Commissioners set 1986 tax rate

Setting the 1986 tax rate was one of the items on the agenda for the Coke County Commissioners, as they met in regular session on Monday, September 9.

This year's county-wide

tax valuation has increased to a total \$282,703,010, or a six percent increase over last year. To achieve a three percent or less actual increase in taxes, the Court has set the 1986 tax rate at 38.62

cents per \$100.00 valuation, as compared to 39.00 cents, last year's rate.

The following table lists the rates set by the Court, and the corresponding rate for 1984 and 1985.

TAX RATES - BY FUNDS [county-wide]			
	1984	1985	1986
Operating Funds			
Road & Bridge Special	.02	.02	.02
General	.24	.27	.2672
Farm to Mkt. & Flood Control	.09	.08	.079
Total Operating Fund Rates	.35	.37	.3662
Interest & Sinking Funds			
1979 Road Bond	.02	.02	.02
Total Interest & Sinking Funds	.02	.02	.02
TOTAL COUNTY-WIDE TAX RATE	.37	.39	.3862

Stover Taylor, Coke County Auditor, indicated that the commissioners set this rate to achieve a three percent overall increase in county taxes, which are to be used to offset any increases in the cost of doing county business.

In other business, the Court appointed three members to the Child Welfare Board, and they include Mrs. Greg Fleming, Bert Johnson, and Rev. Terry Cosby.

Commissioners accepted the Extension Agents' reports.

The Court also gave their permission for the construction of privately owned

hangars at the airport, at the owner's expense, subject to the approval of the contract for this construction.

A representative of Smith Municipal Supplies, Inc., met with the Court, concerning the purchase of county road signs. Commissioners ordered some signs, and received a catalog from the representative.

The Court also canvassed the votes of the election to consolidate the Blackwell and Divide school districts, which was held on August 10, 1985. The election to consolidate the school districts passed.

There being no further business, Commissioners

authorized payment of bills, and adjourned.

Also thanks to Ann Ellis for providing the material to make the Nursing Home Banner.

RON VAN VOORHIS

Van Voorhis named to administrator position

There's a new face showing up around the West Coke County Hospital as of this week. And hospital directors and personnel are proud to announce that this face belongs to the new administrator, Ron Van Voorhis.

Ronald Nelson Van Voorhis, or just plain "Ron", as he would like to be called, has been on the job since Monday, and already seems to be very comfortable in his new position.

Born and raised in Norfolk, Virginia, Ron's whole life seems to have been centered around health care. He received his Bachelor of Science degree in Allied Health from Old Dominion University, and did work on his Master's Degree in Public Health Planning. Ron has worked for the past six years in health care management, and for the past year, he has been in the employ of American Medical International, the 2nd largest for-profit hospital chain in the world.

When he's not on the job, he and his wife Linda serve as para-medics. Ron refers to his wife as his working partner, and has worked with Linda in the field of health care for the past six years.

Their daughter, Marissa, is twelve years old, and is in

the 7th grade in Robert Lee, and a member of the Pep Squad.

Concerning his attitude toward health care, the new administrator feels that quality health care for the residents of Coke County is his main concern. And, he is confident that with the two excellent physicians now serving the county, plus the highly trained staff, there should be no reason to provide anything but the best in health care to county residents.

When questioned about the high cost of health services, Ron stated that "For the past twenty years health care has had a free rein in spending." Times have changed in that "we're in a financially demanding time..., in a period of adjustment to changing financial needs", and can no longer operate without spending constraints. "Planning and budgeting are the keys" to controlling costs.

The new administrator also indicated that "health care and community care are one and the same, and community involvement is the key" to providing the best in health care to county residents.

Gun Club slates work day

The Red Canyon Gun Club will hold a workday Sat., Sept. 14, from 9 a.m. to 5 p.m. All members are urged to come out to finish up the rifle range. Fencing and painting are the main things needed to complete the facility.

A high Power Rifle silhouette of steel chickens are at 200 meters. There will be

steel sighting "Gongs" at 100 and 200 yds.

We are looking forward to seeing everyone there.

Citizens support Labor Day BBQ

Labor Day has come and gone and another successful EMS Labor Day Barbecue is history. With the outstanding support of the citizens of this area, it was a huge success. Larry Spivey and the County Jokers played to an appreciative audience and, as usual, did a superb job. Our thanks to them for their help. The fantastic cooks of Robert Lee and western Coke County came through again and with auctioneer George Newby's expert assistance helped us raise monies for the educational fund for EMTs.

