## County hosts large number of hunters

Opening weekend of the 1989-90 gun hunting season on deer, turkey, and quail began on a good note, with lots of hunters in the county. The weather was on the warm side but didn't seem to slow up the harvest. Some of the deer storage units reported numbers down by a third but lots of deer were reported killed. Every kill was marked by layers of fat on carcasses.

Game biologists examining kills reported the deer were in unusually good shape but with under-average to average antler development. Hunters volunteered information that around Robert Lee, the rut among whitetail deer is already underway and should bring out the bigger bucks.

Most said they could have taken smaller-racked bucks but are waiting for a better one, and "per usual" for this area, don't want does till they get that big buck.

Coke County game warden Sparks Burdett stated that he had seen several good bucks taken in the area, including a 21 point buck on the McShan Ranch by a Midland man. His antlers went almost 23 inches, inside measurement. The ranch extends into Runnels County. He said a biologist weighed one big-bodied buck at the Silver Peak Grocery that topped 131 lbs.

Turkey and quail hunting is reported as spotty, and quail especially, are not plentiful.

The Stompin' Steer Band has received a Division I rating at the recent U.I.L. marching contest.

## 600 attend hunter bbq

West Coke County Development completed a monumental project last Saturday when the organization fed over 600 people at the Hunters Appreciation BBQ. The development group, realizing the impact that hunting has on the economy, set out to show the community's appreciation. The committee, chaired by Bob Wrinkle, tackled the job under tough circumstances -- not knowing what to buy, how many would eat, or how to pay for the dinner. He and his committee made it all work, due to the generosity of local merchants, ranchers, and other individuals. Hunters registered from all over Texas, and from as far away as Oklahoma, New Mexico, Kansas, and California. Although all of those who attended could not be seated at once and were lined up back into the park, they good-naturedly took their turn, while everyone present enjoyed the music of local musician Billy Newman.

The WCCCD board made plans to sponsor the BBQ as an annual event. More individual participation is needed in the organization. While small towns and communities are dying across the country, efforts are being made locally to keep interest and activities at home. Join the group as members and attend monthly meetings!

Another big upcoming pro-

ject will be the Downtown Christmas Party. The West Coke County Community Development hopes to make this an old-fashioned Christmas, including drawings for prizes by the organization. Merchants who wish to participate will also provide boxes for registering for drawings. Santa will arrive Dec. 2 in downtown Robert Lee at 4:00 P.M. Most of the downtown businesses will stay open until 6:00 P.M., along with Butane Sales and Ace Hardware on Hwy 158, for your convenience of doing your Christmas shopping at home.

Food booths and crafts will also be offered during the evening of Dec. 2, as well as other plans now underway, such as carolers and an upcoming outdoor decoration contest.

### Bronte Seniors to host 88 tourney

The Older Texans from Bronte Senior Center will host the Older Texans from Robert Lee Senior Center at the Coke County 88 Tournament to be held at the Bronte Senior Center on Thursday, November 16. The tournament will begin at 9 a.m. and lunch will be served by the hosts.

Prizes will be awarded to the 3 winners of the tournament.

This program is funded in part by the Area Agency on Aging.

## Voter turnout light for amendments

The proposed 21 constitutional amendments on the special election ballot Tuesday fell on hard times across the state when a light voter turnout turned down #1 (legislators' raise) by a resounding margin, #3, #11 and

#18.

Coke County showed a very poor voter total; only 385 out of 2,195 eligible registered voters went to the polls. County voters locally defeated #1, #3, #11, #12, #15, #17, #18 and #19. No. 1 was

turned down 74-304.

County Clerk Ettie Hubbard said the theory that absentee balloting is a voter indicator proved once again to be true.

Only 23 Coke County voters cast absentee ballots.

**Cable provides video to school**

West Texas Cablevision has made available to the Bronte School System an HBO produced video tape, "How To Raise a Drug-Free Child." This is a professional production well done on a very serious topic. This video is directed primarily at parents, not teenagers. While we do not feel that there is a hard drug problem in this school at this time, the potential is an ever present factor.

This video will be presented in the school library at 6:30 on the evening of November 16, 1989. All concerned parents are encouraged to attend.

Any questions concerning this program may be directed to the school counselor, 473-2511.

Students in Bronte grades Kindergarten through 6th participated in a red balloon release. These balloons contained a message that the Bronte elementary students are drug free and that the finder of the balloons be drug free, also.

### Auxiliary hosts NH Carnival

For the second year the Activities Department of the nursing Home, assisted by Auxiliary members and other volunteers, staged a fun filled Halloween Carnival Tuesday October 31 in a well decorated atmosphere for the residents of the home.

The activities started in the recreation room with games of "Fishing," "Roulette," "Ball Toss," and "Apple Bobbing" manned by Auxiliary members dressed in traditional Halloween costumes.

A cake walk in the dining room was enjoyed with each one being a winner of a small bundt Cake (or two, or three).

The people then proceeded down the hall to the West Wing where "Big Bird" ushered each into the spook house which was almost too scary for some. After visiting the spook house full of wierd sounds and other spooky things including a prone body which came to life, the participants were ready for a drink of "Witches Brew." The brew was served by a witch and her clown helper from a jack-o-lantern which had fog rising around it. This potent refreshment helped settle the nerves and all were ready to proceed to try their luck at "Wheel-of-Fortune".

The residents enjoyed the children who came dressed in costumes to help them enjoy the festivities. Many off-duty workers of the nursing home came to help and a good turn out of auxiliary members were there to do all they could to make the event a success.

### OES to honor Joe E. Jeffers

The thirteen chapters of District 5, Section 1, Order of the Eastern Star will have its "Through the Windows of Love" School of instruction and Joint Fraternal visit of the Worthy Grand Matron, Mrs. Betty Phillips, and honoring the Worthy Grand Patron, Joe E. Jeffers, on Tuesday, November 14, 1989 at Concho #826 Lodge in San Angelo.

Pre-school activities will consist of a "Welcome To The West" covered dish supper Monday, Nov. 13, 1989, at 6:00 p.m. at Concho #826. It will be a time for members to get acquainted with their new Worthy Grand Matron and Worthy Grand Patron, Mrs. Nannette Nelson, District Deputy Grand Matron and Mrs. Marcella Curry, Grand Examiner, and to renew old friendships. They will be entertained by Johnny Millican, of Robert Lee, with his rendition of "Romeo & Juliet" from "Ole Coke County Pageant."

Other activities will include a "Stars over Texas" Banquet preceding the Fraternal visit, on the 14th in the Riverside Dining Room of Day's Inn Hotel. Mrs. Dolores Roe, Deputy Grand Matron, District 5, Section 1, and Chairman of the School and Fraternal visit, would like to encourage all members to attend these events and enjoy the friendship and fellowship of the order.

Mr. & Mrs. Donald Cooper of Bronte would like to announce the engagement of their daughter Melanie Dena Cooper to Wendell Tracy Baucom. Wendell is the son of Mr. & Mrs. W. Bobby Baucom of San Angelo.

Melanie is a graduate of Bronte High School and is currently a junior at Angelo State University. Wendell is a graduate of San Angelo Central High School and is a senior at Angelo State University.

The wedding is set for December 2, at 2:00 p.m. in Paul Ann Baptist Church in San Angelo.

### Glenn reception attended

Many friends and relatives attended the reception in Bronte, October 28, honoring Clark and Mary Frances Glenn on their fiftieth wedding anniversary. Out-of-town guests included those from Benson, AZ, Amarillo, Houston, College Station, Junction, Hamlin, Sweetwater, Maryneal, Winters, New Braunfels, Duncanville, Mason, Abilene, San Angelo, Odessa, Blackwell and Robert Lee.

The Fellowship Hall of First Baptist Church was decorated in the wedding colors of burgundy, teal blue, and gold. Granddaughter Kristi Kuykendall served the cake from a table covered with an ecru antique crocheted cloth. The 3-tier cake was topped with a small china bride and groom figurine which was also

used on the couple's wedding cake.

