Friday, Mar. 8, 1985

Commissioners receive airport bids

The Coke County Commissioners' Court met in regular session on Monday, March 4, 1985. County Judge Aubrey Denman called the meeting to order, and following the prayer, the minutes of the previous meeting were approved as read.

The first item of business concerned the opening of bids for taxiway and apron construction on the Robert Lee Airport. A representative of West Texas Consultants, Inc. was present for the meeting. Bids from the following companies were received as listed below: Seidel, Inc. (San Angelo) - \$28,836.90; West Texas Consultants, Inc. (Abilene) - \$24,908.70; Reece Albert (San Angelo) - \$25,323.50. The court made a tentative award to West Texas Consultants, Inc., who made the low bid, subject to the review and approval of the Texas Aeronautics Commission.

Colorado River Municipal Water District (CRMWD) officials made a request to the court for permission to construct elevation signs around the lake, and this was approved by the court.

Commissioner Lockett discussed a private citizen's request to rebuild a county road at his expense, according to county specifications.

Complaints concerning trash on the county road leading to the City of Robert Lee Landfill were discussed,

along with a request for the construction of violation signs. Commissioners took no action on this request, due to the city ownership of the landfill.

Commissioners gave their permission to contact the same auditing firm as in previous years, to conduct the annual outside audit report.

The Court approved a GTE request to bury a cable along a county road right-of-way.

The Court approved obtaining new county ownership maps for the County Clerk's office and for the Commissioners' Court Room.

Court approved the following list of Historical Committee members: Precinct #1 - Christine Roach, Wanda Smith, Bonita Copeland, Joan Davis, Lucile Bryan, Hank Baker, and Commissioner George Newby. Precinct #2 - Brenda Hines, Pat Martindale, Cynthia Turner, and Commissioner Billy Joe Lockett. Precinct #3 - Dolores McCabe, Horace Scott, Gladys Waldrop, Mr. and Mrs. Jim Tabor, Mr. and Mrs. Bobby Roberts, Dawn Boykin, Jessie Yarbrough, Elton Mims, and Commissioner Finis Millican. Precinct #4 - Mrs. C.E. Arrott, Susan Arrott, Louvenia Rees, Mrs. Tom Green, Mrs. J.P. Arrott, and Commissioner James A. Tidwell.

Passed a resolution concerning an underground wa-

THE OLD COKE County Jail is the present-day Coke County Museum and is being restored by the Historical Commission and other interested persons. Located one block west of Highway 128 on Chadbourne in Robert Lee, the building has many historical items on display. Of great interest is the "hanging room" where outlaws were "put to death by hanging in the olden days".

ter conservation district.

Approved the resolution to support and endorse the Coke County Water Conservation District.

Court approved the county depository pledge contracts, paid bills, and adjourned.

Community Chest meeting slated

A meeting of all Bronte Community Chest officers, directors, and interested citizens of East Coke County will be held March 12 at 6:00 p.m. in the Hitchin' Post Cafe. Fund raising ideas are welcomed as this will be the main topic of discussion.

Historical workday

The workday for the Historical Commission has been changed to Thursday, March 14 at 9:00 a.m. at the museum (old jail) in Robert Lee. This workday was originally scheduled for March 12. All interested persons should make a note of the new date.

Candidates listed for upcoming elections

As of this writing (March 6), today is the final deadline for filing for candidacy in the upcoming city, school board, and hospital district elections. There is an outside chance that other candidates might file today, and be on the April 6 ballot; so we cannot consider the following lists of candidates to be complete; but those who have filed are listed as follows:

In the Robert Lee Independent School District Board of Trustees election, the terms of incumbents Mary Herring, Donnie Robertson, and Gaylon Pitcock are up, and each of these incumbents have filed for re-election. Thomas Lee has also filed in this election.

In the Bronte School Board election, the terms of Andra Arrott, Larry Spivey, Wayne Arrott, and Ronnie Sims

expire this year, and all have filed for re-election, along with the following other candidates: Lisa Dunn Glenn, Michael Owens, Jerry Truman Parker, and Mrs. Pat Moore. Holdovers in the Bronte School Board election are Pat Martindale, Lynn Phillips, and Jim Morrow.

Regarding the city elections, the terms of Dorris Saunders and Corky Collins expire this year, and both have filed for re-election. Holdovers on the Bronte City Council include Mayor J.T. Henry, Harold Dunn, W.J. Neighbors, and Ed Hart.

In Robert Lee, those with terms expiring are Jody Rodriguez, F.W. (Pete) Prentice, and J.A. Dunklin. All have filed for re-election. Bascom Chesney has also filed. Re-

(cont'd. on page 7)

THIS ANCIENT UNDERWOOD typewriter is now on display in the Coke Co. Museum. The machine is being loaned to the Historical Commission by the family of the late Ben Oglesby, longtime editor and publisher of The Bronte Enterprise and The Robert Lee Observer.

Welsh is new pharmacist at West Coke Hospital

Coke County has a new pharmacist, who is headquartered at the West Coke Hospital facility. Steve Welsh and his family which includes his wife Kim, and children Chris, Corby, and Chelsea, have just recently moved to Coke County from Lamoni, Iowa, where Kim operated a ceramics business, and Steve was attending college and instructing an Anatomy and Physiology course.

Steve is no stranger to Coke County for his great-grandmother was the late Daisy McCutchen, a life-long resident of Coke County. His grandparents are Mary Lou and Charlie Salvato of San Angelo, and his parents are Connie and Charlie Welsh.

"We are pleased to be living here, as my family has been in this area for generations. In fact, we are living in the same house that four generations of us have been raised in," Steve stated.

During his college period, Steve completed upper division science courses, and participated in a graduate level research program in protein and DNA electrophoresis and iso-electric focusing.

Steve indicated that after Chelsea was born (about

three months ago), they decided to move to Robert Lee, even though Kim was hesitant about the move. It all started as a winter vacation from the constant sub-zero temperatures, but quickly changed into a permanent move to Robert Lee and Coke County.

According to Steve, the reason the move to Coke County was made permanent is the exemplary nature of the people here in the county. "At church, the people took great steps to welcome us. My colleagues are not only personable, but of a high-caliber, professional quality. Chris is in a fine school, and the citizens of this town are the friendliest I've ever seen."

"We hope to assist with community service, and it is in this light that the Observer/Enterprise has given me the opportunity to write a weekly column that will be concerned with hospital news, in addition to a commentary on pharmacopia and medicine."

We at the newspaper would like to officially welcome Steve and his family to Coke County, and we are looking forward to his weekly commentary.

Garage, bake sale slated

Friends and relatives will work together to have a Gigantic Garage and Bake Sale to benefit Amelia Trevino who is critically ill with cancer. The former resident of Bronte now living in San Angelo has had a lengthy illness and needs financial assistance.

Plans for the Sale is for it to be held Saturday and Sunday, March 16 and 17 at

the Edward Minjarez residence, 616 N. Railroad, Bronte. On Sunday special homemade Mexican dinners will be for sale on a carry-out basis.

Donations of salable items for the garage sale are needed. Anyone wanting more information can contact Mary Reyes, 473-6741 or Mrs. Edward Minjarez, 473-6441 in Bronte.

Millican's honored with house-warming

Mr. and Mrs. Tim Millican of Robert Lee were honored on Sunday afternoon, Feb. 24, with a House-warming in their home in the Pecan Community.

Hostesses for the occasion were Lola Beth Rogers, San Angelo, Leora McCabe, LaRue Harmon, Minnie Waldrop, Karen Daves, Donna Waldrop, Dolly Davidson, Doris Price, and Mary Jo Harmon, all of Robert Lee.

Refreshments were served to a large number of guests who also toured the couple's home.

Special out-of-town guests

were Mrs. Millican's mother, Mrs. John Heck, of Hays, Kansas and Mrs. Sherry Lacy and family of Amarillo. Mrs. Lacy is Tim Millican's sister.

The Millican house, located near the Pecan Baptist Church on Highway 158 west of Robert Lee, is unique in that it was formerly the Green Mountain School House. Many area residents recall attending school there years ago until the district consolidated with Robert Lee.

The old school has been transformed into a three bedroom home with a large

living room-den combination. It features original oak beams branded with a number of Coke County ranch brands, including several Millican families. Tim and Pam Millican did much of the renovation work themselves over a three year period.

It has been estimated that about 2.5 billion copies of the Bible have been sold in the world since 1816.

The Way We Live Makes Our Electric Meters Run Faster!

In The Winter

Because the sun works less in the winter and we need artificial light, we use our electric lights more. And, since it's cold outside, we tend to go indoors and turn our thermostats up, so we can enjoy the comfort of generated heat. We also use electric blankets in the winter. Electricity can help make winter more comfortable in many ways.

In The Summer

Because the sun works more during the summer months and it's hot outside, we go indoors and turn our thermostats down to make our homes cool. Electric fans that help to cool our homes and electric gardening tools for grooming our yards, among other things, also help make our summers more pleasant.

All Year Long

Because we enjoy the convenience and comfort of:
 electric blenders, can openers, clocks, clothes dryers, clothes washers, dishwashers, door bells, drills, fans, freezers, hair dryers, heating pads, hedge trimmers, irons, lawn mowers, lights, saws, sewing machines, shavers, stereos, televisions, toasters, vacuum cleaners, waffle irons, waste disposals, water heaters and other benefits too numerous to mention, we use more electricity.

Because we're human, we forget about these things until an electric bill reminds us.

WTU is proud to be able to supply all the electric energy you need, and we encourage you to use it wisely.

Bryan receives thank-you

Mrs. Wilson Bryan of Robert Lee received the following letter as a representative of the '64 Study Club in regard to the recent 'shower' to benefit M.D. Anderson's volunteer services.

Dear Mrs. Bryan:

What a wonderful surprise to receive your valuable twenty-three (23) box donation. We were truly overwhelmed! I know how much hard work and time you had to put into a project such as a "shower for M.D. Anderson patients" and words could not begin to tell you how much it is appreciated.

The '64 Study Club, GFWC/TFWC, Heart of Texas District's role with M.D. Anderson has been so beneficial to the patients and to their families. One can look

around the Institution and see that this support is so evident with your recent donation of kitchen supplies, magazines, books, beauty/barber shop supplies, material, etc.

Each of you have expressed your community concern in such a loving and giving way. Certainly when people are coping with cancer extras become very meaningful. It makes all the difference in the world to the patients in their struggle to recovery.

Again, let me express our sincere thanks and appreciation to each and every one of you for all that you have done. Your project was truly an amazing one!

Sincerely,
Mrs. Page Lawson
Director
Volunteer Services

Weddle services held in Emory

Joe E. Weddle, Sr., 82, of Emory, Texas, and formerly of San Angelo, died Tuesday, Feb. 26, 1985, in Tyler Medical Center.

Services were held at 10:00 a.m. Friday, March 1, in the United Methodist Church in Emory. Graveside services were conducted at 2:00 p.m. Saturday, March 2 in Eldorado Cemetery under the direction of Kerbow Funeral Home.

Mr. Weddle was born August 30, 1902, in Glenrose, Texas. He was married to the former Xuma Young, August 1, 1929. Mr. Weddle had lived in San Angelo

approximately 50 years before retiring from Sun Oil Co. The majority of his contract oilfield work was done in the Silver and Robert Lee areas.

Survivors include his wife, Xuma; three sons: Joe Weddle, Jr. of Emory, Jerald Weddle of Del Rio, and Jon Weddle of Paducah; two daughters: Martha Bowen of San Angelo and Mrs. Hal (Jeri) Whitten of Eldorado; 16 grandchildren and 16 great-grandchildren.

Grandsons served as pallbearers and granddaughters served as honorary pallbearers.

10TH & BISHOP

PHONE 453-2652

--- Here's Blackwell ---

by Mrs. Rocky Thompson
Graveside services for Al-
fred Lee Keating, 73, of
Blackwell were held at 10:00
Wednesday, Feb. 20 at the
Blackwell Cemetery.

Darris Egger, pastor of the
First United Methodist
Church officiated, with bur-
ial in the Blackwell Cemete-
ry directed by McCoy Funer-
al Home of Sweetwater.

Mr. Keating passed away
Monday, Feb. 18 at 11:25 in
the Rolling Plains Memorial
Hospital in Sweetwater.

Mr. Keating was born in
Blackwell, where he had
lived most of his life. He was
a farmer and a rancher.

His parents, four brothers
and a sister preceded him in
death.

Survivors are: one sister,
Mrs. J.T. (Clara) Fountain of
Miami, Fla.; three brothers,
Raymond of Sweetwater,
Ernest W. of San Antonio
and Loyd of Brownwood.

Mary Tucker, 79, of
Sweetwater, died at 7:35
a.m., Saturday, Feb. 23 at
the Holiday Retirement Cen-
ter in Sweetwater.

Services were at 3:30 p.m.
Sunday afternoon, Feb. 24 at
the McCoy Funeral Home
Chapel in Sweetwater, with
the Rev. Max Smiley officiat-
ing with burial in the Black-
well Cemetery.

Mrs. Tucker was born in
Nolan County, June 3, 1905
and married William Odell
Tucker Oct. 20, 1921 in
Nolan County. He preceded
her in death Aug. 20, 1984.

Survivors include one daugh-
ter, Mary Helen Hardin,
Sweetwater; four sons, Cla-
rence Tucker, Midland, Roy,
Ft. Stockton, William Earl of
Amarillo and E.J. of Black-
well; three sisters, Florence
Blankenship, Brownwood,
Eunice P. Dudley, Mona-
hans, Rosa Lee Bagett, Mid-
land; two brothers, W.E.
Blair, Merkel, Johnny Blair,
Monahans; 14 grandchild-
ren; 18 great-grandchildren
and three great-great-grand-
children.

Pallbearers were: Blake,
Rodney and Lee Tucker,
Larry Carter, Larry Douglas
and Will Lenoir.

Mr. and Mrs. T.J. Oden
received word that their
daughter, Lana Goodman of
Douglas, Texas, had fallen
at school that afternoon and
broken her left arm. She is a
teacher, and had hoped to
return to her work, but was
still having quite a lot of
pain.

The UMW met Monday,
Feb. 25 in the home of Mrs.
T.J. Oden, with 8 members
and 2 visitors attending.

The meeting was called to
order by the President, Mrs.
Weldon Tucker, who also
gave the opening prayer.

The minutes of the last
meeting were read and stood
approved as read.

It was reported that all
members not having a mis-
sion pin would receive one at
our Mother-Daughter Ban-
quet in May.

The program was given by
the Rev. Weldon Tucker,
who gave the study on
Ephesians.

The members attending
were: Emma Lee Lanier, Ida
Odom, Bobby Barrett, Gra-
cie Spence, Mary Louise
Alderman, Laura Seale,
Juanita McRorey, Inez Tuc-
ker, Winnie Odom, Rev.
Weldon Tucker and David
Shipman, the Tucker's
grandson.

A delicious refreshment
plate was served of sand-
wiches, potato chips, pick-
les, cherry tarts with spiced
tea and coffee.

The next meeting will be
Monday, March 12 in the
home of Bobby Barrett and
the Rev. Tucker will give the
program, the continuation of
the study on Ephesians.

Blackwell received .7 of an
inch of rain on Wednesday
and Wednesday night and
then Friday night, Saturday
received one inch of rain,
with lots of wind and thunder
and lightning.

Mrs. L.C. Lofland is a
patient in a San Angelo
hospital where she was to
have surgery Monday morn-
ing. We are sending her our
prayers and wishing her a
very speedy recovery.

Mr. and Mrs. Cecil Crain
visited last Sunday afternoon
in San Angelo with their son
and his family, Mr. and Mrs.
Kenneth Crain and children,
Kelly and Chad, and other
relatives and friends.

Mr. and Mrs. Woodie
Howell and Amie had as
their visitors over the week-
end, her uncle, wife and son,
Mr. and Mrs. Henry Whitten
and Steven of Big Spring.

It is reported that there is
still quite a lot of minor
illnesses; therefore, no one
is visiting much, so here's
hoping to have more news
soon.

HONORED ON BIRTHDAY

Amie Howell was honored
on her 7th birthday by her
mother, Patti Howell at their
home Friday afternoon, Mar.
1

Refreshments of cake,
baked by her mother, ice
cream, punch, and coffee
and Kool-Aid were served.

The home was decorated
with colored balloons, which
were presented to each of
the children, along with a
cup of candy.

The main attraction of the
party was when her parents,
called her to the backyard to
see her birthday gift, a small
pony, which had already
been named "Cinnamon".

Children attending were:
Jamie Rogers, Cyndi Carl-
ton, Michelle Pate, Mandy
Andrews, B.J. Hejl, Connie
Sawyer, Katie Winnett, Eli-
zabeth Jones, Paula Rhynes,
Julieanna Holick, Amber
Mulanax and the honoree.
Adults attending were Bill
and Dorothy Whihon from

Big Spring, Amie's grand-
parents, Savannah Thomp-
son, Cathy Winnett and Jo
Ann Rhynes.

A very enjoyable time was
had by all and we all wish
her many, many more happy
birthdays.

Amie's father, Woodie
Howell is Blackwell's new
Chief of Police and they have
only been here two months.

We are all glad to have
them with us and hope they
stay with us for a long time.

Blackwell had another
good rainy afternoon last
Thursday receiving about 1/2
inch of rain and receiving
another .2 Sunday night.

LOOK WHO'S NEW

Mr. and Mrs. Patrick H.
Lewis are proud to announce
the arrival of a son, Jason
Patrick. He was born Janu-
ary 26, 1985.

Maternal grandparents
are Mrs. Betty Kinnard of
Trent and Clay Kinnard of
Clyde. Paternal grandpar-
ents are Mr. Hugh S. Lewis
Jr. Great-grandparents are
Mr. and Mrs. Clyde Jones of
Brownwood and Mrs. Lexie
Lewis of Bronte.

Louise Huddleston services held

Louise Edna Tracy Hud-
dleston, 8139 South Foster
Rd., San Antonio, died
March 1, 1985 at 1:00 p.m.
in State Chest Hospital there
following a lengthy illness.

Funeral services were con-
ducted at 3 p.m. on March 4
in Dellcrest Funeral Chapel
followed by interment in a
San Antonio cemetery.

Mrs. Huddleston was born
July 4, 1911 in Oklahoma.
She worked for Manitzas
Bros. Cafe in San Angelo
several years before moving
to San Antonio, where she
met and married Fred Hud-
dleston May 24, 1959. Fol-
lowing Mr. Huddleston's re-
tirement from a San Antonio
newspaper, the couple turn-
ed to the operation of their
feed store and restaurant in
east San Antonio.

Survivors include her hus-
band, Fred, of the home; one
son, Bascom N. Chesney,
Robert Lee; one step-son,
Freddie Huddleston; one
step-daughter, Joyce Zotjas;
two sisters; one half-brother;
all of San Antonio; five
granddaughters; and one
grandson.

Literary meet scheduled

News notes from the office of Bronte Supt. Michael Hartman include a U.I.L. literary meet for Jr. High and Elementary students on the Bronte campus Saturday, March 9. Schools participating will be Bronte, Black-

well, Robert Lee, Divide and Trent.

Also, parents and students are reminded of the upcoming spring break March 11 through March 15. Classes will resume at the regular time on Monday, March 18.

Soil Conservation Comments

The nation's cultivated cropland is eroding at an average rate in excess of 8 tons per acre each year, more than the rate at which eroded soils are replaced through natural processes. In some places the losses are much more severe. For example, some Tennessee farms are losing 150 tons per

acre per year and some eastern Washington farms are losing 200 tons.

Topsoil is essentially the "cream" of the soil. It has the most nutrient matter and the best soil structure for aeration, moisture and temperature.

When we see soil, we think of it as dirt. But that was not always the case. Originally the word "dirt" meantcrement, and "soil" meant earth or ground. In the 18th century, as industrial centers grew, "dirt" began to refer to mud, soil, mold, or earth. "Soil" became a verb, meaning to dirty, to contaminate with filth.

There are about 70,000 different soil types in the U.S. which vary by origin, parent materials, age and climate. Some of these soils can claim surprising origins. The mid-Western American soils, for example, contain silt blown all the way from Asia.

Abilene to host Ag hearings

Cong. Charles W. Stenholm has announced that Abilene will host one of the two hearings scheduled by the House Agriculture Subcommittee on Cotton, Rice and Sugar to discuss the 1985 farm bill.

The Abilene hearing, which will be held at Abilene Cooper High School, 3639 Sayles Blvd., will begin at 9 a.m. Saturday, March 16. The hearing will give farmers a chance to testify on cotton programs and other issues, such as credit, the Stamford Democrat said.

Cong. Jerry Huckaby (D-La.), the chairman of the Subcommittee on Cotton, Rice and Sugar, will accompany Cong. Stenholm to the Abilene meeting. Other Members of Congress are also scheduled to attend the hearings. A hearing to discuss cotton, rice and sugar will be held in West Monroe, La. on Friday, March 15.

"Before we drag an omnibus farm bill this year, I want our farmers and agribusinessmen to have this one, last chance to give us their opinions and advice. This is important before we start markup on the '85 farm bill," said Cong. Stenholm, a fourth-term member of the House Ag Committee. "Re-

cently in Congress, we have been dealing with quick-fix, short-term relief for the farming industry, but this isn't the answer. The ultimate answer is in coming up with a long-term farm policy that will allow stability and profitability to return to agriculture. This is the opportunity for farmers to have a hand in developing such a policy."

Huckaby, a Democrat from Ringgold, La., said, "We have seen the Administration's proposals for drastic changes in our cotton, rice and sugar problems, including such sharp reductions in price and income support levels. Now we want to hear what others have to say about how we can deal with these problems."

"Stonewall" Jackson's real name was Thomas Jonathan Jackson.

Camping can be comfortable

If you like camping but don't own a camping trailer and don't want to bother with a tent, there is an alternative - Kamping Kabins. These low-cost, rustic cabins, introduced into the Kampgrounds of America (KOA) system in 1981, have proven so popular that they will be made available at more than 300 KOA campgrounds throughout the United States and Canada this summer.

The cabins offer the comfort and security of sleeping indoors with all the fun and economy of camping out. They include beds, mattresses, a table, covered porch with seating and a nearby picnic table. The cost of about \$20 a night for a family of four is considerably less than the average motel room, which the American Automobile Association (AAA) estimates at \$53.

The cabins provide an ideal and easy-to-manage vacation for families with children. Guests have access to all services and KOA facilities, including swimming pool, playground, game room, laundry facilities, a convenience store and rest rooms with hot showers.

Families must provide their own sleeping bags or bed linen, camp stoves, lanterns, and cooking and eating utensils.

For a free directory listing all Kamping Kabin locations throughout the United States, write to KOA Kamping Kabins, Dept. J85, P.O. Box 30558X, Billings, Mont. 59114 or call (406) 248-7444.

West EMS sponsors Special Skills course

The West Coke County E.M.S. is sponsoring an EMT-Special Skills course in Robert Lee. This is the first class held in this area for volunteers. Volunteers with the local ambulance service who have enrolled for this class include George Brickley, Gene Hinnard, Mike Fluhmann, Judy Williams and Dorothea Helen Wright. Course Coordinator Lou Wright reports that Dale Lipsett (Eldorado) and Ernie Mauk (Brownwood) have also enrolled. The course is designed to teach the EMT-Basic the special skills of administration of intravenous fluids (IVs), maintenance of airway (with insertion of endotracheal tubes and esophageal obturator airways) plus the use of MAST (medical anti-shock trousers). Dr. Terry Pulse, Medical Director for the service notes that these advanced skills are very important in rural areas. He is quite excited about this course and pleased that we have volunteers willing to take the class. Students will spend over sixty hours in the classroom, fifty hours on ambulance runs plus fifty

hours of in-hospital training.

The Texas Association of Emergency Medical Technicians Executive Council meeting was held Sunday, March 3, in Austin. Lou Wright, state secretary, was in attendance. Dorothea Helen Wright also attended the meeting to serve as proxy for the Regional Chairperson, Vivian Perry of San Angelo, who was unable to attend. This group sponsors continuing education for EMTs and is the professional organization for EMTs within the State of Texas. Work is well underway for the annual General Assembly which will be held in San Antonio April 29-May 1st. This meeting is held in conjunction with the annual meetings of The Emergency Department Nurses' Association and the Texas Chapter of the American College of Emergency Physicians. It is hoped that several of the local volunteers will be able to attend this meeting.

Marcia Johnson, R.N. and Cecil Brewer, both volunteers with the West Coke

County E.M.S. recently completed a 40 hour EMS course designed to qualify them to work on the local ambulance service. Course Coordinator Dorothea Helen Wright was notified last week that both had passed the state exam for certification and that both are now certified Emergency Care Attendants. Miss Wright noted that it is only with the help of willing volunteers that an ambulance service can be provided in rural areas of Texas. She said, "I think everyone should thank them for being willing to take the time for this training and for being willing to help with the ambulance." Mrs. Johnson is director of nurses at the West Coke County Hospital District while Mr. Brewer is retired and living in Edith Estates.

4-H'ers place well at Houston Show

by Tommy Antilley

Several Coke County 4-H members exhibited their animals in the Houston Livestock Show and made an excellent showing in the largest junior livestock show in the world.

In the market barrow show, barrows were sifted from an initial 2,300 to approximately 1,000 head. Gary Blair, son of Mr. and Mrs. Frank Blair of Bronte placed his lightweight Other Pure Breed twenty-second.

In a lamb show consisting of about 2,100 market lambs, Scott Antilley, son of Mr. and Mrs. Tommy Antilley of Robert Lee placed his lightweight Crossbred twenty-first.

Shane Kelton, son of Mr. and Mrs. Steve Kelton of Bronte exhibited his short-horn steer to twelfth place in one of the largest steer shows in recent years.

All of these 4-H members did a fine job of showing and represented Coke County 4-H extremely well against some difficult competition.

Fishermen brave cold to catch stripers on Lake Spence

Fishermen with courage enough to brave the cold winds off Lake Spence are being rewarded with good catches of striped bass. Since stripers thrive in cold, deep water, the time is right to pursue that trophy bass.

Numerous catches have been made in the last six weeks or so from the bank as the stripers chase shad into shallow water when feeding. These have ranged mostly in the 8 to 14 pound class.

According to Ray Windsor of Paint Creek Marina, control of fishing depth is the secret of striper fishing. He contends that by trolling with artificial lures or baits, a fisherman can achieve better control of where he wants to fish.

He has weighed many striped bass in recent weeks of 17-22 pounds. His certified scales are legal for weighing, one of only two pair in the lake area.

Some striped bass fishermen strongly support the live bait method for snagging the lunkers. One of these obviously is Eddie Lewis of Ballinger who earlier in the month broke the Lake Spence striped bass record with a monster catch of 30 lb. 4 oz. He was using live goldfish for bait. His fish was weighed in on certified scales at Circle R Grocery on Hwy 158.

This tops Eddie Braswell's 30 lb. 2 oz. bass taken last summer on an artificial bait. Braswell of College Station had taken the top spot from Jerry Stanaford of Midland who only held that distinc-

tion for a couple of weeks in June with his 30 lb. 1 oz. striper.

So get some good strong tackle, warm clothes, the bait of your choice and head for Lake Spence. You could experience the greatest thrill of your fishing career.

PAINT CREEK MARINA

No confirmed report.

GAS & GRUB #2

Arley Barnett, Amarillo, 1 striper bass, 11 lbs.

Jack Roye & R.C. Rainwater, Robert Lee, 2 stripers, 15 lb. each, 1 crappie, 15 blue cat and 6 channel cat.

Wayne Tyler, Odessa, 3 black bass, 5 lbs., 3 lbs. and 1 lb.

Joe Stracener, San Angelo, 1 striper, 8 1/4 lbs.

Marge Richard, Robert Lee, 1 black bass, 4 1/2 lbs.

Johnny Elam, Bronte, 1 black bass, 3 lbs. 14 1/2 oz.

CIRCLE R

Sara Carleton, Hobbs, N.M., 1 black bass, 2 lbs.

AGENT PLANS SEMINOLE PATCHWORK PROGRAMS

Seminole Patchwork was started by the Seminole Indians in Florida. It is a technique so simple and clever with a finished appearance that is intricately complex.

Basically, Seminole Patchwork is made by sewing strips of fabric together, cutting those strips into pieces, then sewing those pieces together in offset positions. Anyone that can sew straight seams can do Seminole Patchwork - and it is all done on the machine.

Debbie Reber, County Extension Home Economist with demonstrate Seminole Patchwork at Lunchtime Learning Program from 12:15 to 12:45 in Robert Lee on Tuesday, March 12, (Courthouse) and in Bronte on Thursday, March 14, (Community Center). Interested persons are welcome to bring a brown bag lunch to the program.

"Advertisements are the most interesting and difficult of modern literary forms."

110 EAST BROADWAY SWEETWATER, TEXAS

...Elections

maintaining members of the city government in Robert Lee are Mayor Robert D. Vaughan, Alice Beaty and Wilson Bryan, Councilmembers.

Concerning the Hospital District elections, on the east side of the county, those with terms expiring include: Mary Glenn and Stover Taylor. Both incumbents have filed for re-election. Hold-over board members include

(cont'd. from front page)

LeDrew Arrott, Noel Perci-full, and Eddie Alexander.

In the west side hospital race, the terms of Dale Wojtek and Richard Johnson are up this year, and both have filed for re-election.

Election date is set for April 6. Remember to vote in the upcoming city, school board, and hospital district elections.

PEANUTTY JUMBOS

- 3/4 cup powdered sugar
- 1/2 cup graham cracker crumbs
- 1/4 cup peanut butter
- 2 tablespoons margarine or butter, melted
- 1 tablespoon milk
- 2 (10-oz.) cans Hungry Jack refrigerated flaky biscuits

FROSTING

- 1 cup powdered sugar
- 4 teaspoons peanut butter
- 4 teaspoons margarine or butter, softened
- 3 to 4 teaspoons milk
- 2 tablespoons finely chopped peanuts

Heat oven to 375°F. Lightly grease 2 cookie sheets. In small bowl, combine powdered sugar, graham cracker crumbs, peanut butter, margarine and milk; blend well. Separate dough into 20 biscuits. On prepared cookie sheets, press or roll 10 biscuits to 4-inch circles. Gently pat 1 rounded tablespoonful of graham cracker mixture over center of each circle. Press or roll remaining 10 biscuits to 4-inch circles. Place each over filling. Press edges with fork to seal.

Bake at 375°F. for 11 to 18 minutes or until golden brown. Remove from cookie sheets; cool. In small bowl, blend all frosting ingredients except peanuts until smooth. Spread over rolls; sprinkle with peanuts. 10

Minimize your credit card risks by taking steps listed

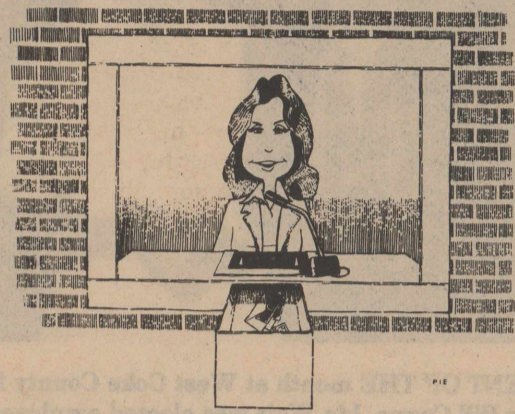

Minimize your charge card risk by taking the following actions:

- Ask for and destroy the carbons of credit charge slips.
- Give out your card number over the phone only for specific purchases and only when you know the party you are dealing with.
- Watch the sales clerk imprint your card. Make sure they imprint only one sales slip. Don't leave your card with a sales clerk or attendant while you do other things, such as pump gas.
- Carry only the cards you plan to use. Keep the others in a safe place.
- Keep a list of all your cards and the account number separate from the cards. Also keep a list of emergency phone numbers to call in case of a billing problem or card loss.

• Keep the receipts together and check them against the monthly statement.

• Report unauthorized charges, lost cards and other card problems immediately.

Stop by and meet our quick change artist

Complete your bank transactions from the comfort of your car, truck or van by using our convenient drive-up window. All transactions are handled fast and accurately. Our quick change artist will take your deposit or cash your check in a hurry, and have you on your way.

Potluck luncheon slated

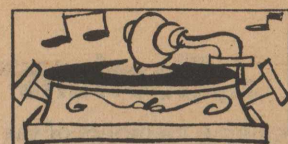

Bronte Senior Citizens will have their regular monthly potluck luncheon and game day on Thursday, March 14 at 10:00 a.m. at the Bronte Senior Citizen Center.

All seniors are invited to be present and share in the

day's events.

The regular potluck luncheon and game day for Robert

Lee Senior Citizens will be on Friday, March 15 at the Robert Lee Senior Citizen Center.

The first jukebox was installed at the Palais Royal Saloon, San Francisco, in 1889. It consisted of an electrically-operated phonograph with four listening tubes.

RESIDENT OF THE month at West Coke County Nursing Home is Bill Capps. Ida Weir was elected employee of the month.

Records of people dancing exist in cave paintings in northern Spain. Scientists think these pictures were drawn about 50,000 years ago.

ROWENA CATFISH FARM
OPEN FOR SEASON
 Taking Orders for **Fingerlings.**
 (915) 365-3231

Youngsters who improvise can learn to fish on their own if necessary.

Kids, you're on your own

OK, kids. This is a story for you. Tired of Dad's excuses for not taking you fishing? Mom or Big Brother's just not interested?

Then why not do it yourself?

