In the absence of the president, Mrs. Johnson, Mrs. Essie Bland called the house to order.

The song leader, Mrs. Patterson, led the group in singing two songs. Mrs. Flossie Rogers had charge of the recreation. The program emphasized the George Washington theme.

Several games were played and two readings were given. The thought for the day was given by Mrs. Annie Thomas and Mrs. Ann Taylor. Mrs. Eva Pearsey won first place in sewing and Mrs. Flossie Rogers won the hostess gift.

Refreshments were served to Mesdames Annie Thomas, Rogers, Elizabeth Andrews, LaVerne New, Corrie Pitman, Maude Viney, Eva Pearsey, Essie Bland, Virginia Fournoy, Sallie Patterson and Ann Taylor.

**Mrs. W. E. Lawson Directs Progressive Study Club Program**

The Progressive Study Club met in the Homemaking Cottage Thursday night, Feb. 21, with Mrs. Dugan Starr giving the invocation before the members embarked on a simulated Oriental Tour under the direction of Mrs. W. E. Lawson dressed in Oriental costume.

The first stop was made for "saki" in the Japanese tea room at the Lawson home. A blue raw silk table cloth from China decorated the table, with two cloisonne vases, a saki bottle and Buddha statue, handcarved of mahogany, of the Goddess of Mercy.

Here a detailed account of Buddhism, one of the world religions, was given by Mrs. Ed Hester. "Buddhism is a gentle peaceable religion, perhaps believed by perhaps as many as 500 million people throughout the mainland of Asia and from the Island of Ceylon to the islands of Japan. Its gentleness may be a weakness in its defense against communism," stated Mrs. Hester.

After leisurely sipping saki, members were invited to attend the opening of the W. O. Holden "Chinese Restaurant." It was exclusively decorated in Chinese style, with a jade tree, lovenote, cigarette ash trays, and Buddha gods. The chop suey was served from a Chinese silver chafing dish, green tossed salad from black lacquered bowls. Tea was served from a Chinese pewter tea urn. The table was attractive with Chinese fruit. Also, rice, noodles and La Choy soy sauce was served.

Mrs. Clarence Davis and Mrs. Holden showed each guest how to use their chopsticks before serving. It was truly a picture to see each one sitting on a mat on the floor, and using chopsticks.

W. E. Lawson reviewed the book "Korean Adventure" by Dorothy House Vieman, the inside story of an Army wife, revealing some startling facts about the Korean people. He spoke of his own stay in Korea and some of his experiences.

In Korea, club members visited the Korean farm home of Mrs. Sam P. Hester, where Mrs. Hester, assisted by her two daughters served a citrus surprise and coffee. Here on display was a brass rice bowl, ivory chop sticks, school book and Army books. Also a Korean dress sent by Riley J. Pace to his mother.

The Oriental Scholarship project was explained by Mrs. Robert Wheatley. It was introduced at the State convention in memory of Dorothy House Vieman, daughter of the State president, Mrs. A. J. House of Yoakum, Texas.

This is the first time a scholarship has been offered outside the Western Hemisphere. It renders a real need and a real service. A girl from Korea was the first to use it but Chinese and Japanese girls can use it too. Mrs. House has requested instead of flowers given to her as she tours the state to the different clubs, that the money be given to the Dorothy House Vieman Scholarship fund. "It's a project, but also people and the old epigram 'After the verb' to love, to help is the most beautiful verb in the world," stated Mrs. Wheatley.

Any money, after the expense of the tour, will be given to the Scholarship Fund.

### Awards Presented 25 Cub Scouts at Annual Blue and Gold Banquet

Awards were presented to 25 Cub Scouts for their achievements in Scouting at the annual Blue and Gold Cub Scout banquet, held Monday night Feb. 25 in the Elementary School auditorium.

Cecil Corley, Scoutmaster of Pack 38, emphasized the importance of Scouting in an informative talk to visitors, parents, and Cub Scouts attending the affair.

The Scoutmaster encouraged all the boys to complete their Cubbing so they could become Boy Scouts when they become of age. He talked about the Camping and Boy Scout program.

Boys receiving awards were: Eddie Hester, Bear badge and gold arrow; Gene Hester, Bear badge and gold arrow; Billy Hargrove, Bear badge, gold and three silver arrows; Kenneth Jarred, Bear badge, gold and silver arrow; Bill Perry, Bear badge

and gold arrow; Macky Medley, Bear badge, gold and two silver arrows; Gary Lytle, Bobcat pin; Tommy Pogue, Lion badge; Jackie Muegge, Wolf badge; Donnie Camp, Wolf badge; Jeff Robertson, Lion badge, gold and silver arrow; David Ray, gold and silver arrow; Barry O'Neal, silver arrow; Larry Flournoy, Lion badge, gold and four silver arrows; Gary Davis, gold arrow; Jimmy Hughes, gold and silver arrow; Tim Burson, gold arrow; Tony Burson, gold arrow; Haynes Howarth, Wolf badge; Thurman Howarth, Bobcat pin; Ralph Bishop, gold and silver arrow; Ronald Hilliard, gold arrow; George Sherman, Bobcat pin; Donny Atkinson, Bobcat pin; Michael Felker, Wolf badge.

