Clendennen marks forty years in oil field

Ernest Clendennen of Robert Lee, is currently celebrating 40 years in the Oil Field Service business. Mr. Clendennen began his oil field career in 1948 at Silver, Texas, as an independent welder during the boom. His business prospered over the next few years and in 1950 he began recruiting help in order to keep up with the demand of the work. By 1962, he was expanding his work not only as a welding service, but also began a

roustabout service and started adding various pieces of heavy equipment. Allen Clendennen joined the business in 1970 as office manager and bookkeeper. In 1973, Jim Clendennen joined and currently is General Field Manager and Dispatcher. In 1974, Mr. Clendennen was very well established in the community and as a result of hard work and determination, Ernest Clendennen, Inc. was formed.

At this time, we would like to

thank our friends and ex-employees for lots of our jobs through their recommendations. We also want to thank Sun Oil Co., Union Texas Petroleum Co., Chevron USA, Perkins Prothro Co., Exxon Co. and the many independent companies for being our valued customers.

Our employees were instrumental in making things go with their team work, and at this time we would like to salute them, thank them and recognize them for the continuous years of service they have given.

REGARDING CANDIDATES FOR VICE PRESIDENT

Senator Bentsen has made some very sarcastic remarks to Senator Quayle that to some people seemed uncalled for. Agreed, Quayle is not a John Kennedy, and he didn't intend to suggest that he was. Neither has Senator Quayle given away any canal.

Senator Bentsen is one of the few senators still in office who voted in 1978 to give away the U.S. Canal in Panama.

By the U.S.-Panama Treaty signed by President Jimmy Carter on September 7, 1977, and ratified by the Senate by one vote on April 18, 1978, the United States agreed to turn over our canal to Panama in the year 1999. That decision was vastly unpopular then, and it has been proven tragically wrong by subsequent events.

Omar Torrijos, the anti-American, pro-Communist, drug peddling dictator to whom the Senate gave our canal, handpicked Noriega as his successor.

Some of the voters who listened to Senator Bentsen campaign against Ralph Yarborough as a staunch conservative, and then voted for him in that Democratic primary, very much wish that he had used his one Senate vote for the United States to keep our canal.

BRONTE SCHOOL NEWS

Dogs too much for young Horn gridsters

by Mike White

Eden's Bulldogs came to Bronte last Friday and proved to be too much for the young Longhorn team. Final score was Eden 34 to 6.

Bronte opened the game by kicking off to Eden. There was a fumble on the run back, but it was recovered by Eden and that set the pattern for the whole game. Eden went out to score in six plays aided with one roughing the passer penalty. Eden controlled the ball for 3:10 in the drive.

Two short gains on the ground and an incomplete

pass ended Bronte's first possession. A six yard punt gave Eden the ball on the Bronte 45 yard line. Six plays later it was 13-0 Eden in spite of an outstanding defensive performance by Tim Sims. Eden missed the extra point. The Longhorns got their only first down of the quarter on a roughing the punter penalty against Eden. The first quarter ended with Eden in possession on still another scoring drive. Shannon Hoffman sacked the Eden QB for a 10 yard loss at the Bronte 21 but it wasn't enough. With a 4th and 7, Eden ran for 7 1/2 yards to give them 1st and goal at the 1. One play later it was 19-0 and the PAT made it 20-0.

The half ended at that score and there was no scoring through the 3rd quarter.

Bronte's starting quarter-

back, Justin Phillips, was injured just before halftime and Tim Davis switched from running back to quarterback for the second half.

Eden struck twice more during the fourth quarter. Bronte's only score came with 9:02 left in the game. Adam Minjarez was back to receive the kick off after an Eden score. He misjudged the ball and it went between his legs. He turned and scooped it up and ran 85 yards for the TD. The try for extra points was an incomplete pass and the score at that point was 27-6.

Eden added their final score with 8:07 to go to make a final of 34-6.

