## "Save the Theatre" meeting set for Bronte

A Bronte landmark, the Texas Theatre, has been placed for sale on the real estate market.

As one of the remaining landmark buildings left in Bronte, the Theatre has special significance for local residents, and its loss would be irreplaceable.

A town meeting has been

called for Monday, January 28, at 7 pm in the Bronte School Cafeteria. All local citizens are urged to attend this meeting to explore ideas to keep the Theatre a part of the community.

Ed Allcorn, Regional Director of the National Historic Theatre Association will present his recommendations for

uses and funding of the building. After a brief discussion, the meeting will adjourn to tour the Theatre.

The effort is being sponsored by the Bronte Chamber of Commerce, whose directors encourage each and every area resident to come and explore efforts to "Save the Theatre."

The Texas Theatre, a Bronte landmark since 1947, will be the topic of a town meeting Monday, January 28, at 7 pm in the Bronte School Cafeteria.

## Stock Show features strong competition

As is the norm for the Coke County Junior Livestock Show, strong competition in all classes highlighted last weekend's show. Although total animal numbers were down slightly, Coke County Extension Agent Tommy Antilley said that more exhibitors participated than normally do. Quality animals were abundant and Antilley expects that county youths will do well in upcoming larger shows, especially in sheep classes.

Increased interest in goats over the past few years had led to new classes in area livestock shows, known as meat goats. Antilley spoke favorably of the goat classes, saying he believes the new categories afford a wider range of exhibitors who might not otherwise participate. He also declared that worries about premium sales being off were unfounded and the sale went well.

In addition to the winners of each class, and those who placed in the various classes, a number of other awards

were named. The Frank Percifull Overall Showmanship and the Ralph Walker Top Hand awards both went to J. J. Tennison. Brian Arrott garnered the Swine Showmanship award. The Steer Showmanship honor went to Scott Antilley and the Sheep Showmanship was awarded to Chad Wagley.

Breeders awards honored the Coke County producers: Sheep Breeders, Lee Ranch; Swine Breeders, Blair and Blair Hog Farm; and Steer Breeders, Bloodworth Brothers.

Complete results of the livestock show follow.

The top four places in each class were: Mrs. Lee's Bronte 5th grade - 1st. Michael Martinez, 2nd. Dusty Arrott, 3rd. Cara Barnett, 4th. Justin Brazeal; Mrs. Wilson's Robert Lee 5th grade - 1st. Bree Bolding, 2nd. Tracy Millican, 3rd. Jessica Key, 4th. Eli Boxell; Mrs. Mauldin's Robert Lee 6th grade - 1st. Mike Pentecost, 2nd. Soyla Barrera, 3rd. Meagan Hill, 4th. Korey Pitcock; Mrs. Ensor's Bronte 6th grade - 1st. Michael Blair, 2nd. Kimberly McCorkle, 3rd. Shaunna Tinney, 4th. Becky Sanchez. Every student who submitted a poster received a certificate from the Soil Conservation Service in appreciation for the thought, effort, and publicity on the need and worth of soil and water conservation that the posters depicted.

The top three posters, done by Michael Martinez, Mike Pentecost, and Michael Blair, will be entered in the Texas Regional Contest which includes 52 West Texas counties.

Pupils could choose any phase of resource conservation that is part of the work of the local soil and water conservation district. Included in this work are: soil use and treatment; erosion control practices; crop, range, and pastureland management; drainage problems; watershed protection; flood prevention; fish and wildlife management; and promoting the involvement of all citizens in conserving water and renewable resources.

Response from teachers and students was excellent and posters submitted were outstanding, both in art work and content. Trying to pick only four winners per class and two overall was one of the most difficult tasks ever faced by the board of directors.

## RL City Council minutes

The Robert Lee City Council met at 7 pm January 14, 1991 with Mayor Jackie Walker attending. Also present were councilmembers Ruth Luna, Joe Brazier, Keith Eubanks, Richard Johnson, A. L. Brasuell, city secretary Edna Havins, and city superintendent James Royall.

Minutes were read and approved and bills were approved for payment. Kenneth Green presented an insurance proposal for health care for the city employees for the council's consideration.

It was reported that tax lawyers are working on collection of delinquent taxes for the city.

Keith Eubanks reported that the Buildings Standard Commission would meet the next week and proceed with action on properties not in compliance with the delapidated building ordinance.

Action on the fire truck donated by Grape Creek was tabled until a later date.

Holidays for 1991 were adopted.

The Council decided to advertise for bids on the engineering and administration consultant in connection to the grant received.

The meeting was adjourned.

A quick update on November and December 1990 meetings: Councilman Joe Barrett resigned and the council appointed A. L. Brasuell to serve until the next regular election. Mr. Brasuell will be required to run for another term in May if he sees fit. There was a called meeting to decide what to do regarding insurance on the fire truck given by the Grape Creek Fire Department and the Council tabled a decision since it will be a while before a decision will be made on what to do with the truck.

The City was notified in December that the \$95,000.00 grant application made in July had been approved. The grant is to be used for water lines and improvements to city fire trucks and fire equipment.

**Locals take bass awards**

The Castle Gap Bass Busters Bass Club held their awards banquet last Saturday evening at Western Skies Steak House in San Angelo.

Located in McCamey, Texas, the Bass Club has quite a few members from the Bronte and Robert Lee area.

The top six fishermen of the club for 1990 were announced and presented a plaque. Donnie Jackson of Bronte was awarded the first place plaque, second place went to Henry Watson of McCamey, third place to Tommy Latham of Rankin, fourth place to David Jackson of Bronte, fifth place to Steve Hines of Bronte, and sixth place to Danny Thomas of Bronte.

The top fishermen of the club were determined by the total weight of fish they caught during the year at the club's fishing tournaments which were held on various

lakes including those in this area.

Each year, the Bass Busters hold a Black Bass Tournament on Lake E. V. Spence at Robert Lee with this year's date being set for April 6.

**Look up before pruning limbs!**

**When trimming, stay clear of overhead power lines.**

- Locate wires that run through tree limbs or bushes before cutting. Also before you trim, be sure limbs have ample clearance.
- Always use a wooden ladder making sure to position it away from power lines.
- Work only in dry weather and never on a windy day.

If you have a son or daughter or a husband or wife from Coke County stationed in Saudi Arabia or on board a ship somewhere in the Persian Gulf, the Observer/Enterprise would like to print their name and mailing address so that our readers can send letters and cards of encouragement during the time they are stationed so far away from home.

Send names and addresses to:
