## County homecoming activities detailed

### Robert Lee

In addition to an exciting win of the Homecoming game against Roby last Friday night, the other activities proved to be a pleasure also.

The afternoon parade was colorful in beautiful weather. Float winners were: first place, the 6th grade; second place, the 2nd grade; and the Senior Citizens float was named 3rd.

Stephanie Poehls, daughter of Coach and Mrs. Ed Poehls, was named Homecoming Queen during the football game halftime. Named Homecoming King

was Ron McCown, son of Coach and Mrs. Sid McCown. Voted on two weeks ago, secret ballot, by the student body, the pair is traditionally revealed at halftime.

### Bronte

The Bronte Homecoming Parade was deemed one of the best ever. With somewhere around 40 entries, the parade was led by the Bronte Longhorn Band. A variety of floats, antique cars, sweethearts and queens were enjoyed by the large crowd who turned out for the festivities.

After the judging of entries was completed, the winners

entries were announced. Kyle Sanford was awarded the first place prize in the children's division and Jade Richards was awarded second place.

Winners in the float division were: first place - The Bronte Cub Scouts; second place - the Bronte Cheerleaders; and third place - the Class of 1945.

One of the largest crowds in recent memory gathered this weekend in Bronte for the 1990 Homecoming.

Ex-students and fans began the weekend at the Friday night football game where a

Crowned at half-time as Homecoming Queen was Angela Reyes, along with Football Sweetheart Darla Scott and Band Sweetheart Ree Baldwin. Winner of the drawing for the game ball was Jeana Garvin.

Saturday morning's beautiful weather brought out floats and spectators for one of the biggest parades ever presented. The parade included nearly 40 entries representing individual classes, former royalty, classic cars, the Ft. Concho Cavalry from San Angelo, and the Bronte Longhorn Marching Band. Traffic along Hwy. 277 was backed up for nearly one hour as the parade made its journey. Winners in the children's division included Kyle Sanford and Jade Richards. Float winners in-

cluded the Class of 1945 and the local Cub Scout troop.

The noon catered meal was served to over 350 guests, with other exes gathering in family homes for their meals. At 1 pm, fans were treated to a volleyball match-up between Bronte's state-ranked Lady Longhorns and Crane, with Bronte's varsity squad winning in two games.

**Letter to the Editor**

anyone who is either interested in taking over Girl Scouts or knows of someone who might be interested PLEASE call me, Debbie Nichols at 453-2346.

This is a hard thing for me to do, but I have to quit for I have exhausted all patience and money needed to keep it going on my own. I am sorry for the trouble this may cause some girls who were interested in working with me in Girl Scouting and thus trying to better themselves. I hope if no one takes over, that those girls and others find another outlet for the caring and learning necessary to grow into constructive individuals. There is 4-H, even if you are poor, and the Baptist church has a GA program (Girls in Action). Perhaps you might try these or just try the many school activities available; whatever you do, PLEASE, do something, don't just give up.

Even though I am quitting Girl Scouts, I have found another outlet, I am going to college. Hopefully, I can make that work for me.

Girls, thanks for the best two years of growing and companionship that I've had yet.

**UW board extends terms**

The Coke County Underground Water Conservation District Board of Directors met recently to manage the business affairs of the district. The board approved the minutes of the last meeting and approved the bills for payment. The Financial Statement was reviewed.

The Managers Report was emphasis on the following: (1) Prepared and presented testimony at a hearing in Midland opposing more state control of groundwater in Texas and emphasized the need to maintain private property rights in Texas as they are at the present time; (2) the oil pit near Sanco has been filled and the lease has been cleaned up; (3) water analysis was made on 15 samples; and (4) the Texas Water Plan, operation of the district and water quality work was discussed with 28 water well owners.

The board voted to take action to try to change the directors terms from 2 year to 4 year terms. This would cut the cost of holding directors elections in half.

An amendment was made to the 1990 budget to reflect a grant from the Texas Water Development Board to purchase water quality monitoring equipment.

The board designated the district manager as Records Management Officer and voted to retain the district records permanently.

Santa Rita Underground Water Conservation District of Reagan County was approved to be included in the Cooperative Agreement of the West Texas Association of Underground Water Conservation Districts. This makes 6 districts that are cooperating on groundwater problems in this area.

Plans were made to meet again on December 3, 1990.

