## RL homecoming slated this weekend

Orange, black, and white will be the dominant colors in Robert Lee this week as the annual school homecoming gets underway.

A bonfire at the school at 9 p.m. on Thursday night will be the first Homecoming event. A favorite of townspeople is always the Homecoming Parade, beginning at 2:30 Friday downtown, proceeding to the school gym for a warm-up Pep Rally about 3:15, in preparation for the Friday night football game.

The Ex-Students Association will sponsor a barbecue supper in the cafeteria from 5 to 7 p.m. This will give everyone an opportunity to eat before the game and visit with old friends. Tickets will be available at the door for those who failed to get advance tickets.

The Robert Lee Steers will

host the Sterling City Eagles at the football game at 8 p.m. Halftime ceremonies will honor Homecoming King and Queen in addition to recently-elected high school royalty, Shashey Smith, Miss RLHS and Mr. RLHS Clint Smith. Candidates for Homecoming Queen are Lisa Bower, Kim Hood and Jodi Waggoner. Michael Lee, Joel Herring, and Cody Anthony are candidates for Homecoming King. The secretly elected pair will be revealed during the ceremonies which will also honor

Robert Lee's graduating classes of 1936, 1937, and 1938.

Immediately following the game, all Exes, and especially the '36, '37, and '38 classes, are invited to attend a reception at the new Rec Hall in the county park. Also to begin immediately after the game will be the Homecoming Dance in the show barn, adjacent to the Rec Hall.

Make this the year you return home and visit family and friends at **Homecoming '88!**

**Understanding**

I'll lend you for a little time  
A child of mine, He said.  
For you to care for while he lives,  
And mourn for when he's dead.  
It may be three years or four  
Or twenty-two or three.  
But will you - till I call him back  
Take care of him for me?  
He'll bring his charms to gladden you,  
And should his stay be brief  
You'll have his lively memories  
As solace for your grief.  
I can not promise he will stay  
Since all from earth return.

**Gospel Singing**

The Senior Center at Bronte will be the site of an Old-Fashion Gospel Singing from 2-4 p.m. on Sunday, October 2. Margaret Martin, coordinator of Senior Citizen programs, emphasized that the public is welcome to join in this activity as well as many of the programs involving Seniors.

But there are lessons taught down there  
I want this child to learn.  
I've looked the wide world over  
In my search for teachers true.  
And from the throngs that crowd life's lanes  
I selected you.  
And will you give him back again?  
I fancied that I heard you say:  
"Dear Lord, thy will be done  
For all the joy this child shall bring -  
The risk of grief we'll run.  
We'll shelter him with tenderness.  
We'll love him while we may.  
And for the happiness we've known,  
Forever grateful stay.  
But should the angels call for him  
Much sooner than we planned,  
We will brave the bitter grief that comes  
And try to understand."

## BISD centennial termed "marvelous"

The celebration of Bronte Schools 100th Anniversary was termed "marvelous". A much needed rain soaked the area but did not dampen the spirits of the over 200 ex-students who attended. Spokane, Washington was the farthest an ex-grad trav-

eled from, while others attended from Little Rock, Arkansas and Utah.

Bronte's class of 1925, Ershel Keese Mackey, Annie Laura Black McShan, and Louvenia Knierim Rees, have all lived away from Bronte, but are now all back at "home".

Theirs was the 4th automobile in the parade furnished and driven by Peggy Hembree, lucky Annie Laura's daughter. They wore crazy hats and enjoyed each others company. The group says, "they have been here quite awhile, but are in no hurry to leave". They also felt very lucky when they considered classmates Gertrude Hayley Morrison and Opal Chumley Swan who now reside in nursing homes. Lila Luttrell Wood is recuperating from major surgery, as well as Mary Hickman Ivey of Robert Lee.

They especially enjoyed Mae Eaton Pendergrast's attendance from the graduating class of 1914 who made their group seem like kids.