Bronte's record dropped to 1 and 4 on the year and 0-1 in district. The Longhorns travel to Menard this Friday to take on a tough Yellowjacket team. Game time is 7:30 in Menard.

Lady Horns defeat Miles

Volleyball fever was running high Tuesday night when the Lady Longhorns defeated Miles 15-10, 15-4.

A loud and rowdy crowd was on hand as the team upped their district record to 3-1 and took the lead in the district race.

The Lady Longhorns once again got off to a slow start. But, they were able to put together a string of points to win the game.

Game 2 was another story. They jumped out to a quick

lead and never looked back. Their aggressive offense and tenacious defense frustrated the Lady Bulldogs into making several errors.

Melissa Arrott and Tina Hines led in kills with 5 each. Angela Reyes had 3 kills. Reyes also had 3 aces. The only disappointing statistic for the evening was 10 missed serves. "Once we get a few more kinks out, like, missed serves, I feel we'll be extremely tough to beat." said a happy Coach Bryan.

ROBERT LEE SCHOOL NEWS

THE ROBERT LEE High School's Comprehensive Home Economics classes visited the Kindergarten last Wednesday. They helped plan and teach events that took place in the classroom and physical education class. Their purpose was to learn first hand information on physical and mental growth of children. All the students that participated thoroughly enjoyed the day's events.

Steers bring win home from Abilene

by Bill Burns

The Steers traveled to Abilene last Friday night to play Abilene Christian High, and returned home with their second victory of the season. The Steers had an impressive night on offense with a total of 25 first downs and 396 yards. Bill Grigg carried the ball 28 times for 177 yards. Jon Rogers had a good night with 110 yards on 15 carries. Other backs making good yardage were Warren Brasher and Cody Anthony. Credit also goes to Lenny Jackson, Rick Wheat, Michael Lee, Clint Smith and Pilo Saucedo for some fine blocking up front.

The defense gets credit also due to the fact that Abilene had only 108 yards total offense and no touchdowns. **GOOD JOB, STEERS!!!**

Scoring for the Steers in the first quarter were Bill Grigg on a three yard run and Wes Horn kicked the extra point. Robert Lee 7, Abilene Christian High 0.

In the third quarter, Bill Grigg scored on a one yard run. The try for two failed. Anthony stopped an Abilene Christian High drive with an interception. The Steers scored again with Jon Rogers going the last five yards for pay dirt. Wes

Bower, Anthony receive honors

Lisa Bower was voted Most Beautiful by the Robert Lee High School student body this week. She is the daughter of Mr. & Mrs. Jerry Bower of Robert Lee. Also named to Most Handsome honor during the balloting was Cody Anthony, son of Coach and Mrs. Max Anthony of Robert Lee.

Horn again was accurate with the kick. There was no more scoring as Robert Lee won the game 26 to 0.

The Steers open district play Friday night (tonight) in

Sterling City at 8:00 p.m. The Eagles defeated the Steers in the Homecoming game September 23 by 7 to 0. Support the team in this grudge match!

Green Mt. club meets

Green Mountain Extension Club met Oct. 11 at the Robert Lee City Hall.

Eight members were present including Doris Penny, Vi Naidl, Bettie Page, Lillie Gaines, Alpha Smith, Alene Key, Mildred Wallace and Willie Gatlin.

Jan Hohensee, Coke County Extension Agent-Home Economics, attended

the Club meeting. On the agenda was the election of officers for 1989. Members also made plans for the luncheon the club will serve to county commissioners on Nov. 7.

The regular business meeting and workshop will follow the commissioners luncheon at the Rec Hall.

Watson sustains injury

Mrs. Thelma Watson of Robert Lee sustained a badly broken ankle last week outside her home. The injury required surgery at St. John's Hospital in San Angelo where doctors applied a

temporary cast and she spent a short stay in West Coke County Nursing Home. She was then able to go home and is being cared for by friends and relatives until she can be independent.

Dogies outgunned by GC

by Coach Lane Jackson

The Dogies were outgunned 19-14 by Grape Creek last week.