## Bryan hosts Study Club

The '64 Study Club, Texas Federation of Women's Clubs (TFWC), Heart of Texas District, of Robert Lee met October 9 in the home of Wilson and Lucile Bryan. The program was presented by Ivan Brizulla, 16 year old exchange student from Argentina, who is attending Central High School in San Angelo. He expects to graduate there in May of 1991.

Club President Opal Jacoby and Irene Newell went after Ivan and gave him a brief tour of the town, the school, Lake Spence, and the Bryan's backyard and greenhouse. He was very impressed with the community and expressed his desire to visit Robert Lee more extensively since he enjoys small towns more than big cities.

Ivan's mother is a lawyer and business woman, and his father is a retired admiral from Argentina's Navy, now engaged in extensive business enterprises. Ivan's mother was an exchange student; so was Ivan's older sister; now Ivan is one, and he expects his youngest brother, who is eight years old, to become one, too.

Because of his keen awareness of his country's social, economic, and political affairs, Ivan gave club members interesting information concerning the culture in which he was reared. His comparison of home life with two families with whom he has lived in the US and the schools in both countries disclosed similar strengths and weaknesses though customs differ.

The generous amount of equipment in each classroom at Central surprised Ivan.

Whereas in his high school, there are no TV's, computers, or VCRs, all classrooms he uses now have them, with some having two TVs. His home school in a town near the size of San Angelo has several high schools but no large gyms or extensive libraries. The teachers do not give true-false or multiple-choice tests, but essay-type tests which require the entire period to complete. Ivan was surprised to find US students to be lacking in knowledge of geography, and world economic and political conditions.

Education in Argentina is free to all from grade one through college. Those expenses are paid by the government through taxes, as are all medical expenses in his country.

In spite of differences in the two educational systems, Ivan observed that many students of both cultures receive excellent educations, while some do not take their work seriously nor apply themselves and emerge into society unprepared for adult living.

Many questions were asked of the visitor which he answered with a good command of the English language and a delightful sense of humor. He seemed to feel at ease with his audience, though most of the women were grandmothers and great-grandmothers. He expressed a desire to meet more young people, and he has been invited back to Robert Lee to see ball games and OLE COKE COUNTY productions.

Co-hostesses for the evening were Coleta Fenley, Maybelle Stewart, and Fay Poe.

## Horns maintain spotless record of 6-0

The Longhorns kept their record a spotless 6-0 as they defeated the Roscoe Plowboys in this year's Homecoming game.

The Horns' offense scored their season high of 42 points and the defense held the Plowboys to only 6 points. This week's captains were Justin Phillips, Brandon Marshall, Bill Windham, and Tim Sims.

The Horns received the opening kickoff but they were unable to move the ball. Darrell Lucas punted to the Plowboys' 6 yard line. The defense, led by Jason Pierce, Windham, and Marshall, held them on their own 14 yard line to force the punt. The Longhorns had good field

position on the Roscoe 37 yard line. After making a first on 4th and 1 on the 28 yard line, they scored three plays later on a pass from Phillips to Lucas from the seven with 4:38 left in the first quarter. Lucas kicked the PAT. Marshall recovered a fumble on the kickoff to give Bronte the ball on the Roscoe 36 yard line. Two plays later, Windham scored on a 12 yard run with 4:16 remaining. Lucas kicked the PAT. The stubborn Horn defense held Roscoe to 4 downs and started on their own 48 yard line. The Horn offensive line was controlling the line of scrimmage when the Horns scored on their 6th play on Windham's 17 yard run. Lucas kicked the PAT. On this Plowboy possession, Billy Magness intercepted on the Horns' 34 yard line. Three plays later, the Horns had a 55 yard touchdown called back on a clipping penalty. Bronte lost the ball on a fumble on the next play. Two plays later, Marshall recovered a fumble on the Roscoe 23 yard line. Bronte had good field position again and on the third play, Windham scored on a 8 yard run. Lucas kicked the PAT. Six minutes and sixteen seconds remained in the half. Roscoe scored their touchdown with 4:29 remaining in the half. After an exchange of fumbles, Pierce recovered the ball on the Roscoe 39 yard line. Three plays later, Marshall scored on a 27 yard run with 1:31 left in the half. Lucas kicked the PAT. Windham recovered a fumble on the Roscoe 37 yard line. With 10 seconds left in the half, Phillips connected with Lucas for 21 yards to the 18 yard line to end the high scoring first half.

In the second half, the Horns had some new faces in different positions. Phillips ended the Plowboys' first possession with an interception on the Bronte 46 yard line. Two plays later, the Horns fumbled the ball to Roscoe. The tough defense

held them to a 4 & 4 on the Horns' 18 yard line when Jacob Golson recovered a fumble. Ten plays later, Bronte punted and Roscoe fumbled the punt with Pierce recovering it on the 6 yard line. Three plays later, Jamie Flores scored on a 1 yard run with 8:33 remaining in the game. Lucas kicked the PAT. Good game Longhorns.

This week's game is in Garden City at 7:30 pm. It will be the Longhorn's third district game. Make the trip to Garden City and support the Longhorns. **GO HORNS!!!**

# ROBERT LEE SCHOOL NEWS

## Steers win district opener over Roby

by Bill Burns

The Steers got off to a good start last Friday night as they won their first district game. Roby came to Robert Lee and went home with a loss on their record. It was about as close a game as football can get. It was a tie in first downs, Robert Lee was ahead in rushing yards by 4 yards, and Roby had 39 more yards passing.

As it turned out, the difference was that Robert Lee made two extra points, and Roby got one.

### Jr. High suffers loss to Roby

Robert Lee Junior High lost to an impressive Roby team Thursday, October 11 in Roby. Robert Lee took the opening drive seventy yards on eleven with most of the yardage being provided by Jonathan Torres and Lee McCown. The drive was capped by Jonathan Torres on a 2 yard plunge, and McCown added the 2 point conversion. Robert Lee's defense held and forced Roby to punt. Roby's defense stiffened to hold Robert Lee scoreless through out the rest of the game. Roby's offense then cranked up to score 34 unanswered points to defeat the Dogies by 34-8. Defensively for Robert Lee, Wayne Hayes had an interception and a fumble recovery. Also, Jeremy Fluhmann recovered 2 fumbles, and Jonathan Torres was noted for good defensive plays throughout the game.

The next game is slated October 18th, here, against Sterling City.

#### 1st Quarter

The Steers dominated the first quarter with some good blocking up front. The line opened some good holes and Lenny Jackson carried 4 times for 34 yards. John Williams had a good punt for 35 yards that put Roby back on their own 16 yard line. Roby made a first at their own 30 yard line as the quarter came to an end.

#### 2nd Quarter

Roby kept the ball for the first 8 minutes and 18 seconds of this quarter, so the Robert Lee offense did not get to work much in this quarter. Roby scored their only points of the night on a 5 yard run and extra point kick. Danny Jackson came up with an interception for the Steers but the half ended with Roby on top 7-0.

#### 3rd Quarter

The Steers probably had their best quarter of the game right here, but they just could not get on the score board with first downs and a penetration to the Roby 11 yard line everything was looking up for the Steers.

#### 4th Quarter

Roby held on downs at their own 15 yard line, but Jody Tavarez intercepted a pass and carried the ball to the Roby one yard line. Roby again held on downs and Roby took over on downs again. Roby made one first before they had to punt. Scot Millican received the punt at the 46 yard line and behind the excellent blocking of his teammates ran the 46 yards for the touchdown. Danny Jackson then hit Millican for 2 points. Robert Lee 8 - Roby 7 as the game came to an end.

### Lady Horns cap week with win

The Lady Longhorns capped a successful Homecoming week with a win over 4A Crane.

Led by Darla Scott's kills, the Horns dominated their way to a 15-2 win. Brandi Thomas served for 7 points.

In game 2, the Horns jumped out to a 5-0 lead. However, several Longhorn service receive errors evened the game up. Teresa Vaughn and Amie Parker had some timely blocks that helped the Horns to a narrow 15-13 win. Alisa Richards served 8 points.

The Horns, now 14-3 for the year, are currently ranked #2 in the Class A state polls. Plains is the only team ahead of them.

Although the JV played hard, the Cranes took the win 15-9; 13-15; 15-10. Good play by Vanessa Halstead, Kim Blair, and Amber Bairrington was noted.

The Horns will travel to Miles Saturday, October 20, for district matches beginning at 2 pm.

### Shorthorns run past Roscoe

The Shorthorns of Bronte Junior High remain undefeated after running past Roscoe 20-12 last Thursday evening.

Horns' Quarterback Brent Taylor had an outstanding game offensively as he scored three touchdowns on runs of 5 yards, 25 yards, and 4 yards. Taylor also connected on a 2 point conversion pass to Freddie Montez.

