Bronte landmark chosen for magazine cover

A Bronte landmark received statewide attention this month. The historic "Texas Theatre" was chosen to be featured on the cover of the November issue of Texas Monthly magazine.

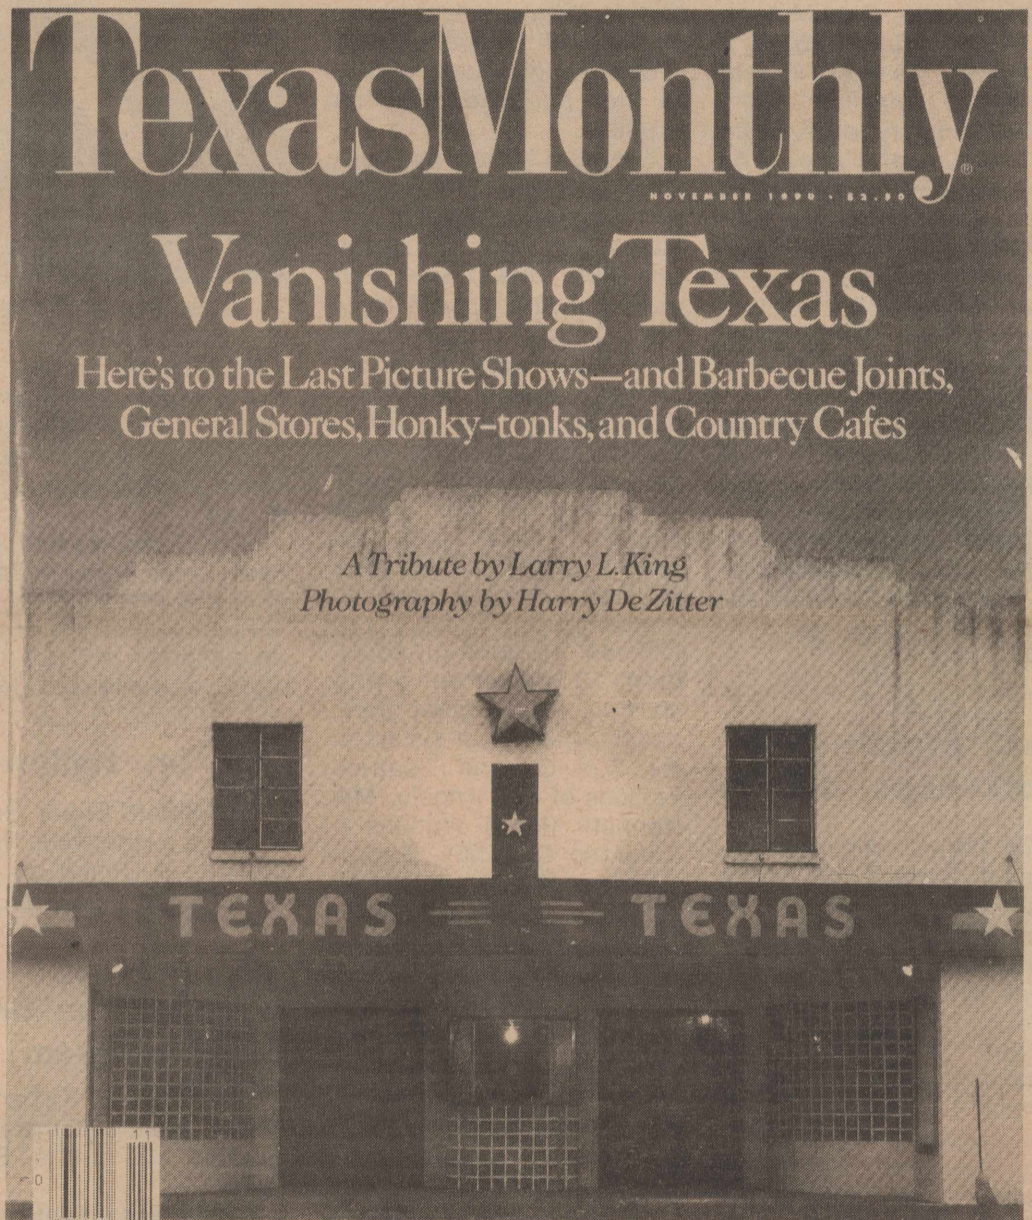

The photographer, Harry DeZitter of London, England, arrived in Bronte during August for the shooting session. The local theatre was chosen from a field of many other theatres, and Mr. DeZitter and staff worked for several hours both at sunset and again at sunrise to get a variety of pictures.

Local residents were contacted by DeZitter last week with the surprising news that the magazine's editorial staff had selected the Bronte pho-

to for the cover as well as the inside story, "Vanishing Texas."

Currently owned by Luis Charles, the building was designed and built in the late 1940s by the Wojtek brothers, who operated theatres in Bronte and Robert Lee for many years. Most local residents have special memories of Saturday afternoon matinees and weekend dates at the picture show.

Four of the photos from the magazine were also chosen for a limited edition poster series, which includes the local theatre. Copies of the poster and issues of Texas Monthly are available at Cumbie and Arrott Mercantile for a limited time.

The old Texas Theatre in Bronte was chosen for the cover of the November issue of Texas Monthly magazine.

Frost is on the "punkin"

The frost was heavy on the punkin Monday morning. Low temperature of 30° or 31° plus the 3/4 inch rain Saturday night and clear skies combined for perfect frost conditions. Most foliage doesn't appear burned, however, several county ag agents are warning area producers against prussic acid poisoning in livestock. Cattle are more susceptible to danger than sheep and goats.

Good rains have enabled most stockfarmers to produce record amounts of sorghum-type crops. Johnson grass has also been prolific, so caution in grazing these crops and grasses need to be taken with the current light frosts before a real killing frost cures them.

Prussic acid is a gas and

cutting and/or baling should eliminate the danger. Even shutting the gate on fields might be advisable since plenty of pasture-grazing exists.

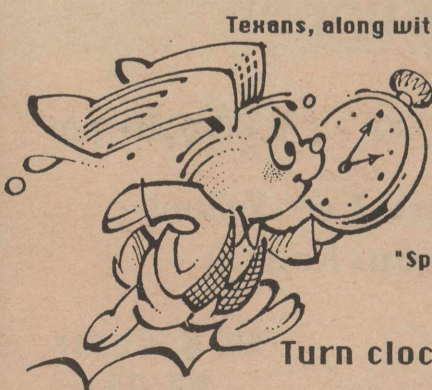

The poisoning agent does not accumulate in every field, in fact, may not locally on account of lack of stress in plants due to adequate rainfall, but producers lose stock every year to prussic acid.

Time Change

Texans, along with the rest of the nation, will regain that lost hour on Sunday, October 28, at 2 am when Daylight Savings gives way to Central Standard Time. Remember the formula "Spring forward - Fall back."

Turn clocks back 1 hour.

Spring forward, fall back...

Fall Festival programs slated Saturday

Bronte

The annual Fall Festival will be held Saturday, Oct. 27, at the Bronte School.

This event is held each year as a fund raiser for the booster clubs and classes. The carnival will begin at 6 pm and end at 9 pm.

This year's event promises to be as fun as ever. Activities for the evening include a Cake Walk, Basketball and Football Throw, Jelly Bean Guess, Fish Pond, Dart Throw, Ping Pong Toss, Ring Toss, Tic Tac Toe Bingo, Balloons, Sand Sift, Duck Float, Grab Bags, Putt Putt Golf, Balloon Launch, Fortune Telling, Sponge Toss and a Shooting Range. A Magic Show can be seen at 6:30

and 8:30 along with a Theatre Play at 7:30.

Beginning at 5 pm, a Mexican dinner or hot dogs and chips will be served until 7 pm.

While you're enjoying the activities during the evening and you find yourself wanting something to munch on, visit the food booths where you can find pop corn balls, cakes, ice cream, candied apples and suckers.