Harold Hodge gave the invocation, and Den 4 held the opening exercise when each boy gave respects to his home, his God, his country, his fellowman, honesty, truthfulness and loyalty to all. Den Chief Robert Coburn led them in singing the Cub Scout song.

Dens 2 and 3 closed the meeting with a skit and singing "Good-night, Cub Scouts." Three of the Den Chiefs, Robert Coburn, Ted Demery, and David Hiebert led the group in reading in unison: "As future citizens, we wish to do our best to be prepared in body and will, in spirit and skill, to accept our obligation to God and to show by our actions we are willing to serve others and be good members of the Scouting team."

Cubmaster Curtis Pogue stressed the importance of all Den Mothers and Den Dads as well as parents, attending the Cub Scout Training Course of the Northern District. It will be held Friday night, March 1, from 7 to 9 o'clock at the Stamford Armory in this city.

For the banquet, each Den had its table attractively decorated, displaying originality and ingenuity in themes used.

Den 5 is a new Den, with Mrs. Gerald Lytle as Den Mother and Mrs. James Atkinson as assistant. The boys are Thurman Howeth, Donny Atkinson and Gary Lytle.

Attending the banquet were 57 parents, brothers and sisters of the 30 Cub Scouts, and visitors, Mr. and Mrs. R. A. Coburn, Mrs. J. E. Walling, Jr., Mrs. R. D. Lackey, of Haskell, and Mr. and Mrs. Bill England from Bomarton.

The next Pack Meeting is on March 18 at 7:30 p. m. in the Elementary School auditorium. Den 1 will have the opening, Den 4 the games, and Dens 2 and 5 the closing.

An investment in the public schools is an investment in Democracy.

### Lionism Develops Wholesome Life, Speaker Declares

Lionism was described as a science which makes for a more wholesome life by Lester E. Brooks of Iowa Park, District Lions Governor, guest speaker at the noon meeting and luncheon of the Lions Club Tuesday in the banquet room of the Texas Cafe.

"Lionism does three important things for people," the speaker declared. "It improves the individual and awakens his responsibilities of citizenship, brings us together in wonderful fellowship, and in its accomplishments is an inspiration to its members," he said.

The district governor illustrated how local activities of the club help the community, cited the worthwhile efforts to provide glasses for deserving children, and the many other projects carried out by Lions.

### Haskell 4-H Club Boy Shows Reserve Champion Steer at Wichita Falls

John Gannaway, Haskell 4-H Club boy, showed his 1,060 pound Hereford steer to the reserve championship of the 26th annual Wichita Falls Junior Beef Show Thursday. The 15-year-old boy, a freshman in Haskell High School, is the son of Mr. and Mrs. Maurice Gannaway.

Haskell County 4-H Club boys also showed the top group-of-five steers in the Wichita Falls show, a Jaycee-sponsored event.

Each of the Haskell County Steers was judged prime, netting a \$66 premium for each exhibitor in the county group.

Gannaway's reserve champion steer was bred by the League Ranch at Benjamin, and was the same steer which took the grand championship of the recent Haskell County Show here.

The youthful Haskell stockman

was showing at Wichita Falls for the fifth time. County Agent Martin said the lad was sifted out the first two times he showed, but persistence won him a banner on his fifth try. His heavy, blocky steer was named "Tom."

Showing the best group-of-five from Haskell County were Dub Sims, David Frierson; Jerry Dunnam (showing for David Gannaway), Jerry King and John Gannaway. Second place in this division went to Tiltman County, Okla., third to Baylor, fourth to Wichita, and fifth place to Jefferson County, Okla.

Grand champion of the show was the 980-pound entry of William Henry Arledge, 18, of Seymour.

In the auction sale following the show the grand champion steer of the Seymour club boy brought \$1.75 per pound, and Gannaway's reserve champion was bought by Mr. and Mrs. Lamar Fain for \$1.00 per pound.

Also, Gannaway and the other two winners of the three steer classes were presented checks of \$100 each by George Adams, representing the White's Auto Store Foundation. The club boys are to use the award to buy a heifer of their own choosing as foundation for their own herd.

Record of sales by Haskell County club boys, including owner and breeder of the animal, weight, purchaser, and price paid per pound, follows:

John Gannaway, League Ranch, 1100, Mr. and Mrs. Lamar Fain, \$1.00.

Dub Sims, Sam Balze, 910, Rhea Howard, 37 1/2 cents.

John Stone, Tom Donnell, 988, F. L. Cruse, 36 cents.

David Frierson, Bob Herren, 825, Mercury Mortgage and Trust Company, 31 cents.

Jerry King, Keith Hereford Ranch, 1100, Heydrick Mapping Co., 32 cents.