Lorenzo Fuentez did an outstanding job for the Shorthorns on the kick offs.

The defense was led by Taylor, Ramon Fuentez, Montez, Cory Robinson, and Nicholas Arrott.

The Shorthorns' record now stands at a spotless 4-0.

students."

The students were requested to nominate teachers who "made a difference in their lives" by helping to shape their values, inspiring interest in a particular subject and/or challenging them to strive for excellence. Many of the students commented about the enthusiasm and knowledge their teachers demonstrated in the classroom, and many praised their teachers for their ability to relate to youngsters on a personal as well as professional level. One student wrote about her teacher saying, "she made education something pleasurable, instead of a dreadful ordeal, by letting me spread my wings and showing me the best way to fly."

Local educators honored in WHO'S WHO AMONG AMERICA'S TEACHERS include Patricia Ann Ballew, Melba Rives Mauldin, and Dorothea Helen Wright, all of Robert Lee Independent School District.

**Teaching disabled youth**

[Editor's Note: The following article was submitted by Dianne Holland of Bronte. The informative copy by Armando Rios, Jr. appeared in the San Angelo Standard Times October 11, 1990.]

Learning disabilities can be detected in children as young as four, and the earlier it is detected the better, said a speaker at a session sponsored by the James Phillips Williams Foundation Wednesday night.

C. Wilson Anderson Jr., of the Center for Learning Disabilities at The Menninger Clinic of Topeka, spoke to about 300 teachers and parents at the Holiday Inn.

The session focused on helping learning disabled students with school work at home.

Communication between teachers and parents and working together are very important, Anderson said.

"We have to keep communications going between home and school" he said.

An estimated 24 million Americans are illiterate. Of

that, 50% are learning disabled, according to the National Institute on Health estimates, Anderson said.

These students are at high risk, he said. According to some studies, 30% of the population in Texas cannot be gainfully employed while in neighboring Louisiana, the school dropout rate is at 50%.

"The country cannot afford to let its children go uneducated," he said.

Some advice he gave to teachers was to give only homework that reinforces material already learned.

"Students should be held responsible for only what they are capable of doing," Anderson said.

Parents should find out whether a teacher will accept quick phone calls if there is a question on homework, he said.

Parents should also realize that school can be frustrating for learning-disabled students and they tend to take out their frustrations once they get home.

**Time to order seedlings**

by Bruce Deere

One aspect of West Texas weather that can always be counted on is the wind. Although it provides such benefits as cooling breezes and power for windmills, it can also cause a variety of problems for Coke County residents. Wind erosion strips bare fields of valuable topsoil and deposits it where it is neither needed nor wanted, such as fencelines or Mama's dining room table. Cold winter winds raise utility bills and are dangerous to unprotected livestock.

Windbreaks help reduce many of the problems associated with the wind. Field windbreaks significantly reduce soil erosion. Windbreaks around a homesite help reduce dust and protect the home from cold winds. Likewise, properly placed windbreaks protect livestock in confinement or in open pastures.

In an effort to assist landowners in this area, the Coke County Soil and Water District, in cooperation with the Texas Forest Service, are providing tree and shrub species for conservation planting. First-year seedlings of evergreens (6-12 in.) and bareroot hardwoods (10-18 in.) are available at a reasonable rate.

**Evergreens**

Evergreens are sold in multiples of 20 only. No order for less than 20 can be accepted. The following species come in a 28 cu. in. felt container and sell for \$30. per 20: Afghan Pine, Arizona Cypress, Ponderosa Pine, Austrian Pine, and Redcedar.

In addition, smaller Afghan pine and Arizona cypress seedlings are available in a 10 cu. in. "bullet" and sell for \$18. per 20.

**Hardwoods**

Hardwoods are sold in multiples of 25 only, and sell for \$12.50 per 25, and are available in the following species:

Catalpa, Cottonwood cuttings, Desert Willow, Green Ash, Honeylocust, Little Walnut, Osage Orange, Pecan, Red Oak, Russian Olive, Sandcherry, and Skunkbush Sumac.

Wildlife packets for quail and pheasant, deer, turkey, and squirrel are also available for landowners. Each packet contains 4 species and 25 seedlings of each species, totaling 100 seedlings for \$50.