There are bound to be plenty of places within a safe bike-riding distance from your home. All you'll need is your parents' permission, some starter gear and some advice. In a short time you'll be fishing and catching.

The first thing you'll have to find out is where to fish. Friends, neighbors and your local fishing store can be a big help in suggesting places to fish. "Most fishermen and tackle stores are eager to help you get into fishing," says John Brett, head of Garcia's Fishing Pro Staff.

The second thing is to find some equipment. Ask Dad or Mom if they have any old rods and reels you can use. Sometimes there is old equipment in the corner of a garage, cellar or attic that's great for starters. If there's no equipment at home, ask a neighbor or ask Mom or Dad to buy you an inexpensive rod and reel. You may want to dip into your piggy bank!

The next step is to find something the fish will bite. Garden worms are the best all-around bait for most fish, and all you have to do is dig some up. Ask Mom and Dad for some hooks and bob-

bers. Now you're all set to start out.

Later, as you get into fishing and it becomes more fun, you can try artificial baits. But for now, worms will catch fish.

If you're going to ride your bike, remember safety first. Try to pack your equipment away from the wheels, chain and handlebars. If you have a carrier on the rear fender, strap it all down there. And always tell your parents what time you'll be home. Take a watch or clock with you and be on time. If you're not, Mom and Dad will not only worry and come looking for you, but they might not let you go fishing the next time.

If you can't ride your bike, ask your parents to drop you off and pick you up at a predetermined time.

Learning to fish can be an invaluable experience, say Garcia experts. Besides, there's a lot to be said for learning on your own and developing your own style. And just think: It could provide that opportunity for you to say, "Look Dad, you're doing it wrong. Let me show you how..."

For the free booklet "Tips to start fishing by," send your name and address plus 25 cents for postage to: Garcia, Kids' Fishing Team, Dept. J85, 21 Law Drive, Fairfield, N.J. 07006.

Get ready for new fishing season

It's a good idea to spend time preparing for the new fishing season. Following this guide will make the first fishing of the year both enjoyable and productive:

- Rod guides: Check alignment; rewrap if necessary; replace broken guides; examine for nicks that would damage line. Check rod ferrules for damage and fit.

- Reel seat: If it's loose, you may need a new rod; lubricate if bound; wrap metal spinning reel seat and reel foot with electrician's tape for cold-weather use.

- Reel operation: Tighten nuts and screws; lubricate as necessary; check bail, line winding, gear engagement and anti-reverse; repair or replace bad parts.

- Reel drag: Pressure should be min-

imal when the reel is not being used. If the drag binds, hesitates or yields line erratically, new washers may be needed.

- Fishing line: Replace very old line and line that has abrasions.

- Terminal tackle: Check swivels, snaps, bottom rigs, leaders, sinkers, etc., and repair or replace them as needed.
- Hooks: Sharpen old and new bait and lure hooks; discard corroded hooks; examine points, barbs and eyes.

- Organization: Clean tackle box interior; organize boxes and fishing vests; arrange lures by type, weight, color, style or other classifications.

- New tackle: Stock up on items that may not be available later in the year.

- Practice: Cast to outdoor targets using a hookless lure or casting plug. This helps you get accustomed to old or new tackle and sharpens your skills.

TEXAS GARDENER TIPS

Protect Your Lawn From Thatch Build-Up

Thatch, a condition created when grass clippings and other organic matter build up in your lawn, can be both desirable and destructive.

To be beneficial, a layer of thatch should not exceed one-half inch in depth. At that level, thatch forms a cushion in the lawn which will help it withstand the wear and tear of normal use. It also insulates the soil from high temperatures and reduces water evaporation.

However, if the thatch layer becomes too deep, it may seriously reduce water movement in the soil. It also will reduce soil aeration needed for root growth, increases disease and insect problems, and creates a barrier for the movement of insecticides and fertilizers.

The major cause of thatch build-up is the use of high rates of soluble nitrogen fertilizers. Nitrogen stimulates growth and can produce plant

residues faster than they can be decomposed.

A lawn with too much thatch is spongy. To estimate the depth of thatch, remove a small section of turf, making sure you cut deep enough to go through the thatch layer and into the soil. Measure the amount of thatch. If it's thicker than a half inch, take action.

The best time to remove thatch is in the spring before the lawn turns green. There are specially designed machines for this task with blades that rotate up and down, called vertical mowers, power rakes or de-thatching mowers. When using any of these machines, make sure the blades

penetrate into the soil layer. On St. Augustine lawns, the knives should be spaced 2 to 3 inches apart; on bermuda grass, 1 to 1 1/2 inches. The lawn should be mowed vertically in two or three directions, each time removing the material brought up by the mower.

Another means of thatch control is to lower the height of the lawn mower's blade for the first cutting in the spring. Mow the lawn in several directions, removing the dead material after each mowing. This method is not as effective as using a vertical mover.

The most desirable way to control thatch is through prevention, which can be accomplished by following a good lawn care program.

Homemakers report meetings

The Extension Homemakers Club of Bronte report two club meetings on February 22 and March 1 at the Senior Citizens Center.

The first meeting was hosted by Virgie Arrott, who presented the opening exercise entitled "Love Your Neighbor". Roll call was answered listing materials needed for preparing income tax reports, followed by a program presented by Louvenia Rees on "Income Tax Strategy".

Mrs. Arrott served refreshments to Betty Green, Marie Arrott, Drexel Ragsdale, Virginia Boatright, L. Rees and Lela Parker.

Vera Raney presented an enjoyable book review on "I

Should Have Seen It Coming When the Rabbit Died" by T. Bloomingdale as the program at the March 1 meeting.

Virginia Boatright served as hostess and gave the opening exercise "Think It Over". She served refreshments to members: Marie Arrott, Virgie Arrott, Betty Green, Louvenia Rees, Drexel Lee Ragsdale, Lela Parker and to the following visitors: Vera Raney, Helen Kirkland, Anna Laura McShan and Ella Clyde Black.

