Fall hunting season opens this weekend

That long-awaited weekend has finally arrived—the opening days of the fall hunting season which includes whitetail deer, turkey, and quail. In Coke County, hunters may begin firing one-half hour before sunrise Saturday morning, Nov. 4.

Deer and turkey season will hold forth until January 7 with quail season going longer, to Feb. 25. Mourning dove season drew to a dismal close Monday, October 30. Javalina hunting is in progress, Oct. 7-Feb. 25. Archery only hunting season ends Sunday, Nov. 5, but bow hunters may continue, and compete with gun hunters, through-out the gun season.

The current Texas 1989-1990 Hunting Guide, published by the Texas Parks and Wildlife Dept., answers all hunters' questions. It is available free wherever license are sold. Every Texas hunter should have one; this year's edition is much more concise and easier to decipher than in previous years.

West Coke County Community Development will host a Hunters Appreciation BBQ supper in Robert Lee Saturday evening, Nov. 4. Serving will be from 7 to 9 pm in the Rec Hall. Tickets for area hunters are available from participating businesses in Robert Lee and around Lake Spence at no cost to them

due to merchant and individual donations. Hunters may also acquire free tickets from their lease manager or landowner from whom they lease, who have also contributed to the BBQ project. Barbecued brisket and sausage with all the trimmings, including cobbler dessert, will be served to what could be hundreds of hungry hunters.

Also at the Rec Hall will be a booth to register for prizes to be given away for the Big Buck contest which also includes the turkey with the longest beard. Registration is \$2.00 and headquarters for measuring antlers and beards is Skinner's Grocery and Station on Hwy. 158 in Robert Lee. Hunters may also register until Jan. 7, 1990 at any participating business in Robert Lee, around Lake Spence, or at Silver Peak Grocery at Silver, during their regular business hours. The Big Buck contest is also a West Coke County Community Development.

Special election Tuesday

Tuesday, November 7, will be Special Election day statewide in Texas as voters try to decipher whether to adopt or reject the 21 proposed constitutional amendments on the ballot. Absentee voting will continue until 5 p.m. Friday, Nov. 3, in the County Clerk's office. Any registered qualified voter may now vote absentee. Under a 1987 state law that relaxed absentee balloting requirements, Texans were given the option of casting absentee votes by personal appearance without having to give a reason for doing so.

Records show that of the estimated 12.3 million Texans eligible to vote, about 8.2 million are registered.

Polls will be open Tuesday, 7 a.m. - 7 p.m., when voters may cast their ballots at their proper polling place. Coke County precinct polling places include Precinct #1 Recreation building, Robert Lee, Precinct #2 City Hall, Bronte, Precinct #3 Courthouse, Robert Lee, Precinct #4 Tennyson Community Building, Precinct #5 Old Depot, Bronte, Precinct #9 Pecan Baptist Church Annex.

Halloween Costume Contest winners at Bronte Nursing Home were (l t r) 1st David Hargrave, 2nd Candy Moreland, 3rd Mary Jane Cooper (not pictured), 4th Mary Sanchez, 5th Emma Torres.

Halloween spooks gather at the mini-park in downtown Robert Lee Tuesday after trick or treating local businesses. The costumed goblins were participants of the Story Hour program at the Coke County Library.

Turkey Shoot results told

The 1989 Red Canyon Gun Club's annual fall turkey shoot is now history. With attendance down this year for the first time, everyone got a chance to shoot in several relays; scores were exceptionally high.

Richard Johnson shot the high score for the shoot with 29 out of 30 possible score in offhand shooting. Close behind were Kenneth Green, who shot well all evening with a 27; J. Melton from Goodfellow AFB with a 27; old Eagle Eye Pritchard Brown with a 27; and "Rapid" Ray Welch with a 27. Each Relay was closely contested. Jerry Stewart shot a 30 out of 30 pts. in bench rest shooting. Stewart is always a tough shooter in offhand and bench rest.

Each relay has 8 shooters on the line, they fire 3 shots at a NRA 1-32 bullseye at 40 ft. The high score in each relay wins a turkey. Winners for the day were:

- Relay #1 Richard Johnson 29
- Relay #2 Kenneth Green 22
- Relay #3 Kenneth Green 27
- Relay #4 Jerry Stewart 27 from bench
- Relay #5 Dean Burns 25
- Relay #6 Kenneth Green 25 from bench
- Relay #7 Kenneth Green 24 from bench
- Relay #8 Richard Johnson 28
- Relay #9 Jerry Stewart 30 from bench
- Relay #10 Cary Mayfield 18
- Relay #11 Doug Wilkes 24
- Relay #12 Jeff Wilkes 19 from bench
- Relay #13 John King 24
- Relay #14 Roy Tinkler 24

Turkey shoots are a fun thing and enjoyable by all ages of men and women. The next time we have a shoot get your old 22 out and come and have fun and fellowship at the

range. Everyone comes home a winner.