### Retired teachers attend luncheon

The Coke County Unit of Texas Retired Teachers Association held their first meeting of the 1988-89 year, Monday, September 19, First Methodist Church, Bronte.

Those attending the covered-dish luncheon were Jean Fancher, Mary Frances Glenn, Luther and Marie Guffy, Jack Brewer, J.T. and Sybil Henry, Laura Herford, Virginia Lasswell, Vera Raney, Bill Rouse, and Gerald Sandusky, Ronda Wojtek, Joyce Rives and one guest, Jamie Boren.

Plans for the year, including convention dates, committees, and the individual service record of community participation, were discussed. President Marie Guffy emphasized the importance of staying abreast of legislative proposals and determining ways to communicate with our legislators.

The next covered-dish luncheon will be held at noon, October 17, First Baptist Church, Bronte.

## Bronte bazaar upcoming

Those interested in crafts are reminded that the date is Saturday, Oct. 22 at the Bronte City Hall. Time to start setting up is 8 a.m. Each person will furnish their own table this year. For more information contact Dean Pope or Pam Stokes at 473-3621.

The ladies in the nursing home have pieced a quilt and are getting ready to quilt it. If any ladies have time and would like to help the nursing

home by donating a day's time to help quilt, they are invited to come to the nursing home and help on Tuesday, October 4 around 10:00 a.m. The quilt will be on display at the Craft Bazaar on Oct. 22.

## Lewis endorses Junell

Democratic candidate for State Representative, District 66, Robert Junell, received another in a long list of endorsements Wednesday morning at a breakfast with Texas Speaker of the House Gib Lewis. In lending his support to Junell, Lewis said the two see eye-to-eye on important issues of education and workmen's compensation. Lewis stated, "We feel two of the most pressing issues facing Texas are education and the prison systems".

Other honored guests at the breakfast included Dick Burnett, retiring representative of District 66; Frank Junell, the candidate's father, and news media personnel.

Also making public endorsements recently in favor of Rob Junell have been Congressman Charles Stenholm, State Comptroller Bob Bullock, Texas State Senator Steve Carriker, and incumbent State Representative Dick Burnett.

## CACTUS elects officers

The CACTUS League of Bronte met Monday, September 19th, at Shalon Gibbs home. Officers were elected for the new club year - President, Vickey Fisher; Vice President, Shellie Gibbs; Secretary, Becky Elam; Treasurer, Pat Martindale; Reporter, Alisa Webb; and Texas Trash Off Coordinator, Roena

Thomas.

Plans were made for the upcoming year with discussion of a Halloween Dance for their first fund-raiser.

A delicious salad supper was enjoyed by all with secret sisters being revealed from last year. The group is looking forward to another fun year.

## Hunting seasons listed

Fall hunting seasons are fast approaching and cool early mornings locally are making outdoorsmen anxious. Mourning Dove hunting will continue in Coke County (Central Zone) through October 30. Although bird concentrations have been spotty, good limits have been reported. Recent rains have driven doves south but new birds are evident this week from immediate northern regions. Some killed over the weekend had empty craws and were quite small.

Archery-only whitetail deer season will be open Oct. 1-30, and has gained popularity over the last few years as the ultimate challenge.

Also opening Oct. 1 will be javelina season. It will hold forth until Feb. 26.

Apparent high quail populations over Texas has influenced TPWD to set the season for Oct. 29 - Feb. 26. Shotgunners and dog owners are jubilant over the almost four month run.

Regular gun deer season and turkey hunting will get an early opening on Nov. 5 through Jan. 1.

## Horns lose grid battle to Buffaloes

by Mike White

The Bronte Longhorns traveled to Cross Plains to battle the Buffaloes last Friday night.

Bronte fell behind in the first quarter and Cross Plains scored in every quarter making a final score of 27-0.

Rain began to fall at the half

and the game was finished in a downpour.

Defensively Bronte started the game on an up note stopping the Buffaloes. However, a look at the size and numbers of the roster told the tale. Cross Plains strong defensive line shut down the running of Tim Davis and Shannon Hoff-

man.

Defensively Bronte's line showed well, led by Tim Sims and Steve Kelton. Adam Minjarez had a good game again showing his speed as defensive back and wide receiver.

Cross Plains had only one punt in the game but lost four fumbles. Bronte, however, could do nothing with the turnovers.

This week the Longhorns will try to improve their 1 and 3 record at home against Roby.

**BRONTE JR. VARSITY Volleyball Team took 2nd place honors at the Graham JV Tournament last Saturday bringing home a nice trophy for their accomplishments. Receiving individual All-Tournament trophies were Jennifer Robinson, Susan Culp and Kelly Webb. Pictured are - back row, l to r, Dana Robinson, Susan Culp, Kelly Webb, Donya Cooper, Melissa Bivins, Rochelle Jones and Manager, Corina Juarez. Front row, l to r, Maria Puentez, Melinda Gentry, Jennifer Robinson, and Ree Baldwin.**

## JV shuts out W. Valley

Just call them the "Shut-Out" Kids. For the second time this season, the Bronte JV Volleyball team has beaten a team 15-0. Still riding high on their 2nd place finish in the Graham Tournament, they defeated Water Valley 15-0 in the first game. Maria Puentez scored 13 pts. They won the second game 15-7.

Good performances were turned in by Puentez, Kelly Webb, Rochelle Jones, Brandi Thomas and Ree Baldwin.

Their season record is 7-5 and their district record stands at 1-0.

Bronte and Water Valley always give the spectators their money's worth. Tuesday night was no exception. Games saw Water Valley Varsity take a 15-8 victory as Bronte Varsity tried to overcome a case of nerves. They managed to do so and throttled the Wildcats 15-1 behind the aggressive offense of Teresa Vaughn (3 kills). Game 3 was a nail-biter, with the lead changing several times. Costly errors hurt the Lady Longhorns and they lost 12-15. The loss puts the Horns at 5-12 for the year and

0-1 in district.

The teams travel to Water Valley Saturday, Oct. 1 for games beginning at 2:00.

Bronte JV Volleyball had a successful weekend as they brought home the 2nd place trophy from the Graham Tournament. In their first game they defeated Breckenridge White 15-7; 15-1. Next they faced Graham White and won 15-9; 18-16.

They faced a tough Breckenridge Green team in the finals and lost 11-15; 14-16.

For their outstanding play Jennifer Robinson, Kelly Webb and Susan Culp were named to the All-Tournament Team.

The girls played under the direction of Melissa Howard, Home Ec. Teacher and Dana Robinson while Coach Connie Bryan had a varsity tournament in Colorado City.

The Bronte Varsity didn't fare well at the Colorado City Tourney last weekend. They lost to Plains High School 10-15; 9-15 and to Water Valley 8-15; 15-9; and 8-15.

## Shorthorns even record

Bronte's Shorthorns evened their season record at 1 and 1 against Cross Plains last week. Bronte battled the Buffaloes through most of the game. With 1:50 left Cross Plains scored a TD winning the game 6-0.

Offensively Bronte was led by Jason Blaylock and Gary Bilbrey. Defensively Jacob Golson, Jay Parker, and Jason Cooper were the standouts.

The Jr. High football team edged out Robert Lee 8-6 in the opening game of the '88 season Sept. 15th.

Ray Seales scored Bronte's only touchdown in the 1st quarter. He then passed to Jason Blaylock for the 2 point PAT that provided the margin of victory.

The Shorthorns looked

good in their opening game. Offensively they moved the ball well and there were some good hits on defense causing several fumbles.

Game 1 was a rout as the Horns jumped out in front and never looked back. Tina Hines scored seven points and Melissa Arrott had 3 blocks and Eboni Taylor had 3 block assists.

Game 2 was another story. Perhaps relaxing too much after their easy win the Horns lost 14-16.

In Game 3 they ran their offense and won 15-9. Angela Reyes had 10 kills, Melissa Arrott 6, Tina Hines 3, Eboni Taylor 2, Kim Sims and Misti Taylor, one each. Hines had 2 aces.

### Teachers collect gems of wisdom

School has been underway long enough for teachers to collect some gems from the works of their writing pupils. Here are some samples:

\* To keep milk from turning sour, you should keep it in the cow.

\* An illiterate child is one whose parents are not married.

\* Rhubarb is a kind of celery gone bloodshot.

\* An active verb shows action and a passive verb shows passion.

\* A mountain range is a cooking stove at high altitudes.

\* A yokel is the way people to talk to other in the Alps.

## C City slates arts, crafts

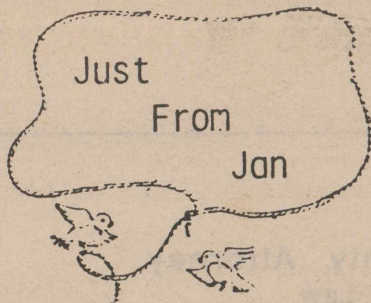

The Sixteenth Annual Railroad Arts and Crafts Roundup will be held October 8th and 9th in Colorado City. This annual event will be held in the Agricultural Barns west of Colorado City on Highway 80.

According to Chairperson, Rhonda Morris, this promises to be another outstanding show. Some crafts that will be for sale are stained glass, etched glass, metal art, soft sculpture, ceramics, wooden items and toys, hand-painted china, saws, pictures, jewelry,

dolls, Christmas decorations, leathercraft, and many, many others.

Again there will be foods available. And the best part of all is that there is no admission to get in or to park. It's FREE! So plan now to attend this show where nothing is manufactured, but everything is handmade.

The hours for the show are Saturday, October 8th, 10:00 a.m. until 8:00 p.m., and Sunday, October 9th, noon until 6:00 p.m.

"The 'Center' of attention! That's what mature adults 55 and over will be at the Texas 4-H Center on Lake Brownwood when hundreds will enthusiastically participate in the Eighth Annual Octoberfest during September and October," says Jan Hohensee, Coke County Extension Agent - H.E.

Sponsored by the Texas Agricultural Extension Service, five consecutive weeks are offered from which men and women alike may choose: Octoberfest I, Sept. 27-30; Octoberfest II, Oct. 4-7; Octoberfest III, Oct. 11-14; Octoberfest IV, Oct. 18-21; Octoberfest V, Oct. 25-28.

Featured educational programs and activities offer a wide variety of topics to fulfill highest expectations of all who attend. Topics include exploring insurance options, cooking demonstrations, new tax laws, floriculture, and more. Energizing and relaxing recreational opportunities will stimulate enthusiasm while all will welcome great fellowship and new friends.

Learning Centers will offer "hands-on" experience in a variety of areas such as oil painting, wind chime making, needlecrafts, antique restoration, country crafts, collectibles, and more.

Boat rides, guided nature

tours, and fishing on Lake Brownwood add popularity to your stay. Swimming in the olympic-sized pool, lighted tennis courts, horseshoes, billiards, volleyball, shuffleboard, dominoes, and car and table games round out the event.

A special theme of "Come On Board" will provide a festive atmosphere to the newly expanded facilities.

Octoberfest! 55 or older? It's for you! Each weekly event is limited to the first 105 participants at the nominal cost of \$89 per person. Get away and learn to make the most of the best years of your life. Call your county Extension office today at 453-2461.

## Ft. Concho sets activities

Step back in time at Fort Concho for a day of cavalry charges, infantry rifle volleys, 1880s-style baseball, an evening dance, refreshments, and dozens of Indian Wars soldiers in uniform on Saturday, October 1.

The Fort Concho troops will take on the San Angelo media in an 1880s baseball game, complete with period uniforms, nineteenth century rules, and a field laid out to the specifications of a century ago. The "Concho Nine" has won all but one of its games in the past three years, so come out and support them or the media underdogs. Game time on the fort parade ground is 4:00 p.m.

At 6:00 p.m. the troops leave the baseball diamond for the drill field nearby and display the horsemanship and

tactics that made the infantry and cavalry so formidable on the frontier. The Fort Concho Cavalry will perform their famed charge while the 16th Infantry and Buffalo Soldiers will display the fire power that made dismounted troops so feared by their Indian foe.

Beginning at 8:00 p.m., Shadow Fax will supply the music on the dance floor at the nearby Arc Light Saloon. Soldiers in uniform with their ladies in long dresses will be there. The public is invited to dress in the late nineteenth century costume of their choice.

All afternoon and evening refreshments will be available. A family picnic--bring your own and take advantage of the food and drinks for sale-- will take place as the troops perform their drills.

## Director to be elected

An election for a director to serve in Zone 4 on the Coke County Soil and Water Conservation Board is scheduled for October 11, 1988 in the conference room of the Coke County Courthouse announced Royce Fancher, chairman of the board. The election will be held at 9:30 a.m.

State law decrees that to be eligible to vote in a soil and water conservation district director's election, a person must own agricultural land within the district where the election is being held. The person must also live in a county all or any part of which is in the district and the voter must be 18 years old.

Legal qualifications state that a candidate for the office of a soil and water conservation district director must own land in the zone he represents, be 18 years of age and be actively engaged in farming and ranching. He must also live in a county all or part of which is in the district. Soil and water conservation district directors serve four-year

## Bronte NHS elects officers

The Bronte National Honor Society announced its newly elected officers for the 1988-1989 school year. They are: President, Sherri Eubanks; Vice President, Kerri Bilbrey; Secretary/Treasurer, Kim Sims; and Historian, Christy Bivins. Sponsors are Mrs. Mary McMullan and Mrs. Marifrances Mackey. The senior officers and their sponsors set the following goals for this year: to help a needy family at Christmastime by giving a food basket and to help promote good grades throughout the Bronte School System.

The National Honor Society also raises money throughout the year for an NHS Scholarship to be awarded to one or two of its local graduating members. They will soon be selecting two members to apply for the nationwide NHS scholarship. There will be an induction ceremony for the new junior and senior members later in the fall.

## Senior companion program detailed

The Senior Companion Program is limited strictly to volunteers who are age 60 or over. You are never too old to volunteer your time through the Senior Companion Program -- just as long as you are healthy enough to do it.

Companions can volunteer up to four hours per day, five days per week for a total of 20 hours a week. For that 20 hours, the Senior Companion receives a stipend of \$2.20 per hour (\$44.00 per week). This stipend belongs to the Companion and can be used for whatever he or she wants. The great thing about receiving the \$2.20 stipend is that it does not in any way affect any other benefits the Senior

### Group makes improvements

The recently organized Hispanic Cemetery Committee in Robert Lee reports a number of improvements at the local cemetery. A spokesman commended a number of people for aiding and supporting the effort, including the county, city, and several individuals. Extensive cleaning and clearing has been done, water lines laid, and an imposing gate sign has been erected.

Future plans include the planting this fall of Italian Cypress trees to border property. Since a great deal of work and upkeep is yet to be done in the cemetery, the Committee will gratefully accept contributions and memorials for that purpose. Monies may be sent to Ruth Gloria Luna, PO Box 862, Robert Lee TX. 76945.

Mrs. Luna reported the following memorials for September. **Jessie Gloria - Zera Fields;** Add and Joan Davis.

### Russell reunion

The Russell Reunion will be held Oct. 8th and 9th in the Senior Citizens Building in Bronte. All descendants and friends of Lawson and Nancy Russell are invited to attend. The Russells lived all their lives in Blackwell.

Companion receives. What that means is that if the Senior Companion gets a Social Security check, the stipend is not counted against the Social Security.

The stipend cannot be considered as income; therefore, it does not affect or change a Companion's income level when it comes to low-income housing, amount of other benefits, etc. The stipend is allowed and approved under the Domestic Volunteer Act of 1973, passed by the Federal government.