Grape Creek, led by a strong running attack, jumped out to a 7-0 lead in the first quarter. Bad snaps during punting situations kept RLJH on the defensive, and in poor field position for most of the first half. The half-time score was 13-0.

In the second half, RLJH's offense came alive when John Fluhmann went around left end on a 30-yard scamper. Key blocks were made by John Williams and Danny Jackson.

Late in the fourth quarter Fluhmann again went around left end for a five yard TD run. The touchdown was set up by a 32-yard pass play from QB Danny Jackson to Thad Metcalf. The 2-point conversion

was made on a 3-yard run by Scot Millican.

We cut our penalties in half and showed signs of jelling into a good football unit. I was especially proud of a goal-line stand in the 3rd quarter. We stopped their drive on the 6-yard line when a 4th and 2 pass was broken up and almost intercepted by linebacker Blake Pitcock.

However, missed blocks and poor execution in certain instances continue to hamper our cause.

I was proud of our effort overall against a very physical and well-coached Grape Creek team. We are still in a learning stage. How we respond to a tough loss like this will be a significant factor in our next game with Sterling City next Thursday at 6:00 pm.

Edith Hipp returns from Canadian trip

Edith Hipp has returned from an extended trip to Newfoundland, Canada with her son and daughter-in-law, Bill and Sue Hipp.

Their first stop was a visit to Niagara Falls, New York, then they drove through the New England States to St. John, New Brunswick. While in St. John they toured the area settled by British Loyalists who fled the United States at the outbreak of the American Revolution. They shopped in the old market square in St. John where there are many public buildings dating back to the 1700's.

Leaving St. John, they drove through Fundy National Park on the east coast of New Brunswick, and viewed the famous Fundy Tide and Flower Pot formations.

The group went on to Nova Scotia where they saw beautiful farms, villages, and beautiful white churches of many denominations.

At Sydney, Nova Scotia they boarded the M V "Caribou", which carries up to 1200 passengers and 350 cars and trucks, for the 5-hour ferry trip to Port aux Basques, Newfoundland.

They were met in Western Newfoundland at Corner Brook by their son-in-law, David McKenzie who conducts soil research in the area. He accompanied them on to St. John to be greeted by their daughter and granddaughter, Cynthia.

* **JAPANESE BEEF MARKET.** Japanese investments in U.S. feedlots and slaughter facilities are expected to increase to assure that beef supplies meet their specifications, says Dr. Ernest D. Davis, Extension Service economist in livestock marketing. This should benefit the agricultural community and not be a consumer concern, he says.

* **PILLS VS. VEGETABLES.** Older citizens can get too much vitamin A if they take vitamin supplements rather than eating their vegetables, cautions Dr. Alice Hunt, Extension Service nutrition specialist. Chronic vitamin A toxicity can cause liver damage, bone and joint pain and scaly dermatitis, she warns.

overlooks Conception Bay where icebergs, whales, and lobster fishermen may be seen. The meadows surrounding their home are filled with beautiful wildflowers, blueberries, strawberries, and raspberries.

Cindy and David took them on side trips to Cape Spear, the eastern-most point of North America, to see many beautiful and historic light-houses, the Protected Part of St. John's harbor which was discovered in the 1500's. They toured the Botanical Gardens at Oxen Pond near St. John and took a boat tour to the Bird Islands which lie off the coast of Newfoundland where thousands of puffins, terns, and gulls nest.

Bill had a guided salmon fishing trip and found it to be a difficult and tiring experience, but interesting.

They found the citizens in the Maritime Provinces to be very friendly and helpful. New Brunswick and Nova Scotia have pretty farms, small towns, coves, and bays. Newfoundland has many mountains, rivers, and lakes. Moose are plentiful and crossed the highway in front of the car in western Newfoundland.

Edith's trip covered 8000 miles, two, five hour ferry trips and crossed 21 different states and provinces. Most motels and hotels were excellent with two or three very notable exceptions.

As a new addition to the round-up, there will be an old fashion bit, spur, and western collectables trades day. Traders, collectors and just plain old cowboys will display their wares to the public, October 29, 1988 in the Pavilion on the Rodeo Grounds in Winters.

Anyone can bring that old pair of bits or spurs you found out in the barn or out on the back forty and strike up a deal with one of the many traders on hand.

Traders and craftsmen from West Texas, Eastern New Mexico and Oklahoma are expected to attend this year's show.

For more information, contact Arch Jobe at 915-754-5650 from 8:00 am to 5:30 pm or Andy Smith at 915-754-4042 after 7:00 pm.

Dates are freshness guide

Most products in food stores have dates and handling directions on them, even though manufacturers are not required to put this information on packaging.

The date stamped on product packages can indicate product freshness and serve as a guide to safe storage time, if you know how to use it.

The "sell-by" date is the last day the product should be sold, the "use-by" date indicates how long the product will retain top eating quality after purchase, and the "expiration date" tells the last day the food should be eaten or used.

Reading handling directions can also help you make sure food remains safe to eat.

All perishable products

must give handling instructions, such as "keep frozen" or "keep refrigerated". Some meat and poultry products may be labeled "ready-to-eat" or "fully cooked", which means no further cooking is necessary.

Specialists advise checking the labels of aseptically packaged products, since many will require refrigeration after opening.

Although some product labels carry directions on how long and at what temperature to cook a product, the directions are not required or verified by the U.S. Department of Agriculture.

When cooking instructions are not included on the label or you have some doubts about them, the safest course is to cook the product thoroughly.

Casey reunion held at Robert Lee

Eight guests joined 55 Casey family members for the 12th annual reunion of the descendants of J.J. and Martha Casey at Robert Lee Oct. 1, 1988.

The afternoon was spent visiting, sharing picture albums, and teaching Bob Fields to play Wahoo.

Each family brought and shared their favorite foods for the covered dish supper. Immediately afterwards, President Nelson Coulter managed to get the attention of all for a fun business meeting.

Prizes were given to Lib and Bill Rosenbaum for traveling the farthest, Turney and Irma Casey received one for having the most family present, and Bobbie Sparks drew her parents' name to win the door prize of a framed cross stitch picture. Casey Reunion, Oct. 1, 1988 was either marked or stitched on each prize awarded.

Everyone sang "Happy Birthday" to Pearl Ditmore and Ruth Williams before each cousin present shared what events had taken place in the family since the last reunion. Turney and Irma Casey reported the births of two great-

grandchildren which gives them an even dozen. Ruth Williams was recently presented a new great-granddaughter. Roy and Carrie Mabel Casey reported the marriage of one of their granddaughters. Brenda Minikheim's step-daughter gave her the joy of becoming a grandmother. Tommie McDaniel's granddaughter was recently named Miss Martin County.

There were several in the family that have relocated this year and some major illnesses. Two new homes were reported and Irene Maples has a new dog to help fill the void left by the loss of her little dog last year.

Some of the family members shared about special trips they had taken; then Bill and Frances Arnold glowingly told us of their planned trip to Hawaii in November.

Larry Casey is a state delegate for two service organizations representing the veterans. Many have jobs that hindered their being with us.

Two sisters of the Parker family were taken from us in death and a brother had to go into a nursing home. A good

friend, Billie Schooley, was taken from us, also.

As a family, we shared the joys and sorrows of one another.

It was reported that there are still Casey Family Cookbooks available from Barbara Chesney.

There was an applause and words of appreciation given for Barbara Chesney, Turney and Irma Casey for mowing, trimming, and digging prickly pear in the Valley View Cemetery. The cemetery fund has a balance of \$171.92.

The slate of officers re-elected to serve another year were: Nelson Coulter, president; Bill Casey, vice president; and Barbara Chesney, secretary-treasurer.