The club members are to be commended for helping conduct the shoot in a safe and professional way. See you in April at the Spring Shoot.

Correction:

In a news article last week it was announced that the American Cancer Society would offer a number of gift aids to local cancer patients. The organization will also loan larger items of equipment. These items and the services they provide are available by notifying 453-2511, the West Coke County Nursing Home of the need. Larry Melton will contact the American Cancer Society, as a service to community cancer patients. The nursing home is in no way involved with the provision of the gifts or services.

The Observer/Enterprise regrets readers assumed that misconception by wording of the headline.

No Hauling

Robert Lee School administrators have asked the public not to haul wood, trees, limbs, etc. to the school grounds for next year's homecoming bonfire. Other than unsightly accumulation, restrictions could be placed on the burning.

Armer involved in walk for diabetes

Seven-year-old Sarah Armer recently participated in the Fifth Annual Juvenile Diabetes Foundation walk in Philadelphia and was sponsored by Clemens Market, Quakertown.

According to Sarah's mother, Melanie, Sarah was diagnosed as a diabetic two years ago and first participated in the walk last year.

The walk was held on Sunday, Sept. 24 and wound around boathouse row. For most of the 8 1/2 mile walk, Mrs. Armer said Sarah was pulled in a wagon.

Mrs. Armer volunteered on the promotional committee and approached Clemens for sponsorship because she used to work for them. Clemens made a flat donation of \$500 to Sarah and altogether Mrs. Armer said the walk raised about \$80,000.

Store manager Jim McGuire presented Sarah with the sponsorship check on Tuesday at the Quakertown Clemens store.

Sarah is the granddaughter of Richard Jordan and the great-granddaughter of Beulah Corl of Bronte.

Personal

Margaret Martin and Dorothy Nutter of Bronte were in Grapevine and Ft. Worth over the weekend.

"Awakening" held in SA

Awakening '89 - a celebration of God's Grace and Witness for Jesus Christ - of the Southwest Texas Annual Conference was held October 28, 1989 at the Municipal Auditorium in San Antonio, Texas. Over 6,000 persons were in attendance to celebrate this great outpouring of the Holy Spirit, and thirty members of the United Methodist Churches of Bronte and Robert Lee were among those counted. The Coke County members traveled via chartered bus with their respective pastors, the Rev. Melvin Mathis and the Rev. Pam Kilpatrick. Arrangements for the bus and many other matters were made by Royce Lee of the Bronte

Church. There were fourteen worship leaders present to inspire the people in the work of Christ, to give thanks and praise, to rekindle a passion for people, and to call for action in Evangelism.

Steers have hard night against WV

by Bill Burns
The Steer faced Water Valley last Fri. nite and came away with a lopsided defeat. It was a hard nite for the Steers as WV had a red hot passing game. The Steer defense held off the WV offense with two goal

line stands early in the game with Rickie Wheat, Pilo Saucedo, and Randy Watkins plugging up the middle. Both times the end result was a safty for WV but that was only 4 pts and that's a lot better than 14 pts.

0 for the Steers.
Ron McCown opened the second half with a good return of the second half kick off. McCown also intercepted a pass in the 3rd quarter, but aside from that the quarter belonged to WV as they intercepted a Steer pass, recovered a Steer tumble and passed for 3 TDs.

The Steers got on the Board in the fourth quarter as McCown ran it in from seven yards out and Jody Tavaréz kicked the extra point.

Final Score WV 38 - Steers 7.

RLJH remains undefeated

RLJH remains undefeated after a battle with Water Valley last Thursday. RLJH started off slowly spotting the Wildcats 14 points during the 1st quarter. They gave up a long pass play, and a rushing T.D. as well, to trail 14-0 before we could revive a mistake-ridden offense. However, when the offensive execution began, it rolled up 34 unanswered points. Scot Millican led the charge with 4 T.D.s, one being a 74 yard kick-off return. The running game also opened up the passing as

Joe Blair completed 5 of 7 passes for 120 yards. John Williams was on the receiving end of 4 of Blair's passes for 77 yaros. Blair hooked up with Lee McCown for the R.L.'s final T.D. Other R.L. scores were made by Williams on a 3 yard run. Fumbles were recovered by Ricky Lott and Blair. Good defensive efforts by Jonathan Torres and Dean Burns stopped Water Valley drives.

