Roe nabs top prize at Bass Classic

Kevin Roe of Robert Lee made a good investment on his money when he paid his entry fee of \$65 to fish the West Texas Bass Classic tournament last Saturday at Lake Spence. He nabbed the \$10,000 first prize with a relatively small black bass weighing just under 4 pounds. He evoked laughter from onlookers at the Paint Creek Marina headquarters when asked what he caught the fish on, he answered, "A worm". He went on to say "a purple firetail plastic worm". The winning bass came from the north side of the lake at Yellow Wolf Creek. He also caught and released one slightly small-

er. Fishing was so poor, he stated, that he weighed in about 11:30, long before the 4 p.m. deadline but his weight catch held up to win the big prize.

Kevin, 25, son of Billy Wayne and Dolores Roe of Robert Lee, skunked his Dad who was fishing across the lake from him.

The event, a 1 fish tourney, drew 174 entrants and did not pay out for the sponsors. Only 21 fishermen, including 1 woman angler, weighed in. Others may have had competitive bass but didn't consider them big enough to win. Winning second place for \$500 was Dan Smith, Colo-

rado City, 3.42 lbs., third, went to Bobby Chandler, Plainview for the \$300 with 3.15 lbs., and Mickey Nunley, Snyder won \$200 for 4th with his 3.09 lbs., catch.

Flu shots slated at Bronte Center

On Tuesday, Oct. 7, at 2 p.m., Dr. Bill Bass of San Angelo will administer flu shots to all persons needing them at the Bronte Senior Center.

Cost will be \$4.00 each - and service will be to all persons needing the shot, NOT exclusively senior citizens.

If transportation is needed call Margaret Martin at 473-6471, Geneva Minnick or Lois Wallace.

Butter, cheese to be distributed

Butter and cheese will be distributed Thursday, October 2, at the Bronte and Robert Lee Senior Citizens Buildings from 7:30 a.m. to 12:00 p.m. All commodities are distributed on a first come, first serve basis.

Landfill hours told

The Robert Lee City Council met September 19 to adopt new rules concerning the Sanitary Landfill. A gate is being installed and the landfill will be open only the designated days and hours. An attendant will be on duty when the gate is open and everyone will pay before dumping. Days, hours, and charges appear elsewhere in the newspaper, and a copy of

these can be obtained at City Hall. These rules will go into effect October 1, or as soon as possible thereafter.

The City Council has taken these steps to comply with state regulations and after much deliberation. The Council asks for, and expresses its appreciation to all citizens for, cooperation on the matter of the Sanitary Landfill.

JAY MICHAELS, [L] from KIXY Radio in San Angelo, presents top trophy and \$10,000 check to Kevin Roe of Robert Lee as the winner of last Saturday's West Texas Bass Classic on Lake Spence.

Criminal arraignments set

An arraignment for all criminal cases on the docket in Coke County will be held next Tuesday, September 30, at the county courthouse in Robert Lee. Judge Royal Hart will preside at the pre-trial hearings, according to county clerk Ettie Hub-

bard.

Appearing before Judge Hart at this time will be Ynes Lara of Robert Lee who was indicted late in August by the Grand Jury on a burglary of a habitation charge, as well as a number of other civil and criminal cases.

LONGHORNS BOWIE MCGINNIS [79] and Mark Hambricht [76] close in on Menard ball-carrier, John Paul Garcia [33] in last Friday night's district contest. Bronte won the tilt 33-0.

Upcoming...

Craft Bazaar

The Bronte Nursing Home Activity Dept. reminds everyone of their approaching craft bazaar. Space is still available for those wishing to sell crafts, and a table may be reserved by calling Pam Stokes at 473-3621, Irene Johnson at 473-7015 or Dean Pope, after 5:00 p.m. at 473-3111. Table fees are set at \$10.00 per person, or \$15.00 per two people.

Sweaters are for sale by the Activity Dept. They are available in several colors, one size fits all, and they are priced at \$8.95.

Birthdays were celebrated by two residents this month, Goldie Vest and Ray Lee.

Garage, bake sale

The women of the First

United Methodist Church in Bronte will hold their annual garage sale and bake sale this Friday and Saturday at the church. They will offer a variety of baked goods and miscellaneous items for sale to benefit their parsonage fund. See their ad in the classified section.

C/W Musical

The Country/Western Musical, held each month on the second Thursday evening, will tune up on October 2 at 8 p.m. in the Recreation Center in Robert Lee. Admission is free to the family entertainment and surrounding communities are invited to attend and enjoy the music and visiting. Area musicians will provide the music.

Herford anniversary

Mr. and Mrs. James Herford of Robert Lee recently celebrated their Silver Wedding Anniversary. They were married on September 16, 1961, in the chapel of the Laurel Heights United Methodist Church, San Antonio, by the late Dr. Ennis B. Hill. They were honored by their two sons and their families, Ernest and Charlotte Herford and Stacy of Snyder and Doug and LaVonda Herford, Jake and Jenna Bree of Oxnard, California. They enjoyed a delicious dinner for two prepared by Charlotte.

Ernest and family presented them with a plaque commemorating their Silver Anniversary. Doug and family presented them with a Silver Anniversary Book of Memories, compiled with the help of family and friends. The beautiful padded cover, accented with cross stitch and lace, was made by LaVonda and her mother, Mrs. Aubrey Williams of San Angelo. The honored couple will long cherish the loving deeds, thoughts, and memories of all those who contributed to their special day.

Burns' host tea

On September 20, Alpha Omicron Nu hosted a "Get Acquainted Tea" in the lovely home of Bill and Linda Burns. The event was held to acquaint new members of the community with other Robert Lee residents. Forty-two guests attended. Guests and members enjoyed sumptuous miniature creme puffs, fruit skewers and fruit dip, miniature honey buns, coffee and Orange Julius provided by AON's members.

A regularly scheduled meeting of the sorority was held on Monday, Sept. 22, in

the home of Billy Jack and Kristy Roe. The club discussed various ideas for money-making projects, including a CHILI SUPPER to be held on November 14, prior to the Robert Lee-Bronte football game. The proceeds from the projects are designated for specific worthy causes. Upon the completion of business, refreshments were provided by Kristy Roe and Beverly Burdett, co-hostesses.

The next meeting will be held on October 13 in the home of Gaye Williams.

Crow reunion held

The Crow Reunion was held on Saturday, September 20 at the Cap Rock Auditorium in Stanton. Forty-four relatives and friends of the late John and Elizabeth Crow registered, coming from Chula Vista, CA., Luling, LA. and the following Texas cities, San Antonio, Lubbock, McCamey, Comfort, Midland, Big Spring, Bronte, Lamesa, Allen and Stanton.

There were six of the former Crow brothers and sisters represented, with the family of Edgar and May (Crow) Baugh having the largest number with 17 family representatives present. First cousins at the reunion numbered 13.

The day was spent visiting, viewing photographs of by-gone days as well as past reunions, making current photos and enjoying the good foods.

No date was announced for the next reunion but one

is planned with date to be set later.

Fred and Ona Hughes of Bronte attended the get-together.

DON'T FORGET! We do all types of job printing. No job too large or small. Observer/Enterprise - Bronte & Robert Lee.

