It is now time to start making your plans to attend the "Monte Carlo Night" at the Bronte Community Center.

"Monte Carlo Night" is being sponsored by the Bronte Area Chamber of Commerce. It will be held Saturday, February 3 from 7-10 pm. The banquet will carry out a

"Hollywood" theme with the highlight of the evening being the announcement of the "Bronte Citizen of the Year".

Tickets for this festive gala will be \$7 and may be purchased at the door or from any chamber member. Your ticket entitles you to a night out to dinner, joining in games and

being entertained. Grand prizes of \$100 will be given away to three lucky people.

The Bronte Area Chamber of Commerce Board is comprised of Martin Lee, Chester Wilson, Gary Shaffer, Earlene Alexander, Garland Richards, Royce Lee, Pat Martindale and Susan Arrott.

## WC senior schedule set for February

Scheduled activities for West Coke County Senior Citizens for the month of February began Thursday, the 1st, with commodity distri-

bution. Runnels County Home Health Care provided a blood pressure clinic. Regular weekly programs include exercises each Monday at

12:45, the congregate meal program each Monday, Wednesday and Friday, and games of "88" following the lunches each week.

## Auxiliary plans luncheon

West Coke County Nursing Home Auxiliary will have its annual awards luncheon Monday, February 5, in the Fellowship Hall of the First United Methodist Church of Robert Lee at 12 noon. This will be a salad luncheon with each member bringing a salad. Prospective members and any other interested persons are invited to attend.

Dianne Simpson, past President, will present the award pins and bars for the number of hours of volunteer services of each member. Pins are awarded for one year of service, and bars attached to the pins are given for accumulative 100, 300, 500,

1000, and each additional 1000 hours.

The auxiliary has been organized three years and is proud of the many service hours of the members as well as the many uses of money made for the benefit of the residents of the home. Money for these benefits accumulated through membership dues, donations, memorials, special projects, thrift shop, and the on-going Gift Shop project.

Starting with 10 ladies organizing the auxiliary in 1987, the organization grew to 43 members, and has averaged 44 members per year since.

The Senior Citizens' advisory board will convene on Monday, February 5, at the senior building from 12 to 1.

February 6 and 20 will be the dates for food stamp applications and questions from the Department of Human Resources, 1-3 pm.

The WIC program representative will be available at the center February 8, 9:30 am - 2 pm.

On Thursday, February 15, the date set for Seniors' fun and fellowship, the monthly dance will be held in the Rec Hall at 7 pm. Seniors 60 and over, plus their guests are welcome. Area volunteer musicians will provide country/western music for the dance.

Rozanne Yancy, clinic dietitian from Shannon Medical Center will speak to senior citizens at 12:45 February 16.

A Beltone Hearing representative will be available for consultation, 10 am - 2 pm, February 20.

A blood pressure clinic will be conducted, 11:30 - 1, February 28, by Girling Health Care.

Neta Schnabel, senior citizens coordinator, advised that a free cholesterol clinic is coming up in March, conducted by Shannon Medical Center. More information on the clinic will be available soon.

This program is funded in part by the area agency on Aging, Concho Valley Council of Governments from a grant received from the Texas Department of Aging.

None of our resident jackass experts here at the newspaper seem to know how common twin donkey colts are. However, the staff is in agreement that the possibility of twin donkey colts is probably greater than having twin horse colts, and much less than the odds of twin lambs.

Anyway the proof that it does happen (at least once) is evident in the photo above. The jenny and her offspring belong to long-time Bronte resident Luther McCutchen.

**Home energy assistance noted**

Some low-income Texans may receive help in paying heating bills this winter through a Department of Human Services program.

The Home Energy Assistance Program will make one-time payments to low income families, according to an announcement from the DHS.

Aid is available for one-person households with monthly income of \$589.49 or less. Two-person home, \$973.49 for three, \$1,165.49 for four, \$1,357.49 for five and \$1,549.49 for six.

Energy assistance checks will be sent directly to those whose applications are approved. However, the checks will be made payable to the energy provider.

Those receiving checks should present them to the appropriate utility company or other provider with their regular energy bills.

If the assistance check is more than the energy bill amount, the additional money will be credited to the person's account for future bills. If the bill is higher than the check amount, the individual is responsible for paying the difference.