RLJH continues its season next week at home against Irion County.

Maintain heating system

The heating season is not far away and Lone Star Gas Company recommends a heating system efficiency and safety check to be made before cold weather arrives.

All natural gas heaters must be tuned properly to assure the most efficient and safe operation. Here are a few steps most consumers can take.

*CHECK, replace or clean filters now and at regular intervals during the heating season.

*CHECK the main burner or burners and the pilot light for a blue flame.

A yellow flame indicates an air mixture adjustment may be needed.

*CLEAN dust and dirt from the air registers.

*CHECK the exhaust vents for proper venting of exhaust gases.

*CHECK to make sure the heater has an adequate fresh air supply for efficient combustion.

If adjustments or repairs are needed, your Preferred Gas Dealer, a qualified heating contractor or Lone Star Gas should be contacted. To identify your nearest Lone Star Gas Preferred Gas Dealer, call 1-800-545-3427.

If your gas furnace is several years old, it should be inspected by a professional each year.

Today's natural gas furnaces are much more efficient than those sold just a few years ago. Many older units will operate at 60 percent efficiency, or less. Newer models are much more efficient, with some rated at over 95 percent. A new high-efficiency gas furnace will often pay for itself in just a few years.

Roger Chittum, Sam Hester, and Carroll O'Kelley of Abilene hauled a total weighed catch of 151 lbs. at Lake Spence on October 12. The Stripers ranged 7-19 lbs. and bit live shad.

Band continues fund drive

The Robert Lee fifth grade band, sixth grade band, and high school band are holding their fund raising drive until Wednesday, November 8. This year the band will be raising money for their new band uniforms and their spring trip. The target goal for the band is \$2,500.00 with \$1,800.00 going toward the purchase of new uniforms.

The band will be selling certificates good for a 16" x 20" full color family photograph portrait valued at \$60.00. The cost of the certificate is \$5.00. There is a limit of one certificate per family. For those families that purchase a certificate, the photographer will come to Robert Lee High School on Saturday, November 11, and will be there all day. Families that have purchased certificates will be notified by telephone prior to

November 11 of their families' appointment time for their picture. Other photographs will be taken at the appointment and may be purchased from the photographer when the family photograph portraits are brought back to Robert Lee. The family photograph portraits will be brought back to Robert Lee approximately 3 1/2 weeks after the November 11 appointment, at no time is any family obligated to purchase any more pictures after the \$5.00 certificate. If you have further questions or would like to purchase a certificate, please contact a fifth, sixth, or high school band member prior to November 8, or call 453-2333 for further details. Your support of the band during this fund raiser is greatly needed and appreciated.

Ladies defeat Aspermont

With only a week left until they face Plains, the Lady Longhorns needed a tough practice match. They got one when they took on Aspermont Tuesday night at Hardin - Simmons.

The Lady Horns knew nothing about Aspermont going into the match. They learned something quickly as Aspermont went out to a 4-0 lead.

Their taller players and quick sets threw Bronte off for several points. However, they adjusted to the pace and pulled up 4-4.

Behind the offense of sophomore Darla Scott and the serving of seniors Jennifer Robinson and Melinda Gentry, the Horns went on to take a 15-6 win.

Game 2 started out like Game 1 when Aspermont got off to a quick 4-0 start. The Horns answered again, going ahead 9-5. Then came the slump. Passing errors cost the Horns 9 straight points and

the game.

Game 3 was the game Bronte took control. They raced out to a 13-2 lead - then stalled for 6 rotations before Robinson could finish it at 15-8.

In Game 3 Robinson had 7 pts; Teresa Vaughn had 2 kills & 1 block; Eboni Taylor had 1 kill, 1 dig, 1 block; Angela Reyes had 3 kills; Scott had 1 block, 2 kills, Gentry had 2 points.

This win raises the Lady Horns' record to 15-4 and will hopefully prepare them for their area match Tuesday.

They will meet Plains at 7:30 at Midland High. The winner will advance to the Regional Tournament in Lubbock Nov. 11.