Herford clan celebrates

Mr. and Mrs. James Herford of Robert Lee celebrated Christmas in October last weekend with Mr. Herford's brothers and sisters as house-guests. The brothers and sisters annually start off the Christmas holiday season with a family Christmas party early in December, exchanging gifts and enjoying good food and fellowship. This year the party was moved to October because of too many conflicting family schedules. To add a touch of Christmas holiday festivity to the occasion, one corner of the den was decorated with a lighted ceramic Christmas tree on a table covered in white and topped with a handmade tree skirt decorated with felt and sequined holly leaves, berries, and ribbon. Gifts were placed on and around this table. Also, a traditional Christmas feast with turkey and dressing was

served on Saturday evening. Gifts were exchanged following the meal.

Those attending the three-day family celebration were Mr. Herford's brothers and sisters and their spouses, Mr. and Mrs. August Herford, Mr. and Mrs. Roland Jones (Sylvia), and Mr. and Mrs. Lowell Burlin (Elva), all of Beaumont, Mr. and Mrs. Benny Herford of Sour Lake, Mrs. Buddy Walker (Winnie) of Vidor, and Mr. and Mrs. Lamar Herford of Hitchcock. Also attending were a sister-in-law, Mrs. George Herford (Betty) of Port Neches, and a maternal aunt, Mrs. Blanche Lynch of Santa Fe, Texas. Three brothers and one sister were unable to attend.

The James Herfords son and his family, Ernest and Charlotte Herford, Stacy and friend, Kim, of Snyder, were present for the Friday evening meal and visiting.

Hayley reunion held

Descendants of the late Mr. and Mrs. Holiday H. Hayley, early pioneers of Hayrick, met in a reunion Saturday at the McMullan Dizzy Oaks Cabin and Sunday at the community center in Bronte.

Games were played, memories shared and pictures viewed. A barbecued lunch was served to the group.

Present for the two days were the following:

Mrs. Zelma Hayley Strom,

Menard; Mr. and Mrs. Pat McMullan, Minter King, Mr. and Mrs. S.R. McKinney, Mrs. Jack Bezoni, and Cindy Howard and Cody, all of Midland; Mr. and Mrs. Kenneth Atchison,

Jennifer and Lance, Abilene; Mr. and Mrs. Olen Frayar, Brownwood; Mrs. Vivian Hayley Fields, Mrs. Frankie Beth Nelson, San Angelo; and Jerri Davis, Desiree and Jessica Summers, Atoka, OK.

Australians visit in RL

Three generations of Australians recently visited their Robert Lee family, Dawn and Ben Boykin.

Dawn's niece, Mrs. Sue Lea and two daughters, 12 year old Sara and 14 year old Rebecca visited the U. S. for the first time.

Accompanying Mrs. Lea was her mother, (Dawn's sister) Mrs. Norma Morgan, who with Andrew Lea visited the Boykins five years ago.

Leaving Australia Sept. 8, they spent 8 days sightseeing in San Francisco and Disneyland before departing for Texas.

In Dallas, they were picked up by Benny Boykin who met his aunt and cousins for the first time. A family get-together was hosted at the Boykin home in Farmers Branch.

Family members and friends included, Jo Ann, Tracey, Ben Boykin III and Jason Gackle of Farmers Branch; Lynnette Boykin and Marissa Blanco of Denton; Rosanna and Kevin Webb and children, Keith and Chasa of Whitesboro.

When they arrived at Robert Lee, the Boykins took their Australian Family to Boerne to meet the rest of the family where another get-together was hosted at the Dawnie and Billy Bob Highsmith home.

Charlie Highsmith enjoyed entertaining his two young cousins, and included friends, Mrs. M. Love and

Mrs. Peggy Cautier, Jr. and Anita Obiedo of Boerne.

Monday they visited the University of Texas where Madelon Highsmith is a student and a tour of the Capitol building was made.

A day was spent in San Antonio sightseeing and a river ride, meeting more friends of the Highsmiths.

During their visit, the Robert Lee area was green and pretty. They enjoyed meeting all the people at the Methodist church; Norma was thrilled that they remembered her from her last visit.