Bronte homecoming events slated

Bronte Ex-Students Association wishes to invite everyone to a weekend of Homecoming Activities on October 24-25, 1986. The events will start with pregame activities at the football field at 7:30, followed by the football game between Miles and Bronte. Post game activities include an Ex-Students Coffee in the school cafeteria and an All-Sports Boosters dance at the community center.

Saturday activities will kick off with a parade at 11:00. All youngsters are encouraged to decorate their bicycles and enter the parade. A prize will be given for the best decorated bike. Persons wanting to pay \$1.00 and enter a float or car should contact Jolene Barrett at FNB Bronte ph. 473-2911 or after 4:40 ph. 473-3861. The parade will begin at the Nursing Home and proceed down Hwy. 277 to the Robert Lee Highway

Copeland fatality

Robert Darrin Copeland, 21, of Blackwell, died as the result of a car accident last Friday night near Maryneal. The car left the roadway, striking a cement culvert and overturned. The car was submerged in water.

Copeland was pronounced dead at the scene by a justice of the peace and was taken to McCoy Funeral Home in Sweetwater.

Church members attend program

A number of members from First Baptist Church in Bronte attended a Senior Adult Emphasis Week program recently hosted by the First Baptist Church in San Angelo.

The program consisted of Rev. Naylor as featured speaker, vocal solos by J.D. Strothers and musical numbers by the Glory Choir, a large choir of seniors from San Angelo.

Attendees from Bronte were: Tom and Nina Bivins, Bill and Christine Clark, Margaret Martin, Virginia Boatright, Mozelle Smith, Sibyl Hester, T.F. and Pauline Sims, Zada Denman, Jane Cumbie, Nedra Brock, Peggy Hembree, Annie Laurie McShan, Edith Hipp and Thelma Long.

and then back to the school.

The parade will be followed by a bar-b-que dinner at the old gym. About 2:30, after the dinner, a Roll-Call

of the classes and a General Assembly will begin. Afterwards, there will be plenty of time for visiting and individual class reunions.

Senior Citizen Activities

West Coke County senior citizens held their monthly dance last Thursday night in the Recreation Center in Robert Lee. The event, held on the third Thursday of each month, is for those over 60 years old. Last week, the seniors enjoyed the company of several couples who came from Sweetwater and Colorado City to dance and invited local citizens to join them on their respective dance dates.

Two out-of-town guests were Ima Jean Belt of Victo-

ria and Wanda Coleman of Odessa. The pair were visiting with Mrs. Coleman's brother and wife, Mr. and Mrs. Harley Moore. Other out-of-towners included Red Anderson and niece, Mildred Crabtree of San Angelo, former Silver residents.

Providing the music for the dance were volunteers Harley and Ruth Moore, Billy Newman, Add Davis, all of Robert Lee, Slim Trent, Kermit, Sammie Duncan and Troy Blackshear, both of San Angelo.

County Play Day results

The final Play Day of the season was held Saturday, Sept. 20 after several postponements due to rain. The awards banquet will be announced in the near future. Play Day results are:

BRONTE SCHOOL NEWS

Horns crush the Yellowjackets

The Bronte Longhorns crushed the Menard Yellowjackets Friday night in Bronte. This was the Longhorns' toughest test so far and they passed with flying colors. Bronte's hard hitting defense again held their opponent scoreless. They have not allowed a point to be scored

against them this season. The Longhorn offense was also equal to the challenge overcoming several turnovers including a fumble on Bronte's opening series. They have fumbled the ball on the first possession in each of the three games this year, but it hasn't hurt them.

Menard provided some hard hitting and in the opening minutes looked as though they would control the game. Menard's John Paul Garcia took the opening K.O. and ran it back to the Menard 46. The first play was a pass down to the Bronte 10 yard line. Then Bronte's defense took over. On fourth and goal Menard's QB fumbled and was recovered by Bowie McGinnis. Bronte ran one play and fumbled to Menard. Bronte's defense showed their character by holding Menard in for four plays. Menard's try for a field goal was blocked by Joel Sanders and recovered

by Stephen Lee, but a personal foul penalty gave the ball back to Menard. The Yellowjackets ran three plays and again tried a field goal. Bronte again blocked it and Todd Brooks recovered on the run and raced downfield for Bronte's first T.D. Pete Puentez added the PAT.

On Bronte's next possession Pete Puentez took one step forward from his wide receiver and caught a lateral pass from Stephen Lee. A block by Jeff Lee laid the Menard cornerback on his back and Puentez scampered in for a 50 yard T.D. The PAT was no good. Menard ran three plays and punted to Puentez who weaved his way through defenders for a 60 yard punt return for a T.D. Puentez kicked the PAT and at the end of the first quarter Bronte led 20-0 in front of a stunned, but happy crowd.

Late in the second quarter Bronte's offense took hold. They got the ball on their own 33 yard line and in ten plays pushed it down for a T.D. Joel Sanders took it in from the 5 yard line. The PAT again failed. At the half Bronte led, 26-0.

The last score came with 1:18 left in the third quarter when QB Stephen Lee ran around left end from the Menard 33. He evaded and broke tackles and wound up in the end zone. Puentez kicked the PAT to make it 33-0.

Menard's tempers flared several times in the latter part of the game as their frustration of being dominated showed. Menard has a good team who made few mistakes, but Bronte outthit and outmanned them. Bronte's offensive and defensive lines controlled and set the tempo for the game.

Bronte travels to Eden this week. The Longhorns have proved they are for real. They deserve your support; for their sake and your enjoyment, drive over to Eden Friday at 8:00 p.m. and back the Longhorns in their chase for the district crown... Bi-district--- State???

School vault burglarized

The vault in the principal's office at Bronte High School was burglarized Monday night and approximately \$160. was taken. The entry was gained by prying open doors in the school and breaking through cinder-

block in the office.

Anyone with any information about the break in or noticing anything suspicious that might help in this investigation should contact the school or authorities.

Rocking benefits Rehab

A Rock-a-Thon to benefit West Texas Rehab Center will be sponsored by members of the BHS Future Educators and Homemakers Clubs on Friday, October 3.

Both clubs will be rocking in rocking chairs beginning at 10:00 p.m. until 7:00 a.m. the following morning. They will watch video movies and listen to music during their rock-a-thon.

The club presidents and the two people obtaining the most pledges will go on

television to present their check during the Telethon.

Pledges will be solicited starting on Monday, September 29.

Horns slated on tv

Coach Gene Tuttle and the Bronte Longhorns will appear on KIDY-TV, Channel 6, on Saturday, September 27 at 7:00 p.m. Following their appearance will be a three-minute segment on Bronte High School.

It is hoped that everyone will tune in for this special program.

Coalson promoted

Dr. Jim Coalson of Decatur, Ind., has been promoted to the position of Assistant Director of Feed Research at the Central Soya company.

He is the son of Mr. and Mrs. John Coalson of Brownfield who are former Coke County residents. They moved to Brownfield in 1957. Coalson joined the company in 1973 as a swine research specialist. He was promoted to Swine Feeds Director in 1975 and to International Research Director in 1983.

Lady Horns travel

The Lady Longhorns volleyball team was on the road again this past weekend, as the girls traveled to Brownwood to take on the Lady Lions.

In the Freshmen match the Longhorns ran into some tough competition. The final score in that match was 6-15; 13-15 in favor of Brownwood.

The JV team fared much better taking their match in two straight games 15-12; 15-11. Setter De Ann Parker had an outstanding game. Michelle Jones, Tina Hines and Misti Taylor kept the

Lions on their toes with aggressive play at the net and on defense.

Earlier in the season the varsity defeated the Brownwood team in straight games. The Lady Lions must have remembered the loss because they came out tough and took the match in 2 games. The first game was neck and neck all the way as the Lady Longhorns played their best game of the season. However they just couldn't hang on and lost 13-15.

Student screening required

The Legislature passed a new law in 1985 that requires students to be screened for spinal deformities. Early detection of abnormal spinal curvature can prevent serious health problems. This is a problem that may begin during the early adolescent years, with an estimated 1 in 10 adolescents having some degree of abnormal curvature. Curves that are detected early may only require periodic observation by a specialist. Moderate curves may require the wearing of a brace, which is usually supervised by an orthopedic specialist. In most cases, the need for major surgery for this deformity can be eliminated through early detec-

tion.

Spinal screening for Bronte school children has been scheduled on Monday, September 29, 1986.

Children will be screened for two types of spinal deformities: scoliosis and kyphosis. Scoliosis is a condition in which the spine is twisted, causing misalignment of the upper body or lower back. This condition can worsen and lead to much pain, as well as complications of the heart and lungs. Kyphosis is a type of spinal deformity in which the upper spine shows a pronounced curve. This condition is also referred to as "round back" and can be corrected if detected early.

Book Fair slated

Bronte Elementary is sponsoring a Book Fair the week of October 6, 1986. Students will be able to purchase a wide variety of books, posters, bookmarkers, stickers and erasers. Adult interest cookbooks and other topics will also be included in the sale.

Students of all ages are invited to the Book Fair. The public is invited to attend during regular school hours.

For information contact Wanda Brewer or Kelley Miller, Book Fair Sponsors, 473-2511, between 11:30 and 12:30.

Monday, Sept. 29: Breakfast - Cereal, pear slices, biscuits, butter and jelly. Lunch - Frito pie, pinto beans and lettuce-tomato salad.

Tuesday, Sept. 30: Breakfast - Oatmeal, raisins, biscuits, butter and jelly. Lunch - Rib-b-que patties, green beans, coleslaw and peach slices.

Wednesday, Oct. 1: Breakfast - Sausage patty, orange juice, biscuit and gravy. Lunch - Pizza (beef & cheese), buttered corn and banana.

Thursday, Oct. 2: Breakfast - Cereal, banana, biscuit, butter and jelly. Lunch - Fried chicken with gravy, creamed potatoes, English peas and chocolate pudding. fast - Rice, peach nectar and cinnamon toast. Lunch - Hamburger, French fries, lettuce, tomato, pickles, bun and cherry icy.

We'll make your money grow — right here at home

When you make a deposit we make your money grow by passing it around the community. Your deposits may help finance a new tractor, buy cattle or put up a house. Some of your money may finance a vacation, buy a car or provide for a college education.

We loan money back into our community making it a better place for all of us.

ROBERT LEE SCHOOL NEWS

Defense leads win over Water Valley

The Steers handed Water Valley their first district loss last Friday. It was a tough game for the Steers, as they were outweighed 20 to 25 lbs. per man. Robert Lee seemed to be in better shape and the last half belonged to the Steers as they held W.V. to -6 yards in the 3rd quarter and -5 yards in the 4th quarter. **That is Good Defense!!!**

1st Quarter

RL lost the toss and lined up for the opening kickoff. Surprise, an onside kick and RL got the ball at the 50 yard line. RL got a 1st at the WV 39. A penalty moved the ball back 5 yds., but with some fine running RL got another

1st at the WV 24. RL could not move the ball from there. J.P. Skipworth tries a 41 yard field goal and it's good RL 3 - WV 0. RL kicked the ball to the WV 5 yard line, where WV took the ball and was well on the way to scoring, but Stevie Ebenstein would not hear of that, he took the ball right out of the WV runner's hands and ran it back to the WV 10 yard line.

RL fumbled back to WV on the WV 13 yard line. WV made 1st down, but then had to punt. A 62 yard punt put the ball at the RL 9 yard line. RL could not move the ball and quick-kicked on 3rd and long. WV then started a

good drive, but at the WV 1 yard line Ebenstein again stripped the ball and RL recovered, to stop the drive. RL made a first down as the quarter came to an end.

2nd Quarter

RL could not make another 1st and Hood booted the ball to the WV 30. WV then moved the ball for three 1st downs and a three yard run for a TD. The extra was good RL 3 - WV 7. Charles Sherrill received the kick and carried it out to the RL 36, but a 15 yard penalty moved the ball back to the RL 21. RL then got four 1st downs and a 28 yard TD pass from Runnion to Ebenstein. Extra point was no good. RL 9 - WV 7. RL kicked to WV then on the first play from scrimmage WV goes 63 yards for a TD extra was good and at half-time RL 9 - WV 14.

3rd Quarter

RL received the kick and went to work. Runnion hit Jason Herring for a 65 yard pass and a TD. A pass to Garringer from Runnion was good for 2 points. RL 17 - WV 14. WV received the kick, but couldn't get a 1st. WV punted to RL. RL made two 1st downs, but had to punt to WV. WV returned the punt 65 yards for a TD. The extra was good. RL 17 - WV 21. RL received the kick. A penalty moved the ball back to the RL 22. RL then made 5 first downs. Skipworth then carried for a 9 yard TD. Another extra by Skipworth and the score RL 24 - WV 21. WV received the kick and their first play from scrimmage was a 7 yard loss. On the second play, the ball popped loss and Garringer caught it on the run. Thirty-five yards later he crossed the goal line for another TD. A pass from Runnion to Garringer was good for 2. RL 32 - WV 21.

4th Quarter

RL moved the ball real well, but could not score. WV could not score either. **A Great Game Steers!!**

The Steers will be at home this week for Homecoming against the Garden City Bearkats at 8:00 p.m.

just before opening kickoff. There will be a drawing every home game at half-time, so participate in this spirit event. Following the drawing, the winner can get his Steer game-ball. Support the team by buying these tickets.

Get your tickets now!

The Robert Lee Booster Club says, "Got your ticket for the football game yet?" Well, get with it! Time's running out. You may get your tickets at participating merchants downtown and before the game at the club booth. Ticket sales will cease

ABC Golf Tourney

A good turn-out entered the ABC golf tournament Sunday, Sept. 21, at the Mountain Creek Golf Course. The meet was sponsored by Heart O' Texas

Saving and Loan Association.

Winning team honors for a 1st place finish went to Ray Don Roe, Greg Pearson, Jackie Walker, and Chris Ertresvaag with a 62 carding. Shooting a 63 for second place were Jeff Webster, Mickey Pierce, Nell Kennedy, and Tommy Antilley. Steve Alexander, Bob Vaughan, Tanya Alexander, and Steve Deaton finished in the third slot with 64.

A Mixed Couples tournament on October 4 & 5 will utilize both the Mountain Creek Golf and Singing Winds Golf Courses. Entrants will tee-off at 8:30 a.m. Saturday morning for play at Robert Lee. A barbecue lunch will be served 11-2. On Sunday, play will begin at Bronte at 8:30 a.m. Fifty-four teams will be accepted at \$60 per team.

RL Homecoming activities

Homecoming '86 at Robert Lee School will begin Friday, Sept. 26, with the annual parade at 2:30 downtown. The procession will travel to school to the new gym for the Pep Rally at 3:00. Robert Lee Ex-Students Association will host a short reception from 6-7 o'clock in the old school gym. Refreshments will be served.

At 8:00 the Homecoming football game will kick-off with the Steers hosting the Garden City Bearkats in the second district contest of the '86 season.

Halftime activities will include the introduction of Mr. RLHS, Shane Smith and Miss RLHS, Becky Clendenen. The couple were elected by the student body last week. Other candidates were Rick Drennan, Tim Garringer, Brenda Smith, and Missey Grim.

Secret ballots have already elected the prestigious Homecoming Queen and King. They will be presented at the half also. Candidates for this honor are

QUEEN - Lee Ann Molinar, daughter of Christina Molinar; Brenda Smith, daughter of Mr. and Mrs. R.D. Smith; Lin Long, daughter of Mr. and Mrs. Sid Long; Karla Donnell, daughter of Mrs. Kay Haley and George Donnell.

King - Rick Drennan, son of Mr. and Mrs. Wayland Drennan; Charles Sherrill, son of Mr. and Mrs. Charles Sherrill; Pammy Millican, son of Mr. and Mrs. Wilbern Millican.

All ex-students and residents are urged to "come home" and visit with old acquaintances at any or all of these activities.

Dogies down Water Valley

The Robert Lee Dogies downed Water Valley on the road last Thursday 14-6. Jody Tavarez struck paydirt first with a 35 yd. run and the 2 pts. were scored by Chris Marquez on a 3 yd. dart. Jody Tavarez also scored TD #2 on a 4 yard sprint but the try for the

2-point conversion failed. Coach for the 1986 Dogie season is Max Anthony, and he is assisted by Wayne Alexander.

The site for this week's football game has been changed. Garden City will come to Robert Lee this week at 6 p.m. for the contest.

Legion to hold drawings

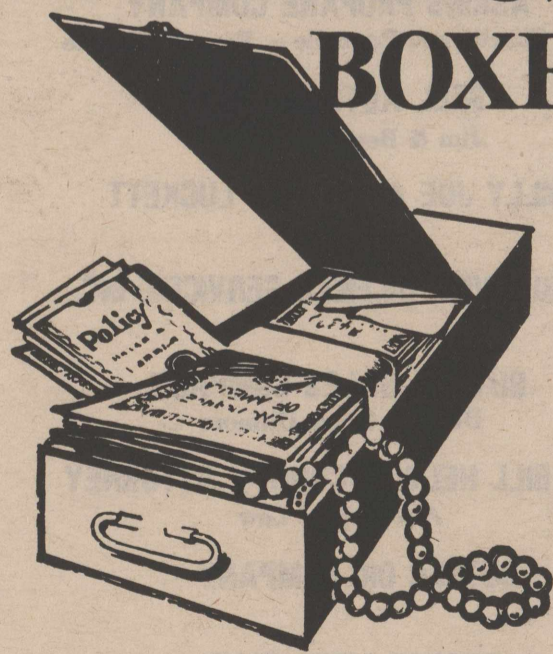

American Legion Post #381 met last Tuesday in Robert Lee to discuss possible fund-raisers for the organization.

Commander Horace Scott presided when plans were made and approved by the members present to hold drawings for prizes to raise funds. The Post will sell chances on 2 prizes - a Remington 223 caliber BDL

bolt action rifle and a 2-day hunt for the winner and 1 guest. Drawings will be held at 10:30 a.m. on October 29 at J&B Lumber and Hardware in downtown Robert Lee. Ticket holders need not be present to win.

In other business, members voted to send Post Adjutant Cecil Cherry to the district convention in Kingsland October 18-19.

Preventing credit problems

Jan Hohensee
County Extension
Agent-HE Coke Co.

Credit problems can occur if you lose income, become unemployed, or go from two incomes to one in the family. Problems can also come from taking on too much credit at once.

To prevent problems, a general rule is to limit minimum monthly payments and installment payments to 20 percent of your monthly net income. Some advise having no more than 15 to 17 percent as your target minimum.

If you own several credit cards, it can be easy to charge more than you can handle. There are danger signals of too much credit. They include:

- Total monthly payments keep increasing.

- You are at or near your credit limit.
- You can only make minimum payments.
- You extend payments.
- You use savings to pay bills.
- You work overtime to make ends meet.

Before taking on new credit obligations, add up your current monthly payments to be sure that you do not overextend yourself. Consider how long you are committed to making these payments.

There may be times when you cannot meet your credit obligations. If this happens, contact the creditor, explain things and try to work out a new agreement. But don't ignore the problem.

Think through your use of credit. Control it and let it add to your financial life-style.

DO WE REALLY EAT TOO MUCH MEAT? --

For years Americans have thought of themselves as big meat eaters, but new ways of measuring meat consumption show that isn't the case. Until last year, annual per person red meat consumption was figured by the U.S. Department of Agriculture on the basis of carcasses sold, says meat scientist Dr. Dan Hale. According to the Texas A&M University Agricultural Extension Service specialist, that's like reporting the yearly sweet

corn consumption by including the weight of the corn stalk, husk, corn silk and cob in the figure. New figures take into account that meat packers and store butchers remove fat, bone and gristle before meat is placed in the grocery store meat case.

Hale says these figures show that the average daily consumption of red meat is 2.1 ounces per day, which is less than the recommended daily allowance of two 3-ounce servings of cooked lean meats or meat alternates.

AmericanHeart's

DAY 1 • BROWN BAG LUNCH

Chalupa Carrot Butterscotch Brownies

Chalupa—spread a fried corn tortilla with refried beans and sprinkle with grated lowfat cheese, chopped tomatoes, and lettuce.

Butterscotch Brownies

- 1/4 cup oil
- 1 cup light brown sugar, firmly packed
- 1 egg, slightly beaten (or 2 egg whites or egg substitute equivalent to 1 egg)
- 3/4 cup sifted flour
- 1 teaspoon baking powder
- 1/2 teaspoon vanilla extract
- 1/2 cup coarsely chopped walnuts

Blend together oil and sugar. Stir in beaten egg. Sift flour and baking powder together and combine with egg mixture.

Add vanilla and walnuts to the batter, spread in an oiled 8 x 8 x 2-inch pan and bake at 350° F. for 25 minutes. Do not overbake. Cool slightly, and cut into squares.

After School Snack Suggestions

- Muffins made with whole grains and fruit
- Homemade pudding or pudding pops made with low fat milk
- Chunks of cold roast turkey or chicken

BE PROTECTED... FROM THE UNEXPECTED

STEALING ELECTRICITY IS AGAINST THE LAW

Stealing Energy is a Felony

Some people tamper with their electric meters to avoid paying for the energy they use. Stealing electricity is a felony offense in the state of Texas and violators will be prosecuted. West Texas Utilities' Current Diversion Department is working hard to help combat the growing problem of energy theft.

Energy Theft is Dangerous

Not only is service theft a crime, but it is also very dangerous. Serious injuries can result from meter tampering.

A Crime Against You

When someone steals electricity, they are not only stealing from WTU — they are also stealing from you, as a rate-payer. Just as shoplifting increases the cost of items you buy in the store, power theft increases the cost of your electric service.

WTU Will Prosecute

Because we are concerned about the dangers and costs resulting from meter tampering, West Texas Utilities will prosecute energy thieves.

WEST TEXAS UTILITIES COMPANY

Serving you with dependable electrical energy from the Red River to the Rio Grande.

School's In—And So Are The Con Artists

by
Jim Mattox
Attorney General

School districts beware. Those telephone boiler room operators who used to prey only on small businesses have decided to target Texas schools.

HOW THEY WORK

If you receive a call from anyone representing that he or she is from General Purchasing, General Supplies or the Texas Education Agency, listen very carefully. The conversation may go something like this:

"Hi. I'm Joe Jones with General Purchasing (or TEA or General Services). We have some new materials in, including videotapes, pens, pencils, and other school supplies. Unfortunately, the projects that these supplies were targeted for have fallen through. So, we have these supplies and we're offering them to school districts at the price we paid for them." Then the caller entices the school district employee to make a purchase.

One way you can determine whether your caller is really with a state agency is to simply ask for his or her phone number so you can return the call. If the caller refuses to give the phone number, you're not talking to a state agency.

WHAT TO DO

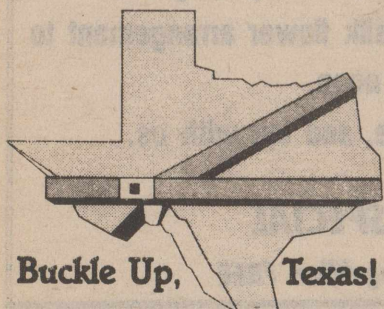

My Consumer Protection Division learned of this scam only recently. We do not know whether any school districts have actually placed any orders. If yours has, we would like to hear from you in our Austin office at (512) 463-2070.

Persons who receive merchandise they did not order should return the merchandise to the sender. They are not required to pay for unordered materials. If a person is deceived about the source, price or other important aspect of anything he or she orders, and does not wish to keep the merchandise, the same advice applies.

It is unfortunate that our schools are beset with such con men in this time of economic hardship. But all consumers, including businesses and government entities must be careful about every transaction. Too many individuals and small businesses have learned this lesson the hard way.

FOR MORE HELP

If you have a consumer problem, you may ask for assistance from my Consumer Protection Division, which has offices in Austin, Houston, Dallas, San Antonio, McAllen, Lubbock and El Paso. The Attorney General's Office is the people's law firm. We're here to help you!

CHILD PROTECTION

SAFETY WITHOUT FEAR

Many crimes against children can be prevented.

The most important key to child safety is effective communication with your child. Children who are not listened to or do not have their needs met at home are more vulnerable to abduction or exploitation. The first step you should take is to make your child truly comfortable in discussing sensitive matters and in relating experiences of inappropriate approaches made by others.

Children are often too afraid or too confused to report their experiences and fears. Above all, you and your child need to be careful, but you do NOT need to be afraid. Talk to your child in a calm and reasonable manner, being careful not to discuss the frightening details of what might happen to a child who does not follow the safety guidelines.

It is not the pictures of missing children, circulated on milk cartons and broadcast on television, that frighten children—these have actually helped in returning children to their homes. It is, instead, the outdated and inappropriate messages from adults that contribute to their

Children should know they can say NO—even to an adult.

fear and anxiety. One recurring problem is the use of the "stranger-danger" concept. With it comes a vision of the typical "child molester"—a dirty old man in a raincoat. This is a misguided concept that has made children overly fearful.

In reality, according to the National Center for Missing and Exploited Children, most abuse occurs at the hands of the child's everyday acquaintances—a babysitter, a teacher, a scout leader, a relative, the man or woman next door. Children should be taught it's okay to say NO—even to an adult; the meaning and importance of the circulated pictures; and to communicate to parents or teachers secrets adults have told them to keep. TODAY'S WOMAN HAS SPECIAL NUTRIENT NEEDS

To meet the many demands placed on them at home and in the workplace, you'd think that most women would want to be in the best possible state of health. But evidently, this is not the case.

Research studies indicate that today's woman is not getting sufficient amounts of certain vitamins and minerals, including calcium, iron, vitamin B-6 and folacin.

Although women are smaller than men, those of child-bearing age need about twice as much iron. Iron is a mineral required to form hemoglobin, the oxygen-carrying part of the blood. Without enough iron, iron-deficiency anemia results. Symptoms of iron-deficiency anemia include fatigue, paleness, dizziness, weakness, sensitivity to cold and reduced work capacity.

Foods rich in iron include meats, dry beans, green leafy vegetables and enriched breads and cereals. Iron is absorbed better from meals when a source of ascorbic acid is also included, such as tomatoes or citrus fruit. Some women who don't eat enough iron-rich foods may need an iron supplement.

Many women take in only half of the recommended 800 milligrams of calcium each day. This is of special concern, since many experts believe that the 800 milligram recommendation is actually too low.

Too little calcium over a long period of time is one of the main factors linked to the painful, crippling condition called osteoporosis. Calcium is lost from bones, so they become very fragile and break with the slightest movement. The condition most often shows up in elderly women.

Osteoporosis may be prevented by a calcium-rich diet and regular exercise. Milk and milk products are the best sources of calcium. Two and three-fourths cups of milk provide enough calcium to meet the current recom-

mendation for 800 milligrams per day. Non-dairy calcium include collard and mustard greens and salmon and sardines with edible bones.

Many women may be lacking in some vitamins in their diets which affect their health and well-being. Folicin, a vitamin needed to build red blood cells, has been shown to be low in some women's diets. This vitamin is found especially in liver, yeast and deep green leafy vegetables.

Another vitamin often in short supply is vitamin B-6. It is needed to form enzymes that help the body use proteins for building and repair. Vitamin B-6 is found in meat, liver, wheat germ, whole grain cereals, soybeans, peanuts and corn.

The best source of all these nutrients is food - not vitamin pills or supplements. Eating a variety of foods from the basic food groups daily can help every woman insure that she is not missing any of these necessary nutrients.

Wallace reunion held

The Wallace reunion was held Sept. 20 and 21 at the new Rec. Hall in Robert Lee with a large crowd attending. From out of town were Henrietta Payne, Clovis, N.M., H.L. and Fannie Gipson, Amarillo; Jackie, Marilyn, Jessica and Joel Smith, Shallowater; Buddy and Kip Wallace, Gail; Linda Havins, Dallas; Jan Havins, Abilene; Jackie, Pam and Lindsey Wallace, Abilene.

Also Troy, Susan and Cayla Millican, Sterling City; Morris Wallace, Leona Ray, Sandra Gibson, Jana Jefferies, and Carl Covert, All of San Angelo; Mr. and Mrs. Felix Puett, Brownwood, and

Editor's Note:

The following fable has probably been reprinted many times, but we would like to give credit to the "Menard News", and to Dan Feather, its publisher, as that is where we obtained the fable. The storyline is easily understood, and very timely as we progress into the peak season for consumer buying.

Here is a 'fable for our time':

"Once upon a time the Worthwhile Club decided to hold a fundraiser to raise money for the local town. The members wanted to put up a sign at the edge of town that proclaimed it 'Countryside, U.S.A.', the friendliest little town in these here parts.'

