DEDICATED TO THE PROGRESS AND DEVELOPMENT OF BAILEY COUNTY AND THE GREAT MULESHOE COUNTRY

Volume 27, Number 10

MULESHOE — County Seat of Bailey County — TEXAS

Thursday, March 3, 1944

Boxing Tournament Begins Here Mar. 8

Mr. Muleshoe . . .

By J. M. Forbes

Signs of the Times: In a neighboring city we hurried to a cafe to get coffee. The door was closed and on that door was pasted a hand letter-sign which read: "Opened by mistake—I've gone to pull bolts—I've gone to pull bolts."

What is the fatal attraction of the Rogers, Springdale, etc. section of Arkansas, for farmers and stockmen of this territory? You often hear that this or that family has cast his lot with that locality. Well, we interviewed a man this week who has bought there and come summer expects to move his family there.

R. C. Day, who has farmed south of Muleshoe in Bailey County for a long time, is the man. He has bought 57 acres over there. He and his family like the climate, the people, the towns, the schools and churches, and most of all they like the way you make a living over there. He will run dairy cattle and hogs on permanent pasture, and will feed out plenty of broilers, the latter a cash crop every ninety days. He is near the highway. Trucks come and get his chickens when ready, and his milk or cream every day. The country is near great markets like Oklahoma City, Fort Smith, St. Louis, etc., and the country is adapted to this sort of enterprise.

Well, this writer just wonders why this country could not develop into such a deal. Mr. Day says it's too far to big markets. But we have the small farms already, scores of them, we have the water needed, and the climate, conditions, with the possible exception of markets. But what a town Muleshoe could make, how this country could develop, if we used only a part of this big section in the way Springdale, Rodgers, Sloan Springs, etc. have used theirs. P. S.: I'm not moving over there myself—just passing on the information.

Idle Thoughts Of An Idle Fellow:

George Stotts, farmer: Grain prices don't look too good; on the other hand, they probably won't go down too far—I believe I'll just smoke a fresh cigar. I told my little wife that in spite of how hard the last years have been on a farmer, I believed I'd stick with it a little longer. Especially since I have a new cab for my tractor. Last year I came in from work on a cold day and I looked at the thermometer and it was 35 above. That thermometer reading, together with my worry about making no money just put me to shaking, and I asked the little wife to postpone supper for 30 minutes. Then I just sat there and shook and ate. You know, I debated for quite some time as to whether to buy that cab, finally decided to buy it and postpone having my teeth filled. Unless the 81st Congress does something for us farmers, I figure I won't be eating anything very solid any more. I figure that warm cab will keep out such things as pneumonia. But at that if I had pneumonia it would probably be the only new thing I'll have.

And so far, far into the afternoon. Ye editor slowly picked himself up off the floor and limped back to the office. Reminded me to ask Arnold Morris sometimes if George is still over there telling the boys about his hard lot in life.

Sneed Supply Is Ferguson Dealer In This Territory

Announcement of the appointment of D. H. Sneed Supply Co., dealers in Muleshoe territory for the New Ferguson Tractor and Ferguson System Implements was made this week. Mr. Sneed has one of the tractors on view at his place, located on Clovis Highway across the street from Ray Griffiths.

Mr. Sneed told The Journal he will soon begin the construction of a building on the north side of the railroad to house his business. He said Ferguson is now turning out 100 tractors a day in their new plant at Detroit, Mich., soon will step this output up to 150 a day. Ferguson formerly has manufactured his line in England. A full line of farm implements is manufactured to go with the new Ferguson tractor. When he occupies his new building, Mr. Sneed will stock a full line of these implements and will also carry a complete line of repair parts for both tractor and implements. An advertisement, giving details of the new tractor, is carried in another part of this paper.

Mr. Sneed said Sneed Supply Co. operates an irrigation well drilling and pump installation service. They are dealers for the well-known Layne-Texas pump, manufactured by Layne-Bowler Corp., Memphis, Tenn. The supply firm gives a turnkey contract on irrigation wells.

ATTEND LECTURESHIP

Minister Ebb Randol of the local Church of Christ, with Mrs. Randol and Mrs. Doris Moore, attended the annual LectureSHIP at Abilene Christian College, Abilene last week. Also attending were Mr. and Mrs. C. M. Baker of route 2.

ANGELI INFANT RITES CONDUCTED AT EARTH

Graveside services for Jackie Ray Angeley, infant son of Mr. and Mrs. Jerry Don Angeley, of Earth community, were conducted at 4 p. m., Wednesday, March 2, by pastors of the Baptist and Methodist churches of Earth. Interment was in Earth cemetery. The infant died at Green Hospital & Clinic March 2. He is survived by his parents, a brother, Jerry Don, the grandparents, Mr. and Mrs. O. K. Angeley of Earth and T. E. Davenport, San Angelo; six great grandparents.

BIDS ARE REQUESTED

Bids have been asked for the construction of the new home in Muleshoe of the Bailey County Electric Co-op., W. H. Thompson, manager, said today. Contract is scheduled to be awarded for the building, to cost around \$70,000, in about two weeks.

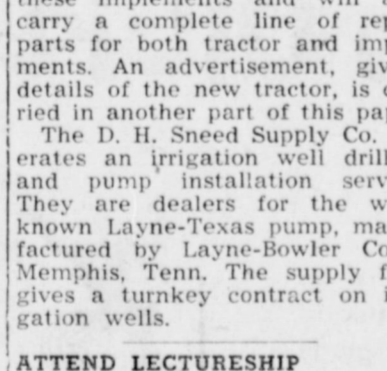

Paris would like for Truman and Stalin to hold a conference there. See Paris, Joe, and let the world enjoy life.

Good Team

Chaplain and Red Cross worker together to help straighten out servicemen's problem at station hospital overseas.

Red Cross Teacher

Among Red Cross volunteer workers at the Navy hobby shop, Philadelphia Naval Base, is this Arts and Skills instructor in leatherscraft.

Real Armful

A double armful of bundled bliss is held by a Red Cross nurse's aide as she assists over-worked nurses in a maternity ward.

Mrs. McCormick Funeral Rites Held At Rogers

Mrs. Mary Catherine McCormick, 71, mother of Mrs. George Speer and W. H. McCormick of Muleshoe, died last Friday morning at 8:55 o'clock in the Green Hospital & Clinic where she was a patient. Mrs. McCormick had made her home here the last three years. She was born January 2, 1873, in Williamson County, Texas. The old family home was at Rogers.

The body was prepared for burial and taken overland to Rogers by Muleshoe Funeral Home. Funeral services were held in the First Baptist Church at Rogers Sunday, March 27, and interment was in Rogers cemetery.

Mrs. McCormick is survived by her sons: Paul G. McCormick, San Diego, Calif.; Elton McCormick, of Dallas; W. H. McCormick, Muleshoe; and her daughter, Mrs. George Speer, Muleshoe.

Red Cross Drive Off To Good Start

First reports coming from the Red Cross drive, currently underway in Bailey County, indicate a good response on the part of the people. Loyd Roberts, drive chairman said this morning. The drive officially opened with a kick-off breakfast, organized by Mrs. Charles Lenau, held at Gerald's and attended by chairmen and workers.

Only fragmentary reports had been received by Mr. Roberts this morning. He said \$460.50 had been turned in to him, all of it from Muleshoe workers.

Bailey County's goal this year is \$1,572.

Mr. Roberts expressed his sincere appreciation for the efforts of the workers and complimented the people on their generous attitude toward this great cause.

First Services In New Church Sunday

The Church of Christ at Lariat has just completed a beautiful brick and tile meeting house and now they are planning an "open house" service to be held the coming Sunday, March 6, at 3 p. m.

Lewis Cox, of Clovis, is serving as minister of the Lariat church.

The members of the church have invited everyone to attend their opening day program at 3 o'clock. Minister Ebb Randol, of the Muleshoe Church of Christ, said that he will attend and that he will be on the program. He said many other ministers of churches in this section very likely will be there and several members of the Muleshoe congregation will be in attendance.

BIRTHDAY DINNER WAS GIVEN SUNDAY

A birthday dinner was given last Sunday for Mrs. George Johnson in the Wylie Bulloch home. Those who attended were Mr. and Mrs. Bulloch of Becton, Margaret Ann Johnson, Mr. and Mrs. George Johnson, Mr. and Mrs. Clifford Green and Jennell, Mr. and Mrs. Dewitt Precure and little daughter, Donna Lynn, and Mr. and Mrs. Ed Johnson.

NO AUCTION TO BE HELD... High Premiums Announced For Winner In Fat Stock Show March 18

Everything is all set for the Fat Stock Show to be held here next Friday, March 18. Teams of solicitors called on the business people this week and raised premium money for the show.

