## Benefit nets \$2,000 for hospital

Sponsors and supporters of a benefit dinner and dance last Friday night raised \$2,207.00 (\$1907.00 net) for equipment at West Coke County Hospital.

Social aspects of the occasion were a big plus while helping fund a worthy cause. Held at the Coke County Park in Robert Lee, the B-B-Q and Fish Fry were held outdoors lending a picnic air to the dinner with just-right cool breezes. It was well attended by people from both sides of the county. The dance began at 9 and continued until 12:30 with good music and plenty of refreshments. The new Rec

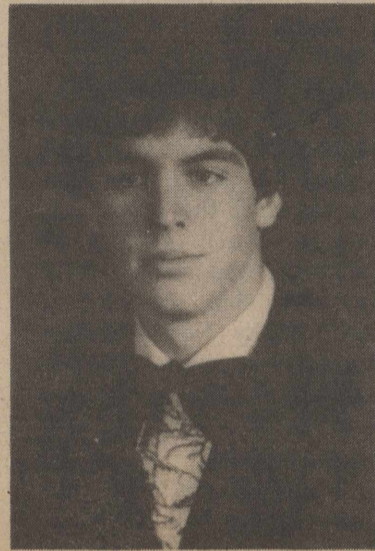

Hall was dressed in western attire with hay bales, riding tack, flowers, and country quilts. Everyone present seemed to be having a wonderful time.

The function was attended by a number of out-of-town guests, including professional people in the medical field.

Marcia Johnson, director of nurses at WCCH, commended all who helped make the benefit a success including personnel who devoted time for planning, food, clean-up, decoration, and ticket sales. Special bouquets should go to Joe Barrett for the cooking and

cutting up of the meat, Joyce Roach Dawson who donated and cooked the fish, Ara Burns who furnished much of the decorative items, and to the Country Jokers for the good dance music. The community, county-wide, made a terrific response to the benefit campaign.

Recognition should also go to those who made generous cash donations to the fund including Mr. and Mrs. Kenneth Lackey, Dr. and Mrs. Tom Reid, and Ike and Bernadine Bailey, \$100.00 each, Dr. and Mrs. Tharwart Hamamcy, \$250.00 and Dr. Terry L. Pulse, \$250.00.

SELECTED AS OUTSTANDING Boy and Girl for 1984-85 by Bronte faculty members are Doug Tounget, son of Billy and Charlotte Tounget, and Lesa Dyess, daughter of Royce and Frances Dyess.

### Sara will receive transplant

Warren and Dorcas Tomlinson of San Angelo have faced some tough situations over the last three years but the greatest of these may be before them. Their small daughter, Sara, a bright, beautiful three-year-old, has been accepted as a candidate for a liver transplant by the Transplant Center at Children's Medical Center in Dallas.

Sara Tomlinson

Sara was born Jan. 13, 1982 at Shannon Hospital in San Angelo and at eight weeks of age underwent surgery in which a loop of the small intestine was re-fashioned into a bile duct. She is cared for in San Angelo by Dr. Robert S. Patyrak who has stated that children with non-working liver bile ducts (biliary atresia) cannot survive. She would have a 75% chance of surviving to adulthood with a liver transplant. There is a steady process of poisoning to the body, obvious in yellowed eyes and jaundiced skin. Sara has not at this time suffered from the internal bleeding or other side effects associated with the disease.

Dr. Patyrak commended the couple for handling their mountain of medical bills alone, without insurance, for

the first three years, but says the burden of the \$150,000 needed to save Sara's life is almost insurmountable. Mrs. Tomlinson was told that 'the cost will not have to be paid in a lump sum but concrete proof that the obligation will be met must be presented'. A trust has been established as the Sara Tomlinson Liver Fund, First City National Bank, P.O. Box 4031, San Angelo, TX. to help the family receive donations.

Warren Tomlinson operates the Sonrise Auto Parts Store on East 19th. Mrs. Tomlinson, a long-time elementary teacher, now stays home with Sara, and two-year-old Andrew.

Tomlinson was raised in Bronte and graduated from Bronte High School. He is a brother of Geneva Simpson and Bobbie Arrott, both of Bronte.

### JP's attend seminar

The training center is based at Southwest Texas State University in San Marcos. The seminars are held in compliance with Article 5972, Section B, of the Texas Revised Civil Statutes. Among the judges attending was Cecil Kemp of Bronte, Coke County, Precinct 2.