Now, to become a volunteer with the Senior Companion Program, a person must be:

1. At least 60 years of age.
2. At an income level not exceeding guidelines set up for the program.
3. A caring person who wants something to do and likes helping others.

The Senior Companion Program headquartered in San Angelo is sponsored locally by the Concho Valley Council of Governments.

### WHAT A SENIOR COMPANION DOES:

1. Visits homebound adults aged 21 or over who suffer from some kind of sickness, disability, or must be confined to their home.

2. Provides light house-keeping, companionship, meal preparation when necessary, help with persons whose illness or age limits their movements, walking, etc.

3. Gives friendship to those who need it, especially those who are elderly, depressed, or ill.

When becoming a Senior Companion, volunteers are required to attend an initial orientation workshop, then to attend a regular in-service training meeting each month. In addition, they participate in fun-type fundraising activities, special field trips, special recognition luncheons, group get-togethers, etc.

Call Juanita Schnabel, Robert Lee - 453-2314 office; 453-4786, after 5 p.m. or Margaret Martin, Bronte - 473-5561 or 473-3741.

Mitchell, Corpus Christi. Theophilus A. Mitchell, the oldest child, passed away in 1979.

## -- Oak Creek Fishing News --

### News From Oak Creek

If bass fishing is your thing, my, there are some pretty places to fish here in Oak Creek. They're not just pretty places to fish; they are productive as well. The cool nights drop the temperature of the surface water and this turns the bass on. We just got back from a trip to Missouri where we spent a lot of time trout fishing on Lake Taneycomo. We sure didn't go to make any kind of comparison between fishing but I can tell you for sure we left far better fishing than we found. We fished six to eight hours every day and only once did we catch a limit string. This past Monday here at home Darlene

and I went out about 6 p.m. and by dark we had caught over a dozen bass with the best going 4 lbs. 8 ozs. with several of the others being legal-size fish to keep. I won't mention who got the big bass but it wasn't me.

We do very little crappie fishing when the bass are turned on but when some of the people who live here on the lake start coming and getting several dozen minnows at a time we know that the crappie are biting. At the moment we can't give you any size or numbers of the fish being caught but these folks just don't come get bait unless they are catching fish.

We have had a long dry

spell on the big bluecat being taken on trotlines but it seems they are feeding once again. It just doesn't take long to get a stringer of fish when these six to ten pounders are biting. These are the Mississippi Bluecat, one of the best eating fish in the lake.

The weather has been perfect for fishing with just enough wind to make it pleasant to be outdoors. When it's like this you can fish how and where you want which is one of the reasons the fishing is so good. Load up and come on for you can bet these kind of conditions won't last long here in West Texas.

## Shaffer attends seminar

Gary Shaffer, owner of Shaffer Funeral Homes and Monument Company, recently attended a training seminar sponsored by the Elberton Granite Association, Inc., on memorial sales counseling. The week-long program was held in Elberton, Georgia, Monday, September 12, through Friday, September 16. Shaffer Monuments markets granite memorials and the "training institute", sponsored by the Elberton Granite Association, Inc., was held to enhance the counseling services of monument retailers.

Elberton, Georgia is recognized as the "Granite Capital of the World" and produces more granite monuments than any other granite producing center in the United States. The Elberton Granite Association, Inc., is a trade association representing the wholesale quarries and monuments manufacturers in the Elberton Granite District. Each year, Elberton's quarries produce over 2 million cubic feet of granite which is then converted into more than 200,000 memorials and shipped through the United States.

The institute's area of instruction focused on techniques for developing memorial counseling skills. Gary participated in exercises designed to increase his abilities

to express and compose the specific interests of the families he serves in a meaningful and appropriate manner. Instruction was also given in the area of design styles and shapes to further reflect and enhance the individualism of each memorial.

Due to the specialized instruction given at the institute, participation is limited to 20 retail memorialists who are selected from applicants representing all parts of the United States.