Mrs. Lea said that she was surprised to find groceries, clothes, and food, etc. so much cheaper than in Australia where the inflation rate has risen to 9%. They departed from Midland to spend a week in Honolulu before returning to Australia.

Livestock Management for Winter

With recent rains we should be in pretty good shape going into this winter. Our grass has considerably more protein than last year but management will still be the key.

Now is the time to take a hard look at our herds and make some management decisions. To begin with, calves should be weaned during October to allow the cow to "mend" before going to winter. A fleshy cow will raise a heavy weaned calf next year.

Another tool for range management is to cull any open or late calvers. Demonstration results have definitely shown open cows to cost the producer. If she is open and kept, you will have to "board" her at least two winters before she brings you a coupon.

Figuring on maintenance cost, this could mean as much as \$400.00 - \$450.00 to get that \$300.00 calf. Even late calvers, going 15-18 months can cost on today's prices due to the extra three to six months maintenance cost. Good calving records or palpation can greatly offset their time and cost in reduced maintenance costs.

Entertaining Ideas

Want to invite friends for coffee and dessert, but don't have time to fuss?

Consider an elegant "celebration in a cup," an appealing combination of coffee and dessert in one.

Creme Cafe, for instance, can be created quickly and easily, yet looks and tastes like an unusual dessert requiring elaborate preparation.

CREME CAFE

strongly brewed coffee
1 ounce B&B Liqueur
1 scoop vanilla or chocolate ice cream

For each serving, pour B&B Liqueur into coffee cup. Fill the cup 2/3 full with coffee. Mix lightly. Top with ice cream.

B&B Liqueur is a delicate balance of Benedictine — the herb-based elixir developed in the early 16th century — and the finest French brandy.

Shorthorns defeat Pups

by T. D. Cumming

The Eden Bulldog pups tried to run against the fine Shorthorn defense but couldn't do it. Middle linebacker Jacob Golson really did some fine tackling to help stop the pups. Jason Cooper got in behind the Pups scrimmage line to stop one pup run. Later in the quarter, quarterback Ray Seals handed off to running back Cris Knight who threw a super pass to Jason Cooper. He outran the defenders feeling them hot on his heels, right into the end zone. Ray Seals took the conversion over with 15 seconds left in the first quarter the score was 8-0.

The Shorthorns kicked to the Eden Pups to start the second quarter and it looked as if they were going to run it all the way but Cris Knight stopped him short. The Shorthorns soon got their turn again. Jason Blaylock tried to run through that big No. 72 but "that big rubbery brick wall" wouldn't let him. The clock had 1:20 showing for the first half when Jacob Golson punted to Eden, but the ball seemed to have a mind of its own and bounced back toward the Shorthorns instead of away from them. The whole quarter seems to have been played inside Bronte's 20 yard line.

The third quarter began by

the Blue Pups kicking off and the ball rolling into the Bronte end zone. Running backs, Jason Blaylock and Cris Knight made some good moves for some good yardage, however their momentum was stifled on Eden's 35. Eden took over only to be held by the "J" Team (Jason Flowers, Jay Parker, Jason Cooper, Jacob Golson, Justin Lampier, Jason Harrell, James Hambright John Johnson and Jason Blaylock). After a Shorthorn fumble the Pup's Quarterback tossed to a teammate who ran to the goal with Justin Lampier trying to catch him. The score was then 8-6. Chris Knight spent the last few seconds of the quarter running across the field all the way to the goal line. Elation turned to woes when the referee said he had stepped on th side line.

Coaches Rawls and Tandy were keeping Justin Lampier active by running in plays. Devlin Pierce, Brent Taylor and Randy Bilbrey were busy on the line when Ray Seals and Jason Cooper sneaked through and caught a puppy running back behind the Eden goal line--A safety! It was 10-6 for Bronte when the game ended. Everyone needs to come Thursday at 6:00 to see these boys beat Menard.