Another granddaughter, Karmen Kuykendall, served the punch, and musical entertainment was provided by granddaughters Danielle, Stephanie, Brittany and Charlotte Glenn. Three-year-old grandson, Ian Glenn, was much in evidence as he made friends with everyone.

Following the reception and a slide show, approximately fifty family members enjoyed a barbecue dinner in the Fellowship Hall.

The affair was hosted by the Glens' children and their spouses: Carolyn and David Kuykendall, Abilene; Victor and Liza Glenn, Duncanville; David and Denise Glenn, Houston.

## Horns host SA in hard-fought contest

The Longhorns played Santa Anna this week for their fourth district game. This game was the most physical and hard-fought game the Horns have played this season. This week's captains were **Bill Windham** and **Justin Phillips**.

In the first quarter the Horns defense did just what it was supposed to do, shut down the running back. The breaks fell SA's way on the Longhorn second possession when the Horns fumbled on SA's 31 yard line. The tough Horns defense, led by **Sean Conway**, **Darrell Lucas**, **Jason Pierce**, **John Seals**, and **Windham** stopped SA on the 6 yard line on a missed

field goal attempt at the end of the 1st quarter.

A couple of plays into the second quarter Phillips hit Windham on a long gain, but was called back on a clipping penalty. **Brandon Marshall** ran for 10 yards, but wasn't enough, the Horns had to punt. With 2:08 in the half, the Longhorns had the ball on SA 14 yard line but could not capitalize on it. **Phillips** intercepted on the Bronte 40 yard line to end the half.

The Longhorns started the second half off moving the ball from their own 35 yard line to the 14 yard line of SA. **Tim Davis** had a 25 yard run and passed 33 yards to **Seals** in the drive. On 4th and 17 **Phillips** pass was just off the fingertips to end the drive. The two teams' defense dominated the rest of the game. The Longhorns had a strong game but came up short losing their first district game to SA 19-0.

The Longhorns play Miles here this week for a play-off spot. These young men and coaches have spent a lot of time this season to produce a super quality team. They have had some costly injuries and have overcome them to be in a position to represent Class 15-A as a

play off team. Come and show the 1989 Longhorns your support Friday night, here in Bronte.

### Steers mark fifth win over Hornets

The Steers went to Irion County last Friday night and recorded their fifth victory of the season. RL put together their offense for the first time in two weeks and, along with their usual defensive efforts, made an impressive showing.

IC received the opening kick and made a quick first down, but two plays later the Steers jarred the ball loose and Jason Wink had a fumble recovery to his credit. The Steers had the ball at their own 27 yard line and started a good drive that included four first downs with Wink going the last yard for the Steers' first TD. Tavarez kicked the extra point.

The Steers kicked back to IC and IC looked like they were coming back strong, making two first downs before the quarter ended.

IC started the second quarter at the Steer 40 yard line, but the Steers knocked the ball loose again with Jody Tavarez recovering for the Steers this time. The Steers made two first downs on their way to their second TD with Wink going the final 12 yards. Tavarez kicked the extra and it was RL 14 - IC 0.

IC decided they needed to get back in the game quick and came out passing only to be intercepted by Lenny Jackson. This time the Steers could not get a first down and had to punt. IC got one first down on a Steer penalty before they punted back to RL. RL then lost a fumble to IC. IC again went to the air and this time Brent McPeek intercepted one to end the first half.

The 3rd quarter showed no scoring but at times RL moved

the ball well as they racked up four more 1st downs, and held IC to one.

The fourth quarter was more exciting as RL scored twice and IC scored once. RL scored their 1st one on a 19 yard pass to Jon Rogers from Ron McCown. The extra point attempt failed. RL tried an on-side kick and it was successful

with John Fluhmann recovering for the Steers. RL then moved for another TD with Warren Brasher scoring from 33 yards out. The extra point attempt failed. RL then tried another onside kick but IC came up with this one. IC then moved the ball for their only score of the night. The game ended RL 26 - IC 7.