They decided they would hold a dinner and play some games and give away some prizes. Now they wanted to raise lots of money, so they decided to mimeograph their tickets at the school instead of at the local newspaper print shop and asked for a free story in the newspaper, and a free story to tell who had won what. The newspaper man looked a little big disgruntled, but said he would print their story.

Then they discovered they could buy the chickens they were serving at the supper for ten cents a pound less at a store in a town 45 miles down the road. One of the

Worthwhile Club members was going there anyway to do her Christmas shopping, so she agreed to pick them up for the club at no travel cost to them. She bought the prizes out of town too, while she was at it.

Of course they used napkins and cups from the local bank, and the other paper products they needed they bought at a discount store just 70 miles up the highway.

The wives of the local grocer, local hardware store man and the local banker all worked on the supper with the other Worthwhile Club members so there were no labor costs.

Well, the event was a huge success and the club raised \$500 for the sign.

But it never got put up. Why? Three of the town's local businesses went under that year shortly before Christmas. It was thought by many that perhaps the fellows hadn't run their businesses as well as they should have. Of course, without any businesses to serve, the newspaper and the bank soon followed suit.

The Worthwhile Club has decided not to hold its dinner again this year, even though last year's was such a barn-stormer. With the bank gone, they would have to purchase all the paper products. The Club membership had dropped about a third, and the ladies felt there weren't enough of them to do the work.

And the grocer and the

banker and the candlestick maker? Well, they're all members of the Jolly Good Time Club in that town 70 miles down the road now. That's where they pay taxes, and contribute to the Boy Scouts and work on church suppers. Their business planning seems to be going a lot better nowadays, too.

Well, it's not for me to say, but I wonder what would have happened to Countryside U.S.A. if the Worthwhile Club and other organizations in the town had decided they would not only raise money for worthwhile causes but would also consider keeping the local businesses healthy as one of their causes.

What if they had made \$200 in the fundraiser and had given the newspaper some money for ads and bought these chickens at the higher price locally? Maybe they should have given a gentle nudge to the lady who was going down the road to do her Christmas shopping to look in at the local stores to see if she could find anything to fill the bill. What if they had given scrip money at the local stores as prizes?

It might have taken them two years to raise the money for the sign, but maybe then there would have been a town to put the sign up for. And maybe the best work that the club could have done would have been to patronize the local merchants and keep the town alive and healthy."

Mr. and Mrs. Kenneth Green of San Angelo.

Others present were local friends and relatives of Robert Lee: Mr. and Mrs. Calvin Wallace, Mr. and Mrs. Gib Wallace, Mr. and Mrs. J.C. Wallace, Mr. and Mrs. Royce Wallace, Wade Wallace, Art and Donna Morton, Edna Havins, Bob and Mildred Reese, Tommy and Lucy Williams, Otis and Tuckie Watson, Ruth Williams, Irene Maples, Fred Smith, Francis and Addie Jefferies, Johnnie and Mary Hinton, Pearl Ditmore, and Dona Bryan.

All had an enjoyable time.

CUT FIREWOOD NOW

It's not too early to cut firewood for the coming winter. Firewood cut now will be dry by the time cold weather rolls around.

It takes as much as a year for split and stacked firewood to reach an "air dry" condition. This is when 20 percent of the wood's weight is water. However, four to six months storage will dry wood enough for use.

Homeowners should stack the wood off the ground, in an open area to allow air circulation. Covering the wood pile to keep off the rain

will speed up the drying process.

When cutting firewood, safety should be a primary consideration. A chainsaw is probably the most dangerous piece of equipment most people ever handle. Chainsaws cause more than 30,000 accidents each year, mostly due to operator carelessness.

If buying firewood, be sure you know what you're getting. First, ask if the wood is green or dry. Then, check on the amount and price. Firewood is often advertised for sale by the cord,

but the seller usually means a "face" cord.

A cord of wood is a stack 4 feet wide by 4 feet high and 8 feet long. A face cord is a stack 4 feet high and 8 feet long, but the pieces are only 18 to 24 inches long. From the front, or "face," it looks like a cord, but is only one-third to one-half a cord. A pickup load of wood is generally equal to a face cord.

Plan to cut or buy your firewood early, so that it will be ready to burn once the winter season sets in.

RANDY BESSEANT HOLDS the antlers of a huge elk he took near Pine Dale, Wyoming Sept. 12. Hunting in 20 inches of snow, he saw the big bull alone at 75 yards and took him with a 7mm Magnum. He weighed 1200 lbs. and is being processed in Wyoming.

Novelist Lindsey featured

David L. Lindsey, a former Coke County resident, is featured in the October 1986, Texas Monthly publication. Former book editor turned mystery novelist, the article gives an interesting account of the basis for much of his book material.

Lindsey, who is a college English major, wrote the first of his books, A Cold Mind, in 1983. In 1984, he turned out Heart From Another Sun and then a third, Spiral. He is now working on a fourth novel. About 2 or 3 times a year, he leaves his home in Austin, holes up in a Houston hotel and haunts the homicide division of the local police department. Detective friends allow him to hand around and see firsthand the makings of murder cases. Even the crime lab holds the working details of the inside story of savage crimes. Lindsey says he really went to great lengths to follow the realism of cases when he attended on autopsy and became too fascinated at

the procedure to be ill. His books surround a central figure, a detective, Stuart Haydon, as the main character.

Critics have called his books shocking, gory, and violent. To be sure, his frightened readers do not lay his writing aside until they are finished.

David Lindsey does not fit the mold of a "murder mystery" writer. Looking like a lawyer in his early forties, he's a Sunday school teacher, and family man; he dedicates all his books to his wife.

His fourth book is not ready for publication but if it follows in the vein of his previous works, it will be a hair-raiser.

Lindsey was reared at Silver where his father worked for Sun Oil Company. He was always encouraged in his work by his mother, the late Hazel Lindsey. Now retired, his dad, Earl Lindsey resides in Robert Lee.

BROWN BAG LUNCH

Tuna Pocket Orange Oatmeal Carrot Bars

Tuna Pocket—tuna salad in a whole wheat pita pocket bread with lettuce, tomatoes, and sprouts.

Oatmeal Carrot Bars—for 24 bars

- | | |
|---------------------------|--------------------------|
| 1/2 cup brown sugar | 1 cup whole wheat flour |
| 1/3 cup margarine, melted | 1 teaspoon baking powder |
| 1 egg | 1/2 cup oatmeal |
| 1/2 teaspoon vanilla | 1/4 cup wheat germ |
| 3/4 cup carrots, shredded | 1/2 cup raisins |

In a small bowl, cream together sugar, margarine, egg and vanilla until light and fluffy. Add carrots and mix well.

In another bowl, thoroughly stir together flour, baking powder, oatmeal, and wheat germ. Stir the dry ingredients into the creamed mixture; fold in the raisins. Pour mixture into a vegetable-oil sprayed 9x9x2-inch pan. Bake at 350° for 30 minutes. Let cool. Cut into bars.

ROBERT LEE CHEERLEADERS [from l] Kim Hood, Lin Long, Missy Grim, head, Becky Clendennen, and Lisa Bower show off their ribbons won during cheer-leading camp at Sam Houston State University at Huntsville in July. The spirited group participate in a number of community activities, most recently on the program at the '64 Study Club meeting September 9.