Everyone is invited to come out and enjoy a night of fun at the Fall Festival.

Robert Lee

The annual Robert Lee School Fall Festival, sponsored by the student council, will be held on Saturday night, October 27, in the old

gymnasium. Booths will open at 5:30 pm. Class participation will include the following booths.

Grade 12 - Ring Toss
Grade 11 - Cake Walk
Grade 10 - Fishing Booth
Grade 9 - Football Throw
Grade 8 - Bar-b-cue Dinner for a Family
Grade 7 - Cap-A-Prize
Grade 6 - Candyland
Grade 5 - Concession Stand
Grade 4 - Spin-A-Prize and Golf Putt-Putt
Grade 3 - Treasure Hunt

Grade 2 - Musical Prize and Dice Throw
Grade 1 - Fabric Quilt

Kindergarten - Musical Chairs & Cake Donation

Obituaries

Millican

Funeral services were held for Mrs. Gladys Opal Millican Thursday, October 25, at 2 pm at Pecan Baptist Church, followed by burial in the Paint Creek Cemetery, directed by Shaffer Funeral Home. The Rev. Jimmy Rogers officiated the rites. Grandsons and nephews served as pallbearers for the services.

Mrs. Millican, 82, of Robert Lee, died in West Coke County Nursing Home Tuesday evening at 9:25.

She was born September 23, 1908 in Marlow, Oklahoma and moved to Bronte at age 16. She was married to Chris Millican in Shep, Texas December 15, 1927. The couple made their home in the Edith community west of Robert Lee.

Tax practitioner workshops slated

The Texas Agricultural Extension Service will once again cooperate with the Internal Revenue Service to offer the Tax Practitioner Workshops across the state from October through December of 1990.

The workshops will include: General & Advanced Partnership, Corporate, Estate Planning, Trusts and Estates, and Agricultural Tax Problems.

There are several of these workshops to be presented in our area. For brochures of times, dates and costs, contact the County Extension office in the county courthouse at 453-2461.

Hinnard is naval school graduate

John Hinnard was one of 42 recent graduates of a 13-week Nuclear Field "A" School in Orlando, Florida. He is now classified as a Machinist Mate 3rd Class Petty Officer. He has begun a 24-week Navy Nuclear Power School, also in Orlando.

A Robert Lee High School graduate, he attended ASU before joining the United States Navy in May 1989.

John is the son of Thelma Jo Hinnard of Robert Lee and Gene Hinnard of Alaska and the grandson of Mr. and Mrs. Wilson Bryan and Mrs. Pauline Thompson, all of Robert Lee.

Mrs. Millican was a homemaker and was active in Sunday School and the music ministry. She was a member of Pecan Baptist Church.

She was preceded in death by her husband and four brothers.

Survivors include two sons, Elton Millican, San Angelo and Nathaniel "Buddy" Millican of Denton; two daughters, Mrs. Pete (Olean) Poor of San Angelo and Mrs. Al (Lillian) Posey of Justin; three brothers, Ross Watkins, Denison, Robert Watkins of Brownwood, and Lucian Watkins of Sheppard; three sisters, Mrs. L. C. (Irene) Trowbridge of San Angelo, Mrs. W. R. (Inez) Martin, San Angelo, and Mrs. Finis (Sue) Millican, Robert Lee; 12 grandchildren; 5 step-grandchildren; 16 great-grandchildren; 10 step-great-grandchildren; 1 great-great-granddaughter; and four sisters-in-law, Mrs. Garland (Beatrice) Watkins of San Angelo, Mrs. Kenneth (Ione) Watkins of Colorado City, Mrs. Bogard (Laverne) Watkins of San Angelo, and Mrs. Edgar (Ruby) Watkins of Big Spring.

Lee presents Sorosis program

The Sorosis Study Club in Bronte met in the home of Virginia Boecking last Thursday evening, October 18, for a regular monthly meeting.

President Peggy Hembree called the meeting to order. The club collect was voiced, followed by the pledge to the flags. Treasurer Betty Lee reported on finances and the recently held club garage sale. Other committee chairmen gave reports and letters of communication were read by the president.

The program for the evening, "Candidates for Texas Governorship," was presented by Betty Lee giving background on the life of Ann Richards, Democratic candidate. Norma Gentry reviewed the background of Republican candidate, Clayton Williams. A lively discussion followed with club members participating.

A dessert plate was served by the hostess to five guests, Edith Hipp, Frances Kemp, Helen Kirkland, Margaret Martin, Mildred Thompson, and club members Gentry, Mary Frances Glenn, Mary Glenn, Ann Hamilton, Hembree, Lee, and Pat Oglesby.

Pancake Supper

All those 4-H'ers who signed up to help work at the pancake supper need to call the Extension Office or come to the supper and we will let you know when you can work. If you did not sign up, but would like to help, please call our office or come to the supper. We need your help. 453-2461.

Miss Rodeo Texas to appear at BNH

Miss Rodeo Texas

Miss Rodeo Texas, Lana Rene Grubb, will greet and visit with the residents and staff of the Bronte Nursing Home on November 2, 1990 at 3 pm.

Miss Grubb was crowned Miss Rodeo Texas in San Antonio this past June.

The community is invited to an autograph and picture taking session with Miss Grubbs.

Br. Sr. Halloween

The Bronte Super Seniors will have a Halloween Party at the Senior Center on Tues-

Yanez has Br. EH program

The Bronte Extension Homemakers Club met Friday, October 19, at the Senior Center.

A business meeting was held and a thank you note from Ruth Stiles was read.

Jan Yanez, Coke County Extension Agent, presented the program on decorating bars of soap.

Members present were Beulah Corl, Virginia Boatright, Lela Parker, and Jan Yanez.

Visitors attending were Laura Bell Brown and Ruth Hageman.

The next club meeting will be November 16 at the Bronte Senior Center.

TEXAS THEATRE POSTERS
Available for a limited time.
Great Christmas Gift!!
Cumbie & Arrott Mercantile
119 W. Main
Bronte

Upcoming

day, October 29, at 7 pm.

Everyone come in costume and bring party foods.

Dominoes, 42, and 88 will be played.

This event is funded in part by the Area Agency on Aging, Concho Valley Council of Governments from a grant received from the Texas Department of Aging.

Absentee Voting

Absentee balloting is in progress for those voters eligible to vote in the Tuesday, November 6 general election, and will continue through 5 pm Friday, November 2. Votes may be cast at the county clerk's office during business hours.

4-H Food Show

The 4-H Food Show will be held on November 10th. Any 4-H'er who has not yet signed up, but would like to, needs to call the Extension Office no later than November 2nd at 453-2461.

Bronte Halloween

Downtown Bronte will be a "Haunting" experience Wednesday afternoon, October 31. Local merchants will have their businesses decorated and will be in costume.

All local children are invited to come downtown anytime after 1:30 to visit the special "Halloween Stations".

Turkey Shoot

The Red Canyon Gun Club will host its annual Turkey Shoot on Saturday, October 27 from 10 am until 4 pm. It will be conducted at the gun range just east of Robert Lee. Any sight may be used on a 22 rimfire-only rifle of 7 1/2 lb. maximum weight. You do not

have to be a member of the club to shoot; the public is invited. A charge of \$2 per relay will be made. Several divisions will be shot, including one for 70 and older.

Commodities

Food Commodities will be distributed Thursday, November 1, at the Bronte and Robert Lee Senior Citizens Buildings from 8 am - 12 noon. All commodities are distributed on a first come - first serve basis.

Melody Makers

The Melody Makers, a senior adult choir from Immanuel Baptist Church, San Angelo, will be at Robert Lee Baptist Church Sunday night to present a concert. The group will sing gospel favorites. The public is invited to attend at 7 pm, October 28.