High premiums again will be paid, probably the highest premiums of any boys Fat Stock Show in the country. Premiums were listed as follows:

Fat Steers
1st: \$35; 2nd: \$30; 3rd: \$25; 4th: \$20; 5th: \$15; 6th: \$10; 7th: \$5.

These premiums apply in both heavy and light classes.

Fat Barrows
Premiums in the fat barrow division will be:

1st: \$12; 2nd: \$7; 3rd: \$6; 4th: \$5. These premiums will apply for all breeds of swine, in both light and heavy classes; and in addition, the champion in each breed will win another \$5 for his owner. Then the grand champion fat barrow of the show will draw another \$7.

Stock will be brought in on Thursday, the day before the show. There will be no auction. On Saturday, prize winning animals here will be taken to the Littlefield show to compete there.

FIRE DESTROYS HOME IN COLORED SECTION

Fire destroyed a four room house in the colored section of town Wednesday evening. The house was owned by Tom Ammons and had been rented to Mettie Williams, Negro woman. No one was in the house at the time, but some furniture which had been moved into the house was destroyed.

Loss was estimated at \$1,000. Origin of the fire was not determined definitely. Bill Boothe, fire chief said.

VISITED A SISTER

Mrs. W. M. Pool visited last week in Roaring Springs with the family of a sister.

LEAVE FOR EXTENDED TRIP

Mr. and Mrs. Clay Beavers left yesterday to visit in Fort Worth, Austin, San Antonio, Corpus Christi, and San Angelo. Their son, Billy, is a student at Texas University, Austin. Mrs. Beavers has a brother in San Antonio, Mr. Beavers a brother in Fort Worth.

Irrigation School Is Planned

Maple People Had Ringside Seat As Twisters Drifted Over County

People of Maple community, in the south part of Bailey County, had a ringside seat (though they may not have wanted it) to witness the passage of a twister across the county Saturday afternoon. Some property damage from the twister was reported east of Maple, and considerable hail fell, probably damaging roofs and windows.

A house was moved on the old Elmer Gardner home place about 3 miles east of Maple. L. T. Lebow, long time citizen of Maple told The Journal. He did not know the name of the family living in the house. It was said a new foundation would have to be constructed and some windows would have to be replaced. No one was injured, so far as The Journal has been able to learn.

Mr. Lebow said Maple people came into the street to watch the rather slow progress of the twister, which first appeared northwest of the town. They were not alarmed for themselves, since the twister was obviously drifting to the east and its route would miss their immediate vicinity.

Mr. Lebow said when the twister got about north of the town it faded away. The twister passed slightly northeast in a larger form. Two and one half miles east of Maple at the Neal Smith home two pieces of tin were blown from an outbuilding. Windows here were damaged it was said. Many loose articles such as buckets, etc. were whisked away by the twister. A heavy hail fell at the Smith place.

Some of the people were considering a hiding place. Mr. Lebow said, as they watched the twister's progress. Another, much smaller, twister formed south of Maple. This one, and its bigger brother, headed east.

Muleshoe had a light hail Saturday afternoon at the same time as the twister's visit to the south part of the county. In Muleshoe, precipitation for Friday and Saturday totaled .63 of an inch, R. J. Klump, weather recorder here said.

Several farmers, residing south of the sandhills, told The Journal rainfall in their sections was lighter than at Muleshoe. Severe hail was reported at Shallowater and other points. There was no crop damage reported, since nothing except wheat is growing at this time, but likely many roofs have been damaged.

Funeral Rites For Mrs. Black Held Wednesday

Mrs. Mary Ellen Black, 88, passed away in Dallas Sunday. Funeral services were conducted at the First Baptist Church in Muleshoe Wednesday at 2 o'clock by Rev. A. W. Blaine, pastor, and Rev. J. E. Moore. Interment was in Muleshoe cemetery under direction of the Muleshoe Funeral Home.

Mary Ellen Barnett was born Jan. 31, 1861, at Baldwin, Miss. She was married to Sam Houston Black October 31, 1880. Her husband passed on March 11, 1945. Ten children were born to this union, eight of whom lived to adulthood. They are:

C. M. Black, of Muleshoe; Mrs. L. R. Byrd, Dallas; A. M. Black, Abilene; J. L. Black, Canadian; Mrs. B. Wallace, Harlingen; Orville H. Black, who departed this life Dec. 10, 1944; E. W. Black, Sudan; Mrs. J. P. Ellis, San Benito.

Among other survivors are twenty-five grandchildren.

Hospital Pharmacy Is Now Operating

Announcement of the establishing of the Hospital Pharmacy is being made this week, in line, the proprietors said, "with the growth and development of Muleshoe and territory."

Julian Lenau and J. B. Miller are the pharmacists in charge. Mr. Lenau is well known to the people of the territory, having followed his profession here many years. Mr. Miller recently has moved here from Lubbock.

The pharmacy is located in the Green Hospital & Clinic, which now has three doctors on its staff, Dr. L. T. Green, Jr., Dr. M. F. Green, and Dr. Dan A. Harrison, Jr.

LIBRARY REPORTS TWO MORE NEW BOOKS

Two more new books in our library are "Elephant and Castle" by R. C. Hutchinson and "Bride of Fortune" by Harnett T. Kane.

"Elephant and Castle" is a real first-rate novel out of England which exactly fits the great tradition. It is the story of a strange and extraordinary relationship between a young lady of an old family and a man of London's worst slums.

In it appears rich streaks of humor, sometimes light and ephemeral, sometimes the deep, all pervading humor that wells out of humanity itself.

LOCATED AT FLOYD, N. M.

Dedley and Ray Buzard and families are locating near Floyd, N. M. The two who sold their farm, then sold surplus farm equipment at a public sale, first thought they would move near Rogers, Ark., but decided in favor of New Mexico. They have resided southwest of Muleshoe for many years.

RETURNED HOME

Mr. and Mrs. Tye Young returned home Sunday from Arlington, where they had been with his mother, who was ill. She is reported to be much better.

MODELED IN CLOVIS

Mrs. Horace Blackburn and Joyce were in Clovis Tuesday. The latter is doing some modeling for Dunlap's Department Store there.

Buck Creamer Is New Deputy Here

Buck Creamer, formerly Lamb County Deputy for Earth community, has been appointed deputy sheriff of Bailey County. His appointment having been confirmed by the Commissioners Court this week.

Mr. Creamer succeeds D. B. "Curly" Boone, who had been deputy since the first of the year when Sheriff Hugh Freeman took office.

Anniversary Sale At Piggly Wiggly

An anniversary sale, celebrating the completion of their first year of business in Muleshoe, is announced for Friday and Saturday of this week by the Muleshoe Piggly Wiggly store. On another page of this paper will be found a list of grocery, market and vegetable items listed by Bill Hale, manager.

The store announced that there will be free coffee and cookies all day Saturday, March 5, for all corners.

"We deeply appreciate the good business we have enjoyed since opening our store in Muleshoe," Mr. Hale said, "and we are staging this event in order to show that appreciation." Everyone is invited to attend, he said.

Jones Opens Cream Buying Station Here

F. W. "Chief" Jones, operator of Jones Farm Store, has announced the opening of a cream buying station to his store. The station is now equipped in a special room built in the store for it, and is ready to operate.

E. R. McCool, who formerly bought produce and cream at Earth, is in charge of the new department. Mr. Jones said.

The station will buy for Swisher Creamery, of Tulsa.

Organ To Be Used In Sunday Services

An electric organ will be used in the Sunday services of the First Baptist Church the coming Sunday, Rev. A. W. Blaine told The Journal today. It will be an electric Hammond organ, and Norman Petty, of Clovis, will be here as organist.

A music director of Wayland College, Plainview, will be here to direct music, Rev. Blaine said.

RETURN HOME

Mrs. A. Schroeder and Esther returned home last Saturday after spending two weeks in Giddings and Smithville, Texas.

ISREAL INSTALLS A MODERATE

Installation of Dr. Chaim Weizmann as the first head of an independent Jewish state in the course of more than 2,000 years serves to recall his many services to the Zionist movement.

One of the more important among them was his part in bringing about the Balfour Declaration 32 years ago. This British document, promising a Jewish national home, was the first official recognition by a British Government of Jewish rights in Palestine.

Dr. Weizmann also was one of the main inspirers of the principle of partitioning the Holy Land between Jews and Arabs and he stuck to that in spite of internal opposition from close associates. Moderation, practical settlement of issues before political declarations, natural science as the basis of Jewish renaissance, cooperation with Britain as the only power through help of which Jews could achieve their aims in Palestine have been the principal lines of his policy since early childhood in the village of Motiele, near Pinsk, which was in Russia when young Chaim lived there and is in Russia again today.