Applications have been mailed to families receiving Social Security payments, food stamps or Aid to Families with Dependent Children.

Other low-income individuals may request applications by calling 1-800-252-8060 between January 22 and February 28.

For more information, contact the Bronte Senior Center at 473-6471 or the Robert Lee Center at 453-2314.

**AmWest is new name for Olney Savings**

AmWest Savings Association, formerly Olney Savings & Loan Association, launched its new name and graphics at a press conference January 30 in Bryan.

According to Don A. Adam, Chairman of the Board and CEO of AmWest Savings Association, the name change resulted from months of research and planning.

"We discovered that the future plans for our company require a name that projects a broader awareness of our trade area and depicts the opportunities available in the future," Adam said. "Olney Savings & Loan Association was a fine name when Olney was the central location. However, we now have offices throughout West and Central Texas and a major presence in several West Texas markets."

Adam stressed that despite the name change and the new logo, the day-to-day operations, staff and policies of the financial institution would remain the same.

"AmWest Savings has had a very profitable first year, with \$100 million in capital and continues to prosper on a regular basis," Adam said. "Our future growth as AmWest will continue thanks to our customers, our facilities and the talent of our people."

Following the introduction of the Board of Directors, the new logo and graphics for AmWest Savings were presented.

The new logo for AmWest American flavor with red and blue set on a clean white background and an American flag within the name.

With 80 locations throughout West and Central Texas, AmWest Savings Association is a \$4 billion institution based in Bryan with over 1000 employees statewide and is a member of The Adam Corpo-

ration/Group. The association's 80 Texas locations in-

clude the facility at 401 West 10th in Robert Lee.

**Ordinances affect Spence**

New ordinances adopted recently by the Colorado River Municipal Water District standardized regulations at its three major reservoirs - Lakes O. H. Ivie, J. B. Thomas and E. V. Spence.

Uniform rules and regulations were adopted by CRMWD directors, who earlier had decided to raise and broaden permit schedules and make them applicable to all users, except under and over-age individuals.

There are a few minor changes in rules such as specifying that pets must be kept under control, and off-road vehicles banned. Oth-

erwise, most rules and regulations pertaining to sanitation, safety and structures are the same.

The permit schedule after January 1, 1990 will be \$2 per day for adults ages 17 to 64 for individuals; annual adult \$20 for individuals; \$50 annual to cover the holder and guests for aquatic activities.

One major change is that permit fees will apply to all persons - picnickers as well as boaters, fishermen and skiers. Permits will be required for aquatic activities, whether they originate from private or public lands.

**Letter to the editor**

Dear Editor:

In preparation for the restoration of the Texas Capitol, the Old 1857 General Land Office, and the Capitol grounds, we have some exciting mysteries to solve and are looking for any photographs dating prior to 1920. We also need interior views of the rotunda, dome, corridors, foyers, and offices in the Capitol prior to 1959.

The State Preservation Board invites you to join us in our quest and we ask that your readers help us by searching through their family albums for photos of the Capitol. Quite often the building or an interior of a room is only visible in the background, but such a photograph can still provide invaluable details about furniture, carpet patterns, or light fixtures.

Surely, your readers' grandmother, grandfather, aunt, uncle, mother, father, brother or sister took great joy

in standing in the middle of the rotunda to have their pictures made. Surely, someone through the years has gone "Kodaking" to the State Capitol and taken just the kind of snapshots we are looking for.

If your readers have any photographs of the Texas Capitol, the Old General Land Office, or the Capitol grounds, we ask them to please forward a xerox copy to us as soon as possible. We will be more than happy to give them credit for any photographs that provide new information.

Thank you for any help you statewide effort. Together, we can make Texas' beautiful Capitol second to none in the Victorian restoration magnificence and authenticity for the future enjoyment and pride of Texans everywhere.

Sincerely,  
 Allen McCree, FAIA

## Scotts travel to Hawaii

Faye Scott, of Bronte, recently took a vacation to Hawaii accompanied by her son and daughter-in-law, Ken and Linda Scott of Odessa. They visited three islands. While on the island of Oahu, they went to Waikiki Beach, the world famous surfing competition at North Shore, vast pineapple fields, Pearl Harbor, the USS Arizona, and the memorial cemetery for the Pacific. Next, they flew to the island of Maui where they drove to the town of Hana via a 53 mile road through the jungle with 56 one-way bridges and 615 curves. On the opposite side of Maui, they saw the volcanic crater, Haleakala. The highlight of

Maui was a luau feast. When they landed on the Big Island, Hawaii, the airport was on a huge bed of black lava rock. They toured the incredible Hawaii Volcanoes National Park, seeing numerous craters and an active volcano. The Scotts were also fortunate to be able to be in the audience during the filming of the Bob Hope Christmas Special at Waikoloa. It was certainly a delightful trip for all.

## Baby shower held for Becky Ross

The home of Mrs. JoAnn Runnion in Robert Lee was the site for a baby shower Sunday afternoon honoring Mrs. Rick (Becky) Ross of Robert Lee.

Guests were served cookies, miniature lemon cream puffs, and punch from a table highlighted by an ivy basket decorated by baby accessories. Diaper-shaped cups held mints. A wide array of lovely, useful gifts were displayed including a Fisher-Price high-chair, the hostess gift.

Special guests included the honoree's mother, Rheba Bowman of Ft. Worth; her grandmother, Pearl Schooley; her mother-in-law, Nellie Ross of Robert Lee; a cousin, Holly Ross of Bangs; and a close friend, Cynthia Dillard, San Angelo.

Phelan Wrinkle, Leigh Ann Stephens, Pat Stephens, Dolores Roe, Nita Gaye Williams, Joan Davis, Kaye Pitcock, Gay Sawyer, and JoAnn Runnion were hostesses for the occasion.

## Steers, Ladies win over G. City

The varsity Steers went by the Garden City hosts by a whisker 59-57. Leading the scoring in the close battle were Horn and Rodriguez with 13 apiece. Rogers, McPeek, and Wink added 7 each, Wilkes got 5, McCown had 4, Stephen Epperson scored 2, and Pilo Saucedo had 1.

Also victorious were the Lady Steers with a 50-43 total led by Boone with 16 points, making 78% of her attempts. Aiding the win was Padgett with 14, 100% of her free throws, 5 rebounds, and five steals. Poehls scored 12, made 3-3 pt. attempts, had 5 steals and 7 assists. ## Davis family returns

Mr. and Mrs. Mike Davis have returned to Anson after a 2-week stay at M. D. Anderson Cancer Center in Houston where Cynthia had reconstructive surgery. She underwent a mastectomy in February 1989 at the center. The couple will return to Houston February 7 for further surgery and examination.

Burl and Joan Davis were at the clinic during the same period while Burl underwent extensive testing and consultation. A panel of doctors found him free of any new disease.

While waiting in a small lounge at the hospital, Joan began to visit with a patient's wife. The woman asked where she was from and at hearing the name - Robert Lee - (that no one else knows) gasped and said "I was born there". She was Ila Jean (Ott) Naylor, the daughter of Mr. and Mrs. "Double Aught" Ott, who once owned a small grocery and station in Robert Lee. As a further coincidence, Joan Davis now owns the rock building on Highway 208 where their business was located.

Jean Naylor excitedly asked about a number of Robert Lee folks before leaving to check on her husband, Leo Naylor, who had just had his leg amputated due to cancer.

Before the Davises left for Robert Lee, Jean wrote the touching poem below and gave it to Joan Davis.

**Stranger in the Hall**  
Out of my almost-forgotten past,  
I see their faces, clear as day,  
As were in yester year.

and, oh the joy that fills my

heart  
as I listen to her speak,  
God must have sent her  
To brighten my lonely week.

I can't believe, that after all these years,  
Someone would come along  
Sit by me, quietly, at first,  
Then fill my heart with song.

I've crossed many rivers,  
Walked on shores of shimmering seas,  
But nothing has been sweeter,  
Than to meet someone from my hometown,  
And to hear news from Robert Lee.

I attended Bronte Schools, graduating in 1958. I also attended ASU in San Angelo for one year and served in the U. S. Army from 1961-1963.

I am married to Wanda Snead and we have three children, Randy of Bronte, Sujane Schoenfield of Bronte and Melinda, who attends

McMurray University in Abilene. We have five grandchildren.

I served as Coke County Commissioner, Precincts 4 & 5, from 1973-1981. If elected to the post again, I would serve full time as your commissioner. Thanks for your vote of support.

**Gary Shaffer**

**Gary Shaffer - Candidate for Coke County Justice of the Peace, Precinct 2.**

To the voters of Coke County, I am Gary Shaffer, requesting your support in the up coming Democratic Primary, as your justice of the Peace in Precinct 2. I have made my home in Coke County for the past 13 years and have operated Shaffer Funeral Homes since that time. My wife, Barbara, and I were married in Bronte in 1982. We have three children - Courtney, Lindsay and Lisa. Being 36 years of age, I was born in Big Spring, raised there, as well as attending and

graduating from Big Spring High School. I then attended Howard College in Big Spring, followed by my enrollment at Dallas Institute of Mortuary Science, from which I graduated in 1974.

From the start of my career in the funeral service profession in 1971 at Big Spring, I have, over the past approximately 18 years, dealt with a West Texans, who were, at best, dealing with very difficult circumstances. This, I feel, has given me invaluable experience in handling problems encountered.

This office is of great importance to me for several reasons. First, this is the court that you personally are more likely to come in contact with, or be directly affected by. Most people are unaware of the duties and powers of this court regarding those other than traffic cases. Some of the other duties that may legally be performed by this court are: criminal court cases, issuance of arrest warrants and search warrants, holding administrative hearings for the

DPS, setting bonds and holding inquests. Also, in the civil duties of the court, the J. P.'s are to hear small claims court suits, justice court civil suits as well as forcible entry and detainer suits. As you can see, the powers of this court have a very decisive impact on our everyday lives, and it must exercise its authority to the best of its ability at all times.

I am very committed to the duties of this office. Having completed the required training course through the Texas Justice Training Center at Southwest Texas State University, I will make every effort to use this knowledge in a fair and impartial court.

With my involvement in business, being a board member of the Chamber of Commerce, and currently as a Bronte City Council member, I will pledge to do my very best to be a positive influence on our county's future. I ask that you give me the opportunity to put my training and experience to use in your court system.

**Joan Davis**

Joan Davis, life-time resident of Robert Lee, is a candidate for Coke County Justice of the Peace, Precinct 1, which includes Precincts 1,3, and 9. She is unopposed for the position.

Born in Robert Lee, she was raised by grandparents Henry and Roxie Childress, county pioneers, near the Wildcat community. She is a graduate of RLHS.

She is the mother of three children and has two grandchildren. Flea-markets, antiques, hunting, and fishing are favorite past-times, along with family activities. An active member of Northside Church of Christ, Ms. Davis is also a member of the West Coke County Community Development Board and the Coke County Library Board. She is a past board member of the Coke County Historical Commission and belongs to the Red Canyon Gun Club.

Ms. Davis was engaged in a family grocery business for 13 years where she worked with the public daily and did most of the record-keeping for the

store. She has been employed by the county newspaper, the Observer/Enterprise, for 9 years. In this capacity, she has served the public, been involved with writing and advertising, and has bookkeeping duties.

Said Ms. Davis, "I feel that my public relations, working well with others, and various aspects of bookkeeping and other paperwork qualify me for this position. If elected, I hope to serve in the same business-like, efficient manner set by Peace Justice Opal Jacoby. I feel that I can continue serving the office with the dignity and respect the position requires.

My love for the hometown people in and around Robert Lee makes me enthusiastic about serving in a public capacity. I am anxious to attend the required schools and seminars to learn how to better serve you. Please mark your ballots for me in the March 13 Primary Election. I am so grateful to all of you for the support and encouragement you have shown me."

**Billy Joe Luckett**

Billy Joe Luckett has announced that he is a candidate for re-election for Commissioner of Precinct 2 of Coke County. Luckett was first elected to serve as commissioner in 1982. Prior to that time, he was superintendent of the waterworks of the City of Bronte, a position he held for over 15 years.

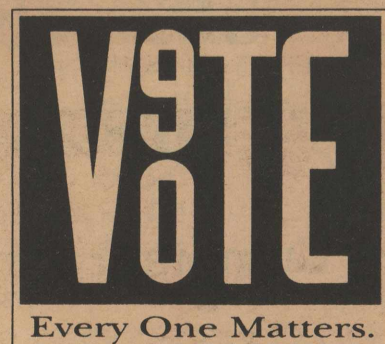

At this time, Commissioner

Luckett would like to thank the voters of Precinct 2 for the opportunity to serve them as their commissioner. "I have enjoyed serving the people of Coke County and have had great satisfaction working with the county employees."

"Your county government has been challenged by the drop in the price of oil; this is still a challenge. I feel that my

experience in county government will help me to solve this problem."

"I would appreciate the opportunity to serve the people in Coke County and pledge my best efforts to providing good management and trust in county government for the next four years. I ask for your vote and support in the Primary election in March.

Each honoree pledged to uphold the high purposes of the Bronte Elementary School and then signed his or her name in a book called the Principal's List.

Mr. C. B. Barbee, former superintendent of Bronte schools, was the guest speaker and spoke about the physical, mental, and spiritual aspects of life. He said to nurture these with a positive environment and to avoid negative influences, such as pornography and drugs.

Mrs. C. B. Barbee, a former Elementary, encouraged them to "find out how to find the answer". Also, she challenged them to learn something new every day of their lives.

Mr. Michael Hartman, superintendent of Bronte schools, also attended the luncheon.

The Bronte Chamber of Commerce sponsored the honor roll luncheon. It will be held each six weeks for the remainder of this school year to honor students who make the A honor roll in the fourth, fifth and sixth grades.

## Texans urged to register

Secretary of State George Bayoud announced that Gov. Bill Clements has signed a proclamation urging Texans to register and vote in the March 13 primary elections.

In the proclamation, Clements urged Texans to support Secretary Bayoud's VOTE '90 registration/education campaign, and he reminded Texans that February 11 is the last day to register to vote in the March 13 primaries.

"I deeply appreciate the governor's interest in VOTE '90 as shown by his willingness to get involved in this non-partisan, statewide effort to promote voter registration and participation," Bayoud said.

Earlier, Clements signed an executive order urging all state agencies and in-

stitutions of higher education in Texas to participate in the VOTE '90 drive.

The main goals of VOTE '90, Bayoud said, are to register new voters and increase turnout. Of the state's currently estimated 12.4 million eligible voters, about 8.2 million, or 66 percent, are registered. Nationally, about 68 percent of eligible voters are registered.

"It is the fundamental responsibility of every Texan to participate in the electoral process by exercising his or her constitutional right," Clements stated in the proclamation.

The VOTE '90 effort runs throughout the year, culminating on November 6 when Texans elect a U. S. senator, governor, lieutenant governor and hundreds of other statewide and local officeholders.

To obtain a voter registration application, call your local voter registrar of the Secretary of State's office at 1-800-252-VOTE (8683).

The VOTE '90 campaign includes a series of public service announcements produced for radio, television and newspapers. The campaign's slogan is "VOTE '90. Every One Matters."

### Jones named to all region band

Amy Jones, fifteen year old daughter of Kaye and Keith Jones of Round Rock and granddaughter of Ruby and Bill Jones of Robert Lee, has added more honors to her credit this sophomore school year.

Amy recently made the All Region Band where more than 2000 students entered and only 200 were selected. Forty were chosen for the clarinet section and Amy sat chair thirteen.

The Band will perform at St. Louis, Missouri in April to enter contest there and while there, they will have several tours around the city.

This is Amy's second year to study German and she has been selected to attend the State Convention in Beaumont in March and to play a clarinet solo. She will be selecting a composition written by a German composer.

Amy is a straight A student in advanced classes. She also plays in the Baptist orchestra where she attends church.

### Roberts treated for dog bites

Jeffie Roberts of Robert Lee, a candidate for county judge, received painful dog bites while campaigning on the north side of Oak Creek Lake Monday evening about 6 pm. As Mrs. Roberts walked toward the front door, she was attacked twice by a large dog. Her husband, Bobby, accompanying her, witnessed the attack. The owner, who was present also, was most courteous and concerned.

The Robertses proceeded to an emergency room in San Angelo where she was treated for deep puncture wounds in her thigh. No stitches were required but she received a tetanus shot and antibiotics.

Sheriff Marshall Millican responded to the report from the emergency room, which is required by law. The dog was destroyed and the head has been sent to Austin for rabies tests.
