new pitcher allowed only one run in the fifth and three in the sixth and none in the eighth and ninth.

Some of the runs made by the Muleshoe nine came about by errors made by the Needmore team in holding the ball.

This is the third win for the Muleshoe team having won over Earth, Olton and Needmore and one loss dropping their second game of the season with Amherst.

"TEEN TOWN" ASKS FOR HELP; CONSTITUTION, RULES ARE PRESENTED FOR APPROVAL OF CITIZENS, PARENTS

TO PARENTS OF TEEN AGE CHILDREN AND CITIZENS OF MULESHOE TERRITORY WHO ARE INTERESTED IN OUR YOUTH

There has been much talk about doing something for our young people in Muleshoe. At last we have made a step in that direction. We are on our way to organize a Teen Town. The Teen Town of Frederick, Oklahoma, has been in operation for five and a half years, and has proven to be a great success. We are using their program and outlines to start our own Teen Town.

We need the cooperation of every parent of teen age children and also the parents of future teen age children. We believe the people without children will also be interested in having something like the Teen Town in Muleshoe. We will need money, Volunteer help, and moral support.

We believe the best investment in the world is our Young People. That kind of investment will pay greater dividends than any item on the stock market exchange. Building good citizens of our young people will be worth more to our community and country than all the money we could ever get together. Every one of us as parents have a part, and responsibility in this proposed program. If we can't supply the money we would like to give to this cause, there is TIME that we can all give some of. It is something for our very own, and we must make a great effort toward it.

We want to give you something of our plans. As you might guess, we are not organized as yet, and will have to do quite a bit more work on the plans before they are complete. We will work under the direction of the local P. T. A. Watch your Muleshoe Journal for the Teen Town Plans as they progress week by week.

We will have to find a suitable location and building to use. We have two buildings in mind now, but nothing definite yet on either of them. After we have the building, we will have to fix it up to resemble a canteen. We think the girls and boys will enjoy fixing up the place. We want space for table games, such as table tennis, etc. We want booths built in along the sides, a snack or canteen, rest rooms, and party space.

Teen Town will be run by the members and the officials the members elect for their officers. All activities will be supervised by adults. You will find the TEEN TOWN CONSTITUTION, also the rules and by-laws in this issue of The Muleshoe Journal. PLEASE, Parents and Citizens of Muleshoe Territory, read them carefully. If you have any suggestions to make let us know. We will be happy to receive your comments whether good or bad. If you would like to send a money contribution before our money drive, send it to Marie White, Teen Town Director, Box 564, Muleshoe, Texas. COME ON PARENTS LET US HEAR FROM YOU.

Coccidiosis Is Common Animal Disease in Texas

COLLEGE STATION, May 12—The parasite causing coccidiosis is too small to see, but the symptoms it causes in poultry, sheep and cattle are easy to spot.

The disease affects the intestinal tract of many animals as well as chickens, says Dr. W. C. Banks, extension veterinarian of Texas A. & M. College. The passage of thin droppings sometimes mixed with blood is one of the first symptoms noted in coccidiosis. The animals are listless and eat very little, becoming lean and weak in a few days.

The disease is common to most

parts of Texas, and it is commonly believed that most cases in occur in animals confined in unsanitary pens or lots. However, it may show up in animals on pasture, too. Generally, a contaminated water hole is responsible for such attacks.

Sometimes called red dysentery, this disease is best handled through prevention, Dr. Banks says. When large herds of cattle are fed outdoors, muddy wet ground around haystacks, feed troughs and watering places becomes a problem. Fill in the low spots and provide sufficient drainage so the ground will dry out from time to time. Remove barnyard fertilizer to the fields. This helps prevent coccidiosis and builds crop and pasture yields at the same time. A change in the feeding place sometimes is a good idea.

Since this disease hits the younger animals—from four months to two years of age—it is advisable to separate this age group from the older animals. This is especially true for the calves under four months of age. Infected animals should be penned off to themselves and left alone as much as possible.