Buzz Sawyer's pinto beans, Mrs. Garlington's special coleslaw and that tasty barbecued sausage and brisket really hit the spot on a hot holiday evening. Our thanks to all of those who cooked, served, cleaned up and did all of those one hundred and one chores needed to make the barbecue a successful fund-raiser for the EMS. One of the best features of this annual event is the opportunity to visit with neighbors and friends. The barbecue is always outstanding but perhaps the best part is the chance to meet the EMS volunteers and for them to meet those

whose emergency medical needs they strive to meet. The generous support of Robert Lee and Coke County have enabled the EMS to fund and complete an Emergency Medical Technician-Specially Skilled class this year and add the necessary equipment for these advanced trained people to use. Our four EMT/SS volunteers can start intravenous (IV) lines, use the Medical Anti-Shock Trousers (MAST unit) and perform advanced airway procedures (endotracheal and esophageal intubation). These skills will make a difference in the number of lives that can be saved.

Equipment added includes a LifePac-5, a monitor-defibrillator unit to help treat patients who have serious heart problems. A new ceiling-mounted IV holder is now in place, too. The fundraiser came at an especially good time as the annual insurance premium was due on September 15th.

Goals of the West Coke County EMS for this upcoming year include holding a basic-EMT course starting sometime in January 1986, assisting the hospital to obtain CPR cards for all of its employees, sponsoring at

least two CPR classes for the public at large and working (with the hospital) toward a disaster planning program for our area. Equipment goals include the addition of an oxygen caddy to attach to the stretcher to simplify the transport of the patient between the scene and the ambulance or from the ambulance to the hospital. We will also be expanding our rescue capability by adding additional tools for use in extrication from an auto, etc. The EMS volunteers also hope to work with the Fire Department on rescue equipment and training. Perhaps our most important goal for 1985-86 will be to expand our network of volunteers. The more volunteers that we have trained and available, the less time-consuming strain it is on each person. Won't YOU consider taking the basic EMT class in 1986? Only YOU can help US, HELP YOU!!!

Cole wins rifle championship

Jeff Cole, 12 years old, 4-H Coke County Rifle Club shooter, recently won the Texas 4-H light rifle championship and the air gun championship. Both matches were held on Sat., Aug. 17, at the Brownwood 4-H Center. Jeff beat the score he shot last year by 10 points. This is his 2nd state title in the light rifle event.

Light rifle is a change from the 3 pos. smallbore shooting that our club shoots most of the time. It uses a regular off-the-shelf 22 rifle that can not weigh over 7½ lb. with sights. The purpose of light rifle competition is to allow shooters who do not shoot a heavy target rifle which can weigh from 7½ to 14 lbs.

Coke County Coaches Richard Johnson and Jim Herford were the match directors for the light rifle event.

Jeff is the son of Debbie and Doug Wilkes of Silver.

JEFF COLE OF Silver proudly displays his State 4-H Club plaques won recently in Brownwood. Jeff took first place in the light rifle and air gun divisions.

FARM SAFETY WEEK IS SEPT. 15-21

Despite technological advances, farming and ranching is still one of the most hazardous occupations in the nation. That's why the week of Sept. 15-21 has been set aside to call special attention to farm and ranch safety.

In a proclamation designating Sept. 15-21 as Farm and Ranch Safety Week in Texas, Gov. Mark White noted: "While new technology has brought advances in safety, the quantity and severity of remaining risks require daily attention to avoid mishap. Incidents of accidental death, injury and job-related illness are still tragically numerous on farms and ranches and in the homes and on the roads of rural Texas. But with increased safety education and continued improvement in product design, there is hope that further progress in preventing accidents can be made."

Among safety and health measures to reduce losses from serious accidents and illness are the following:

--Manage to prevent accidents. Make safety an integral part of every farming operation. Train workers. Buy quality products and take care of them as directed

by manufacturers.

--Strive for good health to accomplish as much as possible with resources available. Eat properly. Deal with harmful life stresses, seeking professional help if needed. Consult a doctor if you develop symptoms such as unexplained fatigue or pain, shortness of breath, or one of cancer's seven danger signals.

--Invest in personal protective equipment, ROPS cabs for tractors and other safeguards to help you avoid injuries and illnesses that could cost many times that investment.

--Keep informed about safety and health. Note newspaper and magazine articles. Acquire publications available from Extension, health and safety organizations, insurance companies, public libraries, and such. Take advantage of opportunities to learn first-aid, CPR, defensive driving and water safety.