### Dogies defeat IC Hornets

Robert Lee Jr. Hi Dogies played Irion County Hornets, Thursday, Nov. 2nd at home. The Dogies took command of the game early in the 1st half. The Dogies marched down the field with authority, the drive ended with a 22 yard TD run by Scot Millican. PAT was good by Millican, ending the quarter 8-0, Dogies favor.

The 2nd quarter was full of penalties, yet the Dogies managed to score on a 1 yard quarterback keeper by Joe Blair. PAT was successful by Lee McCown. Blair made an interception to end the 1st half. Halftime score 16-0.

The 3rd quarter was dominated by the Dogies. Scoring on 2 good runs was Jason Benton, Ricky Lott completed the attempt with a 2 point conversion. A Blair pass to

John Williams covered 40 yards for yet another Dogie TD. Scoreboard showed Dogies in the lead 36-0.

Lee McCown concluded the scoring in the 4th quarter for the Dogies. The Hornets managed 2 TD'S and a PAT, bringing the final score to 42-16.

The Dogies played a well rounded game offensively, moving the ball well. Defensively they played well and gave up very few yards. Dean Burns and Wayne Hayes both had fumble recoveries. This was a great effort on the part of all the Dogies. This Thursday's opponent is Grape Creek once again at home at 6:00 p.m. Let's all go out and give our support to the Dogies and Beat Grape Creek!

### Band earns DIV 1 rating

The Robert Lee High School Steer Band began this school year in early August learning their contest show and continued working hard on it every weekday and Tuesday nights during September and October to prepare for the contest. Last Saturday, in Brady, Texas, all of the hard work payed off when the Steer Band received its first division one rating since 1978 at the U.I.L. District Marching Contest.

#### NO HAULING!

Robert Lee School administrators have asked the public not to haul wood, trees, limbs, etc. to the school grounds for next year's homecoming bonfire. Other than unsightly accumulation, restrictions could be placed on the burning.

As long as man has been able to write, he has mentioned lettuce as a food.

The Robert Lee High School band has elected their 1989/1990 Band Council for this school year. Those elected are (left to right): (back row) Russ Horn, 10th Grade Representative; Sheree Burns, Librarian; Janet Pentecost, Historian; Michael Hayes, Vice President/Secretary; Eli Arellano, President; Carlene Bewick, Librarian; Elaine Gibbs, 8th Grade Representative; Jeremy Fluhmann, 7th Grade Representative; (front row) Lori Renfro, historian; and Amy Johnson, 11th Grade Representative. **Potassium-Rich Foods Important In Diet**

While many people are aware that too much sodium can intensify high blood pressure, few may know much about its counterpart, potassium.

While Sodium can increase blood pressure in some people, and indirectly contribute to heart disease or stroke, potassium can help control blood pressure and regulate heart rhythm.

Many experts agree that just as there are good reasons to avoid too much sodium, an ingredient of salt and other food additives, there are reasons to eat foods that contain plenty of potassium.

According to a recent Tufts University "Diet and Nutrition Letter," there is evidence that if a diet is rich in potassium, the likelihood of falling victim to high blood pressure of hypertension lessens.

An article in the New England Journal of Medicine also said one extra serving per day

of potassium-rich food can cut the risk of death from strokes as much as 40 percent. You're more likely to have a healthier diet by eating potassium-rich foods because usually these foods contain other ingredients.

Lean cuts of fish, beef and poultry are good examples of foods that contribute large amounts of potassium (in relation to sodium content) while offering plenty of vitamins and minerals such as iron.

Fruits and vegetables also provide potassium, but this changes if the foods are heavily processed. The less a food is tampered with, the better chance of eating a high-potassium, low-sodium item.

The "Diet and Nutrition Letter" stated that one baked potato with the skin, which has just five milligrams of sodium and only a tenth of a gram of fat, contains several hundred milligrams of potassium, some Vitamin C and four grams of fiber.

Other good sources of potassium are bananas, cantelopes, broccoli, honeydew melons, oranges, tomatoes, peas and dried beans.