Hunter Barbecue

West Coke County Community Development will sponsor the second annual Hunters Appreciation BBQ on Friday evening, November 2. It will be held in the Rec Hall at the county park, 6-9 pm, at no cost to the hunters. They must have tickets, however, and may acquire them from either the party from whom they lease or from participating businesses or individuals who have made a donation. A supper of BBQ and all the trimmings, including dessert will be served to welcome West Coke County hunters for the season.

West Coke County Community Development asks members and community-minded residents to help with desserts by baking one or more cobblers for the dinner, or volunteering in other ways.

Stephens honored at DHPT ceremonies

John E. Stephens of Robert Lee and Roadway Maintenance Supervisor in Coke County, was the recipient of the "Twelve Months of Color" award at ceremonies held in Houston last Friday.

This award is part of the State Department of Highways and Public Transportation Highway Beautification Awards. The program is a continuation of an awards program started by Lady Bird Johnson in 1970. The "Twelve Months of Color" award was added five years ago to honor the maintenance section that enhanced the fall foliage colors along the roadside. This is the second time that West Texas has won the award to point up the fact that even in the arid regions beauty can still be cultivated.

Stephens will be the first to point out that he did not do this alone, it took the cooperation of his employees to accomplish this. As supervisor, Stephens must provide the leadership and guidance to the employees. Special care and planning of mowing, both with regular mowers and chemicals, is required to preserve the flowers that will bloom in the late summer and fall. He also must plant and cultivate special flowers and bluebonnets. Bluebonnets are a separate category as they grow differently from other species.

Coke County soil varies from farmland to red clay to rocky hills. In order to prevent erosion within the right of way there are many places that top soil must be transported in and vegetation planted. Stephens uses flowers, grasses, and pecan trees to aid in the prevention of erosion. "Pecan is the State Tree, so I feel we should use them in our landscaping," said the winner.

"It was a pleasure for me to go to Houston with our District Engineer, Walter McCullough, P. E. I went there to cheer the other winners because I had won the Lady Bird Award in 1980. It was quite a shock to hear my name called for this award. It is a great honor for me and my crew out here, but you have to also recognize that the rains from Heaven above made it all possible," said Stephens. He continued, "We would like to do more in the right of way, but our Number 1 obligation is to maintain the surface for the traveling public."

John Stephens has been a state highway department employee for 31 1/2 years. He moved his family to Robert Lee August 19, 1974.

"I also want to thank Charlene Carr and Francis Strother of the District Office who took the pictures and prepared the submission for the competition," Stephens said.

Robert C. and Elyse Lanier, of Houston, hosted the ceremonies at their home. Mr. Lanier is a former Highway Commission Chairman who continued the program this year after Lady Bird Johnson retired her sponsorship after almost two decades.

John Stephens

BHS Class of '45 reunion

The 1945 graduates of Bronte High School had their 45th reunion anniversary during the BHS Homecoming. Over 70% of the graduates attended.

Much effort was made to get a high attendance with Mary McGuire heading the invitation committee. There were 26 graduates in the Class of '45, and 18 of those were present. One class member, Mary Lou Pittman Pruitt, is deceased. Joining the group were 8 former class members.

After the general meeting in the auditorium of the school, the group met in the home of Paul and Mary McQueen McGuire for additional refreshments and reminiscing. Hervey Latham, class president, held the bi-annual business meeting and plans for our 50th reunion in 1995 were discussed.

Our first grade had a large enrollment and our class was divided with half being taught by Miss Nell Lowry and the other half was taught by Miss Lillian Kiker (Mrs. Carroll Robbins). She was present as well as Miss Vera (Mrs. Vera Thomas Raney), our second grade teacher. Other teachers present were Mrs. Gladys Maye Sims, Mrs. Lucile Dean Bryan, and Mr. and Mrs. J. T. Henry. Our only surviving room mother, Mrs. Ella Pruitt, was also present.

Graduates attending were Mary Alexander Webster, Ozona; Joyce Ash Beard, San Antonio; Mary Cresap Payne, Abilene; Douglas Ditmore, Robert Lee; Bobby Gentry, Odessa; Bob Good, Old

Ocean; Lavada Keesee Boise, Sunrise Beach; Vida Mae Hall Bagby, Austin; Billie Dan and Maxine Pruitt Labenske, Houston; Hervey Latham, San Angelo; Jean Liles Wojtek, San Angelo; Billy Ray Miller, Pearland; Mary Murtishaw Sharp, Carlsbad; Wayne Rogers, Waco; Mary Louise Sandusky Snyder, Dumas; Mary McQueen McGuire, Bronte; and the only out-of-stater, Joel Webb, Roswell, New Mexico.

Former classmates attending were Brady Mills, San Angelo; Malcolm Braswell, Denver City; Cordia Bea Hudman Staats, Cedar Hill; Loy Wrinkle, Bronte; Bobbie Jean Hamner, Brenham; Elna Sims White, Sulphur Springs; Edith Eldridge Lowe, San Angelo; and Maxine Robbins Adams, San Angelo.

Twenty spouses of the class members also were in attendance, and they graciously smiled and at least pretended to have a good time while all the "huggin" and "visitin" took place.

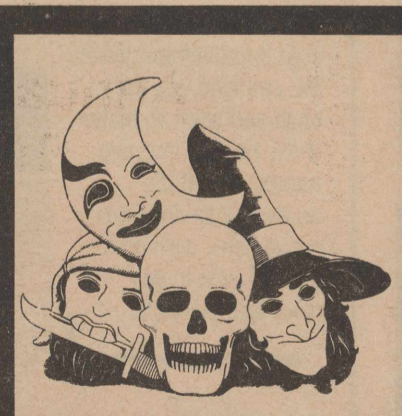

Letter to the Editor

Dear Editor:

I recommend that my fellow taxpayers of whatever political stripe they may be vote against every Congressional incumbent possible in the next election.

If he/she is running unopposed, I suggest we write in "Mickey Mouse."

ROBERT LEE SCHOOL NEWS

Defense leads Steers to tie with Eagles

by Bill Burns

The Steers tied the Sterling City Eagles last Friday night in a District 9-A contest. The defense, led by Brent Gibbs, Jeff Wilkes, and Chris Marquez, answered the call once again and stopped the Eagles in the critical situations.

1st Quarter

Sterling City received at the 21 yard line and returned the ball out to their own 30 yard line. Sterling City made two first downs. A Steer penalty then gave Sterling City another 1st down. Sterling City made another 1st at the Steer 17 yard line, but on the next play Danny Jackson intercepted for the Steers. The Steers could not get a 1st and John Williams booted one for 55 yards to get Sterling City

back on their own end of the field. Sterling City got one 1st down then broke loose on a 54 yard run for their only touchdown of the night. The Steers received the kick and made one 1st down as the quarter came to an end.

2nd Quarter

Sterling City stopped the Steers again and the Steers were forced to punt. The defense then forced a Sterling

Jr. High takes win over Sterling City

The Robert Lee Junior High got back on track with a 6-0 win over Sterling City here last Thursday night. The first half was a defensive battle, in which neither team scored. Drives by both teams stalled as a result of good defensive play. The second half showed much of the same aggressive-type defense. Offensively, we had poor field position the majority of the game. We drove the ball consistently but were unable to go the 75-80 yards needed for a score until the final drive. With time running out and 70 yards away, the Dogies put together the winning drive. McCown, Torres and Wagley accounted for most of the yardage with Lee McCown getting 30 yards on a 3rd down to keep the drive alive. The drive was completed with only seconds left with a pass from Aaron Hood to Jason Key. Defensively, Jeremy Burns recovered 2 fumbles and Bart Goodman recovered another. Our next game is at Roscoe at 6 pm on October 25.