Dear Friends,

This letter is to inform you of a need we have at West Coke County Hospital. The need is a Fetal Monitor. In May we will begin delivering babies again, this equipment would be very beneficial for the safety of both mother and baby.

In the past couple of years there have been several major purchases of life saving equipment. This has been very costly and that is why we need your help.

The Fetal Monitor will cost approximately \$7,500. We can pay for it in three monthly installments with no interest charged.

We are very fortunate to have Dr. Pulse and Dr. Hamamcy in our hospital and serving the people in the area. We hope for this to be a project where everyone who reads this will want to do his or her part.

If you want your donation to honor someone or to be a memorial, please let us know. If you have any questions call the hospital 915-453-2511 Ext. 26. Your donation is tax deductible and can be given at the hospital or mailed to West Coke County Hospital, P.O. Box 1209, Robert Lee, TX. 76945 and with your approval we will publish your name in the paper as a donor. Your cooperation will be greatly appreciated by everyone.

Sincerely yours,

## Athletic Banquet held

An overflow crowd gathered at the school cafeteria in Robert Lee last Friday night to honor 1984-85 athletes at the annual Athletic Banquet as every chair was taken.

Bill Krisher, a well-known professional athlete and speaker for the Fellowship of Christian Athletes, spoke at the function. He emphasized to all the young people that they should always be a good example and representative in everything they ever do, to influence those who watch or follow after.

Several individuals were recognized and a number of awards given, the most prestigious of which was the coveted Steer Award. Phil Stephens, a senior, and son of Mr. and Mrs. Joe Stephens, was chosen by members of the Steer football squad for his contribution to the team. The award, along with an emotional speech by head coach and athletic director Nelson Coulter, brought to mind the magic

football season shared by players, personnel, and fans.

The Service Award, given to a contributing fan, went to George Grim. Cheerleaders Grim, Longoria, Bower, Gartman, and Clendennen were recognized for support through the year. Missy Grim, football sweetheart was also introduced. The Senior boys track team members were presented individual awards from the Junior boys for their leadership. Coach Wayne Alexander received a fishing rod and reel to pursue his favorite hobby from his basketball girls. The Senior boys presented the coaching staff, Coulter, Poehls, Alexander, Anthony, and Bolding, with a plaque for their service to the school's athletic program. It was noted during the banquet of the supreme effort given by all the participating athletes and the fine support of the school and community during the 1984-85 year.

## Church invites public to attend 'The Healing'

The Healing, a new feature motion picture from Heartland Productions, is a powerful drama about a doctor who went from the pinnacle of success to the depths of despair as the result of a personal tragedy. What makes this story particularly poignant is the fact that it is a composite of a number of true stories on the lives of people who are suffering the consequences of drug and alcohol abuse.

The Healing explores the life-changing impact that caring people can have on those around them. According to the Rev. Larry Anderson, pastor of Victory Assembly of God, The Healing is scheduled to be shown

on Sunday, April 28, beginning at 7:00 p.m.

The Healing was directed by Russell Doughten, Jr., whose numerous credits include top-grossing theatrical releases as well as several motion pictures with Christian themes.

On behalf of his congregation, Rev. Larry Anderson is extending an invitation to attend this special showing to all who want to learn more about one of society's more pervasive problems. There will be a voluntary offering taken, in lieu of a charge for admission.

COUNTRY AGENTS  
NEWS

by Tommy Antilley  
**TIPS ON FERTILIZING SHADE TREES**

Shade trees seldom need extra fertilization when a good lawn maintenance program is followed. But when shade trees do need fertilizer, proper application is important.

Over-fertilization of trees can force excessive top growth, making them vulnerable to storm damage.

Trees rarely need fertilization more than once every three years except in extremely sandy soils and under special conditions.

Trees occasionally may need extra nutrients when their roots are confined by street and curb installations and other structures.

Fertilizer recommendations are generally based on trunk diameter and make no allowance for the fact that the root zone may be confined to a small area. Thus, fertilizing according to such instructions may result in over-fertilization and tree damage.

The safest method of computing the amount of fertilizer to apply at any one time is to base it on the number of square feet included in the branch spread of the trees. It is recommended to use two pounds of actual nitrogen per 1,000 square feet of branch area per application.