He kept this line of policy through the storms of six decades—as a national scientific worker at the Berlin Technische Hochschule, at the University of Geneva, at the University of Manchester, at all Zionist congresses until he failed to be reelected as president of the Jewish Agency and the World Zionist Organization in 1946.

On May 18, 1948, the state of Israel, which had been established four days earlier, elected him president in absentia of the pro-

KRUG ON CONVERSION

From The Paris (Texas) News Speaking to the Senate Interior Affairs Committee, Secretary of the Interior J. A. Krug, emphasized that the nation must take a long-range view of natural resources and their conservation to insure our national safety and avoid waste of valuable and irreplaceable materials. He said: "The Government must take a more active and, in my opinion, a leading part in developing thoroughgoing land and water and mineral and power policies to protect and expand our resources base and to encourage individual initiative."

At a glance it looks as if there are two conflicting statements in those words. The Government's leading part, so far as it is being taken at the moment, seems determined to hamper if not entirely suppress individual initiative, especially in the matter of power development and mineral ownership. Maybe that is not what the secretary intended, but that is what it looks like, judging his words alone.

The secretary said that we have the basic resources and the other needs for maintaining and improving our present levels of living for many years to come, but that we must not be complacent. Demand of the American people, he said, has not been accomplished without waste and loss.

A LESSON IN ECONOMY

Subscribing for, rather than borrowing a newspaper may be the most convenient and least troublesome way to do your daily reading, according to the following item which comes from the Selma (Ala.) Times-Journal:

"A man, too stingy to subscribe to his hometown newspaper, sent his little boy to borrow a copy from his neighbor. In haste, the boy ran over a stand of bees and in 10 minutes he looked like a warty summer squash. His father ran to his assistance and, failing to notice the barbed wire fence, ruined a \$3 pair of pants.

"The old cow took advantage of the gap in the fence, got into the corn field and killed herself eating green corn. Hearing the commotion, his wife ran out, upset a four gallon churn of cream into a basket of little chickens, drowning the entire batch. In her haste she dropped a \$25 set of false teeth.

"The baby, being left alone, crawled through the cream into the parlor, ruining a brand new \$50 carpet. During the excitement the oldest daughter eloped with the hired man, the dog broke the

visional state council, which meant Provisional President of Israel.

eggs of 11 setting hens and the calves got out and chewed the tails off four fine shirts on the clothes line. "Moral: Don't borrow your neighbors newspaper."

Letters To The Editor . . .

Dear Mr. Forbes: I was very much interested in the tabulation of rainfall in Bailey county since 1921. Could you give us the latest spring freeze date and earliest fall killing freeze date for the same years.

Thanks, P. W. Armstrong
Thanks, Mr. Armstrong. The Journal has had many expressions like that on the weather record printed last week. If Judge Klump has kept such a record as you mention, we will get it and print it as soon as possible.

Lubbock Test For Deep Water Disappointing

The possibility of discovering fresh deep water on the Texas South Plains was discouraged by reports to Mayor W. H. Rodgers here Saturday from four drilling tests sponsored by the city of Lubbock, but the search will be continued.

The explorations have established the existence of a thick and apparently heavily saturated formation at approximately 950 feet, the mayor said, but the water is too heavily mineralized to be suitable for domestic or irrigation use.

He added that samples are to be analyzed in laboratories at Texas Technological College and elsewhere in an effort to determine whether the fluid is useful for any purpose.

Rodgers is of the opinion that large quantities of salt water might be useful for a water softening plant for which \$650,000 bonds were voted here more than three years ago. Salt is required in the operation of such a plant, he explained. Nothing has been done toward building the plant.

Analysis also will seek to determine, the mayor said, whether the water contains any minerals, potassium and others, in sufficient quantities to justify commercial development.

Three of the tests were oil tests, made available for exploratory water observation to the city by the oil operators. They form a triangle north of Lubbock approximately 400 square miles in area. Approximately in the center of the triangle is the fourth test, being drilled under contract with the city by the Layne-Texas Company of Houston.

J. Roy McCoy, Lubbock consultant.

District Wheat Variety School To Be Held In Plainview March 9

Grain buyers for country elevators, flour mills and sub-terminals as well as county agents, high school vocational teachers, veterans training instructors, and certified wheat growers all will have another opportunity to study wheat variety identification at a district school to be held March 9, in the Hilton Hotel at Plainview.

Ten of these district schools are scheduled in wheat territory of Texas and New Mexico under the direction of the Texas-Oklahoma Wheat Improvement Program according to Keats E. Soder, Director. "We had so much interest and such good attendance at our variety schools last year we're offering them again," explains Soder. At the close of each school we give a test and award "Certificates of Merit" to the graduates. Last year we gave out over 400 certificates, advises Soder.

Program for the one-day school includes study of the principal variety groups under the direction of Fred Dines, the national variety authority employed by Tex-O-Kan Flour Mills at Amarillo; a review of individual variety samples by Keats Soder; a discussion of field characteristics, yields, test weight, and disease resistance, by a representative of Texas A. & M. College Experiment Station; plus an open forum discussion of methods of wheat handling and storage at country points needed to collect the premium prices now being offered by terminals and mills. Two 2-day schools are scheduled for Fort Worth and Amarillo, the first day will be the same as the other district schools while the second day will be advanced training for experts.

The school will be open to all who wish to attend but is design-some areas ed to help local grain buyers prepare for the day our extensive wheat exports stop and the buyers in some areas will be forced to offer two prices for wheat at country points, concludes Soder.

Rats destroy or damage 200 million bushels of grain annually. Einstein's father owned an electro-technical plant.

Before accepting his position at SAC he taught in many rural and small high schools in Texas for 16 years. For the last three years, however, he has taught at Texas University where he took his Master's Degree.

Mr. Windsor has one thing he would like for everyone in SAC to know. He hopes to seem approachable to all students and would like to know everyone personally.

Mr. Windsor has one main "outside" interest. Miss Barbara Anne Windsor, age 4½ years. His only hobby is "rearin' kids" and he is very proud of the present job.

PONTIAC ANNOUNCES \$15 PRICE REDUCTION

In accordance with General Motors price reduction statement, Pontiac Motor Division announces a \$15.00 reduction on the list prices of all Pontiac models effective immediately.

You know, you'll never get that dizzy feeling from doing too many.

A Change is in Order...

Change to OIL-PLATING!

FRESH!

... Get your car out of its "heavy-underwear" winter oil and into fresh summer-grade Conoco Nth Motor Oil . . . and OIL-PLATE your engine.

BRISK PERFORMANCE!

... because husky Conoco Nth stubbornly fights power-robbing sludge and carbon.

SLICKER STARTS!

... because an exclusive additive in Conoco Nth fastens a shield of lubricant to cylinder walls. No "dry-friction" starts with an OIL-PLATED engine!

SAVES MONEY!

... because rugged Conoco Nth is made from carefully selected paraffin-base crude oil. It stands up . . . takes less oil between drains.

Oil-Plate today at your Conoco Mileage Merchants!

HIGHER PRODUCTION AND BETTER LIVING come with ELECTRICITY

WHEN ELECTRICITY comes to the farm, it comes to aid both production and living.

Some wires lead to the work areas, where refrigeration, lighting, and power for tools and work saving devices are needed.

Another line comes to the home, bringing good lighting, entertainment, and electricity for cooking, washing, refrigerating, ironing, and a score of other tasks.

On other farms and ranches, where electricity is already available, more and more is being used constantly as folks discover that electricity can bring so many benefits at a surprisingly low cost.

Aluminum Trays Demonstration For West Camp Club

Since February is the month in which two of our famous presidents were born, members answered roll call with a quotation from either Washington or Lincoln.

As there was no unfinished business or reports from committees Mrs. Vola Dutton gave the Council Report. Mrs. Bonnie Williams was appointed by council as chairman of education-expansions committee. Mrs. Roy Maberry and Mrs. Mack Hale of Muleshoe club, were the other two members of the committee.

District meeting was discussed and it was decided to wait until the next club meeting to elect a club candidate for delegate. Sylvia Couch and Lamoin Williams were appointed by the president Louise Busbice to attend landscape school which is to be held in Muleshoe February 28.

The meeting was turned over to Vola Dutton and Sylvia Couch, who brought us an interesting demonstration on making of aluminum trays. All members are going to make trays. We plan to have an all day meeting at the school house and each lady will make or finish her tray. Any lady in our community interested in tray making or any other work we do, is cordially invited to attend. Date for the meeting will be announced later. Our next

Watson Club Met With Mrs. Tunnell

The Watson Home Demonstration club met at the home of Mrs. Roy Tunnell, with Mrs. Neal Smith in charge of the program.