"We were privileged to have Gary involved in the Elberton Granite Training Institute", said William A. Kelly, E.G.A. Executive Vice President; "his presence was evidence of his high standards of professionalism and desire to better serve his customers in the West Texas area. We hope the information presented and the exchange of ideas among progressive monument retailers such as Shaffer Monuments will help us all to respond to the growing demand for personalized memorialization.

**Decreasing risk of insect stings**

If individuals have been stung by a wasp, bee, yellow jacket or hornet, they probably want to avoid being stung again. If individuals are allergic to the venom of these insects, avoiding being stung may save their life. Linda McClead, head nurse in the Emergency Room of Methodist Hospital, lists the following suggestions that can decrease the risk of stings:

- Always wear shoes or sandals when walking outdoors.

- Do not use after-shave lotion, perfume or cologne when planning to spend a day or evening outdoors.

- Whenever possible, wear slacks and a long-sleeved shirt or blouse.

- When dressing for outdoor activities, select summer clothing of neutral patterns and colors such as tan, white, black or beige. Bright colors and floral patterns are attractive to bees and wasps.

- Stay away from public picnic areas and waste cans, favorite places for yellow jackets.

- After swimming or participating in water sports, shake out towels before drying off. In addition, shake out all clothing before dressing.

- Use caution when entering areas that stinging insects tend to inhabit such as attics, abandoned buildings, trees, bushes, gardens, orchards and grass.

**WATCH OUT FOR FOOD POISONING**

Remember, many lunches sit in a child's locker all morning. To avoid the possibility of food poisoning, Mrs. Fillipp offers several safety tips to keep in mind when preparing school lunches.

- \* Cook food thoroughly. If the foods should be kept hot, keep them hot. If it's meant to be cold, keep it cold. Preheat or prechill insulated vacuum bottles to keep foods at adequate temperature.

- \* Ideally, a lunch should be kept in a refrigerator, if one is available. If not, put something cool in the bag; use an ice pack, or even a frozen beverage in a plastic container.

- \* Sandwiches can be made ahead of time and frozen. Take them out of the freezer in the morning and by the time lunch arrives, the sandwich will be thawed.

**Foundation offers trees**

"These trees were selected to provide benefits every season of the year: lovely spring flowers, cool summer shade, spectacular autumn colors, and winter berries and

