## Chamber activities slated

Bronte's Chamber of Commerce is boosting and co-ordinating several events this spring.

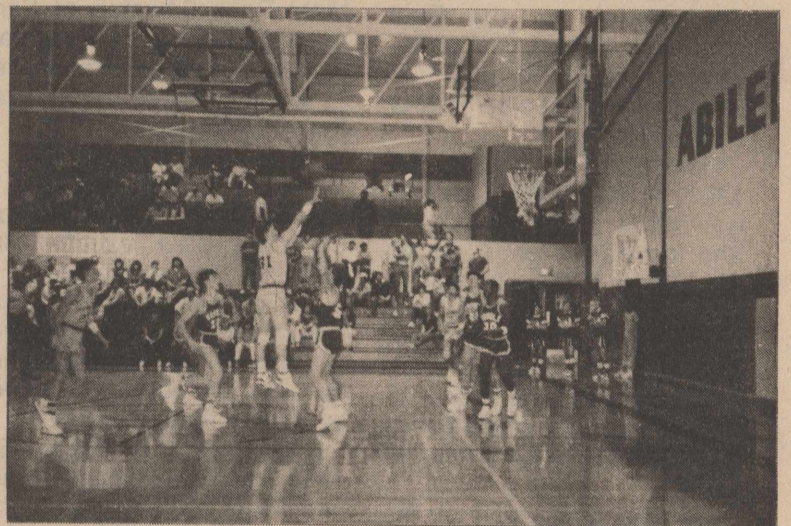

A Chamber of Commerce sponsored Bass Tournament will be held April 16th at Oak Creek Lake. \$750 will be the guaranteed prize with a total of 15 prizes guaranteed. Should proceeds of the tournament exceed the \$750, a percentage will be added to the grand prize. The tournament chairman is Danny Thomas of Bronte. Entry forms are available at several locations across the area.

Memorial Day is shaping up to be a big day for the area. The Mule Days Rodeo is planned by the Roping Assoc. and the annual Firemen's

Barbecue will be held. A big addition to this year's BBQ will be Buffalo meat for sale. The meat will come from Mr. C.L. Lee's herd which is the largest in Texas. An invitation has been issued to the Buffalo soldiers in San Angelo to attend the affair.

A parade is being planned for a bigger and better Memorial Day. All persons interested in helping promote the affair are urged to contact the Bronte Chamber of Commerce.

As an attraction to outside tourists and visitors, the Chamber is hoping to make Bronte known as the Buffalo Capitol of Texas and a brochure is being planned to publicize it.

## PO closing times noted

Most of you are aware that Congress has imposed budget constraints upon the Postal Service. You have seen articles and heard TV reports of the effects it is having on the larger post offices in the area such as San Angelo and Abilene. Now it is time for the smaller Post Offices to do their part. Effective Monday, March 14th, Robert Lee Post Office will be closed for lunch from 1:00 p.m. to 2:00 p.m., Monday through Friday. Bronte Post Office will close each day at 4:30 p.m. instead of 5:00 p.m., Monday through Friday.

The Federal Budget Reconciliation act requires that all Federal agencies cut their operating budgets and reduce spending. Although the Postal Service has not been a part of the Federal budget

since 1971, it has been included in these cutbacks. Keep in mind, the Postal service receives **NOTHING** in Federal subsidies. It is completely independent and its operating funds are derived totally from stamp sales and other such services. The impending increase in postage rates was requested during the spring of 1987 and has nothing to do with the budget cuts. It is a result of increased operating, labor, and benefits costs.

The customers of the area were of foremost concern when deciding how best to reduce local costs. For both Robert Lee and Bronte, the hours the Post Offices will close reflect the times of day when the least business is conducted.

MELISSA BIVINS AND Bronte Ag teacher Jay Henderson admire the buckle recently awarded to her by Top-Flite Feeds and Robinson's Ag Mart.

### Bivins is buckle winner

Top-Flite Feeds and Robinson's Ag Mart, Ballinger, are proud to announce that this year's winner of the Coke County Top Flite Champion Feeder buckle was awarded to Melissa Bivins. Melissa is the daughter of Mr. and Mrs. Garry Bivins of Bronte and a student at Bronte High School.

Melissa won the buckle by the amount of points she accumulated at the Coke County Stock Show and by feeding her lamb projects exclusively on Top-Flite Feeds. Melissa exhibited the Reserve Champion Medium Wool Lamb, which later was pegged as the Reserve Grand Champion Lamb at the Coke County Stock Show. She also exhib-

ited a 3rd place Medium Wt. Finewool Lamb and a 2nd place Medium Wt. Finewool Crossbred Lamb. Because of the job she did with these lambs at the show, she also won the Sheep Showmanship Award.

Top-Flite Feeds and Robinson's Ag Mart are proud of the job that Melissa did with her lamb projects and are very happy to present her with the Champion Feeder Buckle.