Each member answered roll call with a recipe for the kind of pie or cake they liked best.

Plans for the banquet in April were discussed and the president urged every member to attend.

Dainty refreshments of salad, cake and coffee were served to the following members: Mesdames Clara Ellis, George Tine, Naomi Henderson, Edwin Noutzler, Neal Smith, Dave St. Clair, Bob St. Clair and one visitor, Mrs. Neutzler.

The next meeting will be with Mrs. Dave St. Clair, March 9. Each member is urged to be present.

VISITED IN LUBBOCK

Mr. and Mrs. M. G. Bass visited her parents in Lubbock Sunday.

meeting will be with Louise Roark March 9.

Bonnie Williams received the hostess gift.

Refreshments were served by the hostess, Mrs. Grace Snider to the following members: Joy Jones Sylvia Couch, Wilma Austin, Naomi Austin, Louise Roark, Beulah Williams, Louise Busbice, Olean Watts, Bonnie Williams, Ethel Harding, and two new members, Lamoin Williams and Mrs. Akin. Visitors were Joy Watts, Letha Cain and Maybelle Cain.

Women's News - Club Events Social Activities

Landscape Care Meeting Is Held

Care of the landscape training meeting was held February 28, at 2:30 p. m. in the County Court room by the Home Demonstration Agent, Marie T. Corrington.

Fourteen women attended this meeting representing all five of the Home Demonstration Clubs and Baileyboro community, which does not have a club at present. Topics discussed were transplanting of shrubs and trees, insecticides and pruning. Some pruning tools were shown.

After a brief discussion the group went out into the courthouse lawn and did some pruning as well as further discussing good pruning methods for the various plants. Then they drove to the home of Mrs. R. G. Spence, in the south part of Muleshoe, and observed her well planted yard. By these means most shrubs, suitable for this area, were seen in growth and could be discussed as to their desirable planting location and general care.

Muleshoe H. D. Club With Mrs. Boydston

On Thursday, February 24, the Muleshoe H. D. Club met at the home of Mrs. J. T. Boydston with three visitors, one new member, and sixteen old members present.

Roll call was answered by each member giving "Famous Sayings of Lincoln and Washington". Mrs. S. C. Caldwell gave the Council Report, Mrs. J. E. Day, landscape demonstrator, gave a report. Mrs. C. E. Briscoe and Mrs. H. M. Shofner, food demonstrators, gave reports.

Mrs. Day, Mrs. Caldwell, and Mrs. Earnest Holland supervised the making of aluminum trays.

Refreshments were served to: Mesdames Young, Carl Walraven, Jack Stallings, Roy Carney, Earnest Holland, D. R. Aylesworth, H. M. Morrison, Byron Jeffcoat, H. M. Shofner, W. H. Awtry, C. E. Briscoe, J. T. Shofner, J. E. Day, S. C. Caldwell, E. E. Marrs, Tom Zimmer, Kenneth Briscoe, D. E. Beller, and the hostess, Mrs. Boydston.

The next meeting will be at the home of Mrs. D. L. Morrison on March 10.

"Paradise Or Doomsday" Topic For Club Program

Muleshoe Study club met in the home of Mrs. A. E. Lewis Thursday evening, February 24, with fourteen members and one visitor present.

After roll call and the reading of the minutes of the previous meeting, the program "Paradise or Doomsday" was very effectively given by Mrs. Buck Ragsdale and Mrs. Jack Lenderson.

A delicious refreshment plate was served to Mesdames S. C. Beavers, M. F. Green, Marion Harris, Milton Forbes, Clyde Holt, G. O. Jennings, H. O. King, Charles Lenau, Julian Lenau, Jack Lenderson, Buck Ragsdale, Buck Wood, Miss Elizabeth Harden, visitor Mrs. L. T. Green, Jr., and the hostess, Mrs. Lewis.

The next meeting will be March 10, in the home of Mrs. Jack Lenderson. The program will be on "Texas" with Mrs. S. C.

Enochs H. D. Club Met In Reid Home

The Enoch's H. D. Club met in the home of Mrs. Vernon Reid. The meeting was opened with a song. Seventeen members and four visitors were present. Roll call was answered with a recipe.

Mrs. Vanlandingham gave a talk on the council meeting.

The club decided to make all the badges for the district meeting. A red apple will be made for delegates and yellow pear for visitors.

The club has sent several cards to sick people.

The cemetery letters are finished. We hope to get these up in the near future.

Each member brought a cake or pie to the meeting. These were judged and Mrs. C. H. Vanlandingham took first place with her cake. It was from the master mix in the yellow cake. Mrs. C. S. Seagler won first place on pecan pie. Mrs. M. G. Gibson won first on syrup pie. After judging the hostess served these pies and cakes to those present.

The club is giving Mrs. Arlis Autry a pink and blue shower Thursday evening.

Mrs. H. H. Snow, Mrs. Dutch Cash, Mrs. D. T. Johnson, Mrs. P. A. Altman and Mrs. C. W. Vantess, Mrs. Lewis.

Beavers and Mrs. Clyde Holt in charge of the program. Roll call will be answered with "Famous Political Figures in Texas."

ingham attended the pruning and landscaping meeting in Muleshoe February 28.

Our next meeting will be in the home of Mrs. W. A. Pool Thursday, March 10.

VISITED BARBERS

Mr. and Mrs. Merrill Pendergrass and son, Junior, of Whitharrel, spent Saturday night here with Mr. and Mrs. J. C. Barber and little daughter, Paula. Mr. Barber is an employee of The Journal.

WON A DRESS

Marilyn Gupton won the dress in the Lucky Lady drawing at St. Clair's Department Store last Saturday.

Pleasant Valley Club Met Feb. 23

The Pleasant Valley Club met February 23rd at the Pleasant Valley school house with Mrs. A. J. Moffitt as hostess with 11 members and one visitor present.

The president had charge of the meeting. Roll call was answered with a helpful household hint.

It was voted to give \$5.00 to the Red Cross, after a social hour delicious refreshments were served by the hostess.

The next meeting will be Wednesday, March 9th in the home of Mrs. R. L. Roubinek.

Rebekah Lodge Held Team Drill

The Muleshoe Rebekah Lodge met Tuesday night in regular session.

After the business meeting was held, a short team drill was held and then refreshments were served by Myrtle Alsop, Loma Gustin, Bill Millen and George Provence to fifty-one members.

All members are urged to be present next Tuesday night for practice.

Read The Journal Want Ads.

WHEN a gentleman joins a lady—at teatime—his masculine taste will approve of this heartier fare of hot and buttered English muffins with a dish-full of tangy currant jelly. Cater to his sweet tooth with a plate of sugar cookies. But best of all—win his approval with a perfect cup of well brewed tea, steeped from three to five minutes to bring out its flavor and tang. Use one tea bag for each cup of water; bring cold fresh water to a bubbling, furious boil, and pour the boiling water over the bags. The popularity of teatime as a fourth meal is being emphasized by the tea industry in restaurants and grocery stores during National Hot Tea Week—February 11 to 18.

Swine Men Are Saving More Pigs

College Station, March 2.—Last year was a good year as far as the hog raisers were concerned. They set an all time state record for the number of pigs saved per litter. The average was 6.4 pigs per litter, far above any previous year.

Great progress is being made in improving the quality of hogs raised in Texas, says E. M. Regenbrecht, extension swine husbandman of Texas A & M College. Hogs of excellent breeding are found in all sections of the state.

More than 15,400 adults and 4-H club members conducted hog demonstrations last year, using improved breeding stock and following recommended practices in carrying out their swine improvement programs.

Good green pastures are pretty valuable to have in the hog raising program, and most producers know how the costs of gains can be lowered if these pastures are

available. Last summer's drought taught others the real meaning of deficiency diseases. Good grazing crops generally supply all the vitamin requirements necessary in a ration. They also supply most of the mineral and about one half of the protein requirements of the ration as well.

When the dry summer parched Texas pastures, the result was an increase of the deficiency diseases of swine. The effect of this on the hog producers was strong. Minerals and vitamins have taken a new meaning and hog raisers now know their value in a properly balanced ration, says Regenbrecht.

In the line of medicines the new vaccines B. T. V and crystal violet proved their efficiency in protecting hogs against cholera. Over a thousand demonstrations were conducted and not a single case of cholera was reported on Texas farms where these vaccines were used.

Sodium fluoride was used widely in worming hogs of the large round stomach worm. Results were very good when used as recommended, says Regenbrecht.

Chlordane and BHC were widely demonstrated in Texas last year as a control for hog mange and hog lice. Mange is found over most of the state, and was hard to control before these new drugs were introduced on the market, he concludes.