Potassium can only be stored in the body in small amounts, so it is necessary to replenish your supply daily.

**Thyfaults return to RL**

Felix and Pauline Thyfault, who were recently married in Ft. Collins, Colorado, have returned to Texas, where they are enjoying mild, winter weather, at Robert Lee. Upon arriving, they found the door open, the house cleaned, and supper awaiting them on the dining table. Pauline explained to Felix, experiencing his first introduction of The Lone Star State, that this act was just a neighborly expression of hospitality in Texas.

The Thyfaults have been recipients of a "Welcome Home" luncheon given by the Senior Citizen Organization at the Robert Lee Recreational Hall, followed by games of 88

in the afternoon. On October 28, they were also honored by Pauline's nieces and nephews with gifts and a big family fish-fry cookout at the Monroe cabin on Oak Creek near Blackwell.

On Thursday November 2, the couple journeyed to Abilene to attend a luncheon for former faculty members and staff of Hardin-Simmons University. For several years Pauline taught Spanish and English at the University prior to her joining the faculty at Robert Lee, where her late husband, Frank D. Coalson, was Superintendent of Schools.

**Tracy named to SC post**

The Board of Trustees has appointed Gary Wayne Tracy, Argyle, Texas as the new administrator of Sterling County Nursing Home, 309 Fifth Street, Sterling City, Texas 76951.

**WHAT'S COOKIN'?**  
by Joan Davis

**Pit Smoked Turkey**

1 wild turkey, skinned or picked  
8 thick strips bacon or ham skin

Use as large a pit as is available; build small mesquite fire and allow to burn down. Salt and pepper bird inside and out, cover with bacon or rind and put as far from fire as you can. Cook about 5 hours, turning once and moving bacon back to top again. (May need another stick of wood, too). About 45 min. before cooking is finished, remove bacon and allow to brown. You may baste with lemon juice, salt, pepper, and oil or your favorite sauce. Wonderful!

**Camp Coffee**

Allow 1 heaping tablespoon of regular grind coffee to each cup of water. Bring to a boil and simmer a few minutes. Remove from fire and pour in about a 1/2 cup of cold water to settle grounds before serving.

"I am anxious to be a part of the community here and look forward to working with your publication in the future," said Tracy. According to his statement, "At Sterling County Nursing Home the emphasis is on quality of life, provided by a highly trained group of professionals who have dedicated their careers to caring for the elderly. The skilled staff of nurses and nursing assistants provide around-the-clock care, administered according to the individuals' special needs--ranging from advanced medical attention to just a friendly helping hand."

**Br. Senior Center landscaping noted**

by Zada Denman

Thanks to the Senior Citizen's Arts and Crafts Centennial Quilt Fund, a hedge of evergreen cedars, shrubs and trees were purchased by the Committee and set out by Denny Braswell and his assistant.

Commissioner Bill Lockett was responsible for putting down a new surface on the parking lot.

A new VCR and Microwave have been purchased and are now in use at the center.

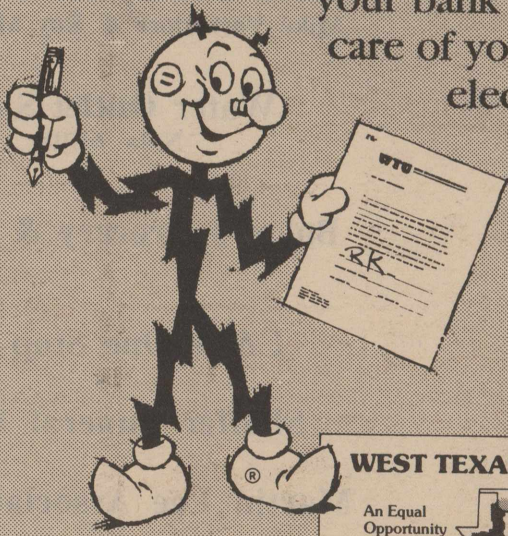

A new sign is to be erected and completes the new look.