Treatment of diseased animals is best accomplished with drugs, mainly sulfaguanidine, says Dr. Banks. This drug is more effective if given four times a day, one grain of the drug per pound of animal is the recommended dosage. For example, a 500 pound calf might need 500 grains a day, or roughly one ounce.

The treatment should be divided into four doses, so one-quarter ounce at a time is recommended.

TRAVEL CUES... HAWAII

Hawaiian musicians, singers and dancers are a common sight on beaches (above). Pan American strato-cruiser-type Clippers (right) that fly from mainland Hawaii in 20 hours. They have berths for 18 people, lower deck for cocktails and reclining seats for additional \$5 passengers.

Hawaii—great arsenal of the Pacific during the war—is again top choice of travelers who desire leisure amidst tropic beauty. Accessibility of these jewel-like islands—only 2400 miles from America's West Coast—is an important factor in the rebirth of Hawaii as a magnet for international society. The 2400 miles are only ten hours on one of Pan American World Airway's giant Strato-cruiser-type Clippers.

With Honolulu the aerial crossroads of the Pacific, the cocktail lounges of the Royal Hawaiian, the Halekalanani and the other hotels which fringe Waikiki Beach are becoming gathering places for international wayfarers. Souvenir stores sell grass skirts and ukuleles; smart shops feature exclusive beach and sports wear, Oriental objets d'art, beautiful koawood bowls and exquisite lauhala mats. Honolulu's gay atmosphere after dark has a charm all its own—not only at the big hotels, but in the small restaurants and tea houses where visitors feast on exotic Japanese, Chinese and Hawaiian dishes.

In addition to surf sports; yachting, deep sea fishing, horseback riding and motoring round out Hawaii's attractions to both young and old pleasure seekers.

Irrigated Pasture Test Is Underway

LUBBOCK, May 10.—Ten hereford steers with an average weight of 673 pounds, directly from dry lot feeding, were turned on irrigated pasture at Texas Technological college range May 2 to begin the final year of a grazing experiment.

W. L. Stangel, dean of agriculture and director of the feeding test, said the steers, picked at random in November from the calf crop at Pah-Tex where they were bred on the college lease,

gained 1.5 pounds average per day in winter feeding. The steers weighed 417 pounds average when brought to Texas Tech in November. They were fed in dry lot a mixture of sorghum silage according to appetite.

The irrigated plots used in the tests which started in 1947-48 are alfalfa, alfalfa and broom grass, alfalfa, perennial rye grass and alfalfa, broom and perennial rye grass. During this final phase, two and a half animal units per acre will be grazed. Previously the ratio has been two units per acre in 1947-48, and three units per acre

4-H Girls Make 20 Million Meals In Food Program

Will twenty million meals placed end-to-end reach around the world? Nobody seems to know. But it is a fact that some 400,000 4-H Club girls last year planned, prepared and served twenty million meals as part of their training in the National 4-H Food Preparation program. In Texas, 21,746 were enrolled in the project, according to Floyd Lynch, State 4-H Club Leader, and the 1949 program is off to a good start.

Designed to help 4-H'ers understand food values from both health and economy standpoints, the program also develops desirable personal food habits. The youthful cooks range in age from 10 to 21 years, and as in all 4-H Club activities they "learn by doing." Use of home-produced food is stressed.

Merit awards will again be provided by Servel Home Economics department. They are educational trips to the National 4-H Club Congress for state winners, and six \$300 scholarships for members of a special blue award group. County winners will be presented with a gold-filled medal. The Cooperative Extension Service directs the program.

Dona Hendry of Blackwell was one of the national champions in 1948, having first won the state and Nolan county awards. Other county winners were: Mary

in 1948-49. Comparative results from the three tests will be published by the agriculture division at the end of the grazing period.

From where I sit... by Joe Marsh

How Would You Say It?