Pontiac Making Its 3 Millionth Auto This Week

Pontiac Motor Division will pass an important milestone in its 21-year history of car building this week with the completion of its three millionth car.

It took ten years of production to complete the first million, only five to complete the second million and, had it not been for the war, the division could have produced its third million in just a trifle over three years.

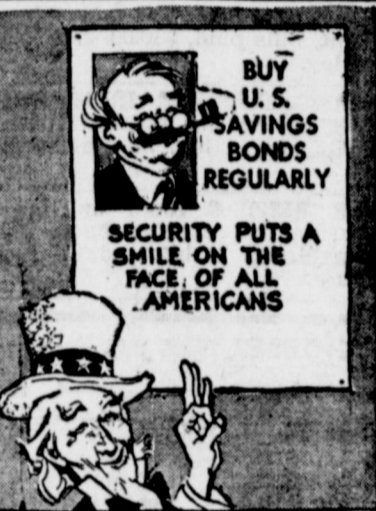

Even with postwar material shortages, Pontiac is today producing at a pace that would produce a fourth million in less than four years.

Davis-Lenderson are dealers for the Pontiac line in the Muleshoe territory.

W. H. AWTREY'S BROTHER DIES OF HEART ATTACK

Mr. and Mrs. W. H. Awtrey, Sr., and Mr. and Mrs. O. J. Awtrey, of Melrose, N. M., returned Thursday from Chickasha, Okla., where they attended the funeral of a brother, Frank Awtrey, who died of a heart attack Monday, Feb. 21. Awtrey was a retired oil field worker, formerly living at Kilgore, Texas. He had moved back to Chickasha about a year ago, after the first heart attack.

Uncle Sam Says

Buying U. S. Savings Bonds is the best way I know to stop worrying about money. And if you persist in worrying, after starting to pile up money the sure, automatic way, the only worry you'll have is how best to spend it when you start cashing in after ten years.

Your government offers two great plans, both of them automatic and both profitable. They are the Payroll Savings Plan where you work, or, if self-employed, the Bond-a-Month Plan at your bank. If you can sign up for a \$37.50 bond each month they'll grow to \$4,998 in 10 years.

U. S. Treasury Department

Petition County To Buy Fire Truck

A petition, signed by 292 persons and sponsored by the Hereford Fire Department, was Monday presented to the Commissioners Court of Deaf Smith County asking that an election be held to determine if the County should purchase \$15,000 in fire-fighting equipment for the purpose of combating fires in areas outside the city limits of Hereford.

The petition cited "fire trucks, booster tanks, pumps and units or other necessary appliances" to be used in furnishing protection to residents of the county who do not reside in Hereford.—Hereford Brand.

VISIT AT SAN JON

Mr. and Mrs. W. H. Awtrey, Sr., visited Sunday at San Jon, N. M., in the home of her brother and family, W. G. Bryant, who farmed last year in Goodland community, Bailey County.

Announcing....

The appointment of D. H. SNEED SUPPLY CO. as authorized dealers in Muleshoe territory for the NEW FERGUSON TRACTOR & FERGUSON SYSTEM IMPLEMENTS.

The curtain rises on
THE NEW FERGUSON TRACTOR

- MORE POWER
- MORE SPEEDS
- AUTOMATIC HYDRAULIC OVERLOAD PROTECTION
- HYDRAULIC IMPLEMENT CONTROL
- FRONT WHEEL TREAD ADJUSTABLE

No other tractor combines ALL these features

Beginning... another great era in power farming!

A Great New Farming Machine to help you cut the costs of food production still more! A powerful, rugged tractor with many new high-performance features designed from the experience of over 300,000 Ferguson System users. Stepped-up power lets you walk away with two 14-inch plows—with reserve for the tough spots. You can brake both wheels with a single pedal, or use the individual brake pedals for turning. And many other improvements for greater safety, economy and convenience.

A Miser on Fuel! Powerful Continental valve-in-head engine, combined with the weight-saving and automatic traction control of the Ferguson System, gives you more work from a gallon of fuel than you ever dreamed possible! High-torque design to give you amazing lugging power at low engine speeds. Responsive governor, fully enclosed from trash and dust. High-efficiency cooling fan and removable "wet" sleeves with full-length water circulation. An engine built to "take it!"

A New System for Low-Cost Hauling with revolutionary method of linking trailer to tractor. With this new Ferguson System of transportation you can haul loads of 3 tons or more out of soft fields, up steep grades, on slippery roads or over rough ground. On countless farms, located at average local market distances, this latest Ferguson invention slashes costs of hauling farm products—a revolutionary new solution to your farm transportation problems.

Only the Ferguson System, invented, perfected and patented by Harry Ferguson, and authorized only for use in the new Ferguson Tractor, gives you all five of these big advantages: 1. Penetration without excessive implement weight. 2. Both finger tip and automatic hydraulic depth control. 3. Traction without excessive built-in weight. 4. Keeps the tractor's front end down. 5. Automatically protects both implement and tractor when the implement strikes an obstruction.

NOW ON DISPLAY!

Congratulations To:

Mr. and Mrs. Bay Wilson on the birth of a son, Mickey Lewis, Feb. 26.

Mr. and Mrs. W. W. Glasscock on the birth of a daughter Jeanne Suzanna, February 25.

Women's News - Club Events Social Activities

Miss Alice Hicks, Medford Scifres Wed February 25

Miss Alice Hicks, daughter of Mr. and Mrs. A. J. Hicks of Muleshoe, and Mr. Medford Scifres of Muleshoe were united in marriage in a ceremony performed February 25, at 8:30 a. m. in the home of her parents. Vows were said before a living room table on which were arranged groups of fresh gladioli and carnations. Rev. L. N. Robinson, pastor of Main Street Baptist Church officiated.

Attendees included members of the bride's family and close friends of the couple. Matron of honor was Mrs. Jack Hicks, sister of the bride. Alfred Hicks, twin brother of the bride, was best man.

After a short wedding trip the couple are at home in Muleshoe. Mr. Scifres is employed at the St. Clair Department Store and Mrs. Scifres, who is a graduate nurse, is on the staff of Green Hospital & Clinic, Muleshoe. Mrs. Hicks is a native of Bailey County, while Mr. Scifres has lived here most of his life.

Mrs. Scifres graduated from Muleshoe high school and from St. Anthony's Hospital School of Nursing, Amarillo. Mr. Scifres is a graduate of the high school at Bula, where his parents reside.

Puerto Rican Is Speaker Here

Mrs. Ernest Holland began work this week at the Fashion Shop as alteration lady.

Kings didn't wear coronation robes before the 16th Century.

Miss Aday And Mr. Parsons Wed

Miss Margaret Aday, daughter of Mr. and Mrs. J. O. Aday, became the bride of Mr. Percy Parsons, son of Mrs. Alice Parsons, of Post, at 2:00 February 13. The ceremony was read in the First Baptist Church by Rev. Blaine.

Mrs. Florene Knight, sister of the bride, was matron of honor and Mr. Conner Parsons served as his brother's best man.

Immediately after the ceremony the couple left for a short trip after which they will be at home in Post, where Mr. Parsons is employed by the Hudman Bros. Funeral Home.

Mr. Parsons attended school in Post and Fort Worth. Mrs. Parsons was graduated from Muleshoe High School in 1946 and until the time of her marriage was employed by the West Texas Gas Company.

HERE FROM DALLAS
Mrs. W. L. Brooks, of Dallas, is visiting here with her parents, Mr. and Mrs. J. E. Hawkins.

Washington Tea Held By WSCS

The Woman's Society of Christian Service sponsored a George Washington Silver Tea at Fellowship Hall Tuesday evening, February 22. Both decoration and costumes carried out a colonial motif.

George and Martha Washington stepped out of the past and into character in the persons of Mr. and Mrs. Paul Gardner. Ann Woodley and Bobby Jennings impersonated Martha's two children.

Both table and refreshments were appropriately and beautifully appointed for the occasion. Mesdames Noel Woodley and G. O. Jennings poured.

A quiz program covering the history and customs of the time was given by Mrs. Grandy, pianist and Mr. Moore violinist. Miss Pat Bennett as a pert little belle, sang several selections. Glenn Rockey played request numbers and the group sang "Yankee Doodle."

A quiz program covering the history and customs of the time was conducted. This was won by Elizabeth Farley and Reba Bailey, students of Muleshoe High, with Miss Elizabeth Harden runner-up. As there were some twenty tough questions, this is quite an honor.

TO ADD ATMOSPHERE, quite a few ladies came togged in colonial finery. The WSCS takes this means of thanking the good number present who contributed and cooperated so nicely.