Steers out-gunned by Reagan County

by Ronnie Baker

Not to belittle the Steers, but the Owl quarterback should be named Bobby Gunner instead of Bobby Gunnels, for he gunned the Steer defense with an assortment of passes that accounted for the first 30 some odd points. The Steers were out-manned, out-weighted and out-classed in this opening contest for both clubs. The Steers are now a small class A school and Reagan County is a large 2-A school and that's like putting a lightweight against a heavyweight. If the Steers can forget about this one and gut it up, they can still play some good football and the young

4-Her's exhibit steer projects

Last weekend, three Coke County 4-H members exhibited five steers at the West Texas Fair in Abilene. The show was the largest in recent years with all breeds showing together in fourteen weight classes. These steer feeders did an exceptional job of showing against some of the toughest competition from all over the country.

In the First class, Scott Antilley showed his Angus to fifth place and his Shorthorn to tenth place. Thad Metcalf placed his Hereford eighth in Class 2. Teresa Vaughn placed tenth in Class 5 with her Brangus and in Class 6 placed sixth with her Limousin cross.

Couples combine for scramble

Robert Lee and Bronte golfing couples will combine for a Coke County Couple Scramble tournament on October 5-6.

The Guys and Dolls tourney will be played on Saturday on the Bronte course after which the teams will be flighted. Play will resume on Sunday at the Robert Lee course.

Entry fees have been set at \$60.00 a team for the first 54 teams entered. Carts will be available at \$20.00 but personal carts are welcome.

Shotgun starts are at 8:30 a.m. and 1:30 p.m. both days.

A barbecue for the golfers will begin at 6:30 p.m. on Saturday evening.

Let's make this first write up short since there isn't much to brag about. Jim Bob Jacobs scored on a 80 yd. run. James Paul Skipworth kicked the extra point. Charles Sherill, Jacobs and Skipworth intercepted pass-

es and Reagan Co. had over 500 yds. total offense, so what can you say?

Steer Band takes to field

The Stompin' Steer Band took the field for the first time against Reagan County last Friday night. "I was very pleased," said director Forrest Perry. "It was our first performance of the year, and it was the first time ever for many of the kids. We are off to a good start. The kids have worked very hard and it is starting to pay off."

Band members of the week goes to Brent McPeck

and Rick Crain. They received the honor, not for what they have achieved, but because of the dedication and persistence they have shown. Brent and Rick are both part of a very good seventh grade class. It will be this class' ability to mature that will insure the success of the Stompin' Steer Band. The dedication of Rick and Brent shows they are well on their way. Congratulations again to Rick and Brent.

Homecoming plans made

Final plans were announced this week by Jeffie Roberts, spokesman for the Ex-Students Ass'n., for the 1985 Robert Lee High School Homecoming.

Friday, October 4, has been designated as Homecoming Day. Invitations, along with a note to reserve barbecue tickets in advance, have been mailed to several hundred out-of-town ex-students. It was felt local ex-students would be aware of details; those who live away and did not get a notice possibly have never been placed on a mailing list. These addresses are often difficult to get and ex-students should write or give mailing addresses when in town.

The special day is scheduled to begin with the Homecoming Parade from 2:30 until 3 p.m. It will begin downtown, near the courthouse and end at the school, followed by a giant Pep Rally in the new gym from 3:15 until 3:45.

The barbecue will be held in the school cafeteria with serving to begin at 5:00 and continue until 6:30. Ticket prices have been set at \$5.00 for adults - \$3.00 for children under 10 years of age.

Those planning for the

Barbecue need your reservations for the tickets before October 1 in order to estimate how much food to prepare. Please send a stamped self-addressed envelope to Jeffie Roberts, San Angelo Rt., Robert Lee, Texas, 76945 when ordering your tickets.

The football game featuring the Steers vs. the Water Valley Wildcats will begin at 7:30 p.m. Prices for this event are \$3.00 for adults and \$2.00 for students.

The graduating class of 1935 will be recognized at the Pep Rally, prior to the football game, and at the Reception.

Immediately following the finish of the football game, a Reception will be held in the Show Barn adjacent to the New Rec Hall.

A Homecoming Dance will be held in the new Rec Hall at the County Park in Robert Lee from the game finish to 1:00 a.m. Dance tickets are \$3.50 for singles and \$6.00 per couple.