Bryan hosts Study Club

"Back To School" atmosphere was prevalent everywhere as 22 members of the Robert Lee's '64 Study Club answered, "present" to the roll call, when they assembled in the home of Lucile Bryan, on Tuesday, Sept. 9. This theme was further noticeable as members progressed around the refreshment table revealing an elaborate center piece on which was mounted the treasured handwork of the late Thelma Mauldin. This steer, wearing a orange ribbon saying, "Fight, Steers, Fight!" stood proudly between two orange and black goal posts, displaying current beat tags.

Club members passed on to enter the unique and beautiful garden in the backyard of the Wilson Bryans. Here mid various plants, flowers, ferns and bubbling

Sorosis Club holds first meeting

The Sorosis Study Club held its first meeting of the 1986-87 year, Thursday, Sept. 18 in the home of Mrs. Pat Oglesby. Members enjoyed a delicious salad supper prior to a preview of plans for the year given by President Oglesby and the presentation of yearbooks by Chairperson Bobbie Lee.

Attending the meeting were Virginia Boecking, Mary Glenn, Mary Frances Glenn, Ann Hamilton, Bobbie Lee, Betty Lee, Pat Oglesby, Dorthey Pruitt, Pat Rawlings and new member Peggy Hembree.

The club will meet October 16 in the home of Mrs. Royce Lee.

--- Postal Pointers ---

by Coe Lewis, Postmaster
Robert Lee, TX. 76945

On timely delivery of your mail - our goal is to keep the mail moving and deliver it on a timely basis and to the proper address. It's really hard to deliver some pieces of mail because of improper address. This is where we need the help of our customers to get their mail properly addressed.

When sending a piece of mail, make sure you have name, street, or box numbers and city, state and zip code. When you need assistance on zip codes, call the office and we will gladly find it for you. It is absolutely necessary to have a ZIP on parcel because the ZIP determines the zone to which the parcel is going. This, in turn, determines the amount of postage you pay.

If at any time you send out mail and it does not get delivered, you need to let us know as soon as possible. Don't wait two or three months or a year and come tell us your mail didn't get delivered because it is too late then for us to trace it.

Local mail, if deposited in the local slot, never leaves Robert Lee, but is cancelled, then delivered to the boxes or routes. The only way local mail can go astray is if you address the mail and put "City" instead of Robert Lee, then deposit it in the "out of town" slot. Of course you also failed to put a return address on the mail so when it gets to Midland, they have no way of knowing which city, and since this is first-class mail, the post office is not allowed to open it - so it goes to the "Dead Letter Office" in Atlanta, Georgia. Putting a return address on your mail is very important for reasons other than above.

Sometimes your letter cannot be delivered due to a number of reasons; "moved, left no forwarding order"; "forwarding order expired"; "incorrect street address", etc. If any of these reasons exist and you have a return on your letter, you will get it back with the reason for the return. Otherwise it will go to the Dead Letter Office and you will never know it unless you have your return address

on the inside of the letter. Our clerks are very dedicated to getting your outgoing mail dispatched and your local mail delivered, so if you have any problems with addressing your mail, please call on us and we will do our best to assist you. Our local motto is "A-1 service for our A-1 Customers."

Bryan starts for Houston

Frank Bryan, a former Robert Lee student, has gained a starting position as deep snapper for punts, field goals, and extra points with the University of Houston Cougars. Bryan, a 1986 San Angelo Central High School graduate, is a freshman at Houston majoring in political science. He played his first collegiate football game at Arizona before 50,000 spectators and last Saturday, the Cougars were televised nationally against Oklahoma State in Stillwater. Several good camera shots picked him up as #62. Quite a sudden change from playing in San Angelo!

Bryan was listed in Collegiate Sports of America's 1985 Blue Chip Publication as 1 of 4 high school players from district 4-5A and was an honorable mention all-district choice as a senior lineman at Central last year.

Sure to be attending as many Cougar games as possible this season will be his parents, Terry and Priscilla Bryan of San Angelo and his sister, Teri, a senior at Angelo State.

His grandparents are Mr. and Mrs. Wilson Bryan, Mrs. Mary May Wylie, all of Robert Lee and the late T.M. Wylie, Jr.

HOUSEHOLD INVENTORY HELPS WITH INSURANCE CLAIMS -- Having an inventory of household items can save the stressful and frustrating job of having to piece together what was stolen or destroyed in a natural disaster. "People tend to remember conspicuous items, such as a chair, television or videotape recorder," says family economics specialist Dr. Majorie Marman. "But most homes also have dozens of small items whose value adds up to a considerable loss." After a fire or theft, it may also be difficult to think clearly enough to remember everything that was lost or stolen, adds the Texas Agricultural Extension Service home economist.

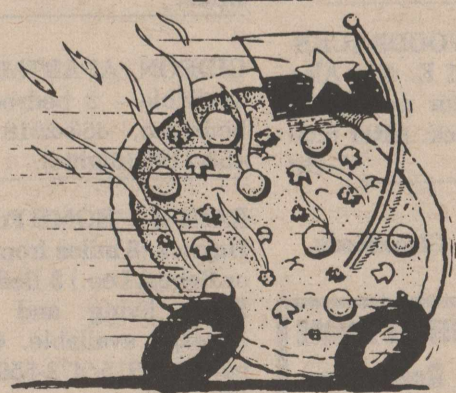

MAKING A HOUSEHOLD INVENTORY -- Keeping a household inventory to use for insurance purposes in case of theft or natural disaster is not difficult. Texas Agricultural Extension Service family economics specialist Dr. Marjorie Marman offers these suggestions for setting up an inventory:

- Walk through each room of the house and list every item. Be as descriptive as possible about the items.
- Take pictures to supplement the descriptions.
- Keep original receipts on all purchases and get appraisals on jewelry and silverware.
- Update your inventory regularly to include new purchases.
- Store the inventory, pictures and receipts in a safe-deposit box or some other location away from your home. If you keep your inventory on a home computer, make a copy of the disk to store in a separate location.

"STATE OF TEXAS

To Scott Sterling, Respondent, GREETINGS: "YOU ARE HEREBY COMMANDED to appear

and answer before the Honorable District Court, 51st Juvenile Court, Coke County, Texas, at the Courthouse of said county in Robert Lee, Texas, at or before 10 o'clock a.m. of the Monday next after the expiration of 20 days from the date of service of this citation, then and there to answer the petition of the Texas Department of Human Services, Petitioner, filed in said Court on the 12th day of May, 1986, against Carolyn Blair, Respondent, and said suit being number 31 on the docket of said Court, and entitled 'In the interest of Michelle J. Blair and Gayland M. Blair, Children,' the nature of which is a suit affecting the parent-child relationship. Said child, Michelle J. Blair, was born on the 28th day of July in Dallas, Texas.

The court has authority in this suit to enter any judgment or decree in the child's interest which will be binding upon you, including the termination of the parent-child relationship, the determination of paternity, and the appointment of a conservator with authority to consent to the child's adoption. 'Issue and given under my hand and seal of said Court at Coke County, Texas, this the 23rd day of September, 1986.