City fumble and Marquez came up with the ball at the Sterling City 29 yard line. Scot Millican then broke loose on a 29 yard touchdown run and Randy Watkins then kicked the extra point to tie the score at 7-7. Sterling City received the kick and returned to their own 34 yard line. The Eagles got a 1st at their own 45 yard line. Will Renfroe then intercepted for the Steers at the Sterling City 48 yard line. The Steers had to punt again but Jeff Wilkes came up with a fumble recovery for the Steers at the Sterling City 23. The Steer offense could not get a 1st down and turned the ball over to Sterling City on downs. The defense held Sterling City to no first downs and Sterling City punted as the first half came to an end.

2nd Half

The second half was a defensive battle with Sterling City deep in the Steer Territory most of the time. The defense played tough to keep Sterling City out of the endzone. Robert Rodriguez intercepted a Sterling City pass and Williams got off another punt good for 40 yards. Good Game, Steers!!

5th grade youth's poems published

The following poems are from Mrs. Susie Wilson's 5th grade class, written by Bree Bolding.

ROSES

Look at the dew
hear it drop smell
the sweet fragrance
Pick it up
Look at the color
Watch it fade
Life is beautiful
in different ways.

RAINBOWS

Rainbows, Rainbows
way up in the
sky way up there
where the birds fly
from down on the ground
you look so high
Rainbows, Rainbows
way up in the sky.

Homecoming Queen and King were crowned during Homecoming festivities in Robert Lee. Crowned Homecoming Queen was Stephanie Pehls. Homecoming King was Ron McCown. Stephanie is the daughter of Mr. and Mrs. Edward Pehls. Ron is the son of Mr. and Mrs. Sid McCown.

Honored at halftime during Robert Lee's Homecoming game were Mr. and Miss RLHS. Miss RLHS is Sheree Burns and Mr. RLHS is Lenny Jackson. Sheree is the daughter of Mr. and Mrs. Bill Burns and Mrs. Ara Harris. Lenny is the son of Mr. and Mrs. Lane Jackson.

Special Ed review set for Nov. 5th

The annual Special Population Program Overview will be held in the school cafeteria Monday, November 5, 1990, at 7 pm according to Robert Lee ISD Superintendent Jerry Gibbs. An overview of all special population programs such as Chapter One, English as a Second Language (ESL), Special Education and Gifted/Talented will be presented at that time. Parents of students involved in these programs are invited and encouraged to attend. Dissemination of information and input from parents will be the major emphasis of the program.

BRONTE SCHOOL NEWS

Horns lose "barely" to state-ranked GC

The Longhorns traveled to Garden City for this week's game, with the Bearcats who are rated 8th in Class A in the State. The Horns played a super hard hitting game with the difference being extra points. Way to go guys! You made someone eat his words in the Odessa paper. Enough said!

The captains this week were Bill Windham, Justin Phillips, Tim Sims, and Brandon Marshall. Keep up the good work offensive unit. You have helped Marshall with his 7th consecutive game of a 100+ yards.

The Horns received the

opening kick off to start their first series into a strong wind. After one first down, the Horns' Darrell Lucas punted to the Garden City 35 yard line. Two plays later, Garden City scored on a 62 yard screen pass with 8:16 left in the first quarter. After a Longhorn punt, Jason Pierce recovered a fumble on the Bronte 36 yard line with 4:35 left in the first. During this drive, Quarterback Phillips connected with Windham on a 22 yard pass play on one of the eight plays it took to get to the Garden City 19 yard line before they lost their first fumble. The tough defense, led by Sean Conway, held Garden City to four downs and a punt.

Bronte had the ball on their 26 yard line to start the second quarter. Four plays later and the wind at their backs, Lucas almost had his punt blocked but scrambled and punted to the Bronte 48 yard line. On Garden City's second play, Conway recovered the fumble on Garden City's 48 yard line. With the running of Marshall and Windham, and a 20 yard pass to Jason Cooper, Quarterback Phillips scored on an 8 yard run with 6:48 remaining in the half. The Horns kicked to Garden City and held them on a 4 & 7 on the Bronte 31 yard line. Rudy Sanchez and Windham were having a good defensive series. The Longhorns moved the ball on the ground in seven plays when Phillips dove into the endzone with 1:55 left in the half. The PAT was blocked. Phillips and Windham had an interception each to end the half. The Longhorns led 13-7.

The Horns received the second half kick off because Garden City picked the wind instead of the ball. Eleven plays into the drive, the Horns fumbled to Garden City on the Bronte 45 yard line after being penalized for offensive face mask on the play before. Gar-

den City scored on this series and made the PAT with 3:52 left in the third.

The Horns started on their own 20 yard line when Marshall broke for a 43 yard gain. Nine plays later, Windham scored on a 6 yard run. The Horns went for a 2 point PAT, but the pass was incomplete. Bronte led 19-14 with 10:50 remaining in the game. Garden City took the kick off and eight plays later led the Horns. Their PAT for 2 points failed and Bronte trailed 19-20 with 8:12 remaining in the game. The Horns were unable to score again and Garden City got a safety with :20 left in the game.

This week the Longhorns are open. Their next game is against Rotan on November 2nd here at 7:30 pm. Support the Longhorns. **G O HORNS!!!**

Horn band receives first Div I ranking since 1977

The Bronte Longhorn Band and their Director Homer Stewart were awarded a Division I Rating Saturday, at the University Interscholastic League Marching Contest in Abilene.

There were seven bands marching in the Class A Division with three I ratings being awarded, one II rating, two IIIs and one IV. A panel of three judges rated each band on their appearance, marching and playing as they performed their programs.

As the Longhorn Band entered onto the field, led by Drum Majors Julie Blair and Melissa Bivins, pride began swelling within the spectators who were there to support their favorite band.

Even though the band faced marching against strong cold winds, which make it hard to hold onto instruments and blowing hats off, they continued marching with the determination only a "Superior" rated band could do.

The excitement and joy was overwhelming as it was an-

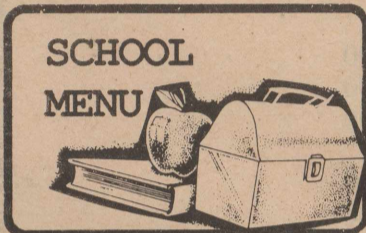

nounced that the Longhorn Band had been rated "Number One". To make this all the more special, this is the first Division I Rating the band has received in marching since 1977.

Congratulations Homer Stewart and the Bronte Longhorn Marching Band, it is with great pride that we call you "The Pride of Coke County!"

Class of '85 has five year reunion

The Bronte High School Class of '85 had their 5 year class reunion at the home of Kendall and Shellie Gibbs.

Those attending the event were: Connie (Badgett) Tounget, Doug Tounget, Missy (Ensor) Corley, Kim (Hartman) Braswell, Blane Braswell, John Cervenka, Troy Lee, Shellie (Lee) Gibbs, Robbie Cooper, Donnie Ensor, Stefani (Brooks) Ball, Becky Morrow, Todd Lee, Paul Knight, Ericka Clendenen, Tommy Shields, and Kendall Gibbs.

Casey family reunited in Robert Lee

Fifty-eight family members and two guests met at the Rec Hall in Robert Lee for the 14th Annual Casey Family Reunion. There was a time of visiting and catching up on family news from 2 to 4:30 pm at which time Bill Casey auctioned off the handmade items donated by family members. The proceeds of \$268.25 were donated to the Valley View Cemetery Fund and the fund generated will remain in the memories of those present for years to come.

Immediately after the auction, Kacy Ward was present-

ed with a cake to celebrate her first birthday. She entertained the crowd by reaching and getting a bite of the icing then dancing as they sang "Happy Birthday" to her.

Cameras were brought out and family pictures were taken. It is a tradition to take the family of each of Jeremiah and Martha's children in a group as well as all the first generation "first cousins." This year there were 14 of those cousins attending.

The evening meal was set out and everyone enjoyed sharing the favorite dishes that had been prepared for the pot luck supper.

