Flanagan retires after thirty years

May 31 marked the official retirement date for long-time Texas Parks and Wildlife Department employee R.L. Flanagan of Robert Lee. He had been with the service for 30 years.

R.L. was honored on Saturday, June 1, with a dinner and reception at the Holiday Inn in San Angelo by department officials. One hundred-sixty-five guests attended the function. Raymond Custer of San Angelo, Regional Supervisor, served as master of ceremonies for the occasion. Other speakers included John Wood, Brownwood, Bill Sprott, Burnet, George Vicker, Ft. Davis, and David Palmer of Austin who presented the certificate of retirement.

Several members of R.L.'s family attended the retirement function including his sister and husband, Mr. &

Mrs. Don Salter, nieces and nephews, Mr. & Mrs. Charles Salter and children, Mr. & Mrs. Norman Wright, all of Comanche, and his brother and wife, Mr. & Mrs. Glenn Flanagan of Whitesboro.

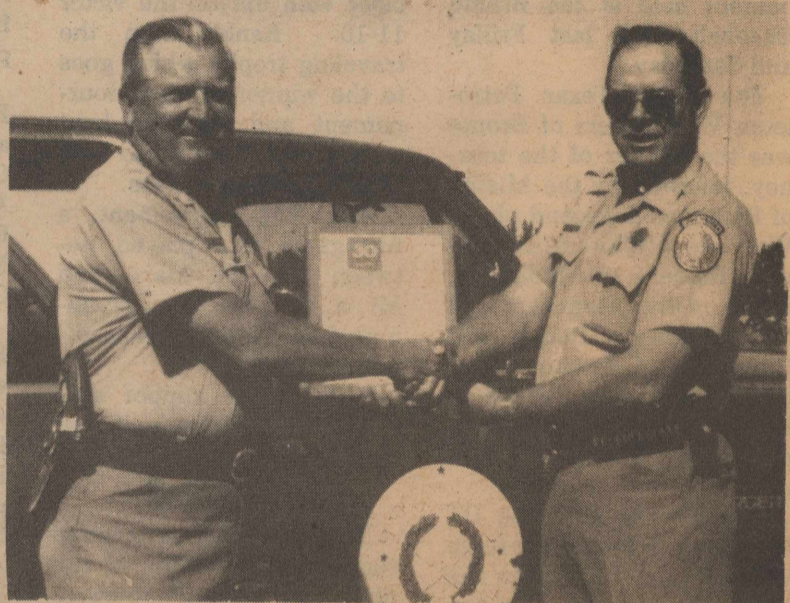

Friends presented R.L. with gifts of a graph depth finder and various tools. Mrs. Flanagan received a Waterford vase for her support over the years.

R.L. was raised in Comanche and finished school there. He attended game warden school at Texas A&M and joined the Texas Parks & Wildlife Department in 1954. He served as game warden at Ballinger before coming to Robert Lee in 1962. Serving Coke County as game warden until 1980, he was promoted to District Supervisor over 10 counties at that time.

Although R.L.'s work entailed many night hours and time away from home, he found his work gratifying and enjoyed his job tremendously.

Robert Lee is home to R.L. and his wife, Evelyn, and they will remain here. Their grown children were raised in Robert Lee and the couple now have 4 grandchildren to enjoy. The children and their spouses are Mr. & Mrs. Richard (Margaret) Lehr, Mr. & Mrs. Randy Flanagan, and Mr. & Mrs. Wade (Renea) Maxcey, all of Odessa.

His retirement plans call for the establishment of a fishing guide service on Lake Spence and time to enjoy his hobbies of fishing, hunting, and collecting Indian artifacts.

R.L. FLANAGAN OF Robert Lee [l] accepts his 30 year service award from Raymond Custer, Regional Supervisor of the Texas Parks and Wildlife Department.

Benefit street dance adds over \$500 to monitor fund

The benefit street dance held last Saturday night in Robert Lee generously added to the fund for the fetal monitor for West Coke County Hospital. The crowd danced outdoors in the street which serves as a parking lot behind the county courthouse.

When the last guitar was put away and the band had left, West Coke Co. Hospital District had over \$500.00 to go on the 3rd payment of the equipment that's been purchased at the hospital. The balance left on this life saving equipment is \$1,471.81, due Aug. 10th.

Everyone there had a good time, enjoying the music, dancing, refreshments and visiting. Irene Newell was the lucky lady who received a handmade afghan and pillows at the drawing.

A bazaar is planned for July 27th at the Old Rec Hall, 10:00 a.m. until ?. Donations greatly appreciated.