Ettie Hubbard
Clerk of the District Court of
Coke County, Texas" 7-1tc

"STATE OF TEXAS

To S.G. Coleman, Respondent, GREETINGS:

"YOU ARE HEREBY COMMANDED to appear and answer before the Honorable District Court, 51st Juvenile Court, Coke County, Texas, at the Courthouse of said county in Robert Lee, Texas, at or before 10 o'clock a.m. of the Monday next after the expiration of 20 days from the date of service of this citation, then and there to answer the petition of the Texas Department of Human Services, Petitioner, filed in said Court on the 12th day of May, 1986, against Carolyn Blair, Respondent, and said suit being number 31 on the docket of said Court, and entitled 'In the interest of Gayland M. Blair and Michelle J. Blair, Children,' the nature of which suit is a suit affecting the parent-child relationship. Said child, Gayland M. Blair, was born on the 12th day of April in Tulsa Oklahoma.

The court has authority in this suit to enter any judgment or decree in the child's interest which will be binding upon you, including the termination of the parent-child relationship, the determination of paternity, and the appointment of a conservator with authority to consent to the child's adoption.

'Issued and given under my hand and seal of said Court at Coke County, Texas, this the 23rd day of September, 1986.

Ettie Hubbard

LEGAL NOTICE

Bronte Independent School District offers vocational programs in **AGRICULTURE** and **Home Economics**.

It is the policy of Bronte Independent School District not to discriminate on the basis of sex, handicap, race, color, and national origin in its educational and vocational programs, activities, or employment as required by Title IX, Section 504 and Title VI. Bronte Independent School District will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs.

For information about your rights or grievance procedures, contact the Title IX Coordinator and the Section 504 Coordinator, Michael Hartman, 210 South Jefferson, Bronte, Texas, 915-473-2511.

Personal

Tommy Bryant and his wife, Sherry, returned to their home near Green Mountain Monday night following a 6-day stay in Houston. Bryant under surgical procedures and colon tests at M.D. Anderson Hospital. He was resting comfortably at presstime.

BUY DURABLE SCHOOL CLOTHING - "When you shop for school clothing, look for durable clothing that can "grow" with the child throughout the school year," says Alma Fonsecs, a clothing specialist with the Texas A&M University Agricultural Extension Service. She points out that discount and outlet stores carry less-expensive clothing, but it may also be less durable. Before buying, inspect clothes for wide seams that won't ravel or pull out, and on knits, narrow seams that are stitched and overcast. Double stitched seams or tape inserted in seams that receive the most stress, such as pants crotch or armhole seams is another sign of durability. If the style, fabric, fit and price are right, you can add needed reinforcements on your home sewing machine to make less durable clothing last longer.

Stamp Club

The Robert Lee Stamp Club will meet Thursday, September 25, at 7:00 at the post office. Plans will be finalized for the stamp show and special Robert Lee Cancellation which will be at the Robert Lee Post Office on Wednesday, October 29.

All interested persons are invited to attend.

Senior luncheon

Persons from Bronte who attended the Retired Seniors Volunteer program at San Angelo Convention Center on Friday, Sept. 19 for a luncheon and program were:

Margaret Martin, Geneva Minnick, Lois Wallace, Effie Corley, Ivy Spiller.

Also Pam Stokes, Dean Pope, Lawrence Kinnard, Julian Herndon, and Alton Phillips.

Falk graduates

Airman 1st Class David L. Falk, son of Dennis L. and Rebya G. Falk of 1922 W. Ave. M., San Angelo, has graduated from the U.S. Air Force surgical service specialist course at Sheppard Air Force Base, Texas.

During the course, students were taught operating room procedures and post-operative care of patients. They also earned credits toward an associate degree through the Community College of the Air Force.

His wife, Frances, is the daughter of Harold and Patsy Dunn of Bronte.

Duncan reunion

Descendants of the late Peter Jeff Duncan will gather for their annual reunion at the Robert Lee Recreation Center this weekend, Sept. 27-28. Plans call for lots of good food, visiting, pictures, and music. Old and new friends of the family are invited to come and enjoy the fellowship.

Burns hospitalized

Mrs. Lois Burns of Robert Lee was taken to St. John's Hospital in San Angelo last Sunday evening. She was moved to a private room Tuesday and is much improved, according to relatives.

Trees and grasses can help protect your erosion-prone fields. Green up YOUR farmland through the CONSERVATION RESERVE! Visit your local office, U.S. Department of Agriculture.

America has less than half as many wetlands as when our nation was first settled.

If your farm has some wetland, a new farm law asks you not to drain or fill it. If you do convert it for crops, you could lose farm support benefits.

Check with your local office, U.S. Department of Agriculture.

William E. Schneider and Jean Ann Wilson

Schneider, Wilson to wed

Mr. and Mrs. Chester L. Wilson of Bronte have announced the engagement of their daughter, Jean Ann, to William Edgar Schneider, son of Mr. and Mrs. Richard E. Schneider of Hondo, Tex.

The bride-elect graduated from Bronte High School, and Angelo State University where she earned an Associate of Science Degree in Nursing, and a Bachelor of Science Degree in Nursing. She is currently a registered nurse and is employed by Brownwood Regional Home Health Center.

The prospective bridegroom graduated from Hondo High School, and Texas Tech University where he earned a Bachelor of Science Degree, and a Master of Science Degree in Sports Medicine. He is employed at Howard Payne University as Athletic Trainer, and instructor in physical education.

The wedding will take place on Sunday, October 5, 1986 at the First United Methodist Church in Bronte. The Rev. Howard Johnson will perform the ceremony.

WTU announces refunds

West Texas Utilities customers this month are receiving refunds and also paying less for the electricity they use.

The double-barreled relief comes from a continued decline in the Company's boiler fuel costs, which by law are passed on to the customers. The Company is refunding over \$5 million—an average of about \$11 per customer—in retail revenues collected in excess of actual fuel costs over the past several months. At the same time, the amount charged customers for fuel is being reduced.

The fuel cost refund is the third within about a year for WTU, thanks mainly to the decline in the price of natural gas, WTU's main boiler fuel. A further decline in fuel costs is expected when WTU's new coal-burning Oklaunion Power Station goes on line late this year.

"The cheaper coal should partially offset an anticipated increase in base rates necessary to pay the plant's construction costs," Don Welch of Abilene, vice president and director of customer services, said.

Welch said the new fuel cost factor, which was set by the Public Utility Commis-

sion at WTU's request, brings WTU's standard residential summer rate down below average for investor-owned utilities in Texas.

WTU customers now will pay \$72.59 for 1,000 kilowatt-hours, compared to \$80.01 under the old fuel cost factor, and \$40.55 for 500 kilowatt-hours compared to \$44.26. The average reported by the PUC for eight investor-owned utilities in August was \$76.55 for 1,000 KWh and \$40.72 for 500 KWh.

WTU's average rates for an entire year now are even lower. Including both summer and winter rates, the 12-month average would be \$68.84 for 1,000 KWh and \$38.67 for 500 KWh. The summer rates run from May 1 through October and were established by the PUC to encourage energy conservation during hot weather.

Coal deliveries are now being made to the Oklaunion plant, which is nearing completion eight miles southeast of Vernon. WTU's share of the plant's generation will be equal to about one third of the Company's total existing generating capacity, which comes from eight major gas-fired power stations.