Nelson Coulter, President, presided over the business meeting following the meal. He opened by welcoming everyone. McKenzie Coulter drew Troy Casey's name from all the registered guests and he was presented with a T-shirt with the Casey Family Tree on it as a door prize. Other awards given were: Otis Smith, (84), oldest present; Irma Casey - most family present with the count of 21; Bill and Lib Rosenbaum - traveled the furthest.

The same slate of officers were elected for the 1991 reunion - Nelson Coulter - President, Bill Casey - Vice President, and Barbara Davis - Secretary/Treasurer.

A committee for the Valley View Cemetery was appointed. They are Leroy Casey, Barbara Davis, Phebe Hefferman, and Billy D. Sparks.

Each family group reported the events of the past year. The last of the children, Martin Casey, passed away this year as did one of the first cousins, Turney Casey. Three new Casey descendants were reported and one expected anytime. There were messages from some of those unable to attend expressing their disappointment and promises of being in attendance next year, circumstances allowing.

There were T-Shirts available for purchase with the family tree screen printed on them. There were a few left and if anyone is interested, please contact Barbara Davis at 453-2450.

Family attended from Sterling City, Robert Lee, Joshua, Midland, Stanton, Abilene, Goodrich, Bronte, McCamey, Eustace, Kingsland, San Angelo, and Jayton, Texas and Clinton, Oklahoma.

Hunters to donate venison to needy

Texas white-tailed deer hunters will have a way to donate unwanted venison to help feed the needy when deer seasons open this fall.

"Hunters for the Hungry" is a new program supported by the End Hunger Network, the Texas Parks and Wildlife Department, the Texas Department of Agriculture, the Texas Department of Health and others.

Legally tagged deer carcasses can be delivered to a participating processor who grinds the meat into two-pound packages to be distributed by local area food banks. The hunter is asked only to pay a \$15 processing fee that the program has pre-arranged with processors. Officials said they hope corporate sponsors will cover this expense in the future. They said the cost of deer processing averages about \$35.

Texas hunters wishing to participate in the program should check with local processing plants. If a participating plant cannot be located, contact the End Hunger Network, 1770 St. James Place, Houston, Texas 77056 or call (713) 963-0009.

Mr. and Mrs. Jerry Bower of Robert Lee are proud to announce the engagement of their daughter, Lisa Kaye Bower, to Jason Lee Herring, son of Jerry Herring of Robert Lee, and Marie Stohl of Seattle, Washington. The couple will exchange wedding vows December 15 at 7 pm in the Robert Lee Baptist Church. Graduates of Robert Lee High School, the engaged couple attends Angelo State University.

Council hears EMS woes

The Robert Lee City Council met Thursday, October 11, 1990 with Mayor Jackie Walker and Council-members Keith Eubanks, Richard Johnson, and Ruth Luna present. Also present were Edna Havins, James Royall, and visitors, Judy Williams and Henrietta Baker.

The meeting was called to order by the Mayor, and the minutes read and approved as read. The current bills were approved for payment. Bids were opened on the 1962 truck, and the bid awarded to B. W. Roe, \$263.00.

Ruth Luna presented a new list of lots to be mowed. The list was approved and letters are to be sent to the owners.

Judy Williams presented the problems facing the Ambulance Service, who will complete the study and let the council know the outcome.

Mayor Walker reported on the Concho Valley Council of Government Grant Scoring October 10 in San Angelo. Robert Lee and Bronte tied for the first place. The scoring now goes to Austin, and the results of grant applications should be known by the first of the year.

The Council approved Jackie Walker and Judy Williams attendance to the Emergency Management Seminar at the Department of Public Safety in Austin October 16 through 18.

Select Shot results told

The Bronte Lions Club sponsored a 2 Person, 27 Hole, Select Shot Golf Tournament Saturday, October 13, with 36 players entered, making up 18 teams with 2 flights.

First place in the first flight saw the team of Caudle and Caudle in a tie with the team of Herman and Alexander with a score of 95. After a card play-off on hole #4, Caudle and Caudle came away the winners with Herman and Alexander taking second. Coming in third with a 101 was Shields and Shields.

In the second flight, Keel and Riley finished in first with a 105. They were followed by Wiggins and Doan in second with a 106, and Gonzales and Garza in third with a 107.

The November meeting will remain on the 2nd Monday even though it falls on a holiday.

Discussion followed on whether or not to make restrictions on receiving the water minimum exemption to firemen. The council decided to send a letter to the firemen and get their input before making a final decision. Following state requirements on attendance of drills and fires has been recommended by the fire department.

The meeting was adjourned.

LOOK WHO'S NEW! Caleb B. Millican

Joey and Angela Millican of Robert Lee became first-time parents October 3 with the arrival of Caleb Bailey. He was born at Angelo Community with statistics of 9 lbs., 7 oz and was 20 1/2 inches long.

Delighted grandparents are Barbara Renfro of Robert Lee, Joe Renfro of Junction, and Bunyon and Eva Jo Millican of Silver. Mr. and Mrs. James Phillips of Bronte are the new baby's great-grandparents.

Emily Kay Hoover

Emily Kay Hoover made her debut October 12, 1990 at 5:55 pm in the Methodist Hospital, Floyd Curl Drive, San Antonio, Texas. Her vital statistics were 10 lbs., 6 oz. and 23 inches in length.

This young miss has one brother, three year old Jarrod, who is watching each day to see if her teeth grow. Her parents are David and Pamela Kay (Millican) Hoover of Kendalia, Texas.

Little Emily is blessed with a large loving family. Her paternal grandparents, Gilbert and Dorothy Hoover, live in Belleville, Pennsylvania; Greatgrandpap Guy Hoover and Great Grandmother Ethel Forgy both live in Mt. Union, Pennsylvania. In Texas, maternal grandparents, Add and Barbara Davis of Robert Lee and N. E. Millican of Denton; Great-grandmothers Irma Casey and Gladys Millican, Great-great-grandmother Pearl Ditmore, all of Robert Lee. Also, welcoming the new niece are numerous uncles and aunts in Texas and Pennsylvania.

**The only thing
a kid
should be getting
in school
is smarter.**

Unfortunately, what too many of them are getting instead is drugs. With your help, it doesn't have to be this way.

There is a program called "Schools Without Drugs: The Challenge" that can help you deal with the drug problem in your community or school.

Find out about it. The smarter you are about what works against drugs, the better chance our kids will understand how dumb it is to take them.

If you don't want ghosts and goblins playing tricks on your children on Halloween, take a closer look at those costumes. Halloween outfits can be a little scary if they are not safe to wear when trick or treating. Check costumes to avoid possible accidents.

Fire safety experts say to avoid costumes made of inexpensive material that burns quickly. Costumes that resist burning should contain "flame-retardant" or "non-flammable" on labels or packages. If you plan on making a costume, it is recommended to buy material that is suitable for children's sleepwear which should be flame-retardant.

Costumes should be large enough so that warm clothing

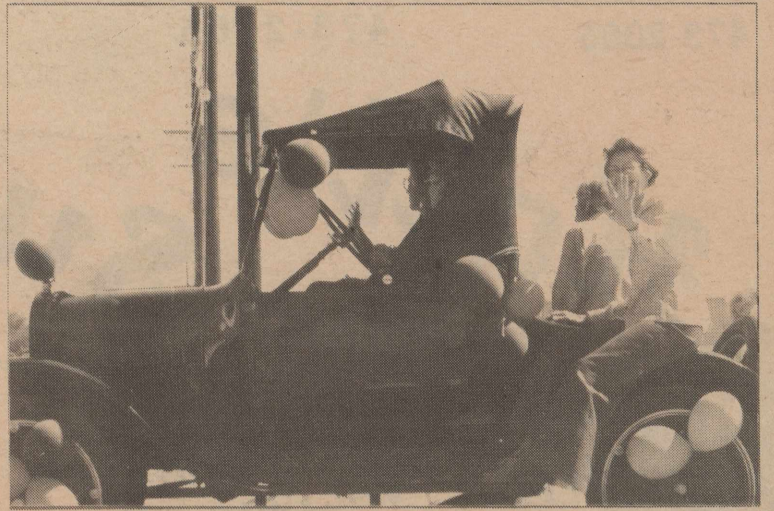

can be worn underneath in cold weather. However, clothes should not be too large or long. Oversized outfits can cause children to fall or catch fire by brushing against such Halloween fixtures as candlelit jack-o-lanterns sitting in yards and porches.