The following have given donations: Mickey & Fran Pierce, Mrs. Jesse Cargile, Jo Ella Leeper, Violet Kirkpatrick, and Mr. and Mrs. C.C. Millican. Margaret Roane has given memorials.

Should we exceed the amount we owe on the Fetal Monitor the money will be used to go on visual equipment that is greatly needed for our hospital.

Heartfelt thanks go out to The Country Jokers for helping us make this a success. To all who brought, to all who bought, to all who came, our thanks for everything that was done. We truly appreciate you folks with all our hearts.

Tourney provides thrills

Ten area teams lived up to everyone's expectations of providing lots of Softball thrills at the Union Texas Petroleum Slow-Pitch Tournament held at the Bronte Baseball Park last Friday and Saturday.

The Union Texas Petroleum Winchesters of Bronte was the winner of the tourney, followed by the Misfits of Ballinger in second place; Warriors of Winters, in third and Raiders of Ballinger, fourth. Other teams entered were Chewy's Bunch and Burwick's of Bronte, Twisters of Ballinger, Rebels of Rowena, Import Gift Shop and Bad Image of San Angelo.

Kendall Gibbs of the UT Petroleum Winchesters team was selected to receive the Most Valuable Player of the Tournament award trophy and Keith Fenwick of the Ballinger Misfits was presented the Golden Glove award.

The UT Winchesters defeated Chewy's Bunch, Warriors, Misfits and Raiders in their quest for first place and downed the Misfits for the Championship.

Winton Milliff is coach of the winning team made up primarily of Union Texas employees and guest players.

The winning team celebrated their victory with a steak supper at the KC House hosted by Union Texas plant manager Chester Wilson.

Team trophies were presented to the teams in the first three places and 15 individual trophies were also given, with the fourth place team receiving a team trophy.

It was reunion time between two good softball teams when Union Texas Perkins Plant of Bronte and UT Benedum Plant of Rankin Squared off at the Bronte field last Saturday.

The teams were tied up 13-13 at the end of regular play but Rankin outdistanced them 13-15 in extra innings. The second game was also close with Rankin the victor 11-10. Rankin won the traveling trophy which goes to the winner of each tournament and may be kept permanently by a team with three consecutive wins.

After the tournament, a fun game was played between the UT Ms's. and Mr.'s with the Ms.'s winning due to a little "biased" umpiring!

A barbeque supper was served at the conclusion of the activities.

Rich, premium ice creams with sophisticated names are making their way into supermarkets to compete with familiar store brands and local dairy products. Premium ice creams cost more so consumers can justifiably wonder what they're getting for the higher price.

The taste and texture of the premium ice creams are usually judged to be superior. And this smooth, rich taste is achieved with increased butterfat and less air in the product.

According to the Food and Drug Administration Standards of Identity, the butterfat content must be greater than 10 percent to qualify as ice cream. Supermarket brands are around 10.5 percent fat by weight. But many gourmet ice creams are more than 16 percent fat.

The extra butter fat gives premium ice cream its creamy texture and additional calories. Calories are also more concentrated in premium ice creams because of the amount of air in the

product. Regular ice cream has about 50 percent air, while the premium brands drop the air content to as little as 25 percent.

Some people claim that because of its richness, they eat only small portions of premium ice creams. But others say that the taste is so good they wind up eating more than they would of the lower-calorie supermarket varieties.

Most ice creams, including many of the premium brands, contain stabilizers and emulsifiers. These prevent ice crystallization which makes for a gritty-tasting product. Most stabilizers and emulsifiers are derived from natural sources, are safe and long-tested. But some premium ice creams do not contain them, and may claim to be a more natural product.

Whether you buy premium or regular ice cream may depend on how you feel about the taste, calories and cost of one product versus another. Luckily, any type of ice cream is a taste treat.

Reeder hosts homemakers

The Green Mountain Extension Homemakers Club met in the home of Mrs. Ella Reeder on Friday, June 28, for their regular meeting. Four members were present: Doris Penny, Bettie Page, Lillie Gaines and the hostess, Ella Reeder. Mrs. Reeder opened the meeting with a poem "I Can't Look Back." Mrs. Bettie Page gave the program on "The

Key to Your Courthouse" and Doris Penny gave a short program on "Importance of Jury Service."

The Club voted to move their regular meeting date to the second and fourth Tues. of each month after the summer vacation. Next meeting will be Sept. 10th at 2 p.m.; place will be announced later.

Cathy Lewis travels to Virginia

Cathy Lewis of San Angelo accompanied a family friend, Mrs. Marilyn Kent, to Virginia on a 2 week trip. Mrs. Kent, a postal employee and a recent widow, is moving back to her native Virginia and asked Cathy to ride with her.