The sponsors of the 1985 Homecoming urge each of you to plan to attend any or all of the events on the agenda. The slogan for this year is "1985 - Wish Upon The Steers".

Horns defeated by Buffaloes

by Randy Cregar

The Forsan Buffaloes came to Bronte with some heavy duty artillery Friday night and handed the Longhorns a costly 31-6 defeat.

The first quarter began with Bronte receiving the opening kickoff of the 1985 season. However, the Longhorns could generate very little offense and were forced to punt into a stiff wind. The Buffaloes began with the ball at the Bronte 45 yardline and took 9 plays to drive in for a score with 5:40 remaining in the quarter. The PAT was halted by Duff Kelso. The Longhorn defenders credited with the tackles on that drive were: Kerry Lee, Doug Hoyt, Duff Kelso, Corby Kelso, Joel Sanders and Mark Adams. The Longhorns' next possession resulted in a safety. Bronte then had to kick to Forsan. This time Bronte pushed Forsan from the Buffalo 45 yardline back to the 15 yardline, forcing a Forsan punt. This backward movement can be credited to Buffalo penalties and Corby Kelso, Duff Kelso, Joel Sanders, Mark Adams, Doug Hoyt and Bowie McGinnis. Bronte began their only first

half threat at the Forsan 47 yard line. A Stephen Lee pass to Pete Puentez netted 10 yards plus a 15 yard penalty against Forsan put the ball at the Buffalo 22 yard line. However, the drive and quarter ended, with Forsan up by a score of 8-0. The first painful player loss occurred in the first quarter with Kerry Lee suffering a broken jaw.

The second quarter began with Bronte losing the ball to Forsan on downs. Forsan began at their own 27 and in two plays moved into Longhorn territory before Joel Sanders stripped a Buffalo ball carrier of the ball and Doug Hoyt pounced on the fumble. The Longhorns still could not get the offense moving and had to punt. Forsan only had the ball three plays before punting due to some nice pass defense by Duff Kelso. However, on the punt a Longhorn player was accused of touching the ball and Forsan recovered possession at the Horn 25 yard line. At this point the Horns young defense arose to meet the Buffaloes head on. After two plays the Forsan team was

inside the 10 yd. line. A few new Horns added their names to the list of tacklers; Stephen Lee, Chilo Minjarez, Jeff Lee, and John Morrow. Mark Adams hopped on a Buffalo fumble at the Bronte 2 yard line. Stephen Lee made two runs for 15 yds. to the 17 yard line, which gave the Horns some breathing room. The next play yielded an interception at the Bronte 32 yd. line and set up another Forsan touchdown. Forsan led by a score of 15-0 at halftime.

The third quarter got started with a bang. Chilo Minjarez kicked the ball for the Horns and Doug Hoyt made the tackle and received the hit of the week. This hit also removed Doug from the remainder of the game with a severe concussion. Forsan moved the ball to the Horn 49 yard line before Bowie McGinnis recovered a Buffalo fumble. Two plays later Stephen Lee dashed 51 yards for a Horn touchdown to make the score 15-6, and Bronte appeared to be back in the ballgame.

The next two Buffalo possessions yielded TD's to expand their lead to a 31-6 margin.

The 4th quarter had no score and both teams entered many new players into the game. There were several young players that showed some promise for the Horns in future games.

Duff Kelso, the lone senior left, played a good game leading both offensive and defensive units in the absence of his classmates.

The Longhorns travel to Garden City this weekend to face the Bearkats in a non-district game.

Players receive injuries

Two Bronte Longhorns were sidelined with serious injuries in last Friday's game with Forsan.

Kerry Lee, senior running back, suffered a broken jaw. He was carried to Shannon Hospital where surgery was performed and a steel plate was placed in his jaw. It is hoped that he will be able to return to school the latter part of this week, with complete healing to take about 4 weeks.

Doug Hoyt, senior wingback, was transported to Shannon by Bronte EMS after receiving a concussion and jammed neck when he and a Forsan player met head-on. He is back in school but must wear a neck brace for about a week.

Longhorn fans are sorry to see these players out of the lineup, and wish these fellas a thorough recovery.

Bronte Boosters set meeting date

The Bronte All-Sports Booster Club will meet each Monday at 7 p.m. in the school cafeteria. Game films of each week's games will be viewed. All athletes' parents and other supporters are invited to attend each meeting.

14-16.

The JV met Midland High JV and was dropped 10-15 and 8-15. Snyder JV outdistanced them 7-15 and 4-15.