FELLOWSHIP HOUR IS OBSERVED AFTER SERVICES
A fellowship hour, tried last Sunday evening after church services, in Fellowship Hall, will be repeated again the coming Sunday night. The occasion was for everyone, men, women and children. Rev. T. G. Craft pastor of the First Methodist Church, announced the event and urged members of the congregation to attend. Some sixty did so.

Bill Collins, Herbert Potter and Earl Ladd volunteered to act as a refreshments committee. They served hot chocolate and cookies. The coming Sunday evening H. D. King, Herb Covin and Jim Cox will be the refreshment committee. The innovation was announced as a plan to "make this a more friendly community."

Soil Conservation District News

The board of Supervisors met Monday night, February 21, in regular meeting. Louis B. Dawkins, Planning Engineer for the State Conservation Board from Plainview, and John A. Perrin, District Conservationist from Littlefield, met with the board. Those members present were W. R. Carter, H. E. Schuster, B. H. Black, Virgil Nowell, and J. B. Henderson. Mr. Henderson is a new supervisor; he lives near Maple.

Conservation surveys have been completed on farms owned by Marvin May, A. E. Moore, D. C.

Stovall, and W. E. Schooler. Carl C. Bamert has been given information pertaining to leveling a portion of his father's farm.

A ditch for watering row crop land has been run on the W. G. Kennedy farm.

Topographic surveys have been completed on two farms owned by D. C. Stovall.

A complete system for the application of irrigation water has been laid out on a farm owned by Mrs. Jessie Blasingame and operated by Russell Bryant.

Visitors from Clovis
Misses Lena Puriman and Lela Isaacs of Clovis, visited in the home of Mr. and Mrs. DeShazo Sunday afternoon.

Arrangement of Framed Pictures Important

Consider H. Willett photo

One of the most important factors to consider when hanging pictures is their relation to the furniture ensemble of which they are a part. In the illustration, a group of eight framed college scenes have been grouped around a small hanging bookshelf. The size and mass of this arrangement is in keeping with the length of the couch. Frames are important, too, for they must be simple enough not to detract from the pictures themselves and yet must blend in with the rest of the decor.

Mexico.

Mr. and Mrs. Floyd Andreas of Muleshoe have had as their guest from Toppenish, Washington, Mr. Floyd Andreas' father, Mr. A. J. Andreas.

A visit to Roswell, New Mexico with Mrs. George Didlake and also a trip to the Carlsbad Caverns will be enjoyed, while Mr. A. J. Andreas is here.

Dewitt Kelley of Earth spent Saturday with Jack Roubinek.

Mr. T. G. Dulin visited B. C. Corley and family in Petersburg Sunday.

Mr. and Mrs. Jack Epps and Mary Edna Pierce drove to Lub-

bock Sunday afternoon to see Mr. A. P. Stone who has been in hospital there.

Mr. and Mrs. Mutt Hufstelder and son, Ronnie, visited Sunday afternoon in the home of Mr. and Mrs. R. L. Roubinek.

Jackie Dulin gave a farewell party at the Pleasant Valley school house Monday night for Frankie Moffitt.

There were 18 present. Mrs. Dulin, Mrs. Epps and Mrs. Corley were chaperones.

Mr. and Mrs. Jimmie Dulin visited in Tahoka Sunday. They brought Mrs. Dulin's sister's baby home with them for a few days visit.

Mr. A. J. Moffitt and Mrs. O. W. Corley were in Lubbock Tuesday. Mrs. A. J. Moffitt was in Lubbock Wednesday.

W. G. Dulin visited his father and brother J. E. and family Friday night.

Lenita Louis visited in the Bickel home Sunday.

We are glad to see Mr. W. A. Stevens up and around again.

HAVE MEASLES

Little George Robert Clark and Walter Ray Clark are reported to have measles.

Internal Revenue Shows Big Increase

AUSTIN, March 2.—Federal internal revenue collections in Texas totaled \$218,279,280 in January 1949, a rise of 24 per cent over January 1948 figures, the University of Texas Bureau of Business Research reported.

Climbs of 34 per cent in North Texas and of 16 per cent in South Texas followed the upward trend set in the January 1949-January 1948 comparison for federal internal revenue collections in the State.

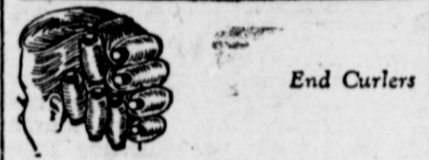

Collections of \$726,935,016 for the past six months' period of July 1, 1948-January 31, 1949, as compared to \$632,904,840 for the last six months in 1947-1948, represented a 15-per-cent gain over a year earlier.

Similar gains for income taxes of 26 per cent in Second District (North Texas) and 24 per cent in First District (South Texas) in January 1949 showed the new year ahead of January 1948.

Withholding employment (other than withholding), and other federal internal revenue collections fell in South Texas below the year earlier levels, withholding taxes dropped 24 per cent in January 1949. All types of collections for North Texas for the last month were above January 1948 figures. Withholding taxes showed a 75-per-cent increase, and a sizeable rise of 58 per cent appeared in income taxes for North Texas.

No matter how flat your conversation, a woman likes to have it flatter.

Hair beauty secrets... by you!

End Curlers

Pin Curls

The "teen dream queen" is the girl who is clever enough to wear her hair in a mass of curls at the back of her neck! The basis is a soft, natural looking home permanent wave, which gives body to the longish bob and keeps the curls crisp and springy. The hair is drawn back off the face; it can be set either with end curlers as shown at the top, or in pin curls (bottom). Add a ribbon for added charm!

Poultrymen In '49 Said To Face Fair Conditions

COLLEGE STATION, Mar. 2.—The egg-shaped crystal ball of the A. and M. College extension service specialists in poultry husbandry and agricultural economics has several pictures for the 1949 poultry prospects.

Prices are expected to be about like those of last year, and they may average higher for the first half and a little lower for the second half of the year. Texas farms will have fewer layers, but the demand for eggs is still strong—total egg production this year may be as high as it was last year, the specialists believe.

Feed for layers is more plentiful these days, and prices may drop this year about one fourth lower than last year. This year's pullet crop is expected to jump

sharply, (which means Texas will have a large holding of layers by next January 1.

From the poultry meat angle, the crystal ball shows that recent prices of broilers and turkeys is good. This will likely make for larger production this year. Outlook on the feed supply show there is plenty and the costs are more favorable. The demand for broilers and turkeys is dropping off slightly, but prices are expected to remain near the '48 level in the first half and less favorable in the latter part.

Transportation, equipment and other production costs—except feed, may go up some. On the other hand, a higher net income from broilers is expected. As for turkeys, a larger number is pre-

dicted for 1949, giving an improved outlet for hatching eggs, say these specialists.

NORTH CUTTS IMPROVING FARM NEAR MULESHOE

Mr. and Mrs. Eli Northcutt, who recently purchased an 80 acre farm near Muleshoe, are now improving the place by building a new home and making other additions. The place already had an irrigation plant. It is located just off the Clovis highway, on the first left turn.

The Northcutts bought the place from T. C. Moseley. They are assisted in the operation of the farm by their son, Kenneth Northcutt, who completed high school at Frederick, Okla., where the family lived before moving here.

Aluminum Trays Demonstration For West Camp Club

Since February is the month in which two of our famous presidents were born, members answered roll call with a quotation from either Washington or Lincoln.

As there was no unfinished business or reports from committees Mrs. Yola Dutton gave the Council Report. Mrs. Bonnie Williams was appointed by council as chairman of education-expansion committee. Mrs. Roy Mabery and Mrs. Mack Hale of Muleshoe club, were the other two members of the committee.

District meeting was discussed and it was decided to wait until the next club meeting to elect a club candidate for delegate. Sylvia Couch and Lamoine Williams were appointed by the president Louise Busbice to attend landscape school which is to be held in Muleshoe, February 28.

The meeting was turned over to Vola Dutton and Sylvia Couch, who brought us an interesting demonstration on making of aluminum trays. All members are going to make trays. We plan to have an all day meeting at the school house and each lady will make or finish her tray. Any lady in our community interested in tray making or any other work we do, is cordially invited to attend. Date for the meeting will be announced later. Our next

Watson Club Met With Mrs. Tunnell

The Watson Home Demonstration club met at the home of Mrs. Roy Tunnell, with Mrs. Neal Smith in charge of the program.

Each member answered roll call with a recipe for the kind of pie or cake they liked best.

Plans for the banquet in April were discussed and the president urged every member to attend. Dainty refreshments of salad, cake and coffee were served to the following members: Mesdames Clara Ellis, George Tine, Naomi Henderson, Edwin Noutzler, Neal Smith, Dave St. Clair, Bob St. Clair and one visitor, Mrs. Neutzler.