Curley Lawson's cousin from back East and a few of us got talking when he was here visiting, and I couldn't help noticing how different he said things.

For instance, he said, "Lifting that 200-pound bag of cement almost killed me." "You mean sack of cement?" asks Curley. (That's the way we'd say it.) "No," interrupts young Elliott who'd spent a lot of time down South, "He means a 'poke of see-ment.'"

It was good for a chuckle, anyway. Bag, sack or poke—we knew

what he was trying to say. It just depends on where you are in the U. S., which way sounds right.

From where I sit, whenever we criticize someone for sounding funny to us, we ought to think how we sound to them. It's the same as choosing your liquid refreshment. I'm accustomed to a moderate glass of beer—you may like ginger ale—but who's to say the other's wrong? I'd say we're both right!

In every state live some of the three million people who own the business-managed electric companies

And in cities and towns everywhere live another 72,000,000 indirect owners—probably including you. Much of the money you put into bank savings and life insurance premiums is put to work for you in electric company securities—some, perhaps, in your electric light and power company.

Everybody owns these companies that affect everybody! What affects them

TEA AND SHOWER

Mrs. David Anderson was complimented with a tea and shower in the home of Mrs. Horace T. Edwards Friday afternoon with Mesdames A. J. Gardner, James Case, and H. L. Wilhite, acting as hostess.

The guests were entertained by Barbara Douglass and Ann Woodley who sang "Lil' Feller," "Mighty Lak A Rose" and Mrs. Curtis Spivey who read "Where Did You Come From Baby Dear?" Then Davy Jean Anderson entered the room pushing a frilly basinette laden with gifts, and presented them to her mother.

The tea table was centered with an arrangement of spring flowers, behind which stood a large stork. Mrs. James Case poured. Tiny white cakes decorated with pink and blue baby booties were served to twenty-nine guests.

Needmore Women's Club In Meeting

The Needmore women had a regular three ringed circus yesterday at our club meeting.

We had a "kid party" and some cute costumes turned up. The best costumes was a tie between Janie Garth and Opal Dreadin in my opinion, anyway. Janie had the cutest short dress, with bows in her hair to match. Opal had on Levis, enough said.

We played games. I won't tell you what we played, you'll think we were in our second childhood.

Personally I don't think our president, Mrs. Zeffa Shafer ever got out of her first childhood.

Helen Schmitz won the first prize. It was easy won but not easy received. We blindfolded her and made her hunt for it. Zeffa Shafer won second prize. She couldn't find her gift so every woman she caught she pulled their shoes off — wasn't I correct when I said "three ringed circus." Opal Dreadin won third prize and we sure had a lot of fun out of her.

Refreshments consisted of cake, jello, and iced tea. I guess they were delicious, I couldn't fill them up. You'd think they would consider the calories wouldn't you?

What little business we discussed was this: All the members that have had to quit our club, please turn in your Sunshine Friends' names. Some of our members are not receiving their gifts.

I noticed our club news was under the "Society News". It will probably be under the exterminat-

ing column this time.

Kodak pictures were made of our club members. I only hope they didn't break the camera.

The next meeting will be at the home of Mrs. Helen Schmitz. Let's all try and discuss business at this meeting. I know it's difficult when we have such members as Zeffa Shafer, Janie Garth, not to mention Janie Moraw and Margie Barker.

Lazbuddy News

A birthday party in honor of Wanda Mae Steinbock's eighth birthday was given in the home of Mr. and Mrs. Alex Steibock Tuesday evening, May 9. Those who attended were Carolyn Hinkson, Susie Carpenter, Janie Lawhon, Katherine and Beverly Smith, Wanda Ann McClatchy, Durwood and Dwayne Teague.

A lunch of chicken sandwiches, ice cream and cake and Dr. Pepper was served. All reported a nice time.