The Lady Longhorns defeated Sweetwater in two out of three with scores of 15-12, 5-15, 15-11, but lost to Pecos 2-15 and 3-15 in the San Angelo Central High Tournament on Aug. 30. Their final match was another confrontation with Midland High which resulted in the Lady Horns taking one game and Midland two, with scores of 8-15, 15-12, and 3-15.

Round-Up off to good start

The 26th annual Cattle-men's Round-Up for Crippled Children is off to a good start with more than 100 head of cattle and horses already pledged, reports general chairman Jim Alexander of Abilene. The event benefits the West Texas Rehabilitation Center with campuses in Abilene and San Angelo.

Despite depressed markets and prolonged drought, CRCC officials are optimistic livestock producers will agree that this cause deserves their donations of livestock or cash.

This year's Round-Up will begin with a cattle sale Sept. 30 at the Abilene Auction. Other scheduled sales include horse sale, Oct. 5, Abilene Auction; sheep and goat sale, Oct. 14, Junction Stock Yards; and special auctions Oct. 9 in Coleman and Stephenville, Oct. 17, San Saba; and Nov. 4, Brownwood.

"We are expecting more heavy beef for this year's Round-Up than ever before," Alexander continued. "Support for the annual fund raiser comes from all over the Southwest as evidenced by pledges already received."

"We are hearing from folks from as far south as Corpus Christi and Kingsville, and as far north as Yukon, OK. Over to the west pledges have arrived from Clayton, N.M."

Alexander expressed his appreciation to those who have already pledged horses. "Many of these are registered quarter horses while others are suitable for running and cutting."

Persons wanting to make a donation should contact Cattlemen's Round-Up chairmen in their area or call the West Texas Rehabilitation Center in Abilene at (915) 692-1633.

Nearly 200 area chairman through Texas will be giving their support to this event by lining up donated livestock and coordinating auction arrangements. Donated live-

stock are collected at designated points in each community and transported to the auction site.

The Cattlemen's Round-Up idea began in Bronte back in 1960 on the late Conda Wylie's Fort Chadbourne Ranch. He came to WTRC president/executive director Shelly V. Smith with the suggestion that 20 top steers be cut from his herd and sold to help defray operational expenses of the Center.

Today the results speak for themselves. WTRC personnel provide top quality care in physical, occupational and speech therapy, audiology, orthotics, psychology, education and social services, all without charge to patients other than for hearing aids and braces.

THE STUDENT COUNCIL of Robert Lee I.S.D. had the Robert Lee logo reproduced on the outside wall of the Coke County Library in the Wilson Bryan Mini-Park. The original logo artwork was done in 1976 by the late Mac Adkins as part of the bi-centennial project. Viewing the colorful reproduction is [l] Jimmy Bickley, Supt. of schools; Kenneth Rasco, Council sponsor; Jerry Gibbs, high school principal; and Zack Garza, who did an excellent job of the reproduction.

The parachute was designed in 1783 by Louis Lenormand, who designed it to save people who had to jump from burning buildings.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED

CONSTITUTIONAL AMENDMENTS

GENERAL ELECTION

NOVEMBER 5, 1985

PROPOSITION NO. 1 ON THE BALLOT

Sections 1 and 2 of House Joint Resolution 6 propose a constitutional amendment that would authorize the Texas Water Development Board to issue an additional \$980 million of Texas Water Development bonds.

The additional bonds to be issued will be dedicated for deposit in the Texas Water Development Fund, with \$190 million of those bond proceeds to be used for water supply loans and facilities acquisition and with \$400 million of those bond proceeds to be used for state participation in the acquisition and development of facilities for storage, transmission, transportation, and treatment of water and wastewater. Of the remaining bonds authorized, \$190 million will be dedicated for use in water quality enhancement projects, and \$200 million will be dedicated exclusively for flood control projects.

The amendment would also allow the legislature to provide for the creation, administration, and implementation of a bond insurance program to which the state pledges up to \$250 million of its general credit to insure payment of the principal of and interest on bonds or other obligations issued by political subdivisions of the state for water conservation, water development, water quality enhancement, flood control, drainage, recharge, chloride control or desalinization. Unless authorized to continue by a two-thirds vote of the members of each house of the Legislature, the bond insurance program will expire on the sixth anniversary of the date on which this section becomes a part of the constitution. Bond insurance issued before expiration of the program will not be affected by such expiration.