The next meeting will be with Mrs. Dave St. Clair, March 9. Each member is urged to be present.

VISITED IN LUBBOCK

Mr. and Mrs. M. G. Bass visited her parents in Lubbock Sunday.

meeting will be with Louise Roark March 9.

Bonnie Williams received the hostess gift. Refreshments were served by the hostess, Mrs. Grace Snider to the following members. Joy Jones, Sylvia Couch, Wilma Austin, Naomi Austin, Louise Roark, Beulah Williams, Louise Busbice, Olean Watts, Bonnie Williams, Ethel Harding, and two new members, Lamoine Williams and Mrs. Akin. Visitors were Joy Watts, Letha Cain and Maybelle Cain.

Women's News - Club Events Social Activities

Landscape Care Meeting Is Held

Care of the landscape training meeting was held February 28, at 2:30 p. m. in the County Court room by the Home Demonstration Agent, Marie T. Corrington.

Fourteen women attended this meeting representing all five of the Home Demonstration Clubs and Baileyboro community, which does not have a club at present. Topics discussed were transplanting of shrubs and trees, insecticides and pruning. Some pruning tools were shown.

After a brief discussion the group went out into the court-house lawn and did some pruning as well as further discussing good pruning methods for the various plants. Then they drove to the home of Mrs. R. G. Spence, in the south part of Muleshoe, and observed her well planted yard. By these means most shrubs, suitable for this area, were seen in growth and could be discussed as to their desirable planting location and general care.

Pleasant Valley Club Met Feb. 23

The Pleasant Valley Club met February 23rd at the Pleasant Valley school house with Mrs. A. J. Moffitt as hostess with 11 members and one visitor present.

The president had charge of the meeting. Roll call was answered with a helpful household hint.

It was voted to give \$5.00 to the Red Cross, after a social hour delicious refreshments were served by the hostess.

The next meeting will be Wednesday, March 9th in the home of Mrs. R. L. Roubinek.

Muleshoe H. D. Club With Mrs. Boydston

On Thursday, February 24, the Muleshoe H. D. Club met at the home of Mrs. J. T. Boydston with three visitors, one new member, and sixteen old members present.

Roll call was answered by each member giving "Famous Sayings of Lincoln and Washington". Mrs. S. C. Caldwell gave the Council Report, Mrs. J. E. Day, landscape demonstrator, gave a report. Mrs. C. E. Briscoe and Mrs. H. M. Shofner, food demonstrators, gave reports.

Mrs. Day, Mrs. Caldwell, and Mrs. Earnest Holland supervised the making of aluminum trays. Refreshments were served to: Mesdames Young, Carl Walraven, Jack Stallings, Roy Carney, Earnest Holland, D. R. Aylesworth, D. L. Morrison, Byron Jeffcoat, H. M. Shofner, W. H. Awtry, C. E. Briscoe, J. T. Shofner, J. E. Day, S. C. Caldwell, E. E. Marrs, Tom Zimmer, Kenneth Briscoe, D. E. Beller, and the hostess, Mrs. Boydston.

The next meeting will be at the home of Mrs. D. L. Morrison on March 10.

"Paradise Or Doomsday" Topic For Club Program

Muleshoe Study club met in the home of Mrs. A. E. Lewis Thursday evening, February 24, with fourteen members and one visitor present.

After roll call and the reading of the minutes of the previous meeting, the program "Paradise or Doomsday" was very effectively given by Mrs. Buck Ragsdale and Mrs. Jack Lenderson.

A delicious refreshment plate was served to Mesdames S. C. Beavers, M. F. Green, Marion Harris, Milton Forbes, Clyde Holt, G. O. Jennings, H. O. King, Charles Lenau, Julian Lenau, Jack Lenderson, Buck Ragsdale, Buck Wood, Miss Elizabeth Harden, visitor Mrs. L. T. Green, Jr., and the hostess, Mrs. Lewis.

The next meeting will be March 10, in the home of Mrs. Jack Lenderson. The program will be on "Texas" with Mrs. S. C.

Enochs H. D. Club Met In Reid Home

The Enochs H. D. Club met in the home of Mrs. Vernon Reid. The meeting was opened with a song. Seventeen members and four visitors were present. Roll call was answered with a recipe. Mrs. Vanlandingham gave a talk on the council meeting.

The club decided to make all the badges for the district meeting. A red apple will be made for delegates and yellow pear for visitors.

The club has sent several cards to sick people.

The cemetery letters are finished. We hope to get these up in the near future.

Each member brought a cake or pie to the meeting. These were judged and Mrs. C. H. Vanlandingham took first place with her cake. It was from the master mix in the yellow cake. Mrs. C. S. Seagler won first place on pecan pie. Mrs. M. G. Gibson won first on syrup pie. After judging the hostess served these pies and cakes to those present.

The club is giving Mrs. Aris Autry a pink and blue shower Thursday evening.

Mrs. H. H. Snow, Mrs. Dutch Cash, Mrs. D. T. Johnson, Mrs. P. A. Altman and Mrs. C. W. Vantess, Mrs. Lewis.

Beavers and Mrs. Clyde Holt in charge of the program. Roll call will be answered with "Famous Political Figures in Texas."

ingham attended the pruning and landscaping meeting in Muleshoe February 28.

Our next meeting will be in the home of Mrs. W. A. Pool Thursday, March 10.

VISITED BARBERS

Mr. and Mrs. Merrill Pendergrass and son, Junior, of Whitharrel, spent Saturday night here with Mr. and Mrs. J. C. Barber and little daughter, Paula. Mr. Barber is an employee of The Journal.

WON A DRESS

Marilyn Gupton won the dress in the Lucky Lady drawing at St. Clair's Department Store last Saturday.

Braggart:—One who takes a modest view of his own insignificance.

WHEN a gentleman joins a lady—at teatime—his masculine taste will approve of this heartier fare of hot and buttered English muffins with a dish-full of tangy currant jelly. Cater to his sweet tooth with a plate of sugar cookies. But best of all—win his approval with a perfect cup of well brewed tea, steeped from three to five minutes to bring out its flavor and tang. Use one tea bag for each cup of water, bring cold fresh water to a bubbling, furious boil, and pour the boiling water over the bags. The popularity of teatime as a fourth meal is being emphasized by the tea industry in restaurants and grocery stores during National Hot Tea Week—February 11 to 18.

Longview News
Gives Slumber Party
Joyce Hunt gave a slumber party Friday night. Attending were: Joyce Hunt, Alice Dawson, Wenaona Glenn, Charley Kay, Betty Griffin, June Dement, Shirley Ann Black, Maris Jo Hennington, Kay Newkirk.

From Levelland
Mr. and Mrs. Johnny Seales and children were visiting Mr. and Mrs. Bert Seales Sunday afternoon.

Hilltop News
Hilltop had fair weather last week except Saturday afternoon and we had a little hail. In case some of you folks don't know where Hilltop is, it's four miles east on the Plainview highway. The population of Hilltop is forty-two. It's a large number for such a small place. It covers about one mile.

There was a kids game of ball Sunday afternoon on Blair's lawn. Mrs. C. L. Spivey and two children went to Oklahoma last week to visit her mother and daughter. She returned Sunday night.

BACK TO MULESHOE
Mr. and Mrs. A. J. Roberts, formerly of Muleshoe, who have lived at Albuquerque, N. M., have moved back to Muleshoe on a farm west of town. Their little son, Ray Jean, has the measles.

Try A Journal Want Ad.

E. L. MILLS HERE
E. L. Mills, who fell on icy ground at his farm home at Snyder, Oklahoma, breaking a hip, was brought here Saturday by his son, J. E. Mills, and will remain at his son's home for some time. He has been in a hospital at Fort Worth four weeks. Mr. Mills will soon be able to sit up it is thought.

NAMES OMITTED
The Journal regrets that last week in listing the names of new members of the local Rebekah Lodge the names of new members Mrs. Ralph Carpenter and Mrs. John J. Mock were omitted. They were initiated along with six other local ladies.

VISIT AT HOLLIS
Mr. and Mrs. A. J. Gardner spent the weekend in Hollis, Okla., where parents of both live.

CUNNINGHAM ATTENDING EDUCATORS' MEETING
Supt. W. C. Cunningham is attending the annual National Education Association administrative section, meeting in St. Louis this week. He left Friday and joined a special train at Dallas Saturday. He said he would return here Saturday.

Mr. Cunningham expected to combine pleasure with business by distributing several copies of The Muleshoe Journal furnished him just before he left and dated Sunday, February 27.

ATTEND ANTON SERVICES
Mr. and Mrs. B. L. Jackson and Mr. and Mrs. Harvey L. Bass attended the Primitive Baptist church in Anton Sunday.