The Best of Europe

by Alice Beaty

On September 6, Ernest and Louise Clendennen and Fred and Alice Beaty flew to Phoenix, Arizona to meet with a group from the First Christian Church to see "The Best of Europe." There were 38 on our tour. The tour hosts were Dr. William Boise and Mr. Randall Secrest of First Christian Church of Phoenix. Our tour included England, France, Switzerland, Germany and Holland for September 7-24. Travel arrangements were by Dillard's Travel of Phoenix. We flew directly from Phoenix to New York, changing planes for London on TWA.

In London, we visited the Jewel House of the Tower of London to see The Crown Jewels of England in all their splendor. They are seen by more than a million people every year. They are cherished for their historic and religious significance. To the British Nations the Crown Jewels are priceless. The Tower of London is one of the chief treasures of the Medieval Kings. The Jewel House also contained banquet and church plates, state swords, processional maces and trumpets, the robes and insignia of the orders of chivalry, decorations, and medals.

We attended Her Majesty's Theatre to see the musical "Phantom of the Opera", one of the most popular plays presented in any theater.

Enroute to crossing the English Channel from Dover we visited the Canterbury Cathedral, the mother church of Episcopalians. It is the historic church where Thomas A. Beckett was murdered.

We crossed the English Channel from Dover to Calais, France, on over to Paris. In Paris we had a moonlight boat ride on the Seine River, past the shadowed towers of Notre Dame to welcome us to the City of Light--the Arc de Triumphe, the Eiffel Tower (celebrating 100 years). We crossed under 27 bridges on this beautiful boat ride.

The tour of the Louvre Museum was exciting. We entered through the new-glass pyramid that was designed by American Architect I. M. Pei; its sides reflect the mood of the Paris sky. The Louvre was originally a medieval fortress built in 1200. The Louvre collections are divided into seven departments. The outstanding painting we saw was the Mona Lisa by Leonardo di Vinci.

In Chartres we visited the Chartres Cathedral where we saw some of the world's most beautiful stained glass--and just for our group the Cathedral organist played a concert for us on the magnificent organ.

Another outstanding visit was made to the Palace of Versailles and the beautiful flower gardens. It contained painted ceilings and the furniture was 300 years old. The Versailles Hall of Mirrors reflected the reign of Louis XIV.

We were transferred to Gar du Nard to catch the TGV ex-

press train to Geneva, Switzerland. This train travels very fast--168 mile per hour. After sightseeing in Geneva we continued along the Lake of Geneva to Montreux. We visited the Chillon Castle, near Montreux. Of all the castles in Switzerland, Chillon still offers the most complete picture of what a baronial castle was in the Middle Ages.

The spectacular vistas of the Alps were experienced as we traveled up the Matterhorn of one of the highest cog-wheel railroads in Europe to Gornergrat. We enjoyed the lovely little town of Zermatt in beautiful Switzerland.

We traveled on to Interlaken where we stayed at a holiday resort that was over 300 years old. After another day of sightseeing in the country of William Tell we journeyed on to Zurich to see the overwhelming Rhinefalls.

In Germany we had a guided tour through the Cathedral of Freiburg then on to Rothenburg for shopping at the Christmas store. We transferred from our hotel to Rudesheim where we boarded a Rhine cruiser. We saw vineyards, castles, and the mountains. Our coach was waiting for us at Koblenz to take us to Cologne.

After a guided tour of the Cologne Cathedral, we drove through the lowlands of the Netherlands. Along the way we visited the Kroller-Muller Museum where paintings of Vincent van Gough were exhibited.

We stayed in Amsterdam two days. In Haarven at the St. Bavo Church, an organist told us about their organ and then gave us a recital. In the afternoon, we transferred to Zaandam for a recital on the Flen-trop organ at the Church of Zaandam.

Just outside Amsterdam in Aalsmeer we visited the flower auction. We had a walk-through of the largest flower auction in the world. The building covers a huge area in the largest commercial building in the world. Over 4700 growers of flowers are members of this cooperative. There are five auction rooms with a total of 13 huge clocks. Each clock is used for the daily auctioning of the products, so that buyers know where they go. Auctioning takes place five days a week, from about 6:30 a.m. Each auctioning room seats 300 buyers. These buyers include exporters and wholesalers, as well as shop keepers and street vendors.

In Rotterdam we visited the Wooden Shoe Factory and a fine Pottery Factory--then to Kinderdijk to see the Windmills.

In the medieval town of Brugge, Belgium we visited a shop where they make lace--then we toured the ancient town.

After a farewell-dinner in Rotterdam we were taken to the Hook of Holland where we boarded a ferry boat for Harwich, England. A coach took us to Heathrow Airport in London for our flight back to the USA.