Wearing mothers high-heeled shoes may be a cute idea, but it is not a wise one. Children's shoes should fit and be comfortable. Sneakers are a good choice.

The color of the costume is an added safety measure. Light colors are more visible than dark ones. If the outfit is dark, add reflective tape or decals.

Halloween masks should be properly ventilated with holes for the nose and mouth; large

eye holes permit good visibility. If a mask has elastic strings, make sure they are attached and that no sharp points protrude. For better visibility, wear the mask atop the head when walking from house to house. Better yet, avoid mask problems by creating a disguise with facial paints.

Third place in the Robert Lee Homecoming Parade was awarded to the Senior Citizens' Model T float. Riding in style are Verna McDorman, Floy Sawyer, Buz Sawyer, and Mary Patterson.

Healthy Halloween treats

With a little creative shopping, treat-givers can turn this Halloween into a happy "Healthoween."

"Children are much more health conscious these days," said Dr. Corinne Montandon, nutritionist at the Children's Nutrition Research Center in Houston. "Those of us on the giving end can reinforce the health message by sending trick-or-treaters home with a bag of nutritious treats."

Potential treats can be found on nearly every grocery store aisle if shoppers look carefully.

Montandon, an assistant professor of pediatrics at Baylor College of Medicine, encourages shoppers to look for individually wrapped snacks or boxed items containing packets.

She suggest the following nutritious treats:

- Packaged fruit snacks
- Granola bars with raisins, oatmeal or peanut butter
- Boxed or canned pure fruit juices

- String cheese or other small cheese packages
- Sugarless gum
- Mini-puddings or apple-sauce
- Miniature packs of nuts (for older children)
- Dried fruits, such as raisins or banana chips
- Single-serving, boxed cereals
- Packaged crackers with peanut butter or cheese filling
- Freeze-dried ice cream

Non-food items make good treats, too. Mini-pumpkins to decorate, crayons, pencils, stickers, food or frozen yogurt gift certificates, and even coins can be special treats.

Halloween sends a mixed message to children, Montandon said, because "all of a sudden we forget good eating habits and say come get more candy than you can possibly eat."

Montandon thinks it is time to change that message.

"Coming home with a bag of healthy treats can be just as rewarding because the treats can be part of lunch and after-school snacks for the next few weeks," she said.

West Texas Utilities employees proudly support and participate in the Gatekeeper Program for senior citizens.

We will do our best to assist them by being on the lookout for signs of potential problems that can quickly develop.

With your continued help and concern for our senior citizens, the Gatekeeper Program will be a helping hand to our communities — a public service message from WTU and its employees.

TEACH HIM GENTLY, WORLD

World, take my son by the hand - he starts to school today.

It's all going to be strange and new to him for awhile and I wish you would sort of treat him gently. You see, up to now, he's been king of the roost. He's been the boss of the backyard. I have always been around to repair his wounds and I've always been handy to soothe his feelings.

But now...things are going to be different. This morning he's going to walk down the front steps, wave his hand and start on a great adventure that probably will include wars and tragedy and sorrow.

To live in this world will require faith and love and courage. So, World, I wish you would sort of take him by his young hand and teach him the things he will have to know.

Teach him - but gently, if you can.

He will have to learn, I know, that all men are not just - that all men are not true. Teach him that for every scoundrel, there is a hero; that for every crooked politician there is a dedicated leader. Teach him that for every enemy there is a friend.

Let him learn early that the bullies are the easiest people to lick.

Teach him the wonders of books. Give him quiet time to ponder the eternal mystery of birds in the sky, bees in the sun, and flowers on a green hill.

Teach him that it is far more honorable to fail than to cheat. Teach him to have faith in his own ideas, even if everyone tells him they are wrong.

Try to give my son the strength not to follow the crowd when everyone else is getting on the bandwagon. Teach him to listen to all men, but to filter all he hears on a screen of truth and to take only the good that comes through.

Teach him to sell his brawn and brains to the highest bidders, but never to put a price tag on his heart and soul. Teach him to close his ears on a howling mob - and to stand and fight if he thinks he's right.

Teach him gently, World, but don't coddle him, because only the test of fire makes a fine steel.

This is a big order, World, but see what you can do.

He's such a nice little fellow...

-----Abraham Lincoln

SW Golf Results

Thirteen players braved the cool damp weather last Sunday to play in an 18 hole ABC Golf Tournament at the Bronte Singing Winds Golf Course.

Shooting a 66, the team of Joe Ramirez, Corky Collins and Todd Lee took first place honors. Finishing with a 67 to finish in second place was Carroll Daily, Jackie Walker and Don Hodge. Third place went to Jeff Webster, Chris Webster, Buford Waggnor and Eldon Isreal.

Seventeen players turned out to play in the Thursday evening 9-hole ABC Golf Tournament at the Singing Winds Golf Course in Bronte. This tournament was the last one for this season.

Taking first place was J.W. Caudle, J.T. Henry and Jackie Corley. Second place went to Benny Corley, Katie Campbell and Wade Stautzenburger. They were followed by Mack Baker, Carroll Daily, Kenny White and Richard Hembree in third.

The regular Thursday evening 9 Hole ABC Golf Tournament was held at the Singing Winds Golf Course with 20 players entered.

First place was won by the team of Wayne Coalson, Ealy Baker, Don Bailey, and Paul Trosclair with a 31.

There was a three-way tie for second place with a 34. After a playoff, the team of Ken Campbell, Carol Daily, Jim Badgett, and Eldon Isreal took second, followed by Katie Campbell, Jim Morrow, Corky Collins, and Corneila Baker in third.

Br. OES observes Star Point Night

"Star Point Night" was observed at the October meeting of the Bronte Chapter #1048 Order of the Eastern Star held at the Bronte Masonic Lodge Hall.

Margaret Martin and Frances Kemp were in charge of the program.

Worthy Matron Dorothy Collins and E. G. Collins, Worthy Patron, presided at the meeting.

Mmes. Martin and Kemp hosted the social hour following.

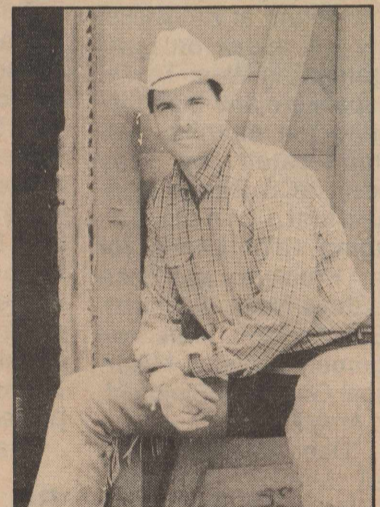

Refreshments were served from a table decorated with Halloween motif.

A New Leader For Texas

Rick Perry ★

FOR AGRICULTURE COMMISSIONER

From Agriculture, For Texas.

Rick Perry's got hands-on experience as a farmer and rancher. The office hasn't had that for over 40 years!

A Proven Conservative Leader.

As a three-term State Representative, Rick Perry has demonstrated his conservative leadership. The Dallas Morning News honored Rick as one of Texas' 10 most effective Legislators.

Texas Values.

Rick is a graduate of Texas A&M University and served as a Captain in the Air Force, where he flew C-130's. He and his wife, Anita, have two children: a son, Griffin, 7, and a daughter, Sydney, 4.

Rick Perry:
The Only Farmer and Rancher Running For Texas Agriculture Commissioner

With a Plan for Jobs and More Prosperity for Texas.