Mr. and Mrs. Leonard Marhefky and daughter Beverly Ann and Mr. and Mrs. Donnell and Mr. and Mrs. Raymond Treider and son, Raymond Jr., all of Corpus Christi, were here over the weekend visiting relatives and friends.

Mrs. Jodie Shiping of Sunray, Texas, is here visiting her sisters, Mrs. H. D. Hutchinson and Mrs. Willie Steinbock and brother T. D. Vaughn.

Pink And Blue Shower
A "pink and blue" shower was given in the home of Mrs. Willie Steinbock Thursday afternoon honoring Mrs. Douglas Gonsler.

Co-hostesses for the occasion were Mrs. Rhiny Steinbock and Mrs. H. D. Hutchinson.

The rooms were decorated with "showers of gold" and a "shower tree" decorated the dining table.

After several games were played the gifts were opened and admired by the following guests: Mesdames Grace Gammons, Will Gammon, Irene Thorne, C. C. Matthews, L. L. Freeman, Odessa Ivy, Grace Ivy, Ralph Broyles, Ruby Gonsler, Geo. Crane, Anna Marie McDonald, Pat Gonsler, Trixie Steinbock, Grandma Gonsler; Mesdames Demp Foster, Christine Ivy, Clara and Mary Gonsler, Sharon Thorne, Nancy Gleason, Minnie Parham, Connie Mayfield, Anita and Tod Bewley, Sharon Parham, Linda Gleason, T. D. Vaughn, Therlene Mangrum, Paula Jean Daniels.

Any names omitted is not intentional as the list of those present was misplaced.

Among those sending gifts were Mrs. A. Ivy and D. B. Ivy.

Refreshments of angel food cake, gold cake, chiffon cake, canned, stuffed olives, pecan crunch ice cream and fruit punch were served.

Mr. Carl Lane and Mr. and Mrs. Rex Steinbock visited Mrs. Carl Lane in Roswell Mother's Day.

Mr. and Mrs. Dave Brown of Brownfield visited her mother, Mrs. Laura Treider Sunday. Also visiting Mrs. Treider were Mr. and Mrs. Ray Cheney and children of Amarillo.

Wanda Mae Steibock spent Tuesday night with Carolyn Hinkson.

Birthday Party For Dorothy Lowery

A birthday party was given Friday night, May 6, for Miss Dorothy Lowery, who was celebrating her fourteenth birthday. The party was given in the home of Mr. and Mrs. Henry Davis of Y. L. by Mrs. Davis and Mrs. Lowery, the honoree's mother.

Those attending had a good time playing various types of games, after which the honoree opened her gifts. Then refreshments of cake and ice cream were served.

Those attending the party were: Dorothy Lowery, Evelyn Lewallen, Norman and Irene Head, Eugene, Carol June, and Keith Buhman, Barbara Jones, Donald Glen and Wayne Moore, Marvin and Selita Mooney, Lon Martin, Bennie Bickel, Nona Faye Mason, Lenita Lewis.

Patricia and Katherine Norwood, Vyron Wilson, Madge Johnson, Mr. and Mrs. Charles Lowery, Mr. and Mrs. Ernest Lowery, and Mr. and Mrs. Henry Davis, Melvin and Nanell Davis.

Only the Servel GAS Refrigerator . . .

STAYS SILENT LASTS LONGER

FREEZES WITH NO MOVING PARTS

IS THE CHOICE OF FAMILIES WITH EXPERIENCE

If you've ever had experience with another kind of refrigerator, you know what a nuisance noise and wear are. Expensive, too. That's why so many families today are choosing the Servel Gas Refrigerator.

Servel is the one refrigerator that stays silent, lasts longer—because it has no moving parts in its freezing system. No machinery, no motor—just a tiny gas flame doing all the work. So owners find it gives more years of noise-free, worry-free performance.

What's more, the new Servels have every convenience a woman could want! Come in today and see the beautiful new models. You'll decide it's a Servel Gas Refrigerator for you, too—this time!