The pair visited Elvis Presley's home, Graceland, in Tennessee and have toured a number of scenic sights, including Skyline Drive and Natural Bridge in Virginia.

Cathy will fly back to Midland on July 4. She is a student at ASU and the daughter of Mrs. Coe Lewis of Robert Lee.

Pioneer relatives to meet

Descendants of W.R. Walker and Mary Eliza Brannan, Coke County pioneers, will meet Sunday, July 14, in the New Rec Hall in Robert Lee for their annual reunion. The reunion has been held in Robert Lee every year since the old Rec Hall was built and prior to

that was held in Ballinger.

Walker and his family came to Coke County in 1893, a year after his parents, Andrew Jackson Walker and Almira Reed Adkins, came here from McCulloch County.

R.W. Walker raised seven children here, and a large number of descendants will attend the reunion. All other descendants of Andrew Jackson Walker, and all friends of the Walker family, are also cordially invited to attend.

Becki, Bart and Alan Bean were guests in the home of Velma and Freddie Hightower over the week end and attended the Havins reunion. Becki is the granddaughter of the Hightowers. They live in the wheat country at Miami, Texas. Bart is counting on a good turn-out from his wheat crop. He also works for the gas company in Canadian. Becki works for a dentist in Pampa. Alan is the first great grandchild of the Hightowers and first grandchild of Freddy and Georgene Bilbo.

Ambulance Service changes clinic time

The West Coke County Ambulance Service volunteers held a regular monthly meeting at the Ranch House Monday, June 24. Those in attendance included: Dorothea Helen Wright, Judy Williams, Mike Fluhmann, Brenda Skinner, Gene Hinnard and Lou Wright. One guest, Ethel Hinnard, also attended. The group is making plans for the annual Labor Day Barbecue to be held at the new rec hall on Monday, Sept. 2, 1985. Everyone is reminded to keep that date open for the great EMS barbecue and trimmings.

Another item of business included changing the time for the monthly free blood pressure clinic. The blood pressure clinic will continue to be held on the second Saturday of each month at the Post Office, but the time will be changed to 10:30-12:30 p.m. Everyone is encouraged to have a blood pressure check each month.

Keep an eye on your blood pressure and prevent heart attacks and strokes. Remember... this service is free of charge. A record is kept for physicians to review if needed.

Mike Fluhmann reported his concern about the increased possibility of EMS calls around Lake Spence. The ambulance has a radio that is on the common hospital frequency, but many of those people at the lake have citizen's band (CB) radios. He noted that he feels the ambulance should add this piece of equipment to aid in responding to emergencies at the lake. It was decided to mention this to the citizens of our area in case someone has a CB they would like to donate or if someone would like to donate toward this equipment.

The ambulance volunteers have scheduled two Sunday afternoons a month for continuing education and training in order to serve the

public even better. The service is now able to offer advanced life support care to the citizens of this area. Our biggest need at this time is for more volunteers. Plans are underway to offer a basic-EMT (emergency medical technician) course in Robert Lee beginning in January or February of 1986. We need to find people willing to give of themselves and their time to help their fellow citizens. It YOU can help us by taking the necessary training, please begin to make plans to take this course next year. Remember the slogan... Help US Help YOU!

The first airmail service in the U.S. began May 15, 1918. The first airmail stamp cost 24 cents in 1918 but was reduced to six cents by 1919.

Wallace, Adams capture contest

The June 27 Afternoon Delight brought 15 golfers out to challenge the heat in the 9-hole mini-tourney for members only.

Wade Wallace and Elsie Adams captured the contest with a 34 score. Gaylon and Suzanne Hall came in second, carding a 35, followed by third place finishers Ernest Ybarra and Clark Tinkler at 37.

On Thursday, July 4, the members plan to go 13 holes instead of 9, depending on participation.

The Club urges the ladies in the community to play at the course on Tuesday mornings and afternoons. Organizing a Ladie's Association can increase your skill and knowledge of the game along with the exercise and company of other women.

Next Saturday and Sunday, July 6 & 7, Mountain Creek Golf Club will hold their Family Partnership Tournament. Tee-off times are set for 8:30 A.M. on Saturday and 1:30 P.M. Sunday, with a \$35.00 entry fee.

NOTICE OF INTENT TO IMPLEMENT RATES

General Telephone Company of the Southwest in accordance with the Public Utility Regulatory Act and the Rules of the Public Utility Commission of Texas gives notice of its intent to implement new exchange access rates for the provision of shared tenant and tenant resale services.