His 6-Point "Action Plan for Texas Agriculture," to process more raw goods in-state, attract more federal research dollars, expand markets for Texas products, work with mainstream agriculture, have an outside audit of TDA and end the political scandals, will strengthen Texas agriculture and create jobs across the state.

COUNTRY AGENTS NEWS

by Tommy Antilley
Coke County Agent

Howard College in Big Spring will play host October 26 to a workshop-tour entitled "Wildlife Management on Conservation Reserve Program (CPR) Lands." The day-long program is designed to help contract holders optimize their CRP resource.

Registration runs from 8:30 am to 9:00 am. The workshop features a host of sponsors including the Texas Agricultural Extension Service, Soil Conservation Service, Farm Bureau, Texas Parks and Wildlife Department, TU Electric, Gallagher Power Fence, Inc., Howard College, and the Texas Forestry Service.

The day will be spent talking and looking at some different ideas landowners can incorporate into their CRP acreages. Since the only means of generating revenue from a CRP contract other than the government payments has been through hunting leases, a lot of people would like to improve their CRP tracts in terms of wildlife. Different things landowners can do to modify their contract parcels such as incorporating Conservation Practice 12 which allows the use of annual food plots will be discussed.

The day's scheduled keynote speaker is Dr. Fred Guthery, a Research Scientist with the Kleberg Wildlife Research Institute at Kingsville. Guthery will speak on quail management in West Texas. Other speakers and their topics during the morning session moderated by Ray Schimcek, SCS Range Conservationist, include: "Managing CRP Lands for Wildlife: Problems and Solutions," Steve Nelle, Biologist, SCS, San Angelo; "Waterfowl Management," Gene Miller, Technical Guidance Biologist, TPWD, Amarillo.

Also, "Deer Management," Bill Del Monte, Biologist, TPWD, Nolan; "Establishing Wildlife Food Plots," Charles Coffman, Biologist, SCS, Lubbock; and "Brush Management for Wildlife," Rollins.

The tours are set to depart at 2:30 pm. The first stop will be on the Russel Ranch where improving wildlife habitat on CRP land will be addressed. Then Wayne Armstrong will speak on law enforcement, followed by Jack Van Caspel who will speak on fencing methods. Armstrong

Nothing is opened by mistake as often as one's mouth.

is a game warden in Big Spring and Van Caspel is with Gallagher Power Fence, Inc.

The day's final stops will feature wildlife management practices on the Quahadi Wildlife Refuge and McDowell Ranch. The day's activities are set for adjournment at 5 pm.

For further information, contact Don Richardson, 267-6671; Ray Schimcek, 267-1871; Dr. Dale Rollins, 653-4576; or your local County Extension Agent.

Lady Horns 3-0 in district play

The Lady Longhorns finished the first half of district 3-0 when they defeated Water Valley 15-0; 15-8 Tuesday night.

In game 1, the Horns dominated the net led by the blocking of Junior, Amie Parker and the hitting of Teresa Vaughn and Eboni Taylor. Alisa Richards led all servers with 8 points.

However, in game 2, they fell behind 4-0 before Vaughn stepped to the service line for 5 straight points. Angela Reyes and Darla Scott added the offensive punch as Brandi Thomas took serving honors with 6 points.

The Lady Horns now have a 13-3 record.

Junior Varsity members played their best match of the season against the Wildcats but lost in a tight 15-7; 3-15; 13-15 contest. Tamara Richards led the team in offense with numerous kills while Vanessa Halstead and Kim Blair shared the setting honors. Misty Mackey and Amber Bairrington had a good night on the serving line while Jennifer McCorkle, Jennifer Johnson, and Marci Reyes played excellent defense.

The JV falls to 0-2 in district.

Br. NHS inductees, officers reported

The National Honor Society inductees have been selected for the 1990-91 school year. They are as follows: Misti Ensor, Sonja Salsar, Alisa Richards, Aimee Parker, and Kristie Cooper.

New officers were also elected: President - Brian Arrott; Vice President - Misty Golson; Secretary - Melissa Bivins; Treasurer - Eboni Taylor; Reporter - Julie Blair; and Historian - Lee Sonnenberg.

The induction ceremony will be October 29 at 7 pm in the Band Hall. The public is invited to attend.

Mauldin named to teaching Who's Who

Mrs. Melba Mauldin, 6th grade teacher at Robert Lee Elementary school has been included in the first edition of WHO'S WHO AMONG AMERICAN'S TEACHERS, 1990. Mrs. Mauldin was nominated for this honor by a former student.

Married to Donald Mauldin, Mr. & Mrs. Mauldin has two children, Mrs. Jana Smith of Robert Lee and Donald Mauldin of Tulsa, OK. They are also the proud grandparents of 4 grandchildren. Mrs. Mauldin has taught 2 of these grandchildren, Dane and Rob Smith.

Mrs. Mauldin received an Associate Arts degree from San Angelo College, a Bachelor of Science degree from Angelo State College, and a Master of Education in Counseling from Angelo State University.

She has had extensive teaching experience. She taught 4th grade in San Angelo before coming to Robert Lee. She has taught Jr. High English, 5th grade and 6th grade during her 21 year

tenure in the Robert Lee Independent School District.

While teaching in Robert Lee Jr. High, Mrs. Mauldin sponsored a class for several years. She also sponsored Jr. High and High School cheerleaders, as well as the Beta Club. She sponsored U.I.L. events in Jr. High and, at present, sponsors oral reading, ready writing, and number sense in the elementary U.I.L. contests.

She has taught several students whose parents were also her students. At present, 9 members of her 6th grade class belong to former students.

Mrs. Mauldin's philosophy of teaching is "to teach the whole child--not a brain. The physical, social, and emotional well-being, as well as the academic development of the student, is important." She strives to instill a good self-concept and pride in the child. Mrs. Mauldin's students and colleagues admire this outstanding teacher and congratulate her on this high honor.

Houston to host upcoming quilting fair

Houston loses its designation as "Space City" every year in early fall. For the four days of International Quilt Festival, Houston is, instead, "Quilt City" as thousands of quilters and quilt-lovers from around the globe flock to the George Brown Convention Center for the most colorful event in the quilt world.

Houston is the capital of the international quilting community during the 16th annual "World's Fair of Quilts," the largest quilt show and sale in the world, scheduled for November 1-4. Over the past decade, interest in quilting has spread like wildfire to every corner of the world - Japan, South Africa, Finland, Chile, Turkey - becoming a common language for the women who painstakingly transform bits and pieces of cloth into fascinating artistic expressions.

Quilters from over 20 countries will register for classes at this year's Quilt Festival, and many more nationalities will be among the visitors to the special quilt exhibits mounted especially for the show. Visitors can also shop in over 300 vendors' booths offering an outstanding variety of quilts, quilted apparel, dolls, and other collectables, plus a huge assortment of fabrics, patterns, books, and notions for the quilter and textile crafter.

The International Quilt Festival celebrates Japanese quiltmaking this fall with *Focus: Japan*, an exciting collection of contemporary Japanese quilts curated by internationally-known designer Mr. Akio Kawamoto. The Japanese have embraced traditional American quilting with a passion, interpreting our familiar traditional patterns such as Log Cabin and Grandmother's Flower Garden in the beautiful silks and kimono fabrics of Japan. The resulting quilts are truly a feast for the eyes.

Also included in *Focus: Japan* will be perhaps the world's largest quilt, the gigantic 40' x 40' quilt made as a joint effort by over 1200 Japanese quilters! This quilt will be suspended over the exhibit floor at the George Brown Convention Center.

Quilt-lovers can take a "trip around the world" with the quilts on special display at the Quilt Festival. In addition to the Japanese quilts, *Hands All Around VI: International Quilts* showcases the unique work of quiltartists from as far away as Sweden and Australia. Quilts frequently reflect the culture of their country of origin, whether in theme or materials used, so these quilts from many countries are often unusual compared to traditional American quilts.