The next club meeting's topic will be gardening to be presented by the county agent on March 12 with place to be announced later.

Manning, Harris wed in Angelo

Sue Manning of San Angelo, formerly of Tennyson, announces the marriage of her daughter, Debbie to Mike Harris of San Angelo on February 22.

The bride is a graduate of Bronte High School and attended ASU. The groom, son

of Charlie and Lorene Harris of San Angelo, is employed in the Tom Green County Sheriff Dept.

The couple is making their home in San Angelo.

Grandparents of Mrs. Harris are Robert and Lora Bell Brown of Tennyson.

NOTICE OF APPLICATION FOR FLUID INJECTION WELL PERMIT

Anadarko Production Company, P.O. Box 2497, Midland, Texas 79702 has applied to the Railroad Commission of Texas for a permit to inject fluid into a formation which is productive of oil or gas. The applicant proposes to inject fluid into the Swastika and McCutchen Sands, Coke County SWD, Well Number 1. The proposed injection well is located 7 miles SE from Robert Lee in the Wendkirk (Cisco) Field, in Coke County. Fluid will be injected into strata in the subsurface depth interval from 3714 to 3792 feet.

LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas.

Requests for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, Drawer 12967, Capitol Station, Austin, Texas 78711 (Telephone 512-445-1373). 29-1tc

Mar. 3: Daisy Henderson, Ila Weir and Mary Hinton admitted. Finis Harmon dismissed.

Mar. 4: Rebecca Fuentez admitted and Margie Windsor dismissed.

High March winds usher in Mountain Creek golf tourney

Typically high March winds ushered in the opening golf tournament last Sunday at the Mountain Creek Golf Course in Robert Lee. Although temperatures were mild, gusting winds did hamper the day's play.

The event, a 27 hold meet, attracted 40 teams.

Topping the field in the Championship Flight were Grey Day and Gary Doan of Midland with a 100 carding. They were followed by Lonnie Taylor and Nick Barnes of San Angelo in second place with 103. Equaling that score for 3rd spot were Barry Jackson and Abel Munce of San Angelo.

Heading the 1st Flight were Ed Grimes and Wayne Matasly of Brady with a 103 also. Second place went to Buster Sayles and Marcus Salas of Brady at 106. Vernon White and Rusty George of San Angelo shot a 110 for 3rd place.

Tim and Pat Weaver of

San Angelo also fired a 110 to grab first place in the 2nd Flight. They were chased in by Scotty Chastain and Jerry Urbanke of San Angelo who came in at 111 for 2nd as Jim Morrow and Davis Corley finished 3rd with another 111.

Third flight was won by locals Bob Boone and Tony Smith with a 120 tally. Danny Carper and Ron Gibbs of Robert Lee garnered second with a 122 followed by Mike Percifull and Northcutt of Sonora totaling a 124 for the 3rd place slot.

The Spudd Shack in Robert Lee will sponsor an ABC tourney on Sunday, March 17. Entry fees are \$6.00 with a 12:30 p.m. tee-off time.

Earthworms make the soil richer by digesting organic matter and recycling nutrients. One earthworm can digest 36 tons of soil in a year.

PERSONAL

Mrs. Joyce Kane returned to her home in Eatontown, N.J. after spending two weeks to help care for her mother, Mrs. Mary Hinton, while she was in St. John's Hospital and after returning

to West Coke County Nursing Home where she resides.

Mrs. Kane made her headquarters in the Turney Casey home during her stay in Robert Lee.

Club enjoys international cuisine

Dishes of International cuisine were enjoyed by members of the Sorosis Study Club when they gathered in the home of Dorthey Pruitt last Thursday evening.

The culinary arts was the topic for the evening's program. Each member prepared a ethnic dish and some were dressed in costume representing the country from which the dish origina-

ted. Oriental, Mexican, Indian and French dishes were just a part of the tasting. A general discussion about favorite foods and places they were eaten added to the enjoyment of the evening.

Attending the affair were Mmes. Bobby Lee, Betty Lee, Pat Oglesby, Rachel Robinson, Virginia Boecking, Mary Frances Glenn and Dorthey Pruitt.

Blackwell hosts volleyball

The Junior Class of Blackwell High School under the sponsorship of Allie Schoen hosted a week-long volleyball tournament for men, women and mixed teams.

Teams from Robert Lee, San Angelo, Bronte, Tuscola, Oplin and Novice competed.

Winners in the women's category were: 1. Bronte; 2. Tuscola; 3. Novice. Men's category winners were 1. Roland's Welding, Black-

well; 2. San Angelo; 3. Rousters, Oplin. In the mixed category winners 1. San Angelo; 2. Tuscola; 3. Spikes, San Angelo.

The tournament was very successful and the class wishes to thank the junior class members and parents who operated the concession stand and kitchen and everyone who entered and attended the tournament.

McCabe presents club program

On February 27, thirteen members of Alpha Kappa Pi met in the home of Dianne Simpson. Dolores McCabe presented the program.

The Beta Sigma Phi State project will receive a donation from Alpha Kappa Pi. Blake Williamson, stricken with the San Phillippe Syndrome, and the son of a Beta Sigma Phi will be the recipient of funds raised statewide.

Correction

In last week's paper, we incorrectly stated that none of the incumbents in the Robert Lee School Board race had filed for re-election. This information was incorrect, due to a misunderstanding on our behalf. In fact, all three incumbents, (Mary Herring, Donnie Robertson, and Gaylon Pitcock) whose terms are up, had refiled at that time, and are running for re-election. We regret the error.

The next meeting will be in the home of Jo Rynnion. Coe Lewis will be guest speaker.