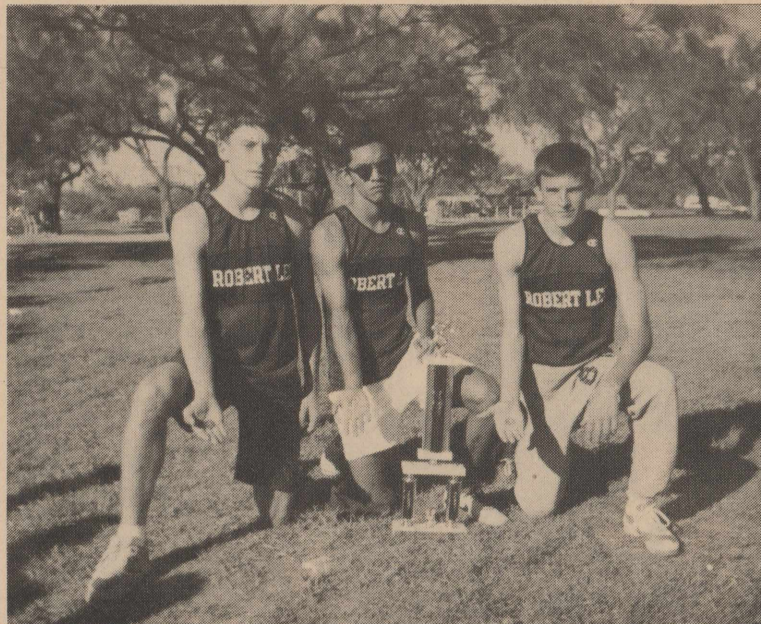

All prices include sales tax. Payment in advance is due at time of ordering. Statewide interest in the program is up and the quantity of available species is down this year. Many of the more popular species are sold out within a few weeks. Interested parties should place their orders as soon as possible.

Orders can be placed at the Coke County SWCD/Soil Conservation Service office at 11 East Sixth Street. The seedlings are scheduled to be delivered to the office on February 13, 1991. To help insure successful establishment, they should be collected and planted as soon as possible after delivery.

The district can also provide drip irrigation supplies at a reasonable price. Drip irrigation greatly increases the seedlings' chances of survival, particularly in the first two years. Drip is a highly efficient way to water and has many applications in areas with low availability or high cost of water. More information and prices are available at the SWCD/SCS office.

The word *ye*, in such expressions as "Ye Olde Shoppe," is pronounced like the word *the*. The letter *y* in Anglo-Saxon indicated the same *th* sound as apparent in the current spelling.

**Chat with overseas GI**

by Pauline C. Thyfault

On my arrival home from Ft. Collins, Colorado, on October 10th, I experienced a most pleasant and unusual surprise. Concerned and eager to learn about the safety and present status of a former student, now a Marine, Cpl. Cixto Saucedo, I called at once at the door of his parents, Raul and Cecellia Saucedo, where a big yellow ribbon greeted me. "Come in", his mother said in Spanish. "Cixto is on the phone right now and will talk to you from Saudi Arabia."

When it came my turn to talk, his voice sounded so clear and natural. I learned several interesting details about his life at S Jubail, five miles from the Persian Gulf and only 100 miles from Kuwait. He explained that his main duty was to drive a truck which carried men from one place to another. Then at other times he transported fuel to replenish planes at various places. He added that on occasions he had to be on alert in a fox hole enduring extreme heat, sleeping with gas masks and with his gun

always at his side. He also mentioned that liquor was prohibited but that often they were served fruit juices and a lot of water.

The unusual dress of the Arab men, with heads always wrapped in rags, impressed him. He also stated that only the eyes were exposed of the women and that when riding in cars, they were always seated in the rear.

He remarked that he received and really enjoyed letters from his family in Robert Lee and from his wife and baby at Yuma, Arizona, where he was stationed for four years. Also, he mentioned that one of his friends working for Clendennen Inc. at Silver was so good to send him regularly four ounces of Kool Ade, which is all that is allowed at one time.

This unexpected chat with a very fine young man, whom I love and respect, made my return home more interesting and enjoyable.

The following is his address: Cpl. Cixto Saucedo 450 191425, MW SS 374 MTO, APO San Francisco, CA 96608 6052.

Pictured are Band Sweetheart Ree Baldwin and her escort, Band Beau Brian Arrott. Also pictured is the Crown Bearer Arron Peel and the Flower Girl Natasha Reed.

Pictured are Football Sweetheart Darla Scott and escort, Brandon Marshall. Crown bearer Anthony Gibbs and Flower Girl Tessie McMullen were the attendants.