The Houston Festival will also mark the first stateside showing of the outstanding finalist quilts from *Threads of Friendship*, an international quilting contest sponsored by the leading magazine for quilters, *Quilter's Newsletter Magazine*. These quilts were first seen at this spring's Quilt Expo Europa II in Odense, Denmark, an international

quilting conference attended by quilters from more than 30 countries. Texas quilts will also take center stage at this year's International Quilt Festival with "Lone Stars II," an exhibition of Texas quilts made between 1936 and 1986. Included will be wonderful pastel quilts from the Depression-era, scrap quilts from the 40s and 50s, and outstanding contemporary interpretations from the last two decades, all made in Texas. Of particular interest will be a selection of quilts with Texas theme made to commemorate the 1986 Sesquicentennial.

The Texas Quilt Association, sponsor of the exhibition, began documenting Texas quilts as a sesquicentennial project. After three years of crisscrossing the State conducting Quilt Days, the project culminated in a breathtaking display of antique Texas quilts in the rotunda of the State Capitol over San Jacinto weekend during the 1986 Sesquicentennial celebration.

Not only were beautiful antique quilts discovered in the Quilt Days, but many outstanding contemporary quilts. The Lone Stars II exhibition includes the best examples of these more recent quilts from the Quilt Days and from the ongoing documentation project of the Texas Quilt Association.

This special exhibition of Texas quilts heralds the release this fall of a new publication from the University of Texas Press, *Lone Stars II: A Legacy of Texas Quilts, 1936-1986*, co-authored by native Texans Karoline Patterson Bresenhan and Nancy O'Bryant Puentes. Among the other outstanding special exhibits slated for International Quilt Festival this fall are: *Red and Green Quilts: An Applique Tradition*, fine antique and contemporary applique quilts; *Dollmakers Magic III*, an invita-

tional exhibition of highly-creative original cloth dolls; *Young At Heart*, very special children's quilts from the 40s and earlier; and *Better Homes and Gardens Books 1990 Blue Ribbon Quilts*, blue ribbon winners from participating state fairs throughout the Midwest.

Volunteers from the Quilt Guild of Greater Houston will again staff a Learn-to-Quilt booth at the Festival where visitors can sit down and experience piecing and quilting a quilt block. The Austin Area Quilt Guild will distribute quilt and textile conservation information from their booth at the Festival.

The 1990 International Quilt Festival opens Thursday, November 1, at 10 am. Daily hours are 10-7 Thursday, Friday and Saturday, November 1-3, and noon-6 pm Sunday, November 4. Admission is \$6 per day with discounts for children and senior citizens over 65.

Beginners and experienced quilters alike can participate in the extensive series of classes and lectures on quilting sponsored by the International Quilt Festival beginning October 31st. Availability of classes can be obtained by calling 713/496-6877.

The George Brown Convention Center is located in downtown Houston, easily accessible from Highway 59. Street-level parking is available adjacent to the Center.

VA Questions and Answers
Q. May a memorial marker be furnished on behalf of a veteran whose remains were donated to science?
A. Yes. VA will supply a memorial marker or headstone to commemorate an eligible veteran. The memorial may be erected, at no cost, in the memorial section of a national cemetery or in a private cemetery subject to their cost.

CARD OF THANKS

THANK YOU to our Bronte customers for your patronage and support for the last 12 years. You may contact us at San Angelo Rt. Robert Lee, Texas 76945.

Browns move to Midland

Bill and Golda Brown completed their move to Midland on October 12 and have already received visits from friends in Robert Lee. The Browns have rented a house in Midland to be nearer to their children during Golda's illness--they are only three houses away from one of their daughters, Debbie Mason. Bill and Wanda Green of Robert Lee visited them on Thursday, October 18, and Greg, Cindy, Whitney, Collin and Tyler Fleming stopped by to see them on Friday, October 19, on their way to see Greg's parents in Seminole.

The Browns report that they are especially pleased with home nursing care available in Midland and that the water, though not good enough to drink straight from the tap, is "okay for making coffee". They also expressed their thanks to the Northside and Southside Churches of Christ for the cash gift that was presented to them before their departure. Bill stated that they really miss the people of Robert Lee and that visits, calls and cards are a great source of encouragement and comfort to them. Their address and phone number is: 2400 Arbor Circle, Midland, TX, 79707, 915/699-2540.

Let's remember our servicemen...

The crisis in the Middle East has far-reaching effects--not only in the nature of the crisis itself, but for the many servicemen and women who have been stationed there with the United States Armed Forces.

If you have a son or daughter or a husband or wife from Coke County stationed in Saudi Arabia or on board a ship somewhere in the Persian Gulf, the Observer/Enterprise would like to print their name and mailing address so that our readers can send letters and cards of encouragement, or Christmas cards during the time they are stationed so far away from home.

Send the names, parents' or spouse's name to Observer/Enterprise, PO Box 1329, Robert Lee, TX, 76945 or PO Drawer O, Bronte, TX, 76933.

New regs affect old tires

Texans throw away between 8 and 12 million tires each year. Improperly operated tire storage sites pose serious fire hazards and also frequently serve as breeding grounds for mosquitoes, rats and other vermin.

Another hazard occurs when floodwaters wash old tires from their storage sites, leaving them scattered over wide areas.

New controls, designed to ensure the safe and environmentally sound handling and disposal of used tires, were recently announced by the Texas Department of Health (TDH). The regulations, which became effective August 29, affect the activities of hundreds of people and organizations that transport, store, process and dispose of used tires.

People who generate 15 or more used tires per month are affected by the new rules and must obtain a special ID number from TDH. They also must keep records showing the number of used tires they accumulate and ship to various authorized storage, processing and disposal facilities.

Under the new regulations, a special TDH-provided manifest must be filled out by peo-

ple transporting 15 or more used tires in a month. All such transporters must register with TDH and pay an annual fee based on the quantity of tires hauled.

T. A. Outlaw, Jr., chief of TDH's Bureau of Solid Waste Management, said the purpose of the new rule is to prevent the accumulation of used tires in a manner that fails to adequately protect public health and the environment, and to prevent whole loads of tires from being placed in sanitary landfills.

Anyone storing more than 500 used tires must register the storage site with TDH by no later than December 27, 1990. The same application deadline also applies to anyone whose operations will require a TDH permit to process or dispose of scrap tires.

Although the regulations require that transporters register by the August 29 effective date, Outlaw stated that transporters will be given until September 28 to register, because of a delay in publishing the regulations.

Persons who think their activities may be affected by the regulations, including retailers, tire shops, service stations, landowners, landfill operators and incinerators, should call the Bureau of Solid Waste Management at (512) 458-7271 to obtain specific regulations and the necessary forms.

Personal

Mrs. Verna McDorman of Robert Lee was delighted to have her son and daughter-in-law, Cleo and Helen McDorman of Olympia, Washington for a 2-week visit. During their stay they visited with Brenda Sue and Eldon Mayfield and their daughter and family, Bonnie, Shelby, and Jeremy Ellis; and Mrs. Sally Bird (Mrs. Verna McDorman's sister-in-law), all of San Angelo.

The family traveled on short trips around Robert Lee, including the home place near Norton and Ivie Reservoir.

Coke Co. Cookin'

Classic Fried Catfish

2 lb. farm-raised catfish fillets
1 C. yellow cornmeal
1 tsp. salt
1/2 tsp. black pepper
1/4 tsp. garlic powder
Vegetable oil for frying

Rinse fillets in cold water and pat dry. Combine cornmeal, salt, pepper and garlic powder. Coat catfish with mixture, shaking off excess. Fill deep pot half full with vegetable oil. Heat to 375 degrees F. Add catfish, a few at a time, and fry until golden brown, about 4-6 minutes. Remove and drain on paper towels. Reheat oil to 375 degrees F. between batches. Makes 4-6 servings.