When fertilizing, make several applications -- one in the fall at the usual first killing frost, another just before new growth starts in the spring, and a third applied as ammonium nitrate or ammonium sulfate in midsummer.

Spread fertilizer evenly beneath the spread of the tree and water thoroughly. Without moisture, roots cannot use the nutrients.

If the tree's root zone is confined by buildings, curbs, walks or other obstructions, base the fertilizer application on the actual root zone. Under these circumstances it may be necessary to fertilize every year to provide an adequate supply of nutrients.

**Spanish gospel services slated**

This Saturday, April 27, the Victory Assembly of God Church in Robert Lee will conduct full gospel worship services in Spanish. The Rev. Salinas of San Angelo will minister to the people this Saturday at 3 p.m.

Bro. Salinas, an ordained Assembly of God minister, is extending an invitation to the public to come and worship. There will be singing groups from San Angelo that will present the Word in song. We believe in Praise

and Worship, states Bro. Salinas.

Following the music ministry, Bro. Salinas will preach the Word. He will present a full gospel message from the Word of God. The entire service will be in Spanish.

Larry Anderson, Pastor of Victory Assembly, says they hope to make these Spanish services a regular event here in Robert Lee.

The church is located at 6th and Houston St.

**Alpha Kappa Pi meets in RL**

Alpha Kappa Pi of Robert Lee met in the home of Beverly Bell, April 10.

Fourteen members conducted the door-to-door campaign for the American Cancer Society. Through the generosity of Robert Lee residents, \$1,103.94 was collected. More donations were expected the following day through the downtown drive conducted by the '64 Study Club.

Dianne Simpson was chairman of the drive. She may be contacted by any who

were missed by solicitors.

During the regular business meeting it was decided to donate funds to the Emergency Medical unit for a Field Pac for the ambulance. Also, a \$100 donation will be made to the Fire Department Truck Fund.

Beverly Bell presented the program on personal communication.

**THANKS TO FRIENDS**

Thank you, Lord, for friends who love and understand,

Who meet a need, who come, who quietly hold my hand.

Who tell of many deeds he did in their behalf,

I know, Lord, that the memory of cards, food, visits, and flowers

Will help me over some long and lonely hours.

I'm so grateful for friends who care and understand,

And most of all, Lord, I'm glad I married that man!

Thanks to all the staff of West Coke County Hospital, the nurses, Dr. Hamamcy and Dr. Pulse for your loving care for Clyde and me.

To all the friends who sent prayers, food, cards, flowers and calls, you are loved. Thank you to the special ladies of the church who prepared the food.

Special thanks go out to Bro. Epperson and the musicians for the beautiful service.

## Bible Bowl teams compete

A team of three fifth graders and one fourth grader took part in the Bible Bowl hosted by the Colorado and Jackson Church of Christ on April 20. The Bible Bowl is open to teams composed of fourth through sixth graders and this year questions came from Paul's Letter to the Romans.

There are two levels of competition-- experienced and inexperienced. Team members Brent Jameson, Russ Horn, Christie Payne, and Chris Welsh took home the third place trophy in the

experienced division, after correctly answering 380 questions.

Churches in Ballinger, Dublin, Abilene, Big Spring, San Angelo, Kerrville, Camp Wood, and Ft. Stockton each entered at least one team.

Those traveling to San Angelo to encourage the team included Mr. and Mrs. James Craig, Mr. and Mrs. Jerry Horn and Wes, Mr. and Mrs. Steve Welsh with Corby and Chelsea, Mr. and Mrs. Greg Fleming and Whitney, and Mrs. Barbara Jameson.

## Fire Department plans BBQ

Bronte Volunteer Fire Dept. is making preparations for their annual Memorial Day Barbeque to be held at the Bronte Park. The department urges everyone to make their plans to buy tickets to the barbeque to help the department raise money for the new fire truck. The fund now stands at approximately \$17,000, less than a third of their goal. The firemen urge any merchant or other person wishing to donate to contact any fireman or leave donations at City Hall.

The UFD recently answered a tractor fire call at Cervenka's place east of town. Minimal damage was done to the tractor and field. The department wishes to thank Mr. Cervenka for his donation of \$100 to the truck fund.

A spokesman expressed

appreciation to the public for holding down fires, and urges everyone to continue to be careful as conditions get drier.