OKLAHOMANS HERE
Mrs. Minnie Daniels of Marlow, Okla., is visiting with her brother, B. L. Jackson and Mrs. Jackson this week.

VISIT PARENTS
Mr. and Mrs. M. G. Bass visited her parents, Mr. and Mrs. J. C. Reynolds, in Lubbock Sunday.

CHILDREN WERE ILL
Mr. and Mrs. W. D. Isbell had their little son, Douglas, in the hospital week before last then took him to his grandparents, Mr. and Mrs. M. F. Roberts for eight days so he could be treated for rheumatic fever, and their little daughter, Clara Maud, had the measles. All are doing fine now. They took the children home Saturday.

RAIN WAS LIGHTER
Carl Heard, residing southwest of Muleshoe, said Monday rainfall was considerably lighter in his community than at Muleshoe. A. L. Davis, who lives south of town, reported Saturday rainfall around his place was much lighter than in the immediate neighborhood of Muleshoe.

Valve-in-Head - and Fireball too!

It seems that valve-in-head engine design is becoming quite the thing, now that gasolines are stepping up in octane rating and higher compression ratios begin to be worth while. Well, that's dandy as far as Buick is concerned. For more than forty-five years, Buick engineers have been working with, developing and learning all about valve-in-head engine design. So quite some time ago Buick applied a principle, possible only in valve-in-head design, which still remains a Buick exclusive. It is Fireball design — and it's an interesting engineering story. It comes from a specially shaped piston, designed to roll each fuel charge into a compact, whirling, ball-shaped mass. It goes a step beyond high-compression ratios, because it means better mixing of fuel — and so better burning. Result: More good from each fuel charge. A touch more life, pep, ginger. More of that happy, satisfying feel of power and zip that give Buick its good name as a performer. So remember, as more and more cars climb on the valve-in-

head bandwagon, that Buick is still calling the tune. Still ahead in knowledge and experience and development of a principle that has always been recognized for its greater basic efficiency. With self-setting valve lifters adding new quiet and washing out tappet noise, it's plain that "Buick's the buy!" on engine design as in other ways. Come satisfy yourself on that score — and get a firm order in either with or without a car to trade.

BUICK alone has all these features
Silk-smooth DYNAFLOW DRIVE* • FULL-VIEW VISION from enlarged glass area • SWING-EASY DOORS and easy access • "LIVING SPACE" INTERIORS with Deep-Cradle cushions Buoyant-riding QUADRIFLEX COIL SPRINGING • Lively FIREBALL STRAIGHT-EIGHT POWER with SELF-SETTING VALVE LIFTERS plus HE-POWERED ENGINE MOUNTINGS • Cruiser-Line VENTIFORTS Low-pressure tires on SAFETY-RIDE RIMS DUREX BEARINGS, main and connecting rods BODY BY FISHER.

Mr. Muleshoe . . .

(Continued from Page 1)

I Don't Feel Good Dept.

A business man has contributed the following for publication. We don't like it much, but he is a good advertiser, so it wasn't hard to make up our minds to print it, as follows:

I have been bawled out, balled up, held up, held down, hung up, bulldozed, blackjacked, walked on, cheated, squeezed and moched; stuck for war tax, excess profits tax, state dog tax, and sytax; liberty bonds, baby bonds, and the bonds of matrimony; Red Cross, green cross, and double cross; asked to help the society of John the Baptist, G. A. R., Women's Relief Corps., Men's Relief, and stomach relief; I have worked like heck and have been worked like heck; have lost all I had and now, because I won't spend and lend all the little I earn and go beg, borrow or steal, I have been cussed, discussed, boycotted, talked to, talked about, lied to and lied about, held up, hung up, robbed and darn near ruined; and the only reason I am staying in business now is to see what the peck is going to happen next!

From The Ridicule To The Sublime Dept.

Miss Charlene Black, submitting the paragraphs printed below, says: "I consider this good food for thought. You might see fit to use it". It is taken from "What I Would Teach My Daughter," by Mary Roberts Rinehart.

"No matter what my means, if I had a daughter I would teach her how to support herself. That is far more important than leaving her money. She may lose the money or spend it; easy money goes easily. But the priceless thing I would insure her would be her independence.

Not long ago a young woman, a widow with three small children, came to see me. She was obliged to earn, but she had no training whatever. She sat patiently waiting for me to solve her problem. She was not able to stand in a store, she knew nothing of business, she had been a protected daughter and a sheltered wife. Now she was neither, but she refused to apply to the usual channels for relief. It seems to me that the American people, highly

Postal Receipts Gain In Texas

AUSTIN, March 2.—Texas postal receipts in January 1949 rose 15 per cent from a year earlier, the University of Texas Bureau of Business Research reported.

Reflecting seasonal trends, postal receipts dropped 26 per cent from December. After adjustment for seasonal variation, the Bureau's index of postal receipts rose fractionally from the previous month to 274 per cent of the prewar (1935-39) base period in January 1949.

Counter to the upswing over January 1948 levels, receipts lagged 3 per cent in Texas City, 5 per cent in Austin, and 21 per cent in Del Rio, while other Texas cities recorded increases during the 12-month period. Victoria scored the biggest gain over the year—66 per cent. Tyler's receipts stepped up 48 per cent from a year earlier; Snyder, 36 per cent; Greenville, 29 per cent; Sherman, 28 per cent; and Brownsville and Corsicana, 27 per cent.

Seasonal declines from December were turned in by all Texas cities. Postal receipts slid 53 per cent in Corsicana, 44 per cent in Childress; 43 per cent in Lamesa; 42 per cent in Brownwood; 41 per cent in Port Arthur; 40 per cent in Cleburne; 39 per cent in Paris; 38 per cent in Austin and Palestine; 37 per cent in Snyder and Borger; and 36 per cent in Kerrville and Midland.

Postal receipts for Dallas totaled \$899,760 in January, for first place in the State. Houston's receipts were \$614,314; Fort Worth, \$357,955; and San Antonio, \$337,895.

SENIOR PLAY ARRIVED AND CAST IS CHOSEN

The Senior play, "Funzapoppin" arrived last week and try-outs were held Tuesday night in the high school study hall to choose the cast.

The cast consists of Dorothy Fudge as Bobby Blair, Woody Waggoner as Betty Blair, Don Jackson as Vic Truman, Eudene Spradley as Trudi Worthington Brown, Joyce Gwyn as Mrs. Worthington-Brown, Robert Berry as Sylvester Fogg, Weldon McCarty as J. Edgar Dunwiddie, Bettie Guthrie as Mrs. Shappett, Freida Mooneyham as Gabby Gooney, Doris Bickel as Aunt Ida from Idaho, Bobbie Roberts as Ambrosia, and Dorothy Murrah as Bridget, the Irish maid.

practical for themselves, are absurdly idealistic for their children. And this is a highly competitive world. The untrained girl finds herself in direct competition with the trained, and the resulting struggle for sheer survival often leads to tragedy. Give your girl all the cultural advantages you want her to have, but teach her to support herself."

They plan to give the play March 26th so everyone plan to attend.

MOVED TO LUBBOCK

Mr. and Mrs. M. A. Barnard and children moved to Lubbock Monday where Mr. Barnard plans to farm. He was formerly a carpenter here in Muleshoe.

Winter Time Landscape Jobs

Note to rosebush fanciers: roses will do better if set in ground which has been sodded with grass for the past five years.

This suggestion comes from Sadie Hatfield, extension landscape gardening specialist of Texas A. & M. College, who adds this reminder: be sure your rosebushes come from a reliable nursery. Roses can be set out now, or anytime as long as the ground isn't frozen.

There's still some time left for removing unattractive and unhealthy shrubs, and replacing them with better ones. This should be done before the spring growing season begins, adds Miss Hatfield.

City dwellers may want to grow a few vegetables as part of a landscape plan, if so, pruning the roots and the tops of overgrown shrubs will make room for their new plantings. Among those vegetables, Miss Hatfield lists as suitable for planting now in most parts of Texas are roots or seed of asparagus, seed endive, carrots, lettuce, mustard and turnips.

The recent state-wide freeze injured a large number of shrubs. Don't prune such frost injured

shrubs right away, and warn. Leave the injured part on for a while as further protection against other cold snaps, should they occur.

About the care of shrubs, Miss Hatfield has this to say. It's a good idea to examine the flowering quince, gardenias, roses and wax leaf well. County agricultural agents have further information on the treatment and protection of shrubs from insects and diseases.

When shrubs, trees or roses have abnormally yellow leaves, this

specialist suggests using a corrective treatment of one cup of iron sulphate (or copperas) and two cups of sulphur. Mix this in well with the soil within 15 square

feet of the plant, says Miss Hatfield.