**Tour to spotlight prescribed burning**

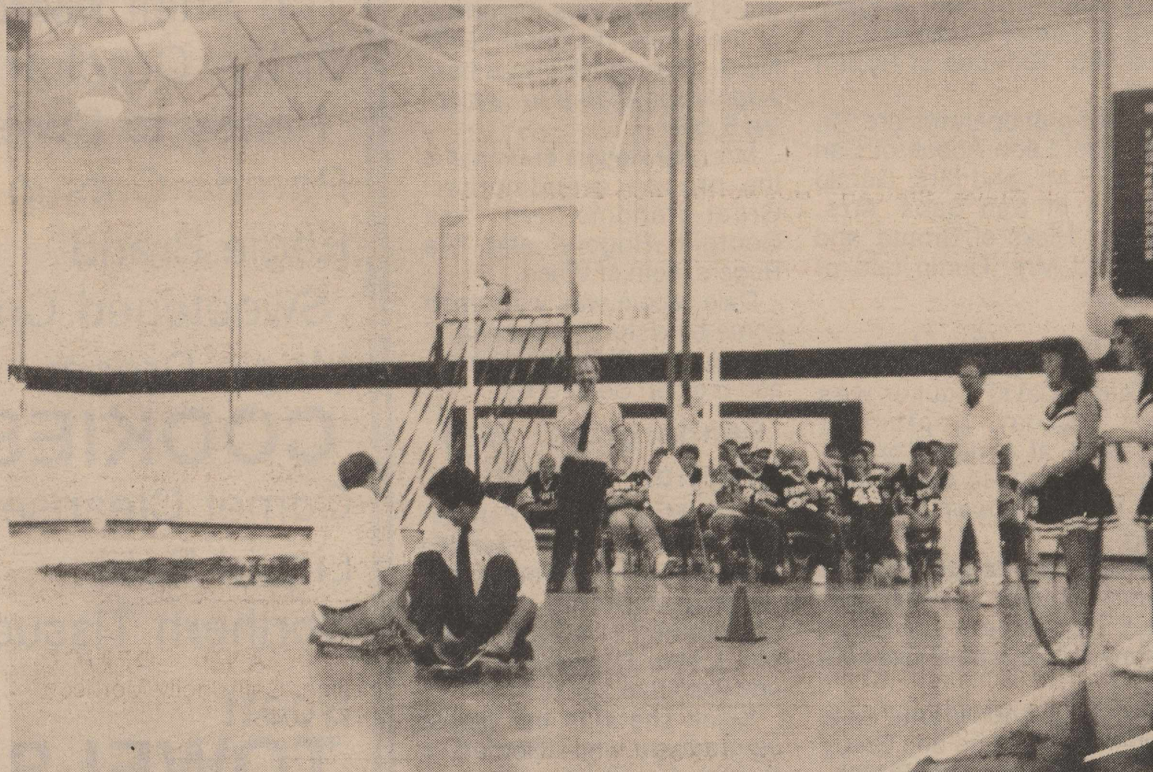

**COKE COUNTY EXTENSION Agent Tommy Antilley examines results September 12 of prescribed burns last year on Matapeake Ranch south of Robert Lee.**

An early morning tour of prescribed burns to control prickly pear is set for Wednesday, October 5, beginning at 7:30 a.m. in the conference room of the County Courthouse. After coffee and refreshments, the tour will go to the Matapeake and Butterfield Peak ranches to show how prickly pear re-

sponded to prescribed burning last winter. An excellent control of prickly pear was obtained with burning last December on the Matapeake Ranch. Prickly pear and mixed brush problems will also be examined on the neighboring Butterfield Peak Ranch. Here the burn was conducted in early February followed by

spraying of 1/4 pound of Grazon PC last May.

All interested persons are invited to attend the tour and view the results of various burns and spray programs and to determine the amount of grass fuel needed to conduct effective prescribed burns this year.

**THREE WHEELER RACES added spirit to last week's Longhorn pep rally. Two teams competed. Winning the "Homecoming Olympics" was the team of Bert Johnson and Rocky Rawls. The disheartened losers were David Tandy and Homer Stewart.**

The question mark (?) comes from the first and last letters of the Latin word for question: *quastio*.

## V'ball team ups record

The Bronte Freshmen Volleyball team upped their season record with a victory over Abilene High Saturday, Sept. 17. They outscored the Eagles 15-6; 15-1.

By defeating Colorado City Tuesday, Sept. 20, they put the finishing touch to a successful season. The Wolves fell to the Longhorns 15-10; 15-5. Their season record was 8-1, with their only loss

against Colorado City in a tough 3-game match.

Freshmen playing were: Kristie Cooper, setter; Sharla McGuire, specialist; Amie Parker, middle blocker; Alisa Richards, setter; Darla Scott, outside hitter; Tina Smith, middle blocker; Brandi Thomas, outside hitter; Stephanie Tuttle, outside hitter/middle blocker; and Teresa Vaughn, middle blocker.

## JV volleyball results

After a slow start the Bronte JV came roaring back to take a 3 game victory over Colorado City Tuesday, Sept. 20th.

Several passing and communication errors were behind the first game 7-15 loss. But they made up for it in game 2. Jennifer Robinson stepped up to the service line and didn't stop serving until she had scored 15 straight points. The entire team

played well. Kelly Webb and Melissa Bivins had numerous kills, while Rochelle Jones and Maria Puentez made key saves. Melinda Gentry and Robinson handled the setting duties.

However, the 3rd game wasn't as easy. But behind the aggressive net play of Susan Culp and Webb, the Horns won 15-7.