The amendment would authorize the legislature to create and appropriate money to special funds in the state treasury to make grants, loans, and other financial assistance available to governmental entities for certain enumerated water planning purposes. Also, the legislature would be permitted to extend the benefits of constitutionally approved water projects to nonprofit water supply corporations.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the issuance of an additional \$980 million of Texas Water Development Bonds, to create special water funds for water conservation, water development, water quality enhancement, flood control, drainage, subsidence control, recharge, chloride control, agricultural soil and water conservation, and desalinization, to authorize a bond insurance program, and to clarify the purposes for which Texas Water Development Bonds may be issued."

The Texas agricultural water conservation bonds would be general obligations of the State of Texas, and would be paid from the first money coming into the state treasury in each fiscal year. Museum to exhibit unique collections of fine art

The San Angelo Museum of Fine Arts will exhibit two unique collections of Mexican Art September 13 - Oct. 3, 1985.

"Retablos Mexicanos", an exhibition of folk paintings of religious figures loaned from private collections in San Angelo and "Mexican Folk Art" from the Ex Voto Gallery, San Antonio, will open with a reception in the museum galleries on Friday, Sept. 13 at 6:30 p.m.

The exhibit "Retablos Mexicanos" reveals the rich folk tradition of the retablo, Mexico's popular nineteenth century religious paintings in tin, copper, or wood used to adorn the back of a small home altar or small chapel. A sought after collectors item over the last forty years, Mexican retablos

have enticed several San Angelo individuals to assemble high quality, highly representative collections of this uniquely Mexican art. Over thirty examples of retablos depicting The Virgin and Child, The Holy Trinity, San Miguel and San Francisco de Paula among many others will be in the exhibit. Mexican santos, sculptural religious images, will also be exhibited.

Many of the works of art included in the SAMFA exhibit have never been exhibited in public. We are grateful to the exhibit's local lenders for their cooperation in making this exhibit possible.

"Mexican Folk Art" from the Ex Voto Gallery in San Antonio, Texas, will provide a rich and colorful environ-

ment for the museum's Mezzanine Gallery. Bold, three-dimensional, painted terracotta and wood works of art depict symbolic folk and religious images such as San Isidro, the Tree of Life and the Corn Maiden. Monumental altar pieces, allegorical scenes, nativity scenes and dance masks by some of Mexico's foremost folk artists will interest collectors, travelers, artists and Mexican culture buffs.

For more information on the exhibit or exhibit opening, please call the museum at (915) 658-4084.

The San Angelo Museum of Fine Arts is located at East Avenue C and Burgess Streets on the grounds of Fort Concho in San Angelo. Museum hours are 10:00 a.m. to 4:00 p.m., Tuesday

through Saturday and 1:00 p.m. to 4:00 p.m. on Sunday. Group tours are available.

The Mexican Art exhibits will be open until 7:00 p.m. during Fiestas Patrias activities, Sept. 14-16. Museum admission will be free on those days.

Edwin Smith named to cable management post

Appointed to Manager/Technician of West Texas Cablevision in Robert Lee is Edwin Smith. Edwin is the son of Mr. and Mrs. Royce Smith, also of Robert Lee.

A lifetime resident of this area, he is a graduate of Robert Lee High School. He is pleased with the company's policy of promoting from within, because he started on the ground floor last year as a construction worker/installer.

West Texas Cablevision's Vice President, Bill Green, quoted... "Our selection of Smith was based on his

ability, experience and strong public relations with his home community."

Athletic Teenage Girls Need Good Nutrition

Because they want to be thin, many athletic teenage girls are not eating what they need to be good athletes.

A study published this year in the *Journal of the American Dietetic Assoc.* warns that poor diets can affect growth and development as well as athletic performance.

The study of teenage female volleyball players revealed that 70 percent did not consume enough calories, calcium or iron. Their lack of nutrients did not result from a lack of knowledge about nutrition. Concern about their weight was the key factor.

About 88 percent of the girls worried about gaining weight. And 73 percent wanted to lose weight.

However, a third of their dietary choices were desserts, sweetened beverages, sugar, condiments and salty snacks. Rather than give up the foods they enjoyed, the girls in this study cut calories by avoiding the foods they liked less.

Only ten percent of their food came from the milk and meat groups. This explains the low intake of calcium and iron -- both of which are essential for growth and physical performance.

If you have a teenage girl, whether she's an athlete or not, look for some ways to help her develop good eating habits. Rather than criticizing and nagging, one of the best methods is to offer nutritious foods at home.