These proposed rates are applicable to customers of General Telephone Company of the Southwest, excluding hotel/motel customers, who provide local exchange telephone service of General Telephone Company of the Southwest to their tenants or patrons on a resale or shared use basis. This resale or sharing arrangement is normally provided utilizing a customer-provided PABX or other similar stored control switch capable of common control processing or other features commonly associated with a PABX "Smart" switch.

These proposed rates are designed to recover costs on a usage basis for local exchange telephone service access and are identical to General Telephone's "Optional Measured Service" rates. The monthly access rate will be \$28.95 per trunk line and the usage rates are as follows:

Over	Up To and Including	Band	Set Up	Full Rate Period Each Minute
0	7 miles	A	\$.025	\$.015
7	14 miles	B	.035	.021
14	21 miles	C	.050	.030
21	28 miles	D	.070	.042
28		E	.090	.054

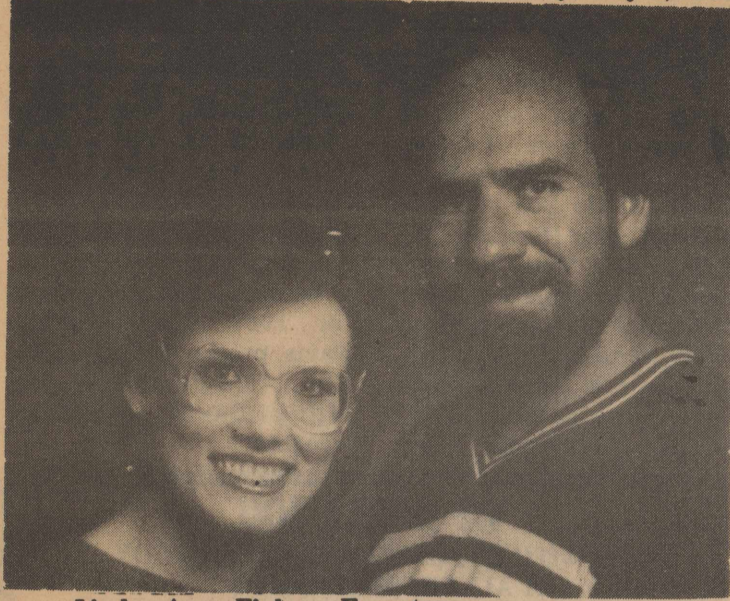

As this is a new service offering, we are unable to determine the number of customers who may be affected. Currently, there are no known prospective customers. Until any customer utilizes this new offering, there will be no effect on the revenues of the telephone company, and in any event, the telephone company does not expect revenues to be affected by more than 2 1/2 percent. These proposed rates, where applicable, will provide tariffed local exchange access to customers who then will provide shared or resale services to tenants.

These proposed rates have been suspended by the Public Utility Commission of Texas and will become effective as proposed or modified by order of the Commission on a date to be determined by the commission.

The proposed rate schedule is on file with the Commission for public inspection and is also available at any business office of General Telephone Company of the Southwest. Persons who wish to intervene or otherwise participate in these proceedings should notify the commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumers Affairs Division at (512)458-0223 or (512)458-0227, or (512)458-0221 teletypewriter for the deaf.

Linda Ann Finley, Ernest Burns

Finley, Burns to marry

Linda Ann Finley and Ernest Burns, both of Odessa, will exchange wedding vows on July 27 at 7:00 in the evening at the Hiway Temple Assembly of God Church in Odessa.

Parents of the engaged couple are Mr. & Mrs. Leland Finley of Odessa, Mr. & Mrs. Delbert Hamm, Kil-

dare, and Mr. & Mrs. Paul Burns of Robert Lee.

Miss Finley was graduated in 1978 from Permian High School in Odessa and is presently employed by Dr. Bobby N. Taylor, D.D.S.

The prospective groom is a 1976 graduate of Robert Lee High School, whose current employer is Treat-A-Weed.

Lewis attends convention

Postmaster, Coe Lewis, just returned from a four-day Postmaster's Convention in San Antonio. Besides good entertainment, a Mexican Fiesta Sunday night and a Mexican Musical in the River Theatre on Tuesday night. This was one of our better Conventions as far as information and education were concerned. With a lot of careful management, the future of the postal service looks bright. The only blot on an otherwise healthy outlook is the "private express status". Some people want to take the first class monopoly away from the postal service. This might be fine for large cities with large office buildings, but the small towns and rural areas would be without the mail service they have always known and would never know who or what might

deliver their mail-if it was delivered at all. Our mail is one of our most precious and personal commodities and if we allow "The Grace Commission" and our Congress & Senate to repeal this private express status we will probably spend the rest of our lives regretting it.

Postmaster Lewis will be glad to explain more about this situation if anyone needs additional information.
